# ABOUT THE UNIVERSITY

The Kalinga University, is a premier Institute for Higher Education and Research in the country. It is established under Chhattisgarh Private University (Establishment and Operations) Act 2005 and under section 2 (f) of UGC Act 1956. Situated in New Raipur, Sector 30, Kalinga University offers a lush green eco friendly campus with a conducive learning atmosphere rich in peace and serenity, which eventually turns the educational wheel and cognitive processes.

With an elite academic experience Kalinga University pushes the boundaries of knowledge by providing an interactive cross cultural campus accommodating students not only from India but more than twenty countries of the world which include South Korea, Tanzania, Sudan, Malawi and many more. Kalinga University provides world class infrastructure with well equipped labs having all the advanced resources and equipments to offer an excellent learning atmosphere to the students. It offers the highest quality of academic experience with a teaching staff repertoire of best teaching practices, reflective, collegial and rich in problem solving with emphasis on originality. Our outstanding and responsive support is actively available to the student's right from the initial stage of their transition to University life till the accomplishment of degree and placement.

Our academic standards are high with an International campus unparalleled in the country. It is a matter of great proud for us to see Kalingites excel with a flourishing career graph in the global atmosphere. We firmly believe in the motto of Father of our Nation, Mahatma Gandhi who expressed -

***"Live as if you were to die tomorrow, Learn as if you were to live forever..."***

## **MESSAGE FROM THE CHAIRMAN**

As Kalinga University completes another year (2020-21), I am filled with pride and happiness, and express my gratitude to God Almighty for helping us come full circle. Indeed, it has been an eventful journey since the inception of the university back in 2013. Today, we may proudly say that what began as a dream has successfully made its mark in the city's blooming education sector. Indeed, the university shines brightly among all other top educational institutions of Chhattisgarh. It is in no small part, a contribution of the able leaders, teachers and parents who work in sync to ensure the very best learning environment for the heart and soul of the school – its children.

It is very heartening, therefore, as Chairperson to see our efforts bear fruit. I am also extremely proud to state that the university is ranked among the Top 35 private universities of the country. Truly, I applaud the faculties, who have helped the students perform admirably, as well as for their able guidance and supervision, that continue to transform Kalinga and lead it onwards to new horizons.

It has indeed been an eventful year, replete with a plethora of activities and events that celebrate the spirit of learning, growth and creativity. All these events contribute to the holistic development of the students, who are able to hone their talents and channel their energy into productive, creative work. This remains our belief at Kalinga, that students can achieve their full potential only when they are given free rein to their innate talents.

Once again, I praise the entire management, staff and student body of the University for their Achievements. I pray that God showers each one of us with His divine grace and blessings.

**Dr. Rajeev Kumar**  
**Chairman**  
**Kalinga University**

## **MESSAGE FROM THE CHANCELLOR**

It is really a subject of satisfaction for all of us that Kalinga University has made constant progress in a comparatively short time frame in conditions of growth of its physical system and academic programs. The University offers graduate and post graduate courses. Focused on promoting academic quality and socially relevant education, the University has made all attempts to meet up with the nationwide and global benchmarks. We have an extremely dedicated and responsive administrative and teaching staff. We offer great value to interactive learning and two-way communication technique, thereby making the learning environment genuine and reactive. With professors who are recognized experts in their field, it creates an environment that combines that best of pedagogy with an encouragement to ask and be curious. A key area of the learning experience is exactly what students do beyond their classrooms. Keeping this at heart, the hostel facilities in the University premises have been made with utmost care so that students can feel secured and relaxed. I request you to get ready yourself for the opportunities of the new life at our University using its educational offerings and skills in proving as well as growing areas.

I wish you all the good luck.

**Dr. Sandeep Arora**

**Chancellor**

**Kalinga University**

## MESSAGE FROM THE VICE CHANCELLOR

Kalinga University will encourage you to challenge and stretch yourself in ways you might not yet think possible. Your degree from Kalinga combined with the huge variety of opportunities and activities on offer here and with the experience of this vibrant city will transform your sense of your own possibilities as a highly employable person and as a responsible citizen.

Kalinga University is dedicated to nurture students who will contribute to society by advancing knowledge and imparting it to new generation of students. In a world where change is inevitable, only one thing is certain i.e Knowledge. It will surely be a key resource and will be highly sought after, within India and around the globe. Our focus is to generate the intellectual property which will create new jobs and to educate and train people to work in fields having potential for growth of their specialized knowledge and for their ability to research, communicate and solve problems. They hope to play a central role in making your experience as productive and rewarding as possible.

Looking around the University's beautiful and peaceful campus, it is easy to nurture the creative buds of our students so that they can open their wings and can fly high to achieve greatest heights. As they believe it is possible for each and every one of us to make a difference with our efforts and vision.

Let's strive to keep excellence, integrity, accountability, respect and service in mind throughout the academic year and pursue a common goal in and outside the classroom. It will open a myriad of opportunities for all of us truly to shape the world.

I wish you all the best for future career as students of this  
University. Affectionately.....

Dr. R. Shridhar

Vice Chancellor

## MESSAGE FROM THE REGISTRAR

At the Kalinga University, we know our students want more than a traditional university degree. They want desire education that prepares them for a global future – a future that demands critical thinking, innovation and resourcefulness.

At the Kalinga University, we believe every future matters. This belief fuels the experience we offer our students. We believe in innovation as a pathway to success. Innovation propels societies forward, improves lives, spurs discovery and advances higher knowledge.

We are big enough to offer a global education and to embrace world-class research. We know our students want to be innovators – they want an engaging education that positions them for success. They know the classroom is important but also believe, as we do, that there is an enriching education to be had outside the lecture hall. At Kalinga University, we've helped our students launch highly successful companies. Our faculty members are passionate about helping their students succeed, while maintaining excellence in research. Our students channel that passion into a determination to seize the opportunities available to them and create their own future.

We know that students today are looking for more than just a traditional university degree. At Kalinga University, they find an education focused on mentorship, collaboration and discovery. They find the support and framework to believe in them, take chances and be a force for positive change. These experiences build a more complete educational experience, and they strengthen our province as a whole. Our global connections bring together students from around the world. Our network continues to spread internationally. I'm incredibly proud to be a part of Kalinga University. I hope you are, too.

**Dr. Sandeep Gandhi**

**Registrar**

## **MESSAGE FROM THE DEAN STUDENT'S WELFARE**

The Annual Report is a kaleidoscope of the various academic, co-curricular and extracurricular activities of Kalinga University. It is designed to provide information that will assist the students in exposure of their multifaceted talents and potentials at Kalinga University.

It is a handbook describing the functioning of Kalinga University making various departments more accessible and easily approachable to students for resolving their queries and concerns. The University takes great care to enrich the teaching learning process and make it more interesting and interactive through multiple activities, educational tours, cultural activities, industrial visits, seminars and Conferences organized time to time.

The office of Dean Student's Welfare is the trusted place for the students to convey their grievances, queries regarding hostel, classroom and inconveniences related to adjustment in the new learning. Keeping in mind the security of girl students a women cell has been set up adjacent to the DSW office where girls and female faculties can register complaints regarding any kind of exploitation and harassment on which counseling is offered and respective actions are taken.

The Office of Dean Students Welfare is here to help you. You will always find a friendly face and helping hand. Best wishes to you as you begin a new academic year and new chapter of your life

Dr Asha Ambhaikar

Dean Student's Welfare

Kalinga University

# OUR VISION AND MISSION

## OUR VISION

Kalinga University aims to be an outstanding institution for Talent Development and Knowledge Creation for a vibrant and inclusive society.

## OUR MISSION

The primary purpose of Kalinga University is to provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will ensure the survival of future generations and improve the quality of life for all. The University seeks to help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development.

To fulfill our mission, we:

1. Offer broad and balanced academic programs that are mutually reinforcing and emphasize high quality and creative instruction at the undergraduate, graduate, professional and postgraduate levels.
2. Generate new knowledge through a broad array of scholarly research and creative endeavors, which provide a foundation for dealing with the immediate and long-range needs of society.
3. Achieve leadership in each discipline; strengthen interdisciplinary studies, and pioneer new fields of learning.
4. Promote the use of new technologies in Teaching and Research.
5. Inculcate right values in students for their holistic development.

**Shringee Sharma a student of MBA has received Shahid Rajeev Gandhi Award with certificate and medal on 29.08.2020**

कलिंगा विश्वविद्यालय में हिन्दी भाषा और संस्कृति विषय पर संवाद गोष्ठी का आयोजन  
14.09.2020

**रायपुर—** कलिंगा विश्वविद्यालय, नया रायपुर (छत्तीसगढ़) में “ कला एवं मानविकी संकाय” के अंतर्गत हिन्दी विभाग के द्वारा 14 सितम्बर 2020 को “हिन्दी भाषा और संस्कृति विषय पर संवाद गोष्ठी का आयोजन किया गया। इस कार्यक्रम में मुख्य अतिथि के रूप में छत्तीसगढ़ के सुप्रसिद्ध बाल साहित्यकार श्री रमेश द्विवेदी और विशिष्ट वक्ता के रूप में देश के सुप्रसिद्ध हिन्दी साहित्यकार श्री प्रभुनारायण वर्मा उपस्थित थे।

कार्यक्रम का शुभारंभ माँ सरस्वती की वंदना से प्रारंभ हुआ। “संवाद गोष्ठी” कार्यक्रम में मुख्य वक्ता श्री रमेश द्विवेदी ने भाषा और संस्कृति विषय पर विस्तार से प्रकाश डालते हुए कहा कि “हिन्दी भाषा की विविध बोलियों” के शब्दों से हिन्दी भाषा पर व्यापक प्रभाव पड़ा है। भाषा के माध्यम से सांस्कृतिक और राष्ट्रीय एकीकरण हो सकता है। जो हिन्दी भाषा के प्रयोग में स्पष्ट दिखलाई पड़ता है।

श्री द्विवेदी ने विद्यार्थियों को संबोधित करते हुए बताया कि आज हिन्दी वैश्विक भाषा बन चुकी है। संचार क्रांति ने पहली बार भाषा विशेष के वर्चस्व की विदाई की घोषणा कर दी है। संचार क्रांति के पहले भाषा विशेष का वर्चस्व हुआ करता था। संचार क्रांति के बाद भाषा विशेष का वर्चस्व स्थापित करना संभव नहीं है। अब किसी भी भाषा को हाशिए पर बहुत ज्यादा समय तक नहीं रखा जा सकता। आज साइबर युग में बीस साल पहले की हिन्दी भाषा की स्थिति और आज की स्थिति में जमीन-आसमान का अंतर दिखलाई पड़ता है।

सुप्रसिद्ध प्रभुनारायण वर्मा जी ने हिन्दी भाषा के स्वरूप और वर्तमान समय में हिन्दी भाषा की स्थिति पर विस्तार से बतलाया। उन्होंने कहा कि भाषा अभिव्यक्ति और संचार में बाधक नहीं बन सकती और कोई व्यक्ति यदि मातृभाषा में सोचता एवं समझता और सीखता है तो उसका दूसरी भाषा में अंतरण आराम से कर सकता है और चिरकाल तक वह उसके मनोमष्टिष्क पर छापी रहती है।

उन्होंने कहा कि हिन्दी दिवस अंग्रेजी भाषा के विरोध और विलाप का दिवस नहीं है बल्कि आपनी भाषा के सम्मान का दिन है। उन्होंने कहा कि सभी को अपनी मातृभाषा से और संविधान से मान्यताप्राप्त राजभाषा से प्रेम होता है। अपनी मातृभाषा के मानक स्वरूप को सरल एवं सहज और शिक्षा एवं संचार और तकनीकी की भाषा के रूप में विकसित करना हमारी जिम्मेदारी है। इसका उदाहरण देते हुए उन्होंने समझाया कि चीन एवं जापान और जर्मनी जैसे देश इसीलिए इतनी प्रगति कर रहे हैं क्योंकि वे अपनी भाषा का प्रयोग राजकाज से लेकर दिनो दिन सभी कार्यों में करते हैं।

उक्त कार्यक्रम में विश्वविद्यालय के छात्र कल्याण अधिष्ठाता डॉ. आशा अम्भईकर एवं कला एवं मानविकी संकाय के अधिष्ठाता डॉ. एम.एस. मिश्रा एवं हिन्दी विभागाध्यक्ष डॉ. अजय शुक्ला, श्री अरुण जायसवाल, डॉ. शिल्पी भट्टाचार्य, डॉ. अनिता सामल, डॉ. नम्रता श्रीवास्तव, श्री ए.के. कौल, श्रीमती स्वरूपा पंडित, सुश्री खुशबु सिंह, सुश्री मेरिटा, श्री चंदन सिंह राजपूत, श्री मुकेश रावत, श्रीमती स्मिता प्रेमानंद, श्री शैलेश देशमुख, श्री ए. विजयआनंद आदि प्राध्यापक एवं विद्यार्थी उपस्थित थे। कार्यक्रम का संचालन श्री अरुण जायसवाल और आभार प्रदर्शन डॉ. एम.एस.मिश्रा ने किया।

## **Felicitation of Faculties for Outstanding Contribution in Building Sanitization Gates and Manufacturing Liquid Hand Sanitizer to Fight against Covid-19 on 16.09.2020**

Kalinga University took a giant leap in the direction of fighting with the Global Pandemic COVID-19 by manufacturing a ‘Sanitizing Gate’ in its premises. The Department of Mechanical Engineering at Kalinga University achieved a marvelous feat by creating a Sanitization Tunnel and Gate. The first project was undertaken by Mr. Sameer Verma, Assistant Professor in Mechanical Engineering Department. The tunnel was made at a very affordable price and is fitted with 7 self filter nozzles, 3 at the top side of the gate and two on either side of it. It dispenses a fog of sanitizing liquid from three sides after being activated by double foot pump. It runs on 12 amp 12 volt battery which is sufficient for 200 sprays at single charge. It can accommodate a 16 litres tank of sanitizing liquid with level indicator. The tunnel was constructed using materials from the Mechanical Engineering Lab like Channel Frames, Vinyl Sheet, Electric Connection, Motion Sensors and Pressure Pumps etc.

The second project of Sanitization Gate was undertaken by Mr. Akhilesh Gaidhane along with Mr. Gaurav Tamrakar under the guidance of Dr V.C. Jha, Head- Department of Mechanical Engineering.

Both the gate and tunnel were inaugurated by the Honorable Vice Chancellor Dr. R. Shridhar and Honorable Director General Dr. Byju John. The Vice Chancellor of Kalinga University stated this leap “As a beginning of new era of Kalinga for the self sustained development of the institution” He also stated that “This creation will encourage the entire faculty and the students of Kalinga to put a step ahead to achieve new levels of creativity.

This earnest initiative from Kalinga University is believed to be a successful effort towards the fight against novel corona virus. This will not only protect students from environmental contamination but also create a mental satisfaction with a sense of security.

The Novel corona Virus SARS CoV-2 caused this century's first pandemic in 2019 December. Since then almost every country on this earth suffered from its brutal and cruel death toll. Every human being is willing to fight by his own weapon. Kalinga University joined this fight as well by producing its own liquid hand sanitizer to prevent the chain of pandemic within University campus and outside. This is a big achievement for the University as its faculty of Science stood up against the pandemic and decided to contribute as much as they can to mankind. This big leap was supported by the management of Kalinga University and they successfully produced the hand sanitizer and tested from renowned laboratory. The efficiency of the sanitizer was surprising as it was no less from any hand sanitizer found in market but economically cheaper and can be reached to many families who couldn't afford the same. Now the entire faculty is happy with the creation and considers it to be a fantastic effort by the University. This project was conducted by Mr. Abhishek Pandey, Dr. Hindole Ghosh, Dr Manoj Singh and Dr Pratik Jagtap. This project was entirely done under considerations of WHO guidelines along with some experimental adjustment by the Kalinga Faculty. This is an Isopropyl alcohol based sanitizer with nature based color and flavor. The faculty tried to reduce the biohazards and side effects caused by chemicals. This product was created with half a price of expenditure the market product does.

The product was first used by the Honorable Vice Chancellor Dr. R Shridhar and marking his words he said "This product can give a fantastic fight against the SARS CoV-2". The results of efficiency from the research labs were surprisingly good. The faculty is trying to build an immunity boosting hand sanitizer as a future Endeavour. "This trend of creation by Kalinga never must stop from now on we will try as much as we can to make our campus self sustaining. This will be our leap towards become 'Atmanirbhar'" said the Honorable Director General Dr. Byju John.

The felicitation ceremony was organized on 16th September 2020 in the Auditorium of Kalinga University in the auspicious presence of Hon'ble Vice Chancellor Dr R Shridhar, Hon'ble Director General, Dr Byju John, Hon'ble Registrar Dr Sandeep Gandhi and other staff members of Kalinga University to felicitate the faculties who had contributed in the making the aforesaid project successful. The felicitation ceremony was

coordinated and managed by Dr Harsha Patil, Ms Ankita Nihlani, Ms Pooja Chandrakar, Mr Manish Singh, Ms Neeta Sharma, Mr Rahul Chawda and others.

## **Online Induction Programs "First Step-2020" for the students of BBA & B.Com.**

**21.09.2020**

### **DREAMS COME TRUE**

The University showered a warm welcome upon all the Freshers and greeted them with open arms. The hesitation of entering an unfamiliar realm soon diminished when they were adorned with the caring words of the dignitaries. In the due course of the time it is expected from them to be an integral member of Kalinga Family.

Kalinga University, Raipur held an impressive induction programme 'First- step 2020' for the students of batch 2020-21 on 21st September 2020. The graceful ceremony started with the welcome of newly admitted students followed online a welcome dance by senior students.

The ceremony was marked by the legendary presence of our Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar , Incharge Academic Affairs, Head of the Departments and all faculty members.

The Induction Programme was meant for introducing the BBA and BCOM students. The key note speaker of the Induction Programme was Dr. R. Sridhar, Honourable Vice Chancellor, Kalinga University. In his speech he introduced the students with multiple aspects of Higher studies which included the assessment criteria, mode of study, and development of personal skills like determination, proper time management

and hard work to achieve the ultimate goal of success. He ended the speech with a positive note demanding great expectations from the students in future. The Vice Chancellor's speech was followed by the speech of Dr. Byju John, Director General, Kalinga University, who shared his timeless rich experiences of years with the new comers. The occasion was blessed by the graceful presence of Dr. Sandeep Gandhi, Registrar, Kalinga University who assured the students of providing the best faculty and facility for the coming academic sessions. Special guest speakers of today's function were Mr. Sudeep Malhotra Corporate Trainer and Life Coach Faridabad, Haryana. Students got inspired by their motivational speeches.

Speaking about the future challenges and cut throat competition Mr. Rahul Mishra , Incharge Academic Affairs and Mr. Kumar Shwetabh, Deputy Registrar briefed the students on creating the best academic atmosphere for desired jobs and entrepreneurship.

The next session started with the motivating video regarding life at Kalinga University followed by number of games and sessions with the university co-ordinator, library incharge, transport incharge, sports incharge, NSS incharge, NCC incharge, training and placement incharge. These sessions helped the students to understand the university better. The sessions were followed by virtual prize distribution and vote of thanks that was extended by Dean Student Welfare, Dr. Asha Ambhaikar.

The programme was successfully conducted by Mr. Kapil Kelkar, Ms. Avinash Kaur, Mr. Himanshu Jhade and Dr. Vineeta Diwan. The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. They expressed their gratitude and thanks for a fruitful Induction Programme. The magnificent ceremony came to an end with the beats of music opening the golden gate to the future of our newly admitted students.

## Webinar on “Innovative Method for Optimum Design” by Department of Mechanical Engineering on 22<sup>nd</sup> Sep 2020

Webinar is organized by and Department of Mechanical Engineering for the improvement in technical knowledge about Innovative Method for Optimum Design for Mechanical and Mining Engineering Students on 22 Sep 2020.

All students of mechanical Department as well as students from Mining Department (Total 62 Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended the Guest Lecture.

Mr.Rafaque Ahmad, PhD Scholar, NIT Warangal explains the students about the Practical scope of optimization with its applications and what are properties of optimal solutions. He also explained different optimization methods and the role of optimization beyond finding optimal solutions.

## Departmental Online Activity “C- Planner and Modeler” by Department of Civil Engineering on 27<sup>th</sup> September 2020

It is an Innovative drawings and modelling with Softwares / Manual mode to promote and create interest in students about the designing of structure, including the technical knowhow and presenting the structural drawings in a valid format either through software or hand designed. Emphasis was kept on the software drafted structural designing for exposure of students towards Designing and Drafting in construction industry.

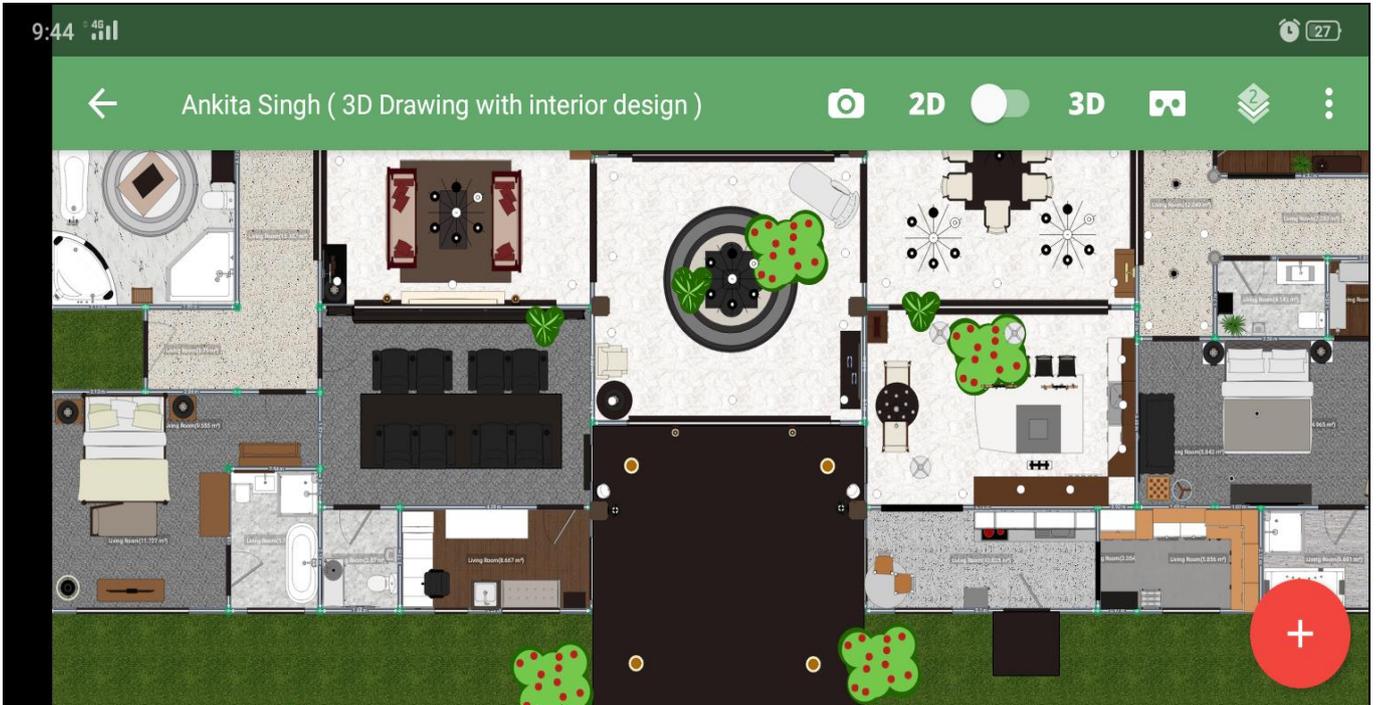

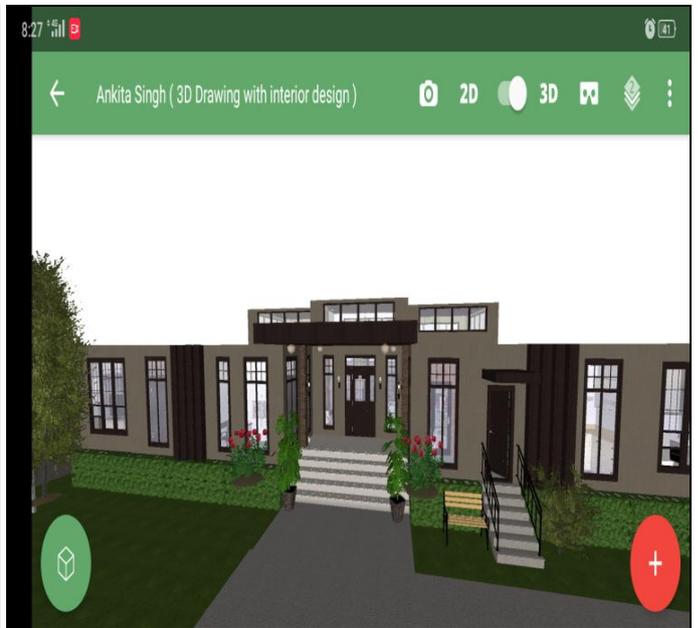

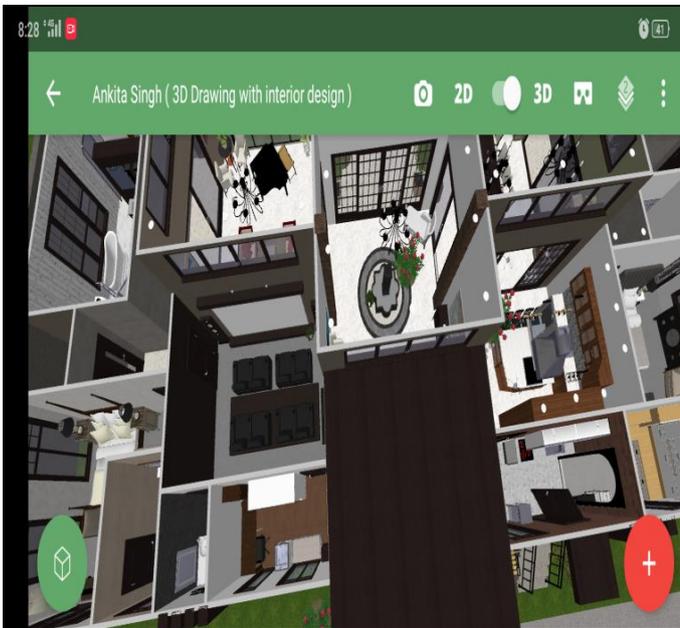

An online departmental event was conducted on 27<sup>th</sup> September, 2020 named C-Planner and Modeler for the students of Department of Civil Engineering for promoting Planning and Modelling interest in the students. The event was conducted through Online mode in two phases.

In first phase, students were welcomed by Prof. N.K. Dhapekar who guided about the event and the Coordinators stated the rules and regulations needed to be followed and the duration of event.

Coordinators then created a Google Classroom link where students shared their drawing through online submission and after expert reviews along the coordinators top 3 students were decided as the Winners of the event.

### Winners:

1. Mr. Hrishabh Biswas – BTCE 3<sup>rd</sup>
2. Ms. Ankita Singh – BTCE 3<sup>rd</sup>
3. Mr. Shubham Agrawal – BTCE 5<sup>th</sup>

## **Online Induction programme 'First- step 2020' for the students of BA & B.COM. on 28.09.2020**

### **DREAMS COME TRUE**

'FIRST STEP-2020', an awe-inspiring induction for the new batch 2020-21 was organized by Kalinga University, Raipur on Monday, 28<sup>th</sup> September, 2020. The new academic session for the newly admitted students in the Faculty of Arts and Humanities started with graceful welcome ceremony that was organized on a virtual platform keeping in mind the situation of pandemic. The students were overwhelmed by the warm welcome they received and soon the students felt a sense of belongingness. The students were then introduced to the academic, co-curricular and extra-curricular activities of Kalinga University and its establishment in Chhattisgarh as one of the leading private universities of Central India through a presentation. After a formal welcome an exhaustive video presentation was made that acquainted the freshers to the life at Kalinga University; in and outside the classroom.

The gracious ceremony was marked by the legendary presence of Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, In charge Academic Affairs- Mr. Rahul Mishra, Head of the Departments and all faculty members. As every auspicious beginning seeks the blessings of the lord, this academic session started with the blessings of the Goddess of Wisdom by Sarasvati Vandana followed by a welcome dance.

Dr. Sandeep Gandhi, Registrar of the university extended a welcome speech on the occasion and briefed the students about the regulatory status of the university and its vision to achieve new heights that it has till now done. He spoke at length on education and ethics in his own motivating style. He advised the incoming batch to take right actions and decisions at the right time. He closed his talk by asking the students to be an integral part of the University by exhibiting their talent in all the academic and extra-curricular platforms of the University. The welcome address of the Registrar was followed by a motivational speech by the Vice Chancellor of the University, Dr R Shridhar. Dr. Shridhar introduced the students to the multiple avenues of Higher Education. He insisted the students to focus on acquiring soft skills as it has become an integral part to achieve the ultimate goal of success. The Vice Chancellor's speech was followed by a virtual Fashion Show, exhibited by the students of Kalinga University.

The virtual fashion show was followed by the speech of Dr. Byju John, Director General, Kalinga University. He said that the golden era of a nation is earmarked by the establishment of higher education traditions. Indian subcontinent emphasized on all encompassing knowledge, creation and its transmission of higher education and created the then world-renowned universities and educational centers like Takshila; Nalanda; Ujjain and Kashi. Recognizing this fact that the strength of any society lies in all-round development of its youth, he emphasized that, Kalinga University has evolved as a transforming force in the revival of Higher Education in Chhattisgarh.

The speech of the Director General was followed by an enthusiastic and motivating talk by the guest speakers, Ms. Anuja Shukla, Yi Raipur Yuva chair, Mr. Shashank Nathani, Mr. Pratik Shukla and Mr.

Abhinav Khandelwal of Yi Raipur. She said that experiences are the most valuable lessons that a person can convey or pass on to others so that they can learn from them and become better. She gave great emphasis upon understanding how our minds work and how we may more effectively use our minds in a way that it has been designed to be used. Kainga University is definitely the right platform to get the young minds work in right direction.

The students were then introduced to the approvals, vision and Mission of the University by Dr. Pratik Kumar Jagtap, that was followed by a Pictionary game for the entertainment of the students. The newly admitted students were then introduced to the Head of the Departments and In charges of various departments of the University that was followed by an exhaustive departmental presentation by Dr. M.S. Mishra, Head, Department of Arts and Humanities. The presentation was followed by a beautiful dance performance by the Afghani students of Kalinga University.

Speaking about the future challenges in this competitive world, Mr. Rahul Mishra, In charge Academic Affairs assured each and every student that they are here because they deserve to be, and because they can bring something new and exciting to this diverse learning community. He concluded his talk by offering some simple advice for how to make the best of their academic experience here at Kalinga University. This was followed by the address of Mr Kumar Shwetabh, Deputy Registrar who insisted the students to share their knowledge and skills and be a part of this university.

This was followed by number of games and sessions with the University coordinator, Ms. Gausiya Khatoon, Exam co-ordinator, Mr. Srikant Singh, NSS in charge, Ms. Smita Premanand. These sessions helped the students to understand the university better. The sessions were followed by a folk dance of Chhattisgarh by the students of Kalinga University and virtual prize distribution to the winning participants in the games organised on this platform where 49 students were present.

Vote of thanks was extended by Dean Student Welfare, Dr. Asha Ambhaikar. The programme was successfully conducted by Mr. Kapil Kelkar, Ms. Avinash Kaur, Mr. Himanshu Jhade and Dr. Vineeta Diwan. The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. They expressed their gratitude and thanks for a fruitful Induction Programme. The magnificent ceremony came to an end with the beats of music opening the golden gate to the future of our newly admitted students.

## Webinar on “Working of a Thermal Power Plant” Department of Mechanical Engineering on 29 Sep 2020

Webinar is organized by and Department of Mechanical Engineering for the improvement in technical knowledge about thermal power plant for Mechanical Engineering Students on 29 Sep 2020.

All students of Mechanical Department (Total 41 Students) and all faculties from Department of Mechanical Engineering along with Head of Department attended the Guest Lecture.

Mr. Ram Kumar Chaudhary, Ad. Gen. Manager, NTPC explain the students about Main Components of thermal Power Station and what are the Mechanism used for Electricity generation. He also explained what Challenges are before Coal plant and equipment that are used to increase Plant efficiency.

## Online Induction Programs "First Step-2020" For International Students on October 1, 2020

'First Step' 2020, the Induction programme for the International students was conducted successfully for the first time ever on the virtual platform by the Kalinga University on Thursday, October 1, 2020. The programme was more of a Cultural Confluence which brought together students from twenty countries all over the world who actively participated in the event. Students actively participating in the event hail from countries as Afghanistan, Angola, Bangladesh, Cameroon, Gambia, Ivory Coast, Kenya, Lesotho, Liberia, Malawi, Nepal, Uganda and Zimbabwe. Keeping in mind the time factor of the foreign students abroad the Programme commenced at 3 pm with a shower of warm welcome and 'Namaste' from India. The students were acquainted with the infrastructure and campus culture of Kalinga through presentation slides and video that displayed a live realistic picture of the University.

The event was blessed with the esteemed presence of Dr R Shridhar Honourable Vice Chancellor, Dr. Sandeep Gandhi, Honourable Registrar, Dr. Asha Ambhaikar, Dean Student Welfare and Mr. Rahul Mishra, IAA. After the introduction of the dignitaries to the international prospective students lot, a divine offering was made to Goddess Saraswati to bless the occasion; an unforgettable Indian tradition that makes

Kalinga outstanding in the cultural scenario. A wonderful dance performance on the song 'Waka Waka' was displayed by Tamanna Gupta, a student of Kalinga. A welcome speech was given by Honourable Registrar, Dr. Sandeep Gandhi in which he briefed the students about the achievements of Kalinga University within years and the multicultural amalgamation in the University due to which foreign students almost feel at home. The inspiring words of Honourable Vice Chancellor, Dr. R. Shridhar motivated the students to become unbeatable leaders in the future endeavours and challenges.

The event was gratified by the esteemed presence of Dr. Byju John, Director General, Kalinga University who blessed the institution in his speech. The highly devoted visions and missions of Kalinga University and its journey throughout the years was presented by Dr. Prateek Jagtap. A motivational speech was delivered by Mr. Sudeep Malhotra, Life Coach and trainer, who honored the virtual stage with endless positivity.

There were sessions by IAA, Mr. Rahul Mishra and Deputy Registrar, Mr. Kumar Shwetabh followed by sessions of Existing Students. Introduction of existing International students conducted by Ms. Parvinder Shesh in which the existing International students at Kalinga from Afghanistan, Malawi, Sudan and South Korea shared their unforgettable moments and teaching learning experiences. The students also shared their rich experiences of festivities and cross cultural interactions in Kalinga which was quite interesting to listen. Mr. Arpan Dubey, introduced the students with the International Department of Kalinga University that takes care of the students right from the time they land at the airport to the renewing of their passports, visa extensions and multiple issues related to their enrolment as International students.

The sessions conducted by Ms. Gausiya Khatoon, University Student's coordinator and Mr. Shrikant Singh, Exam Coordinator at Kalinga also acquainted the prospective students with the details of the examination process and student life in Kalinga.

The programme also involved students in some interesting games and activities which made the environment very pleasant and cheerful. Students actively participated in the games like Pictionary, Riddles and Quiz which was effectively managed by Mr. Kapil Kelkar, Ms. Avinash Kaur and Dr. Vineeta Diwan respectively. There was a mesmerizing song performance 'Lovely' by Harsh Khare, a student of Kalinga University that carried away all the palms of the parson.

The Vote of Thanks was given by Dr. Asha Ambhaikar, Dean Student's Welfare who thanked all the participants for sparing their valuable moments to make the event a success. The challenges on the digital platform were successfully managed by Mr. Himanshu Jhade and the masters of the ceremony were Mr. Kapil Kelkar and Dr. Vineeta Diwan, supported by Ms. Avinash Kaur.

The Induction looks forward once again to provide excellence in the academics with a noble gesture of promoting cross cultural values.

## **Online Induction Programs "First Step-2020" For the students of all B.Tech and Diploma engineering on 05.10.2020**

It is a period of transition for a youngster who after completion of his school education is now lifting his first step towards Higher education. Standing on the threshold of his teens and youth when he is looking forward to make his ' Dreams Come True' his search finally ends at 'First Step 2020' , the Induction Programme organized by Kalinga University, which is his ideal destination. Kalinga University esteemed as the top University of Chhattisgarh is one of the stepping stones of Excellence in the field of Higher Education organized the Induction programme 'First Step' for the freshers in Science stream on the virtual platform.

The University showered a warm welcome upon all newcomers and greeted them with open arms. The hesitation of entering an unfamiliar realm soon diminished when they were adorned with the caring words of the dignitaries.

The Induction Programme on October 5, 2020 was meant for introducing the Science streams. The key note speaker of the Induction Programme was Dr R Sridhar, Honourable Vice Chancellor, Kalinga University. In his speech he introduced the students with multiple aspects of Higher studies which included the assessment criteria, mode of study, and development of personal skills like determination, proper time management and hard work to achieve the ultimate goal of success. He ended the speech with a positive note demanding great expectations from the students in future. The Vice Chancellor's speech was followed by the speech of D.r Byju John, Director General, Kalinga University, who shared his timeless rich experiences of years with the new comers.

The Guest speaker for the occasion was Ms. Spandana Palli, Femina Miss India Chhattisgarh 2018 who delivered a motivational note to the students. She also mentioned her struggles and journey through life towards a great success and wished the students all the best for their future. The

programme also showcased many virtual performances by the students of Kalinga University which included the Afghani Dance by International students, Solo dance performace by Ms Vasavi, a student of Kalinga, Fashion show, and Chhattisgarhi dance which was a high voltage entertainment stock amazing all. There was an overwhelming response from the students who actively participated in the quiz, pictionary and logical reasoning games. 89 students participated in the event.

The occasion was blessed by the graceful presence of Dr. Sandip Gandhi, Registrar, Kalinga University who assured the students of providing the best faculty and facility for the coming academic sessions. Speaking about the future challenges and cut throat competition Mr Rahul Mishra , Incharge Academic Affairs and Mr. Kumar Shwetabh, Deputy Registrar briefed the students on creating the best academic atmosphere for desired jobs and entrepreneurship. The students were also briefed about the examination process in Kalinga and University norms for students by Ms. Gausiya and Mr. Shrikant examination incharge Kalinga University. A brief session was conducted by Ms. Smita for the NSS and its activities in Kalinga University.

The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. The expressed their gratitude and thanks for a fruitful Induction Programme. The vote of thanks was given by Dr. Asha Ambhaikar, Dean Students Welfare and the programme was successfully managed and conducted by Mr. Kapil kelkar, Ms. Avinash Kaur, Mr. Himanshu Jhade, Dr. Hindole Ghosh and Dr. Vineeta Diwan.

## Online Induction Programs "First Step-2020" For Department of Law on 14.10.2020

In the matters of truth and justice, there is no difference between large and small problems, for issues concerning the treatment of people are all same...the aforesaid idea of Albert Einstein was well justified in the dynamic outflow of thoughts and progressive ideas shared by law experts and students in the career counseling session meant especially for the law stream at Kalinga University, New Raipur.

The occasion was blessed with the benign presence of esteemed dignitaries the Honourable Vice Chancellor, Honourable Director General, Registrar, Dean Students' welfare and Incharge Academic Affairs in a highly interactive session which guided the students for their career prospects in the field of law and judiciary. **The Guest speaker for the occasion was Advocate Ms. Sugandha Jain, renowned Law practitioner in supreme court who shared her rich experiences of the law field and with her inspiring words encouraged the students to build up a strong career profile as a law practitioner.**

Ms. Sugandha Jain believes in the idea of being innovative with revolutionary thoughts, so right from the onset of her career she set out to eradicate social problems emerging in the Indian society. Daughter of Late Rajesh Jain and Mrs. Indira Jain, Ms. Sugandha completed her schooling from Raipur and later went to Nagpur for pursuing BA LLB and LLM in Criminology. Currently she is settled in Delhi and simultaneously with her law practice she upgraded herself with additional degrees in PGDM in International Humanitarian and Refuge Law, International Law and Diplomacy from ISIL, and a Diploma in Cyber Law from Mumbai.

Ms. Sugandha in her session briefed the students that the ruling idea behind choice of law as her career was to bring about positive changes and awareness in the society. Though she hails from a business class family

still through her determination she was able to make herself the best in her field. She emphasized on attending more and more seminars and conferences in order to share the knowledge, to update with the innovations in the field and for gaining a vast experience. With her internship in Chhattisgarh State Children Commission she filed cases in National Tribunal of Supreme court of India dealing in sensitive issues like child sexual abuse and sexual harassment. She is continuously striving to connect the women and minors to generate awareness among them of the legal rights granted and its enactment by conducting sessions for the rehabilitation of sexually abused children to bring them in the mainstream. As an active member of Chhattisgarh Baal Kalyan Parishad since 2013 she organized sports camp at Mathpuren Raipur to encourage and promote regional sports of Chhattisgarh. Right now she is providing lot of mental support to the COVID Patients and is constantly providing law consultancy on phone, totally free of cost. Ms. Sugandha spent a quality time with the students of Kalinga University during the virtual counseling session and laid stress upon the aspects of morality, human values and ethics for touching heights in the field of law.

The virtual session was further enlightened with the motivational speech of Mr. Abhishek Damani who inspired the students to fight for justice and end discrimination in the world through their active participation in the field of law. Mr. Abhishek laid emphasis on developing truth, honesty, humanitarian outlook and equality to act as a true representative of law fraternity in future. Dr. Sandeep Gandhi , Honourable Registrar Kalinga University in his brief speech discussed about the rich and resourceful faculties and excellent infrastructure including the moot court and law chamber that Kalinga University offers for a remarkable output in the field of legal studies. Dr. R. Shridhar, Honourable Vice Chancellor Kalinga University enlightened the session with his words of wisdom. Dr. Asha Ambhaikar, Dean Students' Welfare presented the Vote of Thanks to all for successful conduction of the event.

The session was wonderfully hosted and handled by Mr. Kapil Kelkar, and Ms Avinash Kaur who were assisted by Mr. Himanshu Jhade, Dr. Vineeta Diwan and Dr. Hindole Ghosh.

## **\*Launching of Kalinga Plus\* on 21<sup>st</sup> October 2020**

KalingaPlus, an initiative of Kalinga University, Raipur was launched on 21st October 2020. This is another milestone in the growth and development of Kalinga University, a top-ranked University and centre of excellence in the field of higher education. The event was blessed with the cordial presence of eminent personalities like Dr Nimchand Sonar, Chairman and Managing Director, Aesthetic Institute of Design, Raipur, Mr Biswajit Chattaraj, Director, National Institute of Banking, Raipur, Dr R Shridhar, Vice Chancellor, Dr Byju John, Director General and Dr Sandeep Gandhi, Registrar.

KalingaPlus has been developed with the inclusive efforts of the Kalinga University faculties & staff, it is a step forward in the direction of Institutional Social Responsibility, wherein collaborative efforts have been made to provide a unique online learning platform to School & College students and the working professionals worldwide.

The event began by lamp lighting and Saraswati Vandana, a tradition and the reverence of Indian culture. Guest of Honor - Dr Nimchand Sonar appreciated the efforts of Kalinga University management and staff for launching such a unique online platform. Chief Guest, Mr Biswajit Chattaraj stated that this was the need of the hour and students will be benefitted by this initiative.

Dr Abhilasha Gaur in her keynote address briefed all the audience about KalingaPlus, as an online learning platform to disseminate knowledge, and guide students at the Pre University (class XI-XII), UG & PG and working professionals. She said that KalingaPlus a tech-driven initiative has been launched with an Objective to guide students & working professionals of all levels to meet their academic aspirations. This interactive platform offers Tech Tips, Mock tests with access to free question banks, self-grooming guide, and options for choosing a suitable hobby enabling internalisation & improve focus. All of this is backed by expert Professional counselling that our experts are always ready to provide. We at Kalinga have made it our mission to provide the highest standards of academic support & be enablers of modern India.

**What is KalingaPlus** –It is a unique online learning platform launched by Kalinga University, Raipur. The main objective of this is to disseminate knowledge and guide students & working professionals. This platform will guide pre – post university level students. The focus is on :-

- ***Students from IX –XII class***
- **Undergraduate & Postgraduate students**
- **Working Professionals**

KalingaPlus will help them in choosing the right career path & Job opportunities and guide them in their academic journey from the classroom to the corporate boardroom.

### **Salient Features of KalingaPlus**

- **School Students (IX –XII)** will be benefitted by exploring various options like How to Choose their Stream, Various Career Options available to them like Management, Medical, Engineering, Law, Armed Forces, Alternate & Vocational Careers etc. Students can download Sample Papers, Get Important Dates of entrance exams at one place. They can find information regarding School Projects & CBSE News Updates, How to Apply in Foreign Universities, Tips for improving communication Skills etc.
- **Undergraduate & Postgraduate students** can get details regarding various career options, Job Profiles (Science), Job Profiles (Arts & Humanities), Job Profiles (Commerce), how they can get there dream job, salary packages of different jobs, Updated Govt. Job notifications & list of Job Portals, Important Dates, Entrance Exams After Graduation, How to Be Market Ready Students who want to be entrepreneurs they can get lot of information about start up India, Venture Capitalists and start up competitions. Students can explore KalingaPlus for Case Studies, College Projects, How to write synopsis and thesis. How to Prepare An Effective Resume, Prepare For An Interview, Dress Up For An Interview, Personality Grooming, Interview Preparation and many more relevant topics.
- **Working Professionals** – Once a student starts his/her journey to corporate from the college. He/she needs to know various details like Basic Departments & Functions in a Business Corporate, how they can Be Humble, How to Handle Competition At The Workplace, Handle Workplace Politics, Demonstrate Integrity, Follow Your Passion and Impress Other, All these can be found at one place i.e. KalingaPlus
- **Mock Tests** help students by giving them an opportunity to revise the syllabus well before the real examinations. Revision is the key to remember all that student have studied. Mock tests help students to revise the entire syllabus in the simulated setting of the actual exam. KalingaPlus provides a bouquet of Mock Tests which includes JEE, NEET, MAT, CAT, UGAT, CLAT, LSAT, UGC NET, SAT, IELTS, NDA and many more. Also, logical reasoning, quantitative aptitude,

general awareness, English communication question banks with solutions are given in downloadable format.

- **Tech Tips:** In today's dynamic world where technology is the key and it is changing at a fast pace. KalingaPlus Tech Tips corner helps the students & working professional to update themselves. If you're not a digital native, these tips can make your digital experience much smoother! And even if you are—you might be surprised by some of the handy tricks we've collected here. Tech Tips & Tricks on Smartphones, Useful Apps, Brain Teaser Apps, Social Media, Online Games, Puzzle Activities, Pinterest, Tumbler, Twitter, Facebook, Instagram, LinkedIn, Snapchat, Reddit, Meetup, OTT Platform, Tech Tips Videos and many more.

- **Hobbies** The best way to cultivate a new hobby is to try something new. The world is full of wonderful, exciting activities that we can explore and adopt as our own. Of course, all of us are unique and, therefore, our interests and hobbies vary. But once we find a hobby that we truly enjoy and are passionate about, we become hooked. It becomes part of our lives and captivates us in a very personal way. KalingaPlus offers interesting details about various hobbies like Traveling, Adventure, Reading, Arts & Craft, Swimming, Cycling, Coding, Dancing, Banking, Gardening, Drawing, Public Speaking etc.

- **Grooming** is as important as how you really are, it helps in how you appear to others. Appearance is the first opportunity to appeal to others and, in some cases, the only opportunity. Therefore, one should be thoughtful about presenting oneself. KalingaPlus have a range of articles on grooming, it includes Personality Development, Personal Grooming, How to Be Successful, How to Improve Your Vocabulary, Improve English etc. It also includes the benefits of having various skills to improve personalities like Acting Skills, Music Skills, Art Skills, and Sports Skills etc. To make a mark one needs to learn the art of Effective Presentation, Email Etiquette, and Manners & Etiquette. These skills help the students and working professionals to go ahead on the path of success.

- **K PLUS:** focuses on various aspects and information which students and working professions look for. At one single platform they can find various varied details like Young Achievers, How to Be Assertive, How to Cope with Failure, Stay Motivated & Keep Moving Ahead, Sportsmanship, Debate Writing, Public Speaking, Historic Places in India, Historic Places in World, Top Schools in India, Education Abbreviations, Academic Vocabulary etc.

- **Stress Busters:** KalingaPlus is not only related to academic and career developmental portal. We believe that for the overall holistic development of personality creative and fun side of

students should also be developed. KalingaPlus includes details about various Leisure Activities, Board Games, Fun Facts and Trivia, Quotes & Messages, Inspirational Stories, School, College & Corporate Jargons, Quiz, Riddles etc.

▪ **Creative Corner:** Creativity is one of the most important characteristics of being human. It is one of the main traits that make us successful as individuals and as a species. Creativity isn't something that comes naturally to everyone. It's also something that isn't necessarily encouraged in our society and careers. If you aren't an artist, musician, or someone in an "artsy" field, you might wonder why creativity is important. If it's something that doesn't come easily, is it impossible to be creative? Thankfully, that's not the case! Creativity is something that grows with time and effort, and it's worth exploring. If anyone has got any Creative Side. They can show it to the World by sending details on [kalingaplus@kalingauniversity.ac.in](mailto:kalingaplus@kalingauniversity.ac.in) to get it published on KalingaPlus website.

In nutshell, KalingaPlus is a one-stop-solution making course and college selection easy for students looking to pursue undergraduate (UG) and postgraduate (PG) courses in India and abroad; Education & Job seekers get a personalised & dynamic experience on this learning platform which enable them to make well-informed career decisions. In the coming times, many more features will be added which will help the student community at large.

**Webinar on Glimpse of cyber law in the virtual world (Departmental Activity ) by  
Department of Law on 27/10/20**

**Topic - Glimpse of cyber law in the virtual world**

**Conducted by:-**

**Ms. Tripti Bhushan**

**Assistant Professor in Law**

## Kalinga University Raipur

Online Mode Seminar – Webinar (Departmental Activity) This webinar was open for the entire law department inclusive of all the semesters/years of BALLB, BBALLB, LLB, LLM course students.

