ABOUT THE UNIVERSITY

The Kalinga University, is a premier Institute for Higher Education and Research in the country. It is established under Chhattisgarh Private University (Establishment and Operations) Act 2005 and under section 2 (f) of UGC Act 1956. Situated in New Raipur, Sector 30, Kalinga University offers a lush green eco friendly campus with a conductive learning atmosphere rich in peace and serenity, which eventually turns the educational wheel and cognitive processes.

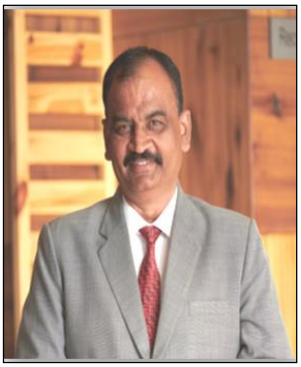

With an elite academic experience Kalinga University pushes the boundaries of knowledge by providing an interactive cross cultural campus accommodating students not only from India but more than twenty countries of the world which include South Korea, Tanzania, Sudan, Malawi and many more. Kalinga University provides world class infrastructure with well equipped labs having all the advanced resources and equipments to offer an excellent learning atmosphere to the students. It offers the highest quality of academic experience with a teaching staff repertoire of best teaching practices, reflective, collegial and rich in problem solving with emphasis on originality. Our outstanding and responsive support is actively available to the student's right from the initial stage of their transition to University life till the accomplishment of degree and placement.

Our academic standards are high with an International campus unparalleled in the country. It is a matter of great proud for us to see Kalingites excel with a flourishing career graph in the global atmosphere. We firmly believe in the motto of Father of our Nation, Mahatma Gandhi who expressed -

"Live as if you were to die tomorrow, Learn as if you were to live forever..."

MESSAGE FROM THE CHAIRMAN

As Kalinga University completes another year (2022-23), I am filled with pride and happiness, and express my gratitude to God Almighty for helping us come full circle. Indeed, it has been an eventful journey since the inception of the university back in 2013. Today, we may proudly say that what began as a dream has successfully made its mark in the city's blooming education sector. Indeed, the university shines brightly among all other top educational institutions of Chhattisgarh. It is in no small part, a contribution of the able leaders, teachers and parents who work in sync to ensure the very best learning environment for the heart and soul of the school – its children.

It is very heartening, therefore, as Chairperson to see our efforts bear fruit. Truly, I applaud the faculties, who have helped the students perform admirably, as well as for their able guidance and supervision, that continue to transform Kalinga and lead it onwards to new horizons.

It has indeed been an eventful year, replete with a plethora of activities and events that celebrate the spirit of learning, growth and creativity. All these events contribute to the holistic development of the students, who are able to hone their talents and channel their energy into productive, creative work. This remains our belief at Kalinga, that students can achieve their full potential only when they are given free rein to their innate talents.

Once again, I praise the entire management, staff and student body of the University for their Achievements. I pray that God showers each one of us with His divine grace and blessings.

Dr. Rajeev Kumar
Chairman

MESSAGE FROM THE CHANCELLOR

It is really a subject of satisfaction for all of us that Kalinga University has made constant progress in a comparatively short time frame in conditions of growth of its physical system and academic programs. The University offers graduate and post graduate courses. Focused on promoting academic quality and socially relevant education, the University has made all attempts to meet up with the nationwide and global benchmarks. We have an extremely dedicated and responsive administrative and teaching staff. We offer great value to interactive learning and two-way communication technique, thereby making the learning environment genuine and reactive. With professors who are recognized experts in their field, it creates an environment that combines that best of pedagogy with an encouragement to ask and be curious. A key area of the learning experience is exactly what students do beyond their classrooms. Keeping this at heart, the hostel facilities in the University premises have been made with utmost care so that students can feel secured and relaxed. I request you to get ready yourself for the opportunities of the new life at our University using its educational offerings and skills in proving as well as growing areas.

I wish you all the good luck.

MESSAGE FROM THE VICE CHANCELLOR

Kalinga University will encourage you to challenge and stretch yourself in ways you might not yet think possible. Your degree from Kalinga-combined with the huge variety of opportunities and activities on offer here and with the experience of this vibrant city will transform your sense of your own possibilities as a highly employable person and as a responsible citizen.

