ABOUT THE UNIVERSITY

The Kalinga University, is a premier Institute for Higher Education and Research in the country. It is established under Chhattisgarh Private University (Establishment and Operations) Act 2005 and under section 2 (f) of UGC Act 1956. Situated in New Raipur, Sector 30, Kalinga University offers a lush green eco friendly campus with a conducive learning atmosphere rich in peace and serenity, which eventually turns the educational wheel and cognitive processes.

With an elite academic experience Kalinga University pushes the boundaries of knowledge by providing an interactive cross cultural campus accommodating students not only from India but more than twenty countries of the world which include South Korea, Tanzania, Sudan, Malawi and many more. Kalinga University provides world class infrastructure with well equipped labs having all the advanced resources and equipments to offer an excellent learning atmosphere to the students. It offers the highest quality of academic experience with a teaching staff repertoire of best teaching practices, reflective, collegial and rich in problem solving with emphasis on originality. Our outstanding and responsive support is actively available to the student's right from the initial stage of their transition to University life till the accomplishment of degree and placement.

Our academic standards are high with an International campus unparalleled in the country. It is a matter of great proud for us to see Kalingites excel with a flourishing career graph in the global atmosphere. We firmly believe in the motto of Father of our Nation, Mahatma Gandhi who expressed -

"Live as if you were to die tomorrow, Learn as if you were to live forever..."

MESSAGE FROM THE CHAIRMAN

As Kalinga University completes another year (2021-22), I am filled with pride and happiness, and express my gratitude to God Almighty for helping us come full circle. Indeed, it has been an eventful journey since the inception of the university back in 2013. Today, we may proudly say that what began as a dream has successfully made its mark in the city's blooming education sector. Indeed, the university shines brightly among all other top educational institutions of Chhattisgarh. It is in no small part, a contribution of the able leaders, teachers and parents who work in sync to ensure the very best learning environment for the heart and soul of the school – its children. It is very heartening, therefore, as Chairperson to see our efforts bear fruit. I am also extremely proud to state that the university is ranked among the Top 35 private universities of the country. Truly, I applaud the faculties, who have helped the students perform admirably, as well as for their able guidance and supervision, that continue to transform Kalinga and lead it onwards to new horizons. It has indeed been an eventful year, replete with a plethora of activities and events that celebrate the spirit of learning, growth and creativity. All these events contribute to the holistic development of the students, who are able to hone their talents and channel their energy into productive, creative work. This remains our belief at Kalinga, that students can achieve their full potential only when they are given free rein to their innate talents. Once again, I praise the entire management, staff and student body of the University for their Achievements. I pray that God showers each one of us with His divine grace and blessings.

Dr. Rajeev Kumar
Chairman
Kalinga University

MESSAGE FROM THE CHANCELLOR

It is really a subject of satisfaction for all of us that Kalinga University has made constant progress in a comparatively short time frame in conditions of growth of its physical system and academic programs. The University offers graduate and post graduate courses. Focused on promoting academic quality and socially relevant education, the University has made all attempts to meet up with the nationwide and global benchmarks. We have an extremely dedicated and responsive administrative and teaching staff. We offer great value to interactive learning and two-way communication technique, thereby making the learning environment genuine and reactive. With professors who are recognized experts in their field, it creates an environment that combines that best of pedagogy with an encouragement to ask and be curious. A key area of the learning experience is exactly what students do beyond their classrooms. Keeping this at heart, the hostel facilities in the University premises have been made with utmost care so that students can feel secured and relaxed. I request you to get ready yourself for the opportunities of the new life at our University using its educational offerings and skills in proving as well as growing areas.

I wish you all the good luck.

Dr. Sandeep Arora

Chancellor

Kalinga University

MESSAGE FROM THE VICE CHANCELLOR

Kalinga University will encourage you to challenge and stretch yourself in ways you might not yet think possible. Your degree from Kalinga-combined with the huge variety of opportunities and activities on offer here and with the experience of this vibrant city will transform your sense of your own possibilities as a highly employable person and as a responsible citizen.

Kalinga University is dedicated to nurture students who will contribute to society by advancing knowledge and imparting it to new generation of students. In a world where change is inevitable, only one thing is certain i.e Knowledge. It will surely be a key resource and will be highly sought after, within India and around the globe. Our focus is to generate the intellectual property which will create new jobs and to educate and train people to work in fields having potential for growth of their specialized knowledge and for their ability to research, communicate and solve problems. They hope to play a central role in making your experience as productive and rewarding as possible.

Looking around the University's beautiful and peaceful campus, it is easy to nurture the creative buds of our students so that they can open their wings and can fly high to achieve greatest heights. As they believe it is possible for each and every one of us to make a difference with our efforts and vision.

Let's strive to keep excellence, integrity, accountability, respect and service in mind throughout the academic year and pursue a common goal in and outside the classroom. It will open a myriad of opportunities for all of us truly to shape the world.

I wish you all the best for future career as students of this
University. Affectionately.....

Dr. R. Shridhar
Vice Chancellor

MESSAGE FROM THE REGISTRAR

At the Kalinga University, we know our students want more than a traditional university degree. They want desire education that prepares them for a global future – a future that demands critical thinking, innovation and resourcefulness.

At the Kalinga University, we believe every future matters. This belief fuels the experience we offer our students. We believe in innovation as a pathway to success. Innovation propels societies forward, improves lives, spurs discovery and advances higher knowledge.

We are big enough to offer a global education and to embrace world-class research. We know our students want to be innovators – they want an engaging education that positions them for success. They know the classroom is important but also believe, as we do, that there is an enriching education to be had outside the lecture hall. At Kalinga University, we’ve helped our students launch highly successful companies. Our faculty members are passionate about helping their students succeed, while maintaining excellence in research. Our students channel that passion into a determination to seize the opportunities available to them and create their own future.

We know that students today are looking for more than just a traditional university degree. At Kalinga University, they find an education focused on mentorship, collaboration and discovery. They find the support and framework to believe in them, take chances and be a force for positive change. These experiences build a more complete educational experience, and they strengthen our province as a whole. Our global connections bring together students from around the world. Our network continues to spread internationally. I’m incredibly proud to be a part of Kalinga University. I hope you are, too.

Dr. Sandeep Gandhi

Registrar

MESSAGE FROM THE DEAN STUDENT'S WELFARE

The Annual Report is a kaleidoscope of the various academic, co-curricular and extracurricular activities of Kalinga University. It is designed to provide information that will assist the students in exposure of their multifaceted talents and potentials at Kalinga University.

It is a handbook describing the functioning of Kalinga University making various departments more accessible and easily approachable to students for resolving their queries and concerns. The University takes great care to enrich the teaching learning process and make it more interesting and interactive through multiple activities, educational tours, cultural activities, industrial visits, seminars and Conferences organized time to time.

The office of Dean Student's Welfare is the trusted place for the students to convey their grievances, queries regarding hostel, classroom and inconveniences related to adjustment in the new learning. Keeping in mind the security of girl students a women cell has been set up adjacent to the DSW office where girls and female faculties can register complaints regarding any kind of exploitation and harassment on which counseling is offered and respective actions are taken.

The Office of Dean Students Welfare is here to help you. You will always find a friendly face and helping hand. Best wishes to you as you begin a new academic year and new chapter of your life

Dr Asha Ambhaikar

Dean Student's Welfare

Kalinga University

OUR VISION AND MISSION

OUR VISION

Kalinga University aims to be an outstanding institution for Talent Development and Knowledge Creation for a vibrant and inclusive society.

OUR MISSION

The primary purpose of Kalinga University is to provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will ensure the survival of future generations and improve the quality of life for all. The University seeks to help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development.

To fulfill our mission, we:

1. Offer broad and balanced academic programs that are mutually reinforcing and emphasize high quality and creative instruction at the undergraduate, graduate, professional and postgraduate levels.
2. Generate new knowledge through a broad array of scholarly research and creative endeavors, which provide a foundation for dealing with the immediate and long-range needs of society.
3. Achieve leadership in each discipline; strengthen interdisciplinary studies, and pioneer new fields of learning.
4. Promote the use of new technologies in Teaching and Research.
5. Inculcate right values in students for their holistic development.

July 2021

Felicitation of Doctors on Doctor's Day 1st July 2021

Kalinga University, Raipur is a well-known Educational Institute in Central India that focusses on quality education and research. The University believes in holistic development of the students and thus facilitate the students to enhance and develop practical skills, techniques, or ideas which they can use in their work or their daily lives. Kalinga University is a known name in Chhattisgarh for its exhaustive extension and social responsibilities.

Kalinga University expressed gratitude for the medical saviours on the occasion of National Doctor's Day. It was a small gesture of the University's indebtedness towards the frontline warriors who amidst the pandemic, are fighting to save our lives. This event was coordinated by the Dean Student Welfare, Dr. Asha Ambhaikar, Chief Proctor of the University, Mr. A. Vijay Anand, Incharge of NSS wing, Ms. Smita Premanand and Assistant Professor from the Department of Arts and Humanities, Ms. Avinash Kaur. The team visited various private and government hospitals and felicitated the doctors.

Kalinga University felicitated the following Doctors on the occasion of National Doctor's Day-

WELLNESS TIPS!

IS YOUR LAPTOP RESPONSIBLE FOR THAT PAINFUL ELBOW?

Healthy Ram

Working for long hours on the laptop can lead to aching elbows and wrists. You can avoid these aches by:

- Adding on an external keyboard and mouse when possible.
- Using a laptop stand / pile of books to raise the laptop to eye-level.
- Taking regular stretch breaks from work for hands, arms and back.

Incorrect posture

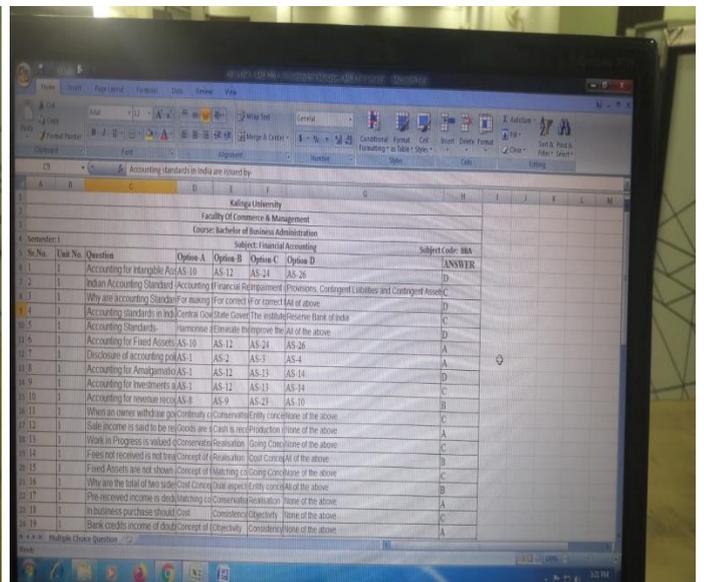

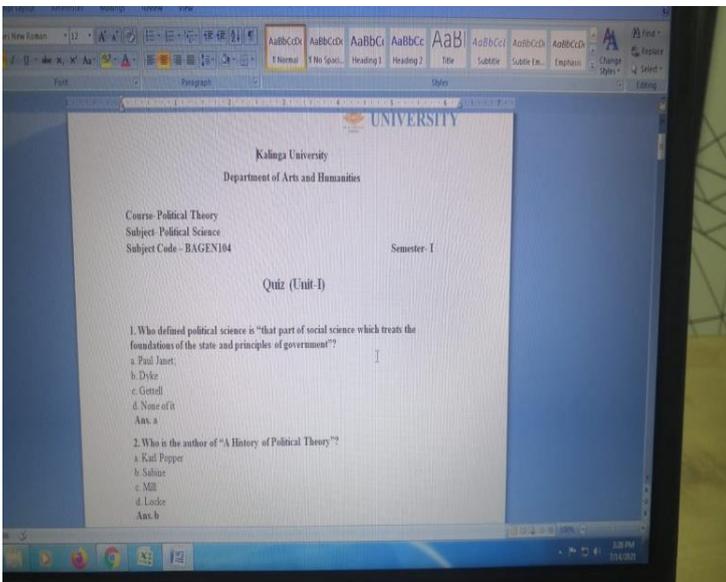

Correct posture

Leadership Development Program held in Kalinga University on 7th August 2021

Raipur. Kalinga University, Raipur has emerged as a centre of excellence of higher education in Central India. Strategically located in the Smart City of New Raipur, this University has started carving a niche for itself in the education domain and is rising as a shining star on the horizon of quality education. It

organises consistently various Leadership and Management Development Programme for enhancing skills in academics.

A Leadership Development Programme “Creation and Execution of Skill Based Syllabus” for Jan Shikshan Sansthan, Raipur was organized by Internal Quality Assurance Cell, Incubation and Innovation Cell, Faculty of Commerce & Management on 7th August 2021. The programme was divided into four sessions namely- Goals and Learning Objectives, Best Practices in Syllabus Making, Session Planning and Teaching Methods followed by Course Outcomes -Program Outcome mapping. The resource person for the same was Dr. Monika Sethi Sharma, Dean Faculty of Commerce and Management along with her team members.

The event was inaugurated by Dr. Byju John, Director General of Kalinga University and valedictory address was given by Dr. Sandeep Gandhi, Registrar and Dr. R. Shridhar, Vice Chancellor of Kalinga University.

Mr. Mahesh Sir from Jan Shikshan Sansthan, had appreciated the interactive session and gave inputs for syllabus making, Mrs. Gayatri, from Jan Shikshan Sansthan, talked wise about understanding CO-PO Mapping and Mr. Nankeshwar Kumar from Jan Shikshan Sansthan, had focused on effective teaching methods explained by the resource person. The Director of Jan Shikshan Sansthan, Mr. Atul Singh appreciated and thanked the resource person from Kalinga University stating that this training programme would be a great help in enhancing their syllabus making and session planning.

A Lecture on “Ancient mathematics and Modern Mathematics” Department of Mathematics on 7th August 2021

By “Ms. Priyanka Singh”, Assistant Professor,

Date- 07/08/2021

Time- 12:00 to 1:00 pm (1hr.)

Mode of Activity- Online

World Tribal Day Celebration at Kalinga University on 9th August 2021

Kalinga University, Raipur is a well-known Educational Institute in Central India and has emerged as Centre of Excellence in Higher Education. The University not only focuses on quality education but also emphasizes on the holistic development of the students. To take this endeavor ahead, the Faculty of Arts and Humanities, Kalinga University celebrated World Tribal Day on 9th August, 2021. This event was organised by the Faculty of Arts and Humanities, Kalinga University to draw one's attention towards forgetting caste barriers and be a united voice for the rights, culture and history of the tribal's.

WORLD TRIBAL DAY is celebrated on 9th August as a tribute to the Indigenous People. As an educational institution, Kalinga University is proud of being in the capacity to convey the message of reverence and admiration towards the Tribal communities and showcase their rich heritage. As every auspicious occasion seeks the blessings of the lord, this event also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana. The event was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Dean Arts and Humanities- Dr. Shilpi Bhattacharya and Faculty members of the University. Vice Chancellor of the University, Dr. R. Shridhar, in his welcome speech emphasized on the 'Importance of Tribal Communities'. The marvelous oration shed light on the origin and gradual progress of the various tribal groups in India and around the world. Dr. Shridhar emphasized the present social issues faced by the indigenous people and how we as citizens can play a role in the growth and improvement of their proud heritage.

This session was followed by the address of Dr. Ajay Shukla, Head, Department of Hindi. Dr. Shukla spoke about various tribal communities in Chhattisgarh and other parts of India. Dr. Shukla beautifully illustrated the traditions and customs of the Tribal communities and talked about how their cultures are slowly getting extinct and how the society can play a part in saving and reviving the heritage of the Tribal communities. Mrs Smita Premanand, NSS program officer recited poem on world tribal day.

The event was concluded with a heartfelt 'Vote of Thanks' by the Dean, Students Welfare of Kalinga University, Dr, Asha Ambhaikar who conveyed gratitude for the successful conduction of the event. Master of ceremony was Ms. Anurima das. Mr. Chandan Singh Rajput, Dr. Anita Samul, Dr. Harsha Patil and all faculty members were present for this world Tribal Day celebration.

Inauguration Ceremony 'SWAGAT 2021' - Avishkar Club of Civil Engineering, on 10th August 2021

Activity Name:

Inauguration Ceremony 'SWAGAT 2021' - **AVISHKAR CLUB OF CIVIL ENGINEERING**

Activity Date: 10/8/2021

Event Type: Online Mode

Submission Type: Pdf file/Word file

Mentor:

Dr. N.K. Dhapekar

Club Coordinators:

Mr. Akshit Lamba

Club Co-Coordinator:

Mr. Piyush Das

Ms. Swati Agrawal

Mr. Manas Rathore

Purpose of Event:

- To promote and create interest in students about the club of Civil Engineering.
- **To create an atmosphere where the students can put their innovative efforts skills and ideas into action and transform them into reality.**
- **To advance the knowledge and social development of its members in various activities and students of the department as a whole.**

Details:

An online departmental event was conducted on 10 August, 2021 named Swagat 2021 Inauguration Ceremony of Club for the students of Department of Civil Engineering for promoting interest and interaction between different students of different Semesters. The event was conducted through online mode.

All students were welcomed by Dr. N.K. Dhapekar who gave welcome speech and told the importance of Club and motivate the students and guided about the event and Prof. Manas Rathore gave presentation on Avishkar Club of Civil Engineering and brief the procedure of formation of club and the Coordinators stated the rules and regulations needed to be followed and the duration of event and students are appointed in club committee members. All semester students of Dipolma Btech and Mtech students participated in this event After all the previous results and discussions different members are appointed and students also acknowledge with their designation .

Club Committee Members:

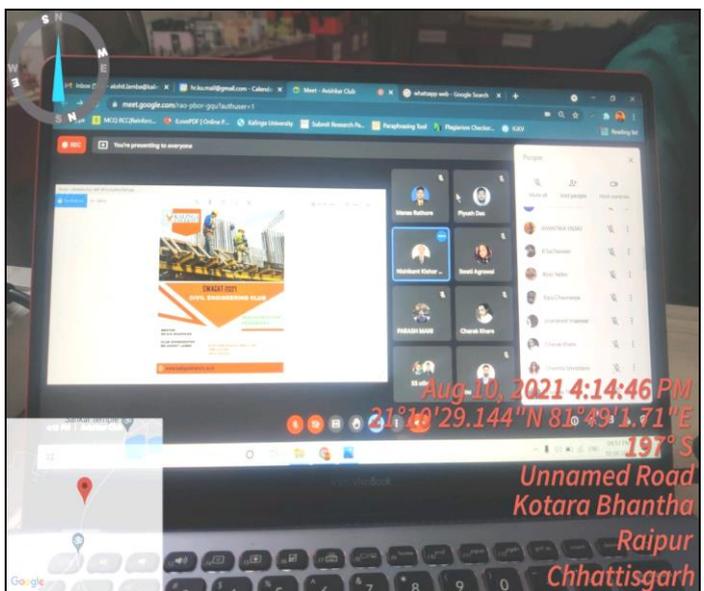

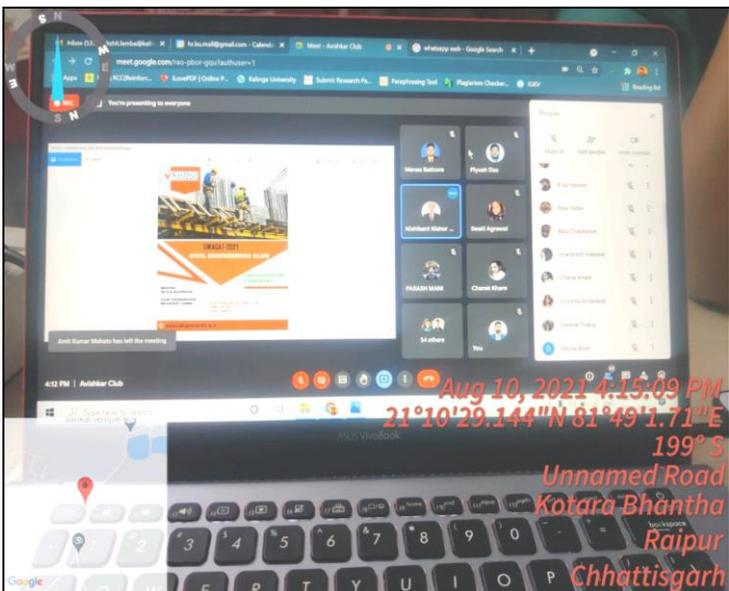

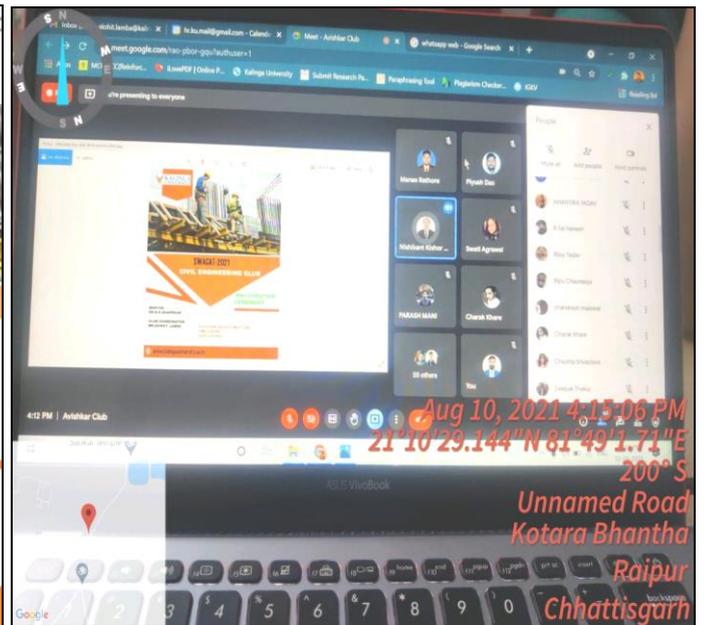

Mentor	Dr. N. K. Dhapekarr. (Departmental Coordinator)
Club Coordinator	Mr. Akshit Lamba
Student coordinator	Mr. Piyush Das, Mr. Manas Rathore & Ms. Swati Agrawal
Members	All Class Coordinators

Outcomes of Event:

- Enhancement of technical skills.
- Complete knowledge related to latest technical issues in Civil Engineering.

- Boundaries of knowledge will get eliminated.
- Spoon feeding will get exhausted.
- Students will show their talent on their own platform.
- Development of Leadership co-operation and Interaction amongst Departments as a whole.

Tomorrow is an important day for the inhabitants of our country "Independence Day". On the occasion of this Independence Day, Department of Mathematics, Kalinga University organized a lecture for the students titled " **Mathematics and its scope before 1947 and present scenario**" on the eve of Independence Day by Dr. G.V.V.J. Rao, Assistant Professor. Due to pandemic covid -19, the activity was conducted through the "Google Meet video conference platform".

The main objective of this activity is that students can develop the anxiety about the mathematics and they can get the knowledge of future scopes in the field of Mathematics. Speaker told the students about some institute in India as well as abroad, where they can join as Mathematics subject expert, as teaching faculties, etc.

Students, from MSc [Mathematics] 3rd semester participated with enthusiasm and they questioned and got the answers from the speaker as well as faculty members. During the session the faculty members Dr. Subhashish Biswas, Mr. Nigama Prasan Sahoo, Mr. Satpal Panika and Ms. Priyanka Singh, all mentioned their views individually and they appreciated the program. Also, students expressed their views regarding their future scopes and they thanked to the Speaker as well as the organizing committee. The students got the knowledge of Mathematical Psychology from the discussion between Dr. Biswas and the speaker Dr. Rao. Finally, the session was ended with National Anthem on the eve of Independence Day.

Screen Shots of the activity

Activity on “National Leader Role play Competition” Department of Biotechnology on 14th August 2021

Department of Biotechnology, Kalinga University has organized “National Leader Role Play Competition” on the occasion of Independence Day. This role play activities were focused on our Indian freedom fighters, and our motive of this program for student motivation for the knowing our freedom fighters and his sacrifice.

The inauguration of the talk was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, Faculty members Dr. Anju Meshram, Dr. Ramswaroop Saini, Mr. Dilendra Chandraker, Ms. Nirali Budhbhatti and Students. This activity was very interesting and motivational.

Many students from BSCBT- 5 Semester were played national leader role such as, Smt. Tijan Bai (Pandvani lokgeet Singer), Pt. Jawahar Lal Nehru, Smt. Indira Gandhi, Smt. Sarojani Naidu, Dr. B. R. Ambedkar and Bhagat Singh etc more and more role have actively participated. This activity was very interesting and informative. Total 26 students were participated on role play activity. Overall 33 participants were present in activity.

The Winner of this activity was Ms. Chanchal Sahu (Tijan Bai), Runner Ms. Rajnandini Chauhan (Begum Hazrat Mahal) and Third Mr. Hitesh Singh (Patriotic Song).

Shridhar, Registrar, Dr. Sandeep Gandhi, Dean students welfare, Dr. Asha Ambhaikar, all Dean's, HoDs, Senior Professors & faculty members along with all our students were present in the lawn area of campus for the patriotic celebration.

Dr. Harsha Patil, Dean of education welcomed and introduced the guest and other dignitaries followed the hoisting of national flag by the chief guest and national anthem. Mr. Rajesh Tiwari, in his speech enlightened the spirit of freedom and nationalism with grace. Mr. Tiwari addressed the younger generation about the freedom that has been achieved with loss of blood and cherished by us. He also mentioned not to take the freedom for granted and advised to utilize the most of it while we can. In his speech Mr. Rajesh Tiwari also mentioned that true patriotism only can be achieved when we respect our freedom and the fighters whose blood and life has been sacrificed to achieve the same. The enthusiasm of the occasion was well exhibited by the students and teachers of Kalinga University through recitation of patriotic poems and speeches. The students shed light on the special occasion of “Azadi ka Amrit Mahotsav”. The celebrations concluded with inspiring words of Dr. R. Shridhar (Vice Chancellor) of the University followed by vote of thanks from Dr. Asha Ambhaikar (Dean, Student welfare) and tree plantation by the Chief Guest under the guidance of NSS programme Officer Mrs. Smita Premanand. Azadi ka Amrit Mahotsav concluded with distribution of sweets.

NSS ACTIVITY - Tree Plantation at Kalinga Universtiy Campus on 15th August 2021

Tree Plantation was organized by NSS Unit on 15th August 2021 on occasion of 75th Independence day near kalinga University talab. The chief guest for this program was Mr. Rajesh Tiwari, under secretary, social welfare department, government of Chhattisgarh, Raipur. The event started at 10.00 am pm, Chief Guest addressed on the importance of the tree plantation. Along with chief guest, Hon. Vice chancellor, Dr. R. Shridhar, Registrar, Dr. Sandeep Gandhi, Dean Student's welfare, Dr. Asha Ambhaikar, NSS program Officer Mrs. Smita Premanand along with Deans/HoD and faculty members and NSS students were present to witnessed this tree plantation program. The overall tree plantation program was successful.

State level awards from Sh Jai Singh Agarwal ji, Hon'ble Minister CG Government in the Independence Day Function at Bilaspur on 15th August 2021

Delighted to share that three of our Faculty members have received state level awards from Sh Jai Singh Agarwal ji , Hon'ble Minister CG Government in the Independence Day Function at Bilaspur today .

Heartiest congratulations to :

Mr A Vijayanand, Assistant Professor Faculty of Arts and Humanities for Excellence in Teaching Award

Dr Anju Meshram Assistant Professor, Faculty of Science for Excellence in Research Award

Mr Abhishek Pandey Assistant Professor Faculty of Science for Best Young Faculty Award

Mr A Vijayanand, Assistant Professor Faculty of Arts and Humanities for Excellence in Teaching Award

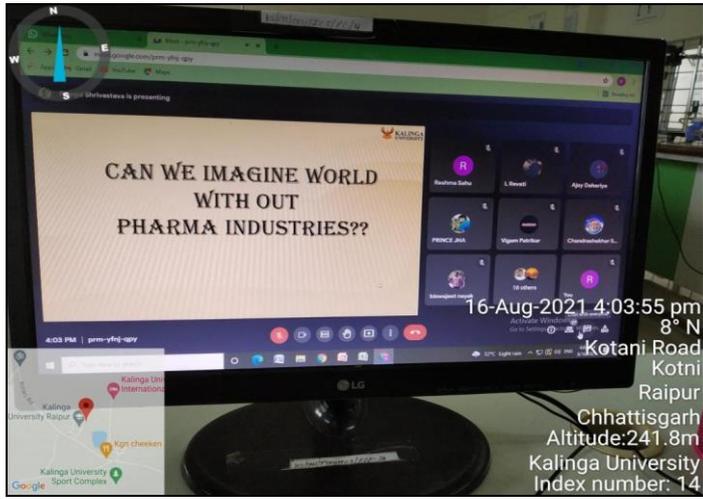

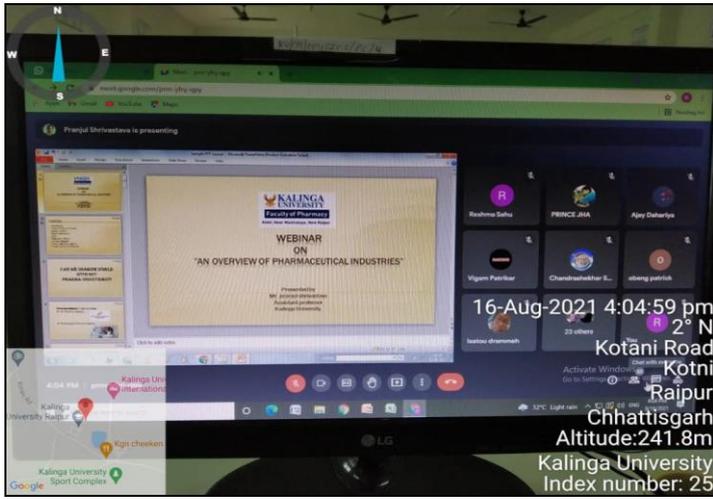

Dr Anju Meshram Assistant Professor, Faculty of Science for Excellence in Research Award

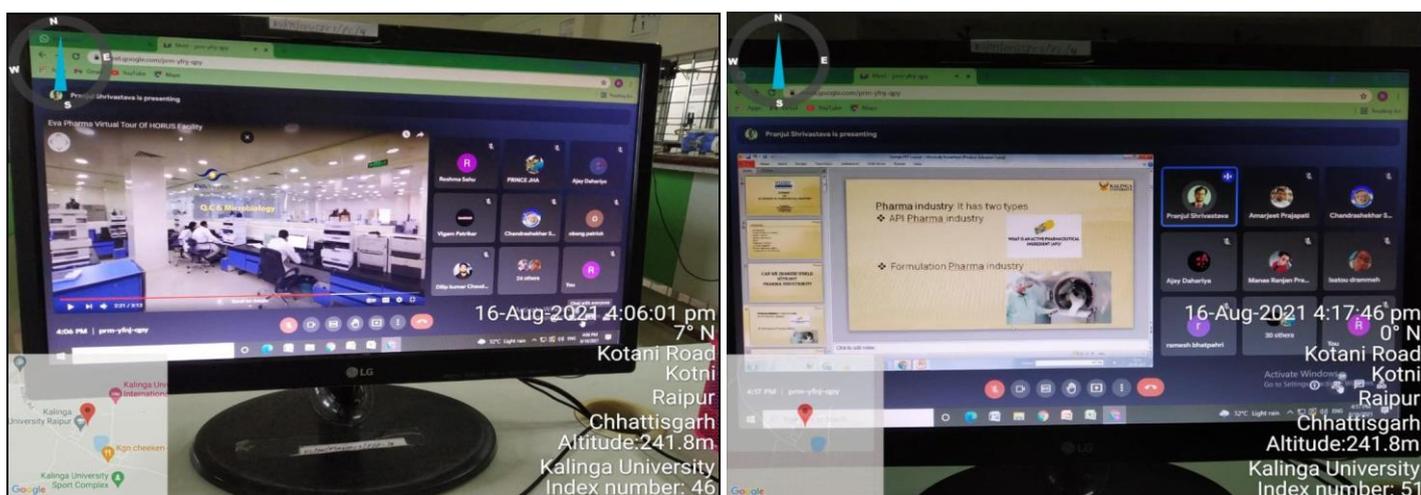

Mr Abhishek Pandey Assistant Professor Faculty of Science for Best Young Faculty Award

Webinar on “An overview of Pharmaceutical Industries” Department of Pharmacy on 16th August 2021

NSS Activity Swatch Bharat Abhiyaan to Ensure “Parthenium - Free Campus” at Kalinga University on 18th August 2021

NSS Activity “Swatch Bharat Abhiyaan” to make parthenium free campus organized by NSS unit of Kalinga University on 18/08/2021 under the guidance by Mrs. Smita Premanand NSS program officer along with NSS volunteers at Kalinga campus and sport’s complex.

Students cleaned the parthenium and that area. The NSS volunteers were very much enthusiastic to participated in this activity of swachh Bharat Abhiyan.

On this occasion, Dean student welfare, Dr. Asha Ambhaikar, NSS program officer Smita Premanand, sport’s teacher Rani Sahu along were present alongwith NSS volunteers, Minakshi chandra, kajal Bhanushali, Arnab Mondal, Rupkatha Mahapatra.

The NSS unit of Kalinga University also taught modern agricultural practices in many village areas. Some of those teachings includes the use of Senna tora, commonly known as “Chakoda” and marigold in replacing parthenium by spreading their seeds during February-April in the infested areas. Their seeds can also be collected during October-November making it an ideal method to manage the spread of parthenium infestation. This NSS activity was in accordance to make people aware and to send the message of “Swatch bharat Abhiyaan” parthenium- free campus. The overall program was successful.

3rd Days Online Academic Festival Organized Faculty of Commerce & Management at Kalinga University on 18th August 2021

Raipur- Kalinga University is a leading University in central India. It is committed to developing the students with in-depth analytical and decision-making skills through extensive use of experiential learning methods. In this Context, Faculty of Commerce & Management organized a 3 Days Online Academic Festival. This Festival was organized in association with Professor Amartya Sen Chair (named in honour of the Indian Economist and Philosopher), which has been established by Kalinga University. Under this chair, Kalinga University is committed to work for the betterment of society through research, education and public engagement.

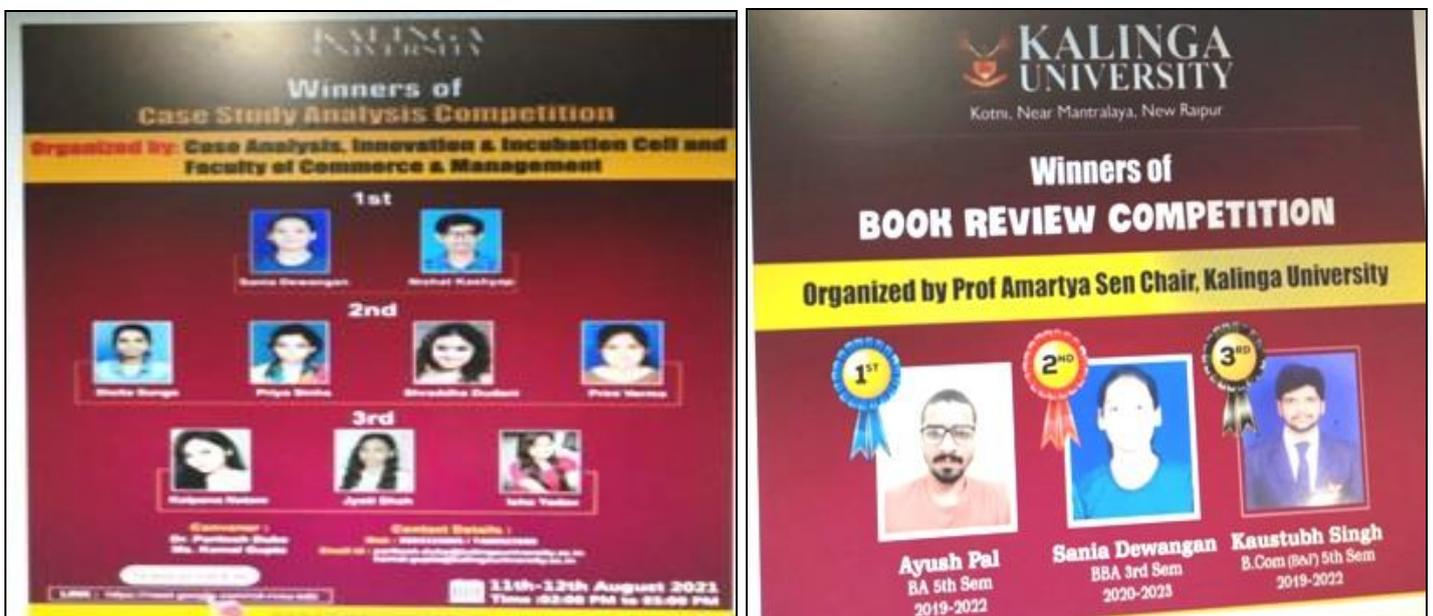

This 3 Days Online Academic Festival Comprised of Case Study Competition and Book Review Competition. Case study methodology is an important technique in promoting experiential learning. The university has adopted this technique to encourage holistic development of students. The main objective of case study competition was to develop analytical and critical ability among the students under different situations. The students were presented with different cases studies with questions based on them and were asked to present their view on the cases before the Audience and Judges.

More than ten teams participated in the event. The participants found the event to be very exciting and learning oriented. Dr. Paritosh Dube and Ms. Komal Gupta, Faculty of Commerce & Management, declared the winners as follows: 1st Position Nishant Kashyap & Sania Dewangan BBA 3rd semester, 2nd Position Prini Verma, Dixita Sanga, Priya Sinha, Shraddha Duddani BBA 3rd Semester, 3rd Position Isha Yadav, Kalpana Netam, Jyoti shah BCOM BF 3rd Semester.

Under book review competition students from different departments of the Kalinga University had put down their views on the work of Prof. Amartya Sen. The evaluation was based on effective communication and originality of thoughts.

Jury members declared Ayush Pal of BA 5th Semester as winner of the event, Sania Dewangan of BBA 3rd Semester was the first runner up of the event and Kaustubh Singh of B.Com 5th Semester was the second runner up.

Book review event was conducted by Mr. Deepak Kumar Tripathi, Assistant Professor, under the guidance of by Dr. Monika Sethi Sharma, Professor Incharge, Amartaya Sen Chair and Dean Commerce and Management, Kalinga University.

Webinar on the Topic_ Importance of Photography in Journalism, world Photography day Department of Journalism & Mass Communication on 18th August 2021

Faculty of Arts and Humanities, Department of Journalism and Mass Communication organized a webinar on 18TH Aug 2021, on the occasion of world photography day on the topic “**IMPORTANCE OF PHOTOGRAPHY IN JOURNALISM**” in which the guest speaker was Mr. Abhishek Tiwari-Deputy News Editor, Raipur satellite Unit Head,Dainik Bhaskar Chhattisgarh.He emphasised that photography plays a key role in representing the situation that is being reported. He added that a situation can be depicted by several photographers in a different way that really affects the mentality of the people. He

thrust on the point that photography is a key or backbone of journalism to show the people reality. Mrs. Shreya Dwivedi (Assistant Professor – Journalism and Mass Communication Department) has introduced Mr. Abhishek Tiwari to the students. All the students including faculty members were present in the webinar. It was a very productive and informative session in which students learned the importance of photography and how to click photos with a story. Mr. Abhishek Tiwari explained why photographs are very popular and best way to convey any news and information. He said that the situation implied by the images is a fair and accurate representation of the events they depict in both content and tone. He also explained the role and responsibility of photo journalist.

Lastly the vote of thanks was extended by Dr. Shilpi Bhattacharya, Dean, Faculty of Arts and Humanities. Mr. A.K.Kaul, HOD Department off Journalism and Mass Communication was the convenor of the event and Ms. Avinash Kaur, Assistant Professor – Journalism and Mass Communication Department and Ms. Shreya Dwivedi, Assistant Professor – Journalism and Mass Communication Department were the co-convenors of the event.

**National Webinar on topic “New Health Care Challenges in Post Covid Period”
Department of Biotechnology of the Kalinga University, Hosted by the Faculty of
Science August 21, 2021**

Kalinga University, Raipur is a well-known Educational Institute in Central India that focuses on quality education and research. The University believes in holistic development of the students and thus facilitate the students to enhance and develop practical skills, techniques, or ideas which they can use in their work or their daily lives. To take this endeavour ahead, the Faculty of Science, Department of Biotechnology, Kalinga University organised a National Webinar on 21st August, 2021 on the topic “New Health Care Challenges in Post Covid Period”. The keynote speaker for the webinar was Dr. Manish Shrivastava, MBBS-DOMS, Director Varun Netralaya, Raipur, Chhattisgarh.

The webinar was marked by the eminent presence of Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs, Faculty members and students of the department and participants across the country. The opening of ceremony done by Dr. Sushma Dubey. Resource person Dr. Manish Shrivastava addressed the health issues of Covid-19 and shared new health care challenges. He also emphasized on the importance of dietary habits and practice of exercise to reduce the health risks along with following the Covid-19 precautions and guidelines. The deliberation of Dr. Manish Shrivastava received an overwhelming response with more than 211 participants as it was very informative and educative. Participants were actively involved during the entire session to ask a number of queries regarding the various types of challenges they faced during post pandemic periods related to their health. Dr. Manish Shrivastava explained in detail about various physical and mental health challenges developed in the population after 2nd wave of COVID 19 infections and discussed how to overcome these challenges. He

also explained about the eyes related problem developed due to online classes by students and suggested necessary exercises of eyes and body to overcome these challenges. The students were highly benefitted by the insights that he provided regarding the subject matter of the webinar.

Dr. Sushma Dubey, Head- Department of Biotechnology was the convener of the webinar, Dr. Ramswaroop Saini, Assistant Professor, Department of Biotechnology, Mr. Dilendra Chandraker, Assistant Professor, Department of Biotechnology, Ms. Nirali Budhbhatti, Assistant Professor, Department of Biotechnology were the organizing committee of the webinar. At the end of the academically enriching webinar, vote of thanks was extended by Dr. Sushma Dubey.

Acknowledgement

The Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur wishes to express sincere gratitude to Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, DSW Madam, Dean Academic Affairs, Head HR Department, Dean Faculty of Science, Head of the Department for providing such a great opportunity for Biotechnology students.

Kalinga University Signs Memorandum of Understanding as Knowledge Partners and Think Tank and Conducts Combat Business Plan on Occasion of World Entrepreneurs Day on 21st August 2021

Raipur. Kalinga University is a leading University in central India. It is always aspiring to increase the employment skills of its students by developing industry-oriented curriculum and training facilities. To this effect the faculty of Commerce & Management conducts various activities.

In pursuance of development of Decision making and analytical skills the Kalinga University Innovation and Incubation Cell in association with Linkup Property Development Ltd, UK P Property Holding Ltd., UK and Spran International PTE Ltd. Singapore conducted COMBAT Business plan for the students of the University. A total of 55 teams participated in it. On Occasion of World Entrepreneurs Day 21st August

2021 the results were announced with exciting Prizes: 1st Prize =10,000/- 2nd Prize=5,000/- and 3rd Prize=2500/-. The coordinator of the event was Ms. Komal Gupta Assistant Professor Faculty of Commerce & Management, Kalinga University. Dr. Sandeep Gandhi, Registrar Kalinga University announced the results praising the students for their innovative ideas and inviting them to start up their business at Kalinga University Incubation and Innovation Cell.

Mr. Ankit Singh (B.Sc.-Biotechnology – 3rd Sem) got the first position and the prize money of Rs. 10000/-. He submits a report of Dried Flowers Business Idea. There is a tie between Mr. Mojahidul Islam (BBA GM – 6th Sem) and Mr. Avneesh Kumar (BBA GM – 6th Sem) they got the second position and the prize money of Rs. 5000/- each. They submitted and Mr. Akshay Kumar (M.Sc. 3rd Sem) got third position and the prize money of Rs. 2500/-

Kalinga University Innovation and Incubation Cell also contacted various industry leaders to act as knowledge partners and share their experience in enhancing the skills of the students and Faculty on 21st August 2021. The Institute Industry Interaction cell of Faculty of Commerce & Management has invited meeting with their knowledge partner and think tank to mentor the upcoming academic session.

The Event was Presided by Honourable Vice Chancellor Dr R. Shridhar convened by Dean Faculty of Commerce & Management Dr Monika Sethi Sharma along with her faculty team and Knowledge partners Mr. Dilip Mohanty General Manager HR Jayaswal NECO, Mrs. Manjusha Periyal Director ANM Consultants, Dr. Parul Parmar General Manager HRVNR Seed, Ms. Dolly Keshwani CA & Mr. Vishesh CA & CS, Mr. Deepak Jain CA, Mr. Abhinav sharma.

The Guest were welcomed and Introduced by Dr Paritosh Dube along with Ms. Komal Gupta, Ms. Ruchi Gupta and Mrs. Ankita Malik Assistant Professors Faculty of Commerce & Management

In the inaugural session Honourable Vice Chancellor Kalinga University Dr R. Shridhar presented Memento and honour scarf to the guests. He spoke about the rising need of Institute Industry Interaction in order to make the students more employment oriented. He asked the experts to give their valuable inputs in making the courses and the training of students more focussed and skill oriented.

Dr Monika Sethi Sharma, explained the components of updated structure of course curriculum of the Faculty of Commerce & Management with specific emphasis on mentoring faculty and upgrading the course according to the need of the industry.

6 Memorandum of Understanding for being knowledge partners and think tank were signed on this occasion.

During the event the expert panel provided their inputs on enriching the Curriculum further and increase the training component of the syllabus. The event was attended by the Teachers of Faculty of Commerce & Management.

Online activity 'C-CUBOID TECHNOLOGIES' was conducted on 21st August, 2021 for the students of Department of Civil Engineering

Activity Report of CE-Cuboid Technologies

Activity Name: CE-CUBOID TECHNOLOGIES

Activity Date: 21st August, 2021

Event Type: Online Mode

Submission Type: Google Classroom

Activity Coordinators:

Dr. N.K. Dhapekar

Mr. Manas Rathore

Mr. Piyush Das

Purpose:

To promote and create interest amongst students to acquire advance knowledge of international codes. Students will understand designing of structures like Beam, Column & Trusses through various international codes of practices. This will enable the student to analyse Steel & Concrete Structures used in Civil Engineering construction as per global standards. This activity will make students to understand various benefits of the new innovative practices prevailing in various countries across the globe. In this activity, students were asked to submit their MS word file via google classroom. Emphasis was given on recent international codes and quality of presentation which will impart knowledge of various international practices in construction industry for Structural designing as well as Architecture and Planning.

Details:

Online activity 'C-CUBOID TECHNOLOGIES' was conducted on 21st August, 2021 for the students of Department of Civil Engineering for promoting the knowledge of International Codes of different countries so that they will be able to design design structures globally. This event was conducted through online mode in two phases.

In first phase, students were welcomed by Mr. N.K. Dhapekar who guided about the event and gave presentation on some of the recent codes in Civil Engineering field. Event Coordinators namely Mr. Manas Rathore and Mr. Piyush Das stated the rules and regulation to be followed and the time limit of submission of presentation via Google classroom. Furthermore, event coordinators briefed few features and functions of MS Power point with students. Feedback of this activity from the participants via feedback link was taken and submitted to the office of Dean Academic Affairs.

After the evaluation of the presentations submitted by the students, top three performers were declared as the Winners of the event and the certificates were awarded to them.

Winners of the Activity: -

1. Mr. Hrishabh Biswas - (BTCE-5th)

2. Mr. Vishal Janotra - (BTCE-5th)

3. Mr. Parash mani - (BTCE-5th)

Glimpse of the Event:

"Article writing Competition" Department of Mechanical Engineering on 21st August 2021

Royal Mechanical Club Activity

Title- "Article writing Competition"

Date: 21 August 2021 Time 3.00 pm to 4.00 pm

Preamble:

The Article writing competition is organized by Royal Mechanical club for awareness of the students to improve writing skills. The article writing is not only for technical areas but also as far as the student can think and expand his thinking power. With article writing, the student can express his ideas thought in his own way and by doing this the student can improve his writing skills to the best.