Time - 12:00-1:00 pm

Date - 27/10/20 Tuesday

Platform - Google Meet

### About the Event

#### About:

The Webinar for students on cyber law in the virtual world was facilitated by Ms.Tripti Bhushan.

### Key takeaways:

The new normal is digital, the new best practice is digital, but are we prepared? Have we prepared our students for the increased digital presence?

Do you wonder how to prevent your child from being exposed to inappropriate content? Do you fear for them being bullied online? Do you worry about the increased screen time?

Kalinga University, Atal Nagar in association with Ms.Tripti Bhushan is organising a departmental Webinar for students on Cyber Awareness. The focus was on:

1. Building student's awareness of internet safety
2. Building positive digital footprint
3. Being prepared for Next gen technology
4. Being aware about the information that is inappropriate & not to be shared
5. What kind of online interactions to avoid
6. Netiquettes & awareness about possible online dangers

It was an interactive session as students showed a whole lot of interest and participated in the discussions during the webinar.

It was great pleasure conducting and being part of this successful departmental event.

Here is some glimpse/overview of the webinar conducted:-

**GLIMPSE OF CYBER LAW IN THE VIRTUAL WORLD**  
BY:TRIPTI BHUSHAN  
ASSISTANT PROFESSOR  
DEPARTMENT OF LAW  
KALINGA UNIVERSITY  
RAIPUR

**CYBER LAW**

Cyberlaw is the area of law that deals with the Internet's relationship to technological and electronic elements, including computers, software, hardware and information systems (IS). Cyberlaw is also known as Cyber Law or Internet Law.

It covers all transaction over internet. It keeps eyes on all activities over internet.

**AREAS COVERED UNDER CYBER LAW**

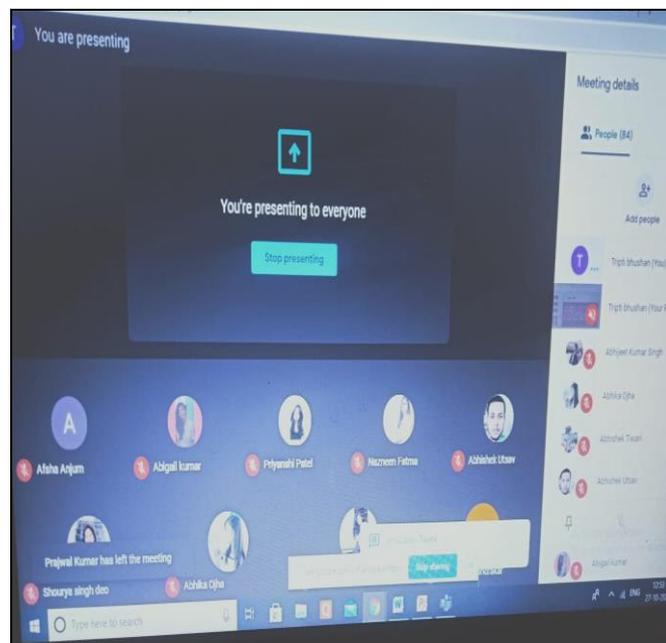

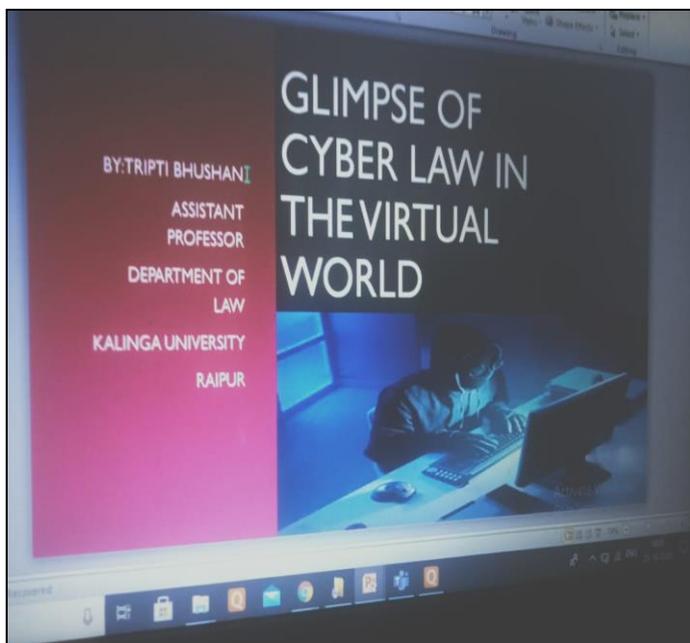

Cyber crime → Electronic or digital signature → Data Protection and privacy

**CYBER CRIME: MEANING**

Cybercrime is defined as a crime in which a computer is the object of the crime (hacking, phishing, spamming) or is used as a tool to commit an offense. Criminals who perform these illegal activities are often referred to as hackers. Cybercrime may also be referred to as computer crime.

**TYPES OF CRIME**

- Cyber crimes against persons
- Cyber crimes against Property
- Cyber Crimes against Government

## Guest lecture on “Computer Syndrome and Dry Eye” by Department of Biotechnology on 27 October 2020

Biotechnology Department, Kalinga University had organized a virtual online (due to covid-19) special guest lecture on "Computer Syndrome and Dry Eye" by Dr. Manish Shrivastava (Eye Specialist at Chhattisgarh Hospital). The program will be held on 27 October 2020 at 2:00-3:30 pm.

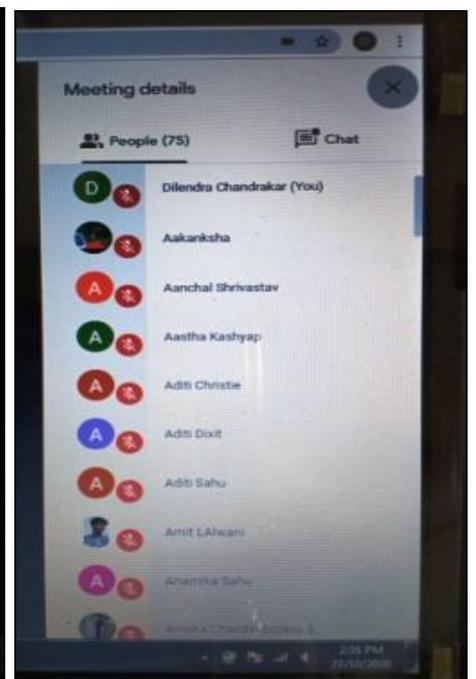

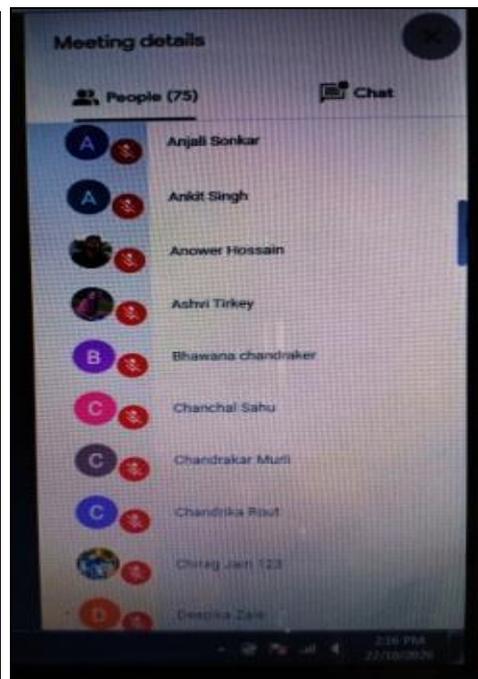

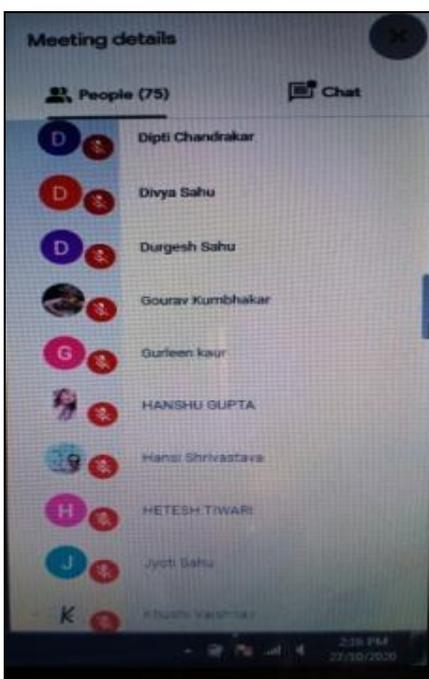

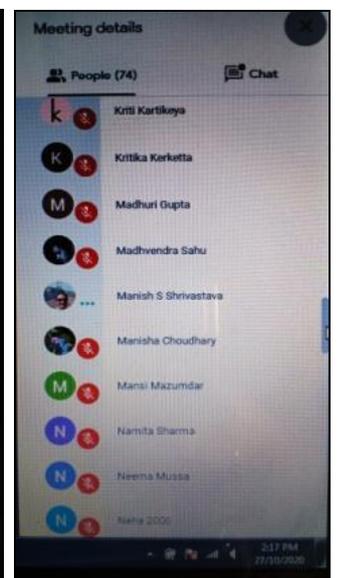

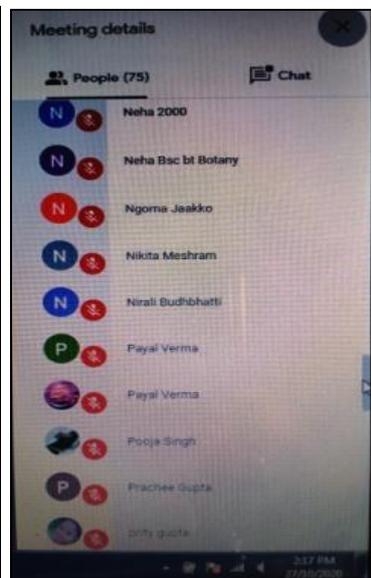

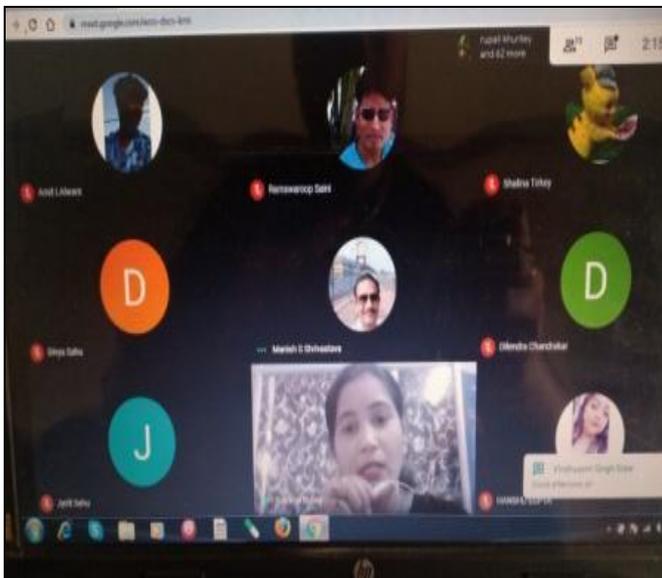

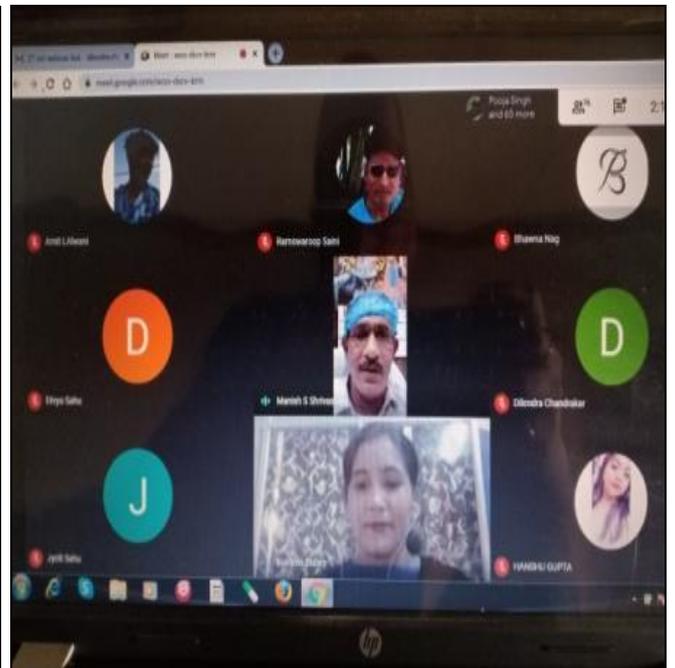

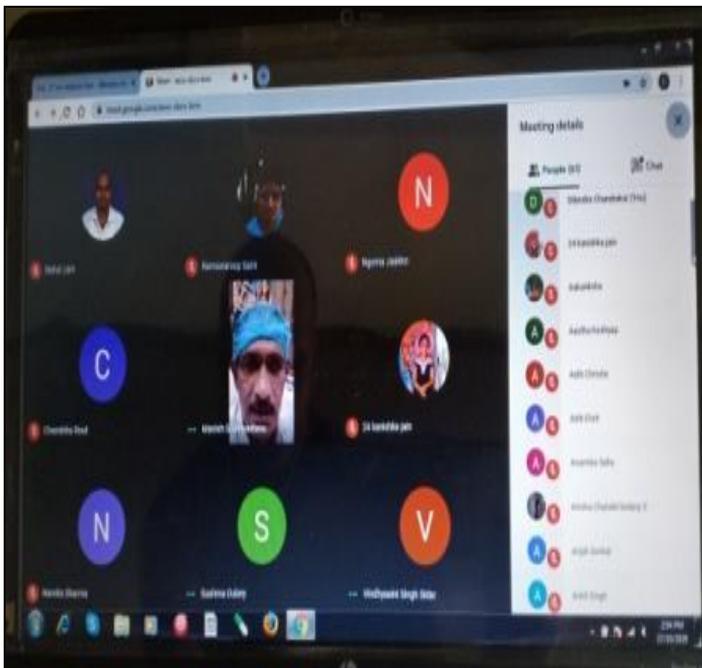

The Inauguration of the guest lecture was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, Eminent Speakers, and Faculty members, Dr. Ramswaroop Saini, Mr. Dilendra Chandraker, Ms. Nirali Budhbhatti and B.Sc. /M.Sc. Biotechnology Students.

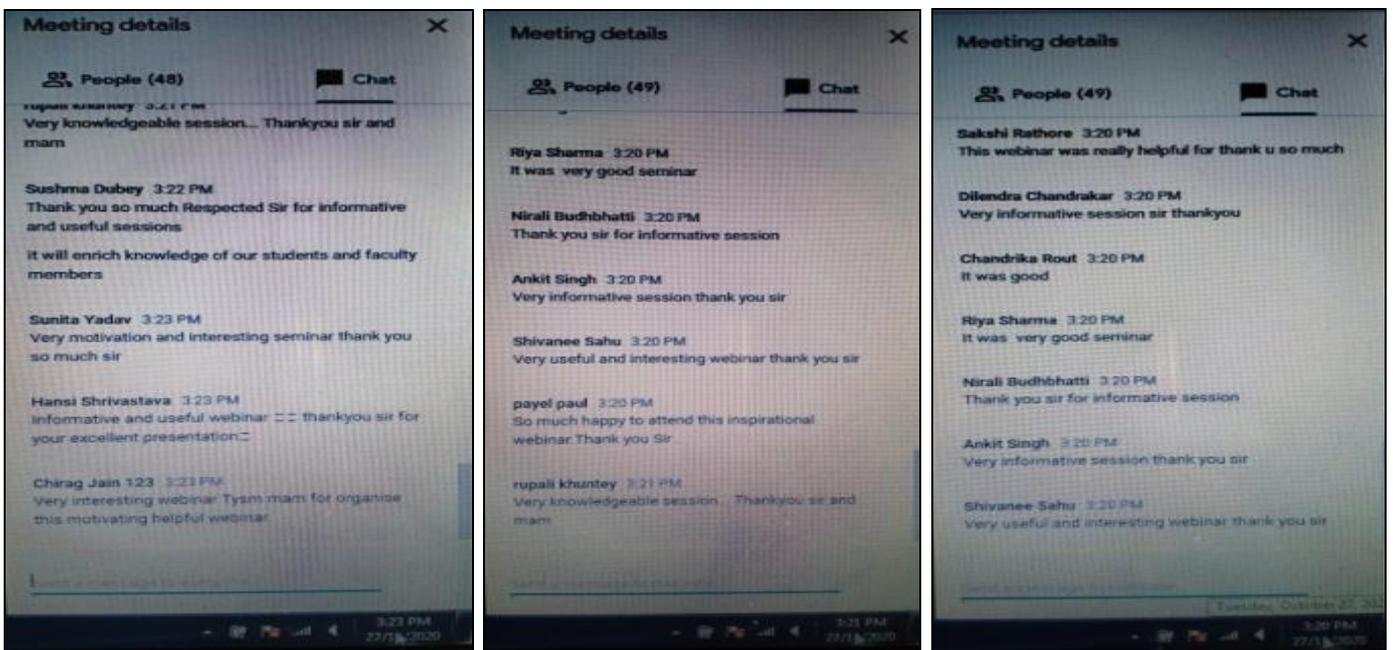

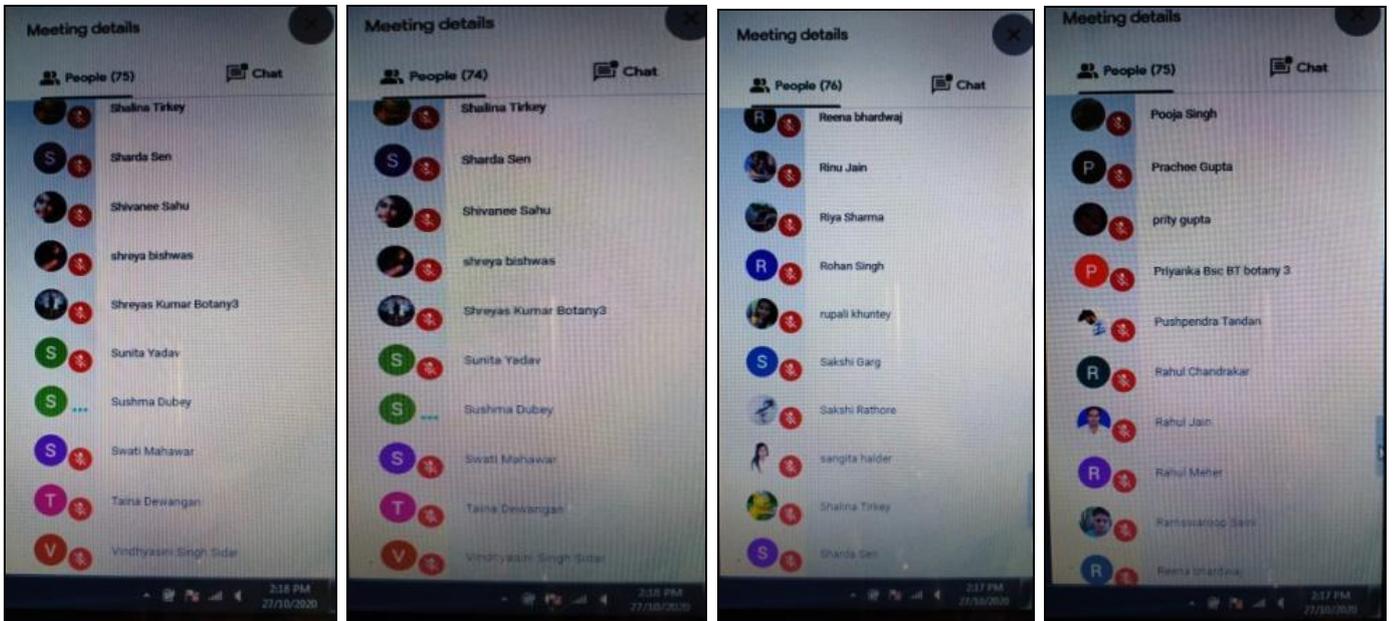

Session was very beneficial for Students well as faculties also. Our students asked various type of interesting question to Dr Manish Shrivastava regarding eye syndrome and related diseases. Overall session was very informative and knowledgeable for our students. The success of this guest lecture added another feather to the cap of the department of Biotechnology of Kalinga University. All participants have given feedback that they looking forward for next guest lecture.

### Acknowledgement

The faculties and students of Biotechnology Department, Kalinga University, Atal Nagar, Naya Raipur wishes to express thanks to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, DSW Madam, IAA Sir** and **HOD Madam**, for providing such a great opportunity for Biotechnology Department.

**Webinar on “Android Development” by department of Information Technology on 31.10.2020**

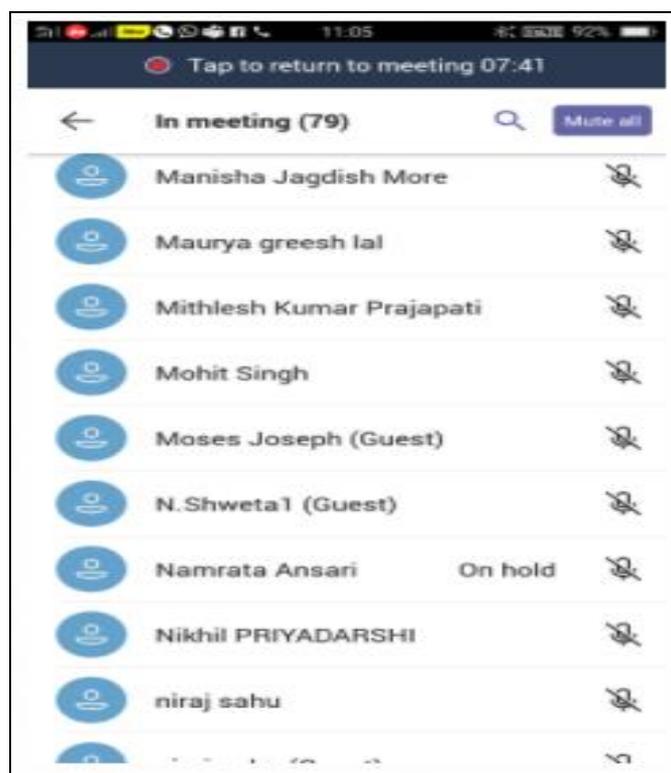

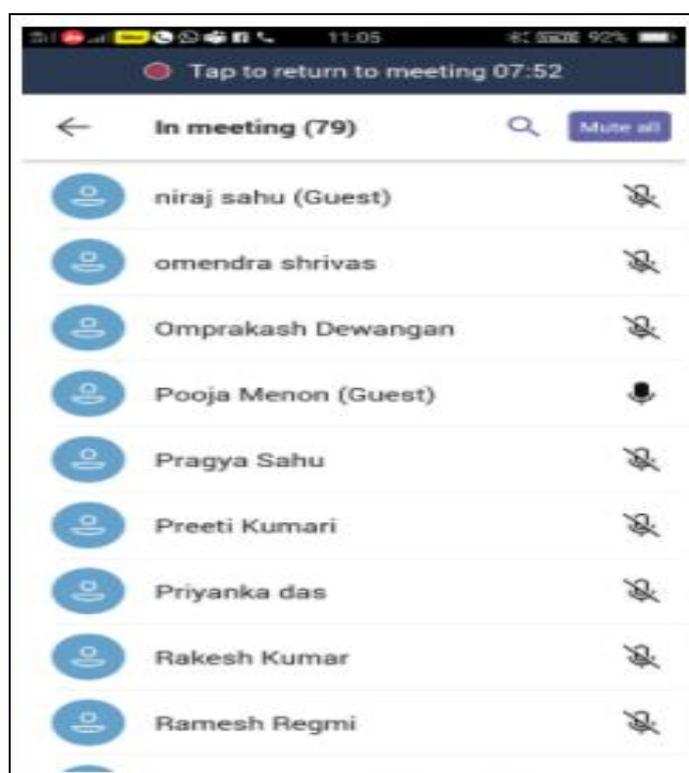

**Faculty of Information Technology  
ACTIVITY - II  
Android Development]**

Faculty of Information Technologyorganize a webinar on “Android Development”given by Mr. Gulshan Kumar Sahu (Tagit Mobility, Chennai). This Webinar was very fruitful for our students. Students learned so many things in this webinar.

Venue:Google meet.

Date: 31st Oct 2020.

No. of Participants: 75 Students

According to students this webinar was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum.

## **Webinar on “Android Development” by department of Computer Science on 31.10.2020**

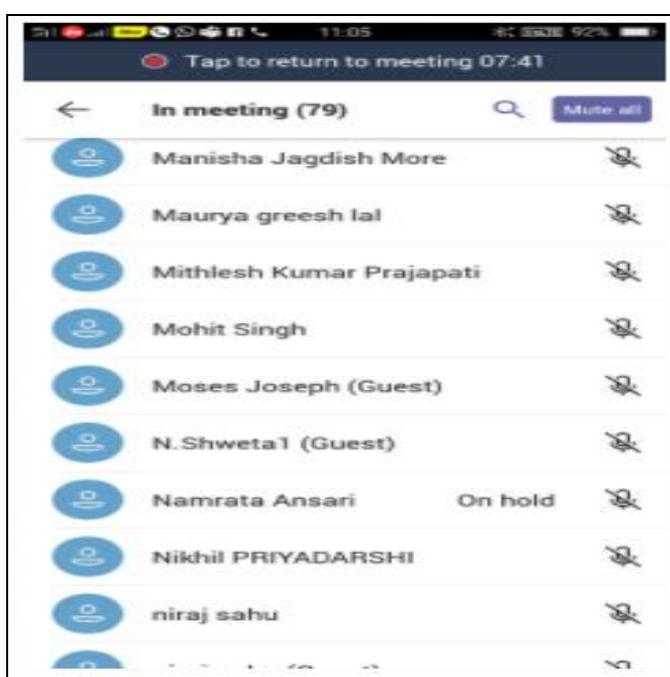

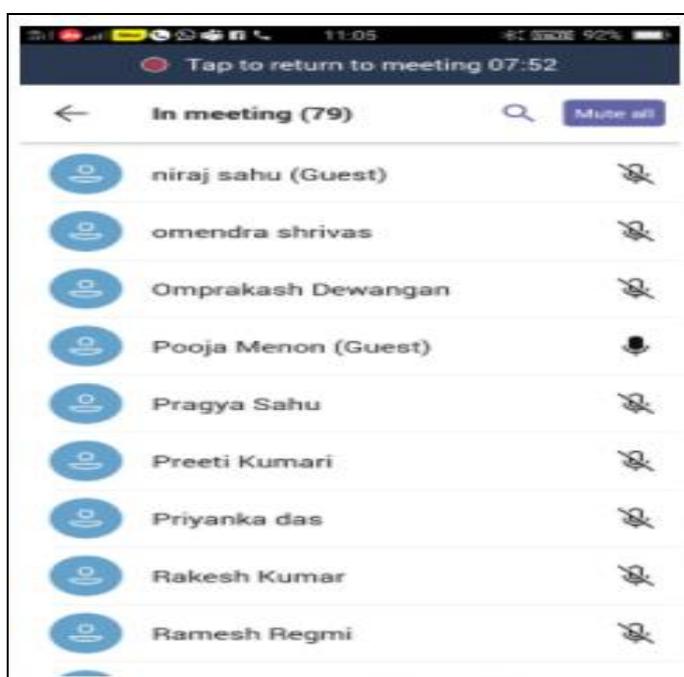

### **DEPARTMENT OF COMPUTER SCIENCE ACTIVITY - II Android Development**

Computer Science Department organized a webinar on “Android Development” given by Mr. Gulshan Kumar Sahu (Tagit Mobility, Chennai). This Webinar was very fruitful for our students. Students learned so many things in this webinar.

Venue: Google meet.

Date: 31st Oct 2020.

No. of Participants: 75 Students

According to students this webinar was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum.

**Guest lecture on "FIRST IMPRESSION AS BEST IMPRESSION"  
By Biotechnology Department  
on 31 October 2020**

Biotechnology Department, Kalinga University had organized a virtual online (Due to Covid-19) special guest lecture on "FIRST IMPRESSION AS BEST IMPRESSION" special guidance session for preliminary career struggle by Mr. Alakshendra Mogre (National Speaker and Trainer, Doordarshan Anchor and Aakashvani Expert Speaker). The program held on 31 October 2020 at 3:00-5:00 pm.

The Inauguration of the guest lecture was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, Eminent Speakers, Faculty members Dr. Ramswaroop Saini, Mr. Dilendra Chandraker, Ms. Nirali Budhbhatti and B.Sc. /M.Sc. Biotechnology Students. This session was very informative and

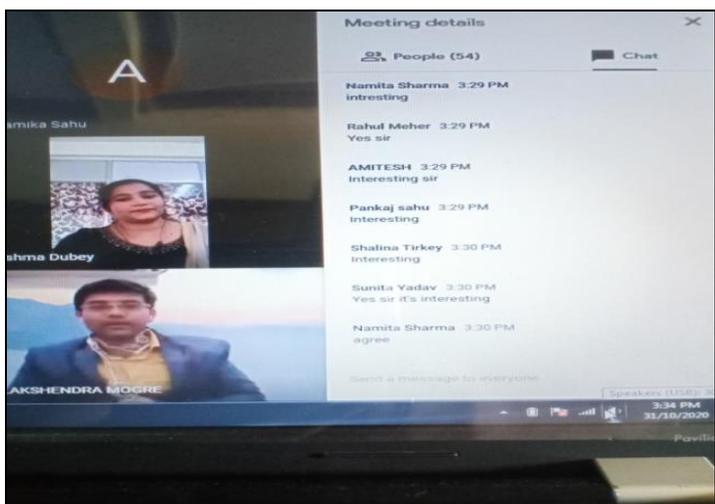

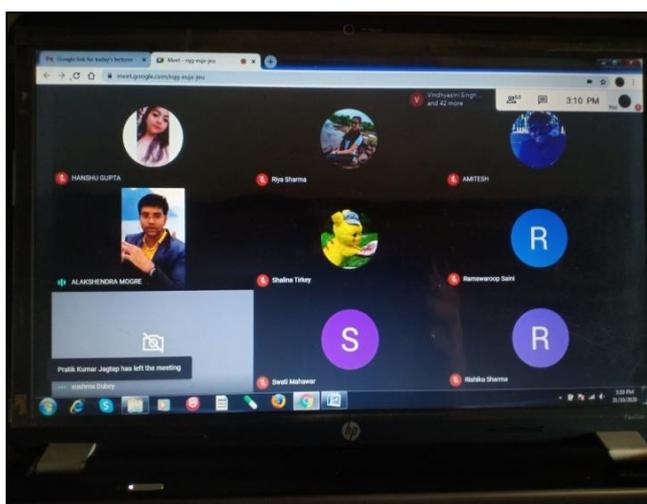

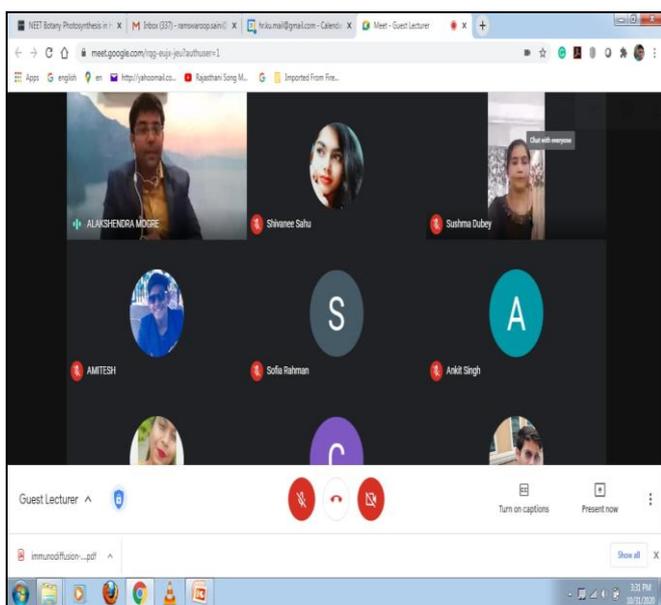

knowledgeable. Our students get various knowledge and learned How to crack Interview, How to communicate with other person, Skill qualities like technical skills and soft skills etc.

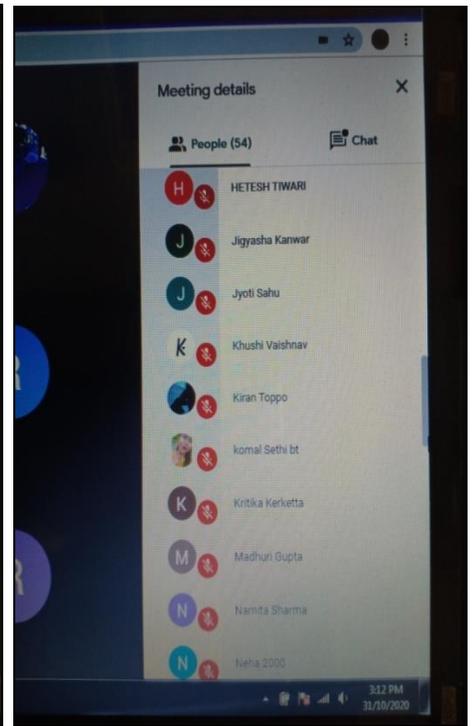

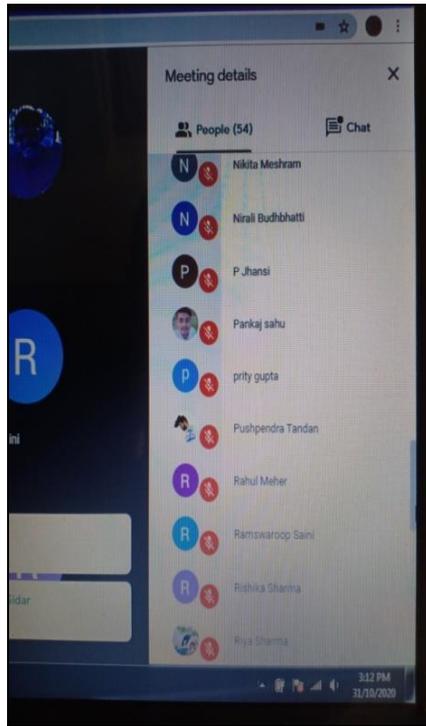

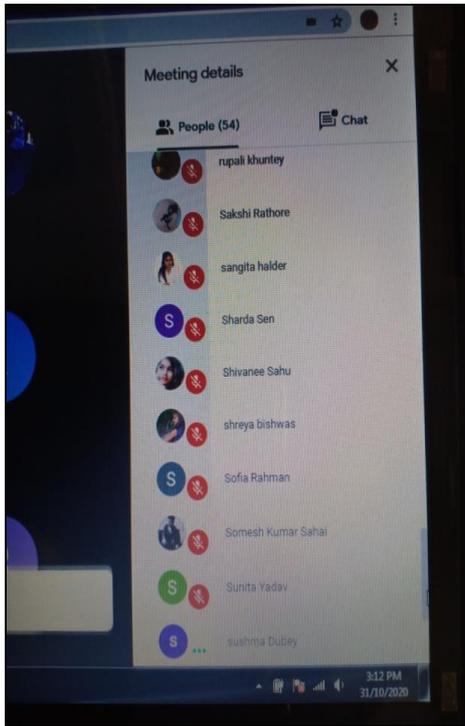

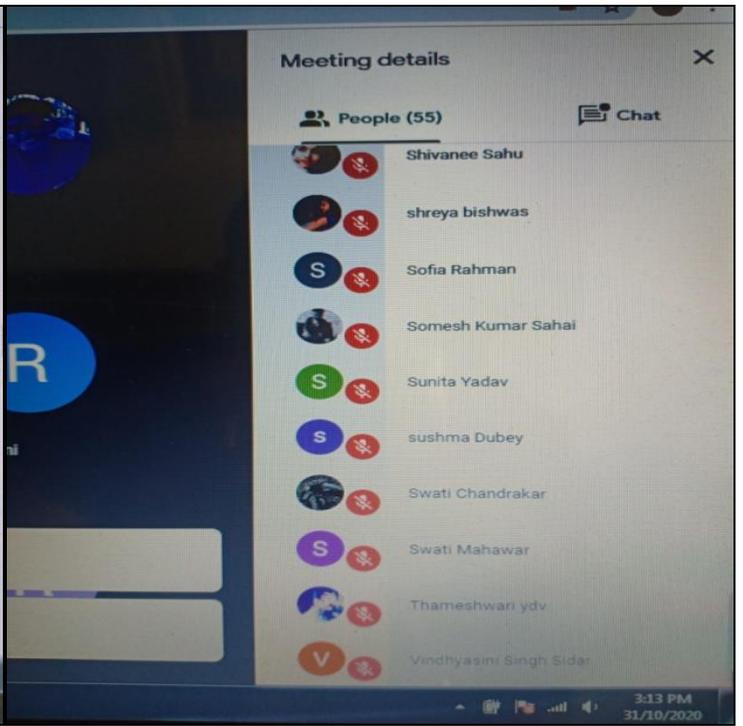

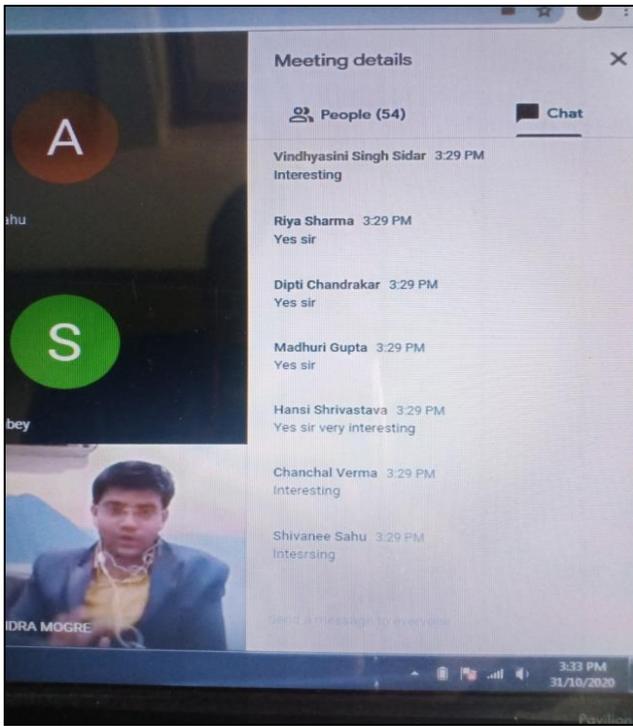

In questionnaire session, Our students asked various type of interesting question to Mr. Alakshendra Mogre like, How to start conversations, How to represent own self in front of other peoples, How to talk without hesitation and fear in the front of interviewers etc. Overall session was very informative and knowledgeable for our students. The success of this guest lecture added another feather to the cap of the department of Biotechnology of Kalinga University. All participants have given feedback that they looking forward for next guest lecture.

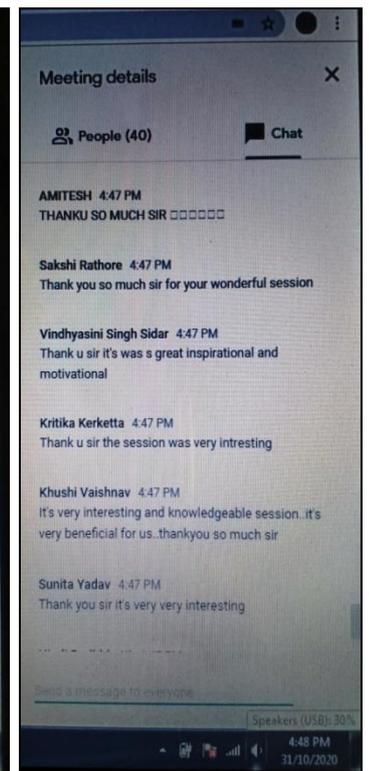

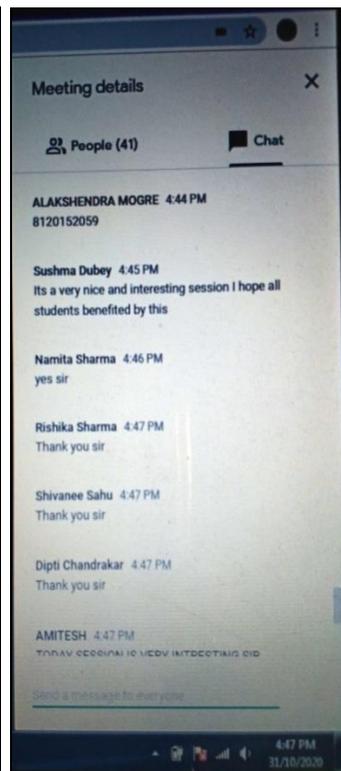

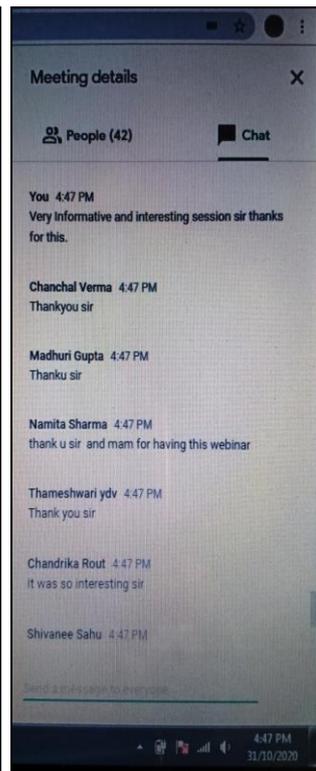

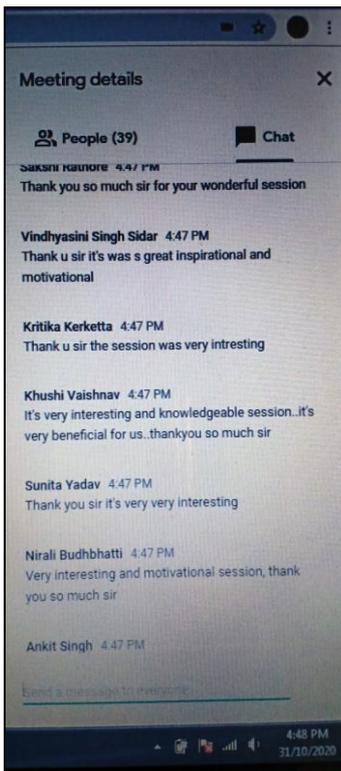

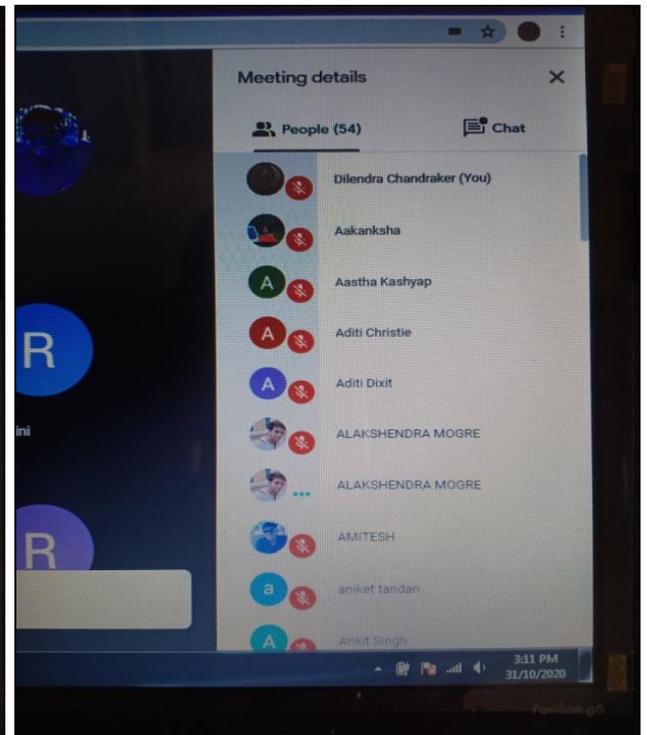

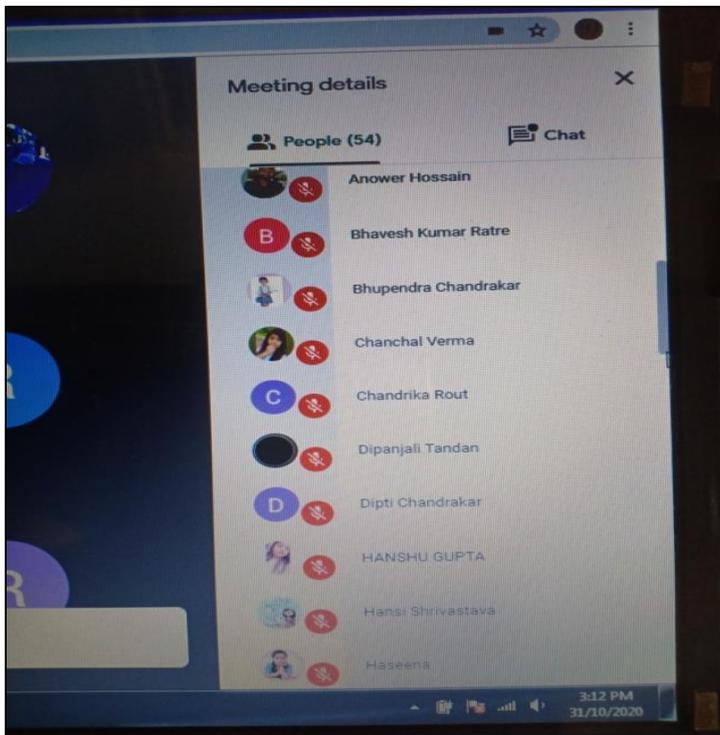

### Acknowledgement

The faculties and students of Biotechnology Department, Kalinga University, Atal Nagar, Naya Raipur wishes to express thanks to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir, DSW Madam, IAA Sir and HOD Madam** for providing such a great opportunity for Biotechnology students.

Time: 02:00 PM Onwards

## **Webinar on "Kalinga policy for research paper presentation" Department of Mechanical Engineering on 11 Nov 2020**

**Title- "Kalinga policy for research paper presentation"**

**Date:** 11 Nov 2020. Time 11.00 am to 12.00 pm

### **Preamble:**

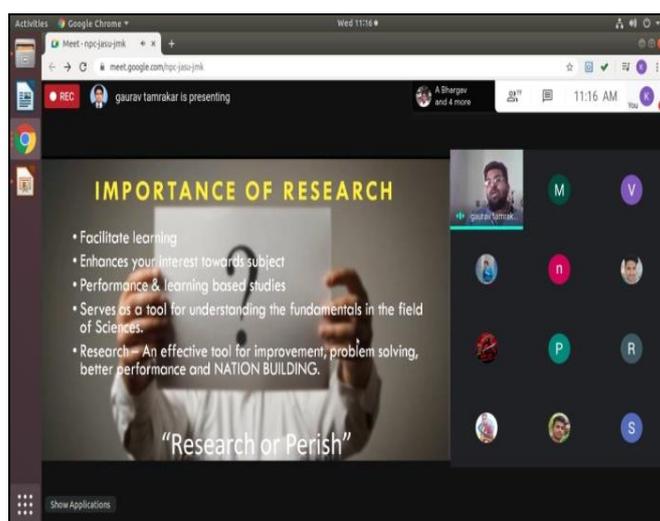

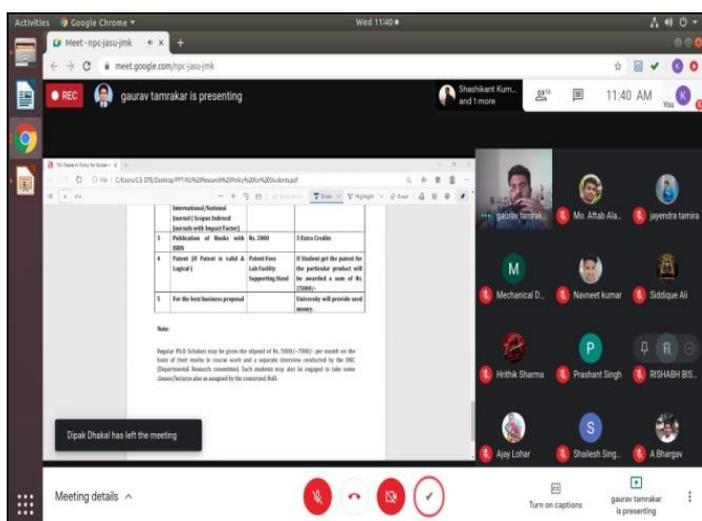

Webinar is organized by Department of Mechanical Engineering for motivating students to write research paper and to explain them about the Kalinga policy for research paper presentation to the Mechanical and Mining Engineering Students on 11 Nov 2020.

### **Participant's Profile:**

All students of mechanical Department as well as students from Mining Department (Total 23 Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended the Lecture.

### **Description about the Program:**

HOD Mechanical engineering department motivated the students about the research work. He also explained the importance of research and research policy of KU. Mr. Gaurav Tamrakar, Assistant Professor, Mechanical Engg Department, Kalinga University, Naya Raipur explained the students about the Kalinga University policy for research paper presentation and the reasons how Research Papers will bring students benefits .He also explained Research paper is an essential part of academic writing. It enables you to present your own evaluation or interpretation or augment based on a particular topic. Writing research paper can contribute on a large scale in student's career. Students can gain many benefits from research paper writing. Some of the key benefits are Critical thinking and Strengthen the communication skill.