Kalinga University is dedicated to nurture students who will contribute to society by advancing knowledge and imparting it to new generation of students. In a world where change is inevitable, only one thing is certain i.e Knowledge. It will surely be a key resource and will be highly sought after, within India and around the globe. Our focus is to generate the intellectual property which will create new jobs and to educate and train people to work in fields having potential for growth of their specialized knowledge and for their ability to research, communicate and solve problems. They hope to play a central role in making your experience as productive and rewarding as possible.

Looking around the University's beautiful and peaceful campus, it is easy to nurture the creative buds of our students so that they can open their wings and can fly high to achieve greatest heights. As they believe it is possible for each and every one of us to make a difference with our efforts and vision.

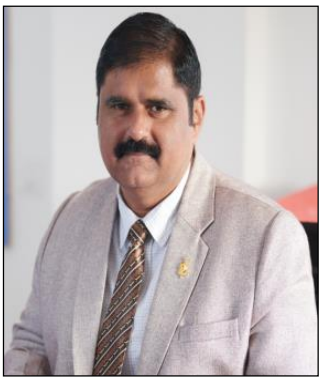

Let's strive to keep excellence, integrity, accountability, respect and service in mind throughout the academic year and pursue a common goal in and outside the classroom. It will open a myriad of opportunities for all of us truly to shape the world.

I wish you all the best for future career as students of this University. Affectionately……

MESSAGE FROM THE REGISTRAR

At the Kalinga University, we know our students want more than a traditional university degree. They want desire education that prepares them for a global future – a future that demands critical thinking, innovation and resourcefulness.

At the Kalinga University, we believe every future matters. This belief fuels the experience we offer our students. We believe in innovation as a pathway to success. Innovation propels societies forward, improves lives, spurs discovery and advances higher knowledge.

We are big enough to offer a global education and to embrace world-class research. We know our students want to be innovators – they want an engaging education that positions them for success. They know the classroom is important but also believe, as we do, that there is an enriching education to be had outside the lecture hall. At Kalinga University, we've helped our students launch highly successful companies. Our faculty members are passionate about helping their students succeed, while maintaining excellence in research. Our students channel that passion into a determination to seize the opportunities available to them and create their own future.

We know that students today are looking for more than just a traditional university degree. At Kalinga University, they find an education focused on mentorship, collaboration and discovery. They find the support and framework to believe in them, take chances and be a force for positive change. These experiences build a more complete educational experience, and they strengthen our province as a whole. Our global connections bring together students from around the world. Our network continues to spread internationally. I'm incredibly proud to be a part of Kalinga University. I hope you are, too.

OUR VISION AND MISSION

OUR VISION

Kalinga University aims to be an outstanding institution for Talent Development and Knowledge Creation for a vibrant and inclusive society.

OUR MISSION

The primary purpose of Kalinga University is to provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will ensure the survival of future generations and improve the quality of life for all. The University seeks to help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development.

To fulfill our mission, we:

1. Offer broad and balanced academic programs that are mutually reinforcing and emphasize high quality and creative instruction at the undergraduate, graduate, professional and postgraduate levels.
2. Generate new knowledge through a broad array of scholarly research and creative endeavors, which provide a foundation for dealing with the immediate and long-range needs of society.
3. Achieve leadership in each discipline; strengthen interdisciplinary studies, and pioneer new fields of learning.
4. Promote the use of new technologies in Teaching and Research.
5. Inculcate right values in students for their holistic development.

Details of Program:

Kalinga University is the reputed educational institution of Central India. Which believes in providing quality better education as well as fulfilling its social responsibilities. Keeping this objective in mind, on the occasion of National Doctor's Day, eight doctors were honored by Kalinga University by giving shawls, quince and emblems after discussing the wonderful contribution of doctors.

It is to be known that on the birth and nirvana day of Dr. Vidhanchandra Rai, the great doctor of India, Doctor's Day is celebrated by Kalinga University on July 1 every year. Chancellor Dr. A. Vijay Anand said that the biggest religion is to serve humanity.