Participant's Profile:

All students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended.

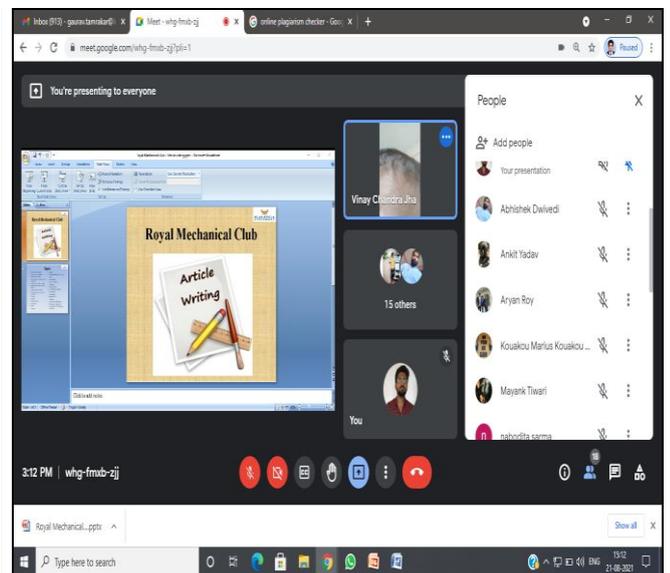

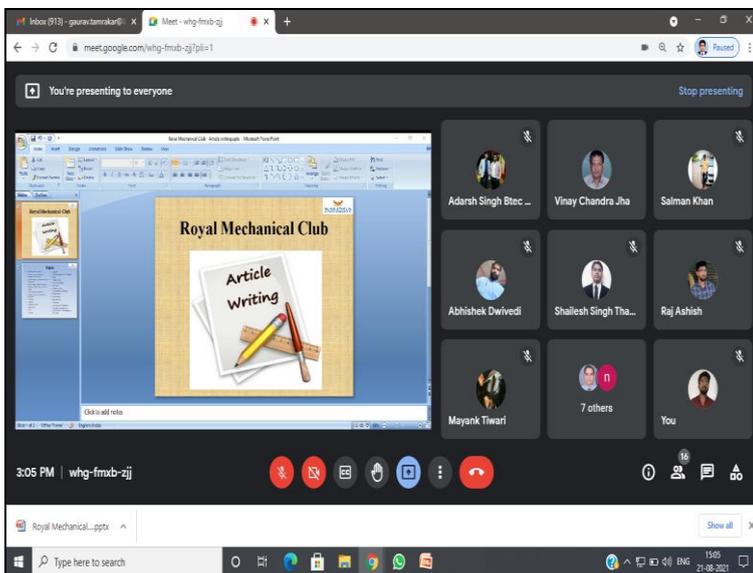

Description about the Program:

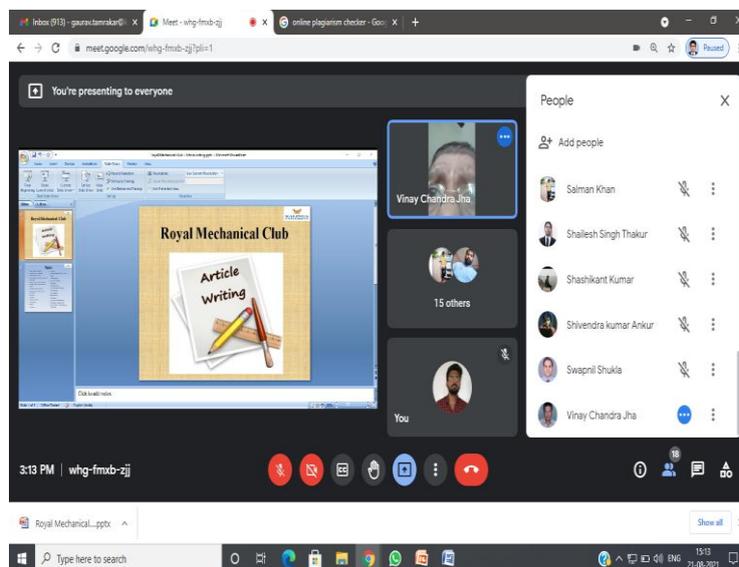

Royal Mechanical Club faculties member have started the session with information about what is article writing and how to write an article. Faculty members has explained detailed How the topic is connected in article writing, how it should be organized and how to focus all the points, complete it in a significant way. In the session we discussed many topics for article writing like:

- Should plastic be banned?
- Pollution due to Urbanization
- Education should be free
- Should Students get limited access to the Internet?
- Selling Tobacco should be banned
- Smoking in public places should be banned
- Facebook should be banned
- Students should not be allowed to play PUBG
- Technology
- Computer

- Wonder of Science
- Mobile Phone
- Internet
- Newspaper
- Science
- Diwali
- Independence Day (15 August)
- Holi
- Teachers Day
- Summer Vacation
- Christmas
- Children's Day
- Swachh Bharat Abhiyan

Students learned many things, understood which is very important for them. With writing skills, we can do many more in future and move ahead.

“Sadbhawna Diwas” Celebration organized by Faculty of Arts & Humanities, Kalinga University on 23th August 2021

Raipur- Kalinga University is a reputed educational institution of central India. Various curricular, co-curricular and extra -curricular activities are organized here for the all-round development of the students. With an aim to develop unity, integrity and communal harmony of the country, the Faculty of Arts and Humanities organized a webinar on 'Sadbhavna Diwas'.

This webinar was attended by students and faculty members of the Kalinga University. Dr. Vishwasi Ekka, Assistant Professor, Rajmohini Devi Girls' Post Graduate College, Ambikapur was the keynote speaker. Addressing the participants present in the seminar, she said that- "Sadbhavna Diwas is organized every year in the memory of former Prime Minister of India, Late Shri Rajiv Gandhi. She further added that, India has a proud culture where the spirit of universal brotherhood, universal welfare and humanity is our main identity. Despite the diversity in our country, it is our main responsibility to maintain the unity-integrity of the country. Everyone has been given the right to live a dignified life while keeping respect. The main idea of celebrating Sadbhavna Diwas is to uphold the unity and integrity of the country by ending violence.

In the event Dr. Asha Ambhaikar, Dean of Student Welfare, Kalinga University, Dr. Shilpi Bhattacharya, Dean of Faculty of Arts and Humanities, Dr. Ajay Shukla , Mr. A.K Kaul, Dr. M.S. Mishra, Senior Professor, Dr. Anita Samal, Mr. A. Vijay Anand, Mr. Chandan Rajput, Ms. Anurima Das, Mrs. Swarupa Pandit, Ms. Avinash Kaur, Mr. Shabalum Pani were present. The program was conducted by Ms. Swarupa Pandit and Dr. Shilpi Bhattacharya presented vote of thanks.

Activity – Design Explanation by FD students of 5th semester on 25th & 26th August 2021

ABOUT THE ACTIVITY – Design Explanation by FD students of 5TH semester, was conducted where students were told to prepare a presentation of their self designed garment ideas, through various theme boards like – mood boards, inspiration board, client profile board, doodle board and design board. As a designer it is really important to convey our ideas and thoughts before our clients, so keeping this aim, the activity was designed, wherein students did a pretty good job while explaining their boards. After every presentation cross questioning and feedback session was also conducted so that students themselves can know their pro's and con's and work on it later for better presentations ahead. The activity was conducted online via google meet platform on 25th& 26th August 2021. Sharing some of the geo tagged pics from the laptop screen for references. In these 2 days activity total 10 students were present online out of 17.

"Group discussion" Department of Mechanical Engineering on 25th August 2021

Report of Royal Mechanical Club Activity

Title- "Group discussion"

Date: 25 August 2021 Time 3.00 pm to 4.00 pm

Preamble:

The Group discussion is organized by Royal Mechanical club for awareness of the students to improve verbal skills. The group discussion is the platform for student to enhance their knowledge, share ideas and their opinion about the topic. Students in the group discussion are connected with one basic idea. Based on that idea, everyone in the group represents his/her perspective. GD is a discussion that tests the candidate's skills, such as **leadership skills, communication skills, social skills and behavior, politeness, teamwork, listening ability, General awareness, confidence, problem-solving skills.**

Participant's Profile:

All students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended.

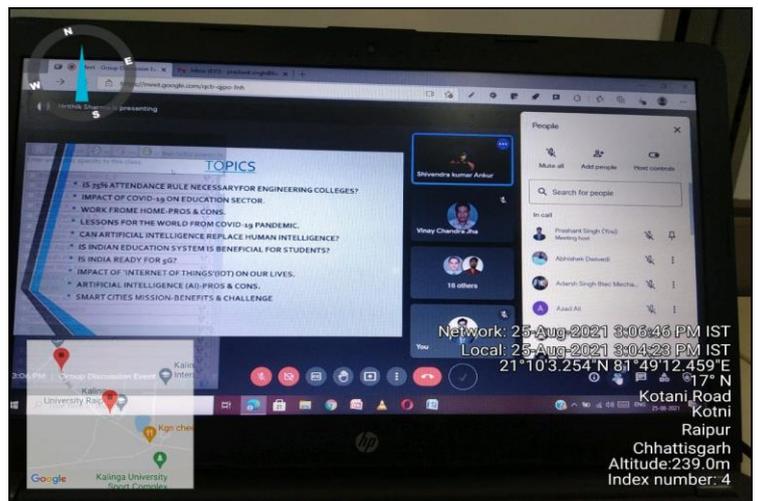

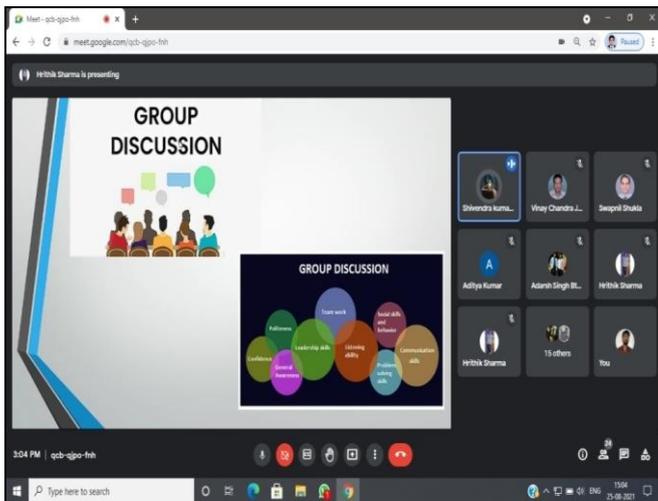

Description about the Program:

The Group Discussion is generally the next level after the entrance exam to pursue a professional degree. In the case of recruitments, Group Discussion can be the starting or at the end, depending on different companies or organizations.

Royal Mechanical Club faculty's member have started the session with information about Group discussion and explained about the rules of group discussion. After that the final year students Shivendra Kumar and Hrithik Sharma carried forward the session and gave the topic of group discussion. The average duration of group discussion was 10 minutes. Students told about the topic very well and then some students said in its opposite. Any student was starting the discussion. In the session students discussed many topics like:

- Is 75% attendance rule necessary for engineering colleges?
- Impact of COVID-19 on education sector.
- Work from home – pros and cons.
- Lessons for the world from COVID-19 pandemic.
- Can artificial intelligence replace human intelligence?
- Is Indian education system is beneficial for students?
- Is India ready for 5G?
- Impact of Internet of things on our lives.
- Artificial intelligence (AI) – pros and cons.
- Smart cities mission- benefits and challenges.

Students learned many things, understood which is very important for them. With writing skills, we can do many more in future and move ahead.

Article writing and presentation on " Application of Sequence & series" By the M.Sc. [Mathematics] 3rd Sem. Students. Department of Mathematics on 26 August

Date- 26/08/2021

Time- 1:00 to 2:00 pm (1hr.) Mode of Activity- Online

Google Meet joining info

Video call link: <https://meet.google.com/kdz-fcid-fyz>

Or dial: (US) +1 443-402-5220 PIN: 775 085 740#

The departmental activity, Article writing and presentation on "**Application of Sequence & series**" was organized for the M.Sc. (Mathematics) final year students. Due to pandemic covid -19, the activity was conducted through the "Google Meet video conference platform".

The main objective of this activity is to develop the writing skill and analytical sense in the field of mathematics, including interdisciplinary areas.

Session was started with Dr. G.V.V. J. Rao's motivational speech. He addressed the whole program and guided the students how to write good articles. In this session students are to present their articles also.

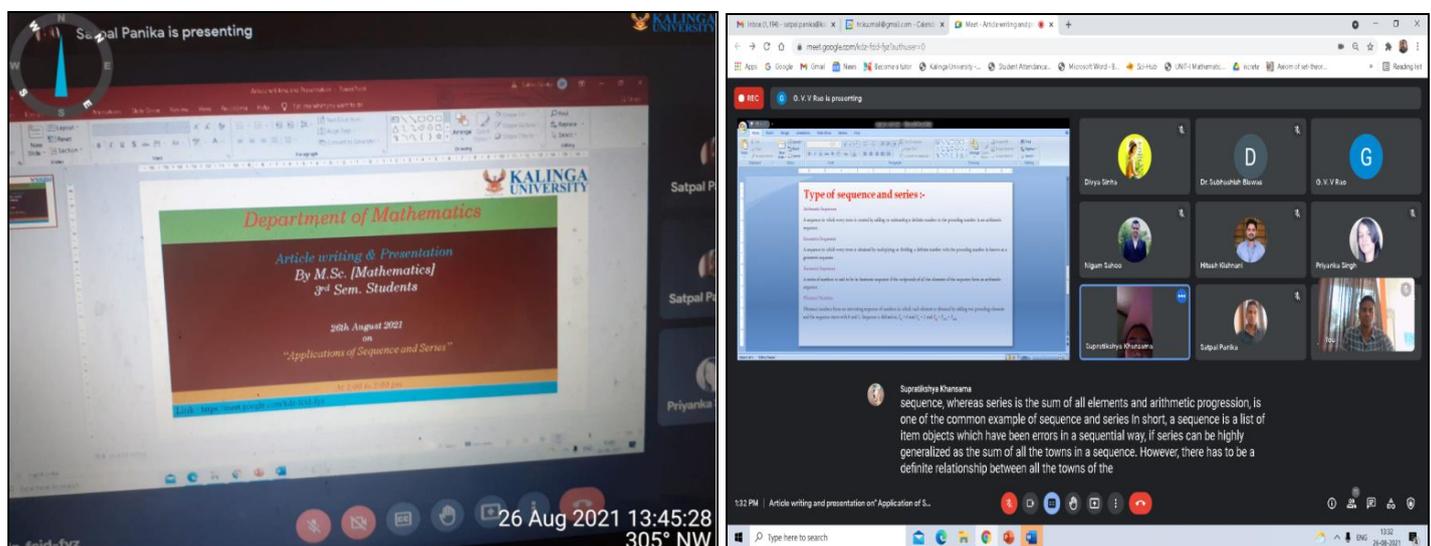

One by one they expressed their views on the aforesaid topic with mathematical expressions. The following students presented their articles nicely:

1. Neha Das
2. Soma Dutta
3. Supratikshya Khansama

In the presentation, Neha das has given some special type of sequences like Fibonacci numbers and its applications in daily life. Soma dutta's article was based on the real word applications of sequences and series. She expressed very much the relationship between Harmonic, Arithmetic and Geometrical progressions. Lastly,Supratikshya Khansama has given a nice application of sequences in actuarial science. She told the necessity of series and sequences to get the compound interest.

The in- charge of Mathematics Department, Dr. S. Biswas has marked their weak points on the articles writing and their presentations. He expressed the ideas to overcome the weakness and also motivated the students to build up the knowledge by reading books more and more.A the end of the session, students thanked to the faculty members for such type of activities.

Harmonic Sequences
 A series of numbers is said to be in harmonic sequence if the reciprocal of all the elements of the sequence form an arithmetic sequence.

Fibonacci Numbers
 Fibonacci numbers form an interesting sequence of numbers in which each element is obtained by adding two preceding elements and the sequence starts with 0 and 1. Sequence is defined as $F_0 = 0$ and $F_1 = 1$ and $F_n = F_{n-1} + F_{n-2}$.

Group Discussion on topic "Reinforcement of Taliban Laws in Afghanistan" ...Is it right or wrong? Is it religious?

Department of Law on 26 August 2021

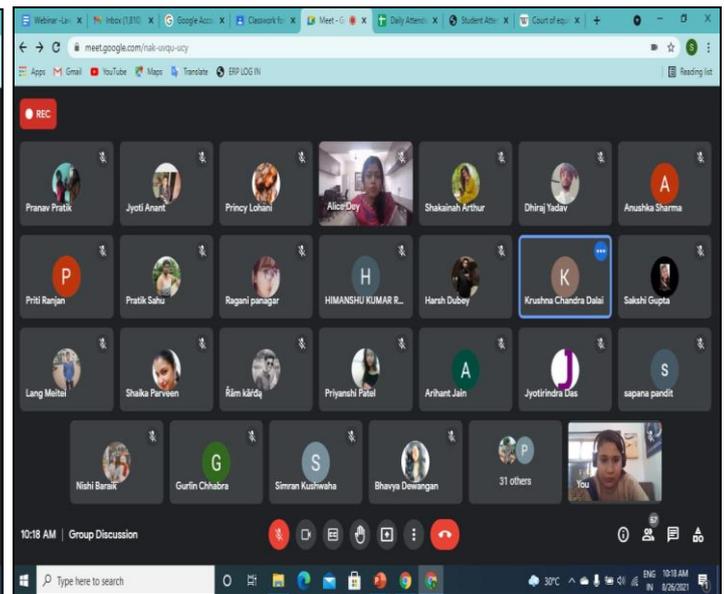

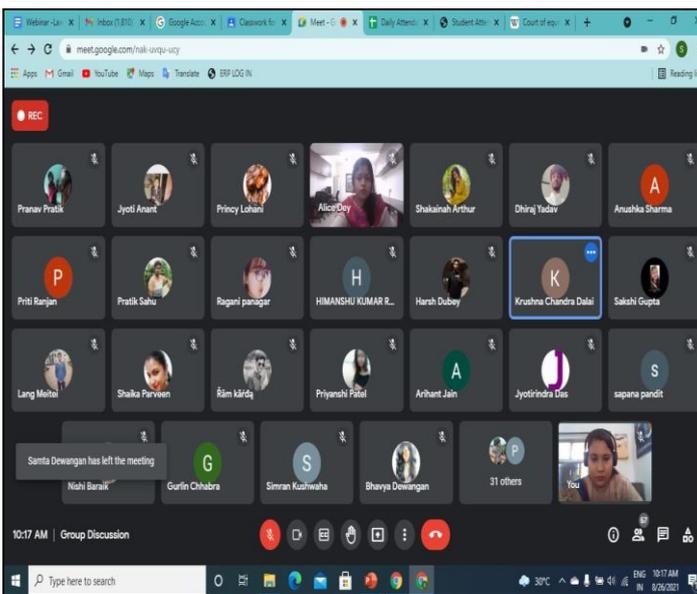

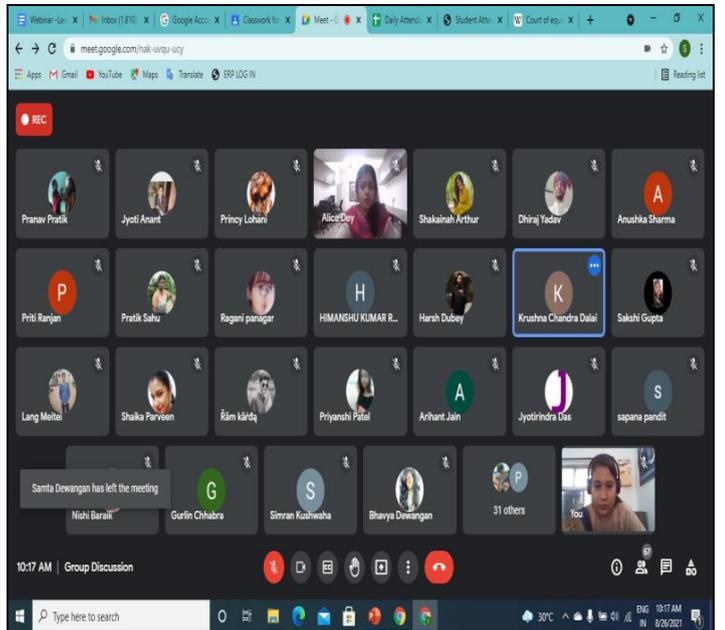

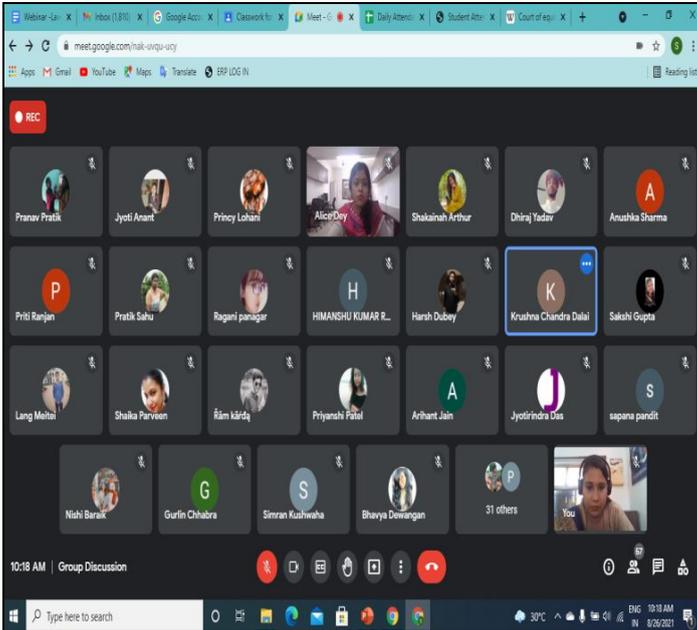

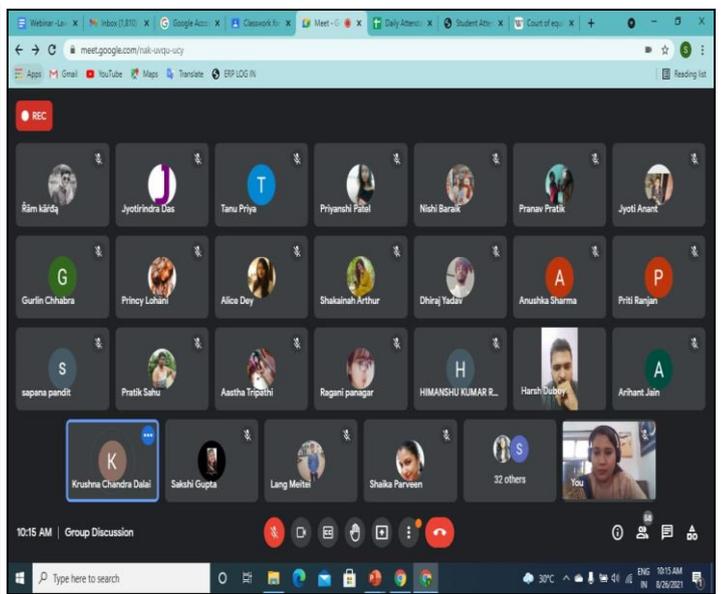

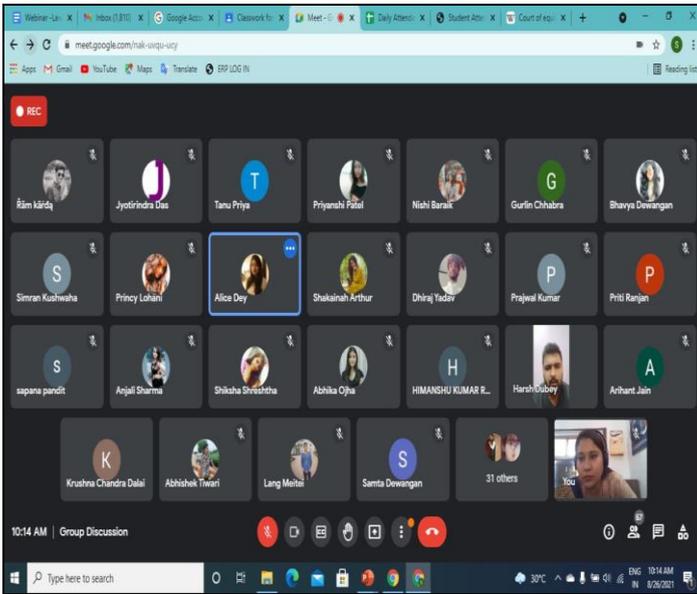

ACTIVITY REPORT

A group discussion activity was conducted by faculty of law for our students. Topic for discussion was Reinforcement of Taliban Laws in Afghanistan...Is it right or wrong? Is it religious? Truth or fake? Will it hamper legal jurisdiction and law implication in India?

In this discussion approximately 70 students participated. Students were very keen to express their views on the topic. Students had done good research on the background of the present scenario and also about the long-term impact globally.

This activity was beneficial for students as it motivated them to be vocal about their views on a recent topic. Activity started with the introduction about the topic which was given by Shobha Singh Thakur, Assistant Professor, Faculty of law followed by motivation speech given by Dr. Krushna Chandra Dalai, HOD, Faculty of Law. Alice Dey, Assistant Professor, Faculty of law, played the role of the moderator for the smooth conduction of the event. After all the discussion were done conclusion statement was given by the moderator.

Workshop on “Moodle Management Learning System” Department of Electrical Engineering on 27 August 2021

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted an online one day workshop on **27.08.2021** on “Moodle Management Learning System” at Google Meet for the students of Diploma, B. Tech and M. Tech engineering. The resource person was Mr. Harimohan Rai, Assistant Professor, department of electronics & communication engineering, Krishna Engineering College, Gaziabad, and Delhi. The session was attended by more than 35 students along with all teaching staff.

The workshop was scheduled to start at 10:00 am. Mr. Sandeep Mishra began the session with brief introduction of invited guest. Mr. Harimohan Rai have started the session with the introduction of the topic, Moodle Management Learning System which is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalized learning environments.

He discussed about the following points:

1. What is Moodle™?
2. Why is Moodle™ the World’s Leading Learning Management System?
3. Moodle™ is Open Source: What does this mean and why is it important?
4. Moodle™ Mobile: Learning on the Go
5. Moodle™ Hosting Options & Best Practices
6. Benefit
7. Application

CONCLUSION: - The session was very interactive and beneficial for the students as well as faculties of Electrical Engineering Department to know about the hands on application of open source moodle management learningsystem.The session was concluded with the vote of thanks by Mr. Shailesh Deshmukh, Assistant Professor, department of Electrical Engineering Kalinga University Raipur.

What is Moodle?

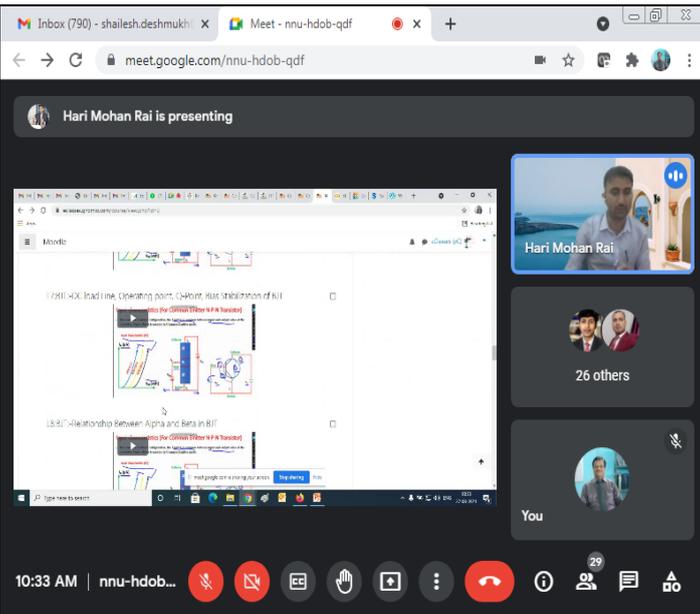

- Moodle stands for **Modular Object-Oriented Dynamic Learning Environment**. Founded and developed by Martin Dougiamas in 2002, Moodle was designed to provide educators, administrators, and learners with an open, robust, secure and free platform to create and deliver personalized learning environments.
- Moodle is a user-friendly **Learning Management System (LMS)** that supports learning and training needs for a wide range of institutions and organizations across the globe.

Webinar on *Chhattisgarh: Land of opportunities with respect to entrepreneurship” Department of Pharmacy on 27 August 2021

WEBINAR TOPIC: “CHHATTISGARH: LAND OF OPPORTUNITIES WITH RESPECT TO ENTREPRENEURSHIP”

A webinar on “Chhattisgarh: Land Of Opportunities With Respect To Entrepreneurship” was held on 28/08/2021 i.e. Friday through google meet link in which the eminent speaker was **Mr. P.K. Nimonkar, State Head, CITCON**. The webinar started at 3:00 PM and was attended by students of B.Pharma 3rd, 5th, 7th semester and D.Pharma 2nd year. The coordinator of the webinar was Ms. Rajni Yadav, Assistant Professor, Faculty of Pharmacy, Kalinga University. The program started with welcome address by Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy. **Mr. P.K. Nimonkar** is an immense personality and has held various positions starting from trainee engineer in simplex castings, project engineer in MPCON Bhopal and is currently working as a state head, Assistant general manager in CITCON Raipur Chhattisgarh. He has held various job responsibilities like providing consultancy for industrial projects, for infrastructure development projects, in development of entrepreneurship, give management training and involved in faculty development programmes.

Mr. P.K. Nimonkar shared the facts file of Chhattisgarh, Development model, Chhattisgarh strengths, Agriculture avenues, Food processing avenues, Gaun Van Utpad, Investment scenario, Industrial policy 2019-24, new opportunities for investors in Chhattisgarh etc. He explained various sectors of the state in which entrepreneurship could be done. He also focused on minerals and medicinal plants of Chhattisgarh. Relating to pharmacy he explained the possible areas in which students can start entrepreneurship. They can meet him regarding their plan with him and discuss the same. At the end of webinar **Mr. P.K. Nimonkar** interacted with the questions of participants. Students actively

participated in this webinar with 60 participants. They had many queries which were explained to them. The webinar was ended up with the vote of thanks by Ms. Rajni Yadav, Faculty of pharmacy Kalinga University and organizer of the webinar. She mentioned the special thanks to management committee of Kalinga University and Dr. Sandip Prasad Tiwari, HOD, Faculty of Pharmacy, Mr. Sudeep Mandal, Mr. Bhushan Hatwar, Ms. Sonam Chhipane, Mr. Pranjul Shrivastav, Mr. Deependra Soni, Dr. Bhumika Chandrakar, Ms. Khushboo Gupta, Mrs. Poonam Sahu, as organising committee.

**National Webinar on “Genomics and proteomics”. Department of Biotechnology,
Kalinga University on 28 August 2021**

Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur had organized National Webinar on "**Genomics and Proteomics**". The Keynote Speaker for the session was Dr. Md. Imtaiyaz Hassan. The program was held on 28th August 2021 at 2:00 pm – 03:30 pm.

The Inauguration of the National Webinar was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, who was also the Chairperson of the session. Dr. Anju Meshram hosted the session and with kind permission of Dr. Sushma Dubey, started the session by giving introduction of the Keynote Speaker, Dr. Md. Imtaiyaz Hassan.. Other faculty members, Dr. Ramswaroop Saini, Mr.

Dilendra Chandraker, Ms. Nirali Budhbhatti were also present and helped in the smooth conduction of program. Dr. Sushma Dubey, HoD, gave the concluding remarks and motivated students to use knowledge of Genomics and Proteomics in varied sectors including functional genomics, microarray, applications of proteomics. Dr. Anju Meshram extended gratitude to all by delivering the vote of thanks. Total 262 students registered for the webinar from different Universities and Colleges across the nation and more than 120 students actively participated including B.Sc. /M.Sc. Biotechnology Students, research scholars and faculty members. This session was very informative and knowledgeable. Our students got knowledge and learned new technologies that are currently implemented in modern Genomics and Proteomics.

In query session, participants asked various type of interesting question to Dr. Md. Imtaiyaz Hassan and had an open interaction. Overall session was very informative and knowledgeable for both students and faculty members. The success of this National Webinar added another feather to the cap of the Department of Biotechnology, Kalinga University. All participants have given positive feedback that they looking forward for more sessions like this and received participation e-certificates upon successful conduction of program.

Acknowledgement

The Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur wishes to express sincere gratitude to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, DSW Madam, Dean Faculty of Science, Dean Academic Affairs, Head, HR Department, Head of the Department** for providing such a great opportunity for Biotechnology students.

September 2021

Online Induction Programme 'First- Step 2021 for BBA 1st Year Students on 2nd September 2021

'FIRST STEP-2021', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of BBA on Tuesday, 02nd September, 2021 from 2:00 p.m. to 5:00 p.m. The new academic session for the newly admitted students in BBA program under the Faculty of Commerce and Management started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. The chief guest for the occasion was Mr. Prabhu, Director of Linkup Property Development Ltd, UK P Property Holding Ltd., UK and Spran International PTE Ltd. Singapore. As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The address of the Registrar was followed by a virtual Fashion Show, exhibited by the students of Kalinga University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by the speech of Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

The speech of the Director General was followed by an enthusiastic and motivating talk by the Chief Guest, **Mr. Prabhu**. He said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. He gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that was followed by a presentation by **Mr. Kapil Kelkar** and **Ms. Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments.

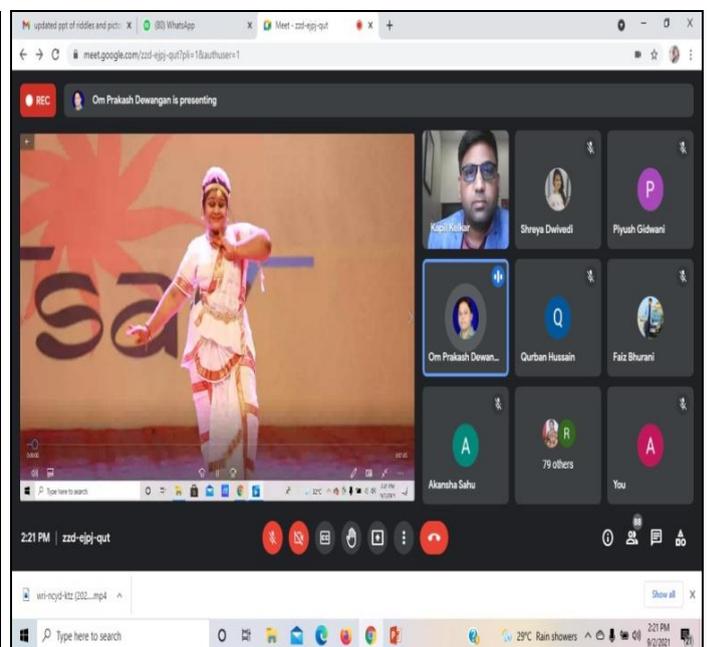

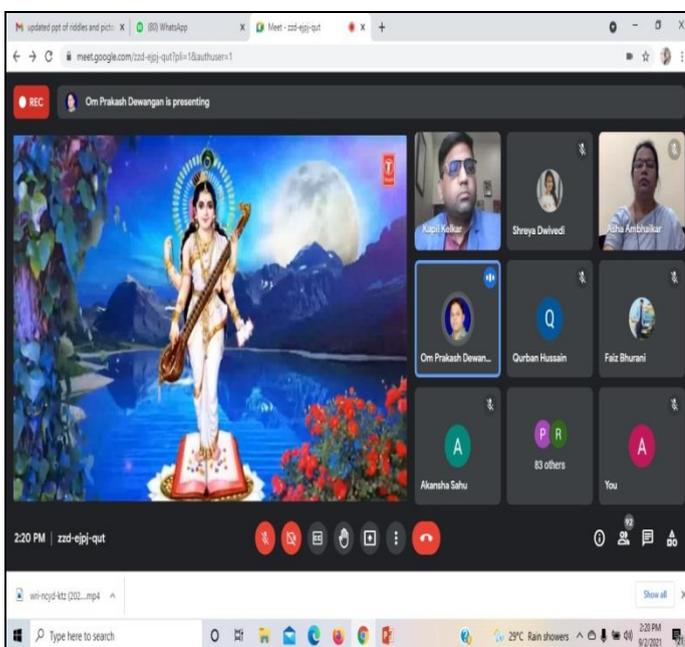

Dr. Monika Sethi, Dean- Faculty of Commerce and Management addressed the students and put forward that although the management programs are challenging, they are also very rewarding. Students can make a world of difference with their managerial skills. She showed a glimpse of what great things students can achieve through the courses in management. She said that life in university opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. She advised the students to spend some time to set their goals high and never underestimate your capability. The address of the Dean was followed by a beautiful dance performance by the Afghan students of Kalinga University.

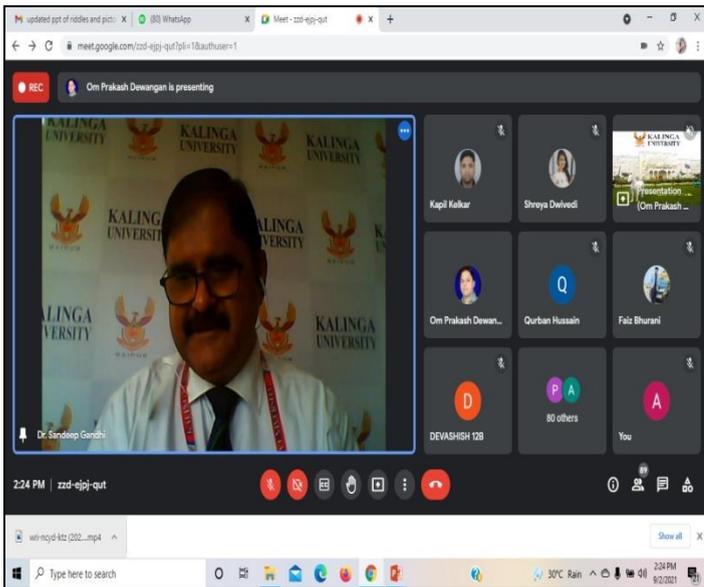

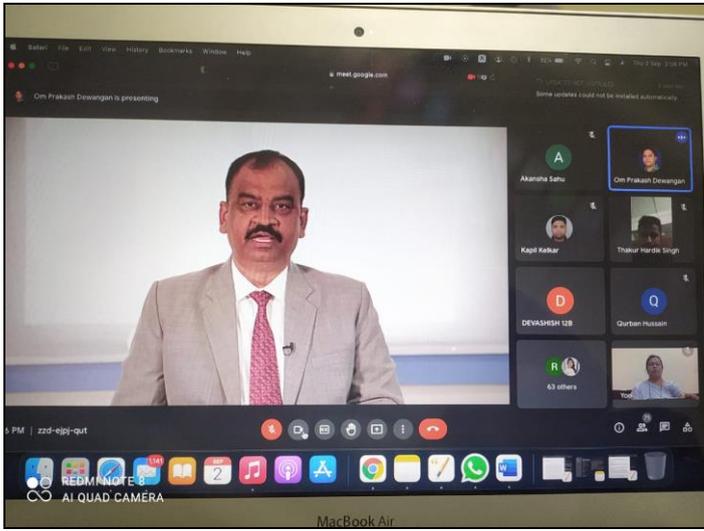

Speaking about the future challenges in this competitive world, **Mr. Rahul Mishra**, Dean Academic Affairs assured each and every student that they are here because they deserve to be, and because they can bring something new and exciting to this diverse learning community. He concluded his talk by offering some simple advice for how to make the best of their academic experience here at Kalinga University. This was followed by the address of **Mr Kumar Shwetabh**, Deputy Registrar who encouraged the students to share their knowledge and skills and be a part of this university.

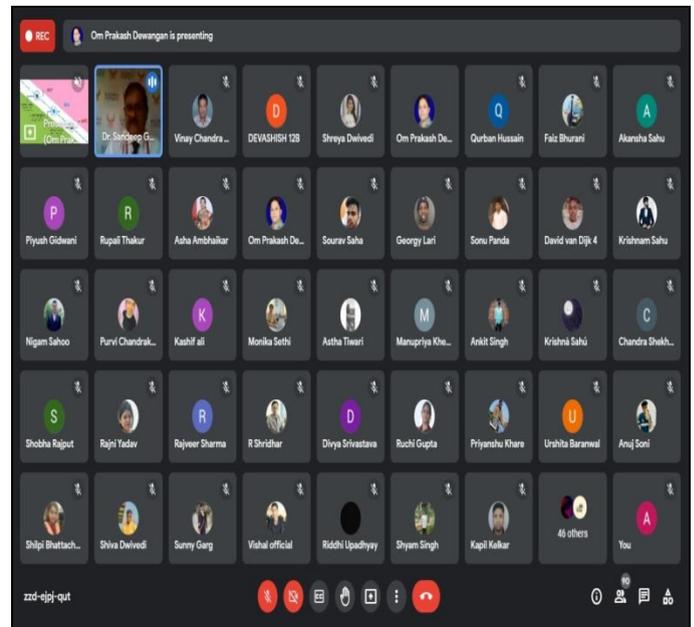

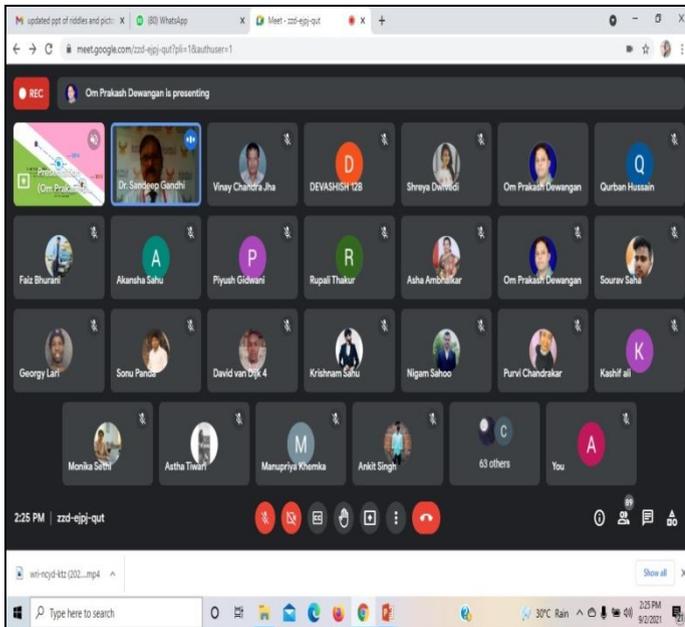

This was followed by number of games, quizzes, riddles and sessions with the University coordinator, **Ms. Urshita Baranwal**, Exam coordinator, **Mr. Srikant Singh** and NSS Program Officer **Ms. Smita Premanand**. These sessions helped the students to understand the university better. The sessions were followed by a folk dance of Chhattisgarh by the students of Kalinga University that was coordinated by **Mr. Omprakash Dewangan**. The dance was followed by a session with Associate NCC

Officer, **Ms. Shobha Thakur**. A Talent round was organized for the students by Mr. Kapil Kelkar and Ms. Shreya Dwivedi that was followed by a session of YI by **Mr. Simon George**.

At the end of the Induction Program, vote of thanks was extended by Dean Student Welfare, **Dr. Asha Ambhaikar** that was followed by a group photograph and feedback by the students. The programme was successfully conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. They expressed their gratitude and thanks for a fruitful Induction Programme. The magnificent ceremony came to an end with the beats of music opening the golden gate to the future of our newly admitted students.

National Webinar on Social-legal Parameters of Transgender Rights Department of Law on 3rd September 2021

Webinar: Socio - Legal Parameters of Transgender Rights

Platform: Google Meet

Date: 3rd September 2021

Time: 1:30 PM - 3:30 PM

Convenor: Dr. K. Ch. Dalai, HOD, Faculty of Law

Moderators:

- 1. Ms. Alice Dey, Assistant Professor, Faculty of Law**
- 2. Mrs. Shobha Singh Thakur, Assistant Professor, Faculty of Law**

Key Note Speaker: Mrs. Koyel Roy Ghosh, Assistant Professor, Amity Law School, Kolkata.

Total No. of Participants: More than 150

Summary of the Event:

The webinar was organised by the Faculty of Law, Kalinga University as a part of regular departmental activity for the expansion of knowledge of various upcoming legal issues. The topic of the webinar was '**Socio - Legal Parameters of Transgender Rights**'.

The webinar started with a brief introduction and pertaining questions related to the topic by **Mrs. Shobha Singh Thakur**. It was then proceeded by welcome of all the dignitaries by the HOD of the Faculty of Law, **Dr. K. Ch. Dalai**. **Ms. Alice Dey** introduced the keynote speaker of the event. **Mrs.**

Koyel Roy Ghosh started the webinar with the historical background of the Transgender and their Rights in India and its development further. The speaker gave an elaborative understanding of what Transgender rights are about and how they are impacted by various government and social policies and new upcoming strategies that can be implemented for making the lives of Transgender People more meaningful. She also gave an insight on the impact of societal norms on the traditional knowledge of the Transgender and even the LGBTQ Community as a whole. Moreover the speaker also highlighted the effects of modernisation and privatisation on the culture and even their presence in the different stratas of society. She also pointed out that there are many established Transgender People who have gained a momentum and has been acting in rendering major contribution for the Upliftment of the Society and the Country as a whole in various fields.

There were more than 154 participants for the webinar. There was a question answer round also that quenched the zeal of the participants. Overall the event was very conversant and interactive and informative. The event was very well concluded with a vote of thanks by Ms. Alice Dey.

Major Takeaways:

- Expanded the least recognized legal issues of Transgender rights and even the LGBTQ Community.
- Gave insight of various policies involving the traditional knowledge that revolves around the Transgender and the Queer society.
- Informed about important international regimes regarding the recognition of traditional knowledge of treating Transgender as also a Normal Human Being around the world.

ABOUT THE ACTIVITY -

- Departmental activity was conducted for FD 3rd&5thsem students.
- Topic for the activity was AARI work embroidery via Live demonstration..