## **Online Induction Programs "First Step-2020" For the students of Department of Pharmacy On 18.11.2020**

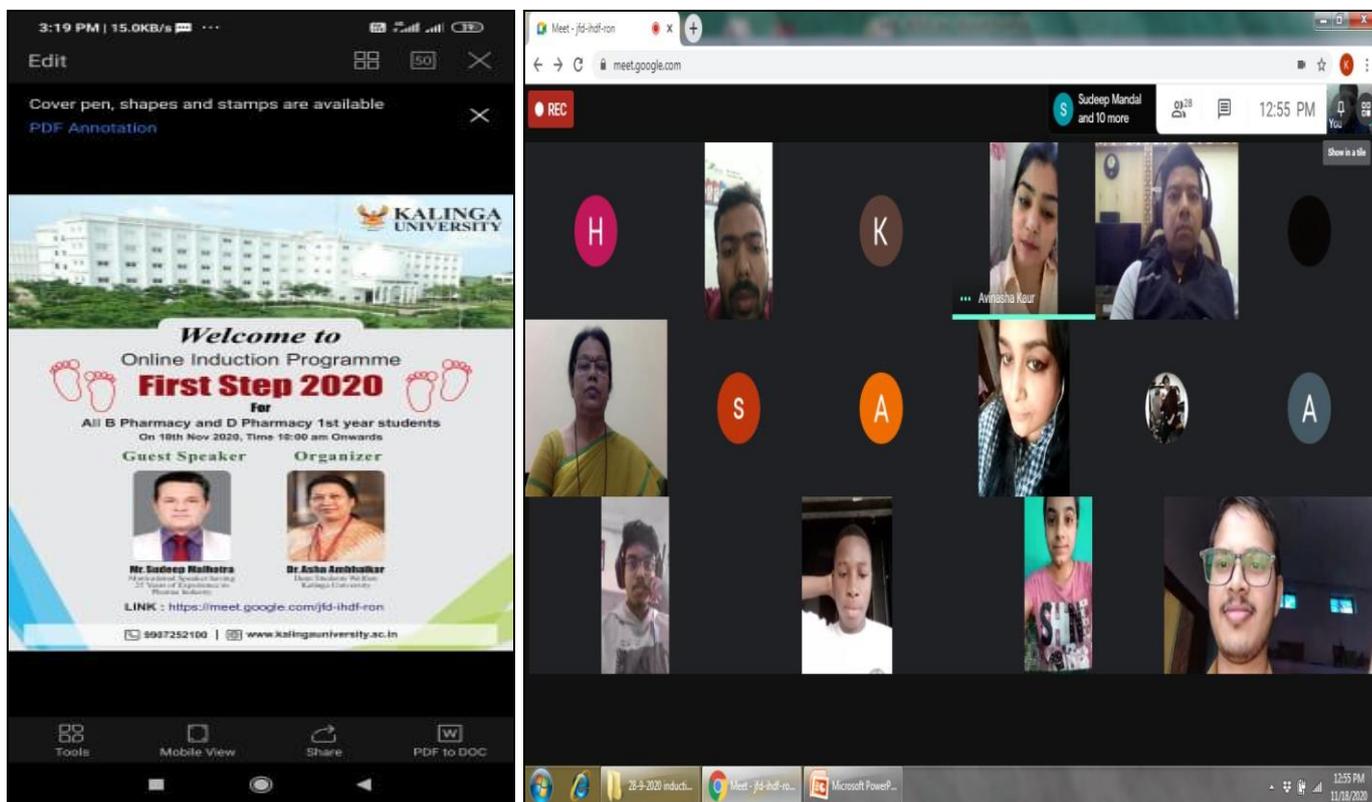

Kalinga University organized 'First Step' 2020, the Induction programme for the Pharmacy students on the virtual platform on Wednesday, November 18, 2020.

The event was blessed with the esteemed presence of Dr R Shridhar Honourable Vice Chancellor, Dr. Sandeep Gandhi, Honourable Registrar, Dr. Asha Ambhaikar, Dean Student Welfare and Mr. Rahul Mishra, IAA. After the introduction of the dignitaries a divine offering was made to Goddess Saraswati to bless the occasion.

The welcome speech was delivered by Dr Sandeep Gandhi in which he spoke about the achievements and placements of Kalinga University students in the Pharmacy sector. He highlighted that students of Kalinga in recent years have made great success in Pharmacy and are well placed in India and abroad. The welcome speech was followed by the speech of Dr R Shridhar who enlightened students on the choice of multiple career options in the field of Pharmacy ranging from pricing, pharmacogenics to personalized medicine where Pharmacy graduates and post graduates will be exploring a bright future. Mr Rahul Mishra, IAA briefed the students regarding courses, assignments, attendance and other class room activities. Mr Sudeep Malhotra, life coach and motivational speaker encouraged students to work hard and understand the value of time management in life. Mr Kumar Shwetabh, Deputy Registrar briefed the students on admission documentation process. The students were introduced to the Department of Pharmacy, faculties and departmental activities through a presentation given by Mr Sudeep Kumar Mondal, Incharge Pharmacy department. Ms Gausiya Khaton and Mr Shrikant briefed the students on University rules regulations and

Exam process respectively. A beautiful and realistic exploration of Kalinga University campus was made through a presentation given by Dr Prateek Jagtap.

The students were greatly entertained by various games like riddles, pictionary and quiz which was quite brainstorming and for which there was an overwhelming response. They thoroughly enjoyed the performances of Kalinga students on virtual platform which included classical dance, Afghani dance, and talent round for new students. The Vote of Thanks was delivered by Dr Asha Ambhaikar, Dean Student's welfare and the programme was successfully conducted by Masters of the ceremony Mr Kapil Kelkar, Ms Avinash Kaur, Mr Himanshu Jhade and Dr Vineeta Diwan .

## NCC Constitution day

Raksha Mantri ShriRaj Nath Singh, inaugurated a month-long nationwide Constitution Day Youth Club activities programme organised by the NCC through a Video Conferencing from New Delhi. The aim of the programme is to mobilise youth to spread awareness about the Indian Constitution amongst the people across the nation.

In his inaugural address Raksha Mantri exhorted the youths of the country to understand the spirit of the constitution and work sincerely to realize its ideals. He said our Constitution was shaped after years of intense discussions and deliberations. The preamble of our constitution begins with "We" and it thus, depends upon all of us how we take our country and our system forward. He said we need to make people aware of their rights as enshrined in the constitution but at the same time make them aware of their duties also as both rights and duties are linked to each other. Without fulfilling duties one cannot enjoy his/her rights, he added. ShriRaj Nath Singh said through this campaign, people should be made aware that the Constitution guides their lives through its core values of discipline, unity in diversity, freedom, equality, sovereignty and social solidarity. This is necessary to build a 'New India', he added. Shri Raj Nath Singh further said, taking inspiration from great leaders such as Mahatma Gandhi, Swami Vivekananda, Dr. B. R. Ambedkar and Pandit Deen Dayal Upadhyay, we should follow the ideals of the constitution with resolute firmness.

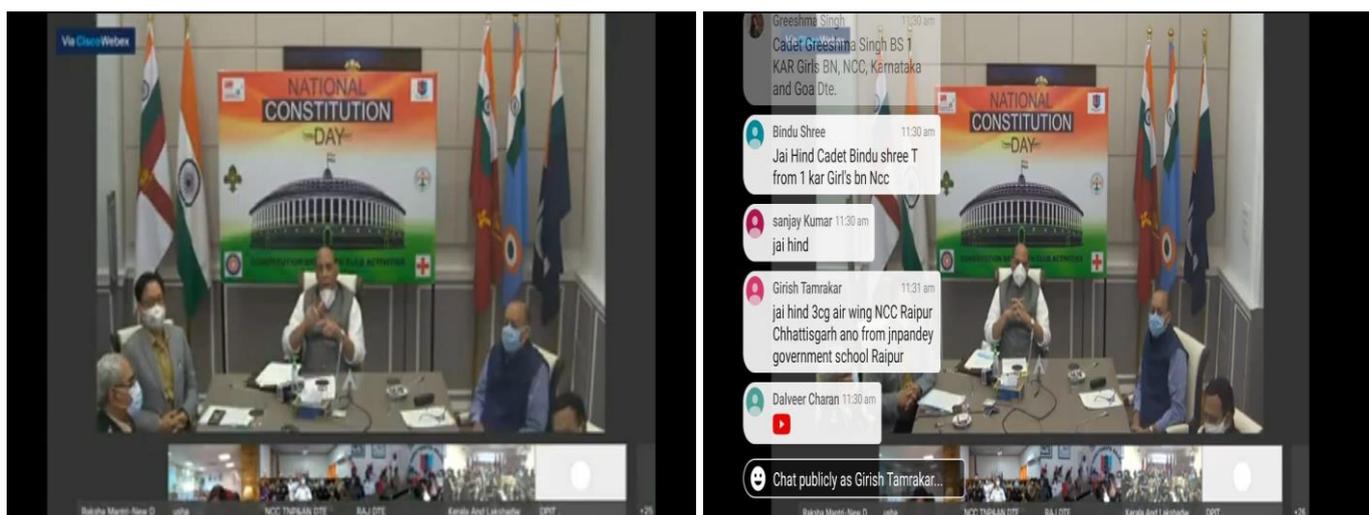

Union Minister of State (Independent Charge) for Youth Affairs and Sports Shri Kiren Rijju also spoke on the occasion.

The month-long campaign will be undertaken by the youth organisations of the country i.e. National Cadet Corps(NCC), National Service Scheme (NSS), Nehru Yuva Kendra Sangathan (NYKS), The Bharat Scouts and Guides, Hindustan Scouts and Guides Association and Red Cross from 18 Nov to 13 Dec 2020.

The Key Objectives of the campaign are to spread awareness amongst the masses, about the basic tenets and the spirit of the Indian Constitution, to include awareness of fundamental duties enshrined in the constitution of India, Qualities of responsible and productive citizen, Importance of the Constitution of India and to spread the message of Dr. B. R. Ambedkar on equality and affirmative actions.

A Nationwide blood donation camp will be organised by volunteer youth from 22 to 24 Nov 20. During the campaign, the youth will also Promote the hashtags# Its My Duty(Department of Justice) and # MeraKartavya (NCC twitter handle)on social media. The awareness message will also be spread through Emails, Message and Banners. The campaign will include awareness programmes aimed at citizen's responsibility towards nature and a one week cleanliness drive at home and in neighbourhood.

Defence Secretary, Dr. Ajay Kumar,Secretary Youth Affairs Ms. Usha Sharma and DG NCC Lt. Gen Rajeev Chopraalso addressed the video conference.

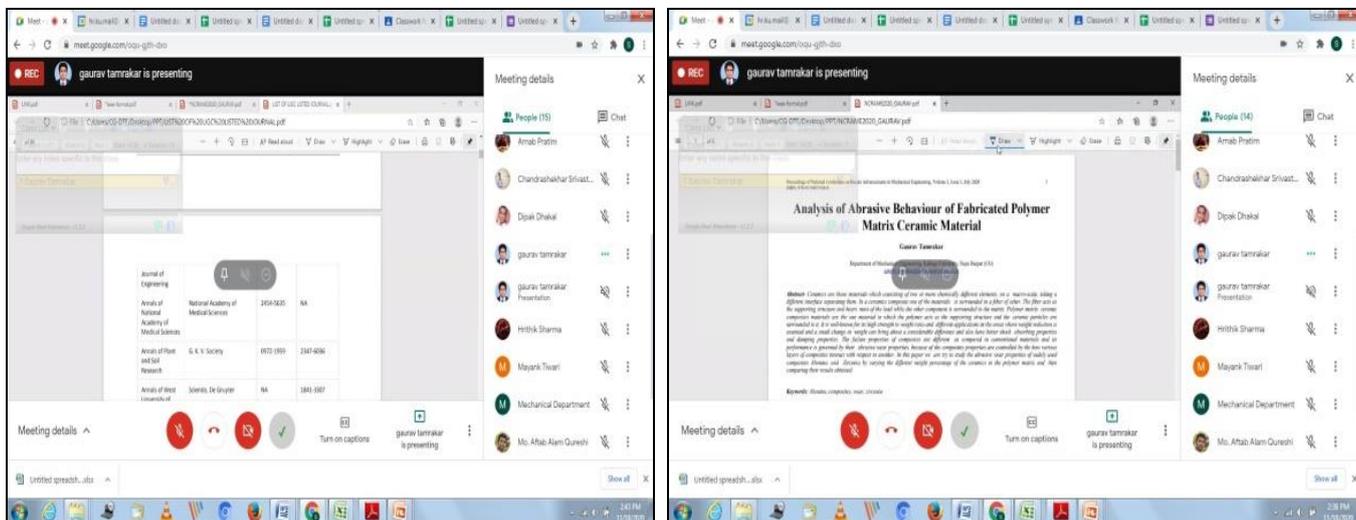

## Webinar on Aspects needed to develop ones Personality by Department of Education on 18 November 2020

The Webinar was organized by Department of Education, on “Aspects needed to develop ones personality” The Speaker Dr Gurpreet Cour, Principal, Sanskar City College of Education, and RajnandGaon. In her session she stated personality, its types, the impact of personality on emotions and life. How to handle stress, and she also discussed on negative and positive view of personality. The session was concluded with question answer session and discussion with participants. The Participant from various college and universities like: Prof .Manvendir Singh Pahawa., Manipal University Jaipur, Dr Raj Bahdur Thappa., Asst Registrar., Rawatpura university.Dr Kuber Singh Gurpanch.,Principal.Devsanskriti University.,Durg. Dr

HOD Mechanical engineering department motivated the students about the research work. He also explained the importance of research. Mr. Gaurav Tamrakar, Assistant Professor, Mechanical Engg Department, Kalinga University, Naya Raipur explained the students step-by-step entire writing process, from understanding research paper to proofreading final draft. He also explained various steps like Choose a research paper topic, Conduct preliminary research, Develop a thesis statement, Create a research paper outline, Write a first draft of the research paper, Write the introduction and Write a compelling body of text.

### Display of Motivational Videos on various fields through WhatsApp and Internet by Department of Management & Commerce on 21.11.2020

Management & Commerce organized an activity Display of Motivational Videos on various field through WhatsApp and Internet, for the Commerce students with an objective to make students learn about the significance of slogan in respect with the organization behavior. 21 students participated in 4 groups from Class: B.COM (P)/ B.COM(B&F) 3rd Semester. The students were evaluated on the basis of their vocal presentation, relevance of motivational videos with the brand and the overall involvement of the group members.

### **Online Department activity on C- Cube Technologies by Department of Civil Engineering on 21.11.2020**

To promote and create interest amongst students about Mix Design of concrete and its role in construction including the importance to know the characteristic features of Mix Design of grade M25, M30, M40, M45, M50 and M55. Students explored their ability to frame design calculations of Mix Designs with various proportions of mixtures of concrete in the form cement, sand, admixtures, aggregates to give better durability and structural performances in buildings. Students submitted their mix design calculations in a valid format either through Pdf and word file. Emphasis was kept on imparting knowledge of mix design to familiarize them with Concrete Technology for structural designing in construction industry.

An online departmental event was conducted on 21<sup>st</sup> November, 2020 ; C- Cube Technologies for the students of Department of Civil Engineering to promote Design methodologies of Concrete amongst the students. The event was conducted through online mode in two phases. In first phase, students were welcomed with short briefing regarding the event. 41 students were present. They were guided on Mix Design calculations of Concrete and rules by Prof N. K. Dhapekar which has to be followed in the event. Students prepared Mix Designs of Different grade of Concrete which are follows:

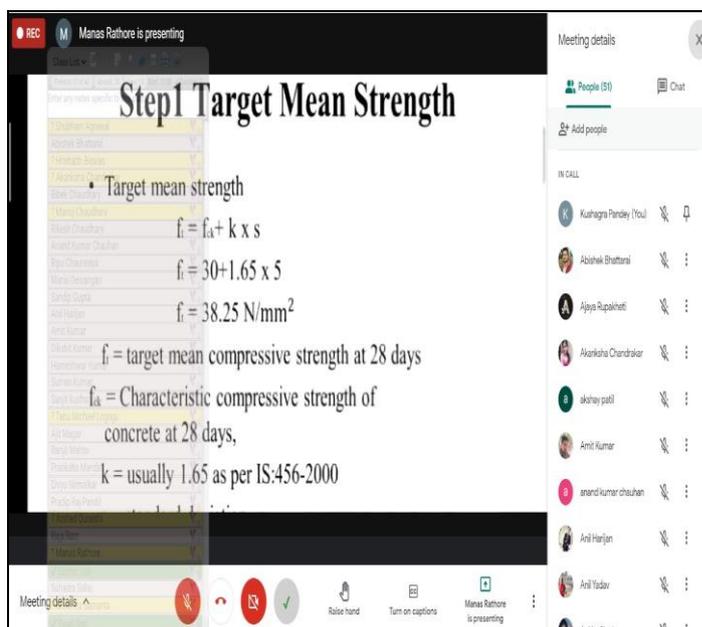

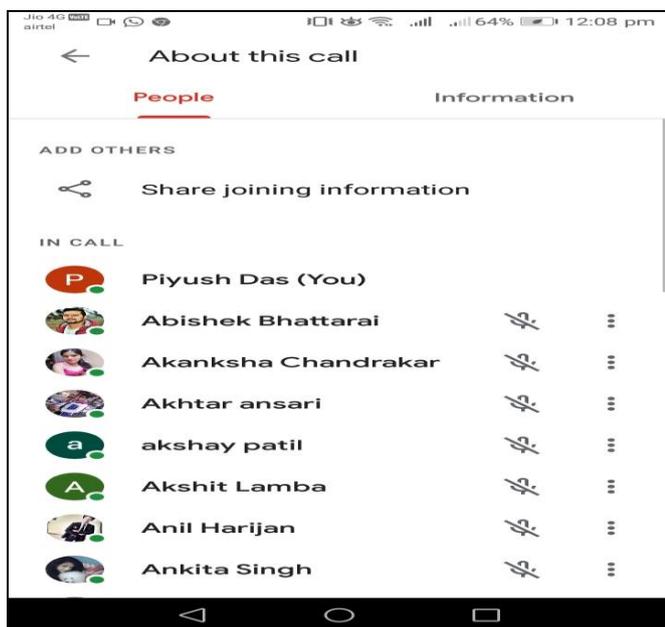

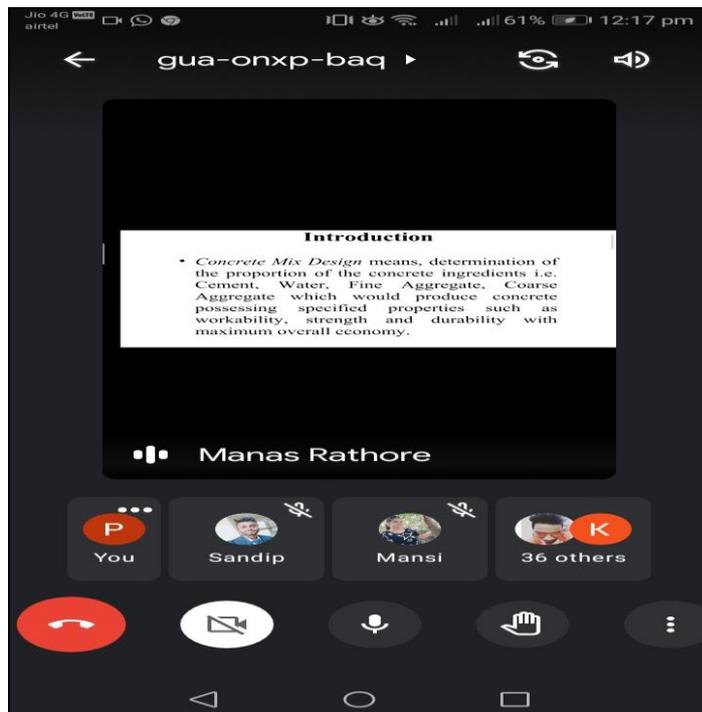

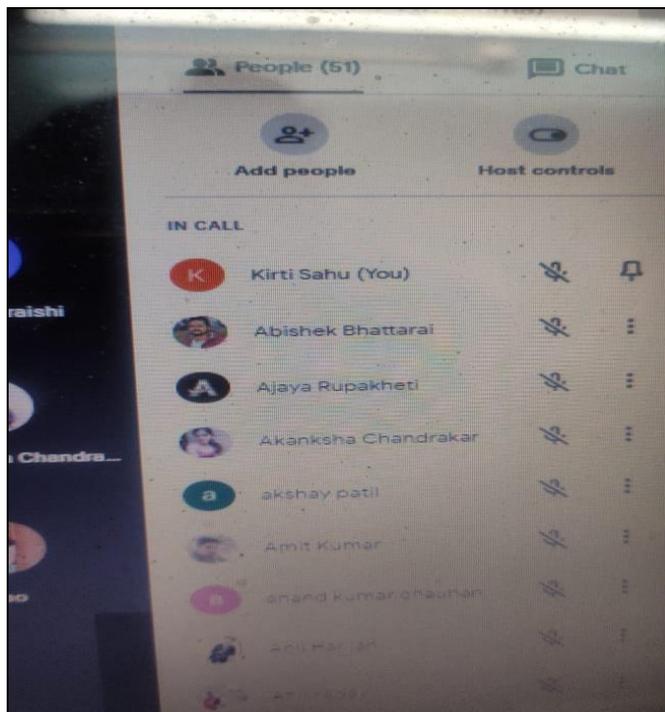

#### **Purpose:**

1. DICE 3<sup>rd</sup>-M25
2. DICE 5<sup>th</sup> -M30
3. BTCE 3<sup>rd</sup>-M35
4. BTCE 5<sup>th</sup>- M40
5. BTCE 7<sup>th</sup>-M45
6. MTHE 3<sup>rd</sup>-M50 or above
7. MTSE 3<sup>rd</sup>-M50 or above

Coordinators created Google Classroom links and students shared their mix design calculations through online submission. Top 3 performers were decided as the Winners of the event.

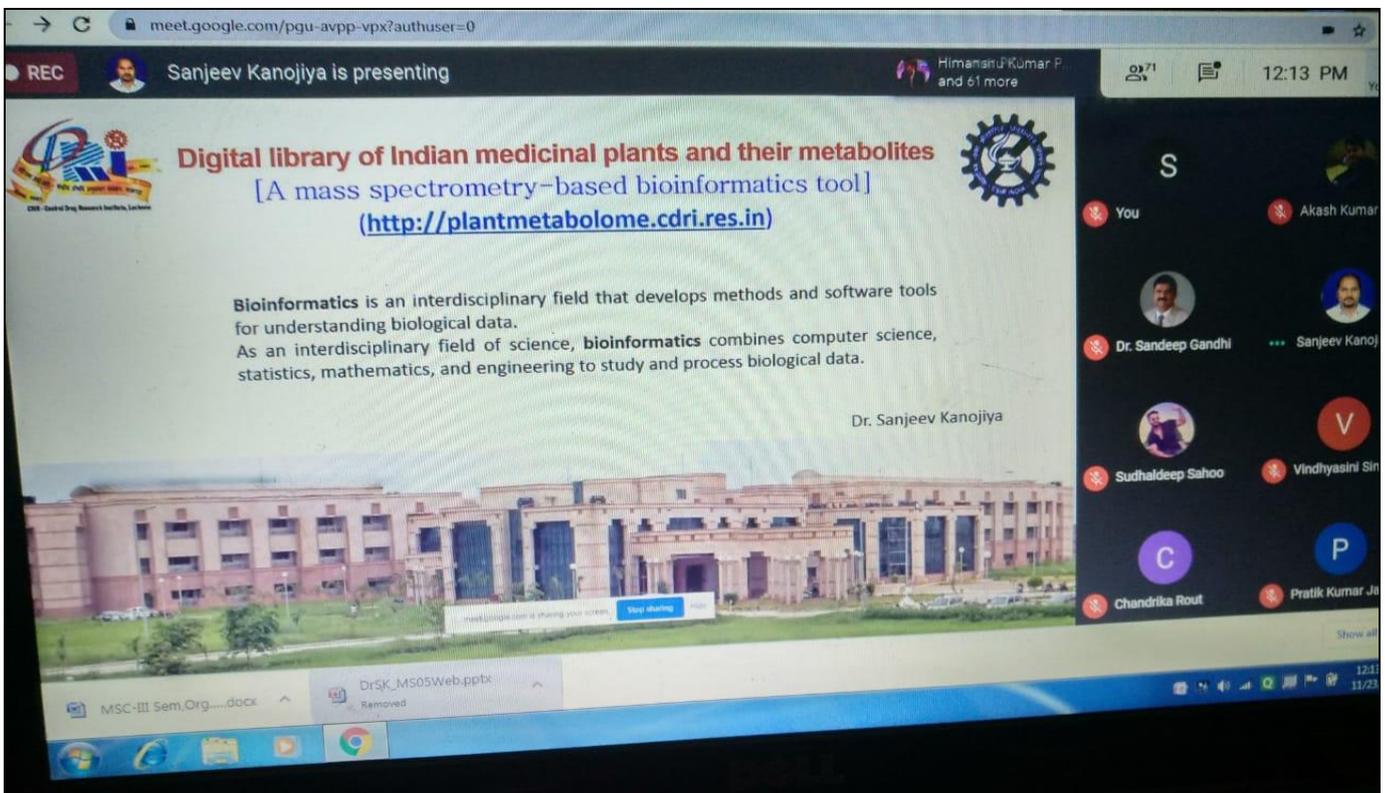

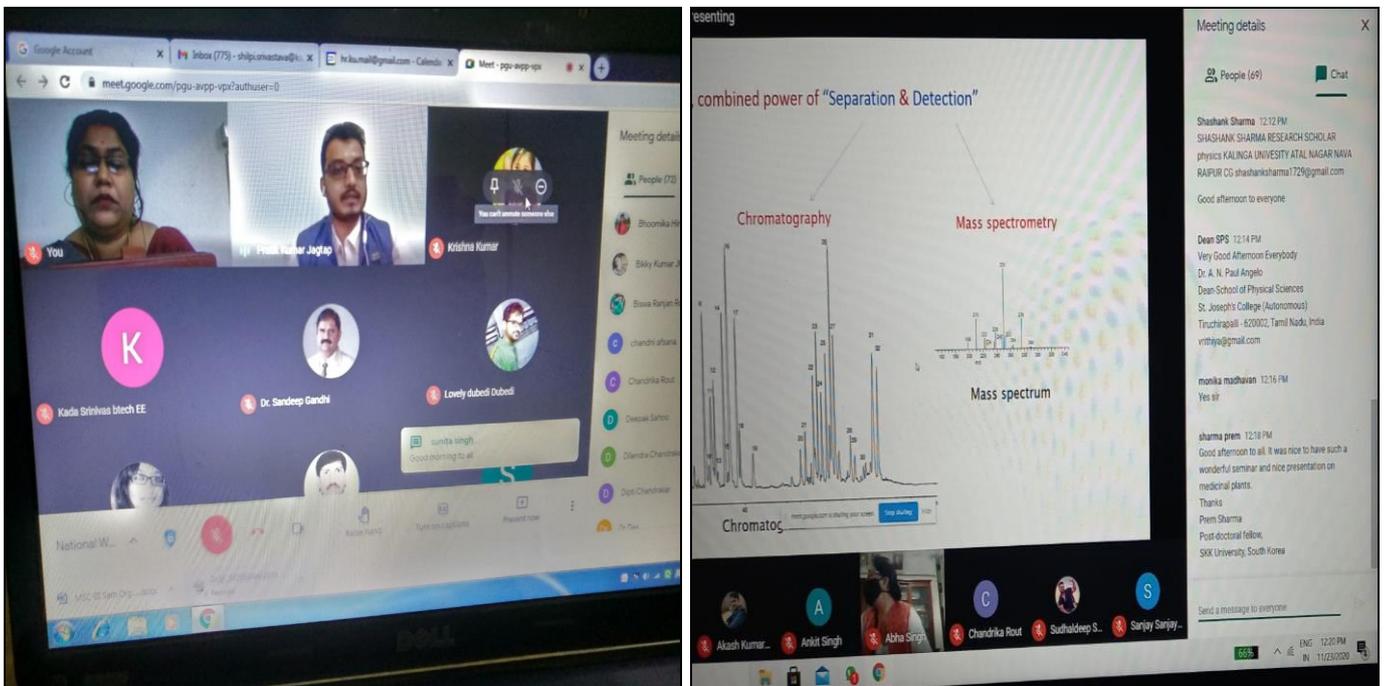

## Winners:-

1. Ms.SohadraSahu–BTCE 7<sup>th</sup>
2. Mr.Suman Kumar –MTHE-3<sup>rd</sup>
3. Ms.Ankita Singh-BTCE-3<sup>rd</sup>

## National Webinar on "Digital Library of Indian Medicinal Plants and their Metabolites" by Department of Chemistry on 23.11.2021

Department of Chemistry organized a National Webinar on "Digital Library of Indian Medicinal Plants and their Metabolites" on 23 November 2020 at 12.00 Noon Dr. Sanjeev kanojiya principal scientist CDRI Lucknow was the keynote Speaker. Webinar was conducted by Dr. Shilpi Shrivastava HOD chemistry and applied science. 60 participants attended a webinar.

## Online Induction Programs "First Step-2020" For the PG Engineering students (MTCE/MTCS) on 24.11.2020

Kalinga University esteemed as the top University of Chhattisgarh is one of the stepping stones of Excellence in the field of Higher Education organized the Induction programme 'First Step' for the MTech stream on the virtual platform.

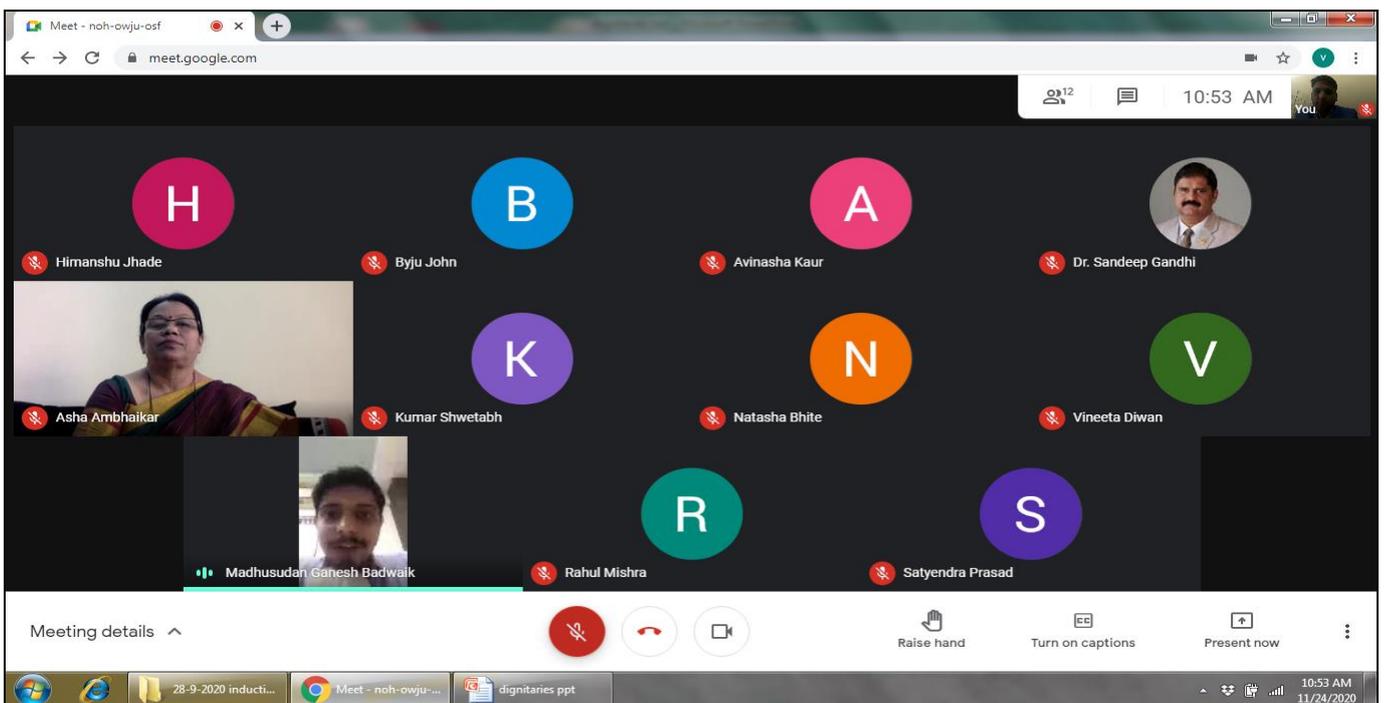

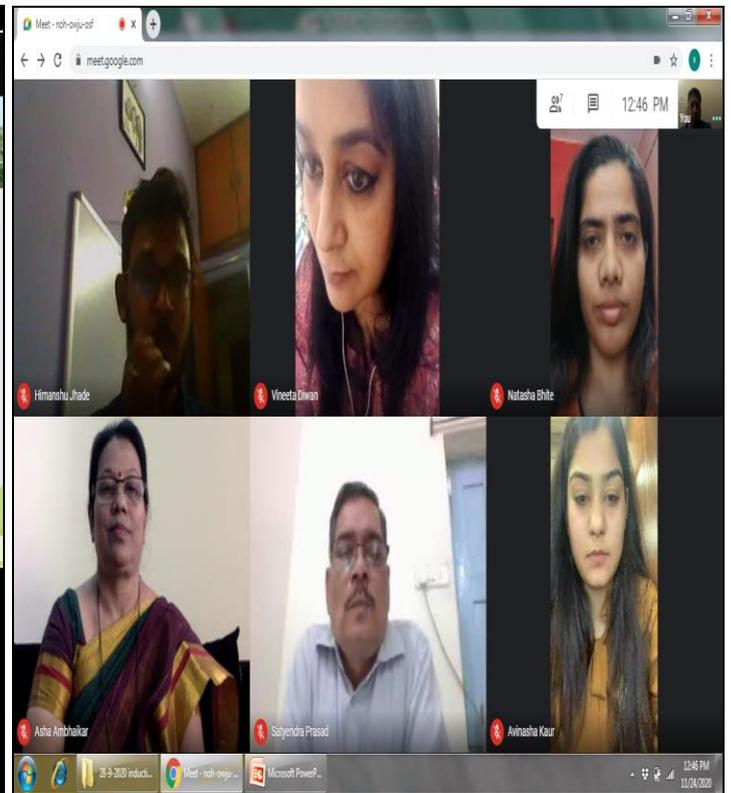

The Induction Programme on November 24, 2020 was meant for introducing the Science streams. The key note speaker of the Induction Programme was Dr R Sridhar, Honourable Vice Chancellor, Kalinga University. In his speech he introduced the students with multiple aspects of Higher studies

which included the assessment criteria, mode of study, and development of personal skills like determination, proper time management and hard work to achieve the ultimate goal of success. He ended the speech with a positive note demanding great expectations from the students in future. The Vice Chancellor's speech was followed by the speech of Dr Byju John, Director General, Kalinga University, who shared his timeless rich experiences of years with the new comers.

The Guest speaker for the occasion was Mr Madhusudan Badwaik, Deputy Manager at Mahindra group, Former HR Intern International HR Compliance at L&T Infotech Powai Sakinaka, who delivered a motivational note to the students especially focusing on the idea of framing goals in life, being self disciplined and taking right decision on the right time that eventually shape the future of an aspiring student. and wished them all the best for their future. The newcomers were introduced to the MTech Department, its faculties and functions through a powerpoint presentation given by Mr N K Dhapekar , Incharge MTCS/MTCE. The programme also showcased many virtual performances by the students of Kalinga University which included the Afghani Dance by International students, Solo dance performace by Ms Vasavi, a student of Kalinga, Fashion show, and Chhattisgarhi dance which was a high voltage entertainment stock amazing all. There was an overwhelming response from the students who actively participated in the quiz, pictionary and logical reasoning games.

The occasion was blessed by the graceful presence of Dr Sandip Gandhi, Registrar, Kalinga University who assured the students of providing the best faculty and facility for the coming academic sessions. Speaking about the future challenges and cut throat competition Mr Rahul Mishra , Incharge Academic Affairs and Mr Kumar Shwetabh, Deputy Registrar briefed the students on creating the best academic atmosphere for desired jobs and entrepreneurship. The students were also briefed about the examination process in Kalinga and University norms for students by Ms Gausiya and Mr Shrikant examination incharge Kalinga University. A brief session was conducted by Ms Smita for the NSS and its activities in Kalinga University.

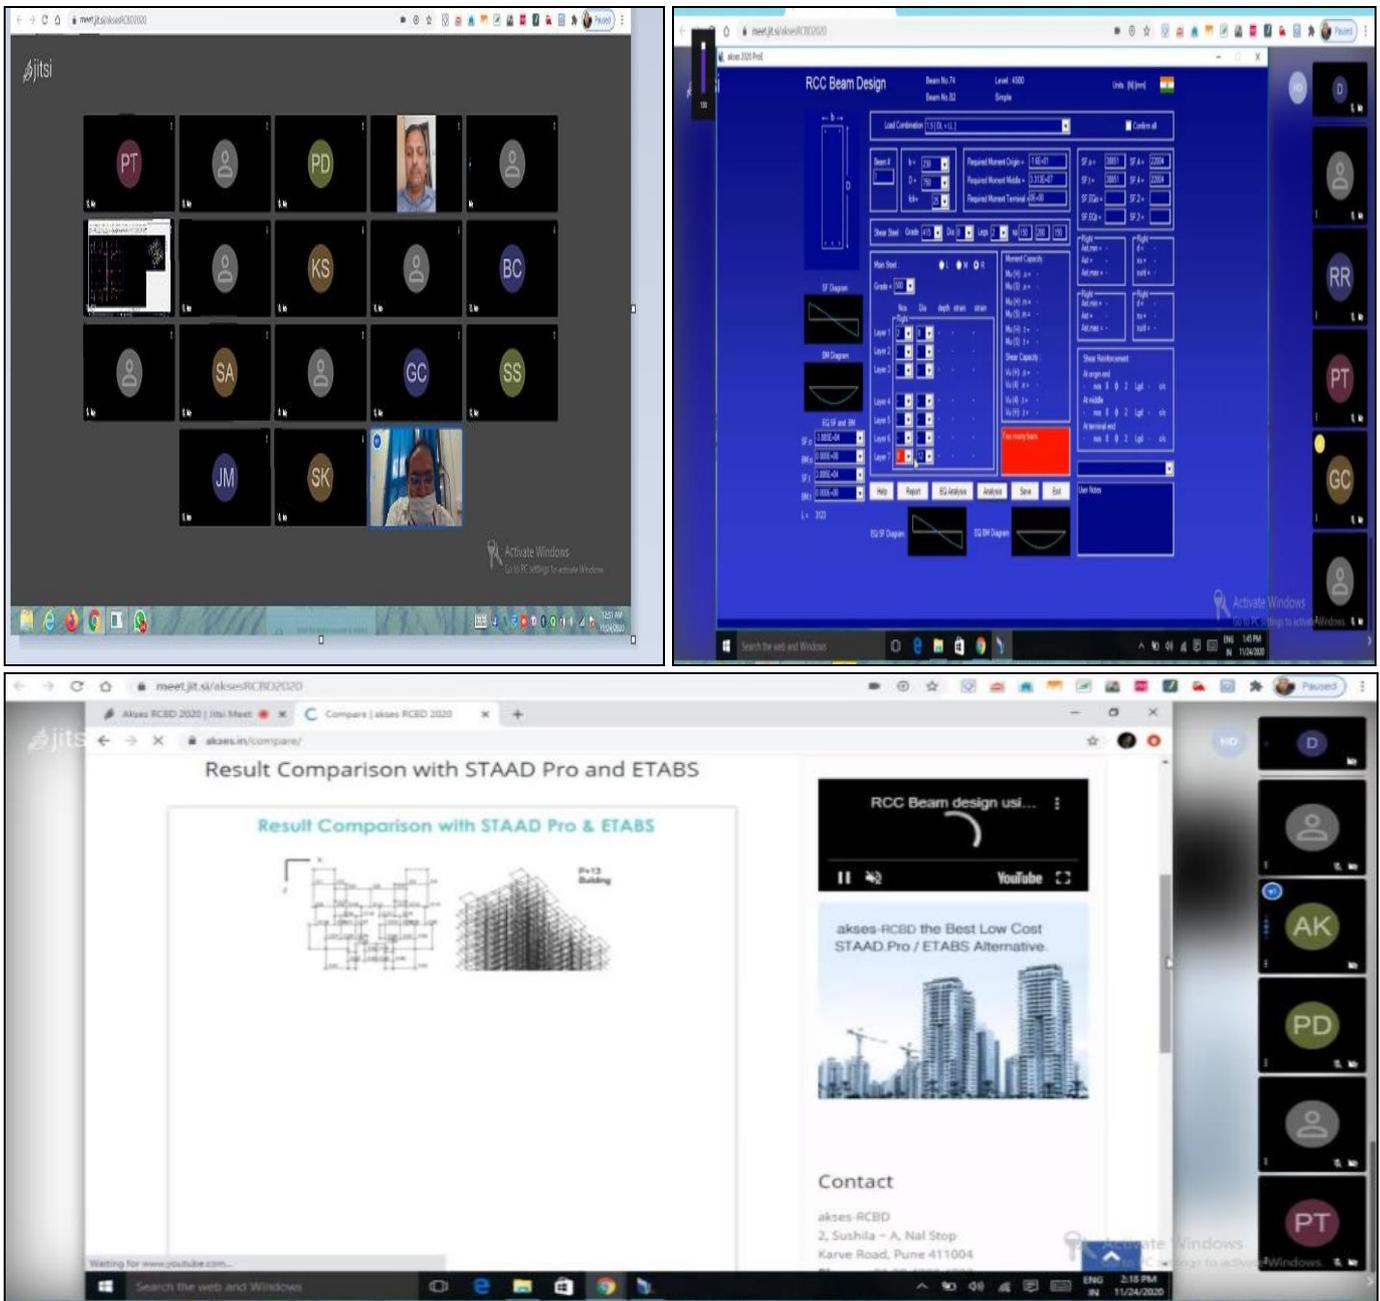

The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. 12 participants attended a program. The expressed their gratitude and thanks for a fruitful Induction Programme. The vote of thanks was given by Dr Asha Ambhaikar, Dean Students Welfare and the programme was successfully managed and conducted by Mr Kapil kelkar, Ms Avinash Kaur, Mr Himanshu Jhade, Dr Hindole Ghosh and Dr Vineeta Diwan.

## Webinar on Analysis & Design of RCC Structures using RCBD Software Department of Civil Engineering on 24.11.2020

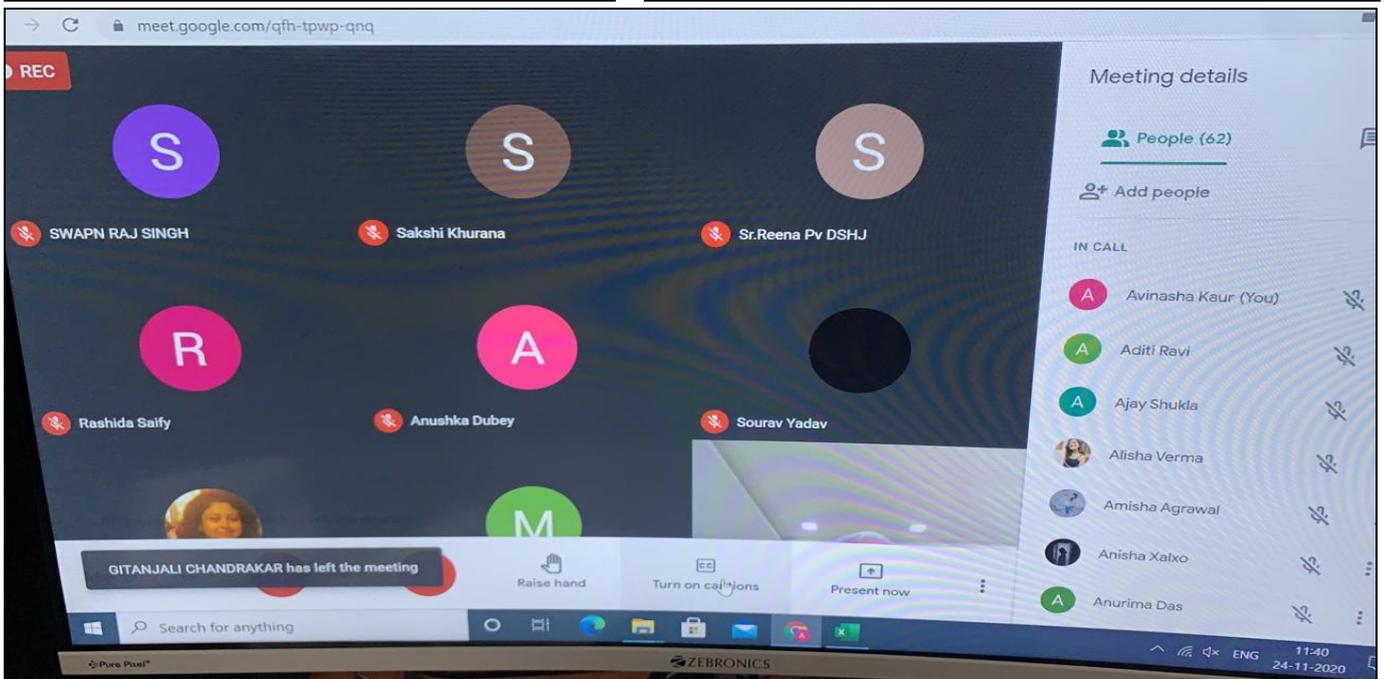

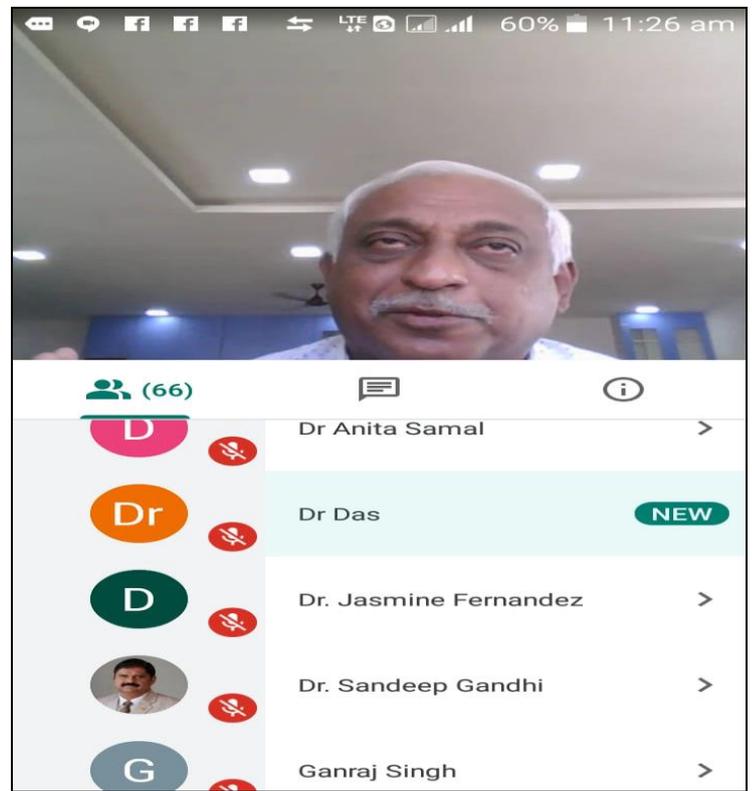

Webinar was organized and conducted by department of Civil Engineering to provide the knowledge for the software akses RCBD originally developed by Mr. Ajay Kadam . It is developed on nonlinear analysis and design of reinforced concrete frames. The software is developed using Finite Element method and the design part was based on American Concrete Institute's (ACI) Code. Later in 1991, it was modified according to Indian Standard (IS) Code. Number of residential, commercial, institutional and industrial buildings have been designed using this software since 29 years. Online webinar was conducted on 24th

November, 2020 for the students of Department of Civil Engineering for promoting RCBD Software and to develop interest amongst them. Webinar was conducted through online mode and attended by 39 students. . In today's industry scenario, extra skills are required to grab good job and software knowledge is most important factor for industries. 23 students attended a webinar.

## National Webinar on the topic "Career Opportunities in Journalism and Media" Department of Arts & Humanities on 24.11.2020

Department of Arts & Humanities, Kalinga University, Raipur(C.G) organized a National Webinar on the topic "Career Opportunities in Journalism and Media" on 24th November, 2020 from 11 a.m to 12 p.m. 66 students attended a webinar. This was very informative and useful for the all the students of Journalism and mass communication.

## **Webinar on “Differential Evolution Algorithm and its Application for Controller Design” by Department of Electrical Engineering on 25.11.2020**

Department of Electrical Engineering is organized a live webinar on the topic “Differential Evolution Algorithm and its Application for Controller Design” on 25th November 2020 from 02 pm to 03:30 pm. The Resource Persons were Dr. Vinay Pratap Singh Department of Electrical Engineering, Malaviya National Institute of Technology, (M. N. I. T), Jaipur, Rajasthan. More than 50 participants are joined in the webinar.

**National Webinar on the topic "An Overview of International Intellectual Property and WIPO" by Department of Law on 25th November, 2020**

Department of Law organised a Seminar On"Overview Of International Intellectual Property And Wipo"

Department of Law, Kalinga University, Raipur (C.G) is pleased to inform you that we are organizing a Live National Webinar on the topic " An Overview of International Intellectual Property and WIPO" on 25th November, 2020 on 25th November, 2020 from 9 a.m to 10 a.m.

We cordially invite all of you to grace the event with your presence and we humbly request you to inform your academic acquaintances about this event and help us make it a grand success.

Keynote Speaker for this National Webinar were Prof. Dr. S. Rama Rao, Adjunct Professor, Columbia University, Head of World Intellectual Property Organization Coordination Office.

Successfully conducted National Webinar with over 85 attendees spread across various Institutions from Christ University, Amity Noida, Navrachna, Banasthali, National University Odisha, MNLU Aurangabad to name a few, on Overview of International Intellectual Property and WIPO. The session was well received by the participants. It was highly generous of the Prof Rao to have agreed to offer his insights on the subject matter and went onto speak till his mid night at 12 in New York.