Without caring about their lives, doctors and medical personnel are engaged in the service of patients. Today, he is feeling proud by respecting the doctors.

Coordinator of the Young Indian Branch of the University and Assistant to the Department of Civil Engineering. Expressing gratitude to the doctors, Professor Ms. Swati Agarwal said that the doctor has been given the status of God. Millions of lives have been saved due to the doctors during the Corona period. Due to the sympathetic and tolerant behavior of the doctor, the patient becomes half cured.

After this event, Dr. Shailendra Agrawal, Assistant Director, Ministry of Health, Naya Raipur, Dr. KS Rai, Block Medical Officer of Arang Block, Dr. Manish Srivastava, Homeopathy Doctor, Dr. Neeta Sharma, Dentist Dr. Virendra Matawale, Dr. Sanjay Naval of Rakhi Hospital, Dr. RK Srivastava of Naya Raipur, a well-known doctor and Dr. Nikhil Morirmani were honored by visiting their workplace.

Ms. Swati Agrawal and Dr. A. Vijay Anand conducted the above felicitation ceremony organized in the university. Many professors were present along with the nursing staff of the university, staff of the medical room and students of the hostel.

Talent Promotion Ceremony 2022 / Kalinga University honored meritorious students

Raipur. For the last 8 years, Kalinga University has been motivating and honoring meritorious students to move forward in the field of higher education. In this harmony this year also Kalinga "Talent Promotion Ceremony 2022" was organized on 23rd July in the University campus. The chief guest in the program was Manivasgan S, DGM of Laghuvanopaj Sangh, BEO of Abhanpur Michael Minz, motivational speaker and mind memory trainer Avadhesh Patel and guest speaker corporate trainer coach Rajkumari Raghavani were invited.

In the beginning of the program, Dr. Sandeep Gandhi, Registrar of Kalinga University welcomed all the topper students, as well as apprised them about Kalinga University. Registrar Dr. Sandeep Gandhi told that Kalinga University started its first academic session in 2013. In a very short time, Kalinga University has become one of the state's private universities.

Made it to the number one position. Not only this, in the ranking of NIRF-2022, Kalinga University is the only university in the state of Chhattisgarh which has been included in the list of 101-150 among higher educational institutions. In the program **"Pratibha Protsahan Samaroh 2022",** 22 students who secured top 10 position in the list of meritorious students who passed in class 12 of Chhattisgarh Board Examination were felicitated.

In Chhattisgarh Board 12th class, Kunti Sao brought laurels to the state by topping it with 98.20 per cent marks. Kalinga University gave Kunti an amount of 15 thousand in Kalinga 100 ע scholarship to be provided in the tuition fee under the undergraduate course in the university, and the certificate to Kunti was also given. At the same time, Khushboo Wadhwani was second with 96.40% marks and was announced to be awarded a 100% scholarship in Kalinga University under the undergraduate course in the amount of 12,000 with a certificate. With 95.80 percent marks, Renuka Chandra has obtained the third place in the state, to whom Kalinga University has announced to provide a 100 percent scholarship in the tuition fee under the undergraduate course in Kalinga University with an amount of 10 thousand and has also given a certificate. Kalinga University has announced to encourage the students to provide 100 percent scholarship in the tuition fees under the undergraduate course in Kalinga University with an amount of 5 thousand to the top 10 students, and certificates were also given to all the students. 22 students were included in the top 10.

During this time, the main guests also encouraged the students. Motivational speaker Avdhesh Patel gave many tips to students to increase their subconscious memory. From all students, they got two marks and wrote them together on the white board, which was about 40 marks, He showed his memory power by speaking in front of the students without seeing the whole number. He read all the numbers in the opposite direction without even seeing them, and he told the students that they didn't see any of the two numbers in front of them. by this He displayed his memory power which was admired by all the audience and students. At the same time, Kalinga University was described as the pride of the state, where students from abroad also come to take education.

At the end of the program mementoes were given to all the guests. Parents and guardians of the students were also invited in this program.

During this, students were given a tour of the Kalinga University campus as well as arrangements for refreshments were made.