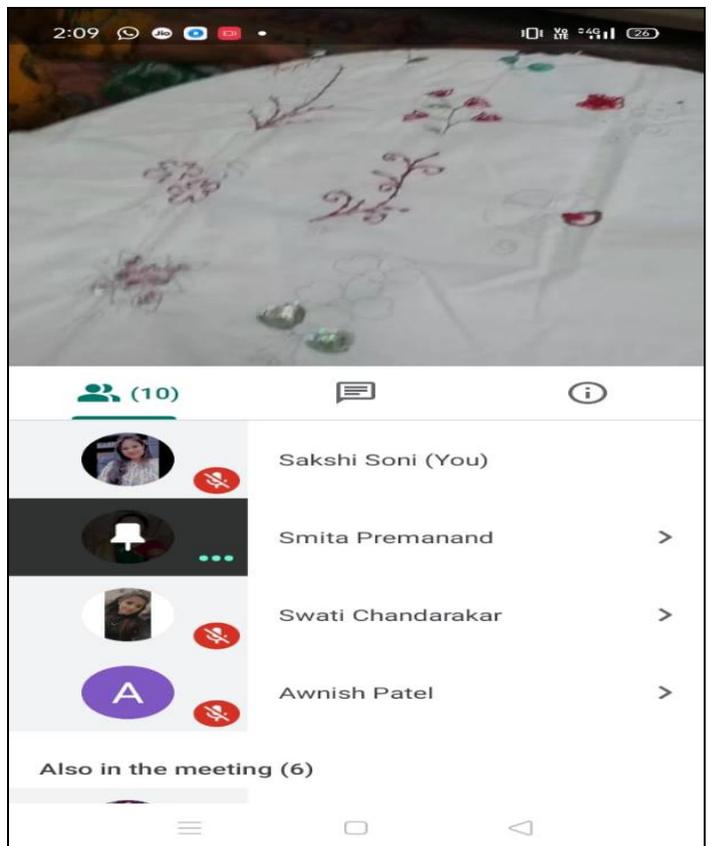

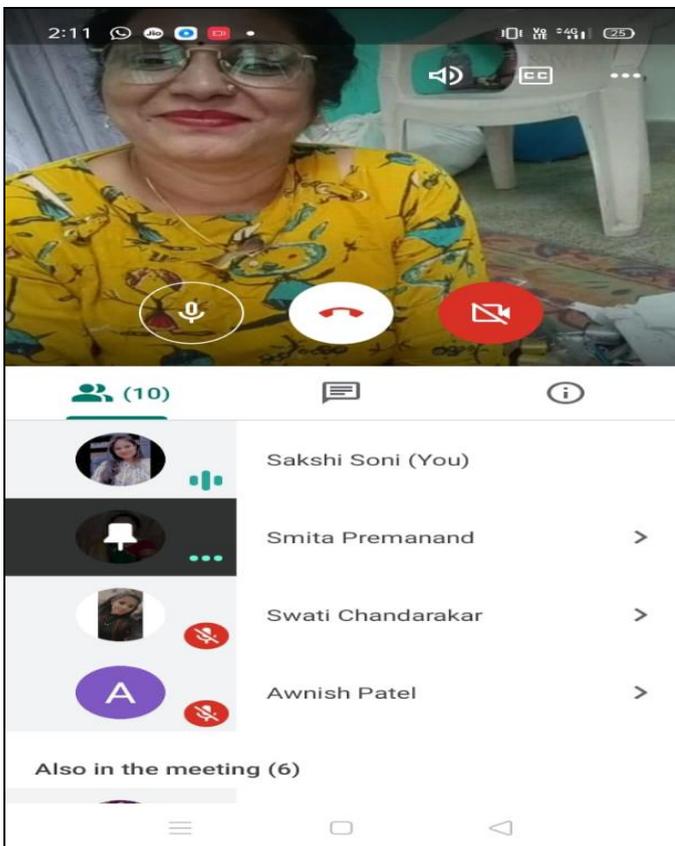

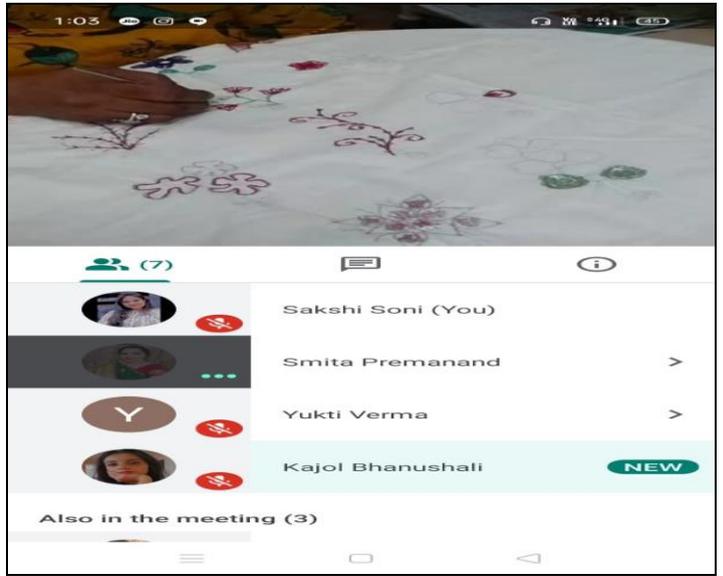

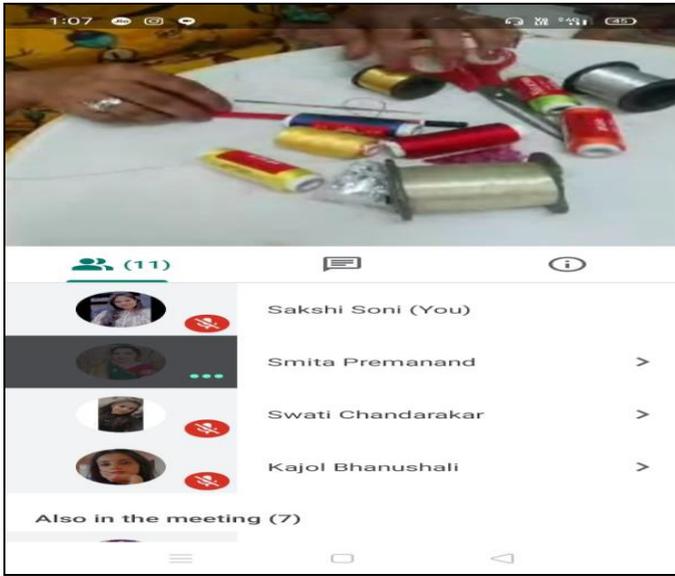

AIM FOR CONDUCTING THIS ACTIVITY:

- Students should be able to present their imagination to the clients.
- They should be able to convey their thoughts/ ideas with proper verbal communication.

FACULTY CONDUCTED THE ACTIVITY -

- Mrs. Smita Premanand – Assistant Professor Fashion Design Dept.

ABOUT THE ACTIVITY –Aari work is a kind of embroidery technique which is prominently used in embellishment of garments, and to provide the process of doing this aari work, an academic activity of live workshop was conducted on 3rd September 2021, for the fashion design students of 3rd and 5th semester, where Mrs. SmitaPremanand, fashion design faculty took the workshop via google meet platform for the students, she told about the history and orifgin of aari work, along with materials used in this, she also did the live demonstration of the aari work techniques and explained about 20-25 stitches in this 1 hour activity. Students really appreciated the workshop and with practical implementation of the same, they will surely improve their designing skills.

A lecture on "Advance optimization and its application" Department of Mathematics on 4th September 2021

On this Saturday, dated 04/09/2021, Mathematics department conducted an activity, a lecture on "Advance optimization and its application" By Dr. S. Biswas, Associate Professor, Department of Mathematics. Due to pandemic covid -19, the activity was conducted through the "Google Meet video conference platform".

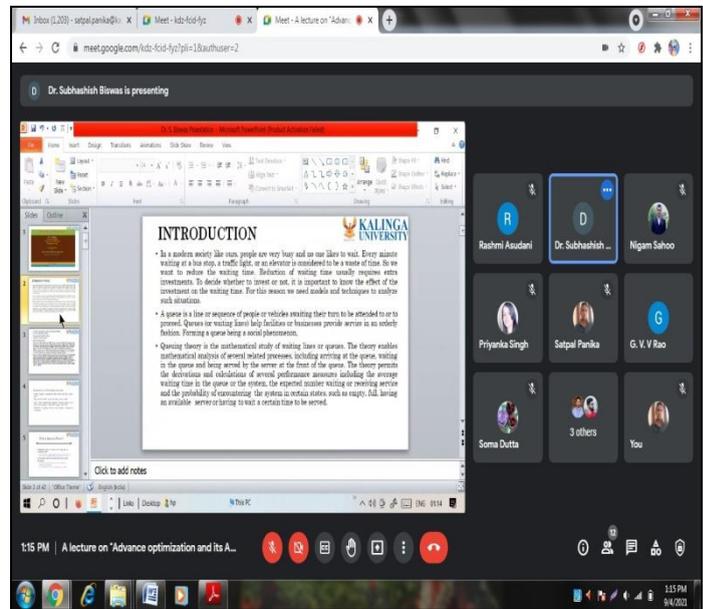

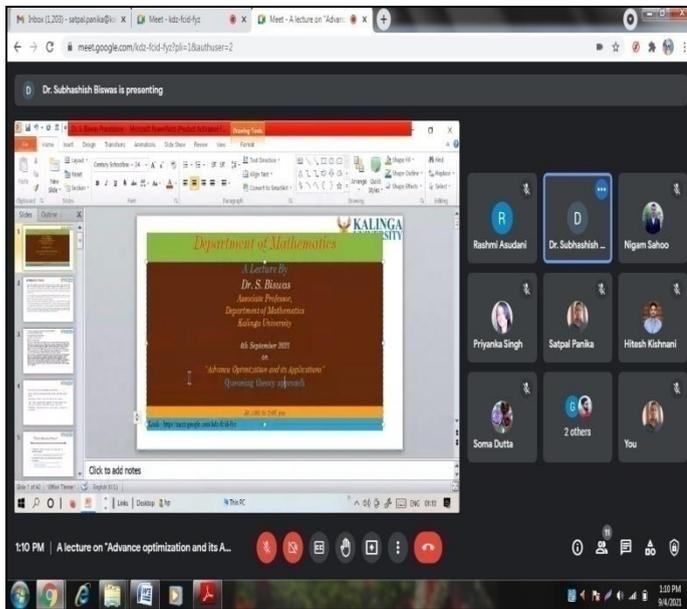

The main objective of this activity is to give fundamental ideas of optimization techniques used in real world such as Queuing approach, Linear programming problems, Transportation problems, etc.

In this lecture the speaker expressed the fundamental concept of Queuing models and its different approaches in the field of industries, Hospital management, Banking, Railways and many more. M.Sc. 3rd semester students got the knowledge of real-life problems of waiting line. Today's Speaker Dr. S. Biswas explained, how to convert the daily life problems regarding waiting lines into mathematical models. In his lecture, students learned the different types of queuing models and their applications.

Before ending the session, Dr. G.V.V.J. Rao also discussed various optimization techniques and their interdisciplinary approaches. Students were delighted with the lecture which was based on the daily life examples. They asked so many questions from the speaker, and got the satisfactory answers.

Webinar on “Gas Turbine Combustor” Department of Mechanical Engineering on 4th September 2021

Title- “Gas Turbine Combustor”

Date: 4 Sep 2021 Time 11.00 am to 12.05 pm

Preamble:

Webinar is organized by Department of Mechanical Engineering for the improvement in technical knowledge about Gas Turbine Combustor for Mechanical and Mining Engineering Students on : 4 Sep 2021.

Participant’s Profile:

All students of Mechanical Department as well as students from Mining Department (Total 47 Students out of 89 Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended the Guest Lecture.

Description about the Program:

Dr. Atul Verma, Mechanical Engineer Combustion & Emissions Level 3 at Honeywell Aerospace, Arizona, US explained the students about Gas Turbine Combustor. Dr. Atul Verma, explained the students about different types of combustion, he also explained the types of combustion analysis and the different software that are used for combustion analysis.

National Webinar on Career Options in Post Covid World Department of Arts & Humanities on 6th September 2021

Raipur. Faculty of Arts & Humanities organized a National Webinar on the topic “Career Options in the Post-COVID World”. The webinar was organized with the intention of guiding students in choosing the appropriate career.

The session was conducted online on the platform of Google Meet. The session was supervised by the Dean, Faculty of Arts & Humanities, Dr. Shilpi Bhattacharya. The Keynote speaker of the event was Dr. Namrata Shrivastava who is a faculty in the Economics Department of Kalinga University.

The webinar began with welcoming all participants and dignitaries to the event. Dr. Namrata Shrivastava commenced her session by giving an informative account of the COVID scenario around the world. With the help of a power point presentation, she emphasized the various topics which the session was going to throw light on. She further discussed about the effects of a Global Pandemic on the job market and how the needs and qualifications expected by employers are changing according to the Work-from-home culture.

Dr. Shrivastava enlightened the students about how to effectively carry out their studies in the online platforms and how to educationally benefit from the pandemic scenario. She further elaborated the types of jobs that are in demand at present and what are the qualifications required to apply for them. She ended her session by discussing the online websites which are helpful for finding jobs and asked the students to be optimistic and not lose hope in the present scenario.

The session ended with a vote of thanks given by the host, Ms. Anurima Das. The Session received positive feedbacks and students expressed their wish of attending similar informative webinars in future also.

Talk on “How to conduct research on Medicinal Plants” Department of Botany on 7th September, 2021

The Department of Botany of Kalinga University had organized a **Talk on “How to conduct research on Medicinal Plants” on 7th September, 2021 at 3.30 PM to 4.30 PM**. The objective of the Lecture was to encourage plant based research among the students of M.Sc. The Speaker was Mr. Abhishek Kumar Pandey, Assistant Professor, Kalinga University.

The event was informed earlier in the students’ group. The event started with by defining basic principal of research. Expert narrated way of doing research. Any research that becomes useful to human being is the result of careful observation. Expert gives the example of Newton, Edward Jenner, and Kurosawa. All the component of research including observation, defining a problem, hypothesis, experimental procedure, testing, and result has been discussed by speaker. Mr. Pandey also discussed the history of using plant as medicine. The whole procedure of making medicine from the plant material is shared among the students by the speaker. Mr. Pandey also discussed the various aspect of doing research in plant, including quantitative and qualitative estimation of secondary metabolite. Medicinal properties of plant which can be assessed in department can be discussed in brief. Mr. Pandey emphasized student for doing research in wild edible plant.

The session was interactive and student inputs were appreciated. The talk was received with great admiration by the students and they also found the slides very informative. They were encouraged to fill up the feedback forms after the event.

Total seven students participated in this activity class.

History of Using plant as a Medicine

- ▶ The oldest written evidence of medicinal plants' usage for preparation of drugs has been found on a Sumerian clay slab from Nagpur, approximately 5000 years old. It comprised 12 recipes for drug preparation referring to over 250 various plants, some of them alkaloid such as poppy, henbane, and mandrake.
- ▶ The Chinese book on roots and grasses "Pen T'Sao," written by Emperor Shen Nung circa 2500 BC, treats 365 drugs (dried parts of medicinal plants), many of which are used even nowadays such as the following: *Rhei rhisoma*, camphor, *Theae folium*, *Podophyllum*, the great yellow gentian, ginseng, jimson weed, cinnamon bark, and ephedra.
- ▶ The Indian holy books Vedas mention treatment with plants, which are abundant in that country. Numerous spice plants used even today originate from India: nutmeg, pepper, clove, etc.
- ▶ The Ebers Papyrus, written circa 1550 BC, represents a collection of 800 prescriptions referring to 700 plant species and drugs used for therapy such as pomegranate, castor oil plant, aloe, senna, garlic, onion, fig, willow, coriander, juniper, common centaury, etc.
- ▶ According to data from the Bible and the holy Jewish book the Talmud, during various rituals accompanying a treatment, aromatic plants were utilized such as myrtle and incense.

Science: A Systematic knowledge having experimentally proof.

Way of doing research

- ▶ In any scientific study the following steps are usually observed. The experimental method demands accurate observation, prediction or guess work, experiment, comparison and verification with a scope for correcting errors.
- ▶ 1. Observation-
 - ▶ Any enquiry must begin with direct or indirect observation. It is different from mere seeing. Observation can be repeated and critical observation requires training. Hand lenses, binoculars, microscopes etc. are some of the tools used in observing plants.
- ▶ 2. Defining a Problem:
 - ▶ Questions can be asked about 'What' 'how' and 'Why' concerning the observation.
- ▶ 3. Making a Hypothesis:

On 7th September, 2021 Mathematics department had organized an activity named as "**General Quiz Competition**". This quiz was conducted by Mr. **NigamaPrasan Sahoo**, Assistant Professor, Department of Mathematics. The main objective of this activity was to develop an interest of mathematical concept, so that student can understand the logic behind the answers. In the quiz competition students from M.Sc. 3rd semester participated. They enjoyed the quiz. Dr. S. Biswas and Dr. Rao have given their expert views for the answers, and they explained the concept of the answers.

In this Quiz Competition, M.Sc. 3rd semester students are divided up into 5 individuals. For example, Devashish is named by 1, Hitesh by 2, Rashmi by 3 Soma Dutta by 4, Supratikshya and Neha das were named by 5 and 6 respectively. On the right answer participated were awarded by 5 marks, on wrong answer 2 marks deducted, and on answering the passed question, participate was awarded by 3 marks. Before starting the competition, the host explained the rules.

The questions, related to current affairs and simple mathematics were asked and the students answered nicely, Students are awarded as below: -

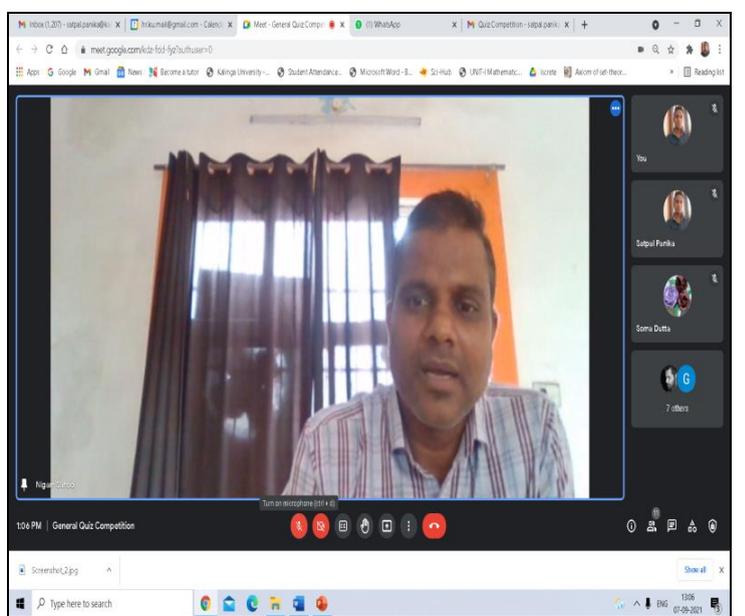

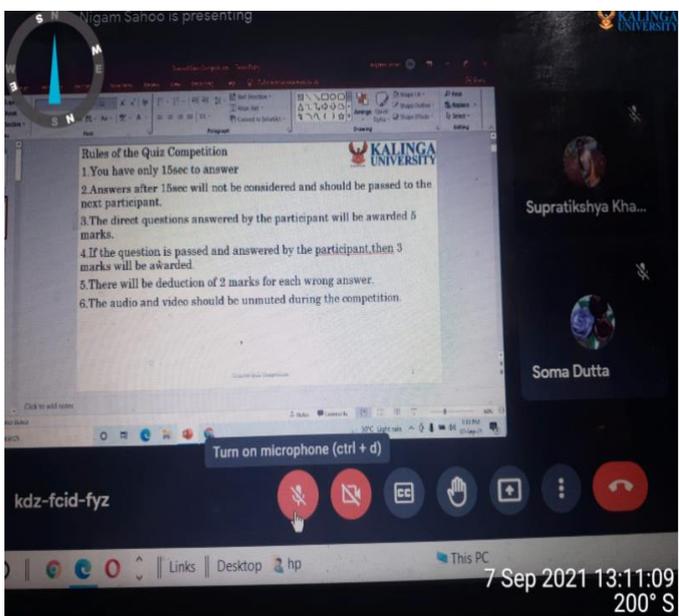

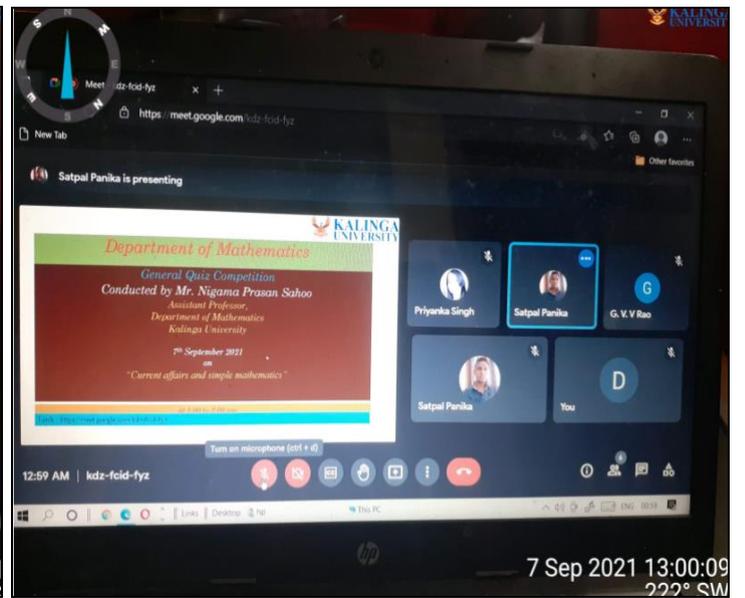

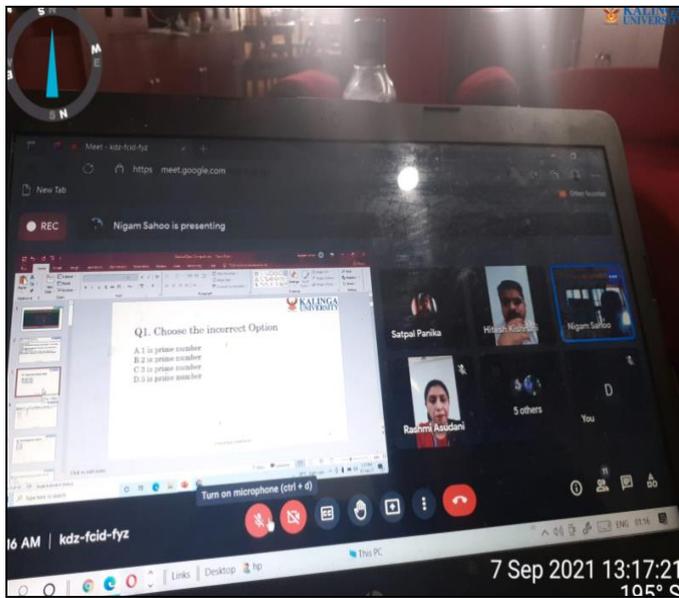

S.No.	Name of Student	Marks Awarded	Position
1	Devashish Gaurav	19	First
2	Hitesh Kishnani	14	Second
3	Rashmi Asudani	13	Third
4	Soma Dutta	7	

At the end of the session, Dr. S. Biswas I/C- Mathematics Department, congratulates to the winners, and appreciate other students who played well.

Webinar on “Nutrition and fitness for youth” Department of Journalism & Mass Communication on 8th September 2021

Department of Journalism and Mass Communication has organized a webinar on 08 Sept 2021, on the topic “**NUTRITION AND FITNESS FOR YOUTH**” in which the guest speaker was Mrs. Manvit Kohli, Certified trainer, Nutrition and fitness coach Associated with Fittr and Bump & Beyond

Mrs. Shreya Dwivedi (Assistant Professor – Journalism and Mass Communication Department) has introduced Mrs. Manvit Kohli to the students. All the students including faculty members were present in the webinar. It was a very productive and informative session in which students have learned about the importance of nutrition&fitness, how to maintain good health with a proper balanced diet. Mrs. Manvit Kohli explained why protein carbs and other nutrition’s are important in our diet and best way to maintain a good health in busy schedule and lifestyle.

She shared that the health consciousness doesn’t mean to follow the diet and exercise, she focused on clearing the miss conception about the health myths and diets, she gave a proper clarity on maintain a healthy diet plan that includes a proper proportion of protein vitamins and nutrients, She also shared the best meals to attain a healthy lifestyle for various age groups as per their body type and requirements.

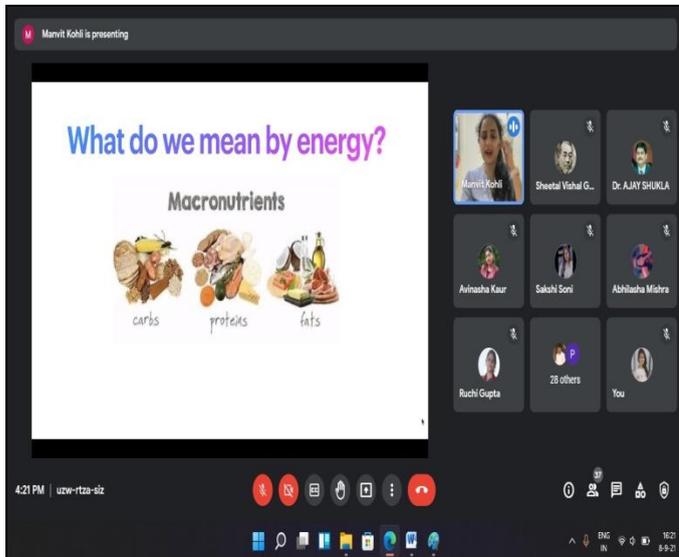

Lastly the vote of thanks was given by Ms. Avinash Kaur (Assistant Professor – Journalism and Mass Communication Department).

Webinar on Startups and Intellectual property rights Department of Electrical Engineering on 8th September 2021

Topic- "Moodle Management Learning System"

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted a webinar on **"Startups and Intellectual Property Rights"**, for the students of all branch of engineering. The webinar was scheduled on 08.09.2021 at Google Meet platform. The resource person was Dr. Ankit Singh, Assistant Professor, Hidayatullah National Law University, New Raipur (CG). The session was attended by more than 35 students along with all teaching staff.

A webinar was scheduled to start at 11:00 am. Mr. Shailesh Deshmukh began the session with brief introduction of invited guest. Dr. Ankit Singh have started the session with the introduction of the topic, Startups and Intellectual Property Rights. He very well explained about meaning of startups and what you mean by Intellectual Property Rights. He was discussed about the following points throughout the webinar with various examples.

- **Trademarks**
- **Patents**
- **Copyrights and Related Rights**
- **Industrial Designs**
- **Trade Secrets**

CONCLUSION: - The session was very interactive and beneficial for the students as well as faculties of Engineering Department to know about objective, importance and advantages of Intellectual Property Rights. The session was concluded with the vote of thanks by Mr. Shailesh Deshmukh, Assistant Professor, department of Electrical Engineering Kalinga University Raipur.

Experiential Learning (Ice-Breaking activity) for students of BBA 1st semester Department of commerce & Management on 10th September 2021

Raipur- Kalinga University is a leading University in Central India. It is committed to developing the students with in-depth analytical and leadership skills. The University encourages its new students to develop confidence and participatory skills through ice - breaking methods. In order to achieve this the experiential learning club encouraged the ice-breaking activity. Under this activity newly admitted students of Faculty of Commerce & Management interacted with the “What am I?” “Show & Tell” and “Self Portrait” games. The students also actively participated in guessing the Riddles, Movies, Taglines, CEOs and Advertisements of various corporate organizations.

The students of experiential learning club of Faculty of Commerce & Management conducted online Ice breaking session for its 1st year undergraduate students on 10th Sept 2021. The main objective of the event was to provide students a platform to showcase their talents. The objective was also to increase the confidence and participatory skills of the students.

The event was Judged by

Ms. Shriya Tripathi, Assistant Professor Faculty of Commerce & Management, Kalinga University

Ms. A. Naga Ramani, Assistant Professor Faculty of Commerce & Management, Kalinga University

In the activity teaching faculty members of were present along with Dean Faculty of Commerce & Management Dr. Monika Sethi Sharma, and students of Faculty of Commerce & Management.

More than 90 students participated in the activity and the participants found the event to be very exciting and learning oriented.

Ms. Shriya Tripathi, while declaring the result during the valedictory session shared the benefits and advantages of ice-breaking technique for new students.

Name of the Winners in ice breaking activity:

1stPosition: Mr. Shubankar Bhattacharya, BBA 1st Semester

2nd Position: Ms. Vanshdeep Kaur BBA 1st Semester

5	BTCE	7 th Sem	25	6
6	MTHE	3 rd Sem	8	3
7	MTCSE	3 rd Sem	37	4

After the evaluation of the presentations submitted by the students, top Three performers were declared as the Winners of the event and the certificates were issued to them.

Winners of this Activity are as followings: -

1. Ms. Wanda shisha Puwein –BTCE 5thSemester
2. Mr. Uday Sahu -BTCE 3rdSemester
3. Mr. Shubham Agrawal- BTCE7th Semester

Guest lecture on Perspectives and paradigms of NEP 2020 Department of Electrical Engineering on 11th September 2021

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted a Guest Lecture on 11.09.2021 on “**PERSPECTIVE AND PARADIGMS OF NEP 2020**” at Google Meet for the students of Engineering. The resource person was Dr. Bijoy Kumar Panigrahy, Special Administrative Officer, IIT Bhilai New Raipur (CG).

The session was attended by more than 35 students along with all teaching staff.

The Guest Lecture was scheduled to start at 11:00 am. Dr. Sunil Kumar began the session with brief introduction of invited guest Dr. Bijoy Kumar Panigrahy have started the session with the introduction of the topic, PERSPECTIVE AND PARADIGMS OF NEP 2020 must provide to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged, and underrepresented groups. He discussed about the following points:

8. New Education Policy
9. Discussed about how to get more funds as compared to public university.
10. How to earn credits from different organization.
11. Benefit
12. Application

CONCLUSION: - The session was very interactive and beneficial for the students as well as faculties of Electrical Engineering Department to know about the importance and benefits of NEP 2020. The session was concluded with the vote of thanks by Mr. Shailesh Deshmukh, Assistant Professor, department of Electrical Engineering Kalinga University Raipur.

Next Generation Skillsets for Dynamic Workplace for students of Management Students of Kalinga University on 11th September 2021

For all the activity feedback is send online as per your directions. It's requested to provide the feedback class wise & semester wise of our departmental activities as per the format mentioned below from Aug'21 and as well for upcoming activities. Feedback will help me to understand the scope of improvement. It's a humble request .Looking forward for corporation.

Report of Royal Mechanical Club "How to write a Research Paper Department of Mechanical on 11th September 2021

Title- "How to write a Research Paper"

Date: 11 September 2021 Time 12.00 afternoons to 1.00 pm

Preamble:

The activity of How to write a Research Paper is organized by Royal Mechanical club for awareness of the students to improve written skills. The importance of research essay writing is that it can help you earn the decent grades you need to achieve higher standards. All theoretical, knowledge and technical courses are essential. You must submit a research paper, be it literature, history, law, physics, or economics. Research papers can be used to assess whether students are sufficiently focused or asleep and missed lectures in class. By writing research articles, students' research strategies can be tested.

Participant's Profile:

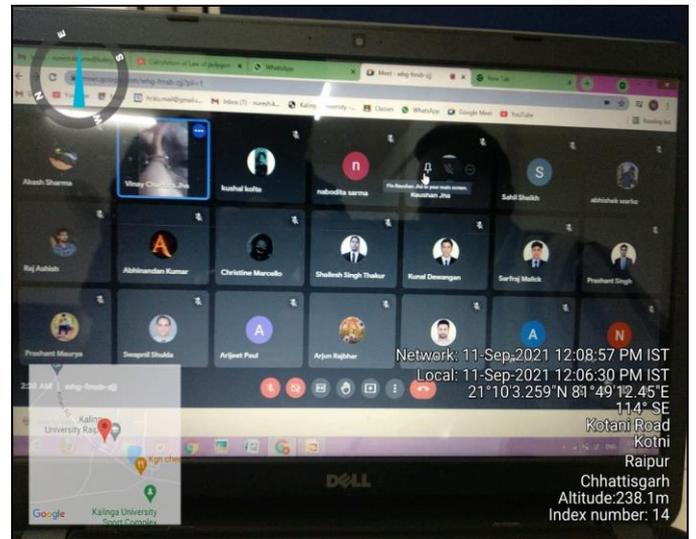

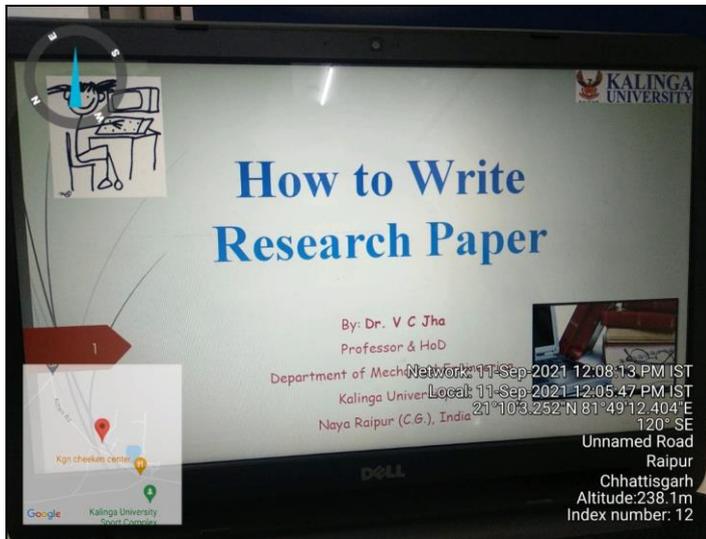

All students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended.

Description about the Program:

The session had started by head of department Dr. V. C. Jha. HOD sir well explained how to write a research papers. Research studies are important because these contribute to knowledge and progress on confusion, diseases, and disorders. The purpose of a research paper is to give your ideas and opinions about the topic or problem and to use other sources to support your position. Understanding that research is important might seem like a no-brainer, but many people avoid it like the plague. Yet, for those who like to learn, whether they are members of a research institution or not, conducting research is not just important it's imperative.

The importance of research papers

1. It's a tool for building knowledge and facilitating learning.
2. It's a means to understand issues and increase public awareness.
3. It helps us succeed in business.
4. It allows us to disprove lies and support truths.
5. It is a means to find, gauge, and seize opportunities.
6. It promotes a love of and confidence in reading, writing, analyzing, and sharing valuable information.
7. It provides nourishment and exercise for the mind.

Webinar on “IOT with Raspberry Pi” Department of Computer Science & Engineering on 11th September 2021

Computer Science & Engineering Department organized an activity on “Webinar on IOT with Raspberry Pi” by Mr. Suvanwesh Rath Asst. Prof. CSE |Department, Kalinga University Raipur, conducted by Mr. Niraj Sahu (Assistant professor), Ms Koyena Ghosh (Assistant professor) in computer science department. This activity was very fruitful for our students. Students learned so many things and gained knowledge about IOT.

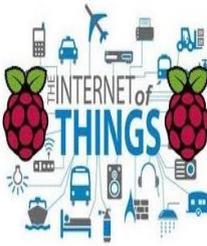

Venue: Google Meet

Date: 11th Sep 2021.

No. of Participants: 50 Students

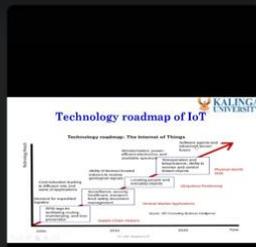

According to students this activity was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum. Students really enjoyed the session.

Kalinga University is the only private University in Chhattisgarh that features among top 200 Universities in the country in NIRF Ranking 2021

Congratulations on the NIRF ranking 2021!

Kalinga University has achieved another milestone as we have been placed in the rank band of top 150-200 higher education institutions, out of total 1657 institutions which participated in the NIRF ranking 2021.

Kalinga University is the only Private University in Chhattisgarh that features among Top 200 Universities in the Country in NIRF Ranking 2021.

The NIRF ranking is the most comprehensive assessment of the Higher Education Institutions in the country. It reflects on the overall quality of an institution and hence there is immense competition amongst participating institutions. The process required for the ranking is extremely rigorous, objective, and transparent, and therefore, it is a matter of great pride that our young University has worked very hard and achieved this stature.

This ranking also reflects the capability, potential, commitment, and hard work of our academic community.

My sincere thanks and Congratulations to Hon'ble VC sir , DG sir, DAA, Director IQAC, Deans , HODs, Faculty members, Non teaching Staff, Head HR Lincy mam & team, Ankita Nihlani Mam, Mr Manish Singh & team , Mr Kumar Shwetabh, Mr Ashish Rawat, Mr Rajesh Saini & team, DSW mam & team , Students and Alumni.

I would also like to extend my gratitude to Hon'ble Chairman Sir, Chancellor Sir, and Seema Madam for their charismatic leadership and for extending their full support to the University.

Congratulations once again!

Warm regards,

Dr. Sandeep Gandhi

Registrar

The image contains three panels. The left panel features the NIRF logo (a red sun-like symbol above the letters 'nirf' in blue) and the text 'National Institutional Ranking Framework', 'Ministry of Human Resource Development', and 'Government of India'. The middle panel features the Kalinga University logo (a golden eagle) and the text 'KALINGA UNIVERSITY', 'Congratulations on the NIRF ranking 2021!', and a laurel wreath containing the text 'Kalinga University is the only Private University in Chhattisgarh that features among Top 200 Universities in the Country in NIRF Ranking 2021.' Below this, it states 'We have been placed in the rank band of top 150-200 higher education institutions, out of total 1657 institutions which participated in the NIRF ranking 2021.' At the bottom, it provides contact information: '9907252100 | www.kalingauniversity.ac.in' and 'Kalinga University, Kotni, Near Mantralaya, Naya Raipur- 492101'. The right panel features the NIRF logo and the text 'NATIONAL INSTITUTIONAL RANKING FRAMEWORK' above an image of a hand holding a silver trophy.

Polythene Awareness program by NSS at adopted village Paloud on 13 September 2021

NSS UNIT of Kalinga University has organised a polythene awareness programme at adopted village Paloud on 13 September 2021 under the leadership of NSS program officer Mrs. Smita Premanand. The main Moto of the program was to eradicate the use of polythene. The NSS volunteers have taken an initiative to organize a program of polythene free village.

Volunteers visited to medical shops, Grocery shops, parlours and vegetable vendors and encouraged them to stop the use of polythene and make them aware of the harmful effects of polythene as it is non-biodegradable and it can't be disposed for millions of years. Polythene bags were eaten by cattle's and were unable to digest it and die.

NSS programme officer Mrs. Smita Premanand, Dr. Vijayanand and NSS volunteers Varsha Dhruv, Megha sahu, meenakshi Chandra, Kajol Bhanushali, Ajay Pandey, Rahul Mishra made the program successfully. The program was organized under covid protocol. The moto of the program is "Avoid Polythene Save Earth".

**Webinar for NCC cadets and Law students on "an analysis on sexual harassment"
NCC on 13th September 2021**

Activity Report

Workshop on Advanced Lab Department of Physics 13th September 2021

The Department of Physics, Kalinga University Raipur organized an online **Workshop on Advanced Lab held on 13th September 2021**. Lab perform by **Dr. Arun Kumar Diwakar, Dr. Alope Verma and Dr. Prakriti Neha**, Department of Physics, Kalinga University. Total 18 students of M. Sc. Physics and B. Sc. PCM.

This lab will be given the opportunities and compete the knowledge on the research field of Advanced Lab. They are learning to how to manage time in that type competition, and also better learn and score in future.

Webinar on Role of clinical pharmacist in health care system” Department of Pharmacy on 13th September 2021

Today's Webinar on " Role of clinical pharmacist in health care system " is successfully completed. I would like to thank our Hon. Chairman Sir, Hon. Director General Sir, Hon. Chancellor sir ,Hon. Vice Chancellor Sir, Hon. Registrar Sir , Respected Rahul Mishra sir and IQAC head Abhilasha mam for organise this session to enlighten the students for their future . I would also like to thanks our respected principal, Dr. Sandip Tiwari sir for his eminent support and guidance. The session was attended by 34 students on 13 September 2021 at 3.00 pm

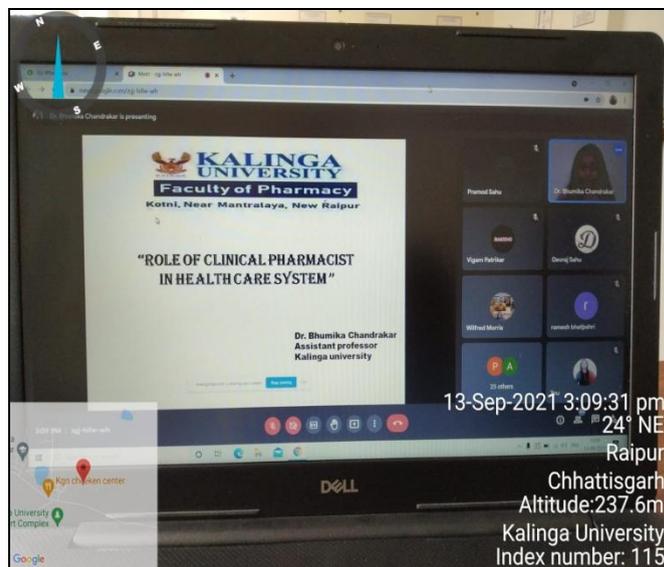

S.No.	Class	Total students enrolled	Total students present
1	B.pharm 3 rd sem	52	10
2	B.pharm 5 th sem	56	8
3	B.pharm 7 th sem	55	7
4	D.pharm 2 nd year	112	9

The webinar was all about the future prospect of pharmacy students in the field of clinical pharmacy . The topic covered in webinar are :

1. What is the key role of clinical pharmacist in health care department ?
2. What is the difference between hospital pharmacist and clinical pharmacist ?
3. What are the activities and responsibilities performed by clinical pharmacist ?
4. How to become clinical pharmacist by opting PHARM.D ?
5. What is the present and future scenario of doing PHARM.D?

With the today's webinar students got to know about the new scope after doing B.Pharm and why it is so prestigious to do pharm.d and what kind of activities they need to perform. Hope this webinar

mindset the students to go for more practical knowledge about the drugs and diseases and they going to improve their skills to become clinical pharmacist in reputed hospital and get handsome salary and create their career in a new direction .

Talk on “How to conduct clinical trial on animals” Department of Botany on 14th September 2021

The Department of Botany of Kalinga University had organized a **Talk on “How to conduct clinical trial on animals”** on 14th September, 2021 at 10.00 AM to 11.00 AM.

The objective of the lecture was to encourage plant based research among the students of M.Sc. Botany. The Speaker was Dr. Hindole Ghosh, Assistant Professor, Kalinga University.

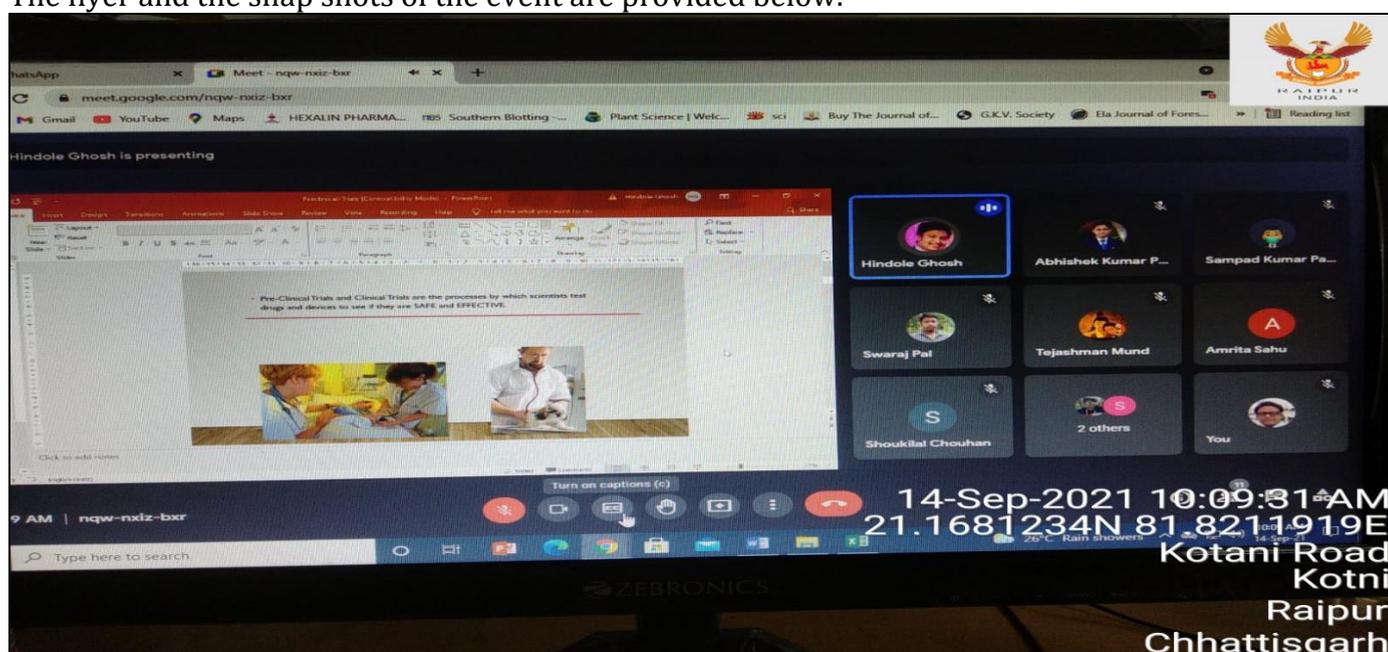

The event was informed earlier in the students’ group. The event started with welcoming of the speaker Mr. Abhishek Pandey introduced Dr. Hindole Ghosh with the students of Botany Department. Medicinal properties of plant which can be assessed in plant and how an animal trial performed discussed by Dr. Ghosh. He described the whole method of pre-clinical trials and clinical trials. Dr. Ghosh explained the how to evaluate safety efficacy of drugs through pre-clinical trials.

The session was interactive and student inputs were appreciated. The talk was received with great admiration by the students and they also found the slides very informative. They were encouraged to fill up the feedback forms after the event.

Total 12 students participated in this activity class.

Online Induction Programme 'First- Step 2021 for D. Pharma 1st Year Students on 14th September 2021

'**FIRST STEP-2021**', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of Diploma Pharmacy on Tuesday, 14th September, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for the newly admitted students in Diploma Pharmacy program under the Faculty of Pharmacy started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. The chief guest for the occasion was Mr. Sudeep Malhotra, Corporate trainer and Life Coach from Faridabad, Haryana. As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by a virtual Fashion Show, exhibited by the students of Kalinga

University. The fashion show was followed by words of blessings by Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

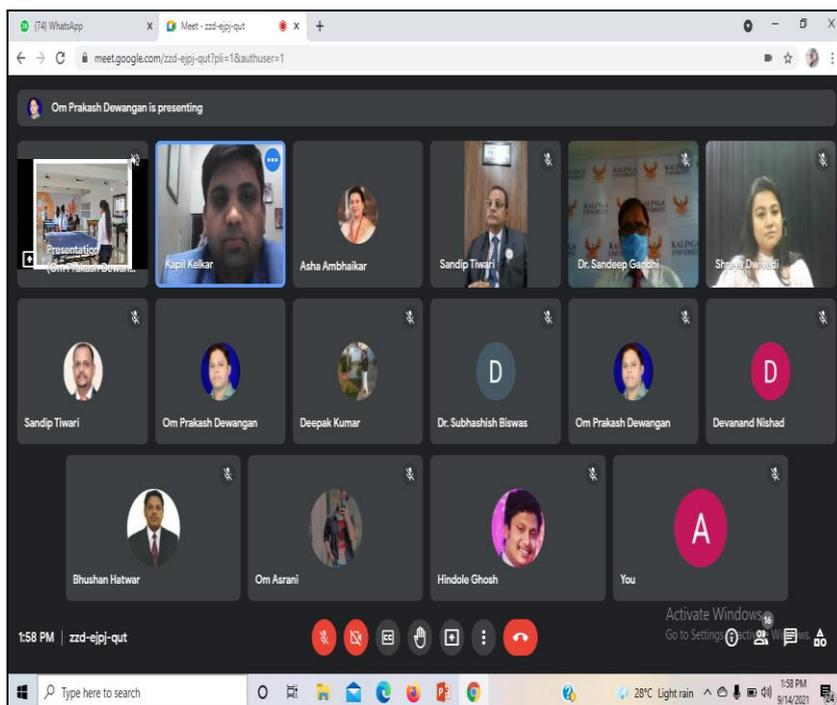

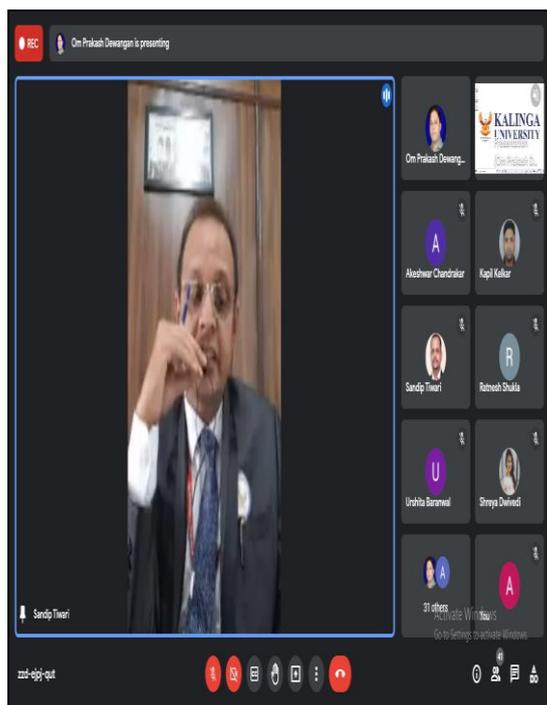

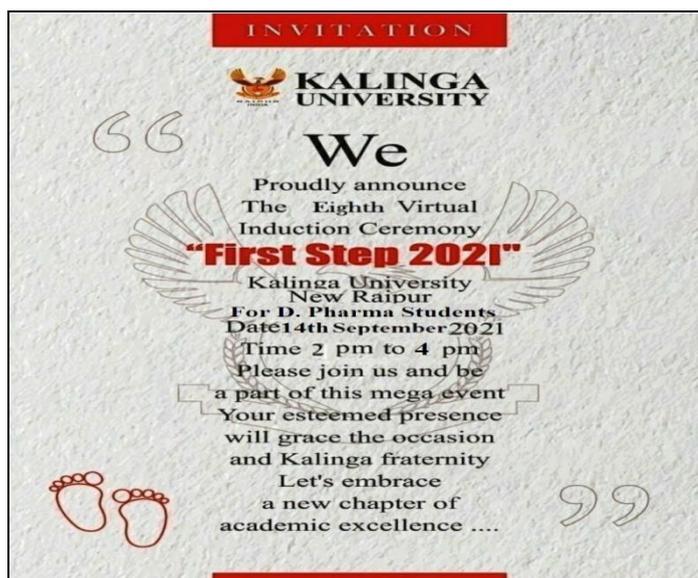

The speech of the Director General was followed by an enthusiastic and motivating talk by the Chief Guest, **Mr. Sudeep Malhotra**. He asked the students to realize their potential. He said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. He gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that was followed by a presentation by Mr. **Kapil Kelkar** and **Ms. Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments. The event then moved on the energetic dance performance by the students of the University, Ritik and Group that was co-ordinated by **Mr. Omprakash Dewangan**.