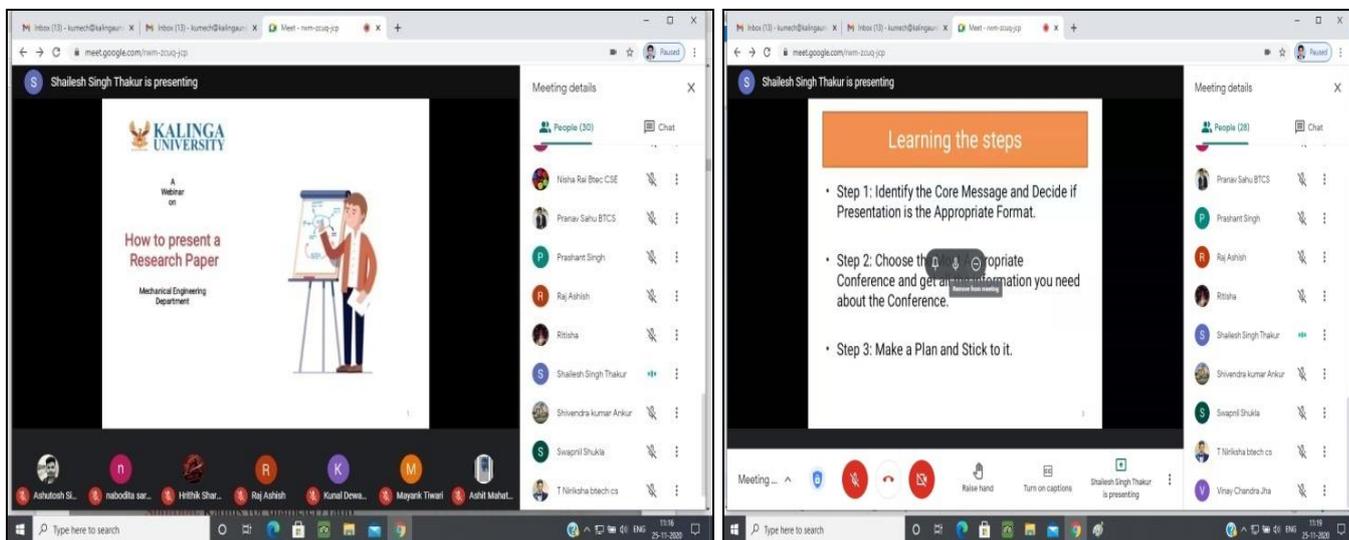

## **Webinar on “How to present a research paper” Department of Mechanical Engineering on 25 Nov 2020**

Webinar was organized by Department of Mechanical Engineering for motivating the students to present research paper and to explain various steps for presenting a research paper to the First year Engineering Students, Mechanical Engineering Students on 25 Nov 2020 from 11.00 am to 12.01 pm

Students from first year Engineering and students from Mechanical Department (3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup>) (Total 35 Students) and all faculties from Department of Mech Engineering along with Head of Department attended the Guest Lecture.

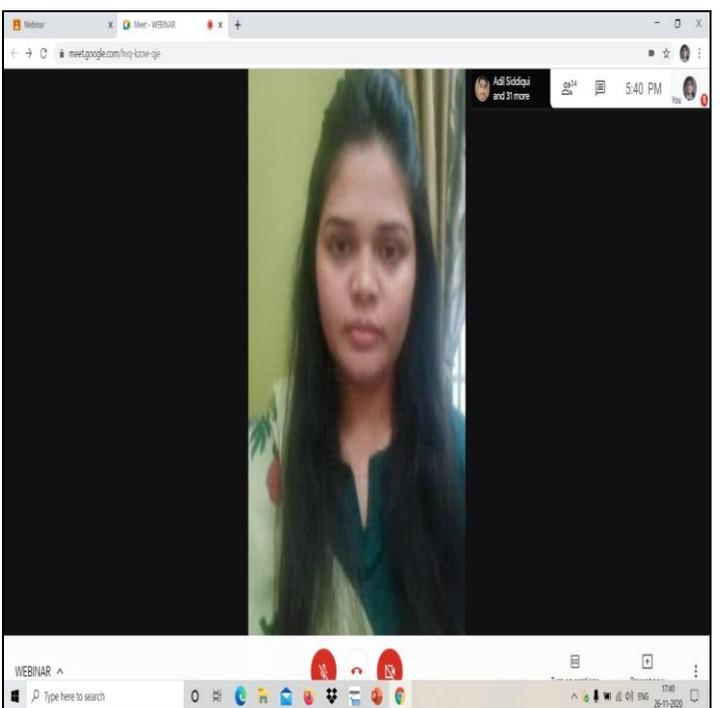

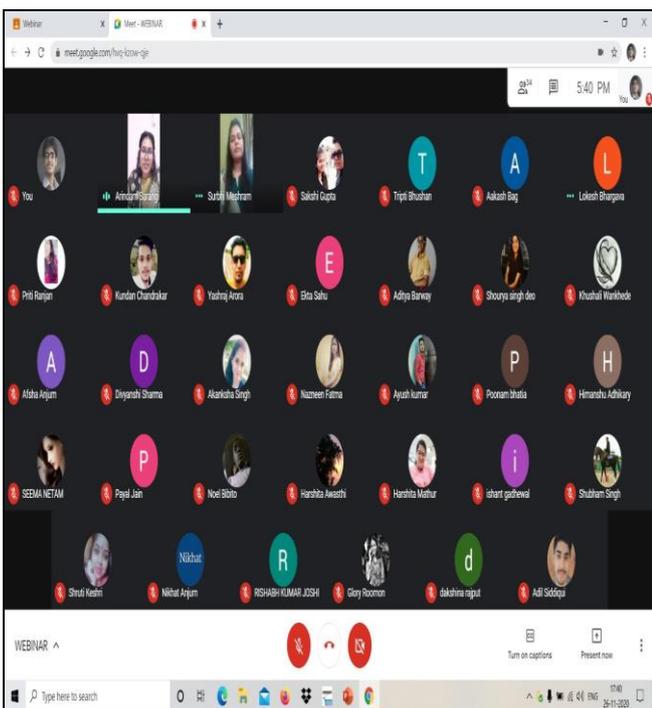

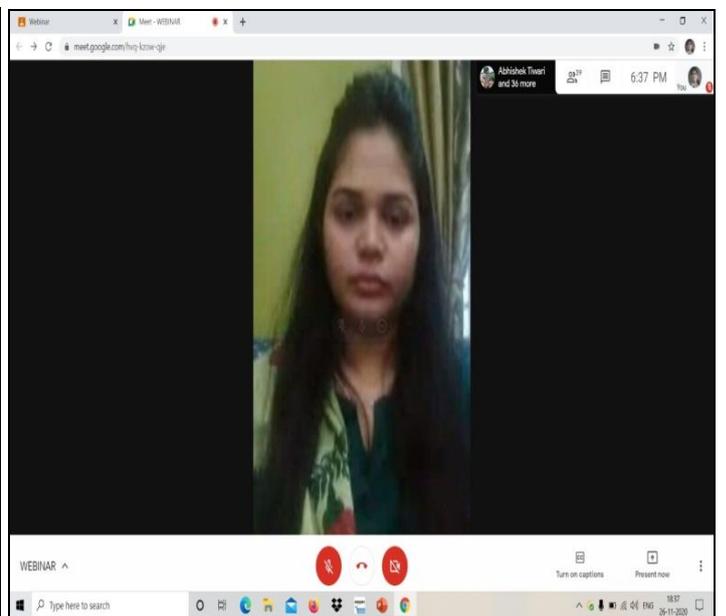

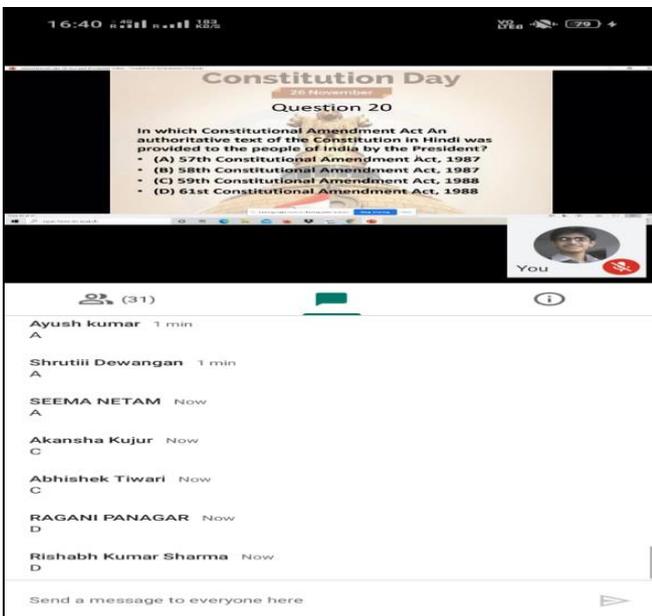

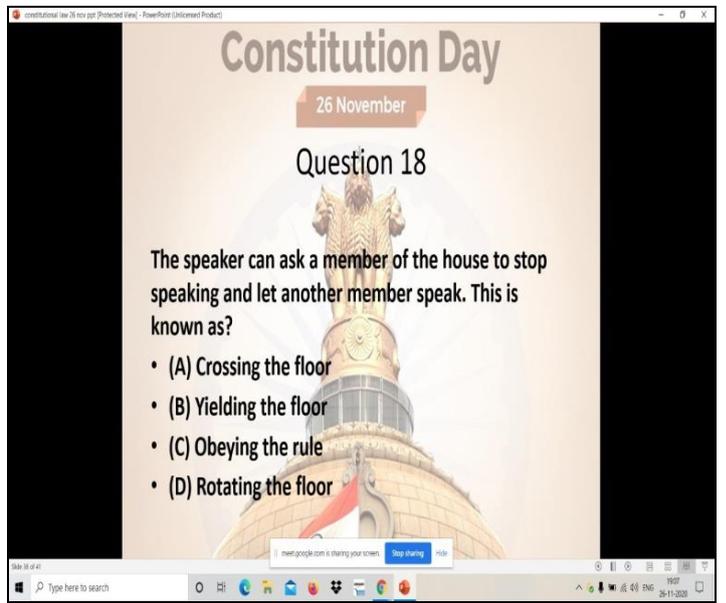

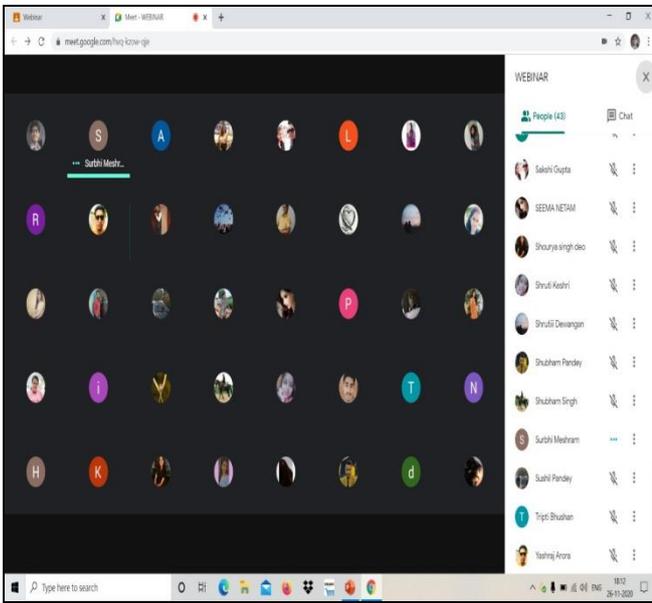

### **Description about the Program:**

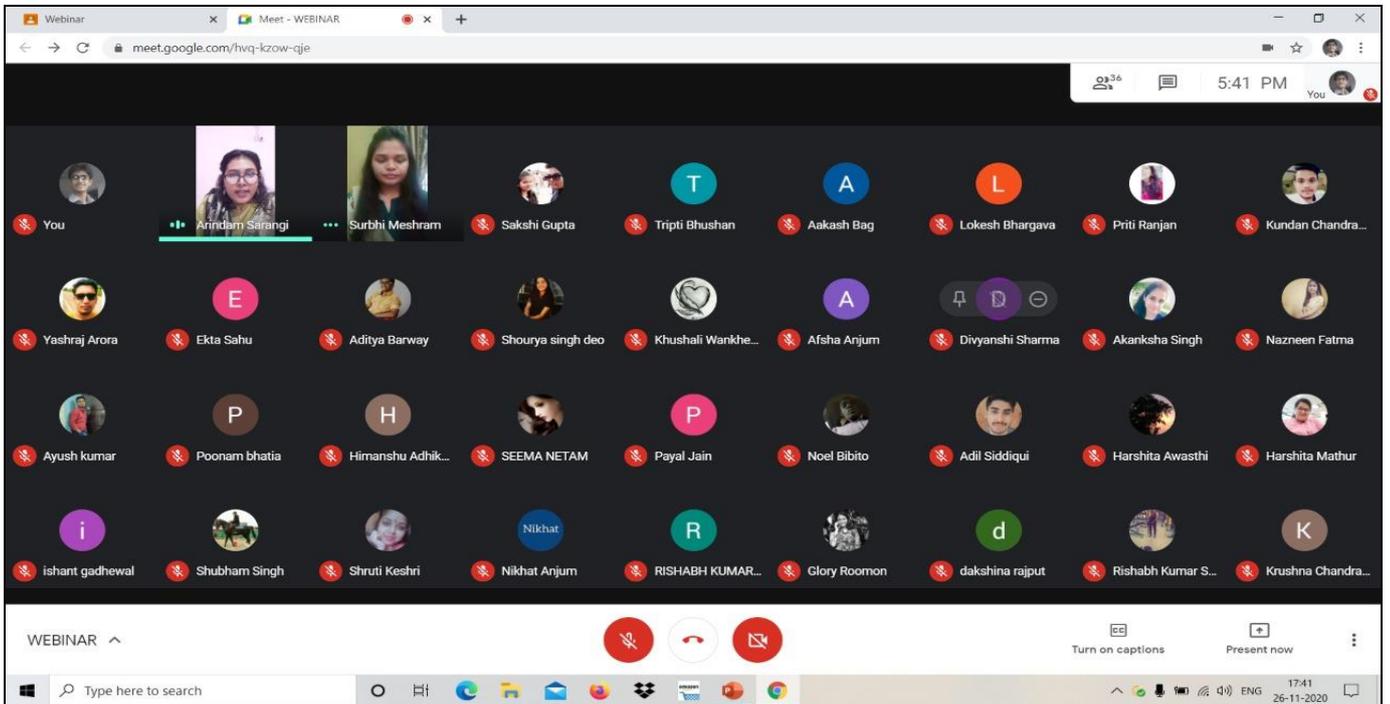

HOD Mechanical engineering department motivated the students about the research work. He also explained the importance of research and how to present research papers. Mr. Shailesh Singh Thakur, Assistant Professor, Mechanical Engg Department, Kalinga University, Naya Raipur explained the student's, academic research paper presentations could be based on research in progress, unfinished work or the full drafts of a research paper. An academic presentation is a sort of like an advertisement for the paper than an attempt to present all the information in the paper. You need to focus on what is important; highlighting the bold outcomes and results is the key here.

## **Webinar on the occasion of the Constitution topic ‘Constitution and Constitutionalism’ by Department of Law on 26th November 2020,**

The Faculty of Law at Kalinga University organized a National Webinar on on the occasion of the Constitution Day 2020 on 26th November 2020, on the topic ‘Constitution and Constitutionalism’. The webinar began with Inaugural Address on the topic and the event was moderated by a student of LLB 3rd Semester. The inaugural Address was delivered by Dr. Krushna Chandra Dalai, HOD (Law Department). The Webinar Keynote Speaker was Miss. Surbhi Meshram, Faculty of Law at Kalinga University. The Webinar comprised of huge number of participants from all Semesters of Kalinga University and the webinar ended with huge participation for the quiz based on the topic. The Webinar enabled the participants to understand the genesis of formation of Nation states and Democracy, the evolution of Bill of Rights, and independent judiciary, respect for individual human rights and the right to self - determination as essential attributes (characteristics) of constitutionalism. Popular sovereignty envisages the fact that the public is the source or fountain of all governmental authority. The Speaker had shed the light on the Indian Constitution which is the basic law and backbone of a country, while constitutionalism is the system of governance based on the constitution. Building on the differences outlined in the webinar, students can identify few other aspects that differentiate constitution and constitutionalism. 47 students attended a webinar

## **Webinar on the topic “The Gandhian Thoughts of Self Reliance in Indian Economy” by Department of Arts and Humanities on 27.11 2020**

Faculty of Arts & Humanities organized a National Webinar on the topic "The Gandhian Thoughts of Self Reliance in Indian Economy" on 27th November, 2020. Keynote Speaker was Dr. Vinod Sen, Assistant Professor of Economics, IGNT University, Amarkantak. ---students attended a webinar. Ttotal 25 participants attended this webinar. It was beneficial for all the participants.

## **National Webinar on “Application of genetic Engineering & Molecular Biology in development of Transgenic Plant” by department of Biotechnology on 27 November 2020**

Biotechnology Department, Kalinga University has organised a webinar on “**Application of genetic Engineering & Molecular Biology in development of Transgenic Plant**” by our keynote speaker for the webinar was Dr. Sukhdeo Nandeshwar, Principal Scientist and Head Biotechnology ICAR- Central Institute for Cotton Research, Ministry of Agriculture, Govt. of India, Nagpur. Generally the webinar focussed on a well thought topic based on recent research trends. The Inauguration of the Keynote speaker was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, Eminent Keynote Speakers, Faculty members Dr. Ramswaroop Saini, Mr. Dilendra Chandraker, Ms. Nirali Budhbhatti and Various Students/Scholars and Academicians. This session was very informative and knowledgeable.

The webinar received an overwhelming response as more than 350 participants across the country got registered for the same. Dr. Nandeshwar emphasized that conventional plant breeding methods have been commonly used for introducing natural resistance genes into plants for controlling plant virus diseases. He further added that genetic engineering has applications in medicine, research, industry and agriculture and can be used on a wide range of plants, animals and microorganisms. Dr. Nandeshwar discussed at length about the use of genetic engineering in agriculture to create genetically-modified crops. The students were highly benefitted by the insights that he provided regarding the subject matter of the webinar.

Dr. Sushma Dubey, Head- Department of Biotechnology was the convener of the webinar, Dr. Ramswaroop Saini, Assistant Professor, Department of Biotechnology, Mr. Dilendra Chandraker, Assistant Professor, Department of Biotechnology, Ms. Nirali Budhbhatti, Assistant Professor, Department of Biotechnology were the organizing Secretary of the webinar. At the end of the academically enriching webinar, vote of thanks was extended by Dr. Sushma Dubey.

Biotechnology Department, Kalinga University, Atal Nagar, Naya Raipur wishes to express thanks to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir and DSW Madam, IAA Sir and HOD Madam** for providing such a great opportunity for Biotechnology Department.

**National Webinar on “Neuroendocrine-Pineal-Network in regulation of Immunology, Reproductive and Metabolic Functions” by department of Zoology on 28th November, 2020.**

Department of Zoology of Kalinga University has organised a National Webinar on “Neuroendocrine-Pineal-Network in regulation of Immunology, Reproductive and Metabolic Functions” on 28<sup>th</sup> November, 2020.

The keynote speaker for the webinar was Dr. Seema Rai, Associate Professor, Department of Zoology, Guru Ghasidas Central University, Chhattisgarh.

The occasion was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, In-charge Academic Affairs- Mr. Rahul Mishra, Faculty members and students of various departments and participants across the country and the globe.

The webinar received a good response as more than 105 participants got connected on this platform for the deliberations. The deliberations opened a new dimension of thought process towards Endocrinology and reproduction.

Dr. Hindole Ghosh, Assistant Professor, Department of Zoology, Kalinga University was the convener of the webinar and Mr. Shoukilal Chouhan, Assistant Professor, Department of Zoology, Kalinga University was the co-convener of the webinar. The Organizing Secretary of this webinar, Dr. Manoj Singh introduced the esteemed guests and at the end of the thoughtful and academically enriching webinar, and extended vote of thanks for successful completion of the event.

## National Webinar on "Overview of Thermal Power Plant" by Mechanical Engineering Department on 30th November, 2020

National Webinar was organized by Department of Mechanical Engineering. Through this National webinar, Students of Mechanical, Mining, EEE and Faculties of this Institute or Other Institute Getting a knowledge about thermal Power Plant the topic "Over view of Thermal Power plant" on 30 Nov 2020 from Time 11.00 am to 01.00 pm. Keynote Speaker was Mr. Ram kumar Chaudhary, Ad. General Manager, NTPC. More than 107 participants attended a webinar.

### Description about the Program:

Mr. Ram kumar Chaudhary, Ad. General Manager, NTPC. Explains detail overview of thermal power plant. Number of Point delivered by the Key note Speaker

1. Setup of thermal power plant
2. Number of units of thermal power plant (Boiler section, power generation unit)
3. Working procedure of different units of thermal power plant
4. Standard Cycle of thermal power plant (Rankine Cycle)
5. Details about heat generation unit
6. Details about accessories of thermal power plant (Heat pump)
7. Data Chart required for power generation
8. Detail about Entropy Change.

**Thermodynamic measurement of molecular randomness: Entropy**

The amount of **entropy** is also a measure of the molecular disorder, or randomness, of a system that is not available for work.

- The block of ice and the stove constitute two parts of an isolated system for which total entropy increases as the ice melts.
- If an amount of heat  $Q$  flows into a large heat reservoir at temperature  $T$  above **absolute zero**, then the entropy increase is  $\Delta S = Q/T$ . Joule /K

## Online Induction Programs "First Step-2020" For Department of All PG on 30.11.2020

### FIRST STEP 2020

#### INDUCTION PROGRAMME BY KALINGA UNIVERSITY FOR PG STUDENTS

Kalinga University esteemed as the top University of Chhattisgarh is one of the stepping stones of Excellence in the field of Higher Education organized the Induction programme 'First Step' for the All PG stream on the virtual platform.

The Induction Programme on **November 30, 2020** was meant for introducing the PG streams. The key note speaker of the Induction Programme was Dr R Shridhar, Honourable Vice Chancellor, Kalinga University. In his speech he introduced the students with multiple aspects of Higher studies which included the assessment criteria, mode of study, and development of personal skills like determination, proper time management and hard work to achieve the ultimate goal of success. He ended the speech with a positive note demanding great expectations from the students in future. The Vice Chancellor's speech was followed by the speech of Dr Byju John, Director General, Kalinga University, who shared his timeless rich experiences of years with the new comers.

The Guest speaker for the occasion was **Ms Shweta Songen, Public Relations Officer, Confederation of Indian Industries** who delivered a motivational note to the students especially focusing on the idea of framing goals in life, being self disciplined and taking right decision on the right time that eventually shape the future of an aspiring student. and wished them all the best for their future. The newcomers were introduced to the All PG Department, its faculties and functions through a powerpoint presentation given by **Dr Deepa Biswas, Head Department of Botany**. The programme also showcased many virtual performances by the students of Kalinga University which included the Afghani Dance by International students, Solo dance performance by Ms Vasavi, a student of Kalinga, Fashion show, and Chhattisgarhi dance which was a high voltage entertainment stock amazing all. There was an overwhelming response from the students who actively participated in the quiz,.

The occasion was blessed by the graceful presence of Dr Sandeep Gandhi, Registrar, Kalinga University who assured the students of providing the best faculty and facility for the coming academic sessions. Speaking about the future challenges and cut throat competition Mr Rahul Mishra , Incharge Academic Affairs and Mr Kumar Shwetabh, Deputy Registrar briefed the students on creating the best academic atmosphere for desired jobs and entrepreneurship. The students were also briefed about the examination process in Kalinga and University norms for students by Ms Gausiya and Mr Shrikant examination incharge Kalinga University. A brief session was conducted by Ms Smita for the NSS and its activities in Kalinga University.

The students reflected a remarkable interest in their curiosities related to Kalinga University and were quite anxious for a new start. The expressed their gratitude and thanks for a fruitful Induction Programme. The vote of thanks was given by Dr Asha Ambhaikar, Dean Students Welfare and the programme was successfully managed and conducted by, Dr Vineeta Diwan and Mr Himanshu Jhade. 51 students were attended this program.

**Online Orientation program  
TRG of CTOS by NCC Airwing on 30.11.2020**

The online training was planned for 12 days, since the PRCN courses are cancelled for all the lady CTOs due to the current Covid-19 pandemic and since no other PRCN course is expected till this year, it is mandatory to attend the said course. This program was very fruitful and successful. Total 35 cadets participated in this program.

**Online Induction Programs "First Step-2020" For Department of BPED, LLB & LLM  
Department on 01.12.2020**

कलिंगा विश्वविद्यालय में बीपीएड, एल.एल.बी. और एल.एल.एम विद्यार्थियों के स्वागत के लिए  
"फर्स्ट स्टेप –2020" का ऑनलाईन आयोजन

**नया रायपुर** – कलिंगा विश्वविद्यालय के नए शैक्षणिक सत्र में प्रवेश लेने वाले **बीपीएड, एल.एल.बी. और एल.एल.एम विभाग** के विद्यार्थियों के स्वागत के लिए इंडक्शन कार्यक्रम **"फर्स्ट स्टेप – 2020"** का ऑनलाईन आयोजन **दिनांक 01 दिसम्बर 2020** को संपन्न हुआ। नए विद्यार्थियों के स्वागत के लिए आयोजित इंडक्शन कार्यक्रम के दौरान नए विद्यार्थियों को विश्वविद्यालय की शैक्षणिक गतिविधि, उपलब्ध सुविधाओं एवं उपलब्धियों की जानकारी प्रदान की गयी। इस आयोजन में नए विद्यार्थियों के स्वागत के

साथ-साथ विभिन्न मनोरंजक प्रतियोगिता, क्वीज प्रतियोगिता, गीत नृत्य एवं सांस्कृतिक एवं रचनात्मक कार्यक्रमों का आयोजन किया गया।

“कोरोना महामारी” प्रकोप के कारण शासन के निर्देशानुसार विश्वविद्यालय में पढ़ाई के साथ-साथ सभी कार्यक्रम ऑनलाईन किए जा रहे हैं। इसीलिए नए विद्यार्थियों के लिए स्वागत का कार्यक्रम “**फर्स्ट स्टेप – 2020**” का ऑनलाईन आयोजन संपन्न किया गया।

“**फर्स्ट स्टेप – 2020**” के ऑनलाईन आयोजन के प्रथम चरण में कलिंगा विश्वविद्यालय के कुलपति डॉ. आर. श्रीधर, कुलसचिव डॉ. संदीप गांधी, छात्र कल्याण अधिष्ठाता डॉ. आशा अंभईकर और अकादमिक मामले के प्रमुख श्री राहुल मिश्रा की उपस्थिति में भारतीय परंपरा के अनुसार ज्ञान और विद्या की देवी माँ सरस्वती वंदना करने के पश्चात कार्यक्रम का शुभारंभ किया गया।

इस अवसर पर नए विद्यार्थियों के स्वागत के लिए विश्वविद्यालय सभागार में वरिष्ठ छात्रा सुश्री डी. वसावी का एकल नृत्य एवं अफगानी छात्रों और छत्तीसगढ़ी मनमोहक नृत्य का लाइव परफार्मेंस किया। इस अवसर पर विश्वविद्यालय के कुलसचिव डॉ. संदीप गांधी ने नए विद्यार्थियों को स्वागत भाषण के माध्यम से कलिंगा विश्वविद्यालय के अब तक के स्वर्णिम सफर और उपस्थियों को बताते हुए कहा कि हमने बहुत कम समय में उच्च शिक्षा के क्षेत्र में संपूर्ण देश में अपनी पहचान दर्ज की है। आपने उच्च शिक्षा के लिए इस विश्वविद्यालय का चयन किया है। हमें पूरा विश्वास है कि हम आपकी उम्मीदों पर खरा उतरेंगे।

कलिंगा विश्वविद्यालय के कुलपति डॉ. आर. श्रीधर ने नए विद्यार्थियों को संबोधित करते हुए कहा कि कलिंगा विश्वविद्यालय का उद्देश्य व्यावहारिक ज्ञान के साथ-साथ अनुसंधानपरक एवं मूल्य आधारित गुणवत्तापूर्ण शिक्षा प्रदान करना है। जिससे विद्यार्थी अपने सर्वोत्कृष्ट लक्ष्य को प्राप्त करे और एक जिम्मेदार नागरिक बनकर अपने देश और समाज में अपनी बहुमूल्य भूमिका निभा सके। हम वैश्विक मानदंड के अनुसार विद्यार्थियों को तैयार करने में यकीन रखते हैं। जिससे आप किसी भी नए परिवेश में स्वयं को ढाल सकें।

कलिंगा विश्वविद्यालय के महानिर्देशक डॉ. बैजू जॉन ने कहा— कि आत्मविश्वास के साथ सही दिशा का चयन करके हम प्रत्येक क्षेत्र में सफलता हासिल कर सकते हैं। हम आपको विश्वस्तरीय अनुभवी प्राध्यापकों की टीम सर्वोत्कृष्ट अधोसंरचना और संसाधनों के साथ शोध आधारित गुणवत्तापरक शिक्षा देने के लिए प्रतिबद्ध हैं।

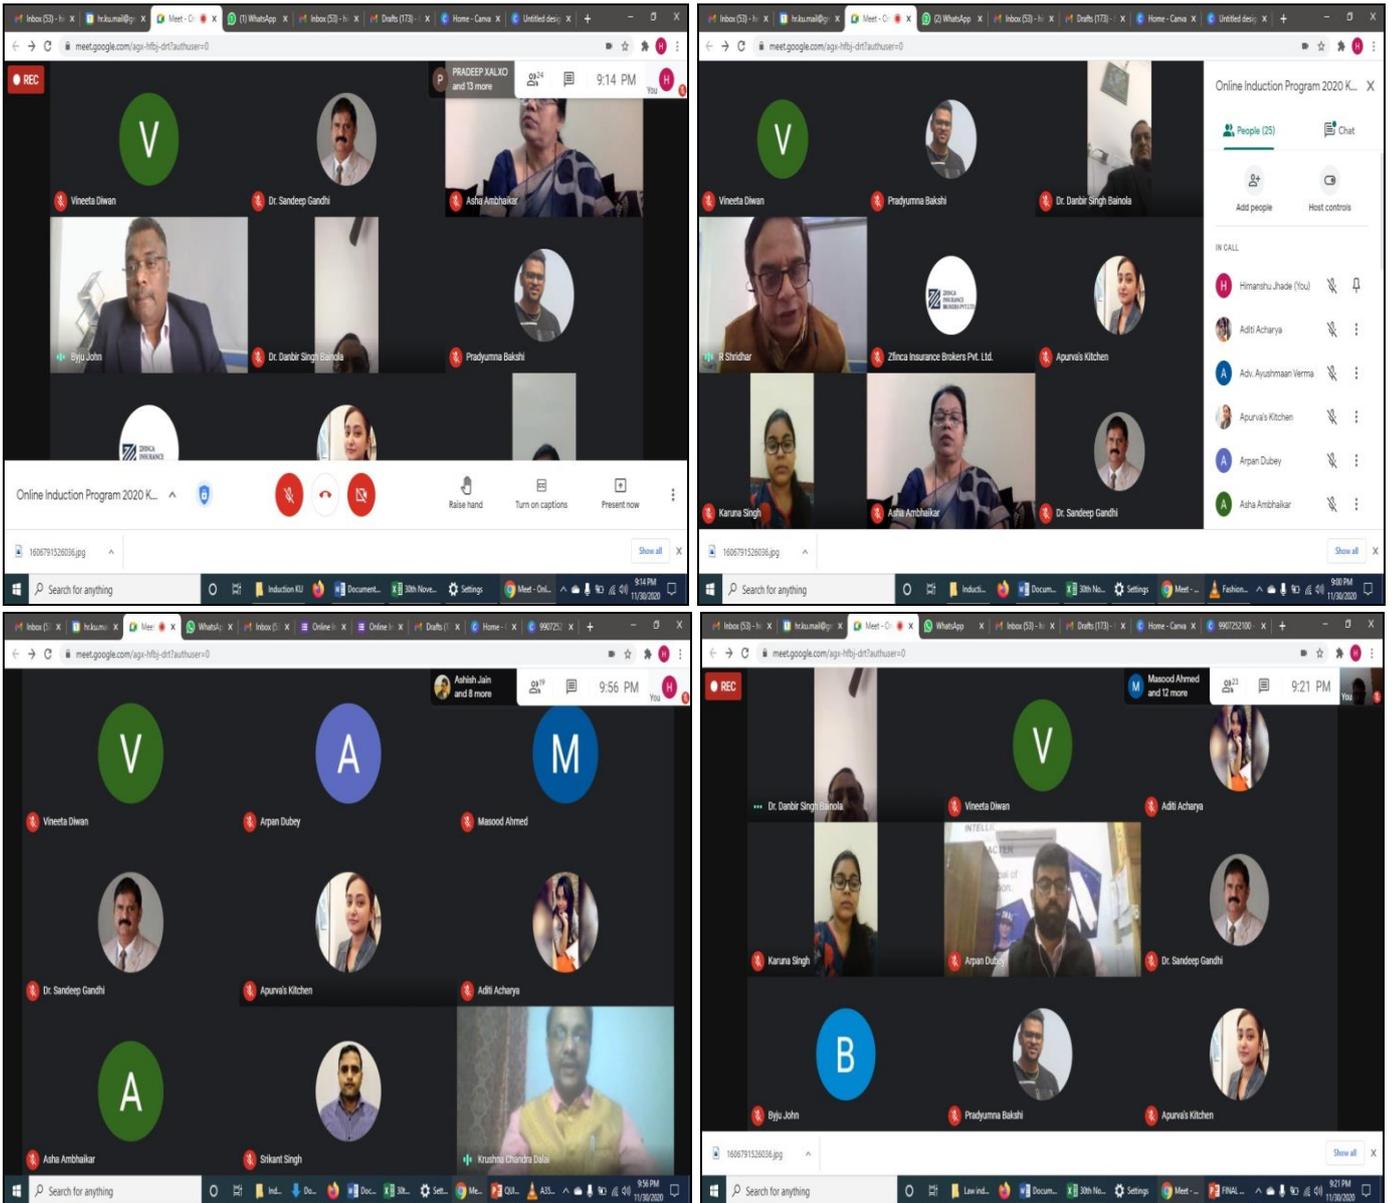

कार्यक्रम में मुख्य अतिथि के रूप में **एसोसिएट ऑफ इंडियन इंस्टीट्यूट ऑफ बैंकर्स अधिवक्ता डॉ. दनबीर सिंह बेनोला** उपस्थित थे। जिन्होंने अपने प्रेरक उद्बोधन से विद्यार्थियों को लाभान्वित किया।

कलिंगा विश्वविद्यालय **बीपीएड, एल.एल.बी. और एल.एल.एम विभाग के डॉ. के. सी. दलाई** ने विश्वविद्यालय के अंतर्गत **बीपीएड, एल.एल.बी. और एल.एल.एम** विभाग के अंतर्गत सभी पाठ्यक्रमों की उपयोगिता पर प्रकाश डालते हुए कहा कि— “आज विद्यार्थियों को पाठ्यक्रम आधारित पारंपरिक शिक्षा और व्यावहारिक ज्ञान के साथ-साथ अनुसंधानपरक ज्ञान प्राप्त करना बहुत आवश्यक है। कलिंगा विश्वविद्यालय अपने विद्यार्थियों में सीखने की प्रवृत्ति विकसित करता है। जिससे शिक्षा के उपरांत वह अपने उज्ज्वल भविष्य का निर्माण कर सकें।

स्वागत समारोह के अगले चरण में विश्वविद्यालय के प्राध्यापक श्री अर्पन दुबे ने पावर प्वाइंट के मनमोहक प्रस्तुति के माध्यम से नए विद्यार्थियों को कलिंगा विश्वविद्यालय में उपलब्ध सुविधाओं के साथ-साथ यहाँ के प्रशासनिक और अकादमिक अधिकारियों का परिचय दिया एवं विश्वविद्यालय के मिशन, विजन, और रोडमैप के बारे में विस्तार से बतलाया। दिन भर चले इस कार्यक्रम को विभिन्न सत्रों में बांटा गया था। जिसमें संबंधित विभाग के प्राध्यापकों का परिचय, अकादमिक मामले के प्रमुख अधिकारी श्री राहुल मिश्रा का सत्र, उपकुलसचिव श्री कुमार श्वेताभ एवं विश्वविद्यालय समन्वयक सुश्री गौसिया खातून, परीक्षा विभाग के श्री श्रीकांत सिंह, एन.एस.एस. अधिकारी श्रीमती स्मिता प्रेमानंद का सत्र प्रमुख था। जिसमें विश्वविद्यालय की कार्यप्रणाली से विद्यार्थियों को अवगत कराया गया।

कार्यक्रम का कुशल संचालन डॉ. विनीता दीवान ने किया, जिसका तकनीकी सहयोग श्री हिमांशु झाड़े ने किया। कार्यक्रम की समाप्ति की घोषणा और अतिथियों के लिए आभार प्रदर्शन छात्र कल्याण अधिष्ठाता डॉ. आशा अंभईकर ने किया।

उक्त कार्यक्रम में बीपीएड, एल.एल.बी. और एल.एल.एम विभाग के और विश्वविद्यालय के समस्त विभागाध्यक्ष, प्राध्यापक, उपस्थित थे।

## Online Poster Making Competition by Department of Social Work on 01.12.2020

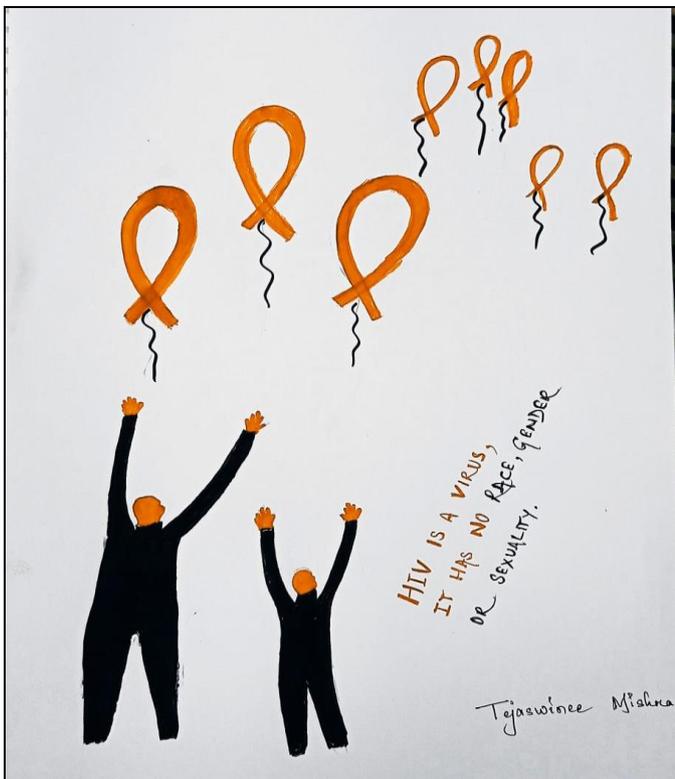

The AIDS awareness programme organized by Department of Social Work on 1<sup>st</sup> December at 11.1m onwards and was highly encouraging and successful. The theme of the program was “World AIDS Day”. The students showed tremendous confidence and interest in spreading AIDS Awareness in society as a preventive step. Total 9 students participated in the event.

Dr Mani Shankar Mishra, Dean, Faculty of Arts and Humanities and the faculty members congratulated the winners and exhorted upon them to contribute significantly towards Social Development as a professional in coming years. Students from BSW (SEM- I,III,&V) MSW (SEM- I,&III, ) attended the program.

Judge was Dr Shikha Srivastav, Asst Professor, Department of Zoology, Govt Arts & Commerce college, Vaishali Nagar, Bhilai ,Distt Durg (CG)

Winners of the Poster Making Competition were:

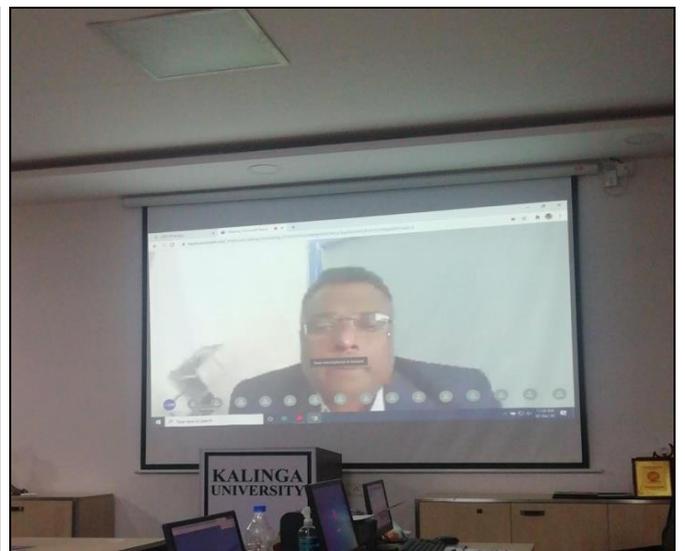

Sl No	Name of the student	Course	Semester	Position
1	Yamini Gautam	BSW	III	First
2	Shweta Pandey	MSW	III	Second
3	Tejaswini Mishra	MSW	III	Third
4	Ansh Chinmay Singh	BSW	I	Third

### Online Launching ceremony of “Kalinga Plus” on 02.12.2020

Online Launching ceremony of “Kalinga Plus” organized on 2<sup>nd</sup> December 2020 for the faculty and students of Kaling University. More than 250 faculty and students attended the program.

### **National Virtual Workshop on “Biofertilizer Formulation for Sustainable Development” by department of Biotechnology on 02 December 2020**

Biotechnology Department, Kalinga University has organised a one day National virtual workshop on “**Biofertilizer Formulation for Sustainable Development**” by our keynote speaker Dr. Sandhya Moghe, Professor and Head Biotechnology, Kamla Nehru Mahavidyalaya, Nagpur, India.

As every auspicious occasion seeks the blessings of the lord, this academic event also started with the blessings of the Goddess of Wisdom by the Sarasvati Vandana. The workshop was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, In-charge Academic Affairs, Head of Biotechnology Department Dr. Sushma Dubey, Faculty members and students of the department along with participants across the country.

The workshop received an overwhelming response as more than 300 participants across the country got registered for the same. The deliberation of Dr. Moghe received an overwhelming response as it was very informative, educative & learning. Dr. Moghe emphasized that successful promotion of biofertilizers technology in sustainable development depends on implementation of programs for raising awareness

among the Biofertilizer producers and consumers. She further added that Biofertilizers are apparently an environmentally sound and farmer friendly renewable source of low cost agro-input.

She given hands on to all participants on live performance during practical session and demonstrated that how to make Biofertilizer through microorganism. This live hand on session was very interesting for participants. After that she discussed at length that how government ready to purchase large portions of Biofertilizer products for distribution to farmers and ensured a continuous market for producers. The students/Research scholar and Academician were highly benefitted by the insights that she provided regarding the subject matter of the workshop.

Dr. Sushma Dubey, Head- Department of Biotechnology was the convener of the workshop, Dr. Ramswaroop Saini, Assistant Professor, Department of Biotechnology, Mr. Dilendra Chandraker, Assistant Professor, Department of Biotechnology, Ms. Nirali Budhbhatti, Assistant Professor, Department of Biotechnology were the organizing Secretary of the workshop. At the end of the academically enriching workshop, vote of thanks was extended by Dr. Sushma Dubey.

Biotechnology Department, Kalinga University, Atal Nagar, Naya Raipur wishes to express thanks to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir and DSW Madam, IAA Sir and HOD madam** for providing such a great opportunity for Biotechnology Department.

## Online demonstration of origin software by for Department of Applied Science on 03.12.2020

Online demonstration of origin software organized by the department of Physics for BSc (PCM), 3rd Year and MSc Chemistry(1st Semester) on 3<sup>rd</sup> December 2020. Total 13 students participated in the session.

The aim of this activity session was to introduce students with some exciting areas in the field of research, which are useful during higher studies. Students learnt how to plot graphs using origin software, which have been used by researchers in explaining their experimental results while writing research papers, dissertation work, etc.

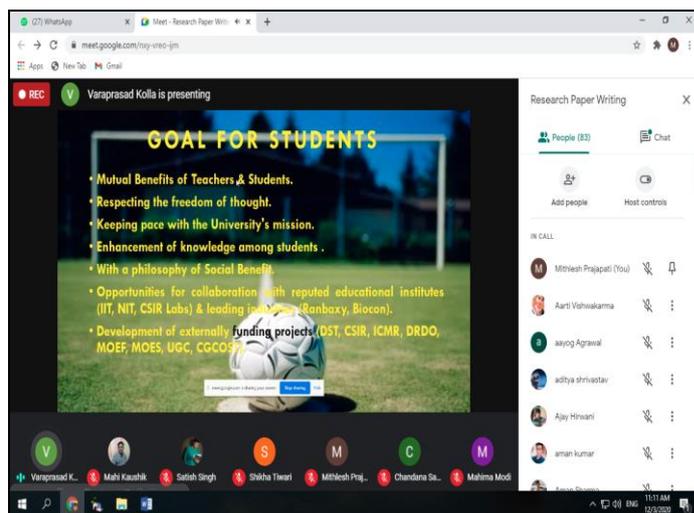

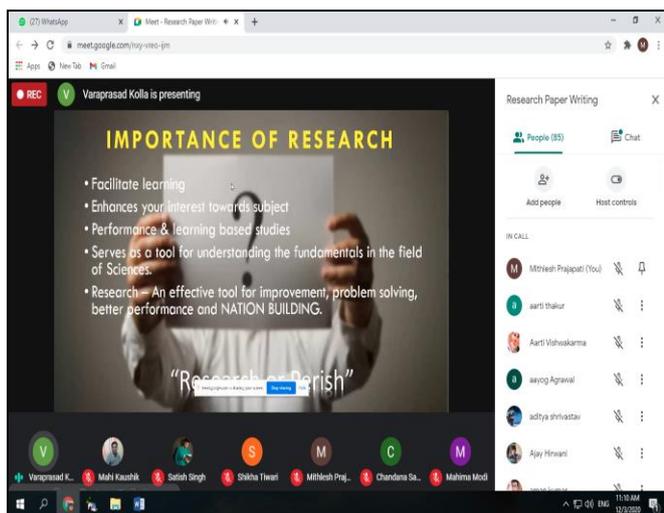

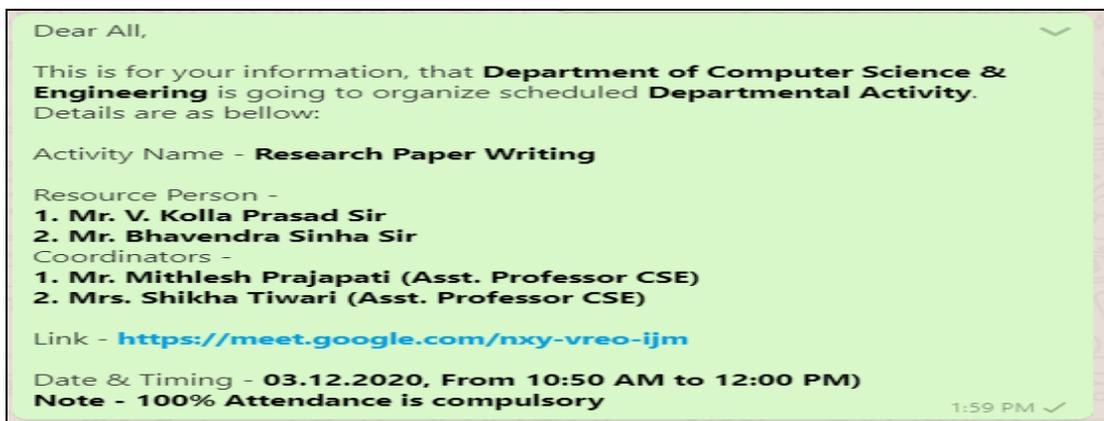

The students actively participated in the activity session and gave a positive response. The program has been conducted smoothly and successfully by Dr Shipra Raj.

## Webinar on "Research Paper Writing" Activity –III given by Department of Computer Science on 03.12.2020

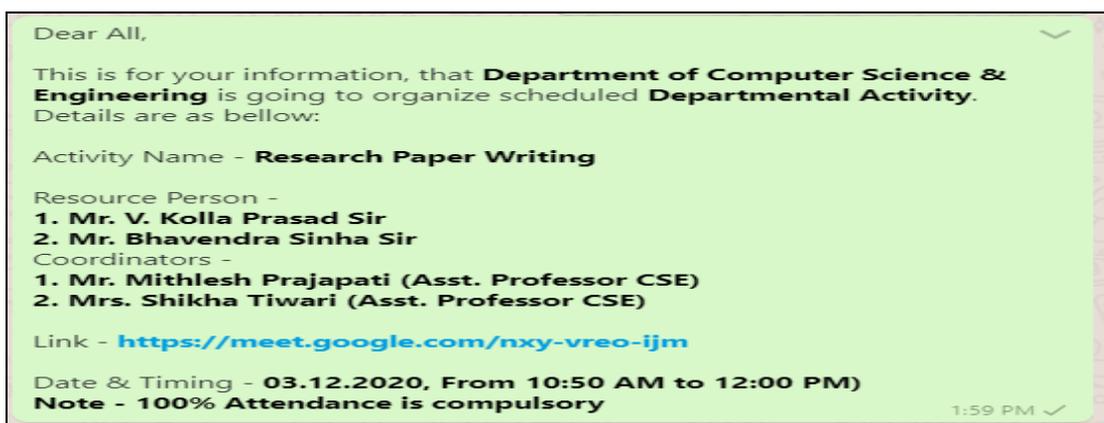

Computer Science Department organized a webinar on "Research Paper Writing" on 3<sup>rd</sup> December 2020 at 10.30 am onwards. The keynote speaker was Dr. Varaprasad Kolla from Kalinga University, Raipur, India. This Webinar was very fruitful for the students. Students learned so many things in this webinar. More than 85 Students participated in this program. According to students this webinar was very knowledgeable and was able to ignite a burning desire to learn new things which was something new apart from the regular curriculum.