Details of Program:

A webinar on the occasion of "World Hepatitis Day"was held on 29/07/2022 i.e. Friday through Google Meet's link. The inaugural of webinar started at 2.00 PM in which the eminent Speaker was **Dr. K. Srinivasa Rao (Assistant Professor, Department of Pharmacy, Indira Gandhi National Tribal University, Amarkantak, M.P).** The webinarwas attended by students of M.P harma, B. Pharma and D. Pharma.

Dr. K. Srinivasa Rao is presently holding position of Assistant Professor, Department of Pharmacy, Indira Gandhi National Tribal University, Amarkantak, M.P). He completed his Doctorate in Science and Ph. D from Berhampur University, Berhampur, Odisha. Sir has more than 16 years of teaching and research experience at different levels like Principal, Professor, Associate Professor, Asst Professor/Lecturer in PCI recognized institutions. Procured grants from AICTE, DBT etc., and published several publications in national and international journals. Research conducted by sir was based on the areas Impurity profile studies, Drug stability studies, isolation and identification of constituents from plant origin.

The webinar was based on creation of awareness to honor the struggle of patients suffering from the disease. Dr. K. Srinivasa Rao spoke on the overview of Hepatitis, treatment aspect of the disease, their types, precautions, complications involved in the disease. The talk was focused on the change in our food habits as a precautionary measure for the disease. Even after the advancement of medical science the treatment for the chronic hepatitis includes administration of antiviral drugs which in turn also have extreme side effects. The major challenges faced in discovery and formulation of treatment for chronic Hepatitis includes the changing features as overall updated population-based epidemiological studies of viral hepatitis in most Latin American countries are still a significant challenge. This barrier is crucial to define health policies in the region. Other challenges explained by the speaker included diagnosing HCV infection is that it is often asymptomatic and that individuals seek medical attention only when they develop symptoms or signs of liver disease. Apart from the challenges linked to the disease and its diagnosis, new drug discovery play a major role as the hurdle for treatment of Hepatitis. As explained, newer drug discovery takes in huge monetary investment as well as time aspect, even after which the chances of success is uncertain. Another important point included by the expert was based on the need of an alternative medication based on Ayurveda and plant based medicament. As Ayurveda have been practiced and tested for various disease treatment since ages, owing to a need to develop phyto-pharmaceuticals for treatment for diseases including Hepatitis. Supporting requirement for the need for

plant based medicament are the reduced side effects found in case of plant based medication. The talk included about the explanation about drug development process.

The webinar was ended up with the vote of thanks by Dr. Sandip Prasad Tiwari (Principal) Faculty of Pharmacy and the organizer of the webinar. He mentioned the special thanks to management committee of Kalinga University, speaker of the webinar Dr. K. Srinivasa Rao, Mr. Pranjul Shrivastava and Ms Shristi Namdev as the coordinator along Mr. Sudeep Mandal, Ms. Rajni Yadav, Mr. Deependra Soni, Ms. Khushboo Gupta and Mr. Saurabh Sharma, as organising committee.

कलिंगा विश्वविद्यालय के फार्मेसी संकाय के द्वारा विश्व हेपेटाइटिस दिवस पर वेबिनार का आयोजन

रायपुर , 30 जुलाई। कलिंगा विश्वविद्यालय के फार्मेसी संकाय द्वारा ''विश्व हेपेटाइटिस दिवस'' के अवसर पर 29 जुलाई को वेबिनार का आयोजन किया गया। उक्त वेबिनार में मुख्य वक्ता के रूप में इंदिरा गांधी राष्ट्रीय जनजातीय विश्वविद्यालय, अमरकंटक (म.प्र) के सहा.प्राध्यापक डॉ. के. श्रीनिवास राव उपस्थित थें।

उक्त वेबिनार में उपस्थित मुख्य वक्ता ने बताया कि''विश्व हेपेटाइटिस दिवस'' मनाने का मुख्य उद्देश्य वायरल हेपेटाइटिस के वैश्विक संकट के बारे में जागरूकता पैदा करता है। 1967 में नोबेल पुरस्कार विजेता वैज्ञानिक डॉ बारूक ब्लमबर्ग द्वारा हेपेटाइटिस बी वायरस की खोज की गयी। उस वायरस के उपचार के लिए वैक्सीन विकसित की गयी।