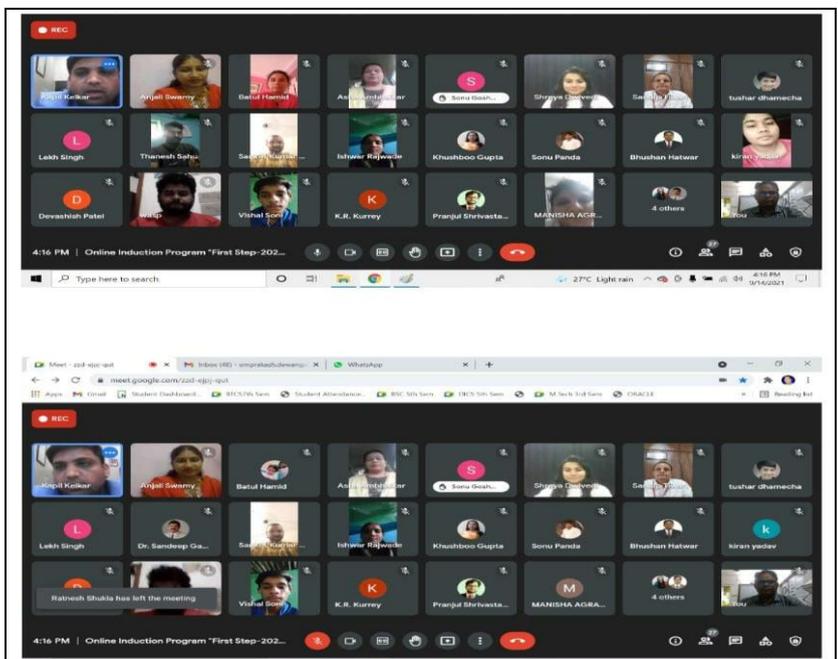

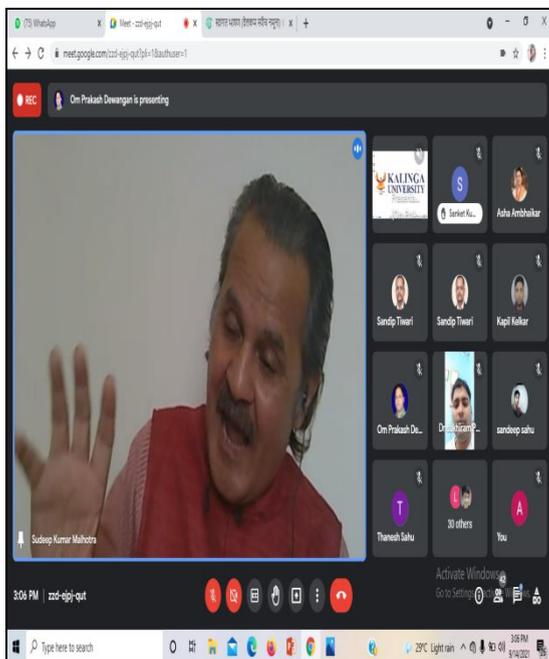

Dr. Sandeep Tiwari, Principal- Department of Pharmacy addressed the students and put forward that the Department of Pharmacy has state-of-the-art infrastructural facilities, digitalized library with a plethora of books, ultra-modern classrooms for flipped and blended mode of Teaching-Learning pedagogy. Highly qualified faculty members provide holistic environment for the better understanding of the basic concepts of Pharmacy and sharpen professional and technical acumen of the students by persistent counselling and mentoring. Pharmacy is one of the important professions of Healthcare which caters to the patient-centric approach of providing pharmaceutical care to the consumers. The University complements this and opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. The address of the principal was followed by a beautiful dance performance by the Afghan students of Kalinga University.

Speaking about the future challenges in this competitive world, **Mr. Rahul Mishra**, Dean Academic Affairs assured each and every student that they are here because they deserve to be, and because they can bring something new and exciting to this diverse learning community. He concluded his talk by offering some simple advice for how to make the best of their academic experience here at Kalinga

University. This was followed by quizzes, reasonings and riddles coordinated by **Ms Anjali Swamy** followed by a session with the University coordinator, **Ms. Urshita Baranwal**. The sessions were followed by a folk dance of Chhattisgarh by the students of Kalinga University that was coordinated by **Mr. Omprakash Dewangan**. An online Talent round for newly admitted students was organized by Mr. Kapil Kelkar and Ms. Shreya Dwivedi.

At the end of the Induction Program, vote of thanks was extended by Dean Student Welfare, **Dr. Asha Ambhaikar** that was followed by a group photograph and feedback by the students. The programme was successfully conducted by **Mr. Kapil Kelkar, Ms. Shreya Dwivedi, Mr. Omprakash Dewangan, Dr. Hindole Ghosh and Mr. Toshan Tarak**. The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. They expressed their gratitude and thanks for a fruitful Induction Programme. The magnificent ceremony came to an end with the beats of music opening the golden gate to the future of our newly admitted students.

Engineers Day Celebration of Mechanical, Mining, Electrical, Civil and Computer Science Engineering Department on 15th September 2021

Date: 15 September 2021 Time 1:30 pm - 2:30 pm

Preamble:

The **Engineers Day** organized by Faculty of Engineering for Role of Engineers in Nation and Society.

Participant's Profile:

All faculty members and students of Mechanical, Mining, Electrical, Civil and Computer Science Engineering Department .

Total number of Participants: 101

Details about the Program:

1. The session was started by Dean of Engineering Dr. V. C. Jha. He explained the role of engineers in the nation and society.
2. Dr. Sunil Kumar discussed with students regarding celebration of Engineers day.
3. Dr. N. K. Dhapekar gave a brief Introduction about Bharat Ratna Sir Mokshagundam Vishwesvaraya and also discussed the role and responsibility of engineers.
4. Event 'Wonders of Engineering' was organized by Faculty of Engineering. In this students participated and share their knowledge ,wonders & views.
5. Event 'Debate competition' was organized by Faculty of Engineering. Topics of debate were-
(a) Dress Code compulsion in Engineering Colleges & Universities.
(b) Engineering study in mother tongue/regional language.
6. Ms. Swati Agrawal share one short story.
7. Vote of thanks was given by Dr. V. C. Jha.

National Webinar on “Ozone for Life: 36 Years of Ozone Layer Protection”
World Ozone Day
Green Club on 16th September 2021

Green Club of Kalinga University has organised a National Webinar on “Ozone for Life: 36 Years of

Ozone Layer Protection” on 16th September, 2021 on the occasion of World Ozone Day.

On December 19, 1994, the United Nations General Assembly proclaimed September 16 the International Day for the Preservation of the Ozone Layer, commemorating the date, in 1987, on which the Montreal Protocol on Substances that Deplete the Ozone Layer was signed.

On September 16, 1987, the United Nations and 45 other countries signed the Montreal Protocol, on substances that deplete the Ozone layer. Every year, this day is celebrated as the International Day for the Preservation of the Ozone layer.

The keynote speakers for the webinar was Dr. K. V. George, Head & Senior Principal Scientist, Air Pollution Control Division, NEERI, Nagpur. The speakers emphasized about the Birth of ozone and its importance and threats. Dr. George, also shared some of the important initiatives taken by the Indian Government for addressing the problem of Ozone depletion. The objective of this webinar was increase awareness among peoples concerning Ozone depletion and threats.

The occasion was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Dean Sciences Dr. Varaprasad Kolla, HODs, Faculty members and students of various departments and participants from across the country.

The webinar received a good response as more than 112 participants got connected on this platform for the deliberations.

Ms. Nirali Budhbhatti, Coordinator, Green Club was the convenor of the webinar and introduced the esteemed guests and Dr. Manoj Singh (Mentor, Green Club) at the end of the thoughtful and academically enriching webinar, and extended vote of thanks for successful completion of the event.

Guest Lecture on Application of Advanced Instruments in concrete Technology Department of Civil on 17th September 2021

Activity Name: Guest Lecture on 'Application of Advance Instruments in Concrete Technology'.

Activity Date: 17th September, 2021

Event Type: Online Mode

Submission Type: Google Classroom

Organizers:

Dr. N.K. Dhapekar

Mr. Akshit Lamba

Coordinators:

Ms. Swati Agrawal

Mr. Piyush Das

Mr. Kushagra Pandey

Mrs. Kirti Sahu Tirpude

Mr. Manas Rathore

Purpose:

To elaborate the microstructural properties of various types of concrete, design of concrete mix, production of concrete and various concreting operations. Cementing material is the vital component of the concrete, so the process of manufacturing of concrete, types of concrete and their properties are discussed in this Guest lecture/Talk. Process of concrete production and concreting operations also forms an essential component of this lecture. In addition to the knowledge of special purpose concretes, the speaker also provided the due coverage of admixtures which are added to modify the properties of concrete. Micro properties of concrete in plastic as well as in hardened stage find its due coverage in this lecture. The lecture aims at imparting knowledge and skills to supervise concreting operations involving proportioning, mixing, transporting, placing, compacting, finishing and curing of concrete. Advanced technologies & equipments were also discussed in this lecture.

Details:

Department of Civil Engineering & Avishkar Club conducted a Guest lecture on 'Applications of Advance Instruments in Concrete Technology' on 17th September, 2021. The Resource person Dr. Vishvanath N Kanthe, Assistant Professor, Guru Gobind Singh college of Engineering & Research centre, Nashik, Maharashtra shared his knowledge about advanced concrete technologies. The event was conducted through online mode. In first phase, all were welcomed by Dr. N.K.Dhapekar who guided about the lecture and later on speaker briefly explained about the various instruments useful for evaluating properties in concrete. 76 participants from the department attended this event and E-certificates were awarded.

Webinar on “Project and Summary Internship Report Writing” Department of Computer Science on 17th September 2021

Department of Computer Science & Engineering

ACTIVITY - V

Webinar on “Project and Summary Internship Report Writing”

Computer Science & Engineering Department organized an activity on **Webinar on “Project and Summary Internship Report Writing”** by Mr. Niraj Sahu Asst. Prof., Department of CSE, Kalinga University Raipur, conducted by Mr. Omprakash Dewangan (Assistant professor), Mr. Bhavendra Sinha (Assistant professor) in computer science department. This activity was very fruitful for our students. Students learned so many things and gained knowledge about Project and Summary Internship Report Writing.

Venue: Google Meet

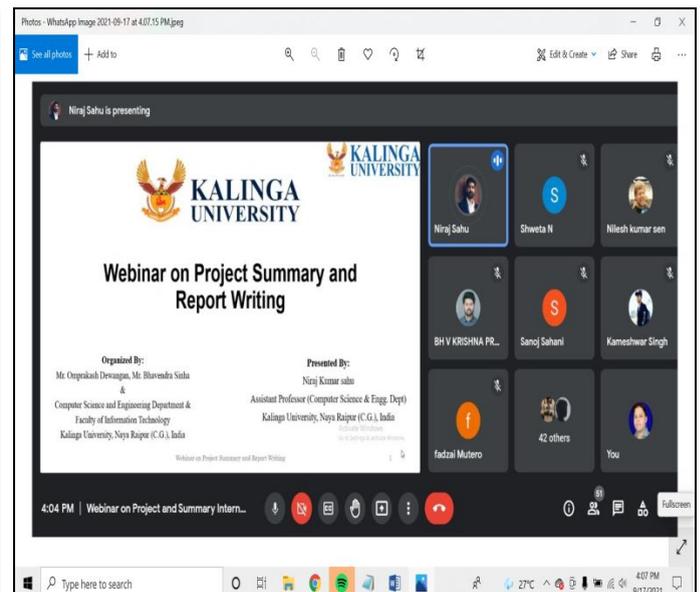

Date: 17th Sep 2021.

No. of Participants: 73 Students

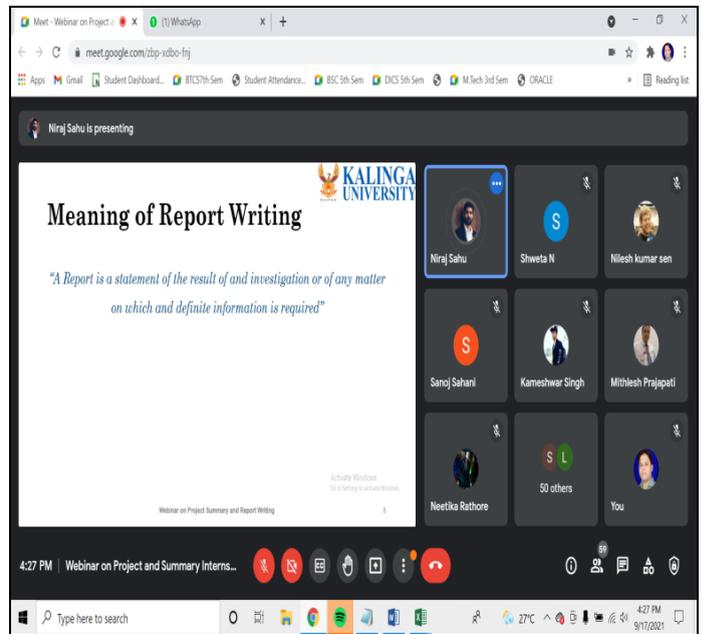

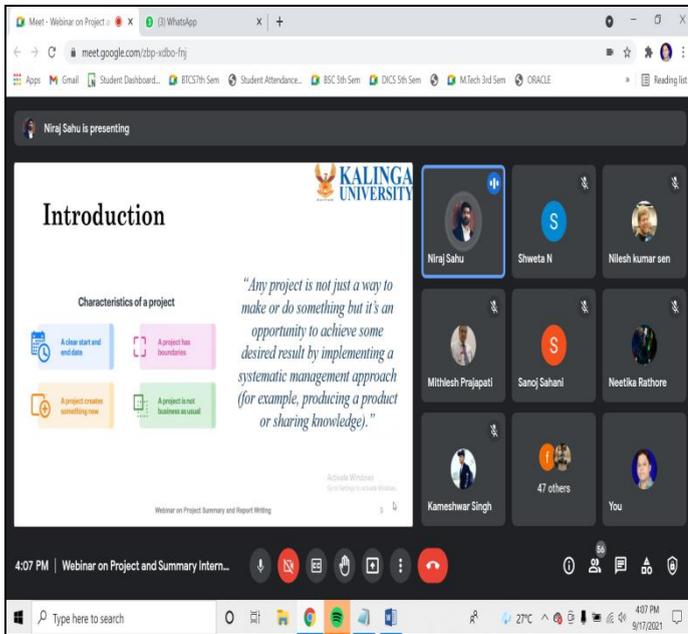

According to students this activity was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum. Students really enjoyed the session.

The poster features the Kalinga University logo at the top left. The text on the poster includes: "KALINGA UNIVERSITY", "Department of Computer Science & Engineering And Faculty of Information Technology Organizing", "Webinar on Project and Summary Internship Report Writing", "Presented By Mr. Niraj Sahu Assistant Professor Department of CSE", "17th Sep., 2021 04:00 PM - 05:00 PM", and "Activity Co-ordinator Mr. Omprakash Dewangan Mr. Bhavendra Sinha". A URL <https://meet.google.com/zbp-xdbo-fnj> is provided at the bottom left. The background of the poster shows a group of students in a classroom setting.

The screenshot shows a Google Meet interface. The main screen displays the webinar title "Webinar on Project Summary and Report Writing" and the Kalinga University logo. Below the title, it lists the organizers: "Organized By: Mr. Omprakash Dewangan, Mr. Bhavendra Saha & Computer Science and Engineering Department & Faculty of Information Technology Kalinga University, Naya Raipur (C.G.), India" and the presenter: "Presented By: Niraj Kumar Sahu Assistant Professor (Computer Science & Engg Dept) Kalinga University, Naya Raipur (C.G.), India". The right side of the screen shows a grid of participants' video thumbnails, including Niraj Sahu, Shweta N, Nilesh kumar san, BH V KRISHNA PR..., Sanoj Sahani, Kameshwar Singh, fadzai Mutero, and 42 others. The bottom of the screen shows the Windows taskbar with the time 4:07 PM on 9/17/2021.

"Vishwakarma Puja Celebration" Department of Mechanical Engineering

Report of Royal Mechanical Club Activity

Title- "Vishwakarma Puja Celebration"

Date: 17 September 2021 Time 3.00 pm

Preamble:

Mechanical Department celebrated September 17 as Vishwakarma Puja to pay obeisance to Lord Vishwakarma; regarded as the god of architecture and engineering. It was a resolution time for students and faculty to dedicate them to the cause of advancement of technology and gain divine inspiration for creating novel products.

Participant's Profile:

All faculties and lab staffs from Department of Mechanical, Mining, Civil, Electrical & Computer Science Engineering.

Description about the Program:

Every year on September 17, Vishwakarma puja is celebrated to mark the birth of Lord Vishwakarma, the architect. Lord Vishwakarma is the presiding idol of all architects. The Lord Vishwakarma is the official builder of all the God's palaces, and the designer of all celestial vehicles and weapons. Lord Vishwakarma is regarded as the God of architecture and engineering.

The Pooja was performed within the workshop. The lab staffs and faculties decorated the place of workshop with flowers, colored stripes and balloons. Head of Department of Mechanical Dr. V.C.Jha,

faculty members and Lab staffs performed Pooja with full devotion which was followed by the arti and Prasad distribution.

National Webinar on “Taxonomy of Flowering plant families: an Approach” Department of Botany on 18th September 2021

REPORT ON NATIONAL WEBINAR

18-9-2021

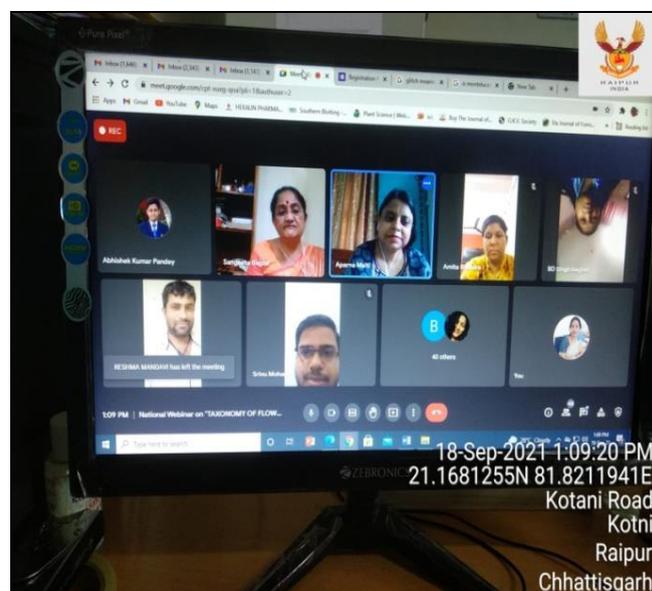

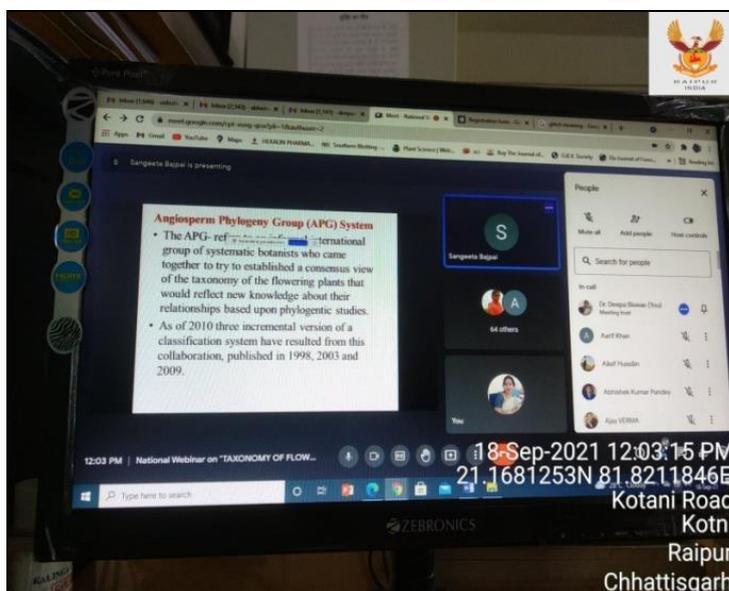

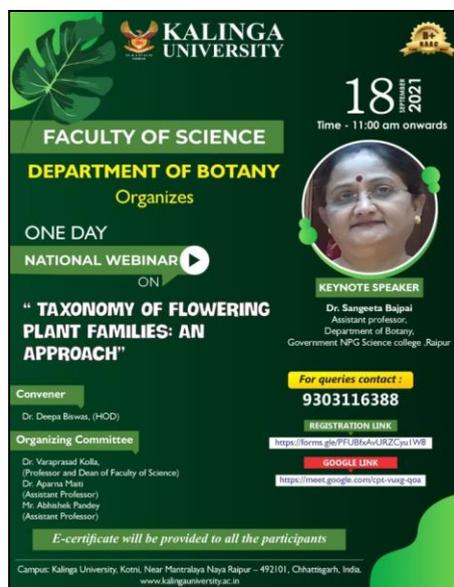

Department of Botany, Kalinga University organised a National Webinar on 18th September, 2021 on the topic “**Taxonomy of Flowering Plant Families: An Approach**” The main objective of this webinar was to aware students how to arrange data or information and knowledge about plants. The Keynote speaker of the webinar was Dr. Sangeeta Bajpai who is an assistant professor in the Department of Botany at Government NPG Science College, Raipur.

The webinar was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Heads of the Department, Faculty members and students of the department and participants. The webinar received an overwhelming response as more than 80 participants got registered for the same.

In the session, Dr. Bajpai discussed the classification, categorization and nomenclature of various plant families. The discourse was followed by an interactive session between the participants and the keynote speaker where several questions were asked by the participants about the process of "Taxonomy" and answered diligently by the Speaker. The event was an immense success among students who stated that the session was interesting and informative.

The students were highly benefitted by the insights that Dr. Sangeeta Bajpai provided regarding the subject matter of the webinar and enabled the participants for thoughtful future aspects in this field.

Kalinga University is a prestigious institution of Central India. Here, continuous work has been done to provide quality education to the students according to global standards to develop research trends and new discoveries. In this context, under the aegis of Kalinga University, Mathematics Department is organizing series of events. “**Influence of Mathematics in Our Daily Life**” is a very important topic and our students must know the in and out of this process. With this aim an invited talk was organized on **18th September 2021 at 3:15 to 4:15 pm**.

The speaker of the invited talk was “**Dr. Anil Kumar Kashyap**”, he is working as Scientist in BRSM College of Agriculture Engineering and Technology & Research Station (IGKV), Mungeli (C.G.) He has vast knowledge in the field of Applied Mathematics and he has given a fantastic overview of daily life applications of mathematics and students also got benefitted with his guidance.

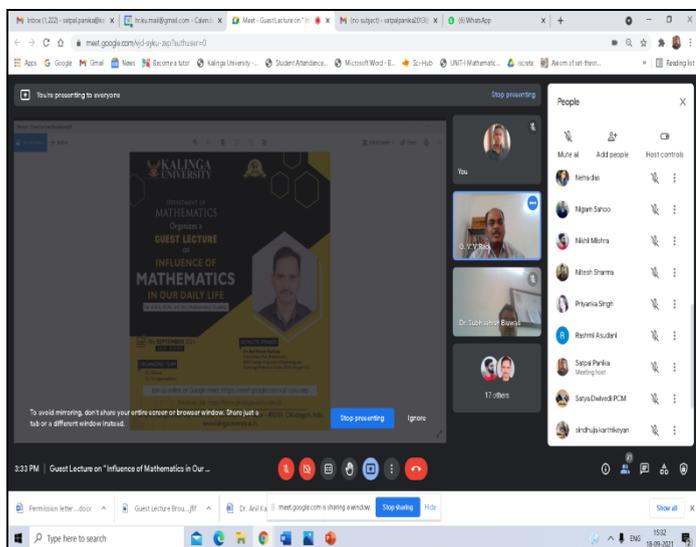

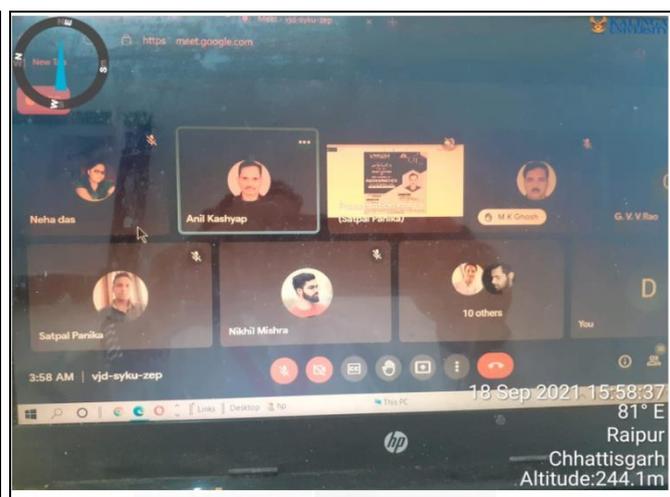

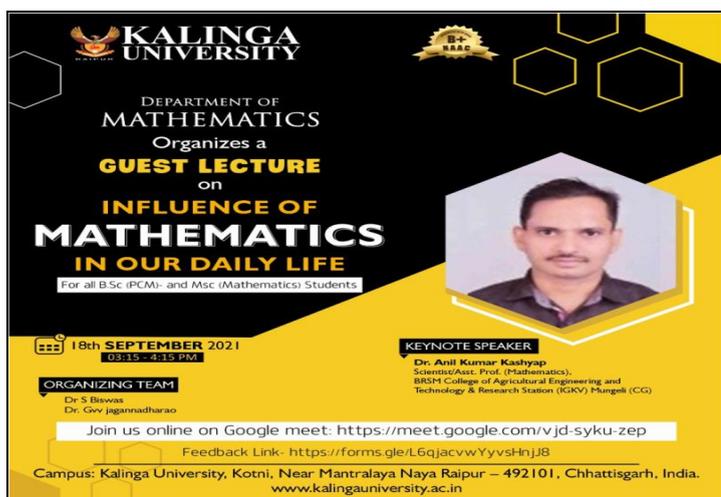

The Speaker explained the basic as well as advance applications of mathematics in our daily life. Students from the Post-graduation and under graduation benefitted with his vast knowledge of mathematics. He included the interesting examples from the real world in his lecture. Speaker faced with many questions asked by the participants, and students were satisfied after getting answers. He gave the several definitions about the mathematics lie as “Mathematics is the Science of calculations”. He explained the short survey on mathematics choice among the people.

In the said event, faculty members from the mathematics department Dr. S. Biswas, Dr. G. V.V.J. Rao, Mr. Satpal Panika, Ms. Priyanka Singh, Mr. Nigam Prasanna Sahoo were present. Department In-charge Dr. S. Biswas at end of the session has given the Vote of thanks.

CARDINAL COMPETENCIES OF TEACHERS

The "regular class teacher" should have all these competencies outlook and experience to handle slow learners in the classroom integrated or otherwise.

1. Children cannot become socially competent and mentally well if they do not have **feeling of success**. In school only curricular success is assessed rightly or wrongly.
2. All learning situations and procedures should be so **planned as to encourage independent work** habits and self-direction. Pupil's anticipation in learning is a must.
3. Some aspect of **social education** must be developed step by step procedure: demonstration and daily practice (leading, dressing, cleanlines).
4. If the way school and class are run as communities can make a contribution to the development of social responsibility, the **discipline system** should therefore be consistent and fair.
5. **development of independence**, so reliance and an ability to adapt the changes by the slow learners would be possible.

Online Induction Programme 'First- Step 2021 for B. Com. 1st Year Students on 21st September 2021

The Department of Commerce and Management of Kalinga University Raipur organized '**FIRST STEP-2021**', an amazing induction for the students of Bachelor of Commerce, session 2021-22 on Tuesday, 21st September, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for newly admitted students for the Bachelor of Commerce program began with a gracious welcome ceremony hosted on a virtual platform. The students were delighted by the warm welcome they got and instantly felt a sense of belonging. A presentation was then given to them about Kalinga University's academic, co-curricular, and extra-curricular activities, as well as its establishment in Chhattisgarh as one of the premier private universities in Central India.

Following a ceremonial welcome, the fresher's were then taken for a journey to Kalinga University through a video presentation that introduced them to life at Kalinga University, both within and beyond the classroom. The Vice-Chancellor of the University, Dr. R. Shridhar, Director General, Dr. Byju John, Deputy Registrar, Mr. Kumar Shwetabh, Dean Student Welfare, Dr. Asha Ambhaikar, Dean Academic Affairs, Mr. Rahul Mishra, Deans and Heads of various Departments, and all faculty members were present for the gracious ceremony.

Mr. Vishesh Dua, CA/CS was the special Guest for the occasion. The event began with Sarasvati Vandana by seeking blessings from the Goddess of Wisdom, followed by a warm greeting from the masters of ceremony, **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. On this note, **Ms. Vassavi**, a student in the University's B.Sc. programme, performed a welcoming dance.

Mr. Kumar Shwetabh, Deputy Registrar of the University, gave a welcome address on the occasion and informed the students about the university's regulatory status, honors, and goal to reach new heights. He also referred to the achievement of University Students and encourage them on education in his inspiring style. He concluded by inviting the students to be an intrinsic part of the University, evincing their talents on all University platforms. The Deputy Registrar's welcome address was followed by a motivational speech by Dr. Shridhar, Vice-Chancellor of the University.

Dr. Shridhar introduced the students to various options for furthering their education. He insisted on implementing university's platform for talent and wisdom development through hands- on training and a solid curriculum. He inspired them by emphasizing the importance of academic and professional skills for achieving the ultimate goal of success. The Vice-Chancellor's speech was followed by a virtual Fashion Show exhibited by the students of Kalinga University. This was followed by the words of blessings by Dr. Byju John, Director General of Kalinga University.

Dr. Byju John said that the establishment of higher education traditions highlights a nation's golden era. He emphasized that Kalinga University has developed and into a process of re-energizing higher

education in Chhattisgarh. He concluded his speech by encouraging the students to link passion with the purpose of their lives, building a community network and focusing on their holistic growth.

The Director General's address was followed by the enthusiastic and encouraging remarks of **Mr. Vishesh Dua**, Chief Guest for the occasion. He encouraged the students to realize their potential. This potential adds value to life experiences that everyone must rely on for the enhancement and advancement of oneself. He stressed on overcoming the fear of failure for optimal growth. He emphasized that Kalinga University is definitely the best platform for getting the young minds nurtured.

The events were then followed by a presentation from **Mr. Kapil Kelkar** and **Shreya Dwivedi**, who then introduced the newcomers to the Deans, as well as Heads of Departments. The occasion then moved to the enthusiastic dance performance of University students, Ritik and Group that was coordinated by Mr. Omprakash Dewangan.

The students were then addressed by **Dr. Monika Sethi**, Dean- Faculty of Commerce and Management. She highlighted Kalinga University' state- of-the art facilities for infrastructure development, its digital library with a variety of books, contemporary classrooms for flipped teaching methodology. Dr. Sethi stated that the development had always focused in creating an integrated atmosphere for better comprehension of the basic principles of trade and how students can enhance professional and technical knowledge by continuous counseling and guidance. Commerce is one of the important professional streams that cater to the economic and management-centric approach for developing new corporate personalities.

The University supplements this by providing a vast array of opportunities, and students can participate in a variety of activities that await their participation at the University. The speech was followed by a stunning dance performance by International students of the University.

Mr. Rahul Mishra, Dean Academic Affairs, assured each and every student for their deserved value and their quality to bring something new and exciting this diverse learning community. He concluded his speech by giving some advice on how to get the most out of their time at Kalinga University. **Ms. Anjali Swamy** then coordinated quizzes, reasoning's, and riddles for the students that was followed by a session with **Ms. Urshita Baranwal**, the University coordinator. The event was then followed by a traditional dance of Chhattisgarh that was performed by the students of Kalinga University students and was coordinated by Mr. Omprakash Dewangan. This was followed by an online Talent round for newly admitted students that was coordinated by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**.

Dean Student Welfare, **Dr. Asha Ambhaikar**, extended a vote of appreciation at the end of the induction Program, followed by a group photograph and student feedback. Mr. Kapil Kelkar and Ms. Shreya Dwivedi successfully conducted the program with the support of Mr. Omprakash Dewangan and Mr. Toshan Tarak. The students showed great enthusiasm for this program that was fueled with

curiosity and were looking forward eagerly for a fresh start at Kalinga University. They conveyed their appreciation and gratitude for the fruitful Induction Program. The wonderful event ended with the beats of music opening the golden doorway to the future of our newly admitted students. Total 74 students were present for this program.

Workshop on Recent Trends in Softwares for Engineering Graduates

Activity Report

Department of Civil Engineering

Activity Name: 1 Day Workshop on 'Recent trends in software for Engineering graduates'

Activity Date: 22th September, 2021

Event Type: Online Mode

Submission Type: Google Classroom

Organizers:

Dr. N.K. Dhapekar

Mr. Akshit Lamba

Coordinators:

Ms. Swati Agrawal

Mr. Piyush Das

Mr. Kushagra Pandey

Mrs. Kirti Sahu Tirpude

Mr. Manas Rathore

Purpose:

To elaborate regarding the latest softwares in Civil engineering and emerging construction technologies this workshop was conducted . There are real, practical applications and benefits to modernizing the current processes involved in the industries. Construction companies want to stay competitive and not be left behind. Companies are finding various ways to integrate these advances into their strategy and workflows through softwares. These cutting-edge technologies in construction are drastically changing and the industry operates the way future projects are going to be performed. Civil & Mechanical engineering softwares comprises a range of tools to help civil engineers throughout both the design and construction processes. These softwares can help in every stage of the project including drafting & documenting, designing, visualizing & analyzing.

Webinar on “Intellectual Property Rights (IPR)-Patent & Designs Process” Department of Civil on 23th September 2021

ABOUT THE WEBINAR -

- Activity was conducted for the students & faculties of all the courses and outside participants as well
- Topic for the activity was NATIONAL WEBINAR on “INTELLECTUAL PROPERTY RIGHTS (IPR)-PATENT & DESIGN PROCESS” by Dr. Pankaj Prabhakar Borkar, from Mumbai
- **AIM FOR CONDUCTING THE WEBINAR:**
- To create public awareness about the benefits of Intellectual property among all sections of society.
- To stimulate the creation and growth of intellectual property by undertaking relevant measures
- Capacity development by strengthening and expanding human resources, institutions for training, research and skill building in IP.

FACULTY CONDUCTED THE WEBINAR-

- Mr. Honey Gaur- Assistant Professor From Faculty of Civil Engineering

ABOUT THE WEBINAR –

- Kalinga University, Raipur in association with Rajiv Gandhi National Institute of Intellectual Property Management organized a National Webinar on the topic “INTELLECTUAL PROPERTY RIGHTS (IPR)-PATENT & DESIGN PROCESS” by Dr. Pankaj Prabhakar Borkar, from Mumbai on 23rd September 2021, from 1pm onwards via Cisco WebEx application with the link mentioned below.

<https://rgniipm.webex.com/rgniipm/j.php?MTID=md0fcdb5fc1ee19c097ad8687770ef1f7>

Having around 194 participants all over the India. Convener of the event was Mr. Honey Gaur, Assistant Professor from Faculty of Engineering.

DR. PANKAJ PRABHAKAR BORKAR is working for more than 19 years + in Central Government Office under Patent Office, Ministry of Commerce & Industry as Deputy Controller of Patents & Designs at IPO Mumbai

- He is In-charge of Mumbai Mechanical Group
- He is also additional responsibility at RGNIIPM Nagpur which is only Central Government National IPR Training Institute in India
- He is dealing & deciding the national & international Patent applications, opposition cases & conducting hearings

He is -

- -Ph.D. in IPR,
- -Post Graduate in Patents Law from NALSAR, Hyderabad
- -Bachelor of Engineering
- -MBA
- He was deputed twice for training at Tokyo, Japan on Examination & IPR
- He has published various national & International papers
- He has delivered many lectures on IPR in various parts of country

He did a presentation of IPR and clearly made everyone understood that what the need of IPR & its importance is. All the participants thoroughly enjoyed the session and during the last 15 minutes student's queries were answered well by the guest. And had the feedback session at last after which students also got their e-certificate for the webinar.

Online Induction Programme 'First- Step 2021 for LLB 1st Year Students on 23rd September 2021

Kalinga University organised Online Induction program 'FIRST-STEP-2021,' a spectacular induction for newly admitted students of LLB, session 2021-22 on Thursday, September 23, 2021. A gracious welcome ceremony was organised on a virtual platform at the onset of new academic session for newly admitted students of LLB program. The students were delighted by the warm welcome they received and immediately felt at home. Following that, they were given a presentation regarding Kalinga University's' academic, co-curricular, and extra-curricular activities, as well as its formation in Chhattisgarh as one of the foremost private universities in Central India.

After a ceremonial welcome, the newcomers were taken for a journey of Kalinga University through a short film that provided an insight into life at Kalinga University, both within and outside the classroom. Dr. R. Shridhar, Vice-Chancellor of the University, Dr. Byju John, Registrar, Dr. Sandeep Gandhi, Dean Student Welfare, Dr. Asha Ambhaikar, Dean Academic Affairs, Mr. Rahul Mishra, Deans and Heads of various Departments, and other faculty members attended the ceremony. The special Guest of Honour was Ms. Sugandha Jain, Advocate, Supreme Court of India and the Delhi High Court. The session began with the blessings of Sarasvati Vandana, the Goddess of Wisdom that was followed by a cordial greeting by the masters of the ceremony, Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On that note, Ms. Vassavi, a B.Sc. student at the university, performed a welcome dance.

Dr. Sandeep Gandhi, Registrar of the University, delivered a welcome message and briefed the students about the University's regulatory status, awards and the accolades that the university has received in its journey until now. In his inspirational approach, he frequently alluded to the accomplishments of university students and encouraged them on education-ethos. He advised the new group on when and how to utilize outstanding judgment and actions. He concluded by asking students to be an integral part of the University, demonstrating their skills across all University platforms.

Dr. R Shridhar, Vice-Chancellor of the University, delivered a motivating speech after the Registrar's welcoming address. Dr. Shridhar discussed different possibilities for pursuing their studies. He insisted on applying the university's framework for developing talent and knowledge via hands-on training and a robust curriculum. He motivated them by highlighting the significance of academic and professional abilities in attaining the ultimate objective of success. The address of the Vice-Chancellor was followed by a virtual Fashion Show put on by the students of Kalinga University. Following the performance, Dr. Byju John, Director General of Kalinga University, enlightened and blessed the new members of the Kalinga family.

Dr. Byju John asserted that the foundation of higher education traditions emphasizes a nation's golden age. Our country focused on knowledge, development, and transmission of camps, and created world-renowned universities and educational institutes. He emphasizes that Kalinga University has evolved and is in the process of re-energizing higher education in Chhattisgarh, in recognition of the society's strength residing in the entire development of its young people. He concluded his address by urging the students to connect their passions with the purpose of their life, establish a community network, and focus on their overall development.

Following the Director General's speech, **Ms. Sugandha Jain** made an enthusiastic and uplifting speech. She asked the youngsters to perform to the best of their ability. This potential brings benefit to experiences and knowledge on which everyone must count to improve and advance. She emphasized the need of overcoming the fear of failure and knowing the brain mechanisms for optimal growth; this information serves as a strong foundation for training and educating students.

The address of the chief guest was followed by a Pictionary game and a presentation by Mr. **Kapil Kelkar and Shreya Dwivedi** in which the students were introduced to the Deans and Heads of various Departments. Mr. Omprakash Dewangan then coordinated an enthusiastic dance performance of university students, Ritik and Group that was the next highlight of the event.

The students were then addressed by **Ms. Shobha Singh Thakur**, the in-charge and head of the Faculty of Law. She emphasized that Kalinga University's moot court and other infrastructure including its digital library with a wide range of books, modern classrooms for flipped teaching methods, and mixed approaches, facilitates the students to achieve their dreams. Ms. Shobha Singh discusses the significance of punctuality, fearlessness, and how the qualified and experienced faculty members can help them in creating an integrated environment for a better understanding of basic life principles, as well as how students can improve their professional and technical expertise through continual mentoring. Because it caters to the law and justice-centric viewpoint, law is one of the most essential professional tracks for building legal and fearless personalities. The University complements this by providing a varied range of possibilities, and students can participate in a variety of activities that are available to them within and outside the University learning.

Following the discourse, Afghan students of the University presented a fantastic dance performance. **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Hindole Ghosh**, Assistant Professor & Assistant Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan and Mr. Toshantarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning.

Webinar on “Production Planning and Control” For the students of Mechanical Engineering and Mining Engineering on 24th September 2021

Report on Webinar

Title- “Production Planning and Control”

Date: 24 Sep 2021 Time 03.00 pm to 4.10 pm

Preamble:

Webinar is organized by and Department of Mechanical Engineering for the improvement in technical knowledge about Production Planning and Control for Mechanical and Mining Engineering Students on 24 Sep 2021.

Participant's Profile:

All students of Mechanical Engineering Department as well as students from Mining Engineering Department and all faculties of Mechanical and Mining Engineering along with Head of Department attended the Guest Lecture

(Total attended 31 in which Students attended from BTME 7-6,BTME 5-2,BTME 3-4,DIME 5-3,DIME 3-3,DIMI 5-1 & DIMI 3-2).

Description about the Program:

Prof. N Satyanarayan, Principal, Lingayas University, Vijayawada explained the students about Production Planning and Control. Prof. N Satyanarayan explained the students about Objectives of Production Planning and Control (PPC), he also explained the different process and the characteristics of Production Planning and Control (PPC)

The poster features a black and orange geometric design. At the top left are logos for NAAC Grade B+, Kalinga University, and a laurel wreath. The text reads: 'Department of Mechanical Engineering Organizes Webinar on "PRODUCTION PLANNING AND CONTROL"'. The date and time are '24th September 2021 Time : 03:00 PM Onwards'. The convener is Dr. Vinay Chandra Jha, Dean Engineering and HOD, Mechanical Engineering Department. The convener is Swapnil Shukla, Assistant Professor, Mechanical Engineering Department. Contact details for Swapnil Shukla are provided: swapnil.shukla@kalingauniversity.ac.in and 9893977134. The speaker is Prof. N Satyanarayan, Principal, Lingayas University, Vijayawada. A Microsoft Team joining link is provided: https://surl.ms/z72. The website www.kalingauniversity.ac.in is at the bottom.

National Webinar on "Design Process and Conceptualization in Fashion" Department of Fashion Design on 24th September 2021,

ABOUT THE ACTIVITY -

- Departmental activity was conducted for FD 5thsem & 3rd students and outside participants as well
- Topic for the activity was NATIONAL WEBINAR on the topic "DESIGN PROCESS AND CONCEPTUALIZATION IN FASHION" By Mr. Amol Suresh Nagpure from Pune.

AIM FOR CONDUCTING THIS ACTIVITY:

- Students should be able to understand the industrial process of design formation and how the designers conceptualize their ideas into collection.
- They should be able to understand the process flow chart of designing and clear their queries related to design field.

FACULTY CONDUCTED THE ACTIVITY -

- Convener - Mr. Kapil Kelkar – Head, Incharge Fashion Design Dept.
- Co-convener Mrs. SmitaPremanand – Assistant Professor Fashion Design Dept.

Department of Fashion Design, Kalinga University, organized a National Webinar on the topic "DESIGN PROCESS AND CONCEPTUALIZATION IN FASHION" on 24th September 2021, from 11:00 am to 12:00 pm via Microsoft Team application with the link <https://bit.ly/39oFjrE>

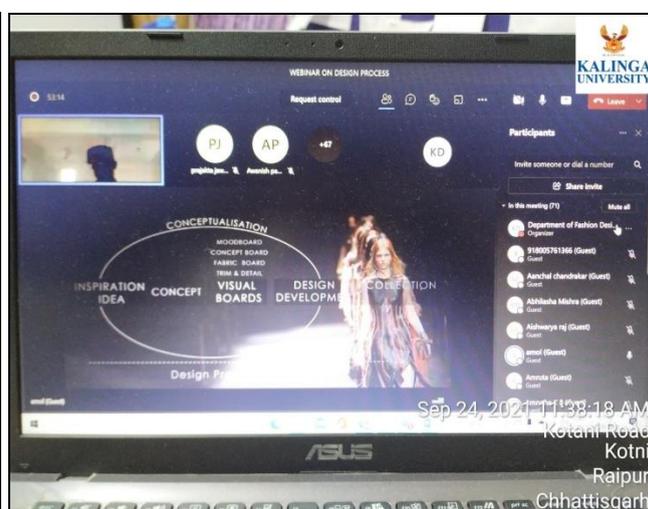

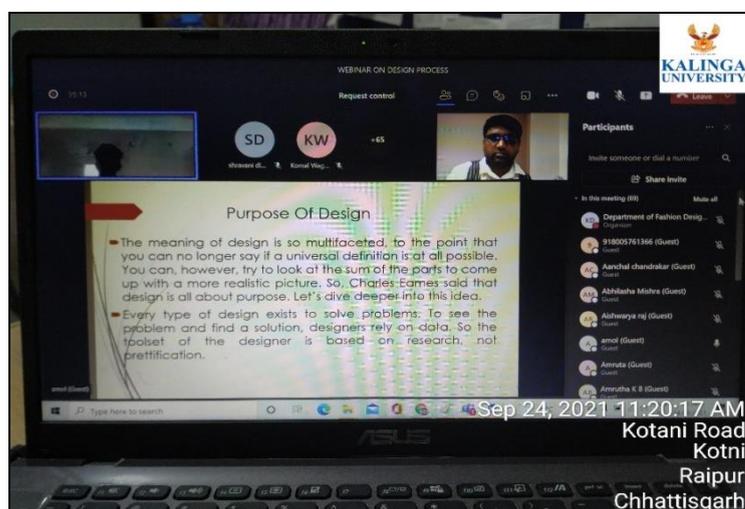

Having around 84 out of 111 participants all over the India. Convener of the event was Mr. Kapil Kelkar, Head In-charge Fashion design department & co-convener was Mrs. SmitaPremanand, Assistant Professor Fashion Design department

Mr. Amol Suresh Nagpure, who has done his B.DES from Nift Mumbai, M.DES from MGM, Aurangabad, having design experience of more than 5 years and worked with Raymond, Nirwana, Marcil Exports & Clai, Pune. He also worked as Costume designer in Marathi Film Industry & currently working as Design Faculty in one of the design institute in Pune.