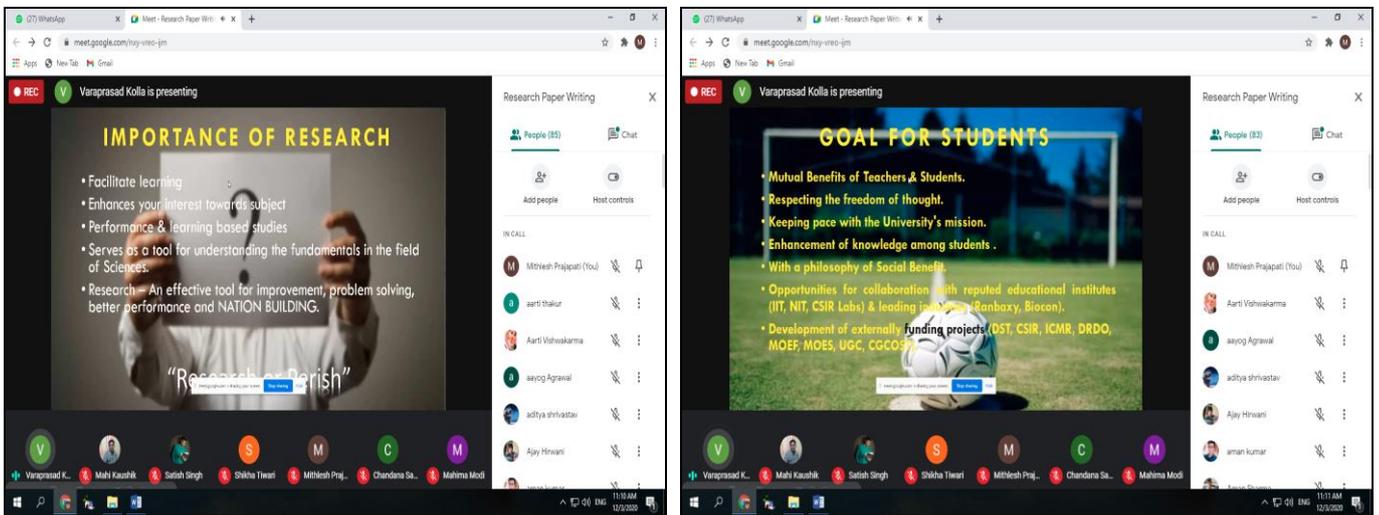

## Webinar on "Research Paper Writing" Activity –III given by Department of Information Technology on 03.12.2020

## National Webinar on the “Commercial Plants of Central India” by Department of Botany on 05-12-2020

Department of Botany, Kalinga University organised a National Webinar on 05th December, 2020. The webinar focussed on a well thought topic that thrusted on the “Commercial Plants of Central India”. The keynote speaker for the webinar was Dr. S.C.Biswas, Scientist, Silviculture, F.M. and Agroforestry Division Tropical Forest Research Institute, Jabalpur. The main objective of this webinar was to open a diverse avenue in front of the participants regarding the present scenario and importance of commercially valuable plant species.

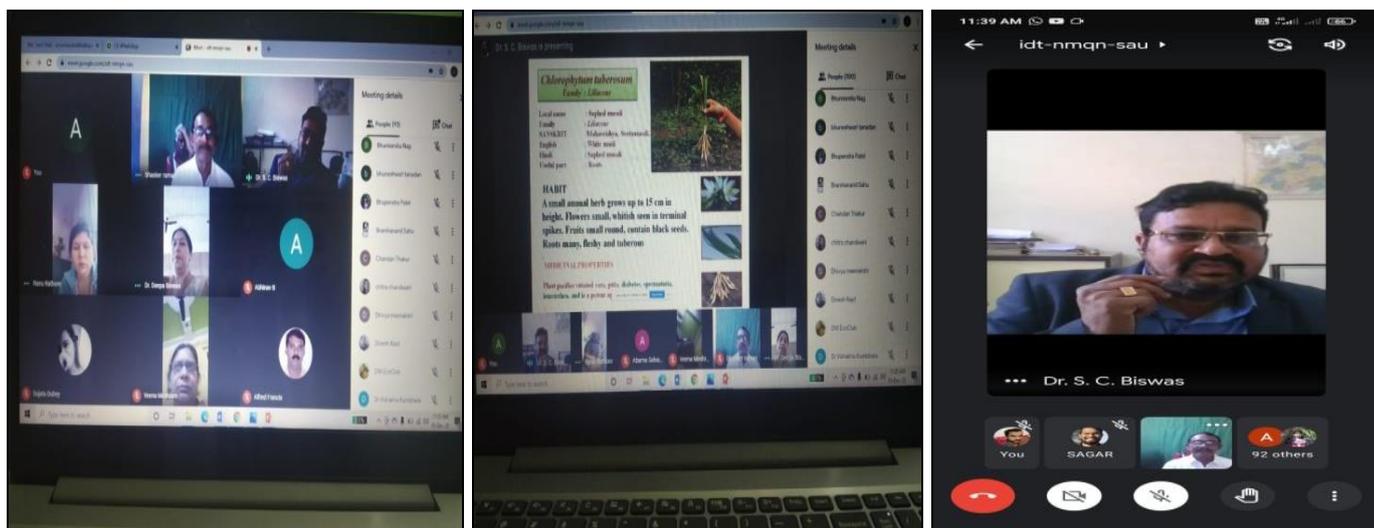

The webinar was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John,

Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, In- charge Academic Affairs- Mr. Rahul Mishra, Heads of the Department, Faculty members and students of the department and participants. The webinar received an overwhelming response as more than 200 participants got registered for the same.

Dr. S.C.Biswas put forward the point that plants are the primary source of food and medicine which directly contribute to the development of new drugs and medicines in addition to agrochemicals, fragrance, flavour, cosmetics, fine chemicals and nutraceuticals as research on plants and new value added products made from natural herbal botanicals is of high human interest. The deliberation also put forth the different employment opportunities by reflecting the diversity of sciences and the use of commercial plants. The students were highly benefitted by the insights that Dr.S.C.Biswas provided regarding the subject matter of the webinar and enabled the participants for thoughtful future aspects in this field.

Dr. Deepa Biswas, Associate Professor, Department of Botany was the convenor of the webinar, Mr. Abhishek Pandey, Assistant Professor, Department of Botany was the co-convenor of the webinar.

### **Online Research paper writing Departmental Activity at Department of Civil on 05.12.2020**

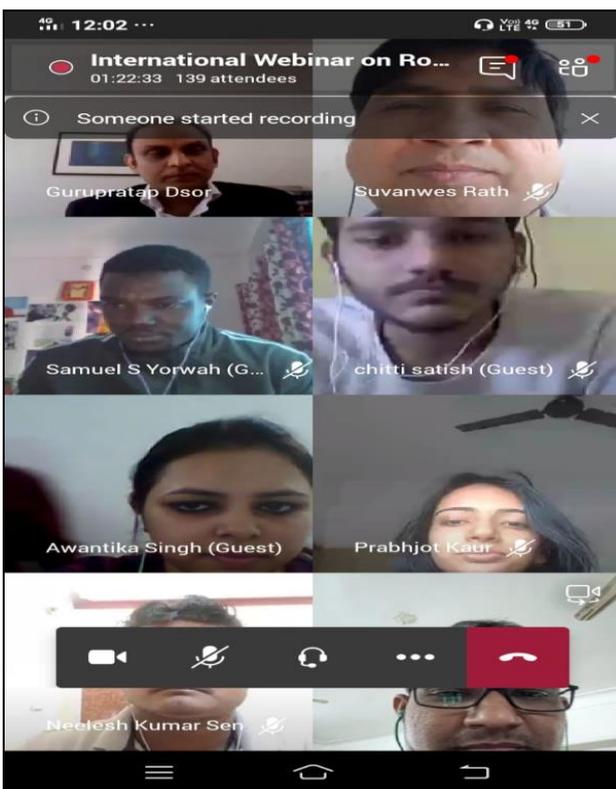

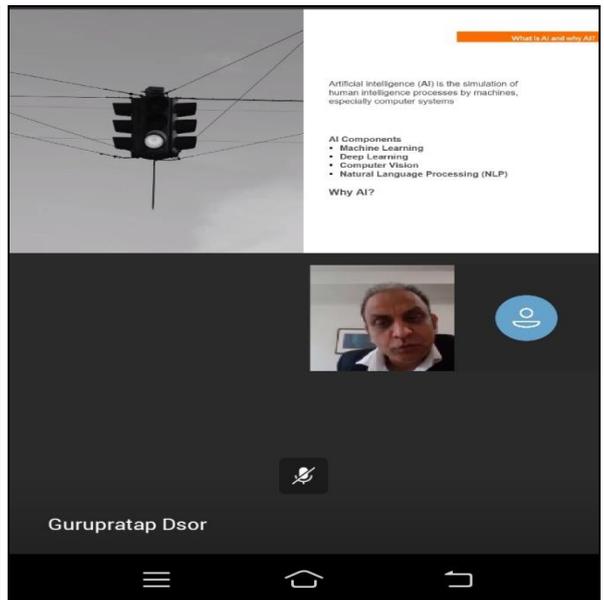

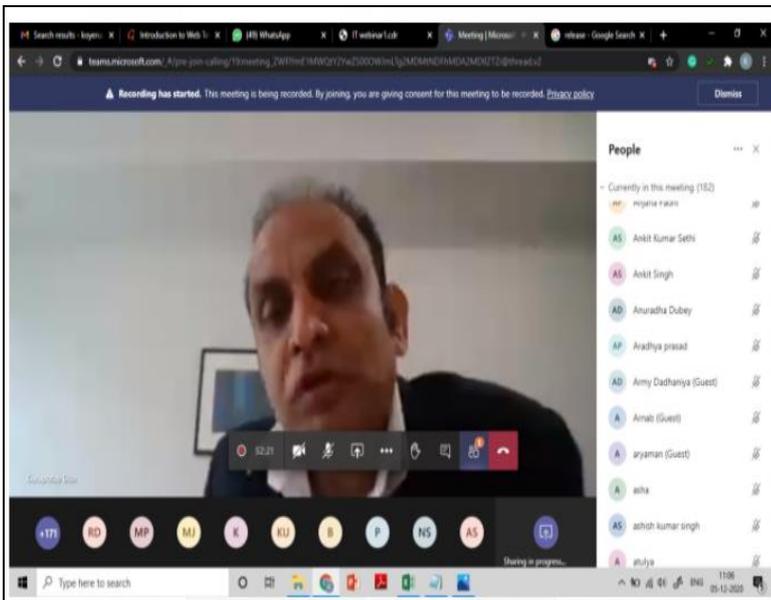

The department of Civil engineering organized “ Online Research paper writing” a departmental activity On 5<sup>th</sup> December 2020 for the students to promote and create interest in students about research report is to convey the interested persons the whole result of study in sufficient detail and to determine him or her validity of the conclusions. As the culmination of the research investigation, the research report contains a description of different stages of the survey and the conclusions arrived at. Thus it is an end product of a research activity which gives an account of a long journey on the path of finding a new knowledge or modified knowledge. Writing a research report is a technical task as it requires not only skill on the part of the researcher but also considerable effort, patience and penetration, an overall approach to the problem, data and analysis along with grasp over language and greater objectivity, all springing from considerable thought. The event was conducted through online mode in two phases.

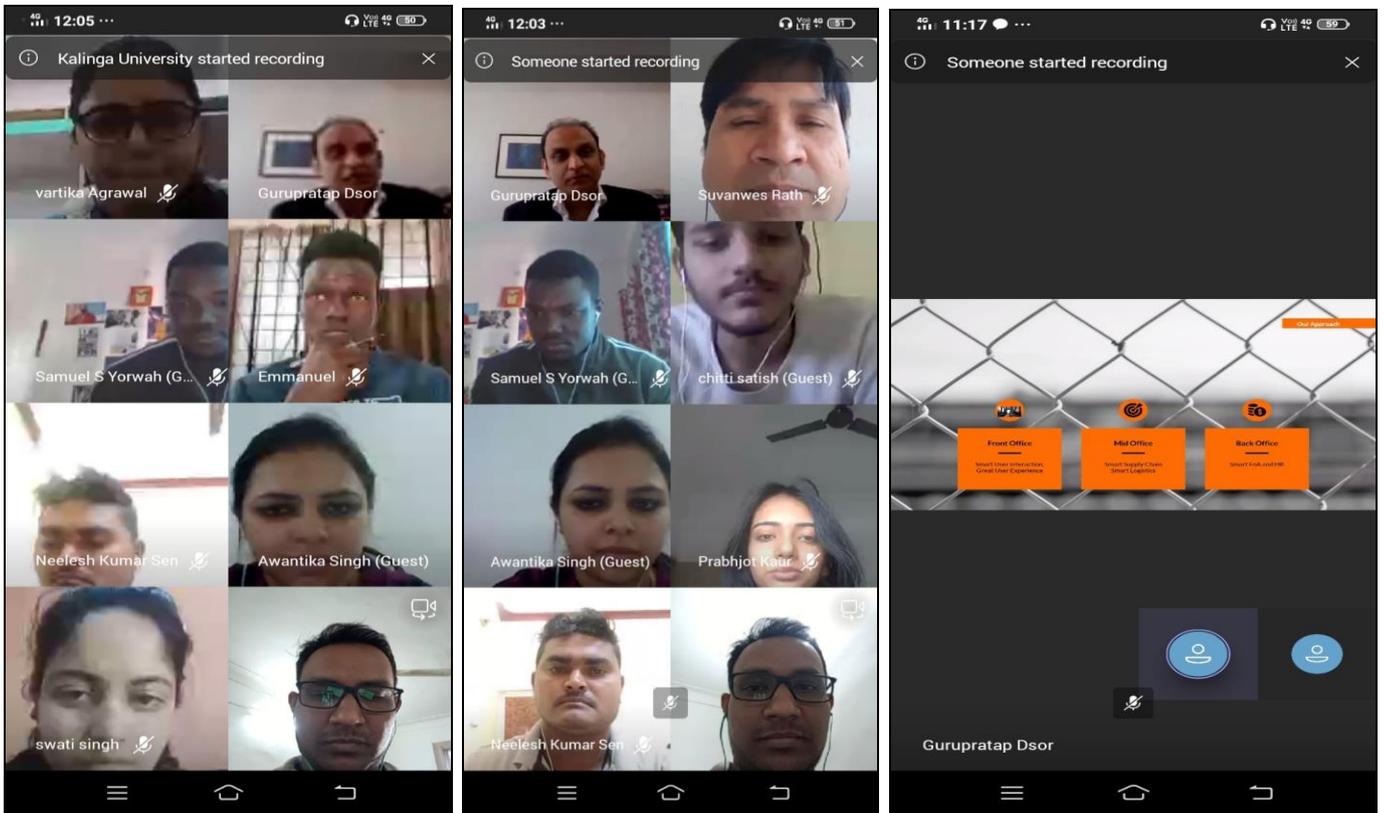

## **International Webinar - Role of Artificial Intelligence in Today's Business Development at Department of Computer Science on 05.12.2020**

Faculty of Information Technology organized an International Webinar on “Role of AI in Today’s Business Development” on 5<sup>th</sup> December 2020. The resource person was Mr. Guru Prasad Dsor, Director Wipro Limited, Australia. This Webinar was very fruitful for the students. Participants learned so many things in this workshop, 245 Participants attended this international webinar.

## National Webinar on the topic "Ambient Air and Interior Spaces" by Department of Interior Design on 06.12.2020

The Department of Interior Design, Kalinga University, Raipur (C.G) is organizing a National Webinar on the topic "Ambient Air and Interior Spaces" on 6th December, 2020 at 3.30 pm onwards. The Keynote Speaker was Ms Rakhi Kashyap, Urban Planner at Naya Raipur Development Authority. Convener- of the program was Mrs Dewashree Misra, Assistant Professor of Interior Design Department. Interior Design Department have started National Webinar on topic 'Air Temperature and Interior Spaces'. More than 30 Participants attended the program.

## International Symposium “Modern Breakthroughs in Chemical and Biological Research” by Applied Science on 09.12.2020

The department of Applied Sciences organized a International Symposium on the topic “Modern Breakthroughs in Chemical and Biological Research” on 09.12.2020 at 10 am onwards.

The guests speakers were Dr. Vito Ferro, Dr. Naveen Khare, Dr. Ashok Prasad, Dr. Jayant Nirmalkar, Dr. DhirajMurale, Dr. Rakesh Singh.

Session 01

Dr. Vito Ferro – Heparan Sulphatemimetics as antiviral agents for CoVID-19.

Dr. Jayant Nirmalkar–Study of chemical composition and microbial communities in Airborne Particulate Matter.

Dr. Rakesh K Singh –Leishmaniasis, therapeutic limitations and prospects of natural products.

Session 02

(02:15PM –04:45PM)

Dr. Naveen Khare– Steroidal Glycosides from Indian Medicinal Plants.

Dr. DhirajMurale–Chemical probe development and fluorescent probing.

Dr. Ashok Prasad –Nucleosides and sugar based amphiphiles of potential therapeutic applications. More than 50 participants attended the program.

The image is a screenshot of a Google Meet presentation. At the top, it shows browser tabs for an email inbox and a meeting link. The meeting interface includes a 'REC' button and a video icon for 'Vito Ferro is presenting'. The main content is a slide titled 'Research Interests' with a purple header and the University of Queensland logo. The slide lists three bullet points: 'Synthetic carbohydrate and medicinal chemistry', 'Chemical biology', and 'Glycosaminoglycans, esp. heparan sulfate (HS) and their mimetics'. Below the text is a diagram of proteoglycans. It shows a central 'PROTEOGLYCANS' structure with 'Heparan Sulfate' on the left, 'Chondroitin Sulfate' in the middle, and 'Hyaluronan' on the right. The diagram uses various colored shapes (blue squares, yellow circles, red stars) to represent different chemical groups. At the bottom of the slide, there is a 'Stop sharing' button and a 'Hide' button.

## **Virtual e-Poster Competition on the theme of “Molecular Techniques & its Industrial Application” Department of Biotechnology on 12.12.2020**

Department of Biotechnology, Kalinga University had organized a talk on “**Virtual Poster Presentation Completion on Advanced Biotechnology Techniques**”. Students from graduation and post graduation actively participated on various topic of recent development and advanced techniques used in the field of Biotechnology and related area.

The inauguration of the talk was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, Dean of Science Dr. V. P. Kolla, Faculty members Dr. Ramswaroop Saini, Mr. Dilendra Chandraker, Ms. Nirali Budhhatti and Students. This session was very informative and knowledgeable.

Dr. Ramswaroop Saini, started the event with the welcome of all the faculties and students participated. Dr. V. P. Kolla and Dr. Sushma Dubey were the judges for the event. Students presented their poster on various topics such as IPR, Crisper Cas 9, Hybridoma technology, Assisted Reproductive technology, HPV vaccine, Evolution of Biotechnology, Use of biotechnology in field of agriculture and Bioremediation. This online poster presentation event received an overwhelming response from our students and 65 students actively participated. The students were highly benefitted and developed their skills about how to prepare a poster to present in conferences and gained an experience to present the same.

Biotechnology Department, Kalinga University, Atal Nagar, Naya Raipur wishes to express thanks to **Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar Sir and DSW Madam, IAA Sir and HOD** for providing such a great opportunity for Biotechnology Department.

## **A Guest Lecture on “Dissertation Writing” Department of Botany on 12.12.2020**

The Department of Botany of Kalinga University had arranged a Guest Lecture on “Dissertation Writing” on 12th December, 2020 2:30 PM. Objective of the Lecture was to encourage the participants to get cognizance of the basics of Research. The Speaker was Dr. Ashish Saraf, Professor & Head, Department of Biological Science, MATS University.

The event started with a welcome address. More than 30 participants attended the program. The session included a guidance on systematic approach towards writing a Dissertation, exploring and identifying problems, how to carry the in depth analysis of the problem, writing an algorithm and annotating research. The session was interactive and student inputs were appreciated. The lecture was received with admiration by the students and they also found the slides appropriate. The event ended with honorarium to the guests and vote of thanks.

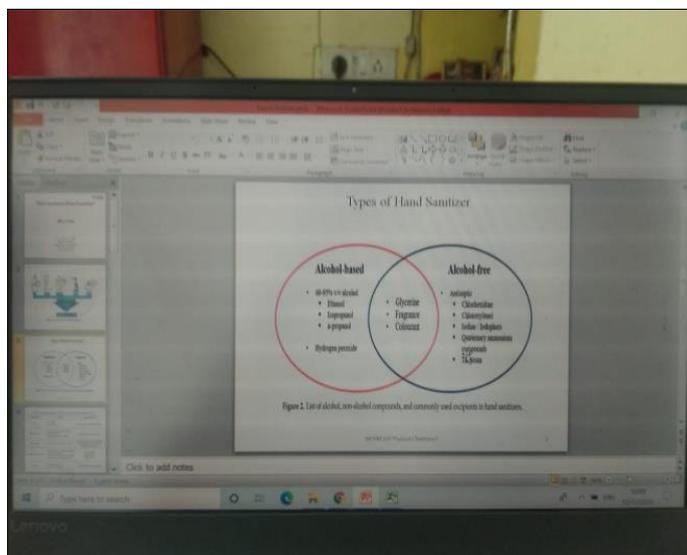

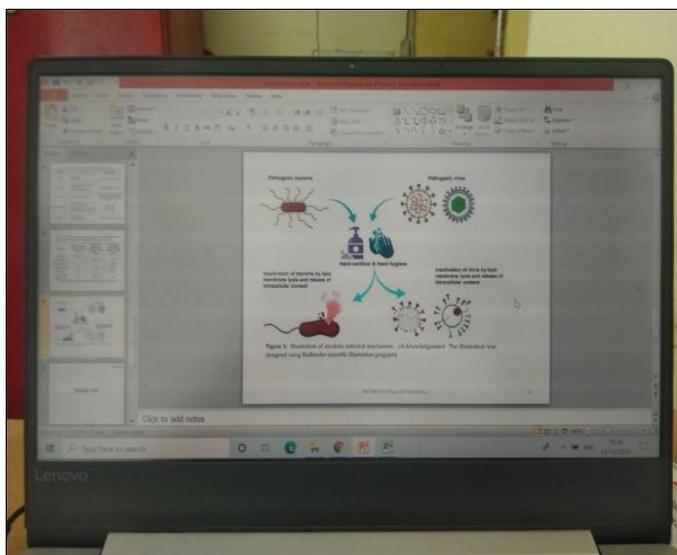

## **“How to Prepare Hand Sanitizer” Department of Chemistry 12.12.2020**

I have Organized “How to prepare Hand Sanitizer” in your home or laboratory for M.Sc Chemistry (1st Semester) on 12 December 2020 and Approx.12 students were present in the session.

The aim of this activity session was to introduce students with some exciting areas in the field of research, which are useful during higher studies. I explained to the students how this hand sanitizer proper hand hygiene is one of the essential infection control strategies as it can undeniably lower the likelihood of direct or indirect transmissions of microorganisms. The use of ABHS is becoming more common because of their rapid action and efficiency in killing microorganisms, mainly when hand washing using soap and water is not practical or convenient. There are, however, some situations in which hand washing is preferred as ABHS are less effective when the hands are visibly dirty or stained and cannot cover certain kinds of pathogens. It is vital to select ABHS with the appropriate amount of alcohol and practice the correct hand hygiene technique when cleaning hands to ensure all the microorganisms are effectively killed.

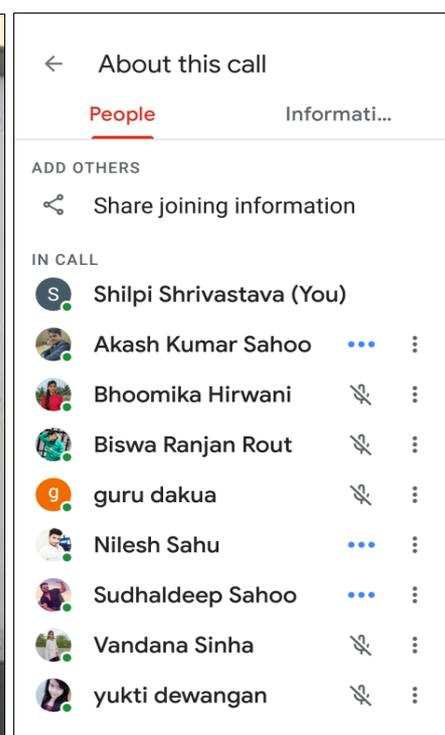

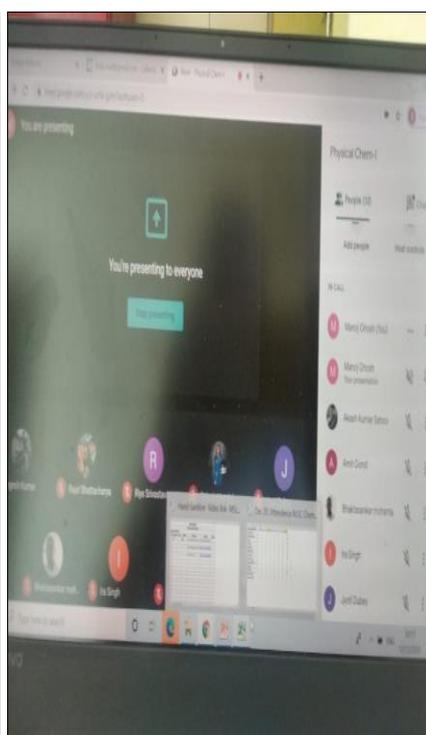

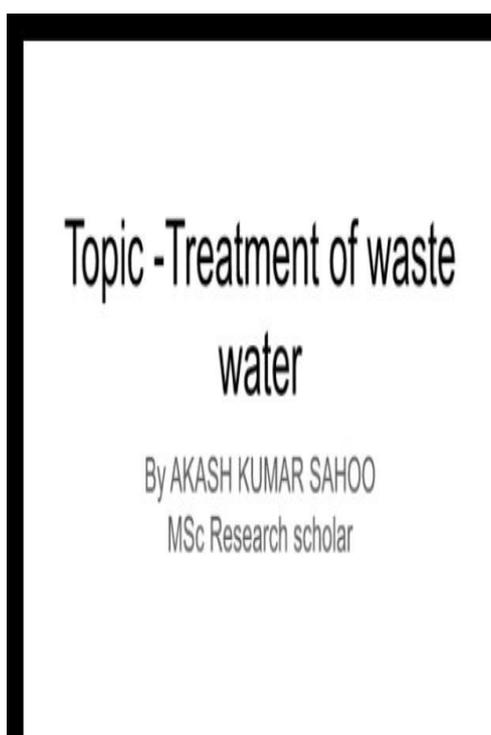

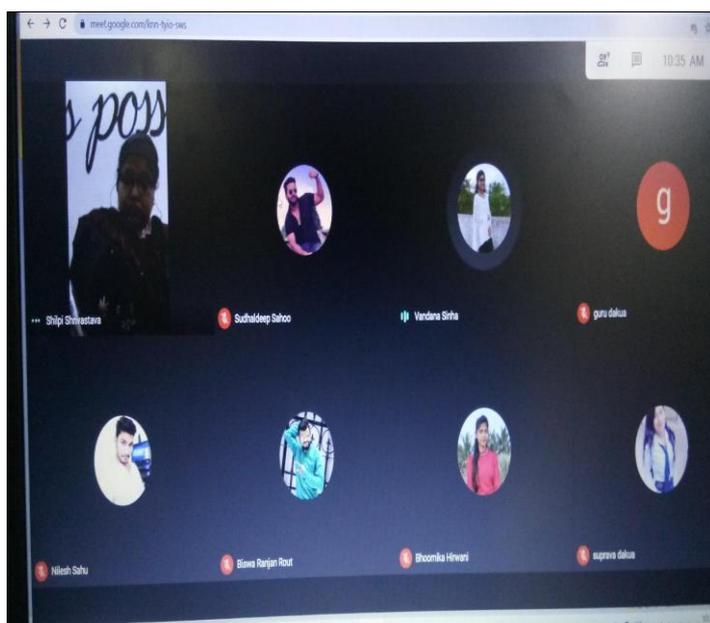

The students actively participated in the activity session and gave a positive response. The program has been conducted smoothly and successfully by Dr Manoj Kumar Ghosh.

## “Environmental issues in Chhattisgarh” Power Point Presentation Department of Chemistry & Applied Science on 12.12.2020

Department of Chemistry & Applied Science organized an Online Power point presentation on “Environmental Issues in Chhattisgarh” for MSc Chemistry (III<sup>rd</sup> Semester) on 12 December 2020 and Approx.12 students participated in the session. The aim of this activity session was to introduce students with some “Environmental Issues in Chhattisgarh” which are useful during higher studies & Research. In this program we discussed on Environmental pollution and its solution by power point presentation and

share the current scenario of treatment of waste material and waste water treatment. Students also presented and share their views on “Environmental Issues in Chhattisgarh”.

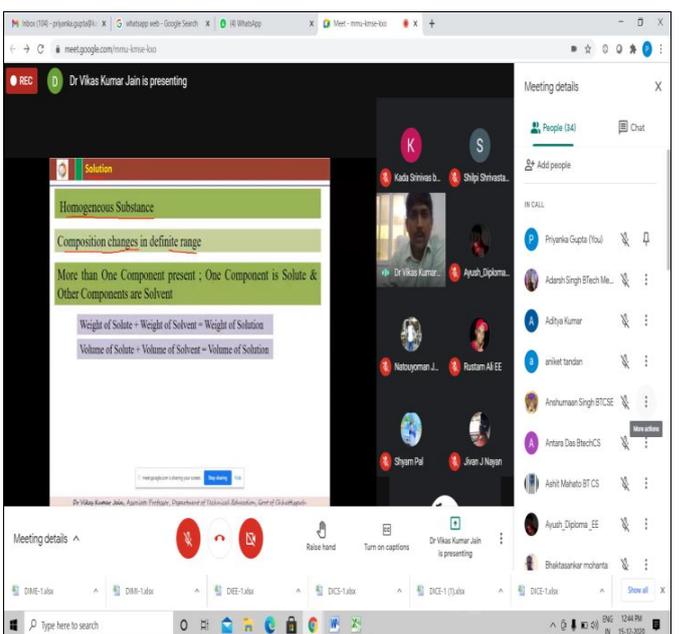

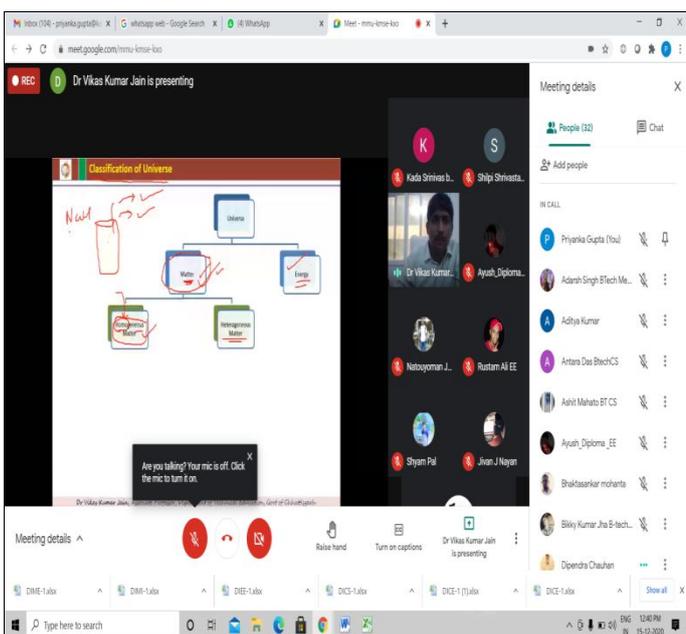

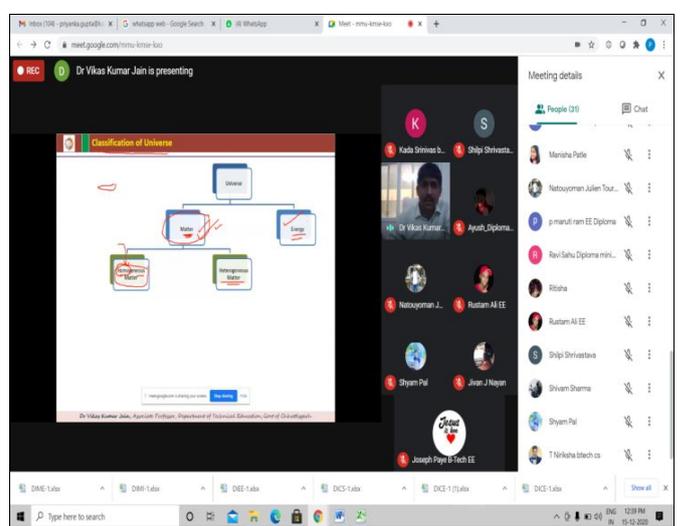

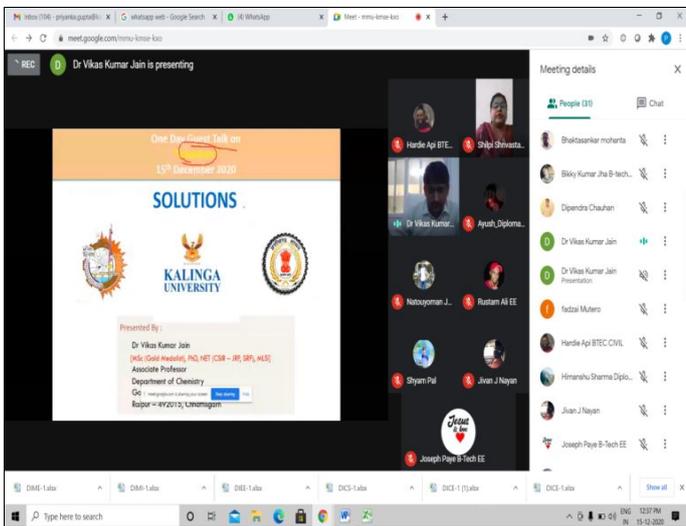

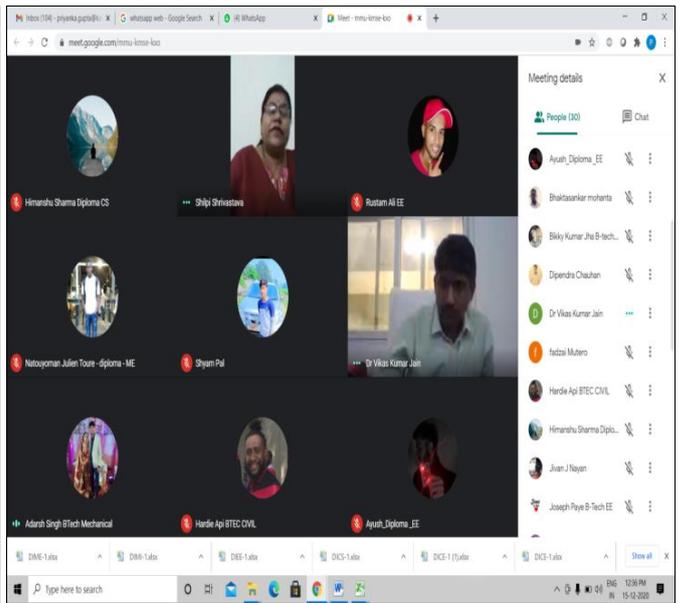

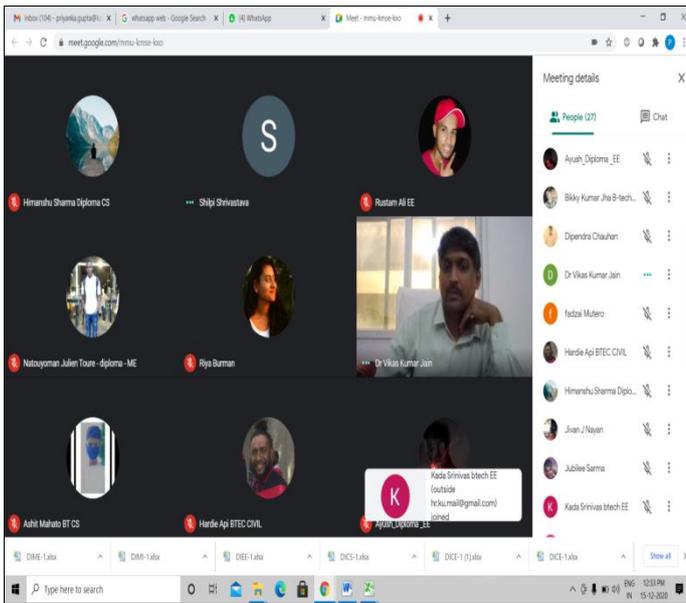

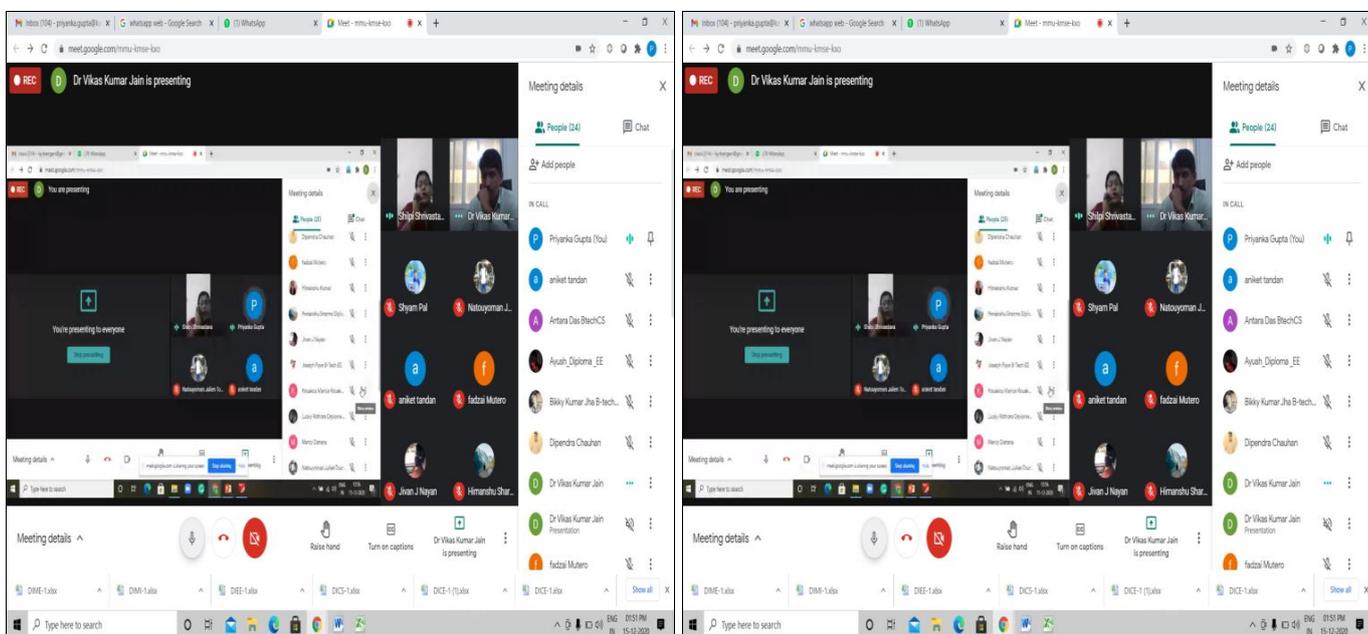

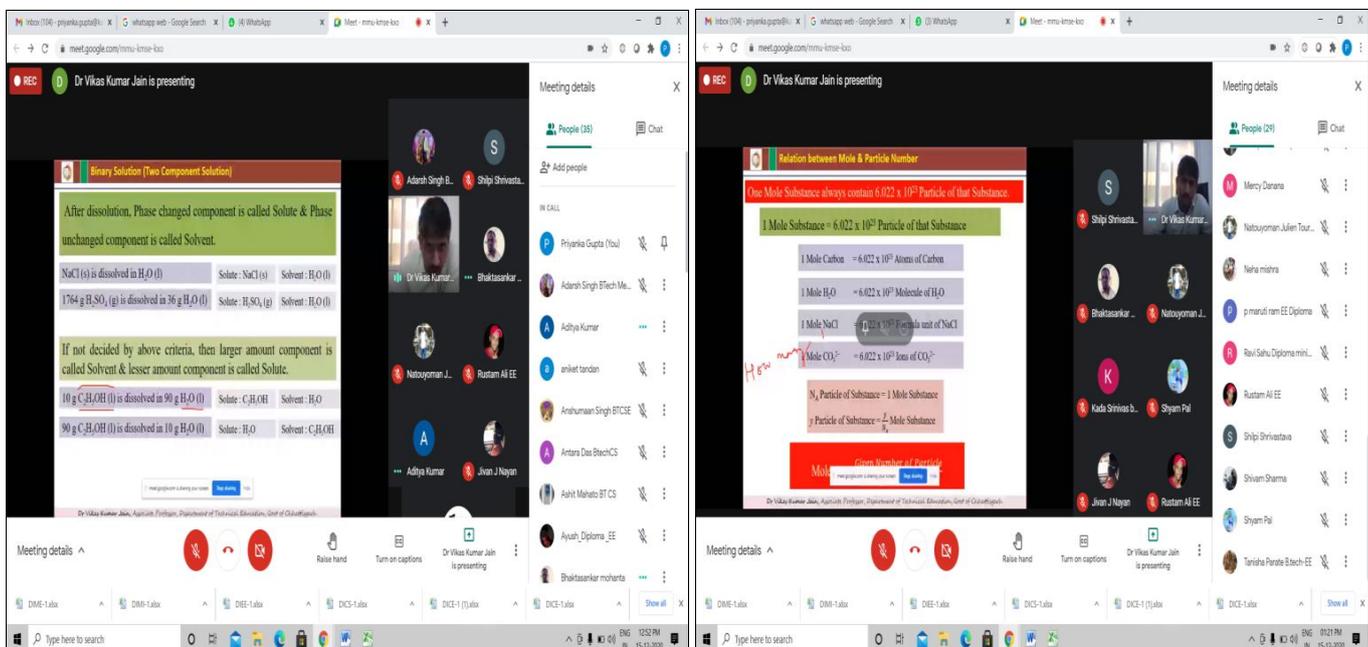

### Guest Lecture on “Solutions” by Department of Applied Science on 15-12-2020

A Guest lecture was organized by the department of Chemistry of Applied Sciences, Kalinga University New Raipur on 15-12-2020 i.e. Tuesday, from 12.30 pm onwards. Dr. Vikas Kumar Jain, Associate Professor, Department of Chemistry, Government Engineering College, Raipur (C.G.) was a keynote speaker. More than 30 students attended the program.

The welcome note was presented by Ms. Priyanka Gupta (Assistant Professor) from the department of Chemistry including the brief profile introduction of the guest along with his introduction with DG Dr. Byju John sir, DSW Dr. Asha Ambhaikar Mam and the Head of the department Dr. Shilpi Shrivastava mam.

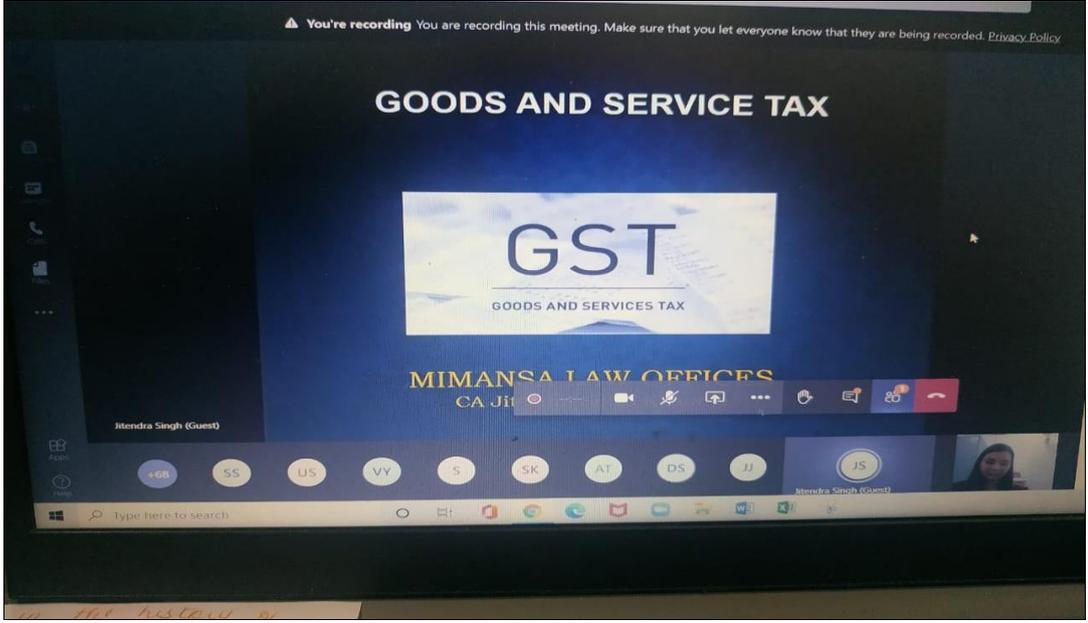

**Some glimpses from the event:**

## **Guest lecture on “Goods and Services Tax (GST)” by Department of Commerce & Management on 15.12.2020**

A Guest lecture on the topic “goods and services tax (gst)” was organized by the department of Commerce & Management on 15.12.2020 i.e. Tuesday, from 11AM onwards. CA Jitendra Singh Kanuja was a keynote speaker. More than 108 students attended the program. He discussed on GST came into picture because of the cascading effect on 1st July 2017, Discussed regarding direct and indirect tax, Clarity on structure of GST, Basic acronym knowledge, Discussion on state & central levies which was highly appreciated by the students and faculty of Commerce and Management.

**छत्तीसगढ़ निजी विश्वविद्यालय विनियामक आयोग के द्वारा “छत्तीसगढ़ राज्य में स्थापित निजी विश्वविद्यालयों की विवेचना एवं अनुसंधान-अनुशीलन” विषय पर एक दिवसीय ऑनलाईन संगोष्ठी का आयोजन। 17 दिसम्बर 2020**

**रायपुर—** छत्तीसगढ़ निजी विश्वविद्यालय विनियामक आयोग के द्वारा सम्माननीय राज्यपाल एवं कुलाध्यक्ष अनसुईया उइके के मुख्य आतिथ्य में 17 दिसम्बर 2020 को “छत्तीसगढ़ राज्य में स्थापित निजी विश्वविद्यालयों की विवेचना एवं अनुसंधान-अनुशीलन” विषय पर एक दिवसीय ऑनलाईन संगोष्ठी का आयोजन किया गया। जिसमें निजी विश्वविद्यालयों के द्वारा कोरोना काल में संपन्न कार्य और आगामी योजनाओं के संबंध में चर्चा की गयी। उक्त संगोष्ठी में छत्तीसगढ़ राज्य के समस्त निजी विश्वविद्यालयों के कुलपति, कुलसचिव और देश के प्रतिष्ठित शिक्षाविद उपस्थित थे।

नवां रायपुर में स्थित कलिंगा विश्वविद्यालय परिसर में आयोजित वेबीनार का शुभारंभ मंगलाचरण से हुआ। उसके पश्चात छत्तीसगढ़ निजी विश्वविद्यालय विनियामक आयोग की प्रशासनिक सदस्य श्रीमती रेणु देशमुख ने इस आयोजन के उद्देश्य से परिचित कराते हुए बतलाया कि कोरोना काल में छत्तीसगढ़ के निजी विश्वविद्यालयों में विद्यार्थियों को अध्ययन-अध्यापन के लिए प्रदत्त सुविधा, गुणवत्तापूर्ण शिक्षा एवं अनुसंधान कार्यो की जानकारी, नियमित नियुक्ति एवं आगामी योजनाओं के बारे में चर्चा करना है।

उक्त संगोष्ठी में कलिंगा विश्वविद्यालय, डॉ.सी.वी.रमन विश्वविद्यालय, मैट्स विश्वविद्यालय, आईसीएफएआई विश्वविद्यालय, आईटीएम विश्वविद्यालय, एमिटी विश्वविद्यालय, ओ. पी. जिंदल विश्वविद्यालय, आईएसबीएम विश्वविद्यालय, एएफटी यूनिवर्सिटी ऑफ मीडिया एण्ड आर्ट्स, श्री रावतपुरा सरकार विश्वविद्यालय, महर्षि यूनिवर्सिटी ऑफ मैनेजमेंट ऑफ टेक्नोलॉजी, के.के. मोदी यूनिवर्सिटी, देव संस्कृति विश्वविद्यालय, श्री शंकराचार्य प्रोफेशनल यूनिवर्सिटी के कुलपति एवं कुलसचिवों ने कोरोना

काल में विद्यार्थियों के अध्ययन-अध्यापन की सुविधाओं की उपलब्धता, विद्यार्थियों की परीक्षा के साथ ही आगामी शैक्षणिक सत्र में विद्यार्थियों के प्रवेश तथा अध्ययन-अध्यापन हेतु किए गए प्रयासों की जानकारी दी। इसके साथ ही निजी विश्वविद्यालयों में अध्यापन, शोध एवं उच्च शिक्षा की गुणवत्ता को सुनिश्चित करने हेतु विश्वविद्यालयों द्वारा दिए गये प्रयासों की जानकारी को उपलब्ध कराया।

इसी क्रम में आयोग के अध्यक्ष डॉ. शिववरण शुक्ल ने राज्य सरकार के द्वारा जारी अकादमिक कैलेण्डर का परिपालन करने के साथ ही निजी विश्वविद्यालयों को उनके द्वारा पाठ्यक्रम संचालित करने के पूर्व अध्यादेश को राजपत्र में प्रकाशन को सुनिश्चित करने का एवं कुलपति, कुलसचिव एवं शिक्षण कार्य हेतु शिक्षकों को नियमित नियुक्ति की जानकारी उपलब्ध कराने को कहा। उन्होंने कहा कि कोरोना काल में भी विद्यार्थियों को उच्च स्तर की गुणवत्तापूर्ण शिक्षा प्रदान की जाए एवं उन्हें किसी प्रकार की असुविधा का सामना नहीं करना पड़े।

कार्यक्रम के अगले चरण में म.प्र. निजी विश्वविद्यालय विनिर्मायक आयोग के अध्यक्ष डॉ. भरत शरण सिंह ने संगोष्ठी को संबोधित करते हुए कहा कि— नयी शिक्षा नीति को ध्यान में रखते हुए विश्वविद्यालय में अध्ययनरत् विद्यार्थियों के लिए व्यक्तित्व विकास, चरित्र निर्माण, नैतिक शिक्षा आदि पाठ्येत्तर गतिविधियां आवश्यक हैं। जिसमें विद्यार्थियों का बहुमुखी विकास हो सके और वह स्वामी विवेकानंद और ए. पी. जे अब्दुल कलाम जैसे व्यक्तित्व और उनके विचारों से प्रेरित हो सके।

इसी क्रम में विक्रम विश्वविद्यालय उज्जैन के कुलपति और म.प्र. निजी विश्वविद्यालय विनिर्मायक आयोग के भूतपूर्व अध्यक्ष प्रो. अखिलेश कुमार पाण्डेय ने शिक्षा के साथ-साथ शोध की आवश्यकता पर बल प्रदान करने के लिए कहा। उन्होंने कहा कि हमें आत्मनिर्भर भारत बनाने के लिए विद्यार्थियों में संस्कार और दक्षता प्रदान करना है। छत्तीसगढ़ में धान से चावल के अतिरिक्त बची हुए सामग्री से तेल निर्माण और खनिज संपदा के क्षेत्र में रोजगार की असीम सम्भावनाएं हैं। आज शोध एवं अनुसंधानपरक शिक्षा के साथ-साथ रोजगारमूलक शिक्षा की आवश्यकता है।

भारतीय विश्वविद्यालय संघ के पूर्व अध्यक्ष प्रो. पी.बी.शर्मा ने संगोष्ठी को संबोधित करते हुए कहा कि— आज के परिवेश में उच्च शिक्षा के साथ-साथ उत्तम शोध कार्य करना भी जरूरी है। हमें विद्यार्थियों को उच्च शिक्षा के साथ-साथ उनमें मानवीय मूल्य विकसित करना है। जिससे समाज, देश एवं विश्व में मानव कल्याण हो सके। हमें ऐसे संस्कारी युवाओं को तैयार करना है।

कार्यक्रम के अंत में छत्तीसगढ़ शासन की माननीय राज्यपाल अनसुईया उइके ने कहा कि— कोरोना काल में पहली बार निजी विश्वविद्यालयों के कार्यों की समीक्षा की जा रही है। इसके लिए आयोग बधाई का पात्र हैं। वर्तमान परिवेश में हम विद्यार्थियों को ऐसी शिक्षा दें कि उनमें नैतिक मूल्य जागृत हो। समाज के प्रति सकारात्मक दृष्टिकोण विकसित हो सके और वह राष्ट्र निर्माण में सक्रिय रहें। हमें ऐसा कार्य करना चाहिए की छत्तीसगढ़ से ही नहीं बल्कि विदेश के विद्यार्थी भी यहां अध्ययन करने आएँ।

सम्मानिय राज्यपाल एवं कुलाध्यक्ष की उपस्थिति में आयोजित उक्त संगोष्ठी को गोल्डन बुक ऑफ रिकार्ड में दर्ज किया गया एवं गोल्डन बुक ऑफ रिकार्ड प्रभारी अधिकारी (भारत) श्री मनीष विश्नोई के द्वारा यह जानकारी दी गयी। छत्तीसगढ़ निजी विश्वविद्यालय विनियामक आयोग को दो दिनों में यह प्रमाण –पत्र प्रदान किया जायेगा।

उक्त संगोष्ठी का संचालन छ.ग. निजी विश्वविद्यालय विनियामक आयोग के प्रभारी सचिव डॉ. राम जी द्विवेदी ने किया। कार्यक्रम की समाप्ति की घोषणा छ.ग. निजी विश्वविद्यालय विनियामक आयोग के अध्यक्ष डॉ. शिववरण शुक्ल ने किया।

उक्त कार्यक्रम में डॉ. आर. श्रीधर डॉ. संदीप गांधी, डॉ. आर. एन. मूर्ति, डॉ. आर. एन पाण्डेय, डॉ. आर. डी. पाटीदार, डॉ. बी.पी. भोल, डॉ. आनद महावर, श्री सुधीर रंजन, डॉ. आर. के. पाठक, डॉ. विजय गुरुडिक, डॉ. सुनील सिंह, सुश्री आसमां सोरा, डॉ. कुबेर सिंह, श्री एल. एस. निगम, श्री पी. के मिश्रा, श्री जी. एस. नरसिंह राव, सोनल राजेश शर्मा, राहुल चावडा आदि उपस्थित थे।

## **Launching of Kalinga Buzz – The Monthly Newsletter of Kalinga University on 19.12.2020**

A grand function was organized at Kalinga University on December 19, 2020 for the release of Kalinga Buzz, the monthly newsletter of Kalinga University. In this monthly edition there will be articles published on various activities undertaken by the faculties and students of Kalinga University New Raipur. The articles emphasizing the development of cognitive skills and learning enhancement will be highly promoted. The student's column is going to showcase numerous articles and contributions by the national and international students of Kalinga University.