यह मानव स्वास्थ्य के क्षेत्र में एक ऐतिहासिक घटना है। डॉ. के. श्रीनिवास राव ने हेपेटाइटिस, बीमारी के उपचार के पहलू, उनके प्रकार, सावधानियों, बीमारी में शामिल जटिलताओं के बारे में बताया। बीमारी के लिए एहतियाती उपाय के रूप में हमारे भोजन की आदतों में बदलाव पर बात की गई थी।

चिकित्सा विज्ञान की प्रगति के बाद भी पुराने हेपेटाइटिस के उपचार में एंटीवायरल दवाओं का प्रशासन शामिल होता है जिसके बदले में अत्यधिक दुष्प्रभाव भी होते हैं।

क्रोनिक हेपेटाइटिस के उपचार की खोज और निर्माण में आने वाली प्रमुख चुनौतियों में बदलती विशेषताएं शामिल हैं क्योंकि अधिकांश लैटिन अमेरिकी देशों में वायरल हेपेटाइटिस के समग्र अद्यतन जनसंख्या–आधारित महामारी विज्ञान अध्ययन अभी भी एक महत्वपूर्ण चुनौती है। यह बाधा क्षेत्र में स्वास्थ्य नीतियों को परिभाषित करने के लिए महत्वपूर्ण है।

मुख्य वक्ता के द्वारा द्वारा बताई गई अन्य चुनौतियों में एचसीवी संक्रमण का निदान करना शामिल रहा। उन्होंने बताया कि इस रोग के लक्षण प्राय: दिखायी नहीं पड़ते हैं और यह कि व्यक्ति केवल तभी चिकित्सा की तलाश करते हैं जब वे लक्षण या यकृत रोग के लक्षण विकसित करते हैं।

बीमारी और उसके निदान से जुड़ी चुनौतियों के अलावा, नई दवा की खोज हेपेटाइटिस के इलाज में बाधा के रूप में एक प्रमुख भूमिका निभाती है।

Industrial Visit to TRENDZ Designer Store, Shankar Nagar, Raipur by Fashion Design Department on 6th August 2022

On 6th August 2022, Fashion Design Department of Kalinga University, had an Industrial Visit to TRENDZ Designer Store, Shankar Nagar, Raipur, as a part of their market knowledge series, where students along with Kapil Kelkar – Head In charge Fashion Design Dept visted the store. The store is owned by Mr, Gaurav Meghwani & Mrs. Kavita Meghwani. The store manager Ms. Abhilasha provided us with all the required information and answered the queries of students during the visit. In trends there are around 36 designers from all around India, including Anamika Khanna, Pundrik saha and many more, who provide their designer stuffs at the store.Store deals with all kinds of garments ranging from festive, to wedding, indo western to casual etc. and price range starts from 1000/- to maximum of 80000/-.

Students then intercated with Ms. Abhilasha and asked many questions about the store, its employees, annual turnover, color combinations, patterns, sourcing etc. it was highly knowledgable visit to provide the students understanding for store management and designer garments handling and sourcing.

- Students should be able to understand the practical aspects of store management.
- They should be able to understand the working of boutique, layout, departmental work, job profiles of designer store.

Seminar and story recitation on the 'Premchand's literature and today's time' by Hindi Department on 8th August 2022

Department of Hindi, Faculty of Arts and Humanities of Kalinga University organized a one-day seminar and story recitation on the topic “Premchand's literature and today's time”. In which senior Hindi litterateur and registrar of Kushabhau Thackeray Journalism University, Dr. Anand Bahadur was present as the keynote speaker.

The program was inaugurated by Dr. Asha Ambhaikar**,** Dean of Student Welfare of Kalinga University, Dr. Shilpi Bhattacharya, Dean of Faculty of Arts and Humanities, Dr. Vinay Chandra Jha, Dean of Faculty of Engineering, Dr. Sunil Kumar**,** Head of Department of Electronic Engineering, Department of Fashion Designing. It was done in the presence of Dr. Smita Premanand and Head of Hindi Department Dr. Ajay Kumar Shukla. Dr. Anand Bahadur said that “Katha Samrat Premchand used to pick up his characters and plots from common life. Farmers and laborers were the main characters in his works. Through his compositions, he has seriously highlighted all the evils and problems of India. Premchand's literature is timeless and will always be relevant for our society.” Premchand's literature is the literature of struggle and determination.