He did a presentation of design process and clearly made everyone understood that design is a solution for any problem. All the participants thoroughly enjoyed the session and during the last 15 minutes student's queries were answered well by the guest. And had the feedback session at last after which students also got their e-certificate for the webinar.

Webinar on Research Paper Writing and Poster Presentation Department of Computer Science on 24th September 2021,

Department of Computer Science & Engineering

ACTIVITY - VI

Webinar on “Research Paper Writing and Poster Presentation”

Computer Science & Engineering Department organized an activity on **Webinar on “Research Paper Writing and Poster Presentation”** presented by **Dr. Sujit Kumar Panda HOD, Department of CSE, Gandhi Institute for Technology, Bhubaneswar Orissa**, conducted by Mrs Smruti Sarangi (Assistant Professor), Mr. Suwanvesh Rath (Assistant professor), Ms. Anjali Swamy (Assistant professor) in computer science department. This activity was very fruitful for our students. Students learned so many things and gained knowledge about Research Paper Writing.

Venue: Microsoft Team

Date: 24th Sep 2021.

No. of Participants: 46 Students

According to students this activity was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum. Students really enjoyed the session.

E-Poster Competition on Celebration of World Pharmacist Day on 25th September 2021

Theme “PHARMACY: ALWAYS TRUSTED FOR YOUR HEALTH”

Faculty of Pharmacy, Kalinga University, Raipur Celebrated the World Pharmacist Day on 25/09/2021 i.e. Wednesday through google meet link in which the eminent speaker was **Dr. Alakh Niranjn Sahu, Associate Professor, IIT, BHU**. The webinar started at 10:00 AM and was attended by students of B.Pharm 3rd, 5th, 7th semester and D. Pharma 1st and 2nd year. The Organising Secretary of the webinar was Dr. Sandip Prasad Tiwari, HOD, Associate Professor, Faculty of Pharmacy, Kalinga University. The program started with welcome address by Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy. **Dr. Alakh Niranjn Sahu in his lecture** told the role of the pharmacist towards the society and towards the country. At the end of webinar **Dr. Alakh Niranjn Sahu** interacted with the questions of participants. Students actively participated in this webinar with 70 participants. They had many queries which were explained to them.

After that e-poster presentation was done by the B. Pharmacy and D. Pharmacy students. Total 15 papers presented by the students. Ms. Khushboo Gupta, Mr. Sudeep Mandal, and Mr. Deependra Soni headed this event. From this e-poster top 3 e-poster were selected. 1st prize goes to Ms. S. R. Rashmi, B. Pharma 7th sem, 2nd goes to Mr. Divesh Pandey, B. Pharma 7th sem and 3rd goes to Manas Ranjan Pradhan, D. Pharma 2nd year. E-certificate will be provided to all the participants. After that Pharma club presentation was done by Ms. S. R. Rashmi, Mr. Divesh Pandey and Mr. Amarjeet Prajapati of B. Pharma 7th sem.

The webinar was ended up with the vote of thanks by Mr. Dr. Sandip Prasad Tiwari, HOD, Faculty of pharmacy Kalinga University and organizer of the webinar. He mentioned the special thanks to management committee of Kalinga University and Dr. Sandip Prasad Tiwari, HOD, Faculty of Pharmacy, Mr. Sudeep Mandal, Mr. Bhushan Hatwar, Ms. Sonam Chhipane, Mr. Pranjul Shrivastav, Mr. Deependra Soni, Dr. Bhumika Chandrakar, Ms. Khushboo Gupta, Mrs. Poonam Sahu, as organising committee.

Next Generation Skill Sets for Dynamic Workplace. of Commerce & Management on 25th September 2021

The faculty members of Industry Institute Interaction Cell, of Faculty of Commerce & Management, in collaboration with the training and placement department, Kalinga University, conducted online HR Conclave for its final year and first year undergraduate & post-graduate students on 25th September 2021. The advent of corona virus pandemic has drastically changed the learning and workplace scenario. The main objective of the event was to provide students a brief idea about the skill set required in today's dynamic workplace. There were four guest speakers in the event. The students also actively participated in the event by asking questions.

The Guest Speakers were:

1. Mr. Sudhir Kumar (Vedanta Group)
2. Dr. Dilip Mohanty (NECO Jaiswal)
3. Dr. Nishant Saxena (ANM Strategic & Management Consultants Pvt Ltd)
4. Dr. Parul Parmar (VNR Seeds)

The event was convened by:

1. Ms. Ruchi Gupta, Assistant Professor, FCMR
2. Mrs. Anushree Shrivastava, Assistant Professor, FCMR

In the webinar teaching faculty members of the Commerce & Management, Kalinga University were present with Dean Faculty of Commerce & Management Dr Monika Sethi Sharma, Training & Placement Officer, Kalinga University Mr. Subhash Muduli and students of Faculty of Commerce & Management.

Mrs Anushree Shrivastava welcomed the guest speakers, Dean FCM, Dr Monika Sethi Sharma, and the students of FCMR Kalinga University. A brief introduction of the speakers was given. The speakers shared their professional expertise and their views about the post Covid scenario in various industries. Ms. Ruchi Gupta concluded the event, by thanking the guests, faculties & the students for making the event a great success. The online feedback form is submitted and E-certificates have been provided to the students. The total strength of the students were 229.

National Conference on “The Relevance of physical and sporting activities for present and future scenarios” 27 September 2021

About the National E Conference:

Department of Physical Education, Kalinga University, Naya Raipur in Association with Physical Education foundation of India (PEFI) Recognized by Ministry and Youth affair and Sports has conducted a National Conference on “**The Relevance of physical and sporting activities for present and future scenarios**” on September 27th 2021 from 10.00 am - 1.00 pm through Google Meet (<https://meet.google.com/dds-rcwq-har>) and Facebook link <https://facebook.be/AYjRiaHpWNg>

As every auspicious occasion seeks the blessings of the lord, this academic event also started with the blessings of the Goddess of Wisdom by the Sarasvati Vandana. The National E Conference was marked by the eminent presence of Dr.Piyush Jain, National Secretary, PEFI,Vice-Chancellor- Dr. R. Shridhar, Faculty members and students of the department and participants across the country. The department extended a warm welcome to the dignitaries. Dr. Piyush Jain, National Secretary, PEFI boosted the enthusiasm among the students with his motivational speech. The welcome address was extended by the Vice-Chancellor of the University, Dr. R. Shridhar. He spoke about the importance of Exercise and Scientific Approach on health and fitness.

The National E Conference is divided into two sessions

Session 1

Time 10:00 am to 11:30 am

The resource person .is Dr. Sinku Kumar Singh, Professor and Head Department of Physical Education , Nanded University, Maharashtra has focused on the key areas of the topic and emphasized that exercising regularly lowers a person's risk of developing severe diseases, including obesity, type 2 diabetes, and high blood pressure. Exercise can also help keep the body at a healthy weight.

Session 2

Time: 11:30 to 1:00 pm

The resources person is Dr. Mani Azhagu, Associate Professor, Department of Physical Education and Health Sciences, Alagappa University , Karaikudi dressed the contemporary global benefits in the field of physical education. The deliberation of Dr. Mani Azhagu received an overwhelming response as it was very informative and educative. The students were highly benefitted by the insights that he provided regarding the subject matter of the webinar.

Topic: The Relevance of physical and sporting activities for present and future scenarios

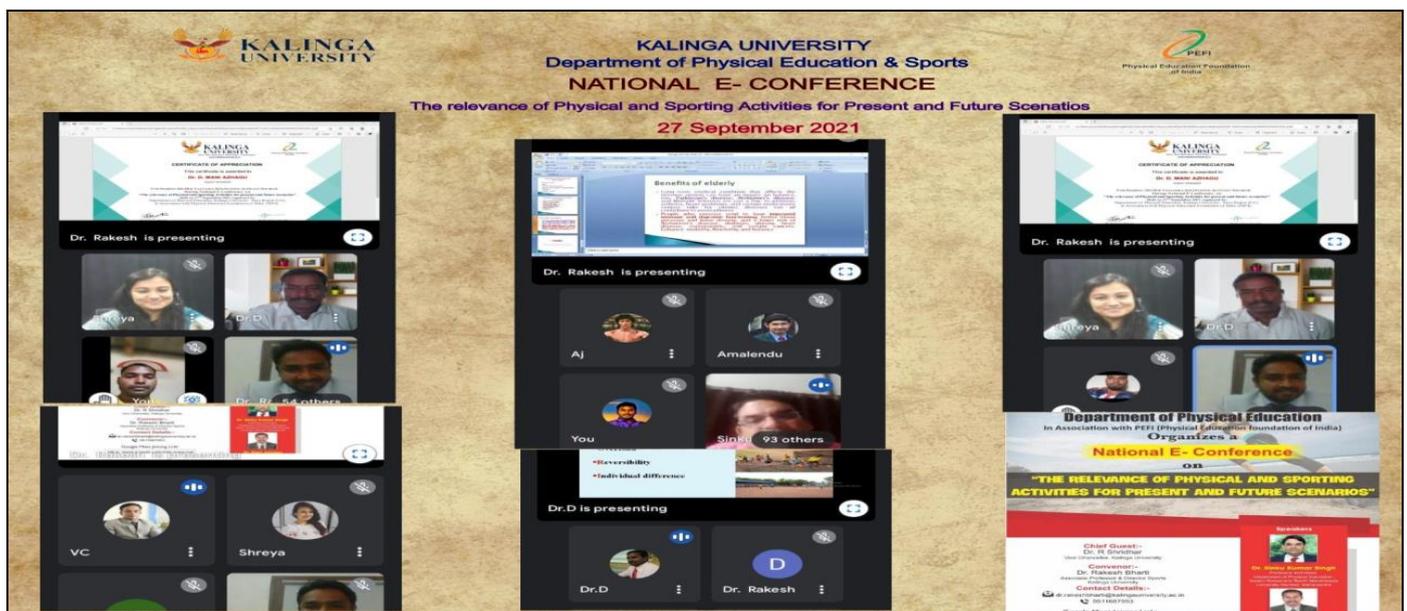

Date: September 27, 2021

Resource person:

1. Dr. Sinku Kumar Singh, Professor and Head Department of Physical Education , Nanded University, Maharashtra
2. Dr.Mani Azhagu ,Associate Professor , Department of Physical Education and Health Sciences ,Alagappa University , Tamil Nadu.

Time: 10:00 am to 1:00 pm

Total Registration: 193

Webinar on “Recent Trends in Solar Sector”, Department of Electrical Engineering, on 27th September 2021

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted a webinar on “**Recent Trends in Solar Sector**”,for the students of electricalengineering. The webinar was scheduled on 27.09.2021 at Microsoft Teamplatform. The resource person was Er. Chandra Shekhar Chandrakar, Entrepreneur, Lukrative Solar Solution, Raipur. (CG).The session was attended by more than 30 students along with all teaching staff.

A webinarwas scheduled to start at 10:00 am. Mr. ShaileshDeshmukh began the session with brief introduction of invited guest. Er. Chandra Shekhar Chandrakar have started the session with the introduction of the topic on recent trends in solar sector.He was very well explained about importance and need of renewable energy sources and contribution of solar energy for the power generation in India.He was discussed about the following points throughout the webinar with various examples.

- Recent trends in solar sector.
- Generation of electrical power from solar energy.
- Photovoltaic cell.
- Off grid solar system.
- On grid solar system.
- Hybrid solar system.
- Various application of solar energy.

CONCLUSION: - The session was very interactive and beneficial for the students as well as faculties of Engineering Department. The session was concluded with the vote of thanks by Mr. Shailesh Deshmukh, Assistant Professor, Department of Electrical Engineering Kalinga University Raipur.

Note- E-certificate is distributed to all active participants.

Online Induction Programme 'First- Step 2021 for MCA First Year Students on 28th September 2021

Kalinga University organized 'FIRST-STEP-2021,' a spectacular induction for students of MCA, session 2021-22 on Thursday, September 28, 2021. A gracious welcome ceremony was organised on a virtual platform at the onset of new academic session for newly admitted students of MCA program. The students were delighted by the warm welcome they received and immediately felt at home. Following that, they were given a presentation regarding Kalinga University's academic, co-curricular, and extra-curricular activities, as well as its formation in Chhattisgarh as one of the foremost private universities in Central India.

After a ceremonial welcome, the newcomers were taken for a journey of Kalinga University through a short film that provided an insight into life at Kalinga University, both within and outside the classroom. Dr. R. Shridhar, Vice-Chancellor of the University, Dr. Byju John, Registrar, Dr. Sandeep Gandhi, Dean Student Welfare, Dr. Asha Ambhaikar, Dean Academic Affairs, Mr. Rahul Mishra, Deans and Heads of various Departments, and other faculty members attended the ceremony. **The special Guest of Honour was Mr. Kunal Singh, Manager- Mindtree and Expert in Cyber Security.** The session began with seeking the blessings of Sarasvati Vandana, the Goddess of Wisdom that was

followed by a cordial greeting by the masters of the ceremony, Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On that note, Ms. Vassavi, a B.Sc. student at the university, performed a welcome dance.

Dr. Sandeep Gandhi, Registrar of the University, delivered a welcome message and briefed the students about the university's regulatory status, awards, and honours received during its journey to this point. He constantly alluded to the accomplishments of university students and encouraged them on education-ethos in his inspirational approach. He counselled the new team on when and how to apply exceptional judgement and actions. He ended his address by encouraging students to be active members of the University, displaying their abilities across all platforms.

Dr. R Shridhar, Vice-Chancellor of the University, delivered a motivating speech after the Registrar's welcoming address. Dr. Shridhar discussed a variety of options for furthering their education. He was obdurate about using the university's structure for developing talent and knowledge through hands-on training and a comprehensive curriculum. He inspired them by emphasising the importance of both academic and professional qualities in achieving the ultimate goal of success. The address of the Vice-Chancellor was followed by a virtual Fashion Show put on by the students of Kalinga University. Following the performance, Dr. Byju John, Director General of Kalinga University, enlightened and blessed the new members of the Kalinga family.

Following the Director General's speech, **Mr. Kunal Singh** made an enthusiastic and uplifting speech. He asked the students to give their best in all their performances. This potential benefits people's experiences and knowledge, which they must rely on in order to progress and advance. He stressed the importance of overcoming fear of failure and understanding brain mechanics in order to achieve optimal growth. He gave important tips on how to face challenges in career and in everyday life by quoting examples of Swami Vivekananda's experiences.

The address of the chief guest was followed by a Pictionary game and a presentation by Mr. **Kapil Kelkar and Shreya Dwivedi** in which the students were introduced to the Deans and Heads of various Departments. Mr. Omprakash Dewangan then coordinated an enthusiastic dance performance of university students, Ritik and Group that was the next highlight of the event.

The students were then addressed by **Mr. Suwanvesh Rath**, Incharge Head of the Faculty of Information Technology. He emphasized that Kalinga University's IT infrastructure including its digital library with a wide range of books, modern classrooms for flipped teaching methods, and mixed approaches, facilitates the students to achieve their dreams. **Mr. Rath** discusses the importance of punctuality and fearlessness, as well as how qualified and experienced faculty members can assist students in creating an integrated environment for a better understanding of basic life principles and how students can improve their professional and technical expertise through ongoing mentoring. IT is

one of the most important career tracks for developing professionals and Kalinga University supplements this by offering a diverse range of opportunities, and students can participate in a variety of activities both inside and outside of the University.

Following the discourse, International students of the University presented a fantastic dance performance. **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan and Mr. Toshan Tarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning. Total 37 students were present for this program.

On that note, Ms. Vassavi, a B.Sc. student at the university, performed a welcome dance.

Dr. Sandeep Gandhi, Registrar of the University, delivered a welcome message and briefed the students about the university's regulatory status, awards, and honours received during its journey to this point. He constantly alluded to the accomplishments of university students and encouraged them on education-ethos in his inspirational approach. He counselled the new team on when and how to apply exceptional judgement and actions. He ended by encouraging students to be active members of the University, displaying their abilities across all platforms.

Dr. R Shridhar, Vice-Chancellor of the University, delivered a motivating speech after the Registrar's welcoming address. Dr. Shridhar discussed a variety of options for furthering their education. He was obdurate about using the university's structure for developing talent and knowledge through hands-on training and a comprehensive curriculum. He inspired them by emphasising the importance of both academic and professional qualities in achieving the ultimate goal of success. The address of the Vice-Chancellor was followed by a virtual Fashion Show put on by the students of Kalinga University. Following the performance, Dr. Byju John, Director General of Kalinga University, enlightened and blessed the new members of the Kalinga family.

Dr. Byju John stated that the higher education traditions stress a country's golden age. Our country built world-renowned universities and educational institutes by focusing on knowledge, development, and transmission of camps. In acknowledgement of the society's strength existing in the overall development of its young people, he emphasises that Kalinga University has changed and is in the process of re-energizing higher education in Chhattisgarh. He urged the new comers to connect their passions to their life's purpose, form a community network, and focus on their overall growth towards the end of his speech.

Following the Director General's speech, **Mr. Kunal Singh** made an enthusiastic and uplifting speech. He encouraged the newly admitted students to put forth their utmost effort in all of their performances. People's experiences and knowledge, which they must rely on in order to continue and advance, profit from this potential. In order to attain optimal growth, he emphasised the significance of overcoming fear of failure and knowing brain mechanics. He presented practical advice on how to deal with obstacles in the workplace and in everyday life by using examples from Swami Vivekananda's life.

The address of the chief guest was followed by a Pictionary game and a presentation by Mr. **Kapil Kelkar and Shreya Dwivedi** in which the students were introduced to the Deans and Heads of various Departments. Mr. Omprakash Dewangan then coordinated an enthusiastic dance performance of university students, Ritik and Group that was the next highlight of the event.

The students were then addressed by **Mr. Rahul Chawda**, Head of the Faculty of Information Technology. He emphasized that Kalinga University's IT infrastructure including its digital library with a wide range of books, modern classrooms for flipped teaching methods, and mixed approaches, facilitates the students to achieve their dreams. Mr. Chawda discusses the importance of punctuality and fearlessness, as well as how qualified and experienced faculty members can assist students in creating an integrated environment for a better understanding of basic life principles and how students can improve their professional and technical expertise through ongoing mentoring. IT is one of the most important career tracks for developing professionals and Kalinga University supplements this by offering a diverse range of opportunities, and students can participate in a variety of activities both inside and outside of the University.

Following the discourse, Afghan students of the University presented a fantastic dance performance. **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by Mr. Kapil Kelkar and Ms. Shreya Dwivedi. Mr. Omprakash Dewangan and **Mr. Toshan Tarak** were a constant back support throughout the event. Department of Physics
Kalinga University, Naya Raipur (C.G.)
Phase -II
 (Power Point Presentation by Faculty)
Thin Film Techniques & Its Classification
 Presented by
Dr. Alok Verma
 Assistant Professor

Introduction

- ✓ A thin film is a layer of material ranging from fractions of a nanometer (monolayer) to several micrometers in thickness.
- ✓ The controlled synthesis of materials as thin films (a process referred to as deposition) is a fundamental step in many applications.
- ✓ A familiar example is the household mirror, which typically has a thin metal coating on the back of a sheet of glass to form a reflective interface.
- ✓ The process of silvering was once commonly used to produce mirrors, while more recently the metal layer is deposited using techniques such as sputtering.

For example, the following reactions are used to produce solid coatings of tungsten metal (W), titanium carbide (TiC) and titanium nitride (TiN) respectively:

$$WF_6 + 3H_2 = W \text{ (solid)} + 6HF \text{ (gas)}$$

$$TiCl_4 + CH_4 = TiC \text{ (solid)} + 4HCl \text{ (gas)}$$

$$TiCl_4 + \frac{1}{2}N_2 + 2H_2 = TiN \text{ (solid)} + 4HCl \text{ (gas)}$$

Alumina may be deposited by the reaction:

$$Al_2Cl_6 + 3CO_2 + 3H_2 = Al_2O_3 \text{ (solid)} + 3CO \text{ (gas)} + 6HCl \text{ (gas)}$$

Although, the reactions listed above involve only gaseous reagents, the substrate material in some cases also plays a significant role.

Heterogeneous reaction

The process of PVD where the desired deposited gas molecules enter the chamber after being condensed, and then are condensed once again onto a thin film, such as the anisotropic glass.

National webinar topic: "Recent Advancements in nanomedicine research"

Department of Pharmacy on 29th September 2021

A webinar on "Recent Advancements in Nanomedicine Research" was held on 29/9/2021 i.e. Wednesday in Collaboration with Indian Pharmacopoeia Commission-PvPI, Ghaziabad, U.P. MoHFW, Govt. of India and also in Association with Nirmala College of Pharmacy, Guntur Dist., Andhra Pradesh, Supported by the Journal of Pharmacovigilance and drug research" (JPADR) through microsoft team's link. The inaugural of webinar started at 10:00 AM in which the eminent chief guest was **Dr. Jai Prakash**, Secretary-cum-Scientific Director (In-Charge), Senior Principal Scientific Officer & Officer-in-Charge, National Coordination Centre, Pharmacovigilance Programme of India, Indian Pharmacopoeia Commission, Ghaziabad, **Special Guest Mr. Nihar Ranjan Panigrahi** (Assistant Vice President Operations, Stanford laboratories), **Guest of Honor Dr. R. Shridhar** (Honorable Vice Chancellor, Kalinga University) and **Keynote Speaker** – Dr. Rishi Paliwal (Assistant Professor, IGNTU, Amarkantak, **Post Doc (USA)**). The national webinar was attended by students of B.Pharma 3rd and D.Pharma for our institution as well as from other institution. The convener of the webinar was Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy, Kalinga University and organizing secretary were Mr. Sudeep Kumar Mandal, Ms. Rajni Yadav and Mr. Pranjul Shrivastava. The program started with saraswati vandana followed by welcome address by Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy. Chief guest addressed the gathering by saying the importance of nanomedicine in various critical disorders like cancers. Special guest and guest of honor in their speech also emphasized the utility of new advancements in the field of pharmaceutical sciences. The need of hour is to update the knowledge of students at worldwide level about medicines.

Dr. Rishi Paliwal is presently holding position of Assistant Professor, Department of Pharmacy, IGNTU, Amarkantak, MP. He has completed his bachelor, master and doctorate degree in pharmacy from the Department of Pharmaceutical Sciences, **Dr. H. S. Gour Vishwavidyalaya, Sagar, MP, India** which is one of prestigious and oldest pharmacy institute in India. He qualified NET for Life Science conducted by CSIR-UGC in the year 2016. Dr. Paliwal completed his Post Doctorate from **Rangel College of Pharmacy, Texas A&M University, USA**. Dr. Paliwal has contributed substantially to research on novel drug delivery, drug targeting and nano-biotechnology involving colloidal drug carriers customized for targeted drug delivery. Dr. Paliwal is a recipient of **Young scientist award** given by Madhya Pradesh Council of Science and Technology, Bhopal for his research efforts in the area of nanomedicine and nanobiotechnology. He has 14 years of teaching and research experience in the field of pharmaceutical sciences. Dr. Paliwal is also a recipient of **Rudolf Cimdins Award** (European Society of Biomaterials), **Career Award for Young Teachers** (AICTE, New Delhi) and **Outstanding Pharmacy Teacher (Pharmaceutics)** by APTI-MP branch.

His research areas of interest includes applications of nanotechnological principles in drug delivery, drug targeting, lymphatic delivery of therapeutic molecules through oral route, non-invasive delivery

of macromolecules such as protein and peptide including vaccine delivery and intracellular drug delivery. He has published **40 research papers** in high impact internationally reputed journals (**h index 26, i-10 index 32**). He has contributed 18 **book chapters** in the leading international books of material sciences, nanoscience and pharmaceutical sciences. Dr. Paliwal has recently written a book on ***Advances in Nanochemoprevention: Controlled Delivery of Phytochemical Bioactives* (Springer Nature, Singapore, 2020)**. He is also editor of two upcoming reference books by Elsevier, USA and Taylor and Francis, UK in the areas of targeted nanomedicine for breast cancer and Advances in Nanomedicine, He has participated and presented his research work in several international conferences in India and abroad i.e. Switzerland, Singapore, France, USA. Dr. Paliwal serves as reviewer of many international journals including International Journal of Nanomedicine, Expert Opinion on Drug Delivery, Drug Delivery, Biotechnology Advances, and International Journal of Biological Macromolecules etc. He served as Guest Editor of special issue of Journals "*Current Drug Therapy*" and "*Mini-Reviews in Medicinal Chemistry*". He is *editorial board member* of the International Journal "*Current Drug Therapy*", Bentham Science Publishers since 2016. At present, three (03) research projects are ongoing which are sanctioned by DBT, New Delhi and UGC, New Delhi of worth 75.0 lakhs. Dr. Paliwal has organized various seminar and conferences sponsored by DBT and AICTE. Dr. Paliwal has delivered several invited talks in various national and international conferences/seminars.

Dr. Rishi Paliwal explained wide range of engineered nanomaterials and nanoplatfroms with different shapes, sizes, and composition has been developed for various biomedical applications. Nanomaterials have been increasingly used in various applications in bioimaging, diagnosis, and therapy of cancers. Recently, numerous multifunctional and smart nanoparticles with the ability of simultaneous diagnosis and targeted cancer therapy have been reported. The multidisciplinary attempts led to the development of several exciting clinically approved nanotherapeutics. The nanobased materials and devices have also been used extensively to develop point-of-care and highly sensitive methods of cancer detection.

The field of drug delivery is a powerful concept in nanomedicine that is advancing rapidly. New advanced multifunctional 'nanocarriers' with minutely controlled chemistry, size, surface charge and other properties can slip selectively into cancerous tissues or protect the drugs they carry from being destroyed before they reach their destination, are certainly on the horizon and bode well for a renaissance of interest in future nanomedicine. The most promising application of nanotherapeutics is gene silencing, in which small bits of RNA are deployed to shut down some key disease causing genes through a process known as RNAi. siRNA therapy has the potential to offer new biologically based medicines. Students actively participated in this webinar with more than 70 participants. They had many queries which were explained to them. The webinar was ended up with the vote of thanks by Ms. Rajni Yadav, Faculty of pharmacy Kalinga University and organizer of the webinar. She mentioned the special thanks to management committee of Kalinga University, chief guest, special guest and guest of honor for their support and presence, Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy, Mr.

Sudeep Mandal, Mr. Bhushan Hatwar, Ms. Sonam Chhipane, Mr. Pranjul Shrivastav, Mr. Deependra Soni, Dr. Bhumika Chandrakar, Ms. Khushboo Gupta, Mrs. Poonam Sahu, as organising committee.

Webinar on "Importance of Voice Modulation in Media" Department of journalism and mass communication on 29th September 2021

Department of Journalism and Mass Communication has organized a webinar on 29 Sept 2021, on the topic “**Importance of Voice Modulation in Media**” in which the guest speaker was Ms. Disha Solanki, Voice Over Artist (Former Radio Jockey 94.3 MY FM Bilaspur)

Mrs. Shreya Dwivedi (Assistant Professor – Journalism and Mass Communication Department) has introduced Ms. Disha Solanki to the students. All the students including faculty members were present in the webinar. It was a very productive and informative session in which students have learned about the “Importance of Voice Modulation in Media”, Like What modulation really means, how it really works, What are the best practice to be followed for a good voice modulation, what is the importance of voice modulation, and how to understand the different expressions & Emotions in voice_ or voice over. Ms. Disha Solanki explained all the above mentioned points, whereas she has also shared some exemplary voice overs to make the concept of voice modulation very clear and better for students’ understanding.

She shared that how to create a theatre of mind through a perfect pitch and voice modulation, Best practices to be followed for a perfect voice modulation. Importance of voice modulation in Radio, podcast, vlog and news channels a process to execute the news or the delivery of a news or content, She has also shared some basic insights about voice over for advertisements and about the career in radio and news channel.

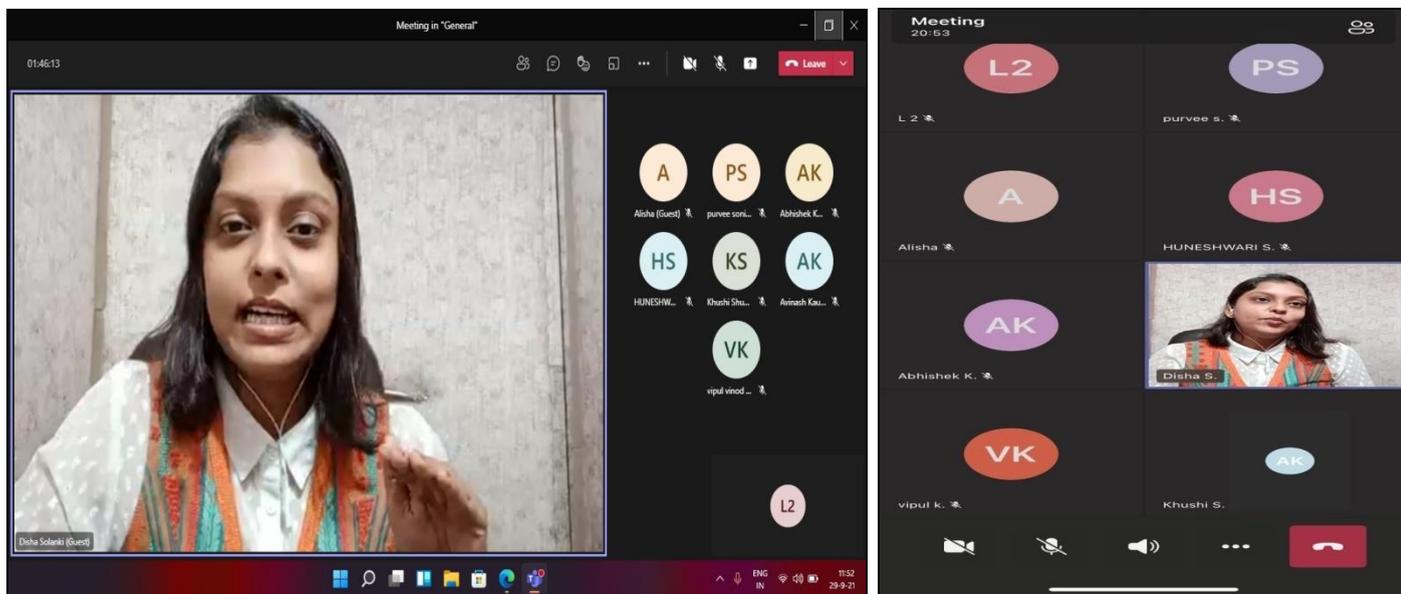

Lastly the vote of thanks was given by Ms. Avinash Kaur (Assistant Professor – Journalism and Mass Communication Department).

A Lecture on “An importance of research paper writing” Department of Mathematics, on 30th September 2021

Date- 30/09/2021

Time- 1:00 to 2:00 pm (1hr.)

Mode of Activity- Online

Microsoft Teams joining info

Video link: <https://bit.ly/3EPI5ET>

Thursday, September 30, 1:00 – 2:00pm (1 Hr.)

Feedback Link- <https://forms.gle/L6qjacvwYyvsHnjJ8>

Departmental activity- “**An importance of research paper writing**” was held on 30th September 2021 through the “Microsoft team platform”, from 1:00 PM to 2:00 PM by Dr. G.V.V. J. Rao, Assistant Professor, Department of Mathematics.

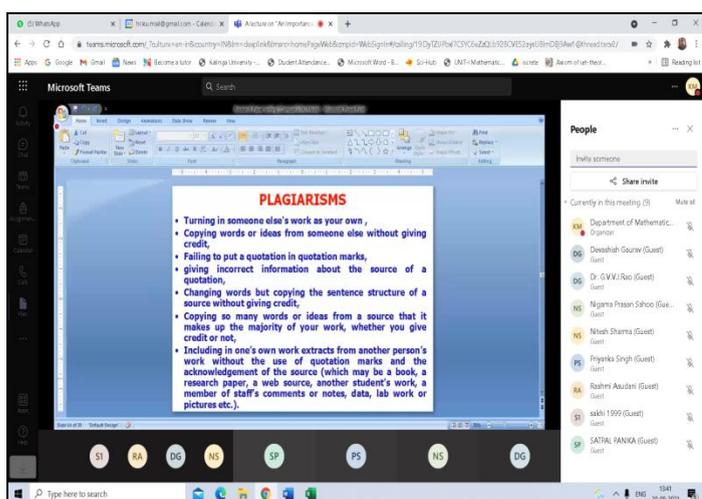

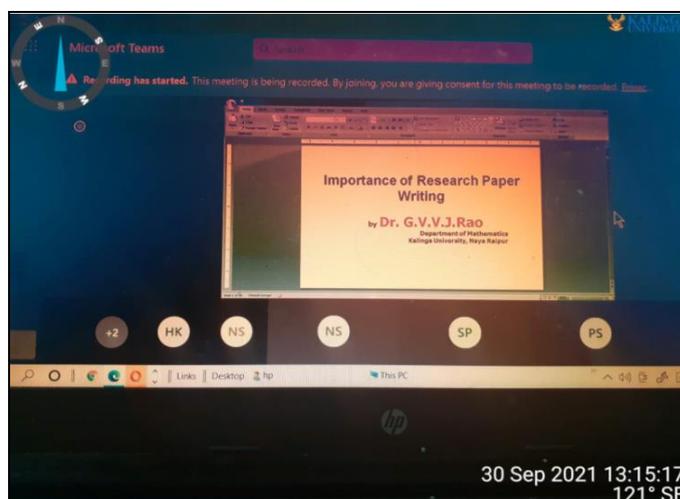

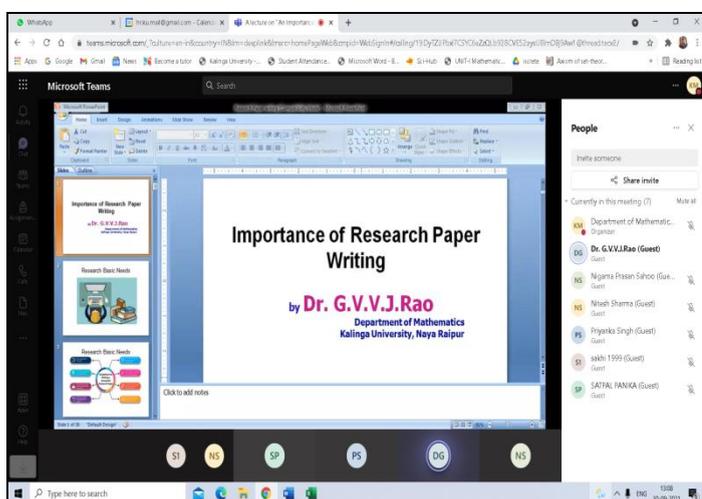

Research paper is of great importance to bring research to the society. But its writing is not that easy, and even if it is written, it must be unique, a lecture on “**An importance of research paper writing**” was organized by the Department of Mathematics today to understand the answers to such questions. The aforesaid activity was held on 30th September 2021 through the “**Microsoft teams platform**”, from 1:00 PM to 2:00 PM. The keynote speaker of the lecture was “**Dr. G. V. V. J. Rao**”, Assistant Professor, Department of Mathematics and as the main audience, the students of the final year of M.Sc.[Mathematics] participated in a big way.

The Speaker explained the fundamentals of the research paper writing. Students from the Post-graduation benefitted with his vast knowledge of Research paper writing. Speaker faced with many questions, asked by the participants and students got the satisfactory answers from him.

Talk on “Learning different tissue culture techniques” Department of Botany on 30thSeptember,

The Department of Botany of Kalinga University had organized a **Talk on “Learning different tissue culture techniques” on 30thSeptember, 2021 at 11 AM to 12 Noon.** The main aim and Objective of the talk was intended to teach basic tissue culture techniques and applications of tissue culture. The Speaker was Dr. Deepa Biswas, Head Department of Botany, Kalinga University, Naya Raipur.

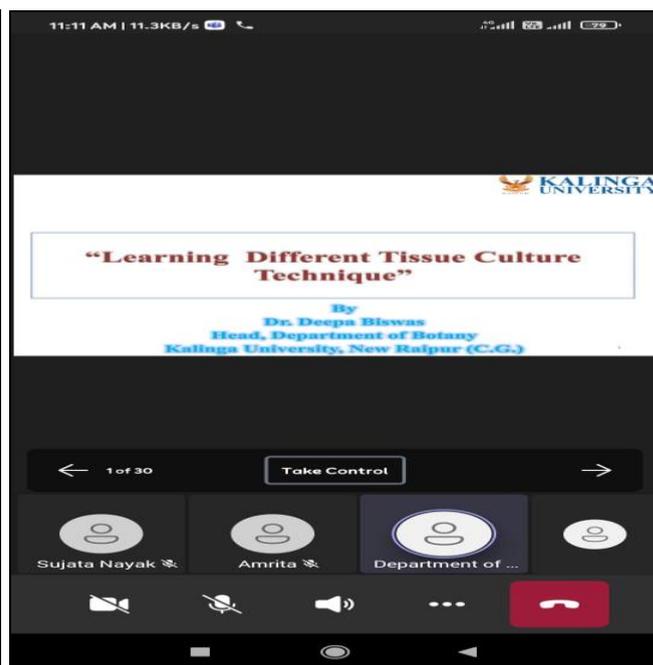

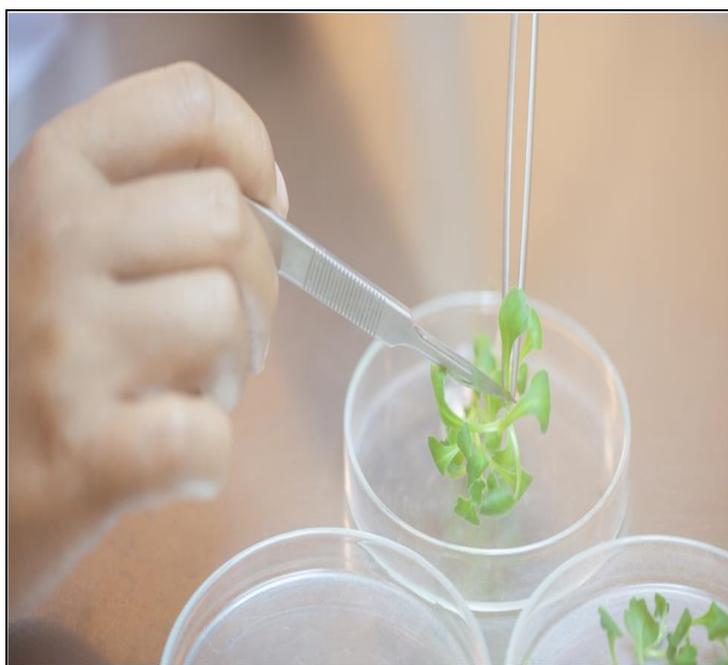

The students' group had been informed about the event previously. The event started with a welcome address. The presentation will begin with an overview of plant tissue culture procedures and a discussion of recent advancements in Plant Tissue Culture research, which is being used to conserve rare and endangered medicinal plants.

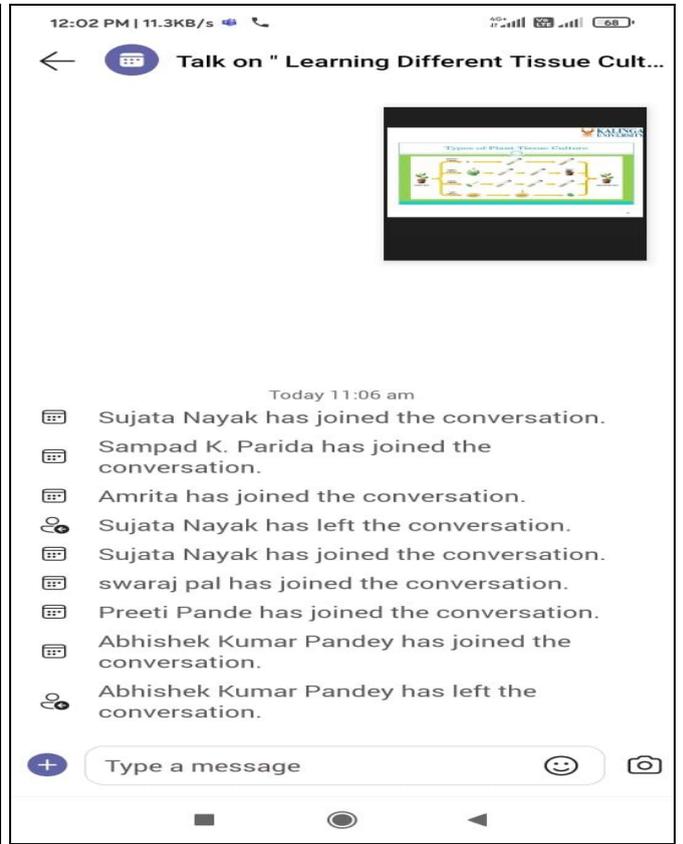

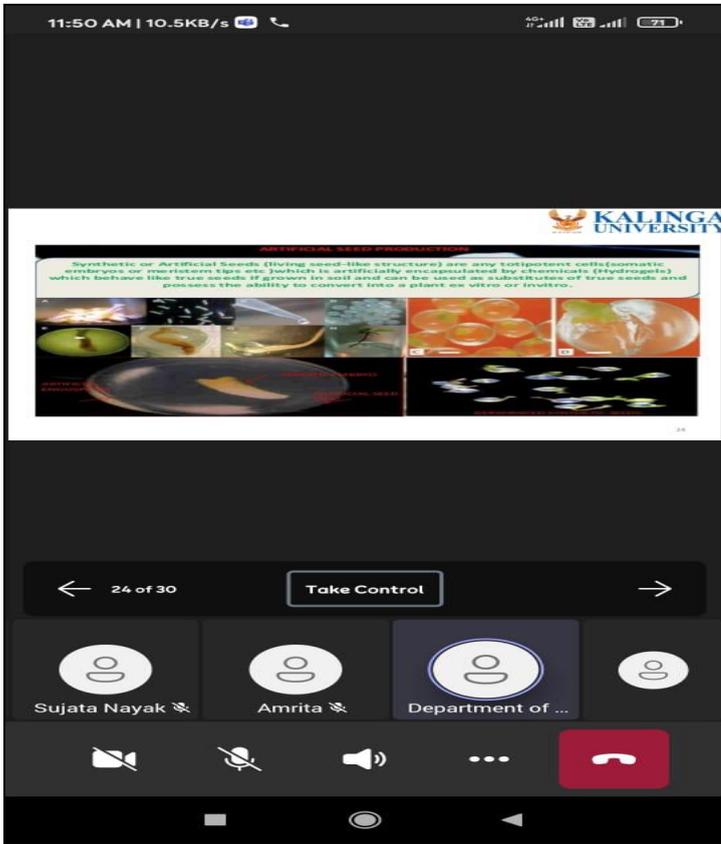

The session was interactive and student inputs were appreciated. The talk was received with great admiration by the students and they also found the slides very informative. The students gained intense knowledge on how to prepare different types of plant tissue culture and its application, the students got technically and critically trained with practical exposure to perform the Plant tissue culture, which is a leading technology among the frontier areas of science. The students also learnt the handling of instruments like Laminar airflow, Autoclave, measuring pH etc.

Total 8 students were participated in this activity class.

October 2021

**Guest lecture on “Isolation Techniques of crude drugs” Department of Pharmacy
on 1st October 2021**

Departmental activity report

GUEST LECTURE TOPIC: “ISOLATION TECHNIQUES OF CRUDE DRUG”

A guest lecture on “**Isolation techniques of crude drug**” was held on 01/09/2021 i.e. Friday through Microsoft team link in which the eminent speaker was **Dr. hemat kumar dhongade, Proferssor, Laddhad college of Pharmacy**. The webinar started at 3:00 PM and was attended by students of **b.pharm 3 sem, 5 sem, 7 sem and d.pharm 1 yr and 2 yr**. The coordinator of the webinar was Ms. Poonam Sahu, Assistant Professor, Faculty of Pharmacy, Kalinga University. The program started with welcome address by Ms. Khushboo GUpta. Sir is having very immense personality having more than 16 years of teaching experience in pharmacy field and currently working as a Professor at LADDHAD college of pharmacy Maharsatra. Sir has completed his M.pharmacy in subject pharmacognosy from DR. MGR MEDICAL UNIVERSITY TAMILNADU AND PHD from Amravati UNiversity maharashtra. **Sir is having very good experimental skills in Basic pharmacognostical experiments, extraction, isolation of drug, purification, powder microscopy, TLC, column chromatography, Interpretation of HPTLC, GC, GCMS, IR with more than 45 review and research articles published in various national and international journals.**

Sir is regular member of The Association of Pharmaceutical Teachers of India and Life member of Maharashtra State Pharmacy Council. Sir is invited as a chair person at various scientific sessions and as a resource person in AICTE sponsored Staff Development Programme at NRI Institute of Pharmaceutical Sciences, Bhopal

In the guest lecture sir explained about various merthod of extraction of crude drug and how we can isolate te active constituents from them. He explain various procedures like sampling. Identification and detection if active constituents

At the end of webinar **Dr. hemant kumar sir** interacted with the questions of participants. Students actively participated in this webinar with 45 participants. They had many queries which were explained to them. The webinar was ended up with the vote of thanks by Ms. Rajni Yadav, Faculty of pharmacy Kalinga University and organizer of the webinar. She mentioned the special thanks to management committee of Kalinga University and Dr. Sandip Prasad Tiwari, HOD, Faculty of Pharmacy, Mr. Sudeep Mandal, Mr. Bhushan Hatwar, Ms. Sonam Chhipane, Mr. Pranjul Shrivastav, Mr. Deependra Soni, Dr. Bhumika Chandrakar, Ms. Khushboo Gupta, Mrs. Poonam Sahu, as organising committee.

Choice of extraction methods

The choice of an extraction method depends on factors like sample size, quantity of extract required, extraction time, choice of solvent and lastly the overall cost of selected extraction method.

A few points to be considered while selecting an appropriate extraction method are as follows:

- ✓ After collecting the plant material for research, authenticate its species from competent botanist to avoid the use of improper or toxic species.
- ✓ Dry the raw material using an appropriate method of drying to avoid bad effects.
- ✓ Always use coarse powder of plant material for extraction instead of fine powder because the latter causes coagulation. Coarse powder gives sufficient space for solvent surrounding it and thus helps proper penetration.

Poster Making Competition Department on Social Work on 1st October 2021

DEPARTMENT OF SOCIAL WORK REPORT

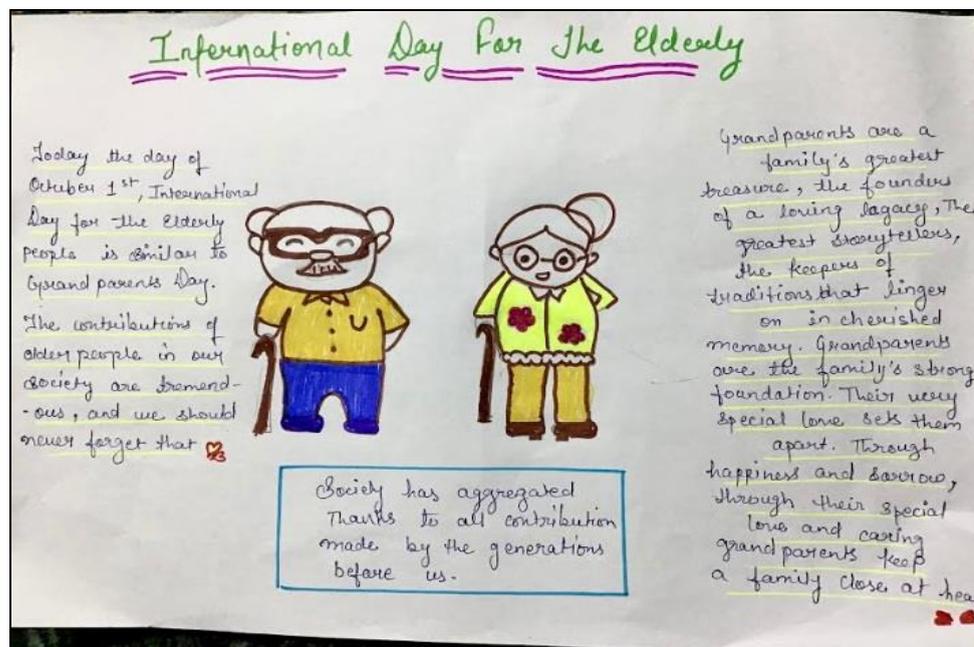

Event	Poster Making Competition
Date of the event	October 1, 2021
Time of the event	4.00 PM to 5.00 PM
Event	International Day of older Persons
Mode	On-line
Open for students of	BSW (SEM- I,III,&V) MSW (SEM- I,&III,)
Nature of Activity	Departmental (Inhouse)
Total No of Participants	09
Honourable Judge	Ms Marieta Jagdalla Asst Professor Department of English Faculty of Arts and Humanities, Kalinga University Naya Raipur (Chhattisgarh)
Conveners	1. Mr A.K.Kaul, HOD (Social Work) 2. Mrs Swarupa Pandit, Asst Professor (Social Work) 3. Mr Sablum Pani, , Asst Professor (Social Work)

Winners of the Essay Competition

Winner	Name of the student	Course	Semester
First	Kusum Singh	MSW	III
Second	Abhilasha Jagat	BSW	V
	Pinglesh Nayak	BSW	V
Third	Yamini Gautam	BSW	V

The Poster Making Competition on the **International Day of the Older Persons** was organized by Department of Social Work. The event was highly encouraging and successful. The students showed tremendous confidence and evinced keen interest in sharing their thoughts and showcasing their creativity on the occasion.