On this auspicious occasion Dr R Shridhar, Vice Chancellor, Dr Byju John Director General, Dr Sandeep Gandhi Registrar, Dr Asha Ambhaikar Dean Student's welfare, Dr Abhilasha Gaur Director IQAC and Mr Rahul Mishra IAA were specially present to bless the occasion. The programme started with Saraswati Vandana followed by the address of Dr Vineeta Diwan Editor Kalinga Buzz briefing on Kalinga Buzz its function and its articles. The event was addressed by Director General and Vice Chancellor Sir who blessed the occasion with their motivational words. There was a detailed session taken by Registrar Dr Sandeep Gandhi on the various activities and initiatives taken by the faculties for their academic and intellectual enhancement. Dr VP Kolla of IQAC cell briefed the gathering on the presentation and publication of research contributions.

The eminent faculty of Kalinga Mr Abhishek Kumar Pandey was awarded on his special contribution in the production of Chyawanprash, Toilet cleaner KALPIC and other innovation products. About eight faculties were appreciated with filing patents in their research. The faculties recognized and appreciated for High Citations in Google scholar were Dr VP Kolla citations, Dr Asha Ambhaikar, Dr Manoj Singh, Dr Anju Meshram, Mr Shailesh Deshmukh, Mr Rahul Chawda, Dr Hindole Ghosh, Dr Sushma Dubey, and Dr Sanyogita Shahi and Dr Prateek Jagtap. The faculties awarded for filing patents were Mr Rahul Mishra, Dr. Paritosh Dube, Dr Harsha Patil, Dr. M. S. Mishra, Mr Rahul Chawda, Ms Shobha Singh Thakur, Mr Sudeep Kumar, Dr Shilpi Shrivastav.

The programme ended with the Vote of thanks given by Dr Asha Ambhaikar. It was successfully conducted by the masters of the ceremony Dr Vineeta Diwan and Mr Kapil Kelkar. The entire Kalinga fraternity was present to make the launch successful. Mr Rahul Chawda provided technical support for the successful conduction of programme. There was a live telecast of the program by getting connected through links provided in Google Teams and Facebook live in which there was an overwhelming response from students worldwide. More than 50 faculty attended this function.

## शैलवी ने लिखी थ्रिलर और हॉरर बुक- डेड ऑर मर्डर्ड

सिटी रिपोर्टर | सरोना में रहने वाली 23 साल की शैलवी भूरा ने इंग्लिश बुक डेड ऑर मर्डर्ड लिखी है। यह क्राइम थ्रिलर और हॉरर स्टोरी है। ये ऐसी लड़की की कहानी है जो पढ़ने के लिए मुंबई जाती है और उसका रेप हो जाता है। 130 पेज की ये बुक शैलवी ने तीन महीने में लिखी है। उन्होंने बताया, मैं हमेशा से शॉर्ट स्टोरी लिखती रही हूँ। ये कहानी भी पहले शॉर्ट स्टोरी के तौर पर लिखी थी। कोरोना काल में समय मिला तो इसे किताब के तौर पर पेश किया। बुक अमेजन और किंडल के साथ ही बुक स्टोर पर भी अवेलेबल है। वे अब 80-90 के दशक में विडोज पर होने वाले अत्याचारों पर आधारित बुक लिख रही हैं। ये मार्च तक पूरी होगी। शैलवी कलिंगा यूनिवर्सिटी में लॉ की स्टूडेंट हैं। उनकी मम्मा शाभना काष्टा एडिज हैं।

7. Aftab Hussain – BBA 1ST SEM
8. AnupamBoshat - BBA 4TH SEM
9. PriyankaBaghel – B.Com 1st SEM

**International Webinar on “No alternative of water on earth: Conserving Wetlands, Conserves Water” on on 2<sup>nd</sup> February, 2021.**

## Worlds Wetlands Day

Green Club of Kalinga University has organised an International Webinar on “No Alternative of Water on Earth: Conserving Wetlands, Conserves Water” on 2<sup>nd</sup> February, 2021 on the occasion of Worlds Wetlands Day. World Wetlands Day is celebrated every year on 2 February. This day marks the date of the adoption of the Convention on Wetlands on 2 February 1971, in the Iranian city of Ramsar on the shores of the Caspian Sea. Since 1997, the Secretariat of the Convention provides outreach materials to help raise public awareness about the importance and value of wetlands.

The keynote speakers for the webinar were Dr. Taej Mundkur, Senior Technical Officer, Wetlands International, Global Office, Netherlands and Mr. AMK Bharos, Asian Waterbird Census State Coordinator, Chhattisgarh Wildlife Society, Chhattisgarh, India. The speakers emphasized about the serious threats on water resources like ponds, rivers, lakes, exploitation of groundwater, and about the necessity of wetlands conservation. Dr. Taej Mundkur highlighted about the connection between waterbird diversity and quality of wetlands. And how Bird flyways can be used to find the wetlands in extreme areas. He underlined about the status of wetlands and waterbird flyways in Asia. Mr. AMK Bharos featured about the position of wetlands in Chhattisgarh. Also encouraged our students and participants for water conservation and environment conservation.

The occasion was marked by the eminent presence of Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, In-charge Academic Affairs- Mr. Rahul Mishra, Faculty members and students of various departments and participants across the country and the globe.

The webinar received a good response as more than 110 participants got connected on this platform for the deliberations. The deliberations opened a new dimension of thought process towards environment and conservation of water.

Dr. Manoj Singh, Coordinator, Green Club was the convenor of the webinar and Ms. Nirali Budhbhatti, Co-Coordinator, Green Club was the Organizing Secretary of this webinar. Dr. Manoj Singh introduced the esteemed guests and at the end of the thoughtful and academically enriching webinar, and extended vote of thanks for successful completion of the event.

**Book Launch Ceremony of "PASSION MAKE LIFE PERFECT" Published by  
Notion Press, authored by Mr. Sanyam Jain, Film Director and Graphic designer on  
06.02.2021**

Kalinga University launches a book, named 'Passion Makes Life Perfect', written by Mr. Sanyam Jain and co-authored by Ms. Avinash Kaur, Assistant Professor, Department of Mass Communication and Journalism, Kalinga University and Miss Khadi 2017. It features many packed chapters and comes with a range of resources that can help a person to realise that everyone goes through the motions of everyday life; but to live a life when you're passionate about something — when your eyes light up whenever you talk about it — is something to be thankful for. If we live our lives without passion, without an idea of who we truly are and are constantly trying to better ourselves, we are not truly living.

As every auspicious occasion seeks the blessings of the lord, this event also started with the blessings of the Goddess of Wisdom by Sarasvati Vandana. The event was marked by the eminent presence of the chief guest for the occasion and a famous singer of Chhattisgarh, Mr. Anurag Sharma, author of the book, Mr. Sanyam Jain, Co-authors, Ms. Avinash Kaur, Saoud Ahmad and Khushi Jain, Chairman of the university- Dr. Rajeev Kumar, Chancellor- Dr. Sandeep Arora, Vice-Chancellor- Dr. R. Shridhar, Director General- Dr. Byju John, Registrar- Dr. Sandeep Gandhi, Dean Student Welfare- Dr. Asha Ambhaikar, Dean Academics- Mr. Rahul Mishra, Heads of the Department and Faculty members.

The welcome ceremony of the dignitaries was followed by the enthusiastic address of the chief guest for the occasion Mr, Anurag Sharma. Mr. Sharma is a popular singer from Chhattisgarh who has the credit of singing more than 80 songs and blockbuster albums. He emphasized that before discussing passion and explaining its significance, one must first define the true meaning of success. He further added that success is better defined as an achievement of a desired aim or purpose. More than money or fame, one must desire to align their own passions with their work, while making a sustainable existence.

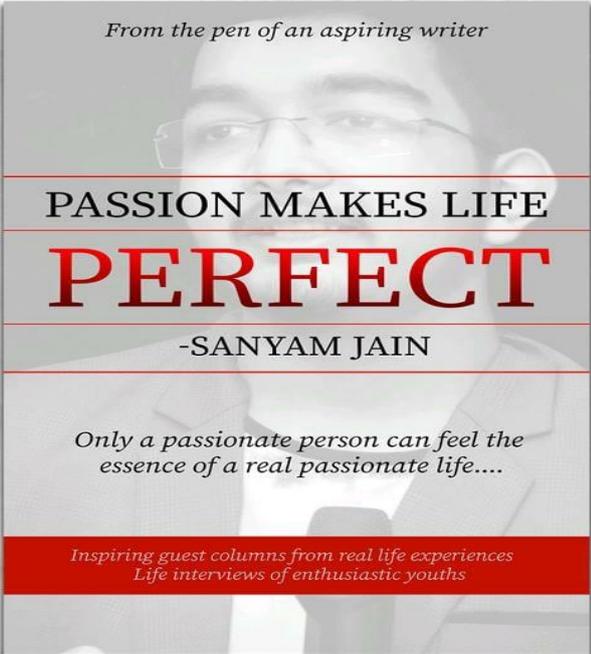

The chief guest's motivating speech was followed by sharing the key points of the book 'Passion Makes Life Perfect' by the author of the book Mr. Sanyam Jain who is also an aspiring film director, entrepreneur, graphic designer with more than 20 national and international clients as digital marketer. He said that every person should pursue one's passion that drives them to be the best versions of themselves. He added that the book is all about the fact that if enthusiasm and passion are present, people tend to be more resilient when they encounter obstacles. People who are passionate about what they do, rather than just being after money tend to be people who have more positive outlooks and able to overcome difficulty through problem-solving.

The co-author of the book, Ms. Avinashkaur, Assistant Professor, Department of Mass Communication and Journalism, Kalinga University also contributed a chapter in this book named 'Chasing your passion'. She shared her experiences while giving words to her ideologies and said that life is full of beauty. Notice it. Notice the bumble bee, the small child, and the smiling faces. Smell the rain, and feel the wind. Live your life to the fullest potential, and fight for your dreams. She further added that our lives are never going to be complete and fulfilled until we do not take the first step. One must have a dream, a purpose to work on-

because an aimless life brings no true adventures and challenges. She thus emphasized on chasing one's dream to reach the level of utmost satisfaction in life.

The book 'Passion Makes Life Perfect' was released at Kalinga University by all the eminent dignitaries present for the occasion followed by the words of wisdom in the form of blessings by the Vice- Chancellor of the University, Dr. R. Shridhar and Director General of the University, Dr. Byju John. Finally vote of thanks was extended by Mr. Kapil Kelkar who was also the master of ceremony.

### Aarogyam “Away to healthy life” Health talk organized by women cell on 19.02.2021

Aarogyam , a session on health talk and personal hygiene was organized by the Women Cell, Kalinga University on February 19, 2021 at the Seminar Hall at the Kalinga Campus from 1pm to 2pm. It was a noble initiative taken by the Women cell to bring about Health awareness among the supporting staff of Kalinga. The resources person invited for the occasion was **Dr Shriya Ambhaikar, (MBBS) Intern Practitioner at Dr Bhimrao Ambedkar Memorial Hospital Raipur, Chhattisgarh.**

The session started with the warm welcome of the dignitaries Dr Asha Ambhaikar, DSW and Head Department of Computer Science Engineering, Dr Abhilasha Gaur Director IQAC, Dr Vineeta Diwan Incharge Women Cell, Ms Lincy Roy, Head HR. The Saraswati Vandana was followed by the introduction of the guests and sapling presentation, soon after which Dr Shriya gave her wonderful and informative presentation on Personal Hygiene and wellness. She addressed the supporting staff on maintaining hygiene during the menstrual periods and generated awareness on the symptoms of Breast and Uterus cancer, which

when detected earlier can save one's life. She also demonstrated the proper process of washing hand that can save from many infectious diseases. Dr Shriya had an interactive session and one to one talk at the end of the session in which she listened to the health problems of the workers and suggested them preventive measures to be followed in daily routine. The session was thoroughly informative and enlightened the supporting staff on multiple health issues.

The session ended with the presentation of a memento to Dr Shriya Ambhaikar by Dr Asha Ambhaikar as a relic of the event. The photography session was successfully handled by Ms Avinash Kaur, Assistant Professor, Department of Journalism and Mass communication program was well supported Assistant DSW, Ms Ausuiya Incharge Medical Unit, Dr Deepa Biswas , Assistant Professor Department of Botany, Ms Smita Premanand, Assistant Professor, Department of Fashion with their noteworthy contribution, Women cell is looking forward for such initiatives in future for generating awareness among women and women empowerment. More than 30 participants were present for this program.

## Webinar on "The Socio-economic status of backward classes in India" Department of Commerce and Management on 20-2-2021

Webinar was organized by the department of Commerce and management on the topic "The Socio-economic status of backward classes in India" on 20-2-2021.

The Objective of the event was to acknowledge the students of different courses of department of Commerce and Management, Kalinga University about social, economic, and cultural conditions of the people belonging to backward classes such as SC,ST,OBC and minority of India.,

Details of the Event:

The event was organised online by department of Commerce and Management, Kalinga University, Raipur. The expert panel consisted of Mr. Baldav Ram Sahu ()

Faculty coordinator of the event, Ms. A.Naga Ramani (Assistant Professor) welcomed the guest and conducted the event throughout its time period.

Mr Rajesh Tiwari (Deputy secretary, social welfare department ) shared that youth development plays a vital role in social welfare.

He further shared his views on government initiatives for third gender and commented about how youth can make a society better place for third gender.

Mr. Baldav Ram Sahu Mr Baldav Ram Sahu (Former secretary , Chhattisgarh backward commission) discussed on various issues about lack of data of backward classes who are still illiterate and not been able to walk paralleled with the development of the country.

He further added that schools and colleges play a vital role in educating the student in a way that he becomes independent , not only contributing in economic development but also in welfare of the society.

He commented that , feudal thinking is the reason behind under development of backward classes ,but now the time is changing where government is supporting for their development .

He concluded with saying youth play an important role in changing and development of society with unity and diversity. More than 90 students participated in this webinar.

Vote of thanks was given by Ms.Akshita Sharma to Mr.Baldav Ram Sahu

The event was conveyed by faculty in charge of the event. Ms. A.Naga Ramani

## **Online Induction Programs "First Step-2021" For Department of Education on 08.03.2021**

Kalinga University New Raipur conducted 'First Step 2021' Induction Programme for B Ed aspirants on March 8, 2021 at the virtual platform.

The programme started sharp at 10 am with a warm welcome of all the participants and dignitaries followed by Saraswati Vandana. There was a welcome dance by Ms Vasavi, a student of biotechnology in Kalinga University. Dr Sandeep Gandhi, Registrar Kalinga University delivered a welcome speech in which he highlighted the achievements of the former B Ed students of Kalinga who are well placed in renowned educational institutions. He also attracted attention of the participants towards the world class infrastructure, Wi-Fi campus, and effective online teaching mode of the university. Dr R Shridhar, Vice Chancellor highly motivated the aspirants through his speech.

The guest speaker for the occasion was Dr Ashok Chawla, Former Director, DAV Group of Educational institutions. He briefed the students on teacher as a role model, teaching learning innovations and effective teaching methods useful in the online teaching. He also emphasized the role of a teacher as a good counselor and mentor of a student for shaping his life in a positive way. The affiliations and accolades of Kalinga were highlighted by Dr Prateek Jagtap in his presentation where he briefed the achievements of Kalinga from its starting journey. Dr Harsha Patil Dean and Head Department of Education briefed the students on the functioning of the department and its faculty members through a power point presentation. There was a session conducted by the IAA Mr Rahul Mishra in which he gave information about the class teaching, exam pattern and attendance of the students. Dr Kumar Shwetabh, Deputy Registrar briefed the

students on the enrollment process followed by the sessions of the Students coordinator Ms Urshita Barranwal who briefed on the login details of the ERP Kalinga University.

The programme was engrossing with online game Pictionary and variety of dances showcased by Kalinga students. The Vote of thanks was given by Dr Asha Ambhaiker, Dean Student's Welfare Kalinga University. The function was smoothly conducted by Dr Vineeta Diwan, Mr Kapil Kelkar, Ms Avinash Kaur, and Mr Himanshu Jhade. More than 57 students attended this program.

## Expert Lecture Series II &

## International Women's Day Webinar Report

Expert Lecture Series II organized by Science Club and Green Club on the occasion of \*World Wildlife Conservation on 08<sup>th</sup> March 2021, at 11 am.

In continuation to the previous talks, Expert Lecture Series II was conducted & International Women's Day was celebrated cumulatively by Science Club and Green Club.

The invited speaker for the event was Dr Latika Nath (Ph.D Oxford University) a wild life biologist by profession and 1<sup>st</sup> Indian Woman who started work on tiger conservation. The title of the presentation was "Role of women in the Wildlife Conservation: An Indian Perspective". Mrs. Nath completed her PhD on tiger conservation and she is honored by the title of "The tiger princess of India". She has been working on big cats' conservation for over past 30 years. She had shared some of her memorable experience about her field work and other achievements. She is a great wildlife photographer and has shown some slides of her big cats photography. Those photographs were shines as the morning with the rising sun. During the talk

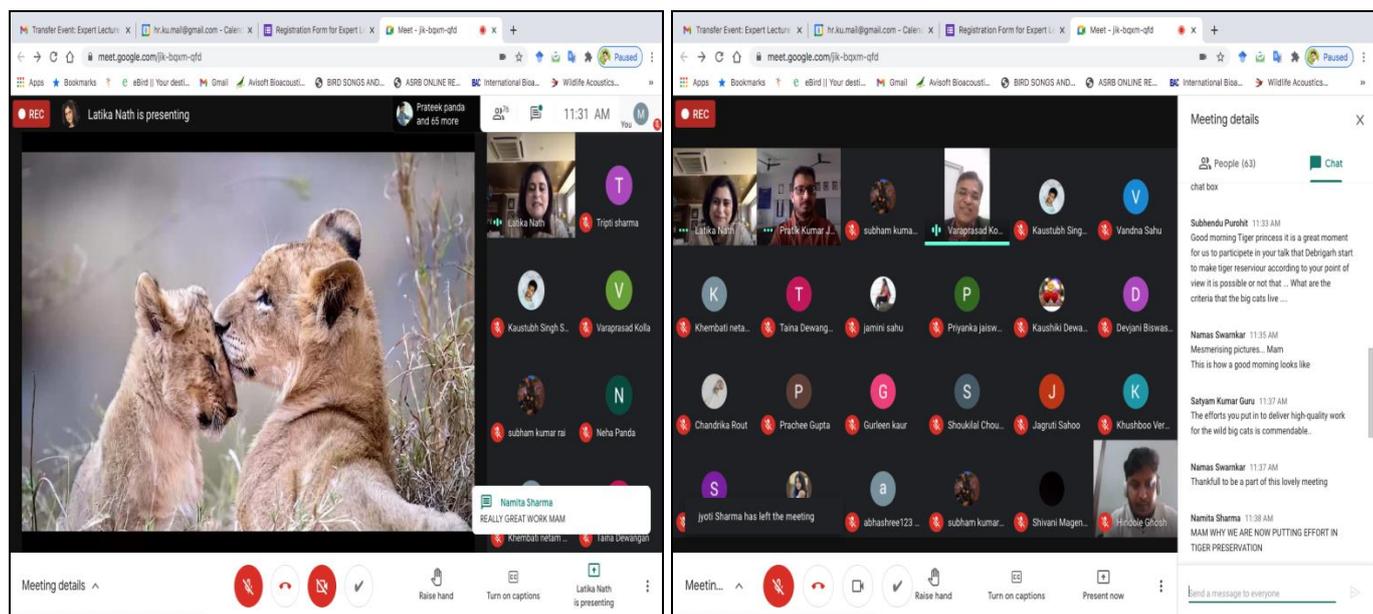

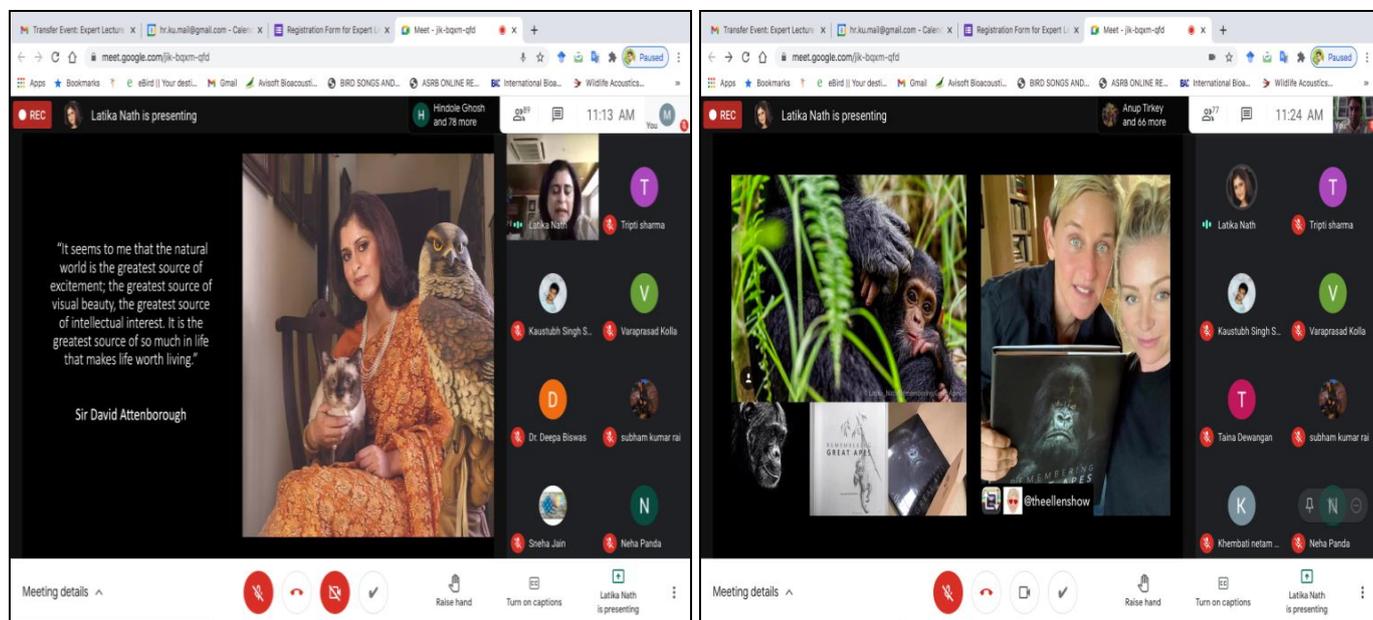

importance of habitat especially with regard totiger, lion,Leopard,Chetah etc.She also enlightened the audience about the big cats from other continents like Puma& Jaguar habit and habitat.

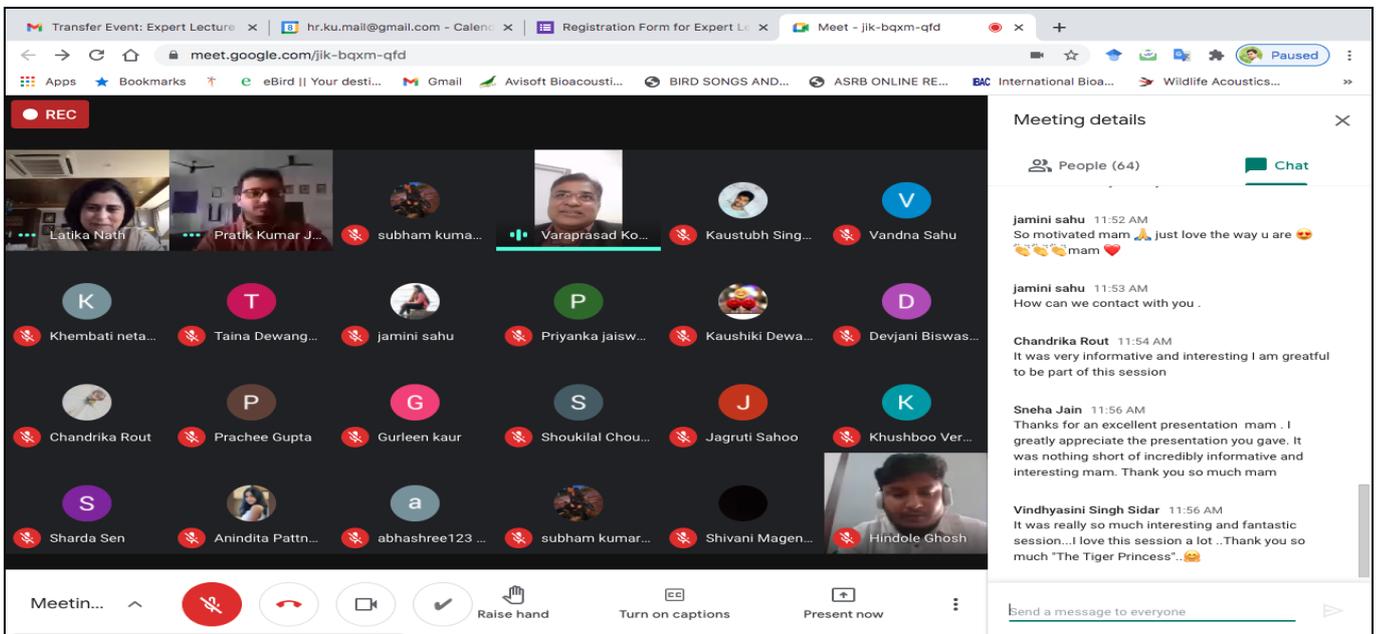

Dr Latika Nath shared some photographs of tribal women who lives in the forest area, how they are making fuel by the sustainable resources to avoid the cutting of wood. She realized us the important of the forest and the world wild animals to maintain the ecosystem.

After that she motivated the students of Kalinga University to join in the field of wild life. She cleared many doubts of the students and faculty of the University.

Then she speaks about women empowerment and motivated the female participants to take conservation as a future area for research. Students of Kalinga University heartily conveyed their regards in the form of feedback shared in the chat box.

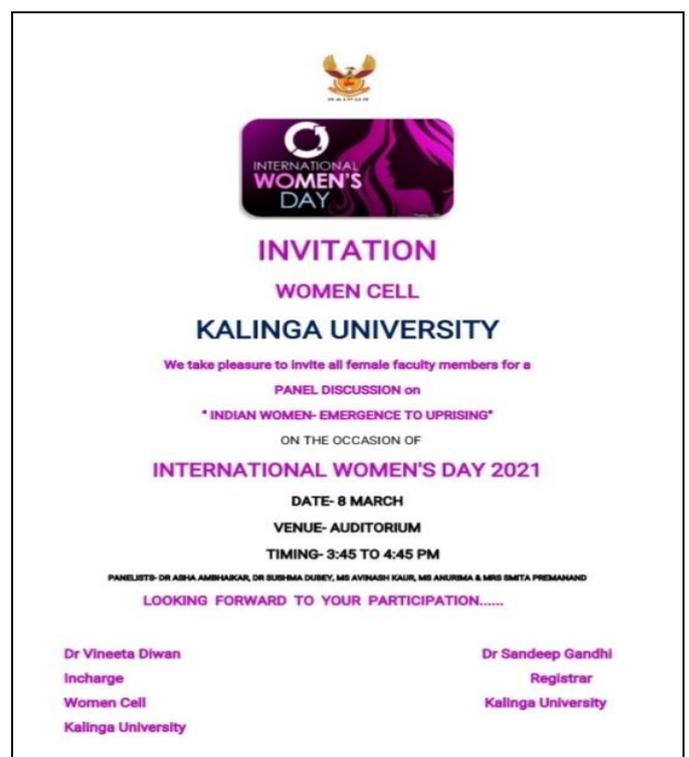

At last, the vote of thanks to Dr Lalika Nath was given by Dr.VaraprasadKolla, Dean of Sciences, and KalingaUniversityfor spending her valuable time with us and give a brief knowledge about world wild life and the big cats. Total 97 Participantswere presents for this program.

Dr. Asha Ambhaikar, Dean Students Welfare 2. Dr. Sushma Dubey, HOD Biotechnology 3. Mrs Smita Premanand, NSS program officer 4. Ms. Avinash Kaur, YI coordinator 5. Arunima Das, assistant professor, Arts and Humanities departmet. They discussed on various latest topics and share their views with thw audience. The session was very interactive and usefull. Total 40 women were present for this program.

## **‘CELEBRATING INTERNATIONAL WOMEN’S DAY- CHOOSE TO CHALLENGE’**

**March 9, 2021**

**BY WOMEN ENTREPRENEURSHIP COMMITTEE OF PHDCCI**

The Women Entrepreneurship Committee of PHDCCI organized an interactive webinar on the occasion of International Women’s Day celebrated on March 8. The Chief Guest for the occasion was Mrs Anusuiya Ukey, Honourable Governor of Chhattisgarh State and the guest for the Inaugural session was Mrs Maneka Gandhi. The webinar began at 3 pm in which the anchor Ms Nagma congratulated all invited guests, members of the PHDCCI, members of the Women Entrepreneurship Committee PHDCCI and all online participants on the World Women’s Day. She briefed that almost every day should be celebrated as women’s day as they are playing a crucial role in all fields and nation building. She introduced the guest of

Honour and all invited guests for the occasion. In her speech on Women's Day Mrs Anusuiya Uikey Honorable Governor shared her life time experiences right from her childhood, brought up and schooling. She shared the difficulties that she had to face while living in a patriarchal framework in which girls are discouraged on various grounds to take initiatives and gain achievements in their life. She said that achieving success in a patriarchy can be difficult but not impossible as the troublesome times never last forever and soon one can see a glimpse of happy days. She emphasized the role of strong will power, hard work and resilience in the success of a woman and inspired them never to give up. The Vote of thanks for the Governor's speech was given by Mr Prateek Multani, Vice President PHDCCI

The first session of the webinar started in the context of "Role of women in 21st century- Challenging biases and aiming to create a gender Equal world". The first speaker in this session was Mrs Shalu Jindal, renowned Kuchipudi dancer and a disciple of Raja Radha Reddy, Exponent and Chairperson of JSPL foundation. In her address she discussed that women empowerment does not mean only talking about patriarchy but it should be reflected through strong actions. Being a recipient of the Golden peacock award, Mahatma Gandhi award and Eklavya award in 2019, she emphasized the idea of considering health care and education as the basic right of women and that gender biased challenges must be faced in order to give women equal status in society. Mrs Shalu Jindal was greatly appreciated by her mother Mrs Aruna Abhay Oswal Chairperson of AAOT and Women Entrepreneurship Committee, PHDCCI, on her humanitarian outlook towards women empowerment. The next speaker for the session was Ms Neha Mittal, National Chairperson Ekal Yuva. Ms Neha is especially renowned for her achievement in spreading education in rural areas among women and children. Ms Neha was brought up in a family that emphasized on social and humanitarian values and so right from an early age she had the spirit of serving the poor and helpless. In recent years she has created lot of Self Help Groups in rural areas. She said that "Woman is God's strongest creation and so if one wishes to dream a strong future then they should allow women to create it." The third speaker for the session was MS Richa Sanchita, Eminent lawyer, Jharkhand High Court. Ms Richa discussed about the various laws framed for protection and progress of women and stated that still the participation is very less as it is expected, because women are not coming forward. She said that whether it is Lok Sabha, Rajya Sabha membership, top management positions or legal field everywhere women participation is still less and we have to cover a long distance to match equality. She emphasized more on believing in oneself and confidence boost up which must increase women participation in all fields. The Nari Utkrushi Samman was given to Mrs Bashiran Bano for opening training centers in villages of Rajasthan for the manufacture of Rajasthani Kota Doria sarees and giving employment to rural women. Mrs Chandra Gurjar was also awarded the Utkrushi Samman for manufacture of Morjari juttis and establishing links in the market for its sale and giving training to women for the same in rural areas.

The second session observed Ms Megha Malghatti as the first speaker, who is the business Development Director, Travel Retail, L'Oreal. She talked about the gender discrimination atmosphere in the family in which a girl child is never entertained and encouraged. She said that with time this attitude must change and girls should be treated no less than boys as family is the first school of every child. Ms Renu Mishra,

the Chief Executive Officer, Grohe Middle East stressed upon the idea of women entrepreneurship as the biggest tool for women empowerment as to gain equal status in society a woman must be financially independent and should be capable of becoming a pillar of strength for her family and society so that others can follow her footsteps.

The third speaker in the second session was Ms Neeta Lulla, an eminent fashion designer, Indian costume designer and Fashion stylist who conveyed that self confidence is the greatest thing of beauty for every woman and if one wears self confidence, there is jewel better than that. She discussed upon the aspects of body shaming and stereotypical images of women broke in today's' fashion world when they are featuring average looking girls also to promote equality.

The third and final session was based on the topic "Role of women in wellness, Entrepreneurship and Banking". In this series the first speaker was Ms Gayatri Jolly, founder and CEO of Master G. Master G is the first design manufacturing and skill development program that teaches pattern making to the rural women. It has a twin fold social issue of gender and class and makes women believe by un-gendering the stereotypical roles. Ms Gayatri discussed upon the idea of women to step out of their house and become entrepreneurs not only for self dependence but also to help other unprivileged women in society. Ms Anjali Singh Director Deutsche Bank discussed the difficulties and hurdles faced by a girl child during her upbringing in traditional families. She stressed upon changing the mindset and thinking girls also as equal as boys so that they also get equal opportunities in future and prepare them for the challenges. Ms Manjari Chandra, Functional Nutritionist and Wellness Coach chronicled the idea that healthy mind lives in a healthy body therefore women should always care about their food and nutrition, They must exercise and keep themselves emotionally balanced to face the stress that directly and indirectly effects their health in long run. Ms Vartika Dwivedi, PHDCCI Secretariat, expressed the Vote of Thanks as the session concluded; She thanked all, the guest speakers and participants for spending their valuable time in the session. All the sponsors were thanked for their contribution. At the end Dr Yogesh Shrivastav, Assistant Secretary General PHDCCI expressed his sincere thanks to all for making the programme successful. More than 300 participants attended the program.

Yi organized an online workshop on "Fundamentals of IPR", on 12-03-2021 at 10:00A.M onwards.

1. The online workshop is on Microsoft Teams application, make arrangements for the same well in advance.
2. Join the session 10 minutes prior to the commencement.
3. While joining the session keep your microphone off.
4. For any query during the session you can use raise hand emoji or you can type questions in the chat box. 45 students attended this online workshop.

**PRISM**

**TePP Outreach cum cluster Innovation Centre (TOCIC)**  
 Promoting Innovations in Individuals, Start-ups and MSMEs (PRISM)  
 (An Initiative by Department of Scientific and Industrial Research (DSIR),

**INTRODUCTION:**  
 PRISM along with its network partners provides grants, technical guidance and mentoring to individual innovators by incubating their idea towards creation of new enterprises in phases. It also provides grant-in-aid support to technology solution providers developing technology solutions aimed at helping MSME cluster. The proposals shall preferably be considered in the focus sector likes Green Technology, Clean Energy, Industrially Utilizable Smart Materials, Waste to Wealth, Affordable Healthcare, Water & Sewage Management and Any Other Technology or Knowledge Intensive Area. Proposals are invited from individual innovators and technology solution providers on the following PRISM schemes for financial assistance.

**Programme and Eligibility**

- **PRISM Phase-I**  
**Category-I: Proof of Concept/Prototypes/Models**  
 Maximum support is limited to Rs. 2.00 lakh or 90% of the total project cost whichever is lower.  
 Any Indian citizen including student innovator can avail support to develop their novel idea into demonstrable model/prototypes
- **Category-II: Fabrication of working model/process know-how/testing and trial patenting/technology transfer etc. (Innovation Incubation)**  
 Maximum support is limited to Rs. 20.00 lakh or 90% of the total project cost whichever is lower.  
 Any Indian citizen having innovative ideas to convert them into working model/prototypes/processes
- **PRISM Phase-II (Enterprise Incubation)**  
 Maximum support is up to Rs. 50.00 lakh limited to 50% of the total project cost. The support may be provided for scaling up technology based innovations, including patenting/design registration/trademark registry/technology transfer to develop a marketable product/ process towards enterprise creation.  
 Successful PRISM innovators or innovators who have successfully demonstrated proof of concept with the support of government/institution/agency.
- **PRISM - R&D Proposals**  
 Maximum support is up to Rs. 50.00 lakh, limited to 50% of the total project cost for developing technology solutions aimed at helping MSME clusters.  
 ANY R&D institutes/autonomous institutions/laboratories/ academic institutes etc.

**IMPORTANT POINTS FOR SUBMISSION OF PRISM APPLICATIONS:**

1. The proposals should have novelty/ innovation and commercial viability.
2. Innovators are advised to protect their intellectual property rights (IPR) by submitting provisional application before revealing details in application. Essential for valuation.
3. Eligible applicants are requested to submit their applications complete in all respects to the online link available at [www.dsir.gov.in](http://www.dsir.gov.in) and hard copy to the TOCIC Centre, Chandigarh.
4. The detailed information and application form, appropriate to the category, may be downloaded from websites [www.dsir.gov.in](http://www.dsir.gov.in) and [www.csio.res.in](http://www.csio.res.in)

**कलिंगा विश्वविद्यालय में 'गांधी दर्शन की प्रासंगिकता' विषय पर संगोष्ठी का आयोजन संपन्न  
दिनांक 13.03.2021**

कलिंगा विश्वविद्यालय मध्य भारत का एक प्रतिष्ठित शैक्षणिक संस्थान है। यहां पर विद्यार्थियों में शोध प्रवृत्ति और नयी खोज को विकसित करने के लिए वैश्विक मापदंड के अनुरूप गुणवत्तापूर्ण शिक्षा प्रदान करने के लिए लगातार कार्य किया जाता रहा है। इसी तारतम्य में कलिंगा विश्वविद्यालय के हिन्दी विभाग के द्वारा 'गांधी दर्शन की प्रासंगिकता' विषय पर ऑनलाईन संगोष्ठी का आयोजन संपन्न हुआ।

उक्त संगोष्ठी में मुख्य वक्ता के रूप में मगध विश्वविद्यालय, बोधगया (बिहार) के सहायक प्राध्यापक और इंटैक सरगुजा के सहयोजक डॉ सचिन मदिलवार उपस्थित थें।

उन्होंने विश्वविद्यालय के विद्यार्थियों को 'गांधी दर्शन की प्रासंगिकता' विषय पर विस्तार से चर्चा किया। अतिथि वक्ता ने वर्तमान परिदृश्य में गांधी जी के दर्शन के संदर्भ में विस्तार से बताया। उन्होंने महात्मा गांधी के सुराज पंचायती राज और स्वदेशी की अवधारणा पर चर्चा करते हुए गांधी जी के विभिन्न विचारों पर जानकारी दी। इस संगोष्ठी में विद्यार्थियों ने भी विषय विशेषज्ञ विद्वान से संवाद कार्यक्रम के अंतर्गत अपने प्रश्नों को पूछा और अपनी जिज्ञासा को शांत किया।

उक्त आयोजन में कलिंगा विश्वविद्यालय के कुलपति डॉ. आर श्रीधर महानिर्देशक डॉ. बैजू जॉन, कला एवं मानविकी संकाय के अधिष्ठाता डॉ. एम.एस.मिश्र, हिन्दी विभाग के अध्यक्ष डॉ. अजय शुक्ल और इतिहास विभाग के सहायक प्राध्यापक चंदन सिंह राजपूत के साथ-साथ कला एवं मानविकी संकाय के समस्त प्राध्यापक एवं विद्यार्थी उपस्थित थें। कार्यक्रम का संचालन हिन्दी विभाग की सहायक प्राध्यापक सुश्री खुशबू सिंह ने किया तथा मानविकी संकाय के अधिष्ठाता डॉ एम.एस.मिश्र ने धन्यवाद ज्ञापन प्रस्तुत किया।

## Talk on “Open Educational Sources/Massive Online Open Course” Department of Biotechnology on 15.03.2021

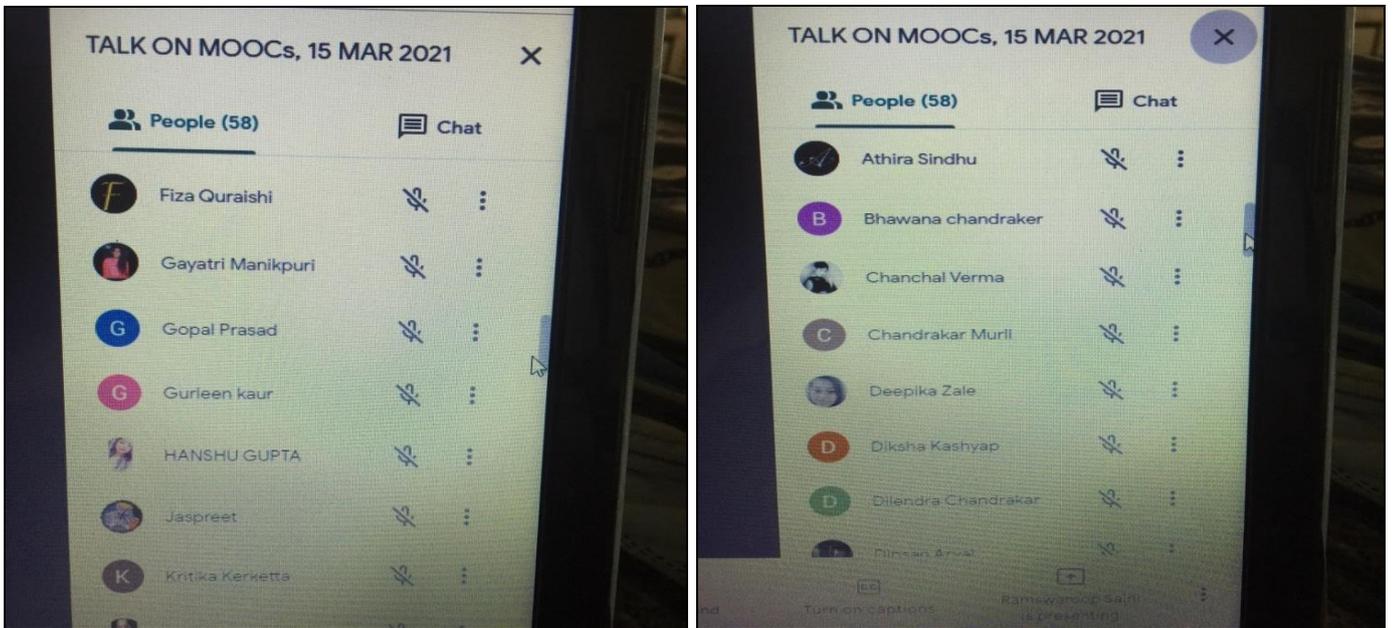

Department of Biotechnology, Kalinga University had organized a talk on “Open Educational Sources/Massive online open course”. The talk focussed on a well thought topic based on open online course, to make students aware about such online courses’ portal and their benefits.

The inauguration of the talk was marked by the eminent presence of Head of the Department Dr. Sushma Dubey, Faculty members Dr. Anju Meshram, Dr. Ramswaroop Saini, Mr. Dilendra Chandraker, Ms. Nirali Budhbhatti and Students. This session was very informative and knowledgeable.

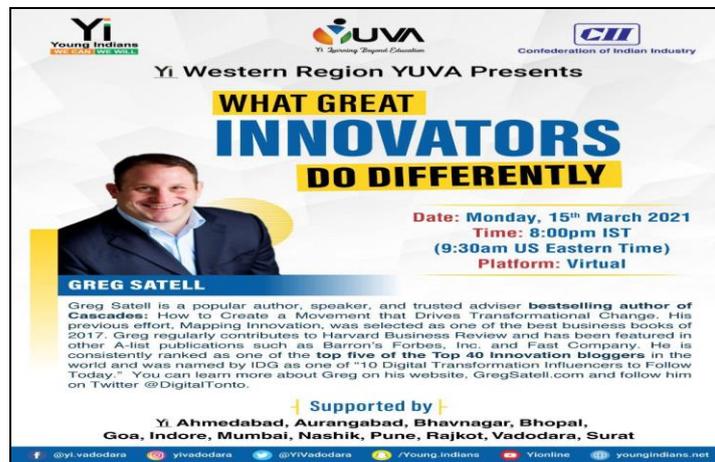

Ms. Nirali Budhbhatti, the keynote speaker for session 1 presented “Open Educational Sources/Massive online open course” and demonstrated virtually by second keynote speaker, Dr. Ramswaroop Saini. The talk received an overwhelming response from our students and 65 students actively participated. The students were highly benefitted by the insights that was provided regarding the MOOC.

Biotechnology Department, Kalinga University, Atal Nagar, Naya Raipur wishes to express thanks to to all authorities for providing such a great opportunity for Biotechnology Department.

**Event Report WHAT GREAT INNOVATORS DO DIFFERENTLY. This event was organized by Yi Western Region YUVA on Monday, 15th March 2021**

Yi Students of Kalinga University got the opportunity to attend the virtual session on – WHAT GREAT INNOVATORS DO DIFFERENTLY. This event was organized by Yi Western Region YUVA on Monday, 15<sup>th</sup> March 2021, Time - 08:00 PM India, Platform – virtual (Zoom).

Mr. Greg Satell was the guest speaker, he is a very popular author, Speaker and trusted adviser bestselling author of Cascades: How to create a movement that drives transformational change. He is consistently ranked as one of the top five of the top 40 Innovation Bloggers in the world.