The chief guest recited the story of his famous story 'Seeti'. After that, in the student-guest dialogue, **Dr. Anand Bahadur,** while discussing the art of writing, importance of literature, etc. urged the youth to inculcate the habit of reading before writing. Literature gives direction to the society, but in this age of social media, today contemplation with writing has become very less.

The organization of the event was done by mass and journalism department professors **Mrs. Shreya Dwivedi** and **Mr. Rajkumar Das**. While the vote of thanks and gratitude was done by **Dr. Shilpi Bhattacharya,** Dean of the Faculty of Arts and Humanities

'Alternate Dispute Resolution' by Faculty of Law on 8th August 2022

An interactive introductory session was conducted by the Faculty of Law, Kalinga University, on the subject, Alternate Dispute Resolution on August 8, 2022, in order to augment the knowledge of students on ADR and its techniques, as it is an integral part of legal education.

In the presence of the Faculty of Law, the session commenced with an introductory speech by the Dean of the Department of Law, Dr. Tufail Ahmed Khan. Perceptive inputs were made by him, making the beginning of the session more insightful.

Ms. Nisha Nandini and Mrs. Saloni Tyagi Shrivastava introduced the students to the different methods of ADR, i.e., arbitration, mediation, and negotiation, and briefed them on the basic conceptions of the same. Mrs. Saloni then discussed the negotiation and its procedures.

In the whole session, the importance of "*out of court settlement*" in the Indian judiciary was highlighted immensely.

A participative activity was arranged by the faculties where mock sessions of arbitration, mediation, and client counseling were taken and students were asked to volunteer the session being parties and counsel and were enjoined to perform their duties according to their assigned roles on given facts as already briefed in the extensive session. This provided the would-be lawyers with first-hand work experience and opened a new arena of skill and thinking prior to approaching the professional world.
The total number of students who participated in this session was 40.

Details of Program:

The 75th Independence Day was celebrated at the Kalinga University Campus, Naya Raipur with great enthusiasm on Monday, August 15, 2022. The celebration was part of '75th Azadi Ka Amrit Mahotsav' which is an initiative of the Government of India to celebrate 75 years of progressive India and remarkable achievements by Indians in all spheres of human endeavour.

Chief Guest on the occasion was Dr R Shridhar, Vice Chancellor of Kalinga University, he hoisted the National flag in presence of Dr Asha Ambhaikar, Dean Students Welfare, Dean and Head of Departments, faculty members and large numbers of students. Rich tributes were paid to the martyrs. In his address Dr Shridhar stressed that after independence India has proved itself as a country with deep rooted democracy. After Independence in 1947 few countries were of opinion that the states would divide into different countries in next 10 years, as there were over 1000 language and dialects. People had no knowledge of democracy and literacy rate was 30 percent. The country has proved that we are democratic and people speak different languages.

He stressed that recession can never come to the country as Wheat is being grown in our country and entire country is not dependent on other countries for food. Indian economy therefore was proved to be a recession proof. Indian has proved that despite different language and diversity Indians are united. It is true picture of unity in diversity. He said we should take oath to democracy. Every Indian has right to speech, right to express, right to follow religion, it's all gift of our leaders who developed the country. It is our responsibility to keep democracy alive and we should take oath and do something for the country. He opined that 'Whatever job you are doing, do it whole heartedly'.

Dr Smita Premanand, Faculty of Fashion Designing presented patriotic poem before the audience and gave message of 'Har Ghar Tiranga movement'. Dr A Rajshekhar, Faculty of Geography department presented poetry on patriotism. He paid rich tributes to the freedom fighters who fought for the freedom of country and soldiers who are constantly protecting boarders of country.