Dr Shilpi Bhattacharya , Dean, Faculty of Arts and Humanities, lauded the efforts of the students and congratulated the winners. She exhorted upon them to serve the humanity and contribute towards creating a better world to live in .

Activity on Fit India run by NCC on 2nd October 2021

Activity report

Activity	Fit India run
Topic	Fitness
Venue	Kalinga university, campus
No. of Participants	08
Kalinga cadets	08 participated out of 32
Conducted by	Fly. Offr. Shobha Singh Thakur
Date	02 nd October, 2021

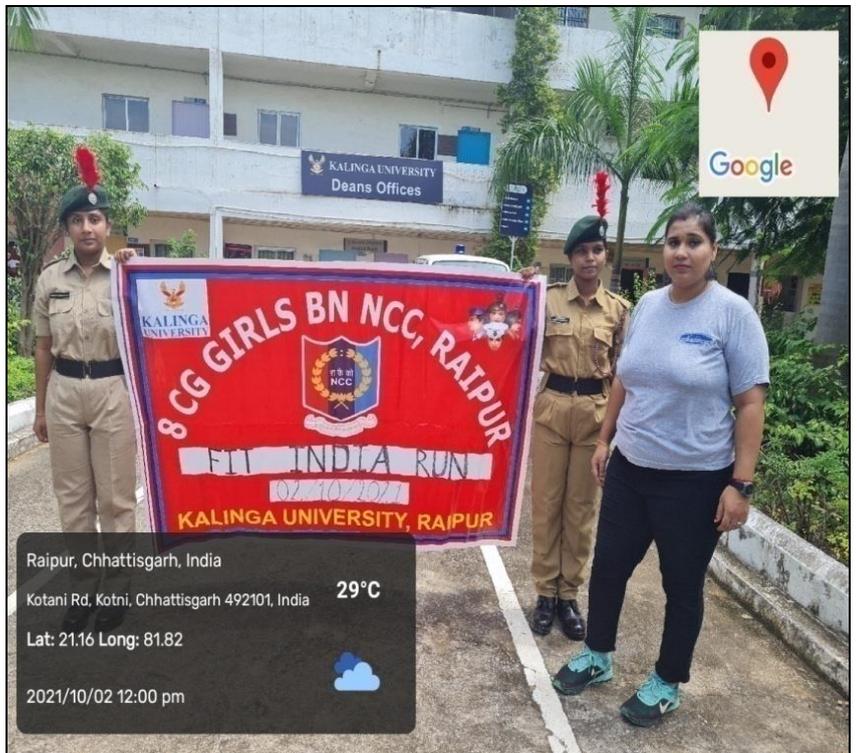

Summary of the event

FIT INDIA Movement was launched on 29th August, 2019 by Honourable Prime Minister with a view to make fitness an integral part of our daily lives. The mission of the Movement is to bring about behavioural changes and move towards a more physically active lifestyle. Towards achieving this mission, Fit India proposes to undertake various initiatives and conduct events to achieve the following objectives:

- To promote fitness as easy, fun and free.

- To spread awareness on fitness and various physical activities that promote fitness through focused campaigns.
- To encourage indigenous sports.
- To make fitness reach every school, college/university, panchayat/village, etc.
- To create a platform for citizens of India to share information, drive awareness and encourage sharing of personal fitness stories.

On 2nd of October 8 CG GIRLS BN, Kalinga University organized where our cadets participated and conducted the run under the supervision of ANO, Fly. Offr. Shobha Singh Thakur.

DAZZLING DIVA Fashion Show dated 3rd October 2021 by Fashion Design Department at Magneto Mall

ABOUT THE ACTIVITY -

- An event of Fashion Show was organized by University to Promote the Fashion Design Department.
- It was a perfect mix of fashion show + cultural performances + promotional activity of department of fashion design, Kalinga University.

AIM FOR CONDUCTING THIS ACTIVITY:

- To provide the platform for FD students to showcase their creativity and imagination.
- Aim for promoting the fashion design department for its growth and development.

FACULTY CONDUCTED THE ACTIVITY -

- Fashion show in-charge -Mr. Kapil Kelkar – Head, In-charge Fashion Design Dept.
- Fashion show coordinator- Mrs. SmitaPremanand – Assistant Professor Fashion Design Dept.

KALINGA UNIVERSITY
Presents

डिजलिंग डेवास फैशन शो का आयोजन 3 अक्टूबर

रायपुर (हमारी सरकार)।
नारी शक्ति को सलाम हेतु
डिजलिंग डेवास फैशन शो का
आयोजन 3 अक्टूबर को शाम
4 बजे से मैग्नेटो मॉल में
कलिंगा युनिवर्सिटी के द्वारा
आयोजन किया जा रहा है।

ये होंगे फैशन शो के
राउंड
एपेरो इण्डियन
वेस्टर्न
खादी
नौरंग

कलिंगा युनिवर्सिटी के संदीप गांधी
ने बताया कि इस आयोजन में विभिन्न
प्रकार के फैशन डिजाइनिंग के मध्य
प्रतियोगिताएं रखी गई हैं। इस में चार
राउण्ड होंगे जैसे अफ्रिकन, कोरियन,
अफगाणिस्थानी, एवं अन्य माडल्स के
द्वारा फैशन शो किया जाएगा। एवं
उनके द्वारा रैम्बाक किया जाएगा।
सभी माडल्स को सेंटिफिकेट से

सम्मानित किया जाएगा। एवं विनर्स
को शीरो के द्वारा सम्मानित किया
जाएगा। उपरोक्त कार्यक्रम में
सैलिब्रिटी गेस्ट के रूप में मि.
इंडिया नेशन 2021 श्रीमति श्वेता
जयसवाल एवं एस एन मोटर्स के
संचालक श्री निरतिन कुशनाबी, योगेन्द्र
नारंग, रितेश वेजवानी, विक्की लोहाना,

रोहित गजवानी गौल्फ ग्रीन के विक्की
लोहाना एवं रंजन नथानी आदी अतिथि
के रूप में आमंत्रित किये गये हैं इस
कार्यक्रम के आयोजक अनिल
जीतसिंहानी, ने बताया कि इस कार्यक्रम
में सैलिब्रिटी सिंगर सिद्धी, एवं
किशोर द्वारा ट्रैक सिंगिंग द्वारा मधुर
गानों से लोगों का मन मोह लेंगे।

ABOUT THE FASHION SHOW-

Department of Fashion Design, Kalinga University, organized a fashion show named as "DAZZLINGA DIVAS" on 3rd October 2021 @ Magneto Mall, Raipur. The event was managed by Anil Jotsinghani and overall fashion event incharge was Mr. Kapil Kelkar HoD FD Dept. and event coordinator was Mrs. SmitaPremanand FD faculty Kalinga University.

We had 4 rounds of fashion show in this - wherein

ROUND 1 - WESTERN OUTFITS

ROUND 2 - AFRO INDO (AFRICAN MODELS in cross culture of Africa and India represented)

ROUND 3 - BOYS KHADI KURTA ROUND

ROUND 4 - NAURANG (DRAPING OF DAY WISE 9 COLORS OF NAVRATRI 2021)

We had around 54 Kalinga students who walked in as models and 18 FD students who worked as designers.

Many cultural performances were also done where in -

Welcome dance- SHUBHANGI SAHU BSCFD

Solo singing - 2 songs by GOPIKA SAHU

Group Dance 2 - RITIK & GROUP

Solo dance - AMANDEEP KAUR

Solo singing - SAMUEL S. YORWAH

Solo Rap - ABDUL SHAW

Solo Dance - MARTIN

Celebrity guest was invited as MRS. SHWETA JAISWAL (MRS INDIA QUEEN 2021)

We also felicitated our FD achievers who are doing good at the fashion front at the event

1 – PALLAVI BARETH (2018-20) - assistant costume designer at THE KAPIL SHARMA SHOW.

2. BHAVIKA SAHU (2018-20) – working as costume designer in many serials, movies and webseries.

3. MADHUBALA VAISHNAV – working as stylist for actress MONA SINGH in her crime based series MAUKA E VAARDAAT

4. REENA RAJWADE - winner of BEST KHADI GARMENT OF THE YEAR 2019 at MISS INDIA KHADI 2019 held at New Delhi.

5. KULDEEP DHIWAR & ANCHAL CHANDRAKAR – working as head designers in upcoming CG movie – NAWA BIHAAN.

It was a mesmerizing event where the Magneto mall was full packed with huge gathering, and the event was much appreciated.

s.no	Semester	No. of students registered	No. of students attended	remarks
1	FD STUDENTS - DESIGNERS	18	18	All attended
2	KALINGA STUDNETS AS MODELS	54	54	All attended
3	Cultural performances	10	10	All done

Some pictures of the fashion show -

PRESS COVERAGE OF THE EVENT –

'डिजलिंग डिवास' फैशन शो कार्यक्रम का आयोजन संपन्न

कलिंगा यूनिवर्सिटी की प्रस्तुती, अनिल जोतसिंधानी इवेन्ट का मैनेजमेंट

रायपुर (हमारी सरकार)। कलिंगा यूनिवर्सिटी की प्रस्तुति नारी शक्ति को सलाम हेतु डिजलिंग डिवास फैशन शो कार्यक्रम की आयोजन आज शाम 4 बजे से मैनेटो द मॉल में आयोजित किया गया। कलिंगा यूनिवर्सिटी के संदीप गांधी ने बताया कि इस आयोजन में विभिन्न प्रकार के फैशन डिजाइनर्स के मध्य प्रतियोगिताएं रखी गई है। इसमें चार राउंड जैसे अफिकन, कोरियन, अफगानिस्थानी, एवं अन्य

मॉडलस के द्वारा फैशन शो किया गया। सभी मॉडलस को सर्टिफिकेट से सम्मानित किया जाएगा। एवं विनर्स को शो के द्वारा सम्मानित किया जाएगा। उपरोक्त कार्यक्रम में सैलिब्रीलिटी गेस्ट के रूप में मिस इंडिया नेशनल 2021 श्रीमति स्नेहा जयसवाल एवं एस. एन. मोटर्स के संचालक श्री नितिन कृष्णानी, योगेन्द्र नारंग, रितेश तेजवानी, गोल्फ ग्रीन के विष्ठी लोहानी, रोहित गजवानी, एवं रंजन नथानी आदि अतिथि के रूप

में आमंत्रित किये गये। इस कार्यक्रम के आयोजक अनिल जोतसिंधानी ने बताया कि इस कार्यक्रम में सैलिब्रीलिटी सिंगर किशोर ट्रेक सिंगिंग द्वारा लोगों के सामने शानदार प्रस्तुती की गई।

PRESS COVERAGE OF THE EVENT -

रैम्पवॉक पर साड़ी पहनकर उतरीं अफ्रीकन, कोरियन और अफगानिस्थानी छात्राएं

पत्रिका PLUS रिपोर्टर

रायपुर ◆ कलिंगा यूनिवर्सिटी की प्रस्तुति नारी शक्ति को सलाम थीम पर फैशन शो का आयोजन 5 बजे मैनेटो मॉल में किया गया। विभिन्न प्रकार के फैशन डिजाइनर्स के मध्य प्रतियोगिताएं रखी गईं। इसमें चार राउंड हुए। इसमें अफ्रीकन, कोरियन और अफगानिस्थानी गर्ल्स ने रैम्पवॉक किया। सम्भवतः रायपुर में यह पहली बार देखा गया जिसमें

विदेशी छात्रों ने फैशन के जलवे दिखाए। खास बात यह रही कि एफ्रो-इंडो राउंड में भारतीय साड़ियों में रैम्पवॉक किया। छात्राओं ने बताया कि साड़ी पहनकर हम बहुत अच्छा फील कर रहे हैं। आज दुनियाभर में साड़ी को श्रेष्ठ परिधान माना जाता है। हम साड़ी पहनकर गर्व महसूस कर रहे हैं। सभी मॉडलस को सर्टिफिकेट से सम्मानित किया गया। एवं विनर्स को शो के द्वारा सम्मानित किया जाएगा।

National webinar on "Research Design and Methodology" organized by Faculty of Arts and Humanities on 4th October 2021

Activity Report Department of Economics

Faculty of Arts & Humanities

04th October 2021

National Webinar of Economics

Keynote Speaker— Dr. Namrata Shrivastava, assistant professor of Economics at Kalinga University, Naya Raipur, Chhattisgarh.

Topic-“Research Design and Methodology”

Faculty of Arts & Humanities organized a National Webinar on the topic “Research Design and Methodology” for research scholars, under graduate and post graduate students. The session was conducted online on the platform of Microsoft Team on 4th October 2021 at 11:00 a.m. The session was supervised by the Dean, Faculty of Arts & Humanities, Dr. Shilpi Bhattacharya. The Keynote speaker of the event was Dr. Namrata Shrivastava who is a faculty in the Economics Department of Kalinga University NayaRaipur, Chhattisgarh. The webinar began with welcoming all participants and dignitaries to the event. Dr. Namrata Shrivastava commenced her session by giving an informative account of the importance of Research design and methodology. With the help of a power point presentation, she emphasized the various topics which the session was going to throw light on. She said that research is not related only for students but it is also useful in daily life. It develops our critical thinking skills, gives us knowledge and learnings and also provide us an information that we can apply or use in our daily life. Research is search for facts and knowledge. Research is really important because it reveals reality and unreality. She further discussed about the motivation behind research like getting a research degree along with its consequential benefits, facing challenges in solving the unsolved problems, desire to be service to the society etc. She further elaborated the different types of research so researcher can choice a particular type of research according his or her research area. He told that how one can do research properly by using research design and methodology. She ended her session by discussing the importance of research like students who are to write a master’s or Ph.D. thesis, research may mean a careerism or a way to attain a high position in the social structure, professionals in research methodology, research may mean a source of livelihood, philosophers and thinkers, research may mean the outlet for new ideas and insights, literary men and women- research may mean the development of new styles and creative work and analysts and intellectuals, research may mean the generalizations of new theories. The session ended with a vote of thanks given by the Host, Mrs. Shreya Dwivedi. The session was very informative and inter active. Activity had been conducted successfully .The Session received positive feedbacks and students expressed their wish of attending similar informative webinars in the future.

Online Induction Programme 'First- Step 2021 for B. Pharmacy first year Students 05th October, 2021

'FIRST STEP-2021', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of B.Pharma on Tuesday, 05th October, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for the newly admitted students in B. Pharma program under the Faculty of Pharmacy started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. The chief guest for the occasion was Mr. Sudeep Malhotra, Corporate trainer and Life Coach, Faridabad, Haryana. As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. R. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by a virtual Fashion Show, exhibited by the students of Kalinga University. The fashion show was followed by words of blessings by Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

The speech of the Director General was followed by an enthusiastic and motivating talk by the Chief Guest, **Mr. Sudeep Malhotra**. He asked the students to realize their potential. He said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. He gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that was followed by a presentation by **Mr. Kapil Kelkar** and **Ms. Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments. The event then moved on the energetic dance performance by the students of the University, Ritik and Group that was co-ordinated by **Mr. Omprakash Dewangan**.

Dr. Sandeep Tiwari, Principal- Department of Pharmacy addressed the students and put forward that the Department of Pharmacy has state-of-the-art infrastructural facilities, digitalized library with a plethora of books, ultra-modern classrooms for flipped and blended mode of Teaching-Learning pedagogy. Highly qualified faculty members provide holistic environment for the better understanding of the basic concepts of Pharmacy and sharpen professional and technical acumen of the students by persistent counselling and mentoring. Pharmacy is one of the important professions of Healthcare which caters to the patient-centric approach of providing pharmaceutical care to the consumers. The University complements this and opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. The address of the principal was followed by a beautiful Rajasthani dance performance by the students of Kalinga University.

Speaking about the future challenges in this competitive world, **Mr. Rahul Mishra**, Dean Academic Affairs assured each and every student that they are here because they deserve to be, and because they can bring something new and exciting to this diverse learning community. He concluded his talk by offering some simple advice for how to make the best of their academic experience here at Kalinga University. This was followed by quizzes, reasonings and riddles coordinated by **Ms Anjali Swamy** followed by a session with the University coordinator, **Ms. Urshita Baranwal**. The sessions were followed by a folk dance of Chhattisgarh by the students of Kalinga University that was coordinated by **Mr. Omprakash Dewangan**. An online Talent round for newly admitted students was organized by Mr. Kapil Kelkar and Ms. Shreya Dwivedi.

At the end of the Induction Program, vote of thanks was extended by Dean Student Welfare, **Dr. Asha Ambhaikar** that was followed by a group photograph and feedback by the students. The programme was successfully conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. They expressed their gratitude and thanks for a fruitful Induction Programme. The magnificent ceremony came to an end with the beats of music opening the golden gate to the future of our newly admitted students. Total 58 students participated in this online induction program.

National Webinar on “Kamala Das –An epitome of Female Masculinity” Department of Arts & Humanities on 5th October 2021

On 5th October, 2021, Department of Arts and Humanities, Kalinga University, organized a webinar on the topic "Kamala Das: An Epitome of Female Masculinity". The event was of one hour from 10 am to 11 am on the Google teams platform. The invited speaker for the occasion was Dr Deepali Sharma Chowdhary, Assistant Professor, Department of English Durga College Raipur.

The programme started with a warm welcome of the Guest speaker, faculty members and all participants. A brief introduction of the Guest was given post which the session started. The concept of female Masculinity was very elaborately explained by the speaker and its significance and need in today's world to awaken the inner strength of women, realization of her identity and her status in the society. Female Masculinity voice the female as a "human with desires" which was brilliantly exemplified through the poetries of Kamala Das who very honestly puts the idea in her poetic diction. Wonderful lines inspiring the idea were quoted from some of her best poems like Harmony, An Introduction and Words.

There was an overwhelming response from the audience who actively participated in the event and satisfied their curiosity in the question answer session which was extremely engaging.

The programme was successfully executed by the organizing team of Dr Shilpi Bhattacharya, Dean and HOD Department of Arts and Humanities, Dr Vineeta Diwan, Ms Swarupa Pandit, Ms Marieta Jagdalla, Ms Anurima Das and Mr Chandan S Rajput with their noteworthy contribution. The Vote of Thanks was presented by Ms Swarupa Pandit. The Department is specially thankful to Dr Sandeep Gandhi, Registrar Kalinga University, Mr Rahul Mishra DAA, and Ms Ankita Nihlani for their exceptional support.

Guest lecture on “Practical exposure in mining industry” Department of Mechanical Engineering on 8th October 2021

Report on Guest lecture

Preamble:

Guest lecture was organized by Department of Mechanical Engineering for the improvement in technical knowledge about Practical exposure in mining industry for Mechanical and Mining Engineering Students on: 8 Oct 2021.

Participant’s Profile:

All students of Mechanical Engineering Department as well as students from Mining Engineering Department and all faculties of Mechanical and Mining Engineering along with Head of Department attended the Guest Lecture

(Total attended 39 in which Students attended from BTME 7-2, BTME 5-2, BTME 3-2 ,DIME 5- 3, DIME 3-1, DIMI 5- 4 & DIMI 3- 4). and others

Description about the Program:

Mr. Rahul Kashyap , Assistant manager at Nuvoco Vistas Corp. Ltd., explained the students about the Indian mining industry. He explained the students about different types of drilling and blasting practices done in mines. He also shared his practical experience of working as an assistant manager in Nuvoco Vistas Corp. Ltd. and introduced the students with different opportunities in mining industry after graduation.

Budhbhatti were also present and helped in the smooth conduction of program. Dr. Sushma Dubey, HOD, gave the concluding remarks and motivated students to use knowledge of Nanobiotechnology-Scope and Applications in varied sectors, and extended gratitude to the keynote speaker by delivering the vote of thanks.

Total 379 students and faculty members registered for the webinar from different Universities and Colleges across the nation and more than **136 students actively participated** including B.Sc. /M.Sc. Biotechnology Students, research scholars and faculty members across the country and from abroad. This session was very informative and knowledgeable.

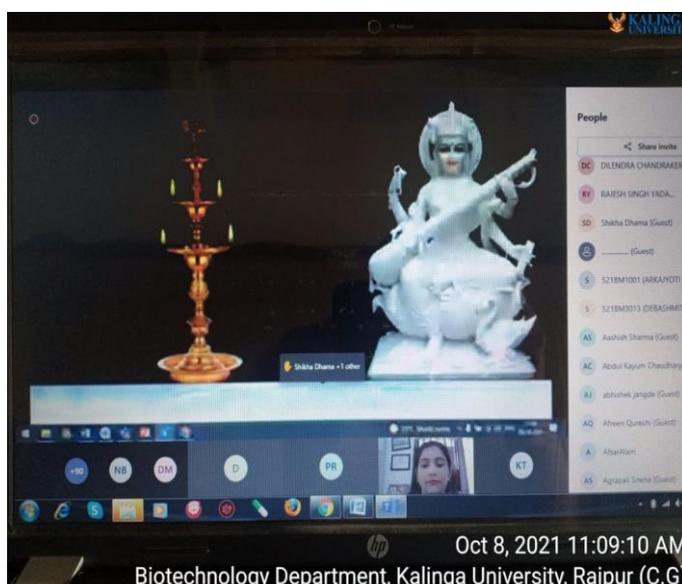

In query session, participants asked various type of interesting question to Dr. Ujjwala Supe and had an open interaction. Overall session was very informative and knowledgeable for both students and faculty members. The success of this National Webinar added another feather to the cap of the Department of Biotechnology, Kalinga University. All participants have given positive feedback that they looking forward for more sessions like this and received participation e-certificates upon successful conduction of program.

Acknowledgement

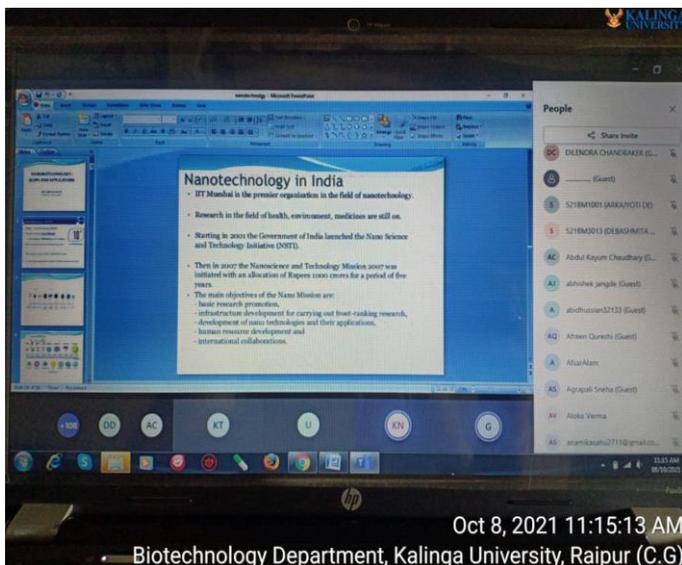

The Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur wishes to express sincere gratitude to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, DSW Madam, Dean Faculty of Science, Dean Academic Affairs, Head, HR Department, Head of the Department** for providing such a great opportunity for Biotechnology students.

The poster features logos for NIF, Kalinga University, and NAAC Grade B+. It lists the Faculty of Science, Department of Biotechnology, and the National Webinar on "Nanobiotechnology-Scope and Applications". The keynote speaker is Dr. Ujjwala Supe, Assistant Professor at St. Thomas College, Ruabandha, Bhubaneswar, India. The convener is Dr. Anju Meshram, Assistant Professor. The organizing committee includes Dr. Varaprasad Kolla (Professor and Dean of Science), Dr. Sushma Dubey (HOD), Mr. Dilendra Chandraker (Asst. Professor), and Ms. Nirali Budhbhatti (Asst. Professor). Registration and joining links are provided, along with contact details for Dr. Anju Meshram and the university website.

The screenshot shows a Zoom meeting in progress. The main screen displays a presentation slide with a white statue of a deity and a golden oil lamp. The Zoom interface includes a 'People' list on the right with names like Dilendra Chandraker, Raresh Singh Yadav, and Shikha Dama. The bottom of the screen shows the system tray with the date and time: Oct 8, 2021 11:09:10 AM, and the location: Biotechnology Department, Kalinga University, Raipur (C.G.).

Poster Making Fashion Safety

ABOUT THE ACTIVITY -

- Departmental activity was conducted for FD 3rd & 5th sem students.
- Topic for the activity was POSTER MAKING & the topic given was "FASHION FOR SAFETY"

AIM FOR CONDUCTING THIS ACTIVITY:

- Students should be able to think for fashion outfits, keeping in view personal & physical safety.
- They should be able to convey their thoughts/ ideas with proper verbal communication.

FACULTY CONDUCTED THE ACTIVITY -

- Mr. Kapil Kelkar – HOD Fashion Design Dept.

ABOUT THE ACTIVITY -

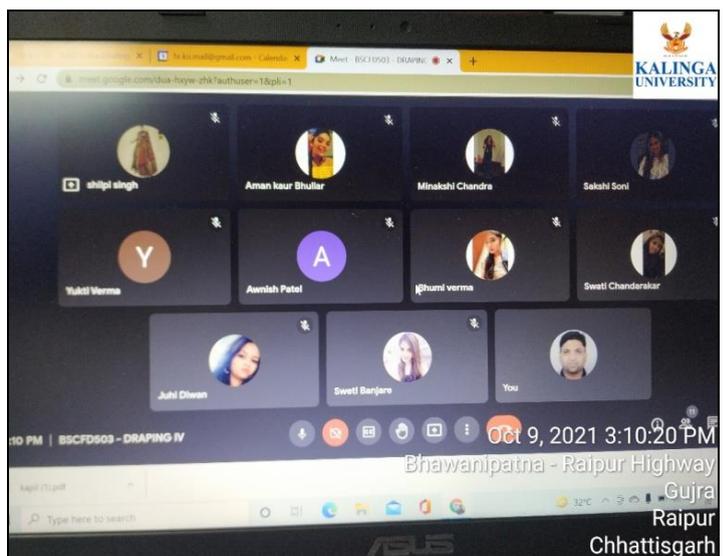

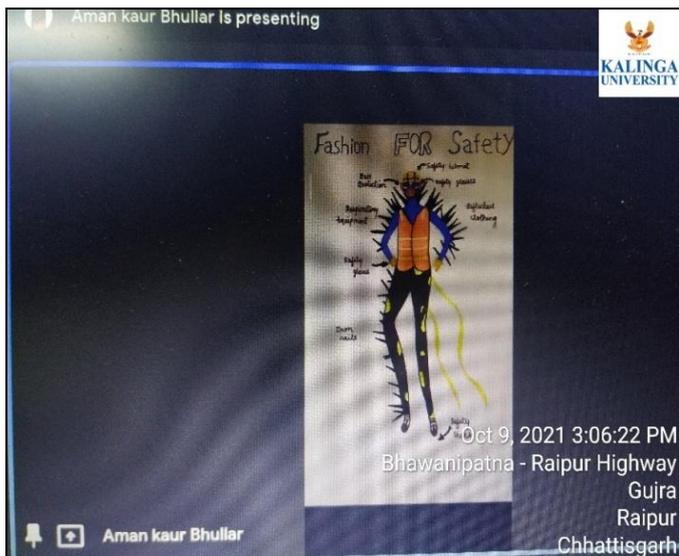

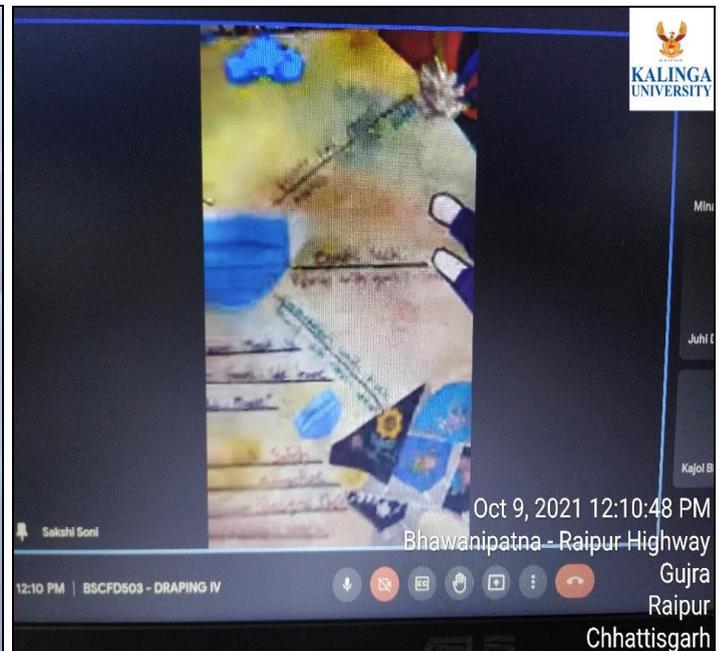

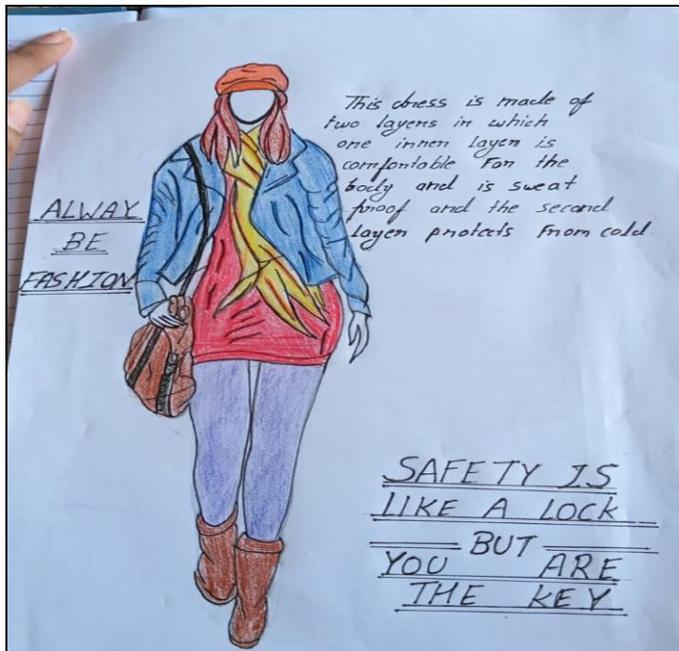

Fashion Design department, Klainga University, conducted a departmental activity on 9th October 2021, Saturday from 12 pm onwards, via google meet link - <https://meet.google.com/dua-hxyw-zhk>, wherein the students need to present their thoughts & imagination via poster made on the topic “FASHION FOR SAFETY”.

Keeping in view the present scenerio, where we all are wearing masks to protect ourselves from Covid 19, just to be safe, secure and healthy, in the same way, students were told to make a poster imagining the various safety measures we can take but yet at the same time be stylish and fashionable.

S.no	Semester	No. of students registered	No. of students attended	remarks
1	FD 3 rd sem	8	4	1 Out of raipur, family emergency, and 3 no response
2	FD 5 th sem	17	10	No response from 7 absentees

Students thought of various fashionable yet safety outfits or accessories like – masks, Helmet, gloves, fire proof daily clothings, winter clothes, etc..

(CG) had conducted an National webinar entitled “Recent Advances in Photonics” on dated 09-10-2021 in Microsoft Team for the students of Diploma, B. Tech, M-Tech, B.Sc Physics and M.Sc Physics The resource person is **Dr. Sanjay Tiwari**, Professor, School of Studies in Electronics & Photonic, Coordinator, Institute of Renewable Energy Technology & Management, Pt. Ravishankar Shukla University, Raipur.

Total number of students registered: 100

The webinar started at 11:00 Am. Mr. Aditya Prasad Padhy, Convener gives the brief introduction of speaker.

Dr. Sanjay Tiwari, have started the session about the topic on Photonics. He discussed about the following points:

13. Introduction and Evolution of Photonics
14. Recent advances in Photonics
15. Application of Photonics in Industry, medical application etc

CONCLUSION: - The session is very interactive and beneficial for the students as well as faculties of electrical engineering department to know about the photonics and its application. The session was concluded with the vote of thanks by Dr. Sunil Kumar, HOD, department of Electrical Engineering Kalinga University Raipur.

Guest lecture on “Transgenic Plants” Department of Botany on 9th October 2021

The Department of Botany of Kalinga University had arranged a Guest Lecture on “Transgenic Plants” on 9th October, 2021 at 2:00 PM. The webinar was conducted on the Microsoft team platform. The main aim of this session was to get an understanding of the role of plant genetics in developing new-age transgenic plants resistant to biotic and abiotic stress.

The Speaker was Dr. Sunita Patra, Assistant Professor, Department of Botany, NPG Science College, Raipur.

The event started with a welcome address. The session included a guidance on transgenic crops are the future of agriculture and as an agriculture-based country, it is very important to drive research in the field of plant genetics and recombinant DNA technology to cope up with the world population in a sustainable manner.

The session was interactive and student inputs were appreciated. The lecture was received with admiration by the students and they also found the slides appropriate. The event ended with honorarium to the guests and vote of thanks. The lecture was attended by 33 students and 3 Faculty members of Botany Department.

Yoga Awareness Program 3CG Air SQN & 8 CG Girls BN By NCC on 9th October 2021

Activity report

Activity	YOGA PROGRAM
Topic	YOGA
Venue	Online
No. of Participants	34
Kalinga cadets	34 participated out of 54
Conducted by	Fly. Offr. Shobha Singh Thakur
Date	09th October, 2021

Summary of the Event:

You manage to do many activities with full attention, but sometimes there is no mental relaxation. And there are other moments when your awareness seems to have expanded, but the mind is not sharp.

Is it then possible to be totally aware, relaxed and happy, as well as have sharpness of intelligence at the same time? Yes, Yoga can help us to achieve this balanced state of awareness that gives clarity and sharpness of mind, as well as calmness and joy.

Take charge of your mind with awareness

But why is awareness important? When you act without awareness – you are like a sleepwalker, who doesn't know where he is walking. You just act on the strongest impulse – your mind controls you. However, when you act with awareness, you are in control of your mind. Your senses become so clear that they can perceive better, see better, think better, hear better.

Be established in awareness through Yoga

Yoga attends to all aspects of our being – body, mind, breath, emotions and the inner Self. Awareness of breath establishes you in the present moment.

Yoga maintains and energizes the body

Yoga asanas contribute towards physical well-being. Yoga postures done with full awareness provides a gentle massage to all the internal organs, and leads you to a relaxed state of mind. In a relaxed and steady posture, you can feel a joyful expansion. Yoga helps you become aware of your body, including the pains or discomfort in any part of the body. It is possible to release the pain, by just taking your attention to it.

The secret of awareness is to just watch everything that is going on in the body and mind - as a witness. Do not resist, but watch with a smile! Make your life a celebration - with Yoga!

Regular practice of Yoga establishes you in the Self; you feel a sense of belongingness with everyone and everything in Creation. You are then at peace with yourself and everything around you.

Enhance your good health and energy - by eating with awareness. When you are pre-occupied or feel upset, you tend to eat mindlessly. However, when the mind is aware, you are conscious of what you eat and how much you take in.

Yoga refines the mind and creates awareness

The mind swings back and forth, from the past to the future, drowning you in a whirlpool of thoughts, worries, fears... An effective way to break this chain of thoughts is to become aware of the thoughts. Breath is a powerful tool to deal with the mind. You don't have to run away to a forest or a cave, to calm down the mind. Yoga with asanas, pranayamas, meditation... can gently guide you on this inner journey.

Yoga is the restraint of thought waves. '*Yogaha chitta vritti nirodaha*' (Patanjali Yoga Sutra, I,2)

With Yoga, you can attain a pleasant and composed state of mind. When your mind is aware, you are sensitive to other's feelings and to your surroundings. A clear mind is powerful like a beam, helping you to can take effective decisions. When the mind is calm, creativity dawns; productivity increases.

Yoga cultures the speech and kindles dynamic action

Living with awareness cultures your speech and actions. You acquire a skill in dealing with people and situations. You do not react to situations or what people say, but respond with calmness. When the mind is aware, you can be proactive instead of provocative - in your speech and actions. Often words just shoot out of the mouth. As you grow in the path of Yoga, your words become more powerful.

Yoga leads you to Self-awareness

Meditation is an essential limb of Yoga. In meditation you get a glimpse of your Self, the inner core of your being that is calm, settled and serene.

Regular practice of Yoga establishes you in the Self; you feel a sense of belongingness with everyone and everything in Creation. You are then at peace with yourself and everything around you.

The secret of awareness is to just watch everything that is going on in the body and mind - as a witness. Do not resist, but watch with a smile! Make your life a celebration - with Yoga

Because of all this reasons NCC units at Kalinga University organized a yoga awareness program where cadets were motivated to perform yoga and submit the photos.

National Webinar on “Wildlife: The Precious Gift of Nature” Department of Zoology & Green club on 9th October 2021

Wildlife Week

Department of Zoology and Green Club of Kalinga University had organised a National Webinar on “Wildlife: The precious Gift of Nature” 09th October, 2021 from 11:00am-12:30pm on the occasion of Wildlife Week.

The keynote speakers for the webinar was Mr. Shekhar Dattatri, Wildlife and Conservation filmmaker. These speakers highlighted about the issues and need of Wildlife conservation. He also shared stories of his journey as a wildlife conservationist & filmmaker. Highlighted the current problems like human animal conflicts, poaching & wildlife trades and how these activities are adversely impacting the nature. The objective of this webinar was to raise awareness among the people for better future.

The occasion was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs-Mr. Rahul Mishra, Dean Sciences Dr. Varaprasad Kolla, HODs, Faculty members and students of various departments and participants from across the country.

The webinar received a good response as more than 55 participants (14 Kalinga Students and 41 other Institutes) got connected on this platform for the deliberations.

Dr. Manoj Singh (Mentor, Green Club) was the convenor of the webinar. Ms. Nirali Budhbhatti, Coordinator, Green Club introduced the esteemed guests and Dr. Manoj Singh (Mentor, Green Club) at the end of the thoughtful and academically enriching webinar, and extended vote of thanks for successful completion of the event.

Webinar on Pharma Expert Talk: Pharmacovigilance as a Career Department of Pharmacy on 13th October 2021

WEBINAR TOPIC: “Pharma Expert Talk :Pharmacovigilance as a Career”

A webinar on “Pharma Expert Talk :Pharmacovigilance as a career” was held on 13/10/2021 i.e. Wednesday through Microsoft team in which the eminent speaker was **Mr. Bharat Lal Naik, Drug Safety Associate, Bioclinica (Mysuru)**. The webinar started at 3:00 PM and was attended by students of B. Pharma 1st, 3rd, 5th, 7th semester and D. Pharma 1st year & 2nd year. The coordinator and organizer of the webinar was **Ms. Khushboo Gupta**, Assistant Professor, Faculty of Pharmacy, Kalinga University. The program started with welcome address by Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy. **Mr. Bharat Lal Naik** is an immense personality with profile, sir completed his B. Pharma from The Pharmaceutical College Barpaliodisha and. M. Pharma in Pharmacology from Siksha o Anusandhan university Bhuwneshwar. Sir has more than 3years of experience in Pharmacovigilance sector and in medical writing .He has published many research and view articles in various national and international journals. And Currently working as a Drug Safety Associate in Bioclinica company at Mysuru .

Mr. BharatLal Naik shared the fact It is the pharmacological science relating to the collection, detection, assessment, monitoring, and prevention of adverse reaction with pharmaceutical products

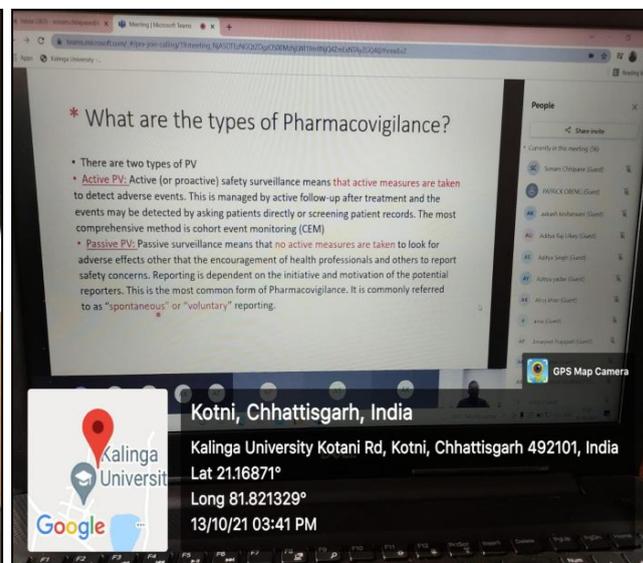

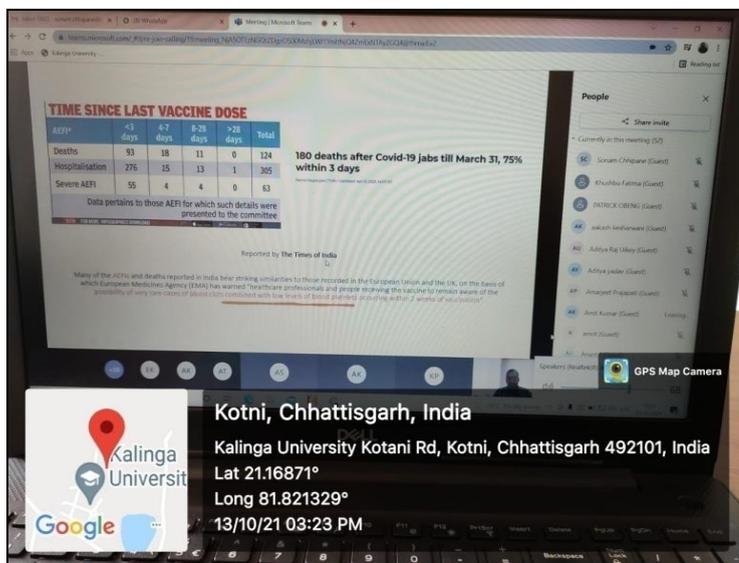

(Medicine, medical device, Vaccines). **Need of** pharmacovigilance. Animal toxicology is often not a good predictor for human effects. Evidence of safety from clinical trials is insufficient due to some limitations. Limitations (phase 1-3): limited size, least number of population (age & sex specific), narrow indications (only specific disease), short duration-Unable to predict the risk benefit ration of a drug/ Actual pharmacological structure of a drug. Safe use of medicines has been suggested that Adverse drug reaction (ADR) may cause 5700 deaths per year in UK. adrs may cause sudden DEATH

At the end of webinar **Mr. Bharat Lal Naik** interacted with the questions of participants. Students actively participated in this webinar with 71 participants. They had many queries which were explained to them. The webinar was ended up with the vote of thanks by Mrs. Sonam Chhipane, Assistant Professor Faculty of pharmacy Kalinga University.. She mentioned the special thanks to management committee of Kalinga University and Dr. Sandip Prasad Tiwari, HOD, Faculty of Pharmacy, Mr. Sudeep Mandal, Mr. Bhushan Hatwar, Ms. Rajni Yadav, Mrs. Sonam Chhipane, Mr. Pranjul Shrivastav, Mr. Deependra Soni, Dr. Bhumika Chandrakar, Ms. Khushboo Gupta, Mrs. Poonam Sahu, as organising committee.

Online Induction Programme 'First- Step 2021 for M.Tech (Civil) first year Students on 13th October 2021

Kalinga University hosted 'FIRST-STEP-2021,' a spectacular induction for students of M.Tech (civil) , session 2021-22 on Wednesday, October 13, 2021. A gracious welcome ceremony was organised on a virtual platform at the onset of new academic session for newly admitted students of M.Tech (civil) program. The students were delighted by the warm welcome they received and immediately felt at home. Following that, they were given a presentation regarding Kalinga University's academic, co-curricular, and extra-curricular activities, as well as its formation in Chhattisgarh as one of the foremost private universities in Central India.

After a ceremonial welcome, the newcomers were taken for a journey of Kalinga University through a short film that provided an insight into life at Kalinga University, both within and outside the classroom. Dr. R. Shridhar, Vice-Chancellor of the University, Dr. Byju John, Registrar, Dr. Sandeep Gandhi, Dean Student Welfare, Dr. Asha Ambhaikar, Dean Academic Affairs, Mr. Rahul Mishra, Deans and Heads of various Departments, and other faculty members attended the ceremony. The special Guest of Honour was Er. B.N. Rao Reddy, motivational speaker, trainer and writer. The session began with the blessings of Sarasvati Vandana, the Goddess of Wisdom that was followed by a cordial greeting by the masters of the ceremony, Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On that note, Ms. Vassavi, a B.Sc. student at the university, performed a welcome dance.

Dr. Sandeep Gandhi, Registrar of the University, delivered a welcome message and briefed the students about the university's regulatory status, awards, and honours received during its journey to this point. He constantly alluded to the accomplishments of university students and encouraged them

on education-ethos in his inspirational approach. He counselled the new team on when and how to apply exceptional judgement and actions. He ended by encouraging students to be active members of the University, displaying their abilities across all platforms.

Dr. R Shridhar, Vice-Chancellor of the University, delivered a motivating speech after the Registrar's welcoming address. Dr. Shridhar discussed a variety of options for furthering their education. He was obdurate about using the university's structure for developing talent and knowledge through hands-on training and a comprehensive curriculum. He inspired them by emphasising the importance of both academic and professional qualities in achieving the ultimate goal of success. The address of the Vice-Chancellor was followed by a virtual Fashion Show put on by the students of Kalinga University. Following the performance, Dr. Byju John, Director General of Kalinga University, enlightened and blessed the new members of the Kalinga family.

Dr. Byju John stated that the higher education traditions stress a country's golden age. Our country built world-renowned universities and educational institutes by focusing on knowledge, development, and transmission of camps. In acknowledgement of the society's strength existing in the overall development of its young people, he emphasises that Kalinga University has changed and is in the process of re-energizing higher education in Chhattisgarh. He urged the new comers to connect their passions to their life's purpose, form a community network, and focus on their overall growth towards the end of his speech.

Following the Director General's speech, **Er. B. N. Rao Reddy** made an enthusiastic and uplifting speech. He encouraged the newly admitted students to put forth their utmost effort in all of their performances. People's experiences and knowledge, which they must rely on in order to continue and advance, profit from this potential. In order to attain optimal growth, he emphasised the significance of overcoming fear of failure and knowing brain mechanics. He presented practical advice on how to deal with obstacles in the workplace and in everyday life by using examples from Swami Vivekananda's life.

The address of the chief guest was followed by a Pictionary game and a presentation by Mr. **Kapil Kelkar and Shreya Dwivedi** in which the students were introduced to the Deans and Heads of various Departments. Mr. Omprakash Dewangan then coordinated an enthusiastic dance performance of university students, Ritik and Group that was the next highlight of the event.