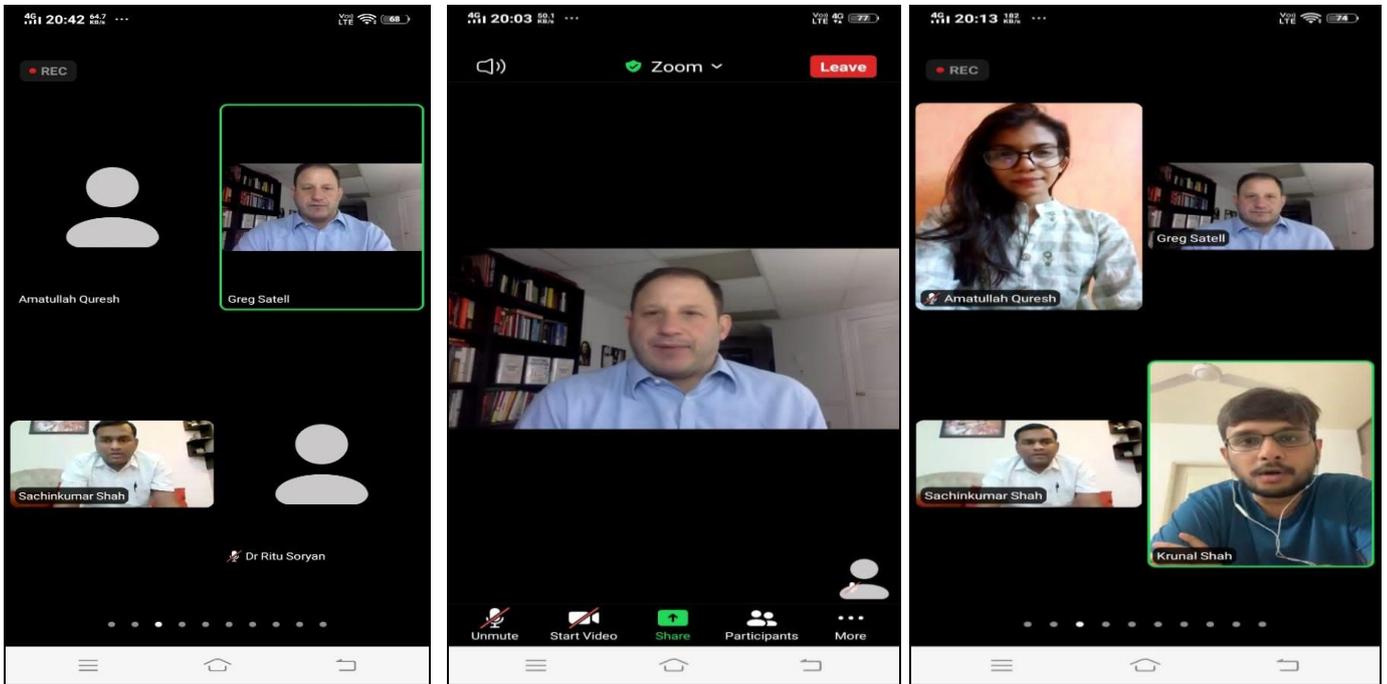

Students of Kalinga University gained a lot of innovative ideas and one of our student Amatullah from BBA 1<sup>ST</sup> sem asked a question - How can covid 19 can change the way of innovators?

Speaker gave a very beautiful answer - let's take a real example in USA, a woman who was successfully doing her business got scared by covid and stopped her work where as other employees who were under

him didn't stop working, and even got affected by covid and also they recovered from it, so doesn't matter what terrible comes no one should give up the work.

**MEMORANDUM OF UNDERSTANDING (“MOU”) BETWEEN CONFEDERATION OF INDIAN INDUSTRY AND KALINGA NIVERSITY, RAIPUR on 15 March 2021**

Agreed and executed on this 15 day of March, 2021

**Confederation Of Indian Industry (“CII”)**, a society registered under the Societies Registration Act, 1860, a not for profit and industry managed organisation and having its Central Office at The Mantosh Sondhi Centre 23, Institutional Area, Lodi Road, New Delhi -110 003, India (hereinafter referred to as “CII”), represented by its authorised signatory Mrs AnujaShukla (Yuva Chair, Yi Raipur Chapter), which expression shall unless repugnant to the context and meaning thereof include its successors, administrators and permitted assignees).

**And**

**Kalinga University,(Bhagwan Sri BalaSai Educational & Charitable Society)**having its Head Office atAtal Nagar, Raipur (hereinafter referred to as “KALINGA”) represented by its authorised signatory Mr Sandeep Gandhi(Registrar), which expression shall unless repugnant to the context and meaning thereof include its successors, administrators and permitted assignees).

Hereinafter individually referred to as CII or Kalinga, as it may be, and collectively referred to as the Parties.

**WHEREAS:**

CII isa non-government, non-profit, industry led and industry managed organization, which works to create and an environment conducive to the growth of industries in India through advisory and consultative process CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities through a range of specialized services and strategic global linkages. Young Indians (Yi) is an initiative and integral part of the CII formed with an objective of creating a platform for Young Indian’s to realize the dream of a developed nation. It has over 3200 direct members in 46 city chapters, and indirect membership of 29500 through its Yuva. “To become the Voice of Young Indian’s Globally” being the vision of Yi, it reaches out to the global Indians wherever they are to make them an integral part of the Indian Growth Story. The Yi Yuva platform is one of the most active focus areas within Young Indians by which Yi members engage students from across the country in various initiatives that the students conceptualize, plan and execute. The objective is to create a bridge, a platform for the students to work in cross functional teams with a broad objective of enhancing

their leadership skills and giving back to the nation. In the process, the students work in leadership roles while operationalizing projects that are based on self-development, skill building, community service and nation building.

## **WHEREAS:**

Kalinga University is an educational institution founded by the **Bhagwan Sri BalaSai Educational & Charitable Society** which focuses primarily on **Educational Institution**.

## **NOW THEREFORE, BOTH THE PARTIES HEREBY AGREE AS UNDER**

### **ARTICLE I: Purpose and Objectives**

Both the Parties, by way of this MOU express their commitment to collaborate with each other to:

- i) The role of the institution would be to enroll All students or minimum of 250 students at the beginning of the year and increase the same substantially through the years.
- ii) Yi and Education Partner shall motivate and provide opportunities to the students to engage in activities and initiatives that they conceptualize, create reports regularly on their activities to the Yi Executive Member and participate in the Yi National & Chapter events in other cities like the summit (finer details to be worked in coherence with the institution's policies)
- iii) Both the Parties are desirous of promoting mutual cooperation and wish to expand the basis for friendly and cooperative educational and academic collaborations by way of this MOU.
- iv) Both the Parties understand and acknowledge that this MOU is a pre-requisite for further collaboration and cooperation activities, academic partnerships etc.
- v) Any other activities considered by both Parties to be potentially beneficial.

### **ARTICLE II: Financials**

- i) Both the Parties shall, depending on availability of funds and resources and after mutual consensus, dedicate funds for specific arrangements, academic projects and all endeavours envisioned under this MOU. Unless otherwise specifically agreed to in writing by the Parties, each Party will bear on their own the respective costs of carrying out the obligations under this MOU. Each party is responsible for its own taxes and compliances in respect to the deliverables envisaged herein and shall not hold the other party responsible for such taxes and compliances. This is merely a broad understanding between the parties in furtherance to the common intention for accomplishing the objectives mentioned herein above. In future, if the parties intend to enter into any financial arrangement, the legal rights and commercial obligations of the parties as applicable shall be delineated through separate documents on case to case basis. Taxes if any will be charged extra and withholding tax if any will be deducted by respective party on any financial transaction as per applicable laws.
- ii) Both the Parties shall be free to collaborate with and seek financial support, donations from national and international organizations, partners for cooperative activities to be undertaken under this MOU.

### **ARTICLE III: Coordination Between Facilitators**

Both the Parties shall nominate one or more senior representative/officer, who shall be the point of contact/facilitator for the purposes of this MOU. The facilitators of both the Parties shall maintain regular contact with the other Party as well as propose and review different academic projects, programs and other activities in furtherance of objectives of the purpose and objectives envisioned under this MOU. The Facilitators may also be required to report to and coordinate with different committees or boards for the purposes of this MOU, as may be necessary.

### **ARTICLE IV: Intellectual Property Rights**

Both the Parties shall:

- i) Share with each other all data, research and findings relating to activities, projects undertaken under this MOU.
- ii) Enjoy joint ownership of all intellectual property rights in terms of copyrights, patents, trademarks for any discoveries, inventions researches and any outcomes resulting from joint activities undertaken under this MOU.

#### **ARTICLE V: Confidentiality**

For the purposes of this MOU:

- i) either of the Parties who provides any sensitive or commercial information shall be referred to as '**Disclosing Party**' and
- ii) either of the Parties, receiving such information shall be referred to as '**Recipient Party**'.

The Recipient Party shall use the confidential information of the provided by the Disclosing Party solely in accordance with the provisions of this MOU and will not disclose or permit to be disclosed, the same, directly or indirectly, to any third party without the Disclosing Party's prior written consent.

The Recipient Party shall exercise all care and caution in protecting the confidential information provided by the Disclosing Party, from any unauthorized use and disclosure. However, neither party bears any responsibility for safeguarding information which:

- i) is publicly available,
- ii) obtained by the other party from third parties without restrictions on disclosure,
- iii) independently developed by the other party without reference to confidential information, or
- iv) required to be disclosed by order of a court or other law enforcement entity, provided written notice of such compelled disclosure before court or law enforcement entity is intimated to the Disclosing Party.

#### **ARTICLE VI: Governing Law, Jurisdiction & Arbitration**

- i) This MOU shall be construed, interpreted and enforced in accordance with Laws of India.
- ii) In case of any differences, both the parties, shall make all efforts to settle the disputes amicably through mutual discussion and negotiation, failing which, dispute(s) shall be referred to a sole Arbitrator appointed by both the Parties, as per provisions of Arbitration and Conciliation Act, 1996 including. Language of Arbitration shall be English and place of Arbitration shall be New Delhi, India.
- iii) Subject to the Arbitration Clause, the Courts competent jurisdiction at Delhi shall have exclusive jurisdiction in respect of any and all matters pertaining to this MOU.

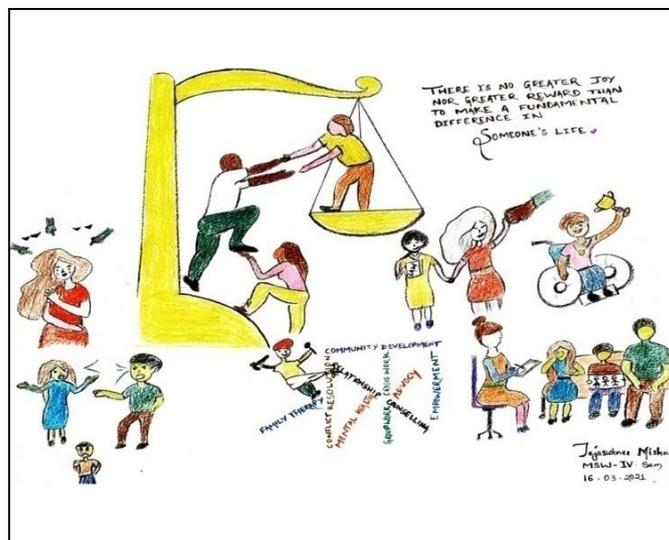

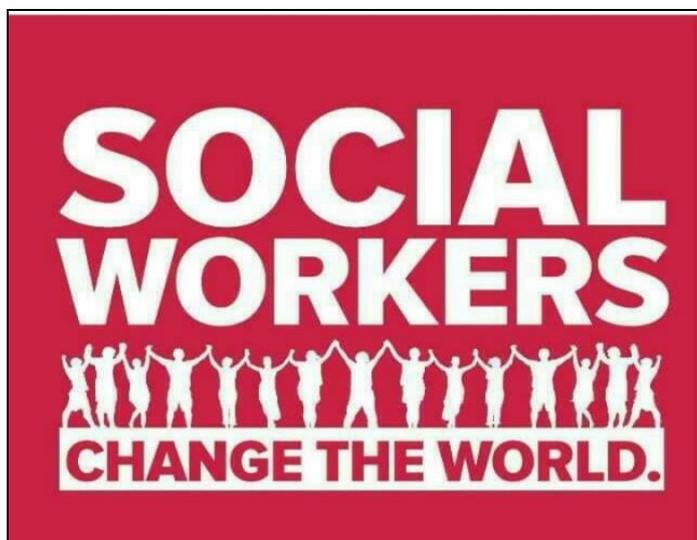

#### **ARTICLE VII: Miscellaneous**

- i) This MOU can only be amended in writing by mutual consent of both the Parties.
- ii) This MOU shall come in effect from the date of affixing signature by both the Parties and shall remain valid for a period of One (1) year from that date, subject to any written notice by one party to the other party, expressing its intent to terminate this MOU.
- iii) Either of the Parties, may terminate this MOU by way of 2 (two) months advance notice. In such an event, both the Parties, shall make all endeavours to fulfil their obligations and responsibilities for any ongoing program(s), project(s) or any endeavour(s) which has been initiated under this MOU.
- iv) This MOU may be executed in counterparts including but not limited to MOUs, communications exchanged defining responsibilities, obligations of both the Parties for different programmes, initiatives etc. under this MOU, each of which shall be deemed to be an original, and all of which, taken together, shall constitute an integral part of this MOU.

Dr Mani Shankar Mishra, Dean, Faculty of Arts and Humanities and the faculty members congratulated the winners and praised the students for their worthy participation.

Dr Mishra exhorted upon the students to proactively contribute towards Social Work profession in years to come and be a catalytic agent for much needed change in the society .

### Activity Report on how to write a research paper by Department of Electrical Engineering on 16.03.2021

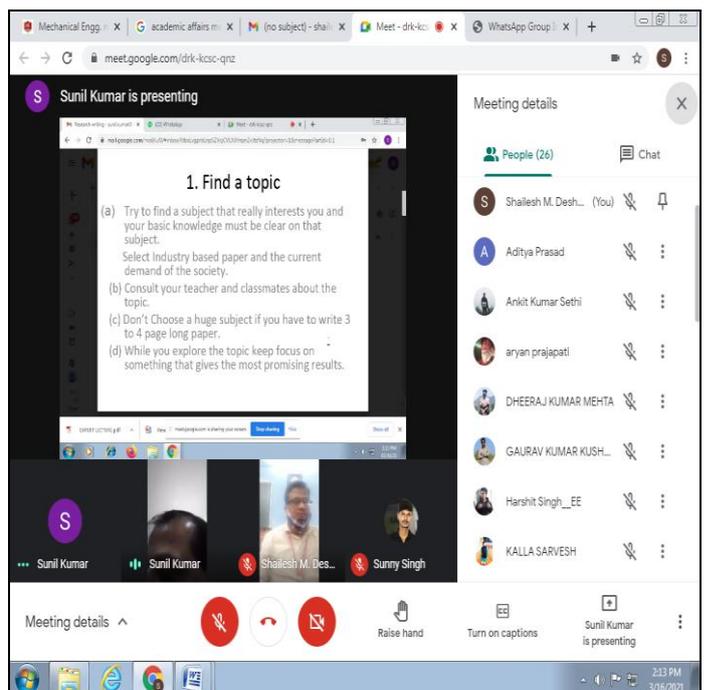

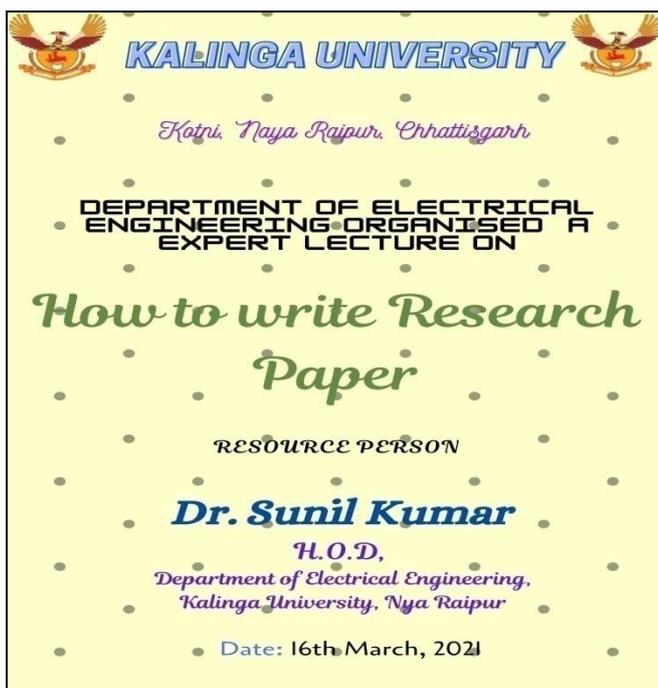

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) conducted an online expert lecture on 16.03.2021 on "How to write a research paper" at Google Meet for the students of

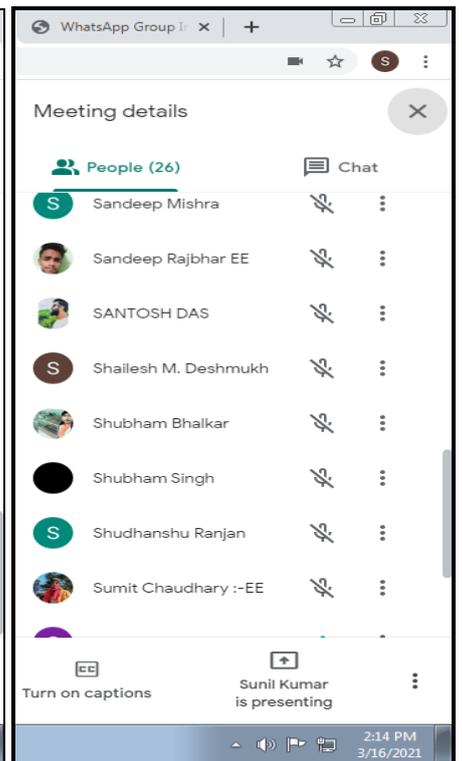

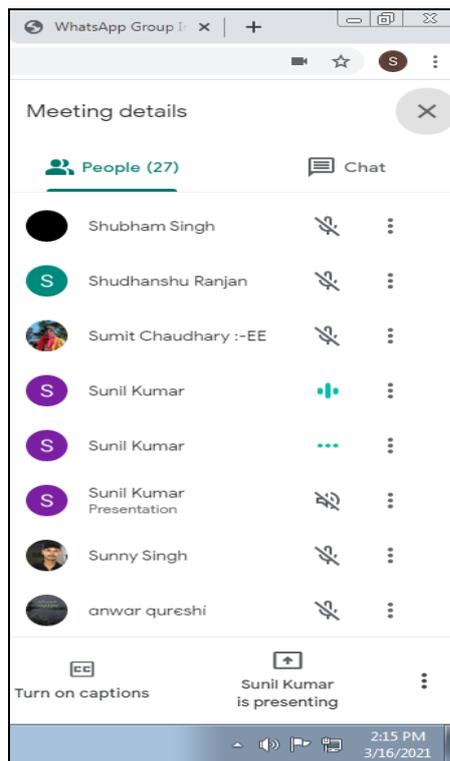

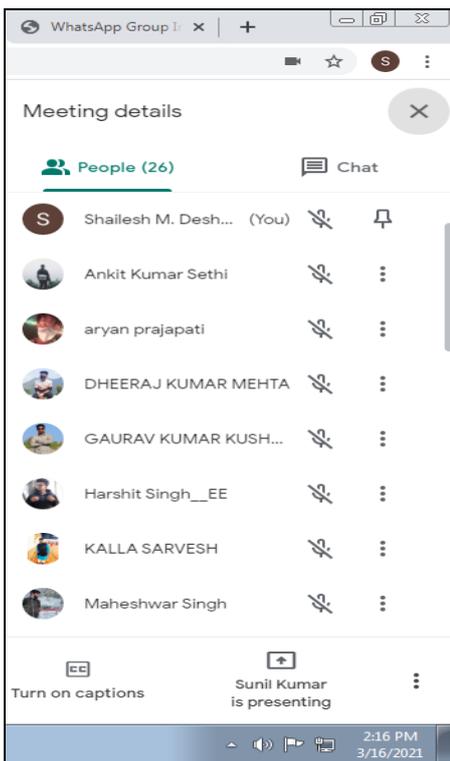

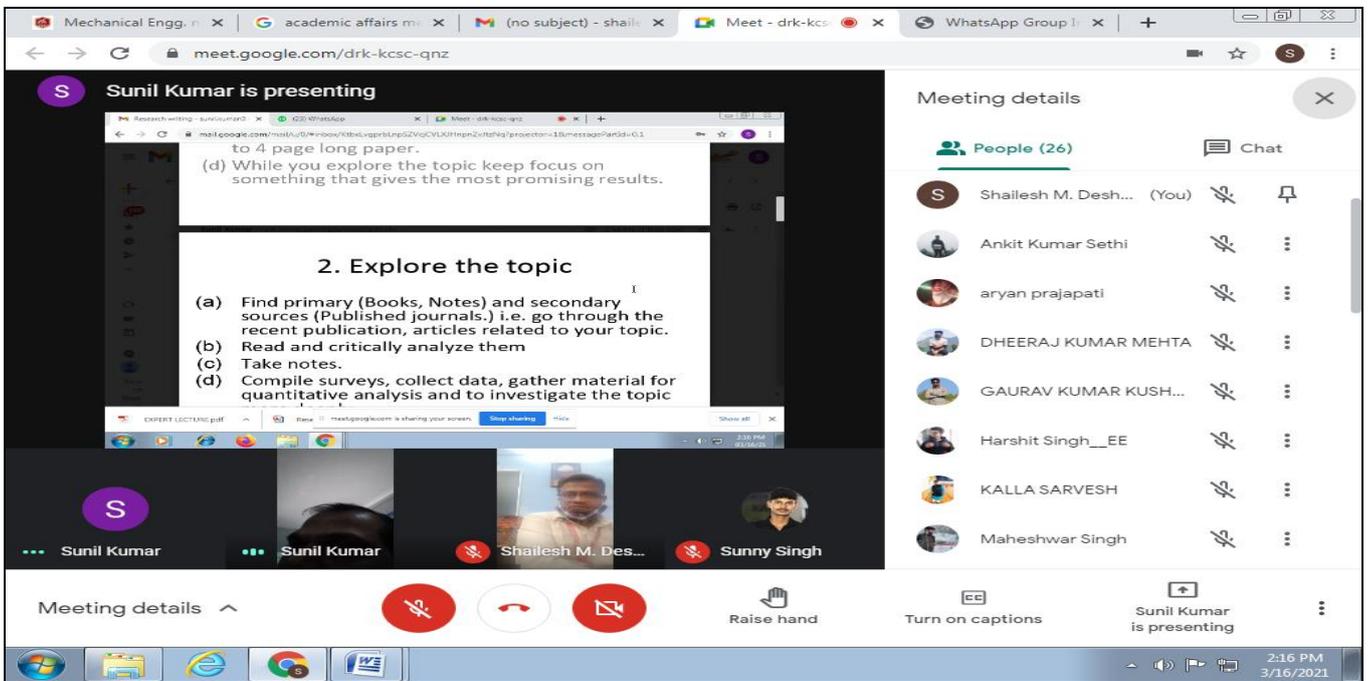

Diploma, B. Tech and M. Tech engineering. The resource person was Dr. Sunil Kumar, Prof. & Head of the department of electrical engineering kalinga university Raipur. The session was attended by more than 30 students along with all teaching staff.

**The guest lecture** was scheduled to start at 2:00 pm. Dr. Sunil Kumar began the session with introduction about basics of Research paper. He covered all the important aspects of research paper writing step by step. He discussed about the following points:

1. Understanding of the assignment
2. Choose a research paper topic
3. Conduct preliminary research
4. Develop a thesis statement
5. Create a research paper outline
6. Write a first draft of the research paper
7. Write the introduction
8. Write a compelling body of text
9. Write the conclusion
10. Write a final draft.

**CONCLUSION:** - The session was very interactive and beneficial for the students as well as faculties of Electrical Engineering Department to know about the effective research paper writing. The session was concluded with the vote of thanks by Mr. Shailesh Deshmukh, Assistant Professor, department of Electrical Engineering Kalinga University Raipur.

## Webinar on “Self Development Skills to Build Strong Personality” Department of Mechanical Engineering on 17 Mar 2021

Webinar was organized by Department of Mechanical Engineering for the improvement in Personality of Mechanical and Mining Engineering Students on 17 Mar 2021 from 11.00 pm to 12.30 pm

All students of mechanical Department as well as students from Mining Department (Total 52 Students) and All faculties from Department of Mechanical Engineering along with Head of Department attended the Guest Lecture.

Mr. Alakshendra Mogre, National Trainer and speaker from JEM (Jha's English Meditation) Spoke to the students about Self Development Skills and Building Strong Personality that distinguish individuals from each other. The speaker also discussed the setting goals, personality and psychology of students and what are the changes that the students need to change according to the market for survival.

## Departmental Activity 'Power to Point' by Department of Civil Engineering on 20<sup>th</sup> March 2021

Online activity ‘Power to Point’ was conducted on 20<sup>th</sup> March, 2021 for the students of Department of Civil Engineering for promoting the knowledge of Current Trends in Construction industries. This event was conducted through online mode in two phases. In first phase, students were welcomed by Prof. N.K. Dhapekar who guided about the event and gave presentation on some of the recent trends/practices in Civil Engineering field. Event Coordinators namely Mr. Piyush Das and Mrs. Kirti Sahu stated the rules and regulationsto be followed and the time limit of submission of presentation via google classroom. Further more event coordinators briefed few features and functions of MS Power point with students. Feedback of this activity from the participants via feedback link was taken and submitted to the office of Dean Academic Affairs. Total 7 students participated and after the evaluation of the presentations submitted by the students, top three performers were declared as the Winners of the event and the certificates were issued to them.

**Winners were:**1. Ms. Ankita Singh and Ms. Wandashisha Puwein –BTCE 4<sup>th</sup> 2. Mr. Nehal Bakde - MTCSE-3<sup>rd</sup> and 3. Mr. Anil Yadav (DICE 4<sup>th</sup>) and Vishal Kumar (BTCE 4<sup>th</sup>).

## National Webinar on “Research paper writing with Latex” by Department of Electrical Engineering on 20 March 2021

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted an online **National Webinar** on 20.03.2021 on “research Paper writing with LaTeX” at Google Meet for the students of Diploma, B. Tech and M. Tech engineering. The resource person was Mr. Aditya Prasad Padhy, Assistant Prof. of the department of electrical engineering kalinga university Raipur. The session was attended by more than 50 students along with all teaching staff.

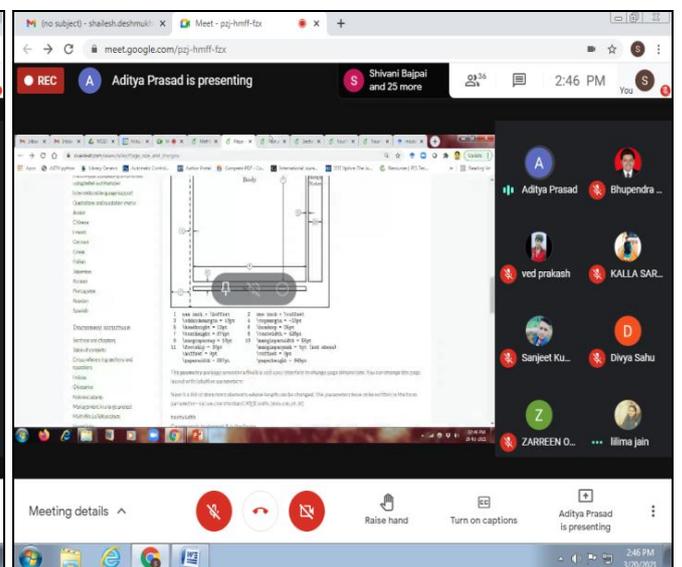

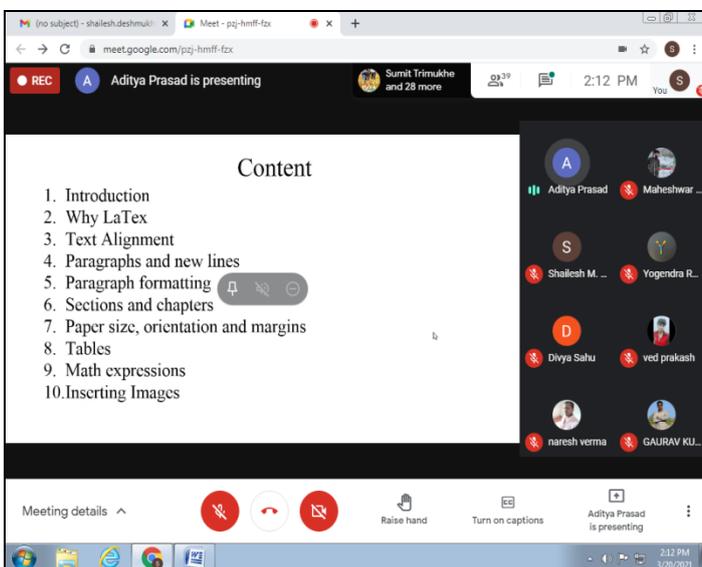

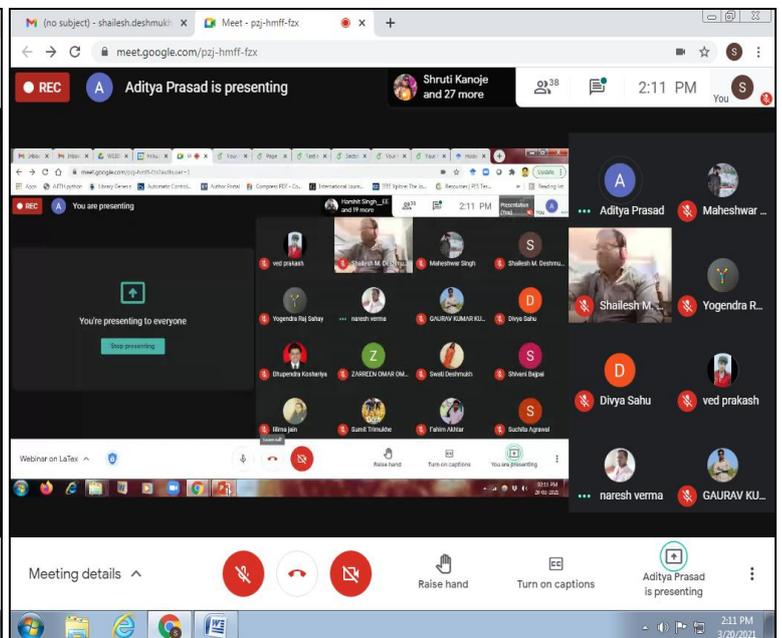

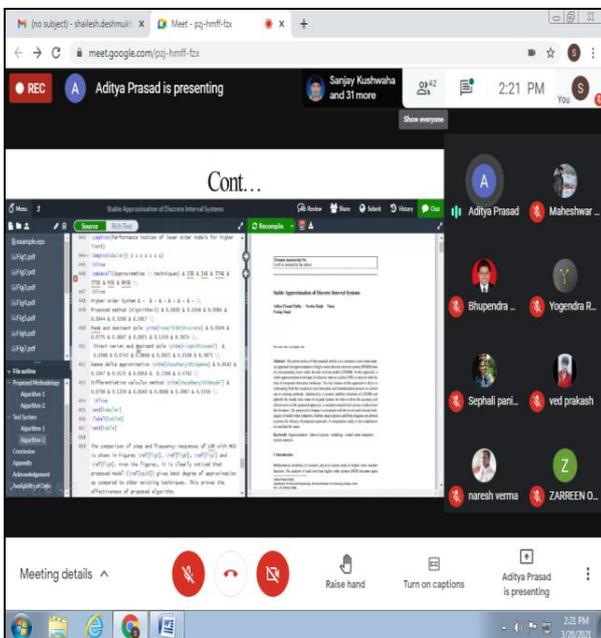

The National Webinar was scheduled to start at 2:00 pm. Mr. Aditya Prasad Padhy began the session with introduction about basics of LaTeX. LaTeX is a high-quality typesetting system; it includes features designed for the production of technical and scientific documentation. LaTeX is the de facto standard for the communication and publication of scientific documents. LaTeX is available as free software.

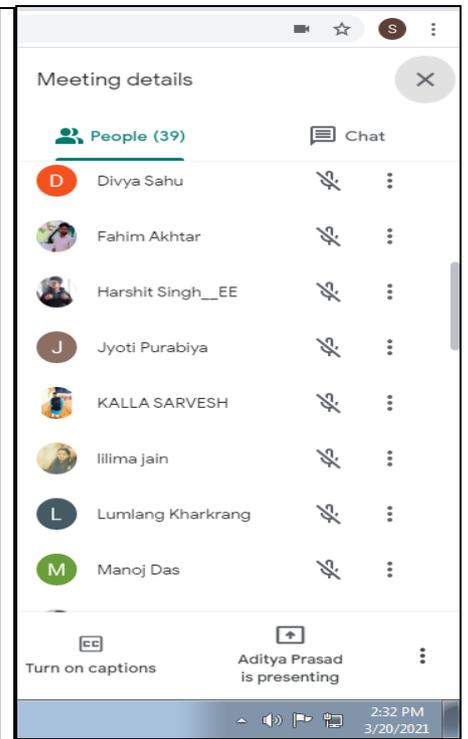

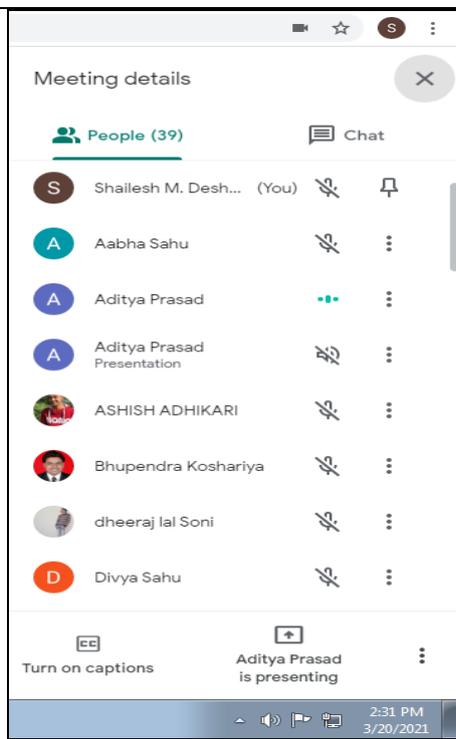

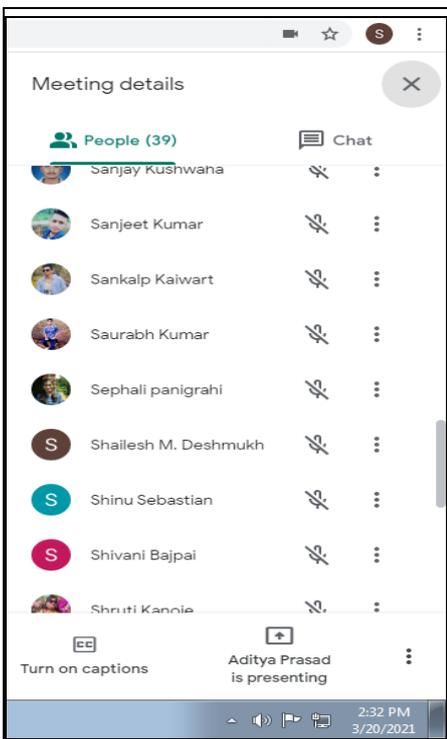

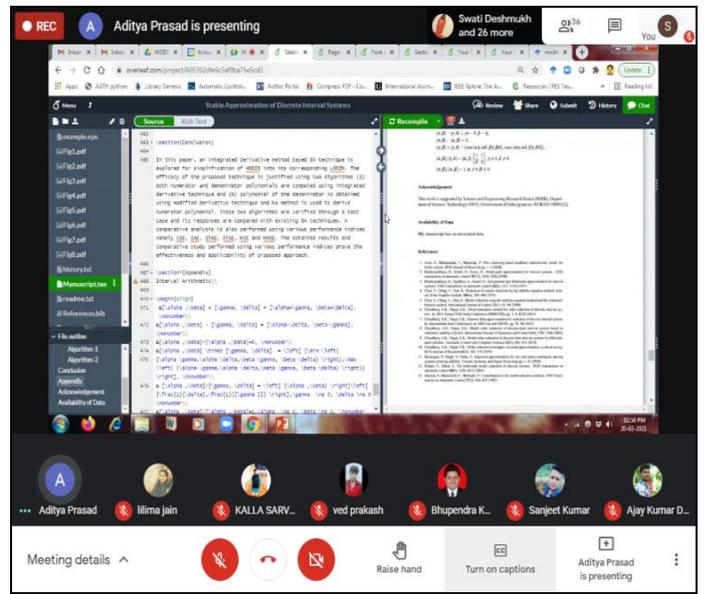

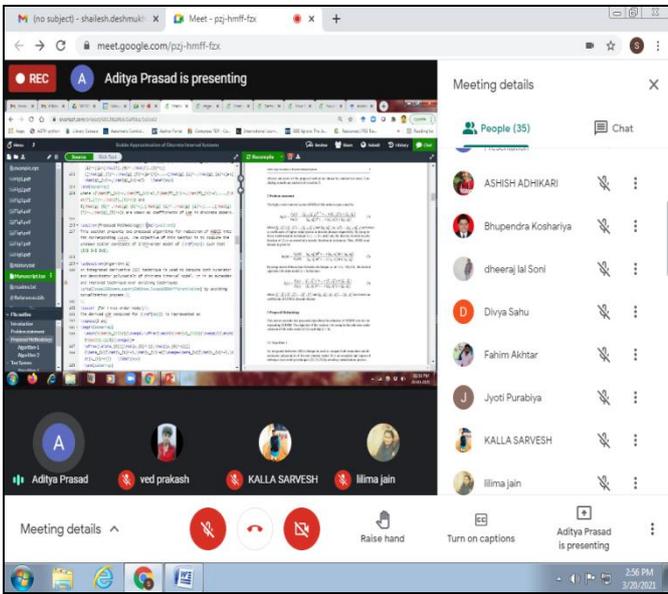

He covered all the important aspects of research paper writing step by step with LaTeX. He discussed about the following points:

- Introduction
- Why LaTeX
- Text Alignment

- Paragraphs and new lines
- Paragraph formatting
- Sections and chapters
- Paper size, orientation and margins
- Tables
- Math expressions
- Inserting Images

The session was very interactive and beneficial for the students as well as faculties of Electrical Engineering Department to know about the effective research paper writing with LaTeX software. The session was concluded with the vote of thanks by Mr. Shailesh Deshmukh, Assistant Professor, department of Electrical Engineering Kalinga University Raipur. Total 39 students attended this webinar.

## कलिंगा विश्वविद्यालय में स्वास्थ्य जागरूकता सेमीनार का आयोजन दिनांक 20 मार्च 2021

कलिंगा विश्वविद्यालय, नया रायपुर द्वारा विगत दिनों स्वास्थ्य जागरूकता सेमिनार का आयोजन किया गया जिसमें विश्वविद्यालय में कार्यरत समस्त महिलाओं ने अपनी सहभागिता प्रकट की। कार्यक्रम के मुख्य अतिथि एवं वक्ता के रूप में डॉ. प्रीती सिंह स्त्री रोग विशेषज्ञ एवं सर्जन की गरिमामयी उपस्थिति से अनेकों महिलाएँ लाभान्वित हुईं। उन्होंने विशेष रूप से महिलाओं में होने वाली स्तन व बच्चेदानी के कैंसर, रजोनिवृत्ति में आने वाली परेशानियाँ एवं तनाव से मुक्ति प्राप्त करने हेतु अनेकों महत्वपूर्ण जानकारियाँ दी। कार्यक्रम के अंत में श्रीमती स्मिता प्रेमानंद ने धन्यवाद ज्ञापन दिया एवं छात्र कल्याण

अधिष्ठाता डॉ आशा अंबईकर ने मेमेंटो प्रदान कर डॉ. प्रीती को सिंह का सम्मान किया। विश्वविद्यालय हेतु यह सेमीनार अत्यंत लाभदायक रहा।

## Pharma Meet 20 was held by Chhattisgarh society of Pharmaceutical science on 21 March 2021

Pharma Meet 20 was held by Chhattisgarh society of Pharmaceutical science on 21 March 2021 at Hotel Solitaire, Raipur at 5 PM. Chief guest was Shri T S Singh Deo, Health Minister CG. Guest of Honor was Honorable Prof. Shailendra Saraf, Vice President Pharmacy Council of India and Special Guest Dr. R Shridhar, Vice chancellor of Kalinga University Raipur. The meet was also attended by Respected Dr. Sandip Prasad Tiwari HOD Faculty of Pharmacy and Mr. Deependra Soni Assistant Professor Faculty of Pharmacy. Total 42 participants attended this meet.

**National Webinar on “Indian Budget Analysis 2021-2022” by Key Note Speaker Prof. Shakti Kumar Centre for Economics Studies & Planning, JNU, New Delhi, Department of Arts & Humanities on 22th March 2021**

National Webinar as a departmental activity was organized on “Indian Budget Analysis 2021-2022” on 22<sup>nd</sup> March 2021. by the department of Economics under the faculty of Arts & Humanities was conducted for the students of Arts and humanities department (B.A and M.A. students from SEM-2, SEM-4 and YEAR-3) on 22<sup>nd</sup> March 2021. Activity had been conducted successfully. The activity was coordinated by Dr. Namrata Srivastava, Assistant Professor of Economics, Kalinga University. Dr. M. S. Mishra, HoD of the Arts & Humanities, Kalinga University welcomed the resource person and shared his thoughts in the introductory speech. The session was very informative and interactive. The guest speaker Prof. Shakti Kumar, Chairperson centre for Economic Studies and Planning JNU, New Delhi had wonderful presentation. He discussed about the Indian Budget 2021-2022. He spoke about revenues and expenditure as well as the Fiscal Deficit (FD), Revenue Deficit (RD, Effective Revenue Deficit (ERD) and the Primary Deficit (PD) of the Government of India.He deliberated also provides extracts of allocations for

programme and schemes, as well as observations into the sources of deficit financing and alignment of significant budgetary variables. He stated that Budget 2021-22 reflects firm commitment of the Government to boost economic growth by investing in infrastructure development. Which was substantiated by rise in capital expenditure by 34.5% (₹1,42,151 crore) over Budget Estimates (BE) 2020-21. He elaborately discussed total resources being transferred to the States including the devolution of State's share, Grants/ Loans and releases under Centrally Sponsored Schemes etc in BE 2021-22 is ₹13,88,502 crores, which shows an increase of ₹74,565 crores over RE (2020-21). To make the session interactive students got the chance to ask questions from the speaker and were got satisfied with answers from the speaker. Total 54 students attended this departmental activity.

## **Webinar on Skills Acquisition and Development for Career Building in Mass Media and Communication on 23rd March 2021**

This webinar was organized by the name journalism- spur of the moment on the topic skill acquisition and development for career building in mass media and communication withujjawal trivedi ( senior journalist star news, ndtv cnbc, you tuber)

"What is Journalism? Journalism is not talking about comments on torn jeans, or acting as a loudspeaker for announcing what the government or opposition parties are planning... Journalism is the foremost question which comes to our mind when we see something happening around us.....when we have questions on why, how and what is going on and how is it going to impact us.. " were the words of Ujjawal Trivedi, renowned Senior Journalist, Creative director, You tuber and reporter having a vast experience of more than ten years in the field of Journalism. Mr. Trivedi was the invited Guest speaker for the webinar conducted by the Department of Arts and Humanities on the topic "Skill Acquisition and Development for Career Building in the field of Mass Media and Communication" held on March 23, 2021

live streaming on You tube platform of Kalinga University from 3 pm onwards and viewed by nearly 3K viewers crossing the number daily.

In his highly informative session Mr.Ujjawal Trivedi discussed upon the core issues of Journalism and defined it as "an inner voice" which automatically comes out from one's conscience on things happening around. He emphasized the Power of People in Democracy and said that common people should not be weak but strong enough in Democracy as we are electing the leaders and rendering power in their hand, so every individual must be aware of his sovereign power and has right to ask questions to the ruling party. He said the people must speak and journalists must be well educated and profound readers so that they can have an understanding of newsworthiness.

The session was highly informative and it greatly enlightened the students who are aspiring for their career in Journalism and Media. In the live streaming, Dr M S Mishra, Dean and HOD Arts and Humanities was the convener and Dr Vineeta Diwan and Ms Avinash Kaur, Assistant Professors were the co-conveners who successfully hosted the session and put forward various questions and queries by the students. The technical support for the You Tube platform of Kalinga University was provided by Mr Rahul Chawda, Assistant Professor Department of Computer Science that made the session successful The Vote of Thanks was given by Ms Avinash Kaur, Assistant Professor in Journalism and Mass Communication, Department. The Department is extremely thankful to Kalinga University for supporting the event.

REC Manoj Singh is presenting

### Immune response against viral diseases

The immune system is the body's natural ability to defend against pathogens (e.g. viruses, bacteria) and resist infections.

Two types of immunity are:

- Innate immunity and
- Adaptive immunity

**Innate immune response**

- First line of defence
- General immune response to ANY infection
- Innate immune response cells attack infections and other chemicals (cytokines)
- Infections interfere with virus replication
- The innate response activates the adaptive immune response

**Adaptive immune response**

- Second line of defence
- Specific response to the infection
- Starts after 4 - 8 days
- Involves two types of white blood cells
  - ➔ T cells (cellular response)
  - ➔ B cells (antibody response)

□ Innate and adaptive immune systems have co-evolved and show a high degree of interaction and interdependence.

□ If innate immune response is poor, the adaptive immune response will be feeble. In other words, recognition by the innate sets the stage for an effective immune response.

Akshita Sharma is presenting

He was originally a farmer who made tractors. His business was very successful and he was among the most wealthy in Italy. He owned Ferrari among other super cars. The Ferrari used to give him constant trouble. Being a mechanic, he tried to fix the problem and found out that his Ferrari had the same clutch as used in one of his tractors. "All my Ferraris had clutch problems. When you drove normally, everything was fine. But when you were going hard, the clutch would slip under acceleration; it just wasn't up to the job." He went to the service guys regularly to have a clutch rebuilt or renewed, and every time, the car was taken away for several hours and he was not allowed to watch it being repaired. The problem with the clutch was never cured, so Ferruccio decided to talk to Enzo Ferrari. He had to wait for him a very long time. "Your cars are rubbish!" he complained. Il Commendatore was furious. "You may be able to drive a tractor but you will never be able to handle a Ferrari Properly." This was the point when he finally decided to make a perfect car.

## **National Webinar on Women Empowerment on "When Dreams Come True" on 3<sup>rd</sup> April 2021**

On behalf of Women Cell Kalinga University an online meeting was organized on the Facebook live platform titled "WHEN DREAMS COME TRUE". The invited guest for the talk was Ms Amita Shrivastava, first woman mountaineer, Anganwadi employee and First woman of Indian origin to conquer Mount Kilimanjaro in Africa. In the session Ms Amita shared her rich experiences regarding her career shaping as a martial art trainer first and eventually as a mountaineer. In the program she guided and inspired the youngsters to follow self discipline, importance of setting a goal in life, time management and healthy food habits to stay mentally, emotionally and physically fit for accepting challenges in adventure sports. She said that even though she hails from a middle class family and struggled a lot to get financial assistance for her rigorous training at Sikkim, still she did not lose her patience and maintained a strong will power to focus entirely upon accomplishment of her goal. She said that the field of mountaineering and adventure sports is full of challenges, in which there is no gender discrimination, so a girl must overcome gender biases and prove herself that she is no less than boys. She expressed her gratitude and thanks towards her family members and parents for providing her all kinds of support in her endeavor. Ms Amita was highly overwhelmed with joy and emotions on describing the way she was reviewed and given a warm welcome at her place Champa Janjgir.

The programme was successfully conducted by Dr Vineeta Diwan, Incharge Women Cell & Assistant Professor Department of Arts and Humanities and Ms Avinash Kaur, Assistant Professor Journalism, Department of Arts and Humanities alongwith technical support by Mr. Himanshu Jhade. Total 33 participants attended the program.

## **National Webinar on “Creative Art Management and Film Direction” Department by department of Arts and Humanities on 10<sup>th</sup> April 2021**

A live interview cum interactive session was organized on the topic "Creative Art Management and Film Direction" by the Department of Arts and Humanities, Kalinga University on Facebook live platform. The session received an overwhelming response nationwide and highly appreciated on the web with more than 3.3K views gradually increasing as days pass by. The distinguished Guest for the event was Mr Apoorva Dhar Badgaiyyan, renowned Film Director of the region who has excelled in film direction through his movie Chaman Bahaar released on the Netflix platform. Apoorva has also assisted direction in some of the blockbuster movies like Rajneeti and Aarakshan, however with ChamanBahaar he has carved a niche for himself and made the state of Chhattisgarh proud over his flourishing talent.

The main aim of the session was to create and arouse interest among the youngsters to choose film direction as a career and allow their creativity and imagination to bloom by making a non stereotypical career choice so as to motivate the coming youngsters as well. Apoorva's struggle story also talked about the reactions he had to face in Film direction as a choice of his career. He thanked his family members and his friends at Pune who encouraged his creative process and made him excel in his career. He also spoke that now a days due to lot of struggle in traditional job sectors and employment sector there is lot of competition due to which youngsters often move towards the choice of doing something exceptional and extra ordinary. He motivated students to work hard, take risks and try wholeheartedly with determination to achieve their goal and by doing so they can earn lot of name and fame even in new emerging opportunities. Apoorva discussed in detail about Direction as a creative process, art work, post and pre production work and importance of script and characters in successful screening of a movie. He emphasized more upon the originality and nuance of the concept in script writing that makes a movie successful.

The session was very interesting and student queries were put forward by MsAvinask Kaur and MrPranjal Sinha, Assistant Professors, Department of Arts and Humanities. The program was anchored successfully by Dr Vineeta Diwan, Assistant Professor, Department of Arts and Humanities with special technical support provided by Mr Himanshu Jhade. The Vote of Thanks was expressed by MsAvinash Kaur. Total 15 students attended this program.

## Webinar on "Get a business online" by the Department of Computer on 10<sup>th</sup> April 2021.

Webinar on "Get a business online" by the Department of Computer on 10<sup>th</sup> April 2021. This webinar was very useful for the students. Students learned so many things in this webinar. Total 50 students attended this webinar.

## Departmental Activity on the "C-Code Prac" by Department of Civil Engineering on 10<sup>th</sup> April 2021

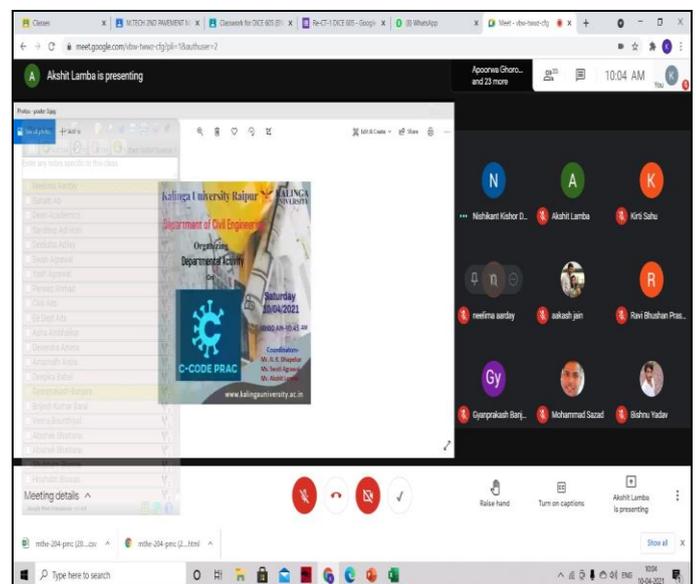

The departmental activity on the "C-Code Prac" was organized by Department of Civil Engineering on 10<sup>th</sup> April 2021. This activity was very useful for the students. Students learned so many things. To promote and create interest amongst students to acquire advance knowledge of International codes. Students will understand designing of structures like Beam, Column & Trusses through various international codes of practices. This will enable the student to analyze Steel & Concrete Structures used in Civil Engineering construction as per global

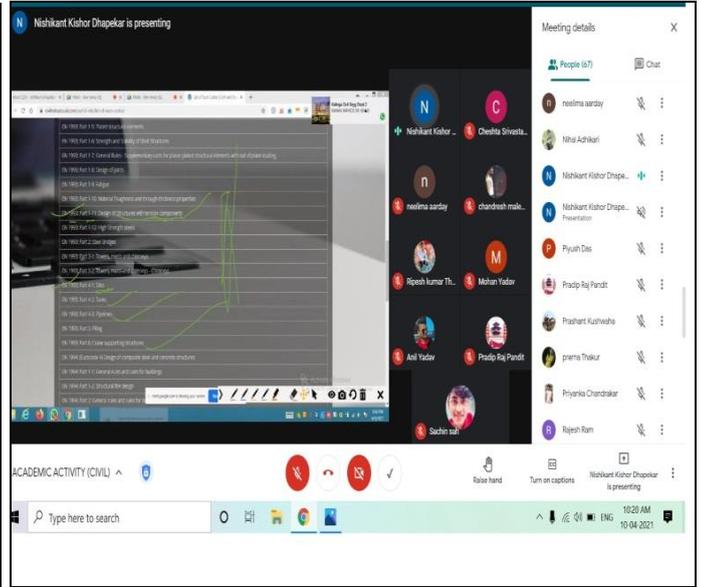

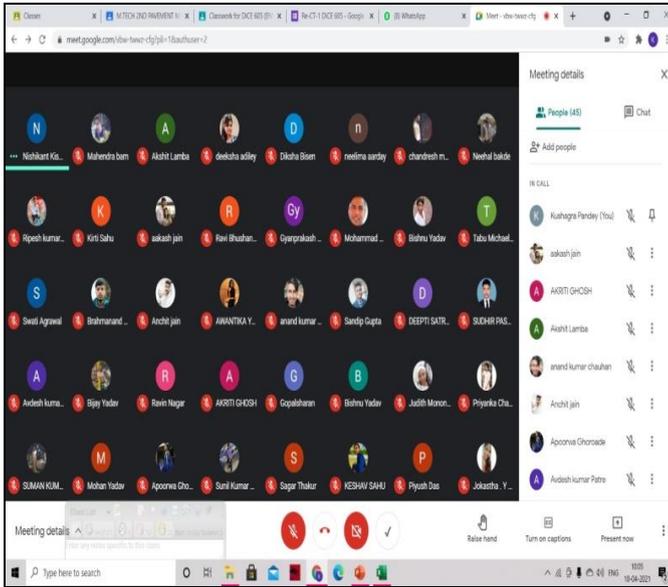

standards. This activity will make students to understand various benefits of the new innovative practices prevailing in various countries across the globe. In this activity, students were asked to submit their MS word file via google classroom. Emphasis was given on recent international codes and quality of presentation which will impart knowledge of various international practices in construction industry for Structural designing as well as Architecture and Planning. This online activity was conducted to promoting the knowledge of International Codes of different countries so that they will be able to design design structures globally. This event was conducted through online mode in two phases. In first phase, students were welcomed by Mr. N.K. Dhapekar who guided about the event and gave presentation on some of the recent codes in Civil Engineering field. Event Coordinators namely Mr. Akshit Lamba and Ms. Swati Agrawal stated the rules and regulations to be followed and the time limit of submission of presentation via Google classroom. Further more event coordinators briefed few features and functions of MS Power point with students. Feedback of this activity from the participants via feedback link was taken and submitted to the office of Dean Academic Affairs. Numbers of participants are as follows:

1. DICE 4th- 11
2. DICE 6<sup>th</sup> - 10
3. BTCE 4<sup>th</sup> - 09
4. BTCE 6<sup>th</sup> - 06
5. BTCE 8<sup>th</sup> - 02
6. MTSE 2<sup>nd</sup>- 25
7. MTSE 2<sup>nd</sup> - 05

After the evaluation of the presentations submitted by the students, top three performers were declared as the Winners of the event and the certificates were awarded to them.

**Winners:** 1. Mr. Nehal Bakde - (MTSE 2<sup>nd</sup>), 2. Prerna Thakur - (MTSE 2<sup>nd</sup>), 3. Mr. Shubham Bhimte - (BTCE 6<sup>th</sup>). Total 55 students attended this activity.

## Webinar on “Importance, Scope and Opportunities of Electrical Engineer” by Department of Electrical Engineering on 12th April 2021.

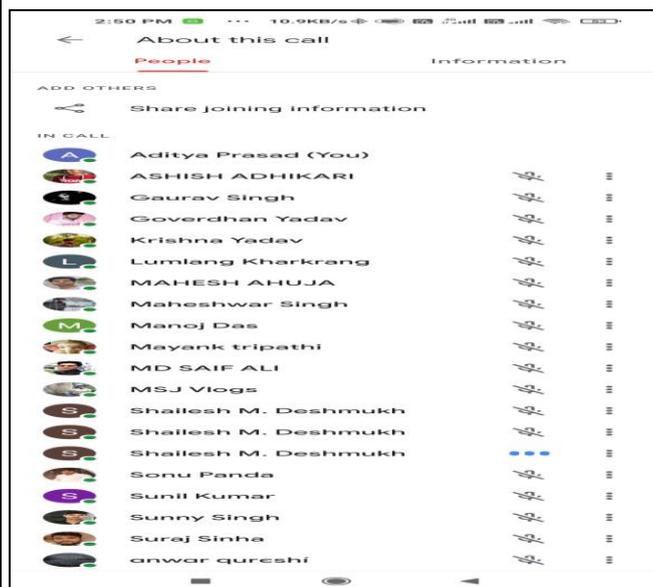

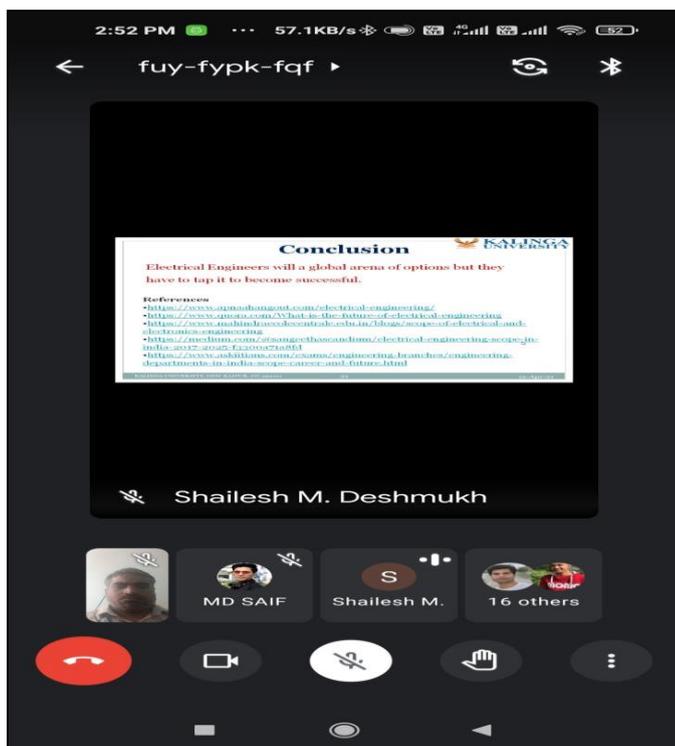

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted an online Webinar on 12.04.2021 on “Importance, Scope and Opportunities of Electrical Engineer” at Google Meet for the students of Diploma and B. Tech engineering. The resource person was Mr. Shailesh Deshmukh, Assistant Prof. of the department of electrical engineering, kalinga university New Raipur. The session was attended by more than 25 students along with all teaching staff.

He covered all the important aspects of Scope and Opportunities of Electrical Engineer step by step. He discussed about the following points:

- Introduction
- What is EE?
- Importance of EE
- Courses offered in India for EE
- Eligibility for admission to B.E./B.Tech. in EE
- Education options after B.E./B.Tech. in EE
- Scope & Application
- Job of Electrical Engineer
- Career Prospects in EE
- Salary of an Electrical Engineer

The session was very interactive and beneficial for the students of Electrical Engineering Department to know about the Scope and Opportunities of Electrical Engineer. The session was concluded with the vote of thanks by Dr. Sunil Kumar, Professor & Head, department of Electrical Engineering Kalinga University Raipur.

List of Participants

## Departmental Activity-Mathematics Research Paper Writing “How to write research paper(without plagiarism)” Department of Mathematics on 15<sup>th</sup> April 2021

Departmental activity-Mathematics Research Paper Writing “How to write research paper(without plagiarism)” was held on 15-03-2021. by Dr. S. Biswas and Dr. G.V.V. J. Rao. It was very interesting and lively topic. MSc. 2nd and 4thsemester studentsand faculty members from Mathematics Department participated enthusiastically. Total 20 studentsattended this activity.

## Webinar on "Non-Destructive Testing" for the students of Mechanical Engineering and Mining Engineering on 15<sup>th</sup> April 2021

Webinar on “Non-Destructive Testing” was organized by the Mechanical and Mining department for the students of Mechanical Engineering and Mining Engineering on 15th April 2021. Keynote Speaker was Sathish kumar Adapa, Assistant Professor in the Dept of Mech. Engg., AITAM college Andhra pradesh, India. This webinar was very useful for the students. Students learned so many things in this webinar. Total 60 students attended this webinar.

## **Webinar on “Intellectual and Cultural Rights of Tribal People in India” by Faculty of Law on 16th April 2021**

webinar was organised by the Faculty of Law, Kalinga University as a part of regular departmental activity for the expansion of knowledge of various upcoming legal issues. The topic of the webinar was ‘The Intellectual and Cultural Rights of Tribal People in India’.

The webinar started with a brief introduction of the topic by Ms. S Swati Shet. It was then proceeded by welcome of all the dignitaries by the HOD of the Faculty of Law, Dr. K. Ch. Dalai. Ms. Alice Dey introduced the keynote speaker of the event. Dr. Shambhu prasad Chakrabarty started the webinar with the historical background of the Tribal Rights in India and its development. The speaker gave an elaborative understanding of what tribal rights are about and how they are impacted by various government policies and new regimes of intellectual property rights. He also gave an insight on the impact of societal norms on the traditional knowledge of the tribals. Moreover the speaker also highlighted the effects of modernisation and privatisation on the culture of tribal people.

There were more than 90 participants for the webinar. There was a question answer round also that quenched the zeal of the participants. Overall the event was very conversant and interactive. The event was very well concluded with a vote of thanks by Ms. Alice Dey.

### **Major Takeaways:**

- Expanded the least recognized legal issues of tribal rights in India

- Gave insight of various policies involving the traditional knowledge that revolves around the tribal society
- Informed about important international regimes regarding the recognition of traditional knowledge of aboriginals around the world

Getting a Proper Job is not a trick but a determined Process

• Degree & Education

• Work Experience

• Skill & Technical Knowledge

• Efficient Communication & Soft Skills

Proper Job

Anion Softech

You, aayog, Anion, 70 others

Why Skills are required

As a first step one needs to understand what do we mean by skills? A set of basic rules that are gained through learning or with direct experiences in life are termed as skills.

As per **Indian Express**, a minimum of eight million new job seekers enter the job market every year. But according to recent survey, 40% of Indian employers reported difficulties filling job vacancies due to talent shortage.

To get a Proper Job

### **Shaheed Veer Narayan Singh Chair**

#### **National Webinar on Inequality, Deprivation, Human Rights and Justice on the topic- The Socio-economic Impact of Lockdown and the Pandemic and the Road Ahead on 19<sup>th</sup> March 2021**

The Faculty of Arts and Humanities, Kalinga University organized a National webinar on 19<sup>th</sup> March 2021 under the Shaheed Veer Narayan Singh Chair. Shaheed Veer Narayan Singh was the first freedom fighter of Chhattisgarh. He was landlord from Sonakhan, Chhattisgarh. He was belonging to Gond Tribal community (later changed as Binjhar tribe). He served the deprived community in his region during the famine. He was hanged by British Army at 10<sup>th</sup> December 1857.

The Kalinga University setup the “Shaheed Veer Narayan Singh Chair” under the faculty of Arts and Humanities. The objectives the aware the people especially young generation about his sacrifice for the country, tribal welfare, encourage the education among the tribal community, encourage the tribal research to know the socio-economic status of tribal community in the region,

This National webinar was conducted on the theme on “Inequality, Deprivation, Human Rights and Justice.” The topic was “The Socio-economic Impact of Lockdown and the Pandemic and the Road Ahead”.

The speaker was Prof Arun Kumar (retired Professor from Jawaharlal Nehru University, New Delhi). The Webinar was chair by Prof. Joy Prakash Chowdhuri.

The National webinar provides an in-depth analysis of the effects of the COVID19 pandemic on Indian economy and especially the unorganized sector. It exposes the fault lines in India’s economy and society and suggests what needs be done to minimize the damage to the Indian economy and the rethink that is needed to see that such a crisis does not befall us in the future.

‘Desperate times call for innovative out of the box measures’ since the world is facing an unprecedented situation. What is so unusual about Coronavirus since viral attacks—H1N1, Ebola, Nipah, etc.—have occurred in recent years too? How did it affect India and the world? What are its socio-economic implications for India? What has India’s response been to Coronavirus? Is it essential to make a choice between ‘life’ and ‘livelihood’? How can India recover from the sudden economic shock caused by the pandemic and how long will that take?

According to Professor Arun Kumar, the lockdown has created situation never faced globally. The situation is worse than in World War or during the global Financial Crisis of 2007-09.

There is great specialization and division of labour. The supply lines greatly stretched so disruption is substantial. Now demand has fallen drastically, and supply has frozen.

The capacity redefined due to physical distancing. The marginalized more marginalized- unable to cope with crisis. It was hit by demonetization. GST, NBFC crisis and digitization. The unemployed are reserve army of labour- keep wage down. The vast majority do not get a living wage. The live-in uncivilized conditions- cannot cope with health crisis.

Last but not the least the marginalized section of society suffered a lot. They loose their livelihood so they suffered a lot. Prof Arun Kumar said that govt should give more priority to health sector, education sector and employment generation for a better life and sothat they could protect themselves from such pandemic situation in future.

The webinar was ended with the question answer session by the participants.

After that, the vote of thank was delivered by Chair Prof. Joy Prakash and the session was concluded.

Some Photographs taken during the National Webinar at Kalinga University, Raipur. Total 56 participants attended this prohram.

**Visit of International Delegates "U.S. Consulate General, Mumbai" at Kalinga University on 22<sup>nd</sup> April 2021**

Visit of International Delegates “U.S. Consulate General, Mumbai” at Kalinga University on 22nd April 2021 from the the University of Notre Dame (UND), the Climate Reality Project-India (CRP-India), and The Association for the Advancement of Sustainability in Higher Education (AASHE) are pleased to invite you to an exclusive panel discussion on “How University Campuses Can Help Fight Climate Change” on April 22 to celebrate Earth Day.

The United States and India have an outsized role in curbing the effects of climate change. University campuses in both countries contribute to the global fight against climate change not only through research, but also through sustainability practices on their own campuses. These carbon mitigation efforts not only reduce emissions, but also provide examples for their cities and communities, as well as forming sustainability practices that students take on with them long after they graduate.

Through the discussion, our panelists will share best practices for reducing emissions on campuses by increasing public transportation, utilizing clean energy, and increasing student and faculty awareness on sustainability practices. Our experts will discuss practical steps for colleges to fight climate change.

Opening Remarks by:

David J. Ranz, Consul General of the United States of America in Mumbai

Panel Discussion with:

Allison Mihalich, Senior Program Director-Office of Sustainability, the University of Notre Dame

Aditya Pundir, Director-India and South Asia, the Climate Reality Project-India

Meghan Fay Zahniser, Executive Director, The Association for the Advancement of Sustainability in Higher Education

Moderator:

Krupali Uplekar Krusche, Associate Dean for Research, Scholarship, and Creative Work, the University of Notre Dame

**Let's Celebrate Earth Day!**

**How University Campuses Can Help Fight Climate Change**

A panel discussion by the U. S. Consulate General, Mumbai in partnership with the University of Notre Dame (UND), the Climate Reality Project-India (CRP-India), and The Association for the Advancement of Sustainability in Higher Education (AASHE)

This discussion focuses on best practices for reducing emissions on campuses by increasing public transportation, utilizing clean energy, and increasing student and faculty awareness on sustainability practices.

Shippi Shrivastava is presenting

## "PLAGARISM"

- Plagiarism is a major problem for research. There are, however, divergent views on how to define plagiarism and on what makes plagiarism reprehensible. In this PPT we explicate the concept of "plagiarism" and discuss plagiarism normatively in relation to research. We suggest that plagiarism should be understood as "someone using someone else's intellectual product (such as texts, ideas, or results), thereby implying that it is their own" and argue that this is an adequate and fruitful definition.

## "PLAGARISM"

- Plagiarism is a well-known and growing issue in the academic world. It is estimated to make up a substantial part of the total number of serious deviations from good research practice.
- Given that plagiarism is perceived as a considerable problem for the research community, spelling out in some detail what is to count as plagiarism becomes a matter of pressing concern. The technical development of software for detecting plagiarism also raises questions: What degree of overlapping constitutes plagiarism, and is overlapping all that matters?

## Activity REPORT

### **A Seminar on Implementation of New Education Policy 2020 under AICTE Theme “Reinvigorating Human Capital Through Excellence In Education and Multilingualism” by Faculty of Technology on 1st May 2021**

Faculty of Technology, Kalinga University, New Raipur organized a webinar on virtual GOOGLE TEAM and YOUTUBE platform on the topic " **IMPLEMENTATION OF NEW EDUCATION POLICY 2020 UNDER AICTE THEME 'REINVIGORATING HUMAN CAPITAL THROUGH EXCELLENCE IN EDUCATION AND MULTILINGUALISM'** on May 1, 2020 at 11 AM which received an overwhelming response from about 50+ colleges and Universities all over India with large number of students and faculty members participation (280 on Google Team & 310 on YouTube platform. )

The Chief Guest for the event was Dr. R. Shridhar, Vice Chancellor Kalinga University who in his speech briefed about the importance of Human resource as the biggest capital investment and its excellent utilization through proper training, excellence in educational infrastructure, enriching workshops and implementation of NEP can bring about a great change to excel India as the best on knowledge platform.

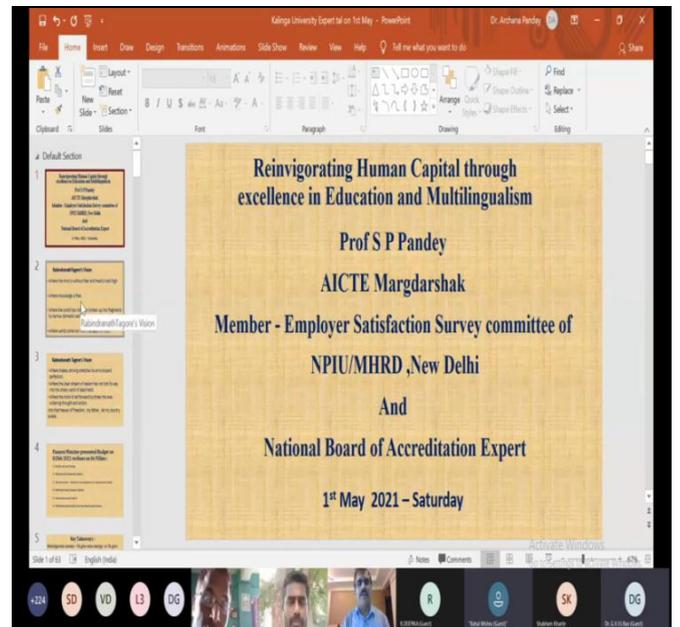

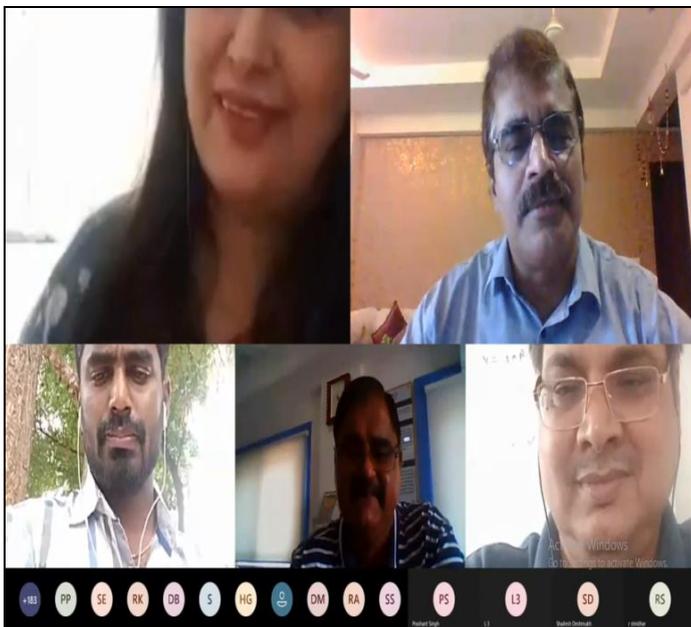

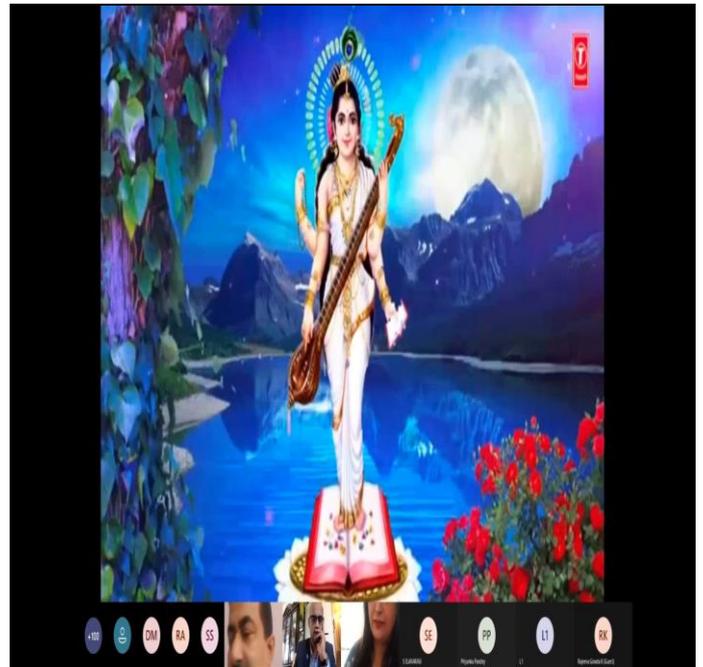

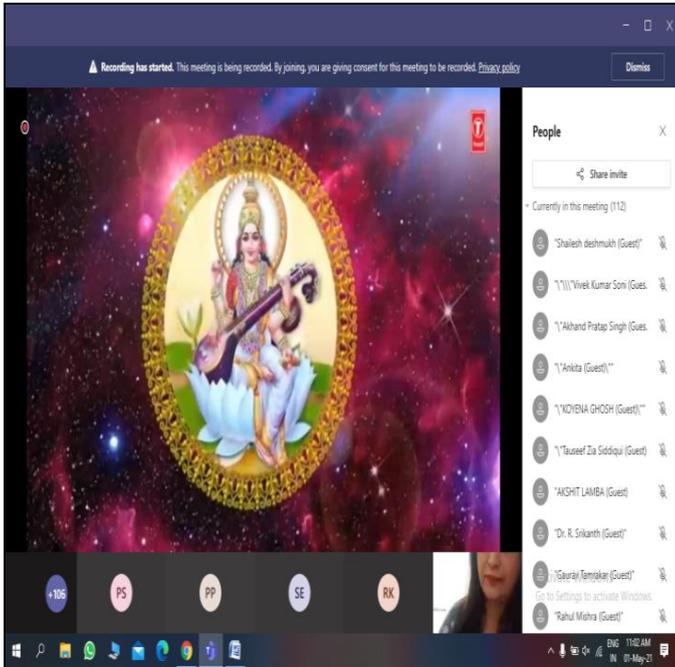

The Guest of Honour for the occasion were Dr Byju John, Director General Kalinga University and Dr. Sandeep Gandhi, Registrar, Kalinga University who in their messages conveyed the importance of the new National Education Policy that focuses on the idea of unlearning the learnt and adoption of latest techniques and teaching methods with open arms and unrestricted mindset. They conveyed that the new improved policy is pacing with the changing times which are demanded at the greatest level in the field to education to equip our scholars for future challenges. The NEP endeavors to make India as a biggest Knowledge Power in coming years.

The Key note speaker for the webinar was Dr Satyaprakash Pandey, Director REC Azamgarh and Additional Incharge GEC Mirzapur. In his speech he discussed and elaborately explored different aspects of the NEP and its implementation, especially in the field of Technical Education. In his speech he said that the main objective of NEP is not only bringing about revolution in thought process but also to bring about great changes in intellect, inner soul, actions and development of knowledge skills with human values. He also focused on the aspect of development of multidisciplinary universities and colleges, uniform fee structure, move of the foreign colleges to open campuses in India with encouragement of use of technology in education. In the second session a presentation was given by Dr. Tauseef Zia Siddiqui from SUSLENCE Research, Doha, Qatar which was much appreciated by all.

At the end of the program the Vote of Thanks was delivered by Mr. Rahul Mishra, Dean Academics Affair, Kalinga University who thanked to Management of Kalinga University and all the dignitaries, guest speakers and participants to spare their valuable time for the event. The programme was well organized and conducted successfully by Dr. Vineeta Diwan, Mr. Rahul Chawda, Mr. Honey Gaur, Mr. Shailesh Deshmukh, Mr. Gaurav Tamrakar and Ms Ankita Nihalani.

- Du.J.B.Ram was invited to the meeting.

## Essence of NEP 2020 : 1<sup>st</sup> NEP in 1968 ,2<sup>nd</sup> in 1988 and 3<sup>rd</sup> in 2020

- Students holistic development : Recognizing, identifying and fostering unique capabilities of students by 5+3+3+4 system.
- Multi-disciplinary system
- Empathize conceptual understanding
- Flexible learning environment
- Extensive use of technology
- Critical thinking and creativity
- Respect for diversity and local context- Multilingualism, Inclusion in curriculum, pedagogy and policy

## R squared Values , Dependent Variables : Enablers

Sl No	Enablers (Dependent Variables : Placement)	Importance
1	Quality of Faculty	0.738
2	Teaching - Learning Process ( Academic Process)	0.678
3	Leadership	0.619
4	Quality of Admission	0.601
5	Alumni Relations	0.407
6	Physical Infrastructure	0.332
7	Collaborations	0.307
8	Sport Activities	0.297
9	Cultural Activities	0.081

As evident from the earlier slide stacked column chart: Industries gave importance to grades of the students followed by project work of the students; the GATE Score was given least importance.

### Table - Basis of candidate's selection by industry domains as per FGD

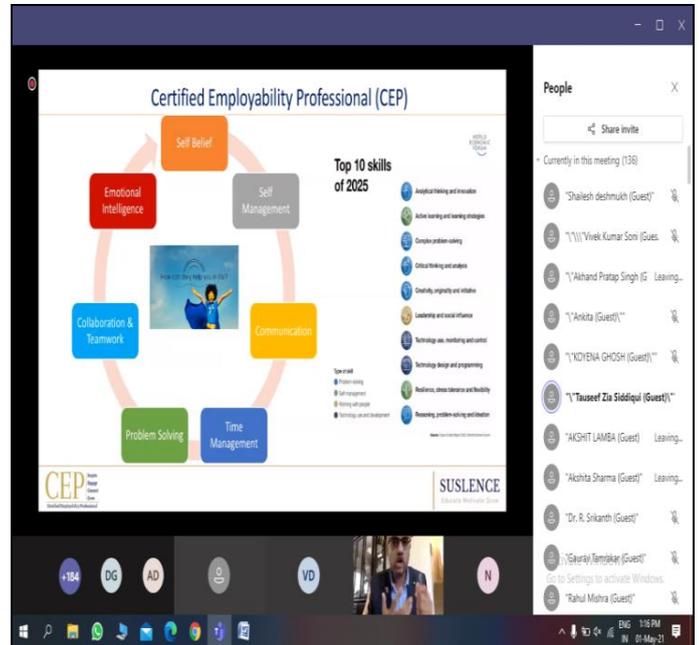

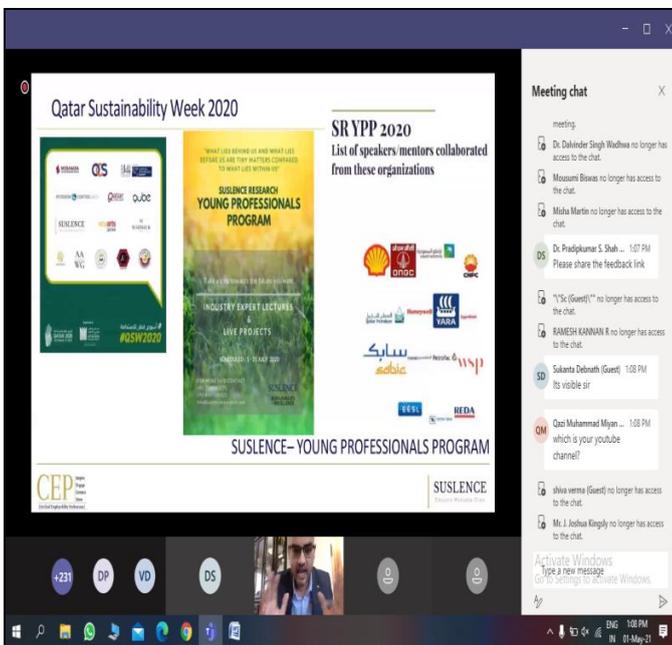

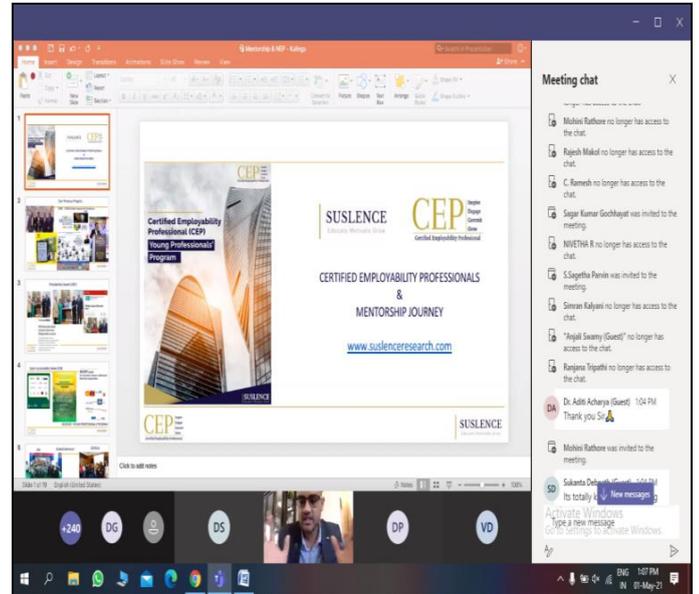

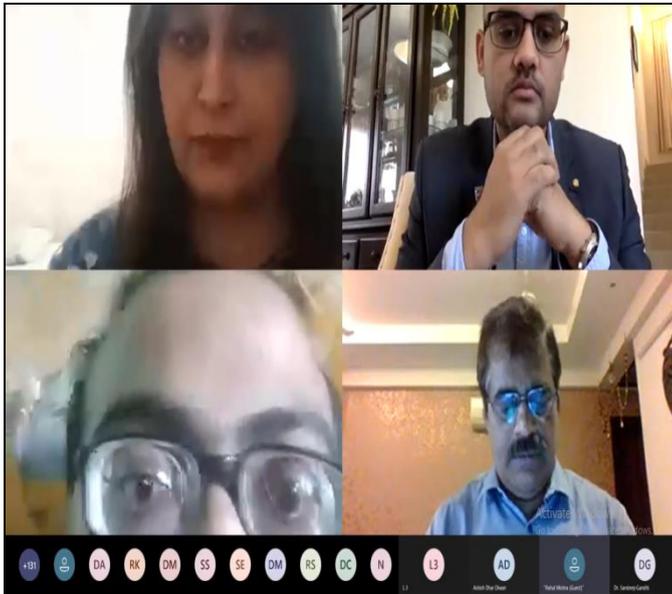

Sectors	Group Discussion Perspective
IT/ITes	Fast learners, Proper knowledge of skills like programming language, JAVA, etc.
Mechanical	Technical Skills, Relevant Internships
Civil	Industry Exposure and Relevant Internships
Electrical/Electronic	Technical skills, Practical knowledge, Experience and exposure

## **Mathematics workshop on “How to solve Optimization Problems using Excel Solver” by Department of Mathematics on 06-05-2021**

Mathematics workshop was organized by department of Mathematics on “How to solve Optimization Problems using Excel Solver” on 06-05-2021. The keynote Speaker “Dr. G.V.V. J. Rao” explained the Excel solver by taking a problem from linear programming from, Simplex method. MSc. 2nd and 4th semester students including faculty members of Mathematics Department participated and they

appreciated the workshop. In a short time, more than 24 students solve the optimization problem with two decision variables, and they enjoyed very much.

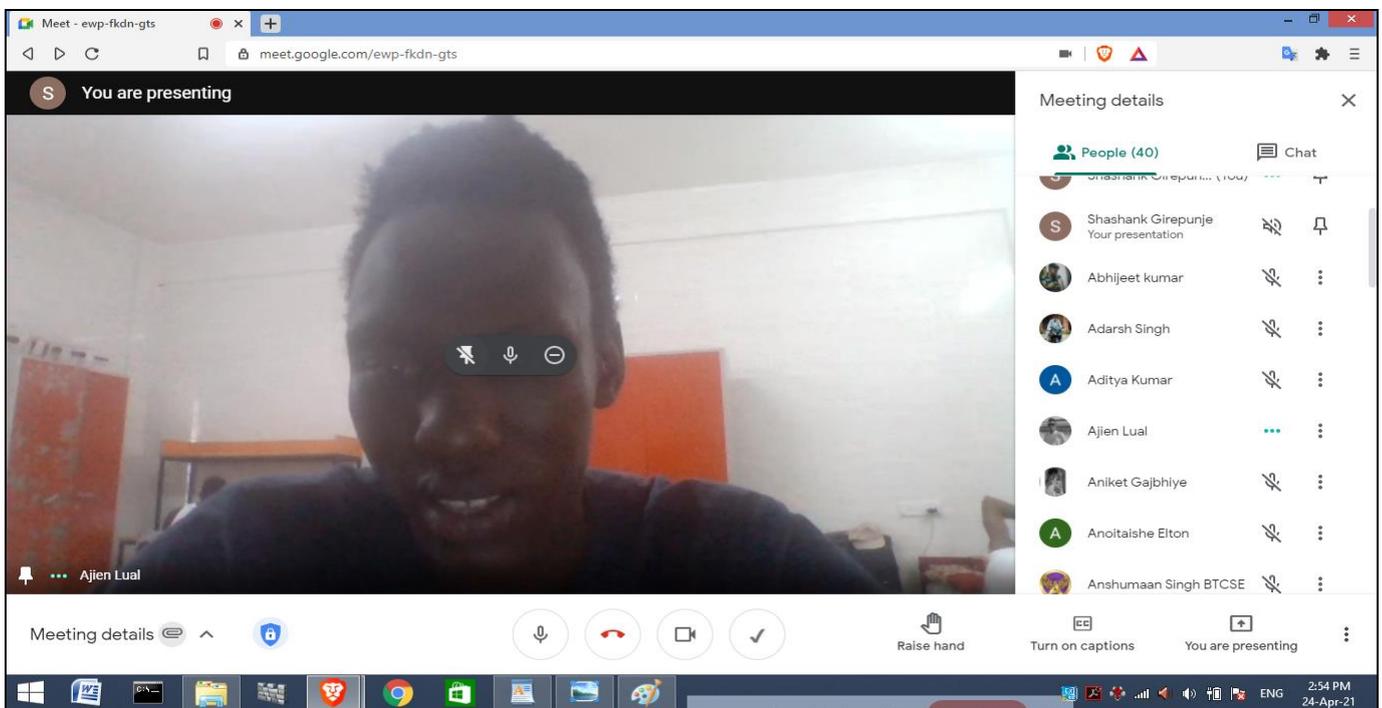

**Screen Shots:**

**Departmental activity “ARTICLE WRITNG” by Department of Applied Science on 7<sup>th</sup> May 2021**

The Applied Science Department was organized a contest on “ARTICLE WRITNG” on 7<sup>th</sup> May 2021. All students have actively participated in contest. It was excellent and useful activity and students learnt how to write an article. The topic was taken from the current affairs as follows:

- COVID 19 DISEASE
- DIGITAL INDIA
- IMPACT ON SOCIAL MEDIA More than 34 Students attended this acivity.

## **Workshop on “Vegetable Printing” Conducted by Department Fashion Design on 08-05-2021**

A creative workshop on Vegetable printing was conducted by Department of Fashion Design, Kalinga University, during this Pandemic situation, and Lockdown condition, to bring out some creativity while staying at home and using vegetables to create some innovative effects.

The workshop was conveyed by Kapil Kelkar (HoD. fashion design dept), and the practical demonstration of the workshop was given by Mrs. SmitaPremanand (Assistant Professor Fashion Design dept)

They demonstrated effects of different vegetables like – Potato, Onion, Lady Finger, Bitter gourd, Capsicum, Cabbage, Green Chilly etc to produce some interesting effects on paper as well as fabric.

The process of block printing was also told along with the use of this art on various mediums to create innovative products.

Approx. 50 participants attended this workshop online.

## Webinar on Career Opportunities in Commerce & Management After XII on 22<sup>nd</sup> May 2021

Today we had a webinar conducted by Marketing Team on Career Opportunities in Commerce & Management after 10+2 where we have received 210+ registrations from India & 7 different countries and 110 + students have attended the session.

Overall it was a wonderful session where student interacted very well with the speaker. They have participated very well.

My sincere thank goes to Naga Ramani Mam for conducting the session and also wants to thanks Vineeta Diwan Mam who was the master of Ceremony.

I would like to appreciate Lavanya , Shreya, Khushboo and Neha Chawla for wonderful coordination with students.

Overall session was very smooth.

With the help of Abhilasha mam we have promoted the event in targeted areas, and Himanshu helped us to provide e Certificates to all the participants.

We have also provided pre press release of the event.

Sharing some of the photographs with you

Faculty of Arts & Humanities, Kalinga University in collaboration with English Language Teachers' Association of India organized a National Webinar for all students and faculties of the institution and other institutions. The event took place on 22nd May, 2021 from 11:00 am to 1:00 pm at the online platform of Microsoft Teams. The Key-note speaker for the event was Dr. Prantik Banerjee, Associate

Professor, Hislop College, Nagpur(Maharashtra). It was attended by 67 participants from all over India. The webinar commenced with the welcome address delivered by Ms. Anurima Das, faculty of English. Following which Dr. R. Sridhar (VC, Kalinga University) and Dr. M.S. Mishra (Dean, Faculty of Arts & Humanities) addressed the gathering with their words of motivation. Further, the gathering was addressed by Dr. Sativa Singh (Patron ELTAI, Raipur Chapter) who enlightened the participants about ELTAI and its activities under the Raipur Chapter. Following this, Dr. Shilpi Bhattacharya, Faculty of English, Kalinga University and President, ELTAI Raipur Chapter, introduced the key note speaker and requested him to commence with the session. Dr. Prantik Banerjee delivered an intellectually enlightening session about representation of a pandemic or pandemic like conditions in literature and films. He talked at length about Post-Apocalyptic Fiction and how the masses are effected by the “Ecology of Fear” created by certain fictional texts or films. Dr. Banerjee elaborated about the general atmosphere of the recent pandemic by referencing certain films like The Contagion etc. which have predicted the situations which were likely to arise in the future. The session was followed by a question-answer session between the keynote speaker and the participants where many thought provoking questions were asked and answered. The program concluded with a ‘Vote of Thanks’ delivered by Dr. M.S. Mishra.

**National Webinar on " Join Hands to Save Environment" on World Environment Day on 5<sup>th</sup> June 2021**

**NSS UNIT and GREEN CLUB of Kalinga University cordially invite you to a webinar on "Join Hands To Save Environment" for celebrating "World Environment Day"**

Date: 05<sup>th</sup> June 2021

Time: 11.30am -12.30pm

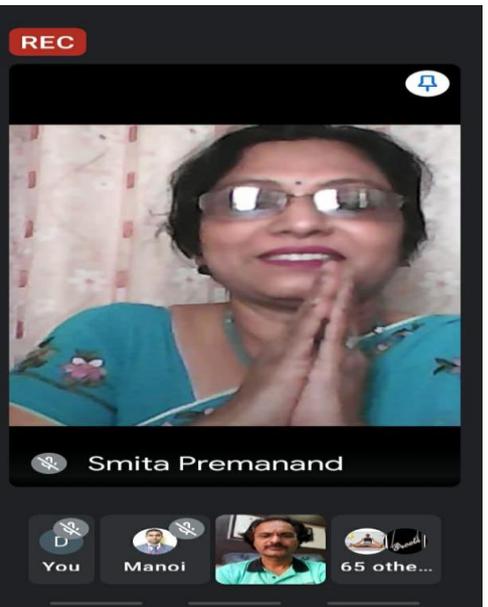

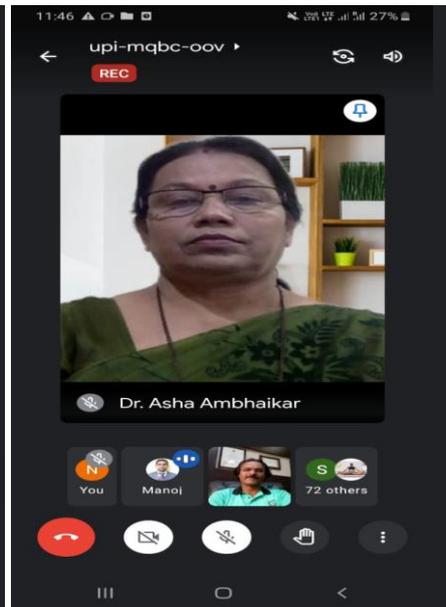

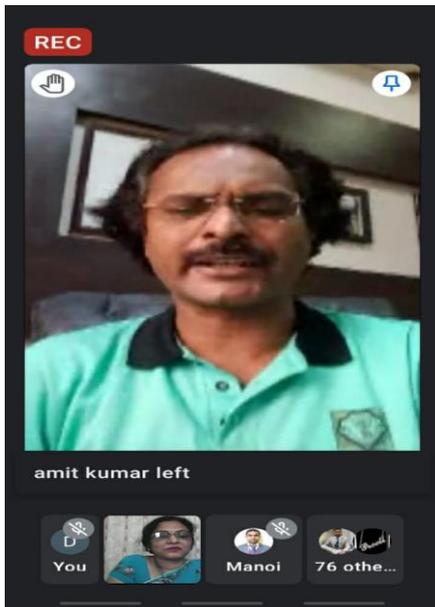

Total no. of Participants: 80

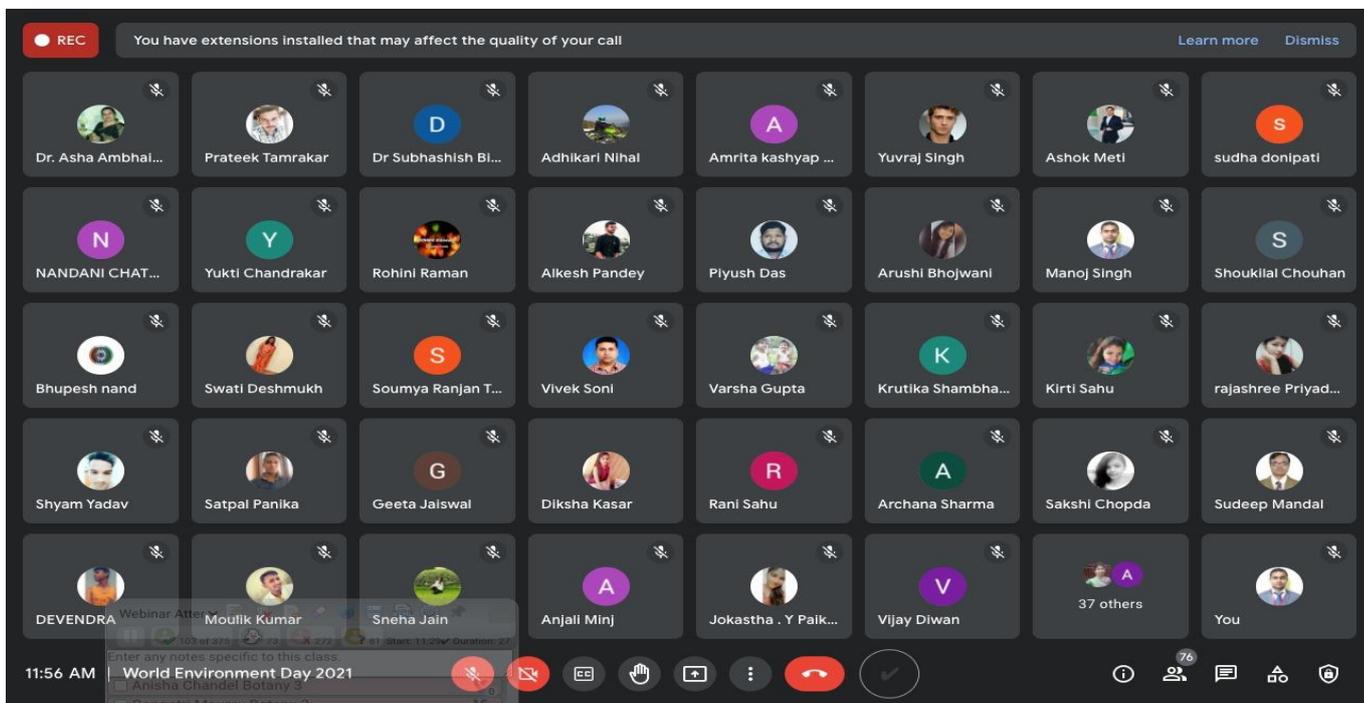

World Environment Day was celebrated cumulatively by NSS Kalinga Unit and Green Club.

The invited speaker for the event was Mr. Amitabh Dubeya Chartered Accountant by profession and an Environmentalist by heart. He has enormously contributed in the field of water conservation. The theme of the webinar was Join Hands to Save Environment. The theme was very well supported by the talk of Mr. Amitabh who gave emphasis on cumulative effort of the society for bring any change.

He motivated the participants of the webinar for a sustainable living. Gave emphasis on plastic free society. He oriented the participants with his wide practical knowledge. He cleared many doubts of the participants. Participants heartily conveyed their regards in the form of feedback shared in the chat box.

At last, the vote of thanks to Mr. Amitabh Dubey was given by Dr. Asha Ambhaikar, Dean of Student Welfare, Kalinga University for spending his valuable time with us and gave a brief knowledge about the importance of conservation of our environment. We are also thankful to our Management for encouraging us to organize such events.

## A Report on

### 7th International Day of Yoga

#### A National Webinar on “Influence of Yogic Practice on Health and Fitness”

21st June 2021

Kalinga University, Naya Raipur proudly organized the National Webinar on “Influence of yogic practice on health and fitness” On the occasion on 7<sup>th</sup> International Day of Yoga on 21<sup>st</sup> June 2021. It was jointly organized by the Department of Sports and NSS Unit Kalinga University.

This year due to the widespread pandemic, large gatherings were not possible and also not allowed. Covid - 19 was already taking a huge toll on us but we decided to

celebrate yoga day virtually. This year's theme for world yoga day was "Yoga for well being".

The Inaugural function commenced with the customary felicitation of the guests followed by the Prayer. Dr. Rakesh Bharti, Associate Professor & Director Sports, Kalinga University presented the welcome note to the guests, invited speaker and the participants.

Mrs. Sumita Premanad, Assistant Professor & NSS Officer, Kalinga University Co-Convener of the Webinar briefed about the theme of the webinar.

### **About Speaker:**

Dr. Anagha Deshmukh , Yoga Expert from Amravati Maharashtra.

Dr. Anagha Deshmukh began the session by asking everyone to meditate for a few minutes. Following this, Dr. Deshmukh gave a wonderful presentation that revolved around unraveling the true meaning of Yoga, analyzing the effect of the current situation on our lifestyle, and understanding the importance of Ashtang Yoga in alleviating the negative impacts of Covid-19 on our overall health and well-being. She clearly stated that this unprecedented pandemic has caused boundless unfavorable behavioral changes in every individual and only Yoga is the key to deal with these adverse changes effectively. She ended her presentation with a "Shanti Prarthna" hoping for peace everywhere.

### **Vote of Thanks**

The interactive webinar concluded with a vote of thanks by Convener ,Dr. Asha Ambhaikar, Professor, Dean Student Welfare Kalinga University.

**Feedback Summary:** After the webinar, we circulated the feedback form to which we received 360 responses from more than 10 institutions all over the country and from abroad.