The students were then addressed by **Dr. N.K. Dhapekar**, Head of the Department of Civil Engineering. He emphasized that Kalinga University's IT infrastructure including its digital library with a wide range of books, modern classrooms for flipped teaching methods, and mixed approaches, facilitates the students to achieve their dreams. Dr. Dhapekar discussed the importance of punctuality and fearlessness, as well as how qualified and experienced faculty members can assist students in creating

an integrated environment for a better understanding of basic life principles and how students can improve their professional and technical expertise through ongoing mentoring. Civil Engineering is one of the most important career tracks for developing professionals and Kalinga University supplements this by offering a diverse range of opportunities, and students can participate in a variety of activities both inside and outside the University.

Following the discourse, Afghan students of the University presented a fantastic dance performance. **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan and Mr. Toshan Tarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning.

Webinar on Sentimental Analysis Department of Computer Science on 14th October 2021

Department of Computer Science and Engineering

ACTIVITY - VII

Webinar on “Sentimental Analysis” by department of CSE on 14th October 2021

Department of Computer Science and Engineering organized a **Webinar on “Sentimental Analysis”** presented by **Mr. Shashank Girepunje, Department of CSE, Kalinga University**, conducted by Mr. Vivek Kumar Soni (Assistant Professor), Mrs. Shikha Tiwari (Assistant professor) of computer science department. Sentiment analysis identifies student’s learning curve, understands student need, foresees their performances. Students learned so many things and gained knowledge about Sentiment Analysis.

Venue: Microsoft Team

Date: 14th October 2021.

No. of Participants: 59 Students

Sentiment Analysis can be used to extract useful information about the teaching methodology of a teacher and also towards the course curriculum. According to students this activity was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum. Students really enjoyed the session.

The poster is for a webinar on Sentimental Analysis. It features a green background with a hand holding a pen pointing to the title. The text is as follows:

Guest Lecture on “Synthesis and Characterization of Molecularly Imprinted Magnetite Nanomaterials as a Novel Adsorbent for the Removal of Heavy Metals from Aqueous Solution” by Department of Physics on 19th October 2021

The Department of Physics, Kalinga University Raipur organized a *Guest Lecture on Career as a Researcher Phase – I* cover the area of *Synthesis and Characterization of Molecularly Imprinted Magnetite Nanomaterials as a Novel Adsorbent for the Removal of Heavy Metals from Aqueous Solution* held on *19th October 2021*.

This opportunity will be able to develop the research-based knowledge and skill to hold the subjective field. They are learning how to manage time, and also better learn and score in the future.

Guest lecturer on "Roadmap from innovation to startup Department of Electrical Engineering on 20th October 2021

Topic- "ROADMAP from INNOVATION to Startup"

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted an online Guest Lecture on **20.10.2021** on "ROADMAP from INNOVATION to Startup" at Google Meet for the students of Diploma & B. Tech. The resource person **Mr. Ankur Jaiswal** Sir (CEO & Co- Founder of 4 Mirror tech. Innovation Pvt Ltd). The session was attended by more than 30 students along with all teaching staff.

The Guest Lecture was scheduled to start at 10:00 am. **Mrs. Jyoti** has begun the session with brief introduction of invited guest **Mr. Ankur Jaiswal**, have started the session with the introduction of the topic.

He discussed about the following points:

1. What is STARTUP?
2. What is INNOVATION?
3. How to start any Company.
4. The Concept about Machine Learning
5. Discussed about IOT.
6. Introduction the LORA
7. Automation in Public area
8. Share Live data of there work
9. Difference between startup & Entrepreneurship.

CONCLUSION: - The session was very interactive and beneficial for the students as well as faculties of Electrical Engineering Department to know about INNOVATION & Startup. The session was

concluded with the vote of thanks by **Dr. Sunil Kumar**(Head Of the Department) & Mr. Shailesh Deshmukh, Assistant Professor, department of Electrical Engineering Kalinga University Raipur.

A gracious welcome ceremony was organised on a virtual platform at the onset of new academic session for newly admitted students of BALLB and BBALLB program. The students were delighted by the warm welcome they received and immediately felt at home. Following that, they were given a presentation regarding Kalinga University's academic, co-curricular, and extra-curricular activities, as well as its formation in Chhattisgarh as one of the foremost private universities in Central India.

After a ceremonial welcome, the newcomers were taken for a journey of Kalinga University through a short film that provided an insight into life at Kalinga University, both within and outside the classroom. Vice-Chancellor of the University, Dr. R. Shridhar, Registrar, Dr. Sandeep Gandhi, Dean Student Welfare, Dr. Asha Ambhaikar, Dean Academic Affairs, Mr. Rahul Mishra, Deans and Heads of various Departments, and other faculty members attended the ceremony. **The special Guest of**

Honour was Ms. Sugandha Jain, Advocate, Supreme Court of India and Delhi Court. The session began with the blessings of Sarasvati Vandana, the Goddess of Wisdom that was followed by a cordial greeting by the masters of the ceremony, Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On that note, Ms. Vassavi, a B.Sc. student at the university, performed a welcome dance.

Dr. Sandeep Gandhi, Registrar of the University, delivered a welcome message and briefed the students about the university's regulatory status, awards, and honours received during its journey to this point. He constantly alluded to the accomplishments of university students and encouraged them on education-ethos in his inspirational approach. He counselled the new team on when and how to apply exceptional judgement and actions. He ended by encouraging students to be active members of the University, displaying their abilities across all platforms.

Dr. R Shridhar, Vice-Chancellor of the University, delivered a motivating speech after the Registrar's welcoming address. Dr. Shridhar discussed a variety of options for furthering their education. He was obdurate about using the university's structure for developing talent and knowledge through hands-on training and a comprehensive curriculum. He inspired them by emphasising the importance of both academic and professional qualities in achieving the ultimate goal of success. The address of the Vice-Chancellor was followed by a virtual Fashion Show put on by the students of Kalinga University.

Following the Guest speech, **Ms. Sugandha Jain** made an enthusiastic and uplifting speech. She encouraged the newly admitted students to put forth their utmost effort in all of their performances. People's experiences and knowledge, which they must rely on in order to continue and advance, profit from this potential. In order to attain optimal growth, she emphasised the significance of overcoming fear of failure and knowing brain mechanics. She presented practical advice on how to deal with obstacles in the workplace and in everyday life by using examples from Swami Vivekananda's life.

The address of the chief guest was followed by a Pictionary game and a presentation by Mr. **Kapil Kelkar and Shreya Dwivedi** in which the students were introduced to the Deans and Heads of various Departments. Mr. Omprakash Dewangan then coordinated an enthusiastic dance performance of university students, Ritik and Group that was the next highlight of the event.

The students were then addressed by **Ms. Shobha Singh Thakur**, Head of the Department of Law. She emphasized that Kalinga University's IT infrastructure including its digital library with a wide range of books, modern classrooms for flipped teaching methods, and mixed approaches, facilitates the students to achieve their dreams. Ms. Shobha discussed the importance of punctuality and fearlessness, as well as how qualified and experienced faculty members can assist students in creating an integrated environment for a better understanding of basic life principles and how students can improve their professional and technical expertise through ongoing mentoring. Law is one of the most

important career tracks for developing professionals and Kalinga University supplements this by offering a diverse range of opportunities, and students can participate in a variety of activities both inside and outside the University.

Following the discourse, students of the University Rajsthani presented a fantastic dance performance. **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan** and **Mr. Toshantarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning. Total 91 students participated in this online induction program.

Online Induction program 'First- Step 2021' for BA, BJMC, BSW, MSW, MA (Geography and Education) on 22/10/2021

'FIRST STEP-2021', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of BA, BJMC, BSW, MSW, MA (Geography and Education) on Friday, 22nd October, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for the newly admitted students in BA, BJMC, BSW, MSW, MA (Geography and Education) program under the Faculty of Arts and Humanities started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr.

Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. The chief guest for the occasion was Ms. Arpita Chakraborty, Senior Program Executive at Sanjeevani Life beyond Cancer. As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The address of the Registrar was followed by a virtual Fashion Show, exhibited by the students of Kalinga University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by the speech of Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

The speech of the Director General was followed by an enthusiastic and motivating talk by the Chief Guest, **Ms. Arpita Chakraborty**. She said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. She gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that was followed by a

presentation by Mr. **Kapil Kelkar** and **Ms. Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments. This was followed by a wonderful dance performance by the students of the University.

Dr. Shilpi Bhattacharya, Dean- Faculty of Arts and Humanities addressed the students and put forward that the Faculty of Arts and Humanities is committed to provide an education that is grounded in values and traditions and is contemporary and holistic and prepares the students for industry and beyond. She showed a glimpse of what great things students can achieve through the courses in Arts and Humanities. She said that life in university opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. She advised the students to spend some time to set their goals high and never underestimate your capability. The address of the Dean was followed by a Rajasthani dance performance by the students of university.

Speaking about the future challenges in this competitive world, **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan and Mr. Toshan Tarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning. Total 69 students were present for this online induction program.

Online Induction program for Programme 'First- Step 2021' for B. Sc. (FD & ID) For first year students on 23/10/2021

'FIRST STEP-2021', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of B. Sc. (FD & ID) on Saturday, 23rd October, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for the newly admitted students in B. Sc. (FD & ID) program under the Department of Fashion Design & Interior Design started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr.

Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. **The chief guest for the occasion was Ms. Shweta Jaiswal, Mrs. India Queen of Nations 2021** for the Department of FD&ID respectively. As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The address of the Registrar was followed by a virtual Fashion Show, exhibited by the students of Kalinga University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by the speech of Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

The speech of the Director General was followed by an enthusiastic and motivating talk by the **Chief Guest, Ms. Shweta Jaiswal**, in her motivational talk emphasized that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. They gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that

was followed by a presentation by Mr. **Kapil Kelkar** and Ms. **Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments. This was followed by a wonderful dance performance by the students of the University.

Mr. Kapil Kelkar, Head- Department of FD & ID addressed the students and showed a glimpse of what great things students can achieve through the courses in designing. He said that life in university opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. He advised the students to spend some time to set their goals high and never underestimate your capability. The address of the Dean was followed by a Rajasthani dance performance by the students of university.

Speaking about the future challenges in this competitive world, **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

Dr. Asha Ambhaikar, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar** and **Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan** and **Mr. Toshan Tarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning. Total 39 students participated in this online induction program.

Online Induction program 'First- Step 2021' for Engineering & Technology- CS & IT first year Students on 26/10/2021

'FIRST STEP-2021', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of Engineering & Technology- CS & IT on Tuesday, 26th October, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for the newly admitted students in Engineering & Technology- CS & IT program under the Faculty of Engineering started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. The chief guest for the occasion was Dr. B.K.Sthapak, Ex. Director of Technical Education, Govt. of M.P. Bhopal, Founder VC of CSVTU, Bilai & Founder VC of OP Jindal University, Raigarh. As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony Mr. Kapil Kelkar and Ms. Shreya Dwivedi. On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by a virtual Fashion Show, exhibited by the students of Kalinga University. The fashion show was followed by words of blessings by Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

The speech of the Director General was followed by an enthusiastic and motivating talk by the Chief Guest, **Dr. B. K. Sthapak**. He asked the students to realize their potential. He said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. He gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that was followed by a presentation by Mr. **Kapil Kelkar** and **Ms. Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments. The event then moved on the energetic dance performance by the students of the University, Ritik and Group that was co-ordinated by **Mr. Omprakash Dewangan**.

Dr. V.C. Jha, Dean- Faculty of Engineering addressed the students and put forward that the Department of Engineering has state-of-the-art infrastructural facilities, digitalized library with a plethora of books, ultra-modern classrooms for flipped and blended mode of Teaching-Learning pedagogy. Highly qualified faculty members provide holistic environment for the better understanding of the basic concepts of Engineering and sharpen professional and technical acumen of the students by persistent counselling and mentoring. The University opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. The address of the principal was followed by a beautiful Rajasthani dance performance by the students of Kalinga University.

Speaking about the future challenges in this competitive world, **Mr. Rahul Mishra**, Dean Academic Affairs assured each and every student that they are here because they deserve to be, and because they can bring something new and exciting to this diverse learning community. He concluded his talk by offering some simple advice for how to make the best of their academic experience here at Kalinga University. This was followed by quizzes, reasonings and riddles coordinated by **Ms Anjali Swamy** followed by a session with the University coordinator, **Ms. Urshita Baranwal**. The sessions were followed by a folk dance of Chhattisgarh by the students of Kalinga University that was coordinated by **Mr. Omprakash Dewangan**. An online Talent round for newly admitted students was organized by Mr. Kapil Kelkar and Ms. Shreya Dwivedi.

At the end of the Induction Program, vote of thanks was extended by Dean Student Welfare, **Dr. Asha Ambhaikar** that was followed by a group photograph and feedback by the students. The programme was successfully conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. They expressed their gratitude and thanks for a fruitful Induction Programme. The magnificent ceremony came to an end with the beats of music opening the golden gate to the future of our newly admitted students. Total 139 students were present for this online induction program.

Online Induction program 'First- Step 2021' For M.Com. (Banking & Finance) for First Year Students on 29th October 2021

'FIRST STEP-2021', an awe-inspiring induction for the session 2021-22 was organized by Kalinga University, Raipur for the students of M.Com.(Banking & Finance) on Friday, 29th October, 2021 from 2:00 p.m. to 4:00 p.m. The new academic session for the newly admitted students in M.Com.(Banking & Finance) program under the Faculty of Commerce and Management started with graceful welcome ceremony that was organized on a virtual platform. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private Universities of Central India through a presentation. After a formal welcome a video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the presence of Vice-Chancellor of the University- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Deans and Head of various Departments and all faculty members. **The chief guest for the occasion was Mr. Satendra Shrivastava, Director, National Institute of Banking and Finance (NIBF).** As every auspicious beginning seeks the blessings of the lord, this academic session also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a warm welcome by the masters of the ceremony **Mr. Kapil Kelkar and Ms. Shreya Dwivedi.** On this note a welcome dance was presented by Ms. Vassavi, a student from B.Sc. program of the University.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status and accolades of the university and its vision to achieve new heights that it has till now done. He also mentioned about the accomplishment of the students of the university. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The address of the Registrar was followed by a virtual Fashion Show, exhibited by the students of Kalinga University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar.

Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted that the university is a platform for equipping the students with talent and wisdom through the hands-on trainings and strong curriculum. He asked the students to focus on acquiring academic and professional skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by the speech of Dr. Byju John, Director General, Kalinga University.

Dr. Byju John said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh. He concluded his address by asking the students to connect passion with purpose of life, develop community network and to focus on professional and personal development in totality.

The speech of the Director General was followed by an enthusiastic and motivating talk by the Chief Guest, **Mr. Satendra Shrivastava.** He said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. He gave great emphasis upon giving up the fear of failure and understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kalinga University is

definitely the right platform to get the young minds work in right direction. After the informative and encouraging sessions, the students participated in a Pictionary game that was followed by a presentation by **Mr. Kapil Kelkar** and **Ms. Shreya Dwivedi** that introduced the newly admitted students to the Deans and Head of various Departments.

Dr. Monika Sethi, Dean- Faculty of Commerce and Management addressed the students and put forward that although the commerce and management programs are challenging, they are also very rewarding. Students can make a world of difference with their managerial skills. She showed a glimpse of what great things students can achieve through the courses in commerce and management. She said that life in university opens a vast array of opportunities and the students can join a lot of activities that awaits their participation in the University. She advised the students to spend some time to set their goals high and never underestimate your capability. The address of the Dean was followed by a beautiful Rajasthani dance performance by the students of Kalinga University.

Mr. Rahul Mishra, Dean Academic Affairs assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by Mr. Omprakash Dewangan.

An online talent round was organized by **Mr. Kapil Kelkar** and **Ms. Shreya Dwivedi** organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar** and **Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan** and **Mr. Toshan Tarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning. Total 26 students were present for this online induction program.

Presentation by Faculties of Departmental Phase-III Organized on Star Formation Department of Physics on 29th October 2021

The Department of Physics, Kalinga University Raipur organized a **Presentation by Faculties of Departmental Phase-III Dr. Arun Kumar Diwakar on Star Formation Organized on 29th October 2021.**

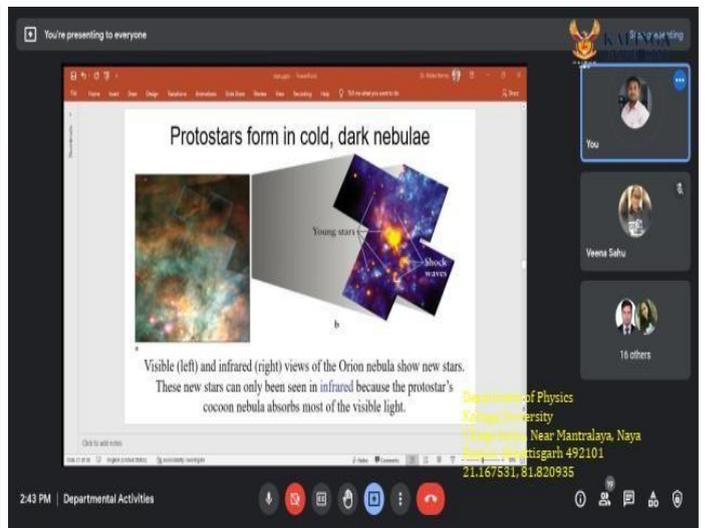

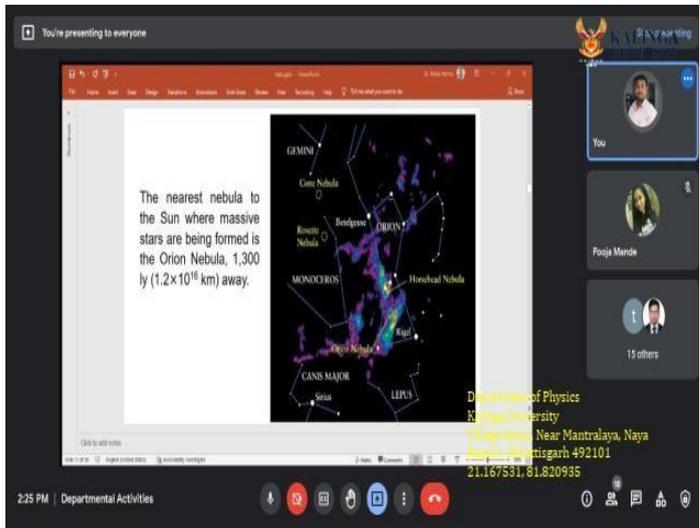

This opportunity will be able to develop the research-based knowledge and skill to hold the subjective field. They are learning how to manage time, and also better learn and score in the future.

This screenshot shows a Zoom meeting in progress. The main window displays a slide titled "Interstellar clouds" with the following text: "A spiral galaxy like the Milky Way contains stars, stellar remnants, and a diffuse interstellar medium (ISM) of gas and dust." and "The interstellar medium consists of 10^4 to 10^6 particles per cm^3 and is typically composed of roughly 70% hydrogen by mass, with most of the remaining gas consisting of helium." An image of a spiral galaxy is shown to the right. The Zoom interface includes a "You're presenting to everyone" notification, a list of participants (You, Pooja Mande, 12 others), and a system tray at the bottom showing the time as 2:11 PM and the meeting name "Departmental Activities".

This screenshot shows a Zoom meeting in progress. The main window displays a title slide for "Star Formation" with the following text: "Dr. Arun Kumar Diwakar, Associate Professor, Department of Physics, Kalinga University, Naya Raipur, C.G. Email: dr.arun@gmail.com, Mobile No. 927937147". The Zoom interface includes a "You're presenting to everyone" notification, a list of participants (You, taruoree sarkar, Pooja Mande, 10 others), and a system tray at the bottom showing the time as 2:09 PM and the meeting name "Departmental Activities".

This screenshot shows a Zoom meeting in progress. The main window displays a slide titled "Emission Nebulae" with the following text: "Emission nebulae emit their own light because luminous ultraviolet stars (spectral type O,B) ionize gas in the nebula. The gas then emits light as the electrons return to lower energy levels." An image of a colorful emission nebula is shown to the right. The Zoom interface includes a "You're presenting to everyone" notification, a list of participants (You, Pooja Mande, 14 others), and a system tray at the bottom showing the time as 2:16 PM and the meeting name "Departmental Activities".

This screenshot shows a Zoom meeting in progress. The main window displays a slide with the following text: "In the dense nebulae where stars are produced, much of the hydrogen is in the molecular (H_2) form, so these nebulae are called molecular clouds." and "Observations indicate that the coldest clouds tend to form low-mass stars, observed first in the infrared inside the clouds, then in visible light at their surface when the clouds dissipate, while giant molecular clouds, which are generally warmer, produce stars of all masses." An image of a molecular cloud is shown to the right. The Zoom interface includes a "You're presenting to everyone" notification, a list of participants (You, Pooja Mande, 13 others), and a system tray at the bottom showing the time as 2:20 PM and the meeting name "Departmental Activities".

Webinar “Awareness on sustainable and Efficient Industrial Technologies” Department of Mechanical Engineering on 29th October 2021

Title- “Awareness on sustainable and Efficient Industrial Technologies”

Date: 29 Oct 2021 Time 02.00 pm to 3.00 pm

Preamble:

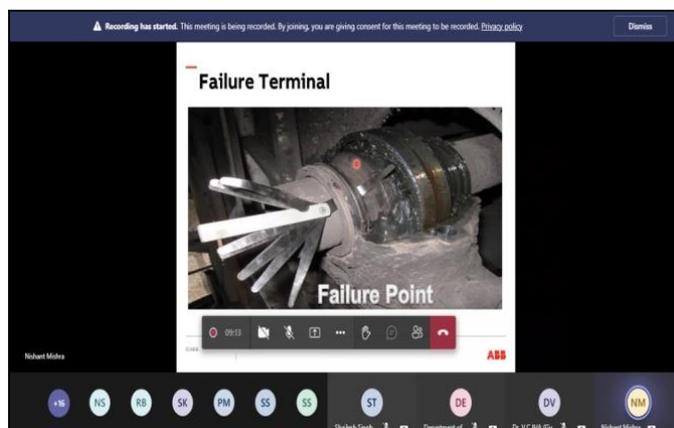

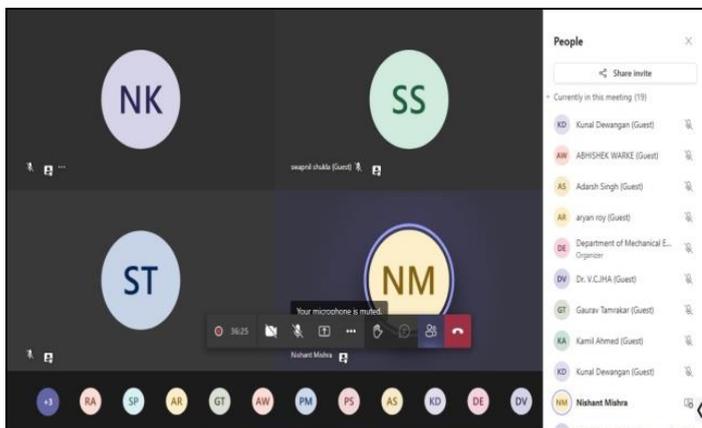

Webinar is organized by Department of Mechanical Engineering for the improvement in technical knowledge about sustainable and Efficient Industrial Technologies for Mechanical and Mining Engineering Students on 29 Oct 2021.

Participant’s Profile:

All students of Mechanical Engineering Department as well as students from Mining Engineering Department and all faculties of Mechanical and Mining Engineering along with Head of Department attended the Guest Lecture (Total attended 37 in which Students attended from BTME 7-4, BTME 5-6, BTME 3-5, DIME 5-3, DIME 3-7, DIMI 5-1 & DIMI 3-2).

Description about the Program:

Mr. Nishant Mishra, Project Manager, ABB Mechanical Power Transmission and Automation Division, Chhattisgarh explained the students about Awareness on sustainable and Efficient Industrial Technologies. Mr. Nishant Mishra also explained the students about types of bearing and types of motor use in manufacturing plant. He also explained sustainable manufacturing Technologies involves developing sustainable products with total life-cycle considerations and implementing sustainable manufacturing processes and systems that minimize negative environmental impacts, minimally consume materials, energy, and other resources, are safe for all stakeholders, and are economically sound societal beneficial.

National Webinar on “Process technology for the production of some primary metabolites” Date: 30th October 2021

Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur had organized National Webinar on “**Process technology for the production of some primary metabolites**”. The Keynote Speaker for the session was **Dr. Naveen Dwivedi**, HOD, Department of Biotechnology, S.D. College of Engineering & technology, Muzaffarnagar, Jansath Road (U.P). The program was held on 30th October 2021 at 11:00 am – 12:00 pm.

The Inauguration of the National Webinar was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, who was also the Chairperson of the session. Mr. Dilendra Chandraker hosted the session and with kind permission of Dr. Sushma Dubey, started the session by giving introduction of the Keynote Speaker, Dr. Naveen Dwivedi. Other faculty members, Prof. Dr. V.P. Kolla, Dr. Anju Meshram, & Ms. Nirali Budhbhatti were also present and helped in the smooth conduction of program. Dr. Sushma Dubey, HOD, gave the concluding remarks and motivated students to use knowledge of Biotechnology in varied sectors, and extended gratitude to the keynote speaker by delivering the vote of thanks.

Total 460 participants are registered for the webinar from different Universities and Colleges across the nation and more than 117 students actively participated including B.Sc. /M.Sc. Biotechnology Students, research scholars and faculty members. This session was very informative and knowledgeable. Our students got knowledge and learned new technologies with industrial application of Biotechnology.

In query session, participants asked various type of interesting question to Dr. Naveen Dwivedi and had an open interaction. Overall session was very informative and knowledgeable for both students and faculty members. The success of this National Webinar added another feather to the cap of the Department of Biotechnology, Kalinga University. All participants have given positive feedback that they looking forward for more sessions like this and received participation certificates upon successful conduction of program.

National Webinar on “Biodiversity in Crop Plants and Its Scope in Breeding and Business” Department of Botany on 30th October 2021

Department of Botany, Kalinga University organized a National Webinar on 30th October, 2021 on the topic “**Biodiversity in Crop Plants and Its Scope in Breeding and Business**”. The main objective of this webinar was to aware students about Crop diversity is fundamental to agricultural growth. Plant Breeders can produce varieties that resist pests and diseases and are drought tolerant, providing more protection against crop failure and better insulating poor farmers from risk. The Keynote speaker of the webinar was Prof. (Retd) Samir Kumar Samanta who was the retired professor of Bidhan Chandra Krishi Viswavidyalaya, West Bengal.

The webinar was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Heads of the Department, Faculty members and students of the department and participants. The webinar received an overwhelming response as more than 100 participants got registered for the same.

In the session, Prof. Samanta discussed that breeding new crops is important for ensuring food security by developing new varieties that are higher yielding, disease resistant, drought tolerant or regionally adapted to different environments and growing conditions. Biodiversity supports food security and sustained livelihoods through overall genetic diversity. The discourse was followed by an interactive session between the participants and the key-note speaker where several questions were asked by the participants about Biodiversity in Crop Plants and Its Scope in Breeding and Business and answered diligently by the Speaker. The event was an immense success among students who stated that the session was interesting and informative.

The students were highly benefitted by the insights that Prof. (Retd) Samir Kumar Samanta provided regarding the subject matter of the webinar and enabled the participants for thoughtful future aspects in this field.

November 2021

Quiz Activity on “Vaccination Awareness” by Department of Biotechnology 08th November, 2021

Department of Biotechnology, Kalinga University had organised a Quiz Activity on “Vaccination Awareness” 08th November, 2021 from 2:00pm-3:00pm for BSCBT 3 semester students.

The occasion was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs-Mr. Rahul Mishra, Dean Sciences Dr. Varaprasad Kolla, HOD Biotechnology Dr Sushma Dubey, Faculty members and students.

The quiz activity 13 students have attended, out of which 9 students have participated in quiz. The participants were highly benefitted by the insights and shared positive feedback regarding this activity.

Participating Teams:

Team A- Ankit Singh And Namita Sharma

Team B- Chandria Rout And Soujanya Panda

Team C- Vindhyasini Singh Sidar And Rahul Meher

Team D- Twinkle Jangde And Kumari Luri Sethi

Team E- Meanway A. Nuah

Dr. Sushma Dubey, Head of Biotechnology Department announced the winner teams and concluded the Quiz activity by expressing vote of thanks to all the Dignitaries of Kalinga University, and participants.

Winner Teams:

First Position: Team A- Ankit Singh And Namita Sharma

Second Position: Team C- Vindhyasini Singh Sidar And Rahul Meher

Third Position: Team D- Twinkle Jangde And Kumari Luri Sethi

Ms. Nirali Budhbhatti was the activity coordinator and Dr. Anju Meshram, Mr. Dilendra Chandraker, and Dr. Ramswaroop Saini were in the organizing committee of the same.

What is Text Mining

- Text mining can be explained as the process of extracting essential information from standard language text data. This is the data that we generate via text messages, documents, emails, files that are written in common language text. Text mining is primarily used in context of extracting beneficial insights or patterns from such data.

Types of data

Types of Data

- Structured
- Unstructured
- Semi-Structured

Text mining process

- Text preprocessing
 - Syntactic/Semantic text analysis
- Features Generation
 - Bag of words
 - Features Selection
 - Simple counting
 - Statistics
- Text Data Mining
 - Classification
 - Supervised learning
 - Challenging
 - Unsupervised learning
- Analyzing results

Text mining applications

Sources of Data

- Customer Support
- Technical Support
- Emails & Memos
- Advertising & Marketing
- Human Resources
- Competitors

Text Mining

Text Mining can be used to extract useful information about the teaching methodology of a teacher and also towards the course curriculum. According to students this activity was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum. Students really enjoyed the session.

Induction Program "First step-2021" for LLM first year students on 12th November 2021

Kalinga University organized 'FIRST-STEP-2021,' a spectacular online induction program for students of LLM, session 2021-22 on Friday, November 12, 2021. A gracious welcome ceremony was organised on a virtual platform at the onset of new academic session for newly admitted students of LLM program. The students were delighted by the warm welcome they received and immediately felt at home. Following that, they were given a presentation regarding Kalinga University's academic, co-curricular, and extra-curricular activities, as well as its formation in Chhattisgarh as one of the foremost private universities in Central India.

After a ceremonial welcome, the newcomers were taken for a journey of Kalinga University through a short film that provided an insight into life at Kalinga University, both within and outside the classroom. Dr. R. Shridhar, Vice-Chancellor of the University, Dr. Byju John, Registrar, Dr. Sandeep Gandhi, Dean Student Welfare, Dr. Asha Ambhaikar, Dean Academic Affairs, Mr. Rahul Mishra, Deans and Heads of various Departments, and other faculty members attended the ceremony. **The special Guest of Honour was Ms. Sugandha Jain, Advocate, Supreme Court of India and Delhi Court.** The session began with the blessings of Sarasvati Vandana, the Goddess of Wisdom that was followed by a cordial greeting by the masters of the ceremony, **Mr. Kapil Kelkar and Ms. Shreya Dwivedi.** On that note, Ms. Vassavi, a B.Sc. student at the university, performed a welcome dance.

Dr. Sandeep Gandhi, Registrar of the University, delivered a welcome message and briefed the students about the university's regulatory status, awards, and honours received during its journey to this point. He constantly alluded to the accomplishments of university students and encouraged them on education-ethos in his inspirational approach. He counselled the new team on when and how to apply exceptional judgement and actions. He ended by encouraging students to be active members of the University, displaying their abilities across all platforms.

Dr. R Shridhar, Vice-Chancellor of the University, delivered a motivating speech after the Registrar's welcoming address. Dr. Shridhar discussed a variety of options for furthering their education. He was obdurate about using the university's structure for developing talent and knowledge through hands-on training and a comprehensive curriculum. He inspired them by emphasising the importance of both academic and professional qualities in achieving the ultimate goal of success. The address of the Vice-Chancellor was followed by a virtual Fashion Show put on by the students of Kalinga University. Following the performance, Dr. Byju John, Director General of Kalinga University, enlightened and blessed the new members of the Kalinga family.

Dr. Byju John stated that the higher education traditions stress a country's golden age. Our country built world-renowned universities and educational institutes by focusing on knowledge, development, and transmission of camps. In acknowledgement of the society's strength existing in the overall development of its young people, he emphasises that Kalinga University has changed and is in the

process of re-energizing higher education in Chhattisgarh. He urged the new comers to connect their passions to their life's purpose, form a community network, and focus on their overall growth towards the end of his speech.

Following the Director General's speech, **Ms. Sugandha Jain** made an enthusiastic and uplifting speech. She encouraged the newly admitted students to put forth their utmost effort in all of their performances. This potential benefits people's experiences and knowledge, which they must rely on in order to continue and grow. In order to attain optimal growth, she emphasised the significance of overcoming fear of failure and knowing brain mechanics. She presented practical advice on how to deal with obstacles in the workplace and in everyday life by using examples from Swami Vivekananda's life.

The address of the chief guest was followed by a Pictionary game by Ms. Anjali Swami. and a presentation by **Mr. Kapil Kelkar and Shreya Dwivedi** in which the students were introduced to the Deans and Heads of various Departments. **Mr. Omprakash Dewangan** then coordinated an enthusiastic dance performance of university students, Ritik and Group that was the next highlight of the event.

The students were then addressed by **Ms. Shobha Singh Thakur**, Head of the Department of Law. He emphasized that Kalinga University's IT infrastructure including its digital library with a wide range of books, modern classrooms for flipped teaching methods, and mixed approaches, facilitates the students to achieve their dreams. Ms. Shobha discussed the importance of punctuality and fearlessness, as well as how qualified and experienced faculty members can assist students in creating an integrated environment for a better understanding of basic life principles and how students can improve their professional and technical expertise through ongoing mentoring. Law is one of the most important career tracks for developing professionals and Kalinga University supplements this by offering a diverse range of opportunities, and students can participate in a variety of activities both inside and outside the University.

Following the discourse, students of the University presented a fantastic Rajasthani dance performance. **Mr. Rahul Mishra**, Dean Academic Affairs, assured each student of their value and capacity to provide something new and exciting to their diverse learning community. He finished his speech by offering general advice on how to make the most of their time at Kalinga University. **Ms. Anjali Swamy** coordinated the quizzes, reasonings, and riddles, which was followed by an interaction with **Ms. Urshita Baranwal**, the University coordinator. Following that, students from Kalinga University performed a Chhattisgarh traditional dance that was coordinated by **Mr. Omprakash Dewangan**.

An online talent round was organised by Mr. Kapil Kelkar and Ms. Shreya Dwivedi organized for the newly admitted students. **Dr. Asha Ambhaikar**, Dean of Student Welfare, presented a vote of thanks at the end of the Induction Program, which was followed by a group photo and student feedback. The program was effectively conducted by **Mr. Kapil Kelkar and Ms. Shreya Dwivedi**. **Mr. Omprakash Dewangan** and **Mr. Toshantarak** were a constant back support throughout the event. The students showed genuine admiration for Kalinga University and were enthusiastic for a new beginning. Total 39 students were present for this online induction program.

National Webinar on “The Black Gold of Bacteria” Date: 12th November 2021

Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur had organized National Webinar on “**Process The Black Gold of Bacteria**”. The Keynote Speaker for the session was **Dr. Noble K kurian**, Assistant Professor, Department of Microbiology, Atmiya University Rajkot, Gujarat. The program was held on 12th November 2021 at 02:30 pm – 03:30 pm.

The Inauguration of the National Webinar was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, who was also the Chairperson of the session. Dr. Ramswaroop Saini hosted the session with the kind permission of Dr. Sushma Dubey. The session was begins by giving introduction of the Keynote Speaker, **Dr. Noble K kurian**. Other faculty members, Prof. Dr. V.P. Kolla, Dr. Anju Meshram, Ms. Nirali Budhbhatti and Mr. Dilendra Chandrakar were also present and helped in the smooth conduction of program. Dr. Sushma Dubey, HOD, gave the concluding remarks and motivated students to use knowledge of Bacterial Biotechnology in varied sectors, and extended gratitude to the keynote speaker by delivering the vote of thanks.

Total 130 participants are registered for the webinar from different Universities and Colleges across the nation and more than 60 participants were actively participated including B.Sc. /M.Sc. Biotechnology Students, research scholars and faculty members. This session was very informative and knowledgeable. Keynote speaker talk in detail about melanin which is known as black gold of bacteria. He explained about production of melanin by the different groups of bacteria under stress condition, which helps bacteria to cope up with that stress condition. He also discussed about anti-inflammatory and anti-viral properties of different classes of melanin and their application for welfare

of human kind. Our students got knowledge and learned a lot of new information about the bacterial melanin.

In query session, participants asked various type of interesting question to **Dr. Noble K kurian** and had an open interaction. Overall session was very informative and knowledgeable for both students and faculty members. The success of this National Webinar added another feather to the cap of the Department of Biotechnology, Kalinga University. All participants have given positive feedback that they looking forward for more sessions like this and received participation certificates upon successful conduction of program.

Acknowledgement

The Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur wishes to express sincere gratitude to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, Director General Sir, DSW Madam, Dean Faculty of Science, Dean Academic Affairs, Head, HR Department and Head of the Department** for providing such a great opportunity for Biotechnology students.

Guest Lecture on Recent Trend on Material Science by Department of Physics 12th November 2021

The Department of Physics, Kalinga University Raipur organized an **online Guest Lecture on Recent Trend on Material Science on 12th November 2021**. Total 24 students of M. Sc. Physics I & III Semester.

This opportunity will be able to compete and develop the knowledge on subjective field. They are learning to how to work on research, and also better learn and score in future.

Guest Lecture: **Dr. R. P. Patel**, Associate Professor, Department of Pure & Applied Physics, Guru Ghasidas University (A Central University), Bilaspur (C.G.).

INTRODUCTION
Light Sources

- Hot Light Sources**
(Sun, hot iron, burning coal, heater filament, tungsten, etc.)
➤ Continuous Spectra
- Cold Light Source**
Firefly, television screen, oscilloscope screen, light emitting diodes, self-luminous watch-dials, fluorescent indication boards on roads, etc.)
➤ Band Spectra, line spectra or combination of both

Academic activity on “DO’S & DON’T’S In Fashion” Department of FD on 13th November 2021

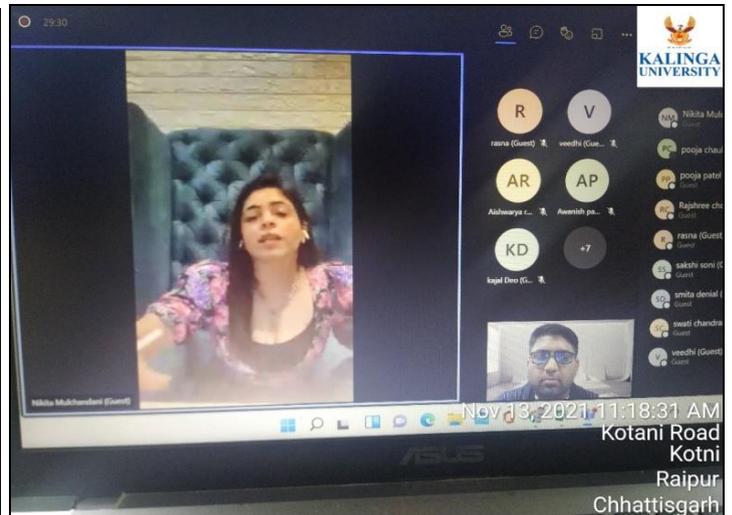

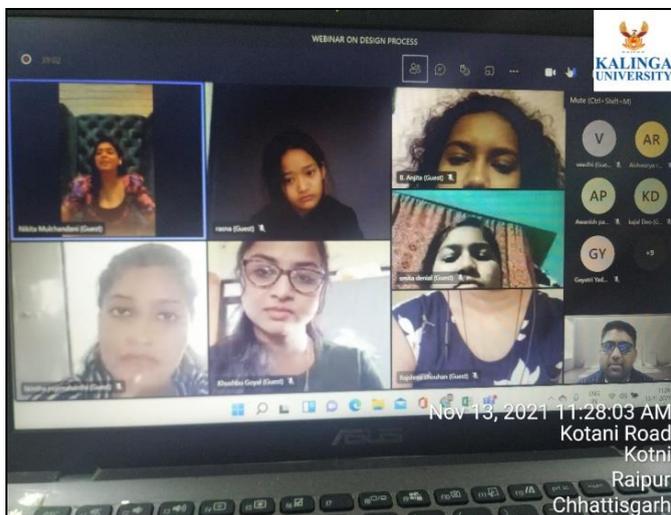

ABOUT THE ACTIVITY –

Fashion Design department, Kalinga University, conducted a departmental activity on 13th November 2021, Saturday from 11:00 am to 12:00 pm, via microsoft teamlink - <https://bit.ly/39oFjrE> , wherein the students understood the development of good fashion sense, by knowing what are the various DO’S & DON’T’s in fashion, the session was taken by Miss. Nikita Mulchandani, Fashion Designer & Owner of LABEL NIQUEETA.

With her experience in fashion industry she shared many small but necessary points on how to have a good fashion taste and sense? Many nitty gritty points were told by her about what to do and what not to do in fashion, session was arranged by Mr. Kapil Kelkar FD incharge for all the students of FD dept to get benefit and information about fashion communication article writing

Report of Royal Mechanical Club Activity

Title- "Poster making competition"

Date: 13 November 2021, Time 1.00 pm onwards.

Preamble:

The Poster making competition is organized by Royal Mechanical club for awareness of the students as well as maintains their interest in the subject. The poster making is not only for technical areas but also as far as the student can think and expand his thinking power. With poster making, the student can express his ideas thought in his own way and by doing this the student can improve his thinking skills to the best.

Participant's Profile:

All students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended.

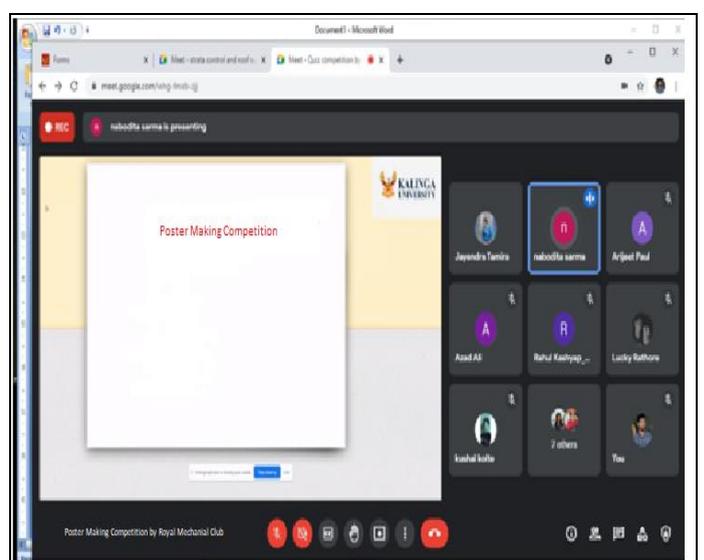

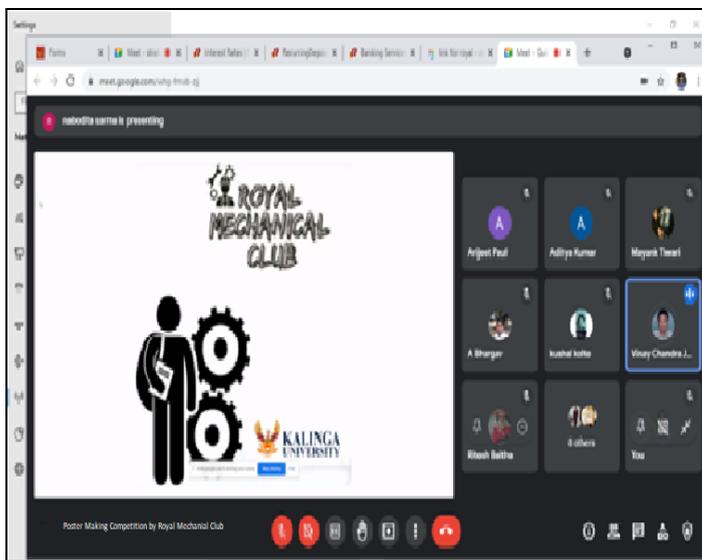

No of students = 17 (BTME7 = 2, BTME5 = 4, BTME 3 = 4, DIME 5 = 3, DIME 3 = 2, DIMI 5 = 1, DIMI 3 = 1)

Description about the Program:

Theme for making a poster:-

- Mechatronics
- Power plant
- Nuclear plant
- Hydro plant
- Automobiles
- Environmental
- Current technology
- Material science
- Covid 19
- Importance of Education

From the list of activities given above, it is obvious that posters can have quite a positive effect on the process of learning. The best advantage of poster making is that it facilitates team work and understanding along with facilitating creative thinking and extensive research and reading. It provides students with an opportunity to learn by doing, in turn strengthening the learning. Students are able to visually represent the key points and while presenting elaborate on the same which facilitates their retention and recall of events and facts. Poster making and presentation is also an effective tool for evaluating the students' knowledge and creates opportunities for active discussion and participation. Be it the traditional posters or technologically advanced computer presentations, poster making and presentations can actively engage students in their learning process.

National Webinar on Role of Chemistry in Manufacturing of Engineering Materials” on 13 November 2021

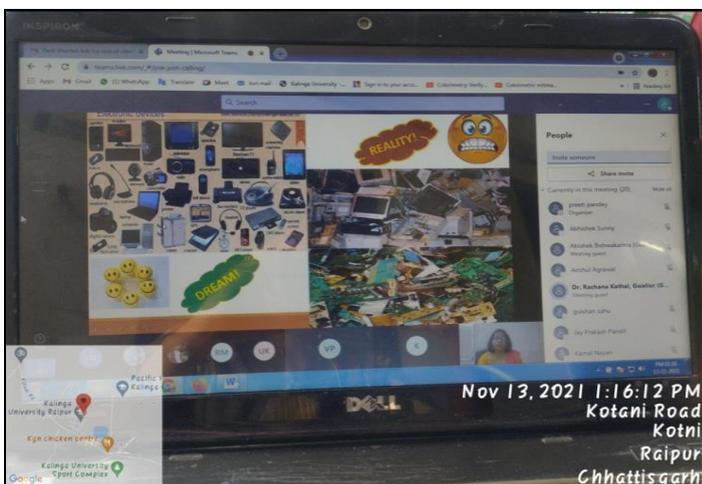

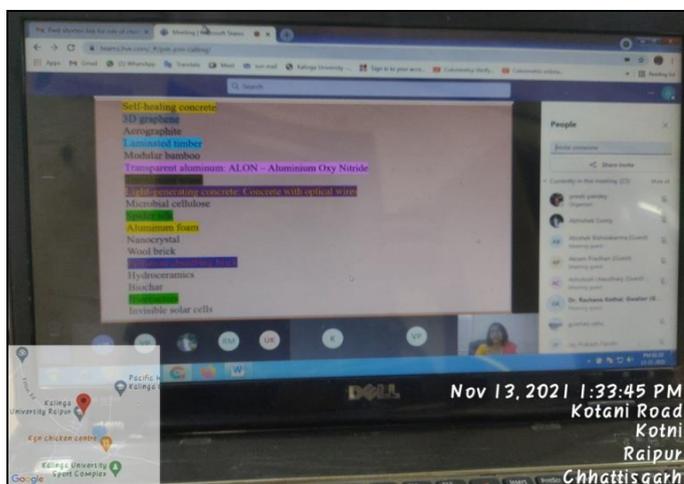

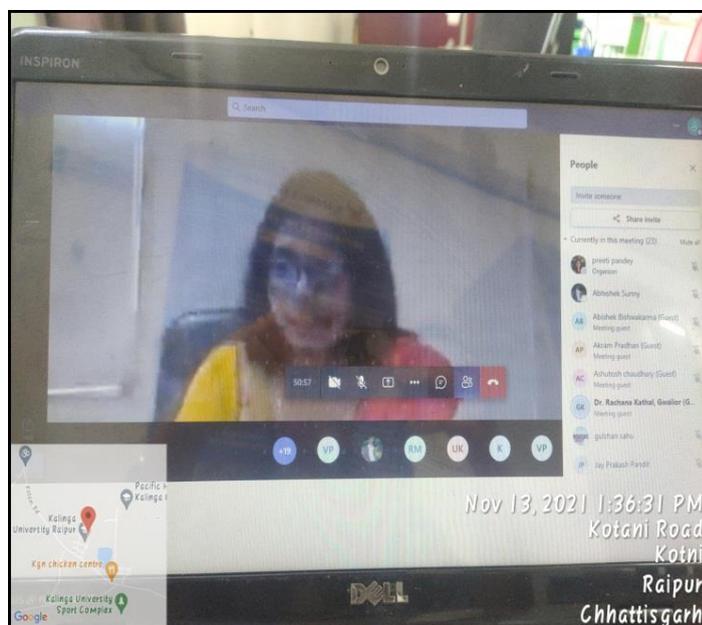

Ms. Team link-<https://bit.ly/3wql33s>

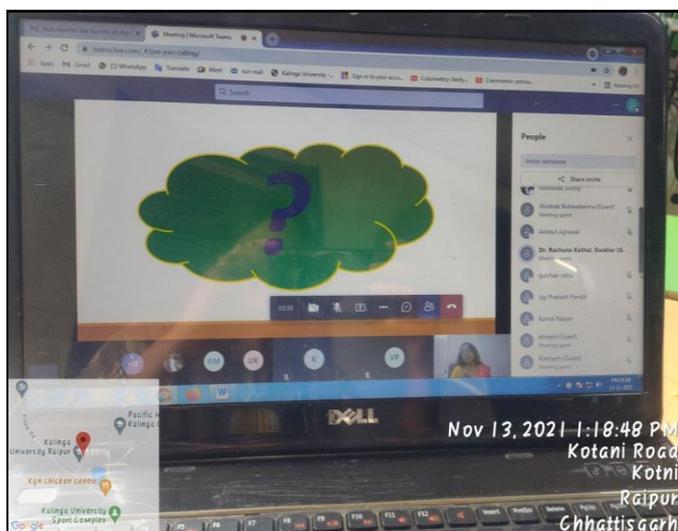

Time: 1:00PM - 2:30 PM

Total 23 participants are present in this event; they are very much interested during this event. Now students well understand the concepts of various organic reaction mechanisms, how to problem related with molecular rearrangements and their application in respect of competitive examinations.

Some Photographs of Activity:

The poster features logos for NAAC Grade B+, Kalinga University, and NIRF Ranking 2021. It includes a photograph of two students in a lab. The title is "Role of Chemistry in Manufacturing of Engineering Materials". It is organized by the Faculty of Science, Department of Chemistry. The keynote speaker is Dr. Rachana Kathal, Professor & Head of Applied Science & Chemistry, Amity University, Gwalior, India. The event is on 13 November 2021, from 01:00 PM to 02:00 PM. The convener is Dr. Preeti Pandey, Assistant Professor. The organizing committee includes Dr. Shilpi Shrivastava and Miss Priyanka Gupta. A Microsoft Team link is provided: <https://bit.ly/3vjw7dn>. “Student News Paper” by Department of Chemistry on 13th November 2021

“STUDENT NEWS PAPER ”

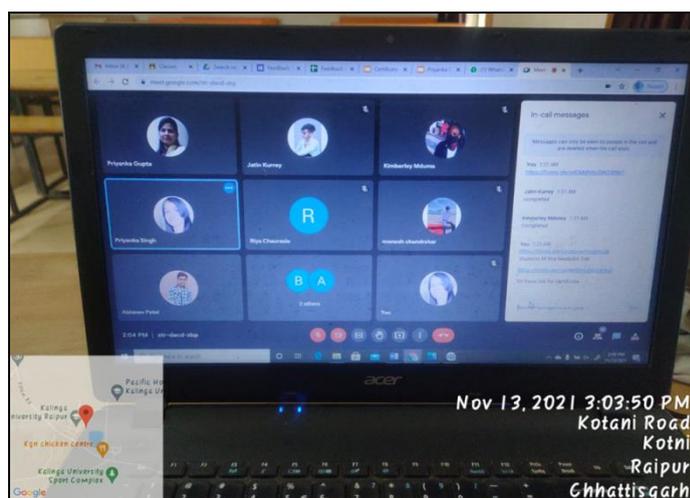

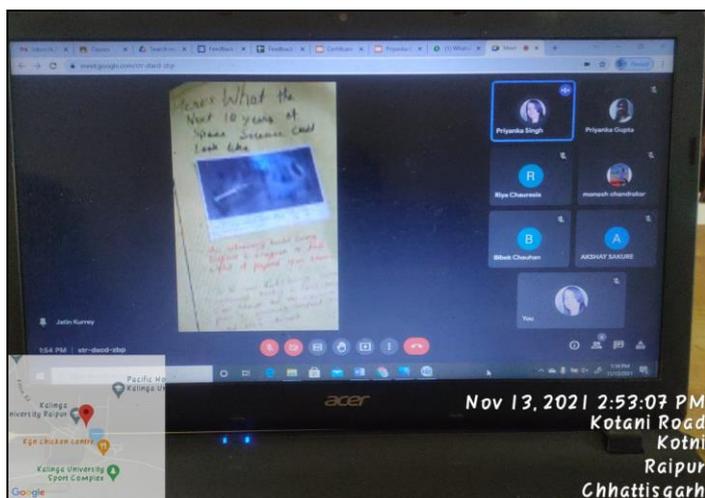

Microsoft teamlink-<https://bit.ly/30adFxf>

Time: 2:00PM - 3:00 PM

Total 07 students are present in this event; students are very much interested during this event. Students participated with great zeal and enthusiasm. They were assessed on the parameters of content, writing and presentation. Activity for students is an exciting opportunity for students to Engage in discussion, to come up with a subject matter, negotiate the various ways in which to depict the ideas, and most importantly, be creative. To encourage the students, certificate of participation is given to all students.

Some Photographs of Activity:

National Webinar on “Mathematical Fallacies” by Department of Mathematics on 17th November 2021

Date: 17.11.2021

Time: 3:00- 4:00 PM

Mode: Online

Audience: UG/PG students (Mathematics)

Video call link: <https://urlchill.com/8S6Uk>

Feedback Link- <https://forms.gle/yf5C67h5sDJC7NdP8>

Kalinga University is a prestigious institution of Central India. Here, continuous work has been done to provide quality education to the students according to global standards to develop research trends and new discoveries. In this context, under the aegis of Kalinga University, Mathematics Department is organizing series of events. A national Webinar on “**Mathematical Fallacies**” was organized on **17th November 2021 at 3:00 to 4:00 pm.**

The Webinar was started with the welcome speech by Dr. G.V.V.J. Rao. The speaker of the invited talk was “**Dr. Manoj Kumar Chande**”, Professor & Head Department of Applied Mathematics Shri Shankaracharya Institute of Professional Management & Technology Raipur. He has vast knowledge in the field of Applied Mathematics and he has given a fantastic overview of mathematical fallacies.

In the webinar, the Speaker has given some brilliant explanations as well as examples to show some mathematical fallacies. Students enjoyed very much and discussed several questions with the Speaker. Speaker faced with many questions asked by the participants, and students were satisfied after getting answers. He presented the several facts about the mathematics fallacies.

In the said event, faculty members from the mathematics department Mr. Satpal Panika, Ms. Priyanka Singh. Department In-charge Dr. S. Biswas at end of the session has given the Vote of thanks.

Seminar on "Eye Donation and Organ Donation" by Department of Biotechnology on 20th November 2021

Kalinga University, Raipur is a well-known Educational Institute in Central India that focuses on quality education and research. The University believes in holistic development of the students and thus facilitate the students to enhance and develop practical skills, techniques, or ideas which they can use in their work or their daily lives. To take this endeavour ahead, the Faculty of Science, Department of Biotechnology, Kalinga University celebrated World Sight Day by organising a seminar on 'Eye Donation and Organ Donation' along with free 'Eye Check- up Camp' on 20th November, 2021. The keynote speaker for the seminar was Dr. Manish Shrivastava, MBBS- DOMS, Director, Varun Netralaya, Raipur (C.G.), and India.

As every auspicious occasion seeks the blessings of the lord, this event also started with the blessings of the Goddess of Wisdom by the Sarasvati Vandana. The webinar was marked by the eminent presence of Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs, Faculty members and students of the University. The welcome address was extended by the convener of the seminar, Dr. Sushma Dubey that was followed by the deliberation of the resource person. Dr. Shrivastava addressed august gathering and created an awareness regarding organ donation.

Dr. Manish Shrivastava stated that He said that a person whose brain becomes dead due to brain injury, brain hemorrhage or any other reason, organs of his body still remain alive and can be donated to a needy person for saving their lives. He added that at least 6 lives can be saved by transplanting organs from the body of a 'brain dead' person. Organs like kidney, liver, heart, eyes, body tissues, blood cells can be donated for the same. Talking about the living donor, he said that a living person can also donate his body parts such as kidney, bone marrow, liver and some part of the lungs to any needy patient from his family. He said that India is second in the world in terms of organ transplant but there

is a scope for improvement in this regard. More effort is to be done to educate the masses about organ donation. On this occasion, Dr. Shrivastava said that a large number of people die due to organ failure. In many cases of organ failure, organ transplant is the only option instead of medication. Organ transplants can save large number of lives. Hence, if we change our mindset, the life of many people can be saved with organ donation. In the seminar, people also cleared their doubts from the expert about organ donation.

Dr. Sushma Dubey, Head Department of Biotechnology was the convener of the event, Dr. Asha Ambhaikar, Dr. A. Vijay Anand, Dr. V.P. Kolla, Dr. Anju Meshram, Dr. Ramswaroop Saini, Mr. Dilendra Chandrakar, Ms. Nirali Budhbhatti were the members of organizing committee. At the end of the enriching event, vote of thanks was extended by Dr. Sushma Dubey.

Total of 115 (70 Students, and 45 faculties and staff)member have registered and got their eye checkup.

Acknowledgement

The Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur wishes to express sincere gratitude to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, DSW Madam, Dean Academic Affairs, Head, HR Department, Dean Faculty of Science, Dean Academic Affairs, Head, HR Department, Head of the Department** for providing such a great opportunity for Biotechnology students.

Celebration of 60th National Pharmacy Week on 22nd November 2021

Theme "PHARMACY: INTEGRAL PART OF HEALTH CARE"

Faculty of Pharmacy, Kalinga University, Raipur Celebrated the **60th National Pharmacy Week** on 22/11/2021 i.e. Monday through Microsoft team meet link in which the eminent keynote speaker was **Dr. Sisinthy Sreeniwas Patro, Head, Pharmaceutical Technology Discipline, Royal College of**

Medicine Perak, University Kuala Lumpur. The webinar started at 10:00 AM and was attended by students of B.Pharma 1st, 3rd, 5th, 7th semester and D. Pharma 1st and 2nd year. The Organising Secretary of the webinar was Dr. Sandip Prasad Tiwari, HOD, Associate Professor, Faculty of Pharmacy, Kalinga University. The program started with Saraswati Vandana after that welcome address by Dr. Sandip Prasad Tiwari, Principal, Faculty of Pharmacy. After that the chief guest speech of Honorable Vice Chancellor Dr, R. Sridhar. He enlightens us with his views about role of pharmacist in our daily life. Keynote speaker **Dr. Sisinth Sreenivas Patro in his lecture** told the role of the pharmacist towards the society and towards the country. He told us about the a Malasian Perspective of hospital pharmacy services. At the end of webinar **Dr. Sisinth Sreenivas Patro** interacted with the questions of participants. Students actively participated in this webinar with more than 90 participants. They had many queries which were explained to them.

The vote of thanks was given by Mr. Sudeep Kumar Mandal, Assistant Professor, Faculty of pharmacy Kalinga University. He mentioned the special thanks to management committee of Kalinga University and Dr. Sandip Prasad Tiwari, HOD, Faculty of Pharmacy, and all the faculties and Students of Pharmacy department.

After that Creative Pharma Slogan Competition is held headed by Dr. Bhumika Chandrakar. After the completion she announces the winner of this event. 1st place is secured by Ms. Megha Dewangan, D. Pharm 2nd Yea, 2nd place David Kisku, B. Pharm 1st sem and 3rd position secured by Ms. Shalini Nanda, B. Pharm 5th sem. They will be provided the winning certificates.

Online Guest Lecture on Career as a Researcher on Material Science Department of Physics on 23rd November 2021

The Department of Physics, Kalinga University Raipur organized an **Online Guest Lecture on Career as a Researcher on Material Science on 23rd November 2021**. Total 26 students of M. Sc. Physics I & III Semester.

This opportunity will be able to compete as a researcher and develop the knowledge on research field. They are learning to how to manage time, and also better learn and score in future.

Dr. R. N. Baghel, Eminent Professor, School of Studies in Physics and

Guest Lecture: Astrophysics, Pt. Ravishankar Shukla University, Raipur (C.G.).

Guest Lecture on “Importance of Plant Biotechnology” Department of Biotechnology on 24th November 2021

Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur had organized Guest Lecture on "**Importance of Plant Biotechnology**". The Keynote Speaker for the session was **Dr. Andrea Pereira Kolla**. The program was held on 24th November 2021 at 02:00-03:00 pm in online mode via Microsoft team.

The Inauguration of the Guest Lecture was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, who was also the Chairperson of the session. Dr. Anju Meshram hosted the session and with kind permission of Dr. Sushma Dubey, started the session by giving introduction of the Keynote Speaker, Dr. Andrea Pereira Kolla. Other faculty members Dr. Ramswaroop Saini, Mr. Dilendra Chandraker and Ms. Nirali Budhbhatti were also present and helped in the smooth conduction of program. Dr. Sushma Dubey, HoD, gave the concluding remarks and motivated students to use knowledge of Importance of Plant Biotechnology in varied sectors, and extended gratitude to the keynote speaker by delivering the vote of thanks.

Total 41 students of B.Sc. Biotechnology I Semester and M.Sc. Biotechnology I Semester actively participated along with the faculty members of Biotechnology Department. The session was very informative and knowledgeable.

In query session, participants asked various type of interesting question to Dr. Andrea Pereira Kolla and had an open interaction. Overall session was very enriching and enlightening for both students and faculty members. The success of this Guest Lecture added another feather to the cap of the Department of Biotechnology, Kalinga University. All participants have given positive feedback that they looking forward for more sessions like this and received participation e-certificates upon successful conduction of program.

Workshop on "Mushroom Cultivation" by Department of Botany on 26th November 2021

Department of Botany, Kalinga University organised online workshop on **"Mushroom Culture"** for the students and faculty members of the university. The event was organized on 26th November, 2021 at 2:00 PM on the digital platform of Microsoft team. The Keynote speaker of the workshop was Dr. C.S. Shukla, Principal Scientist/Professor, Department of Pathology, College of Agriculture, IGKV, Raipur (C.G.)

The main objective of this workshop was to aware students about Mushroom Culture techniques. Mushroom cultivation is a new investment opportunities for the weaker sections, so that they can start their business on a small-scale level with techno -economical methods utilizing their rural level resources in a very effective manner. High number of human population also means potential market. As we know that mushroom food industry is in its inception stage. The future will demand a strong mushroom food industry in the Nation and will call for added strength in food science and technology. The mushroom workshop will be helpful to students, and unemployed youth.

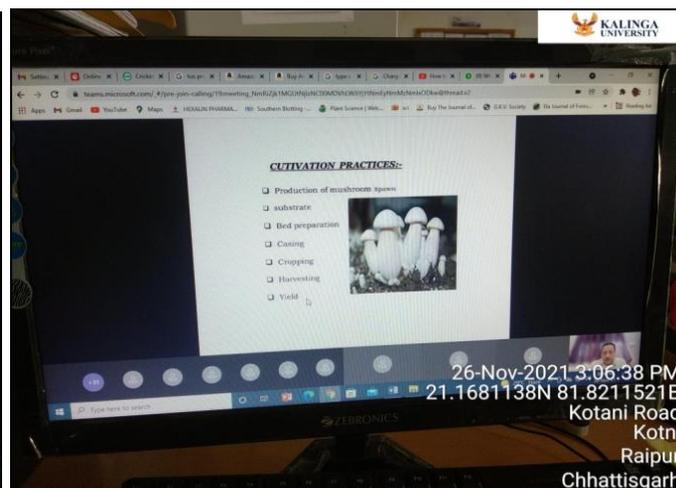

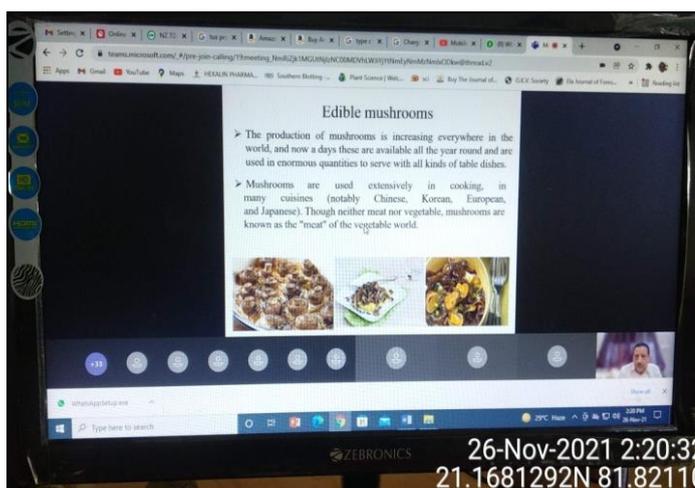

The workshop was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academic Affairs- Mr. Rahul Mishra, Heads of the Department, Faculty members and students of the department and participants.

In the session, Dr. Shukla trained participants for preparation of spawn, mushroom, bed, design & infrastructure of Oyster mushroom production farm, pest & disease management, harvesting and preparation of mushroom, marketing of mushroom in local market, retailer, export market and mushroom recipes. . The event was an immense success among students who stated that the session was interesting and informative. A total of 60 belongs different institute had participated in the workshop.

The students were highly benefitted by the insights that Dr. C.S. Shukla provided regarding the subject matter of the webinar and enabled the participants for thoughtful future aspects in this field.

"Mathematics Quiz Competition" by Department of Mathematics on 27th November 2021

On 27th, November 2021 Mathematics department had organized an activity named as "**Mathematics Quiz Competition**". This quiz was conducted by **Mr. NigamaPrasan Sahoo**, Assistant Professor, Department of Mathematics.

The main objective of this activity was to develop an interest of mathematical concept, so that student can understand the logic behind the answers and to build up the competition atmosphere amongst the students.

In the quiz competition students from M.Sc. 1st and 3rd semester participated. They enjoyed the quiz. Dr. S. Biswas and Dr. Rao have given their expert views behind the answers, and they explained the concept of the answers. During the quiz faculty members of the department asked their favorite questions in open and 2 marks were rewarded for the true answer. The questions, related to undergraduate and post graduate level mathematics were asked and the students answered nicely.

Students are awarded as below: -

S.No.	Name of Student	Class	Marks Awarded	Position
1	Devashish Gaurav	MSc. 3 rd sem	23	First
2	Partha Chakraborty	MSc. 1 st Sem	17	Second
3	Yogendra & Vandana	MSc. 1 st Sem	11	Third

At the end of the session, Dr. S. Biswas I/C- Mathematics Department, congratulates to the winners, and appreciate other students who played well.

**“EBSCO IEEE Knowledge Feast conducted by EBSCO Information services”
on 9th December 2021 at Courtyard by Marriott Raipur**

On the Topic – “Digital Evolution in Higher Education –Post Pandemic” -How Agility & Adaptability is Driving Innovative Learning.

This program was aiming to provide insight knowledge on how digital evolution has evolved in higher Education after post pandemic and its revolutionary impact on academicians, researchers and professionals Shaji John Vice President of Sales, South Asia && South-East Asia EBSCO Information Services India welcomes all the participants and introduced the resource persons.

Resource persons from IEEE and EBSCO Collin D Mello International Area Manager, India from IEEE delivered a lecture on Hybrid learning with IEEE learning solutions. In this series Ashutosh Pradhan Business manager EBSCO Information Services gave a talk on IEEE eBooks Essentials-Practical resource for students and faculties and Ranbir Singh Client Service Manager IEEE explained the process of how to explore on IEEE Xplore Digital Library Catering to the needs next generation users. The speakers emphasizes on the services provided by IEEE and EBSCO supported by market research. They discussed the increasing demands and needs of online material may be research papers, books, video lectures at a great pace.

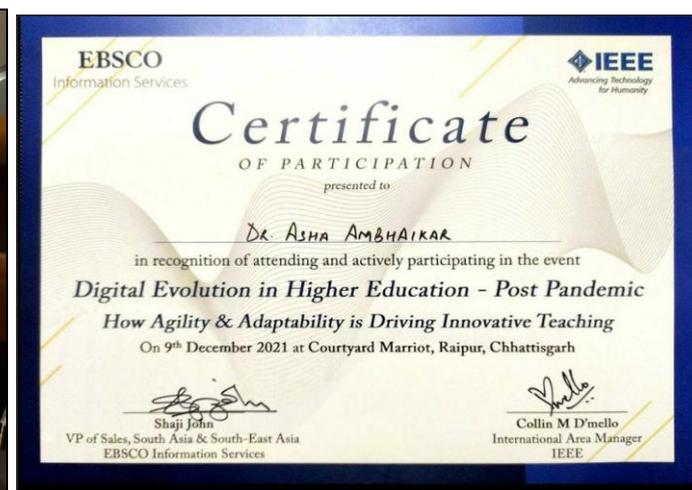

Speaking on the occasion, Dr Rajarishi Mahapatra Dean – Academics IIIT Naya Raipur discussed the integrated approach by supporting online classes with hybrid learning. He told about the importance of IEEE Professional English subscription in his institute and this course is embedded in their curriculum and students are getting benefitted. His feedback about services provided by IEEE was supported by Dr. Satyajit Gupta

Faculty In-charge IIT Bhilai by sharing customer experience with IEEE and Dr. Narendra D Londhe HOD Department of Electrical Engineering NIT Raipur discussed the relevance of research and learning through IEEE.

The sessions created the effective learning environment where we were surrounded by the latest trends, full of resources in terms of journals, books, videos, learning materials. The overall program was very informative and useful.

This program was attended by the following faculty members:

1. Dr. Asha Ambhaikar, Dean Students Welfare,
2. Dr. Rika Sharma, Asst. Professor (CSE)
3. Dr. S.K.Sahoo, Chief Librarian.

Report of Inauguration Ceremony of Institute of Driving and Traffic Research, NSS Unit on 9th December 2021

Inauguration Ceremony of Institute of Driving and Traffic Research, Chhattisgarh constructed at a cost of Rs 17 crore in Tendua village of Atal Nagar, Naya Raipur with the Collaboration Maruti Suzuki India. In this occasion NSS Program Officer **Mrs. SmitaPremanand** and NSS Coordinator **Dr. Komal Gupta** were present as representative of Kalinga University on 9th December, 2021. Chief Guest of this program **Chief Minister of Chhattisgarh** - Mr. Bhupesh Baghel, **Transport Minister of Chhattisgarh** - Md. Akbar and Special Guest Mr. Ravindra Choubey, Mr. Sunil Soni with **MD & CEO of Maruti Suzuki India** - Mr. Kenichi Ayukawa.

The main objective of the IDTR will be to promote road safety in Chhattisgarh through awareness, education, and training amongst road users. Maruti Suzuki will also conduct refresher courses for heavy motor vehicle drivers, commercial vehicle drivers and drivers of vehicles carrying hazardous goods. It will also organise road safety awareness campaigns for children.

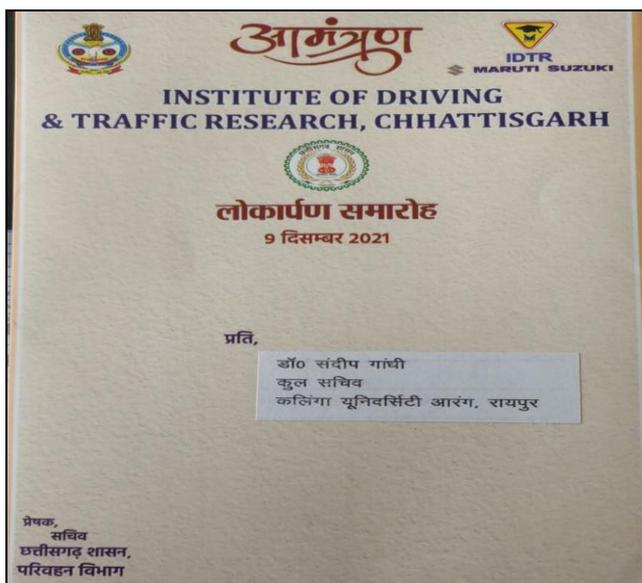

with all modern facilities of training, this institute has been built in an area of 20 acres. Addressing the inaugural function, CM of Chhattisgarh said that Institute of Driving and Traffic Research will play an important role in teaching safe driving skills.

Chief Minister announced 50 per cent concession in training fee to women and third gender candidates getting training in IDTR and free of cost training to disabled candidates.

He said that in this institute, training would be given to trainees by means of state-of-the-art equipment through experts, in which they should be trained in driving, parking, backing, descending and turning.

Presiding over the programme, Transport Minister Mohammad Akbar said that the candidates getting training in this training institute would be supported in providing employment. Those who get training here will be given priority in recruitment to the post of driver in the government department. Licenses will be given to those who complete the training.

Invitation received from Institute of Driving & traffic Research, Chhattisgarh

Seminar on "Role of Tribal Rebellion in Indian Freedom Movement" organized by Shaheed Virnarayan Singh Chair of Kalinga University concluded on 10 December 2021

Raipur:- Kalinga University is a reputed educational institution of central India. Here, high quality and research-oriented education is provided to develop new innovations in the students according to global standards. A seminar on "Role of Tribal Rebellion in Indian Freedom Movement" organized by

It may be noted that to highlight the glorious history, art and culture of Chhattisgarh anew, Shaheed Virnarayan Singh Chair has been established in Kalinga University. Through the Shaheed Virnarayan Singh Chair, students are encouraged to do new research and new discoveries by awakening their creative interest on various aspects related to the history, art and culture of Chhattisgarh. Piyush Kumar, principal of Chhattisgarh's prominent litterateur and in-charge of Government College Ramchandrapur, was present as the keynote speaker in this dialogue seminar organized in the same series.

The keynote speaker said that tribal society has played an important role in the Indian freedom struggle. Tribals are simple, easygoing and peace loving. They are deeply attached to their culture and traditions. Whenever the oppressive foreign rulers of India intervened in their jurisdiction or made a repressive policy. Then they organized and strongly opposed it. In the history of two hundred and fifty years of Indian freedom struggle, many revolutions have been initiated by the tribal society.

The convener of the said seminar, Dr. Ajay Shukla said that the tribal society is known for its excellent culture and excellent tradition. The identity of any conscious society is determined by its glorious past and its role in the present times. The life of nature loving tribal society is associated with their culture by water, forest and land. In the history of Chhattisgarh, this society has made not only the state proud but also the country by giving sons like Shaheed Veernarayan Singh.

After the said seminar program, Dean of Arts and Humanities Faculty Dr. Shilpi Bhattacharya presented a vote of thanks to the keynote speaker. Dr. Anita Samal, Mr. Chandan Singh Rajput, Mr. Mukesh Rawat, Dr. Vijay Anand, Dr. Namrata Srivastava, Dr. All the professors, staff and students of the Faculty of Arts and Humanities were present along with Mr. Shabalam Pani, Ms. Merita Jagdalla.

Two Days Free Medical Camp, Medical Room (NBGF 08), on 15th- 16th December 2021

A free medical camp for two days was organized at Kalinga University Campus, New Raipur on 15-16 December 2021. The venue for the camp was Medical room NBGF08 at the Kalinga Campus and the special guest invited for the occasion was Dr Shailendra Agrawal, MBBS MD Community Medicine, functioning as the State Nodal Officer in the Directorate Health Services Chhattisgarh. The event started at 9:30 am inaugurated by Dr R Shridhar Hon.Vice Chancellor Kalinga University. The event was blessed by the gracious presence of Dr Byju John Director Kalinga University, Dr Asha Ambhaikar DSW, Mr Rahul Mishra DAA. The program was well conducted and initiated by Dr A Vijayanand Chief Proctor and Assistant Professor, Department of Arts and Humanities. Dr Shailendra duly examined the health status of students and recommended medicines accordingly. Apart from this other routine checkups were also performed like blood pressure, sugar level, height, weight and minor health issues were also consulted. In all there were 42 participants including staff and students both. The students were greatly satisfied after their health examination. The event was specially supported by Mr Omprakash Dewangan, Assistant Professor CSE and Ms Shraddha Sahu Staff Nurse Kalinga University.

Hands on Training program, on Scanning Electron Microscope (SEM) Department of Science on 20th -21st December 2021

HANDS ON TRAINING PROGRAM

ON SCANNING ELECTRON MICROSCOPE (SEM)

APPLICATIONS

- Scientific and industry-related fields, especially where characterizations of solid materials are beneficial.
- Topographical, morphological and compositional information.
- Detect and analyze surface fractures, provide information in microstructures, examine surface contaminations, reveal spatial variations in chemical compositions, provide qualitative chemical analyses and identify crystalline structures.
- Research tool in fields such as life science, biology, gemology, medical and forensic science, metallurgy etc.

Rs 3000/-
per participant

(Inclusive of Participation Certificate and hand outs, Lunch and Refreshments will be provided to all the participants.)

Duration of Program: 2 Days

20th - 21st Dec 2021
10:00 AM - 4:30 PM

Beneficial For : Academicians, Scientific Officers, Master's & Ph.D. Students

Useful in: Forensic Science | Biomedical Research | Art | Soil and Rock | Nano Science | Wire Industries | Element Analysis

Venue - Central Instrumentation Facility, Kalinga University, Kotni, Near Mantralay New Raipur

Webinar on Anti Doping and Sport Sciences Department of Physical Education, on 21st December 2021

Department of Physical Education, Kalinga University, Naya Raipur and Physical Education foundation of India (PEFI) Recognized by Ministry and Youth affair under the aegis of National Doping Agency (NADA) has conducted a National Webinar on “**Anti Doping and Sports Sciences**” on December 21st 2021 from 11.00 am - 1.00 pm through Google Meet (<https://meet.google.com/oxi-tggs-xbg>) and Facebook link <https://facebook.be/AYjRiaHpWNg>

As every auspicious occasion seeks the blessings of the lord, this academic event also started with the blessings of the Goddess of Wisdom by the Sarasvati Vandana. The National Webinar was marked by the eminent presence of Dr. R. Shridhar, Vice-Chancellor- Kalinga University, Dr. Piyush Jain, National Secretary, PEFI, Faculty members and students of the department and participants across the country. The department extended a warm welcome to the dignitaries. Dr. Piyush Jain, National Secretary, PEFI boosted the enthusiasm among the students with his motivational speech. The welcome address was extended by the Vice-Chancellor of Kalinga University, Dr. R. Shridhar. He spoke about the importance of Medicine and Exercise components.

The National Webinar is divided into two sessions

Session 1

Time 11:00 am to 12:00 pm

The resource person .is Ms.Shruti Richa ,Dope Control Officer (NADA) has focused on the key areas of the topic and emphasized that exercising regularly lowers a person's risk of developing severe diseases, including obesity, type 2 diabetes, and high blood pressure. Exercise can also help keep the body at a healthy weight.

Session 2

Time: 12:10 to 1:10 pm

The resources person is Dr.P Karthikeyan , Associate Professor , Department of Physical Education ,Annamalai University , addressed the contemporary global benefits in the field of physical education. The deliberation of Dr.P Karthikeyan received an overwhelming response as it was very informative and educative. The students were highly benefitted by the insights that he provided regarding the subject matter of the webinar.

Topic: Anti Doping and Sports Sciences

Date: December 21, 2021

Resource person:

1. Ms. Shruti Richa Dope Control Officer , National Doping Agency (NADA)
2. Dr.P Karthikayen ,Associate Professor , Department of Physical Education
Annamalai University , Tamil Nadu.

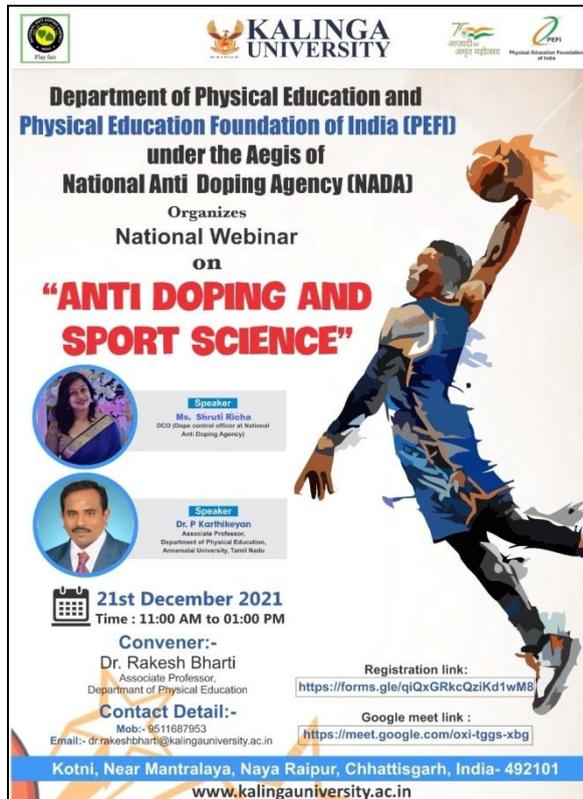

Time: 10:00 am to 1:00 pm

NATIONAL WEBINAR ON ANTI DOPING AND SPORTS SCIENCE
 21 December 2021

Kalinga University Celebrates Christmas with Great Zeal On 25 December 2021

Kalinga University, Raipur is a NAAC B+ accredited university with NIRF ranking in the band of 150-200 and it has truly emerged as a center of excellence in higher education in central India. Kalinga University, a fast emerging nationally acclaimed center of excellence, is marching ahead in the field of quality education. The University believes in the holistic development of the students and thus facilitates the students for their overall growth. To respect cultural diversity, Kalinga university celebrated Christmas, the festival of love, tolerance, and brotherhood.

On 23 December 2021, Kalinga University Raipur Celebrated its Annual Christmas and New Year Party with joy and happiness. After the last Sunday of Advent season, all the university students were excitedly waiting for this evening to celebrate the Christmas party. The place was decorated beautifully with glitter and lights. It looked amazing on the evening of Christmas. As Christmas is the season of

Hope, Peace, Love, and Joy, Kalinga University organized this celebration for international students who stayed back and did not travel back to their homes for the holiday. The students were highly impressed with the grand preparation of the organizers.

After the lovely Welcome, the program was followed by Christmas Carols delivered by the University student band. A nice dramatic presentation was given by the students on the Birth of Jesus Christ, symbolising the four seasonal weeks. The incredible celebration was marked by the eminent presence of **Dr. R. Shridhar**, Honourable Vice-Chancellor of the University, Registrar, **Dr. Sandeep Gandhi**, Dean Student Welfare, **Dr. Asha Ambhaikar**, Dean Academic Affairs, **Mr. Rahul Mishra**, Chief Proctor **Dr. A Vijayanand**, Deans, Heads, Faculty members and the students of various departments. The dignitaries extended warm and lovely wishes for Christmas. They shared the importance and stressed on the significance of Christmas festival and told different stories about the belief that Jesus Christ, the savior was born on this very day.

The festival ended on a high with a scintillating dance performance by University's International Students. The celebrations also included a rhythmic performance from the University student choir and an add-on surprise by the appearance of one faculty member dressed as Santa Claus. The staff and students were completely spellbound with the Christmas gratification.

The program was effectively conducted by the Kalinga University organizing team Headed by **Dr. Asha Ambhaikar**, Dean of students welfare, International Student Coordinator, **Mr. Arpan Dubey**, and **Mrs. Parvinder Shesh. Ms. Marieta Jagdalla** was the master of ceremony and the cheerful Santa Claus. Nuah Meway Augustine presented the vote of thanks at the end of the party celebration, which was followed by a group photo and the day was called off with a hearty dinner. The students showed genuine appreciation and admiration for the University's effort and warmth to make them feel at home and ease for Christmas.

One Day Workshop on Tally Software Department of Commerce and Management on 26th December, 2021.

One day workshop on Tally Software which was organised by Faculty of Commerce and Management completed successfully. On the day of Christmas also we have seen an attendance of approximately 100 participants throughout the session. I want to extend a thank to Respected Registrar Sir, DAA Sir & Deen Ma'am to give me this opportunity and also thanks to my colleague and kalinga family for extending their helping hands. Lastly would thank all the students who have shown great enthusiasm and made the workshop a success..... With Warm Regards, Shinki Katyayani Pandey, Faculty of Commerce and Management.

ट्रेनिंग: एनसीसी की 300 गर्ल्स कैडेट्स ने की 5 राउंड फायरिंग

सिटी रिपोर्टर, रायपुर

एनसीसी 8 सीजी गर्ल्स बटालियन ने माना फायरिंग रेंज में दो दिवसीय फायरिंग ट्रेनिंग प्रोग्राम रखा। यहां कॉलेज और स्कूल की एनसीसी गर्ल्स कैडेट्स को राइफल से गोलियां चलाने की ट्रेनिंग दी गई। 17 स्कूल और कॉलेजों की 300 गर्ल्स कैडेट्स ने फायरिंग की

ट्रेनिंग ली। कमांडिंग ऑफिसर कर्नल आशीष बडोला ने बताया, कैडेट्स ने .22 राइफल और 3 नॉट 3 राइफल से प्रैक्टिस की। सभी कैडेट्स को 5 राउंड फायरिंग करने का मौका मिला। कोरोना की वजह से लगभग दो साल बाद ये ट्रेनिंग प्रोग्राम रखा गया। फायरिंग से पहले कैडेट्स को जरूरी नियम भी समझाए गए।

Online Webinar on Web of Science-World's Most Trusted Database Department of Library on 28th December, 2021

Zoom meeting link:

<https://zoom.us/j/99278584256?pwd=WTVtN3FSQlVkdURjK0lFYmtvNzVuZz09>

A Webinar on Web of Science-World's most trusted database was organized by Dr.Sushanta Kumar Sahoo University Librarian on Dec 28, 2021 03:30 PM India. In this webinar 17 participants were participated including Dr.Asha Madam (DSW)of Kalinga University Raipur.

In this webinar Keynote Speaker Dr. Subharshree Nag has explained about the features and benefits of Web of Science as mentioned below;

The poster is for an online webinar. At the top, it features logos for NAAC Grade B+ Accredited University, Kalinga University, and NIRF Ranking 2021 (Ranked in Top 151-200 Universities). The title is 'Online Webinar on WEB OF SCIENCE -WORLD'S MOST TRUSTED DATABASE.' Below the title, two speakers are listed: Dr. Subhasree Nag, a Professional Expert and Consultant Scholarly Research Division at Clarivate -Web of Science, and Dr. S.K. Sahoo, the Coordinator, University Librarian at Kalinga University Raipur (C.G). The date is December 28, 2021, starting at 3:30 p.m. onwards. A paragraph about Clarivate states: 'The Web of Science is the world's most trusted publisher-independent global citation database. Guided by the legacy, of Dr Eugene Garfield, inventor of the world's first citation index, the Web of Science is the most powerful research engine, delivering your library with best-in-class publication and citation data for confident discovery, access and assessment.' Zoom details are provided: [https://zoom.us/j/99278584256?](https://zoom.us/j/99278584256) and `pwd=WTVtN3FSQIVkdURjKOIFYmtvNzVuZ209`. Meeting ID: 992 7858 4256, Passcode: 570A6B. The location is Kotni, Near Mantralaya, Naya Raipur, and the website is www.kalingauniversity.ac.in.

1. How do you explore the literature?

The slide is titled 'HOW DO YOU EXPLORE THE LITERATURE?'. It contains a bullet point: 'You read a paper that's useful to you. Then? But you can only find older papers, never newer ones.' Below this, a citation is shown: 'A Role for Parasites in Stabilising the Fig-Pollinator Mutualism'. Two bullet points define citation and citation index: 'A citation is a reference to other published materials' and 'A citation index is a database that captures all references of items, allowing the user to easily establish which later documents cite which earlier documents'. A green box states: 'What this means to you: Using the citation index, you can easily find older and newer RELATED papers.' The slide is from Clarivate.

8. Summary.

The Webinar was ended by Vote of Thanks given by Dr. Sahoo University Librarian.

Selected as Jury Member at National Designer Award by Khadi Design Council of India, Department of Fashion Design on 29th-30th December, 2021

ABOUT THE EVENT -

- KDCI (Khadi Design Council of India) organized a national level event for designers - National Designers Award 2021 on 29th& 30th December 2021

AIM FOR CONDUCTING THIS EVENT:

- To provide a design platform for designers all over India.
- To provide a national level competition for design students

CONDUCTED BY -

- Mr. Ankush Anami – CEO KDCI

ABOUT THE EVENT –

KDCI organized a national level event for fashion designing students around India, where institutes like la moda mumbai, insd mumbai, sidi raipur, Aesthetic institute Raipur Parul University Baroda etc participated in the event. And I Kapil kelkar was being invited there as one of the Jury member in the event. The event was supposed to be happen in Hotel Tivoli Grand Alipur Delhi, but suddenly as Delhi was declared as yellow zone due to Omicron, the complete arrangement and event was shifted to The Fern Residency, Sec 104 Noida. On 29th December since morning trails of the garments and designers meet was done during day time, and in evening momento distribution and students certificates were distributed. On 30th Decemeber afternoon 3 pm, the event started where designers coming from aorund India, showcased their

creations on ramp. Shri Rajendra Agrawal ji, Member of Parliament were invited as a chief guest at the event.

Miss and Mrs Khadi state finale winners 2021 were also called at the event as models, and they also walked the ramp wearing students' creation. All in all it was a good fair event, but not meeting to its previous standards due to sudden venue change.

I represented Kalinga University there as a Jury Member, judging the creations of the students

We are happy to announce that our HOD of **Fashion Design Department** has been selected as a **Jury Member** at **National Designer Awards** by **Khadi Design Council of India**

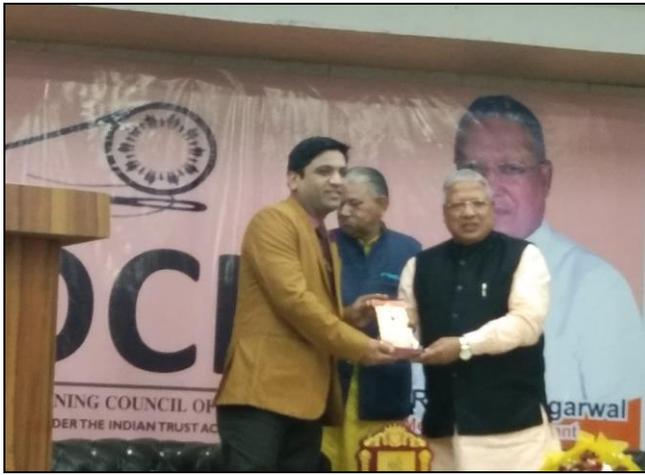

Mr. Kapil Kelkar

Source: 2020 Journal Citation Reports (Clarivate Analytics, 2021)
Each year, the Journal Citation Reports[®] (JCR) from Web of Science Group examines the influence and impact of scholarly research journals. JCR reveals the relationship between citing and cited journals, offering a systematic, objective means to evaluate the world's leading journals.

More information available at: www.ieee.org/citations

1. IEEE value for your institution

IEEE helps create value for your institution

“Institutions have increased Research and Professional Practice output for NIRF Ranking by subscribing to IEEE”

IEEE provides curated content & High Value Information

“Publish with IEEE in 4 -6 Weeks in an award-winning, multidisciplinary, all-electronic archival journal”

Publish in 4-6 weeks

“Most adopted International Professional Association for NBA Accreditation”

Help your students leverage content of the organization that fuels the Fourth Industrial Revolution.”

2. IEEE Xplore Digital Library.

Subscription Options for India

IEEE/IET Electronic Library (IEL)

IEEE/IET Electronic Library (IEL)

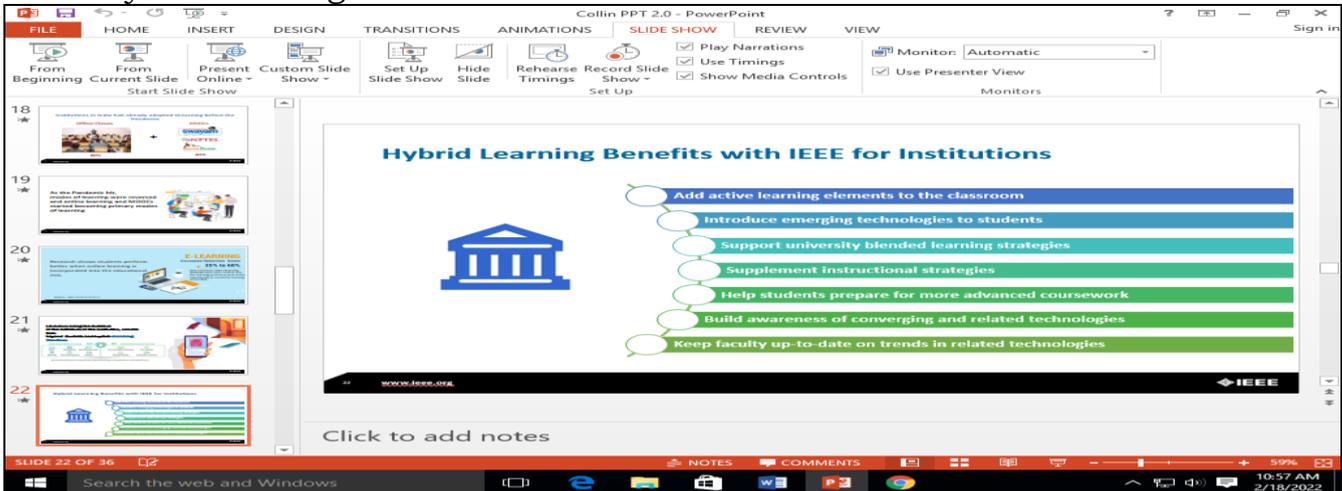

The most comprehensive and value-driven collection available through IEEE Xplore, IEL delivers innovative information and powerful research tools:

- Nearly **1.2 million** articles from **198 top-cited IEEE journals**, magazines, and transactions
- Over **3.2 million conference papers** from as far back as 1936, with up to 200,000 added each year
- Approximately **4,800 IEEE standards documents** in key technology fields, with the option to add draft standards
- IEEE Redline Versions of Standards
- Access to seminal articles from Bell Labs Technical Journal archive
- Access to articles from **IET's E&T Magazine** as well as proceedings from IET conferences and events
- Access to more than **14,000 papers from select VDE conferences**
- Access to articles accepted for future publication
- Backfile to the late 1800s for select titles

3. Hybrid learning benefits with IEEE for Institutions.

The screenshot shows a PowerPoint slide with the following content:

- Add active learning elements to the classroom
- Introduce emerging technologies to students
- Support university blended learning strategies
- Supplement instructional strategies
- Help students prepare for more advanced coursework
- Build awareness of converging and related technologies
- Keep faculty up-to-date on trends in related technologies

The slide also features a blue icon of a classical building and the IEEE logo at the bottom right.

4. IEEE e-Learning Library.

Introducing IEEE eLearning Library

- Online, self-paced courses designed to keep engineers and technical professionals up-to-date on core and emerging trends, leadership skills, and more.
- Courses on latest technologies, taught by the world's leading experts
- Peer reviewed by IEEE societies and experts from renowned universities and corporations worldwide
- Learners earn CEUs/PDHs upon successful completion to maintain professional licenses through the IEEE Learning Network

Convenient Access Options

- IEEE Xplore
- Locally load SCORM files into your own LMS system
- IEEE Learning Network: New LMS specially optimized for online learning. Centralized portal with advanced LMS functionality such as tracking, managing and reporting on learner behavior

5. IEEE English for Technical Professionals.

- 18 hours of **online instruction**
- Each lesson includes modules on **reading, writing, listening, and speaking** skills
- Reoccurring characters bring the lessons to life as they interact with each other and the learner through **animated business scenarios**
- Short **assessments and exercises** throughout each lesson to help improve skills, with **final test** at the end of each lesson

Provides non-native English speakers with a working knowledge of English techniques and vocabulary that are essential for working in today's technical workplace.