कलिंगा विश्वविद्यालय परिसर में बड़े उत्साह के साथ 75वां स्वतंत्रता दिवस मनाया गया

रायपुर, 17 अगस्त। कालगा विश्वविद्यालय परिसर, नया रायपुर में सोमवार, 15 अगस्त, 2022 को बड़े उत्साह के साथ 75वां स्वतंत्रता दिवस मनाया गया। यह उत्सव "आजादी का अमृत महोत्सव" का हिस्सा था, जो की प्रगतिशील भारत और मानव प्रयास के सभी क्षेत्रों में भारतीयों द्वारा उल्लेखनीय उपलब्धियों की 75वीं वर्षगांठ मनाने की एक पहल है।

मुख्य अतिथि कलिंगा विश्वविद्यालय के कुलपति डॉ आर श्रीधर थे, उन्होंने डॉ आशा अंभईकर, डीन स्टूडेंट्स वेलफेयर, अन्य सभी विभागाध्यक्ष संकाय सदस्यों और बड़ी संख्या में छात्र-छात्राओं की उपस्थिति में राष्ट्रीय ध्वज फहराया। शहीदों को भावभीनी श्रद्धांजलि दी गई।

अपने संबोधन में डॉ. श्रीधर ने जोर देकर कहा कि आजादी के बाद भारत ने खुद को मजबूत लोकतंत्र वाले देश के रूप में साबित किया है। 1947 में स्वतंत्रता के बाद कुछ देशों की राय थी कि राज्य अगले 10 वर्षों में अलग-अलग देशों में विभाजित हो जाएंगे, क्योंकि 1000 से अधिक भाषाएँ और बोलियाँ थीं। लोगों को लोकतंत्र का ज्ञान नहीं था और साक्षरता दर 30 प्रतिशत थी। भारत ने साबित कर दिया है कि हम लोकतांत्रिक हैं।

उन्होंने जोर देकर कहा कि देश में कभी भी मंदी नहीं आ सकती क्योंकि हमारे देश में गेहूं उगाया जा रहा है और पूरा देश भोजन के लिए दूसरे देशों पर निर्भर नहीं है। इसलिए भारतीय अर्थव्यवस्था मंदी रहित साबित हुई। भारतीयों ने साबित कर दिया है कि विभिन्न भाषा और विविधता के बावजूद भारतीय एकजुट हैं। यह अनेकता में एकता की सच्ची तस्वीर है।

उन्होंने कहा कि हमें लोकतंत्र की शपथ लेनी चाहिए। प्रत्येक भारतीय को बोलने का अधिकार, अभिव्यक्ति का अधिकार, धर्म का पालन करने का अधिकार है, यह सब हमारे नेताओं का उपहार है जिन्होंने देश का विकास किया। लोकतंत्र को जिंदा रखना हमारी जिम्मेदारी है और हमें शपथ लेकर देश के लिए कुछ करना चाहिए।

Programme on Nyaya Bandhu Legal Services by faculty of law on 17th August 2022

PROBONO CLUB
(Pro Bono Legal Services)

Kalinga University, Pro Bono Club, Faculty of Law has organized Village Awareness Program on Nyaya Bandhu legal Services and Consumer Rights under Ministry of Law and Justice which was supervised by Assistant Professor Mrs. Saloni Tyagi Shrivastava, Nodal Officer, Kalinga Pro Bono Club and Ms. Ekta Chandrakar. The Students of the Pro Bono Club Prepared a skit on Consumer rights to inform the Villagers about their consumer rights and how they can save themselves from getting defrauded if they know their rights.

All the students went to the doors of each home of the village and spoke to them individually about their legal problems and other problems which they face on a regular basis. Students received good response and villagers talked to the students about their problems and asked them to help in resolving the issues as they don't have enough resources.

Further all the villagers gathered at one place and the skit was performed by the students on Consumer rights and also Ms. Anushka Sharma, a student of B.A.LLB VIIth sem gave a presentation on how to use the Nyaya Bandhu app to get the pro bono services if anyone face any legal issue and she explained to them the process of registration on the app.

Then the Pro Bono Club team went to the government school of the village and met the students and had an interaction regarding their studies and food which they get in mid day meal.

Few Reports given by the students are as follows-

1. Common issue the villagers had was no allocation of houses which they were promised under the 'Pradhan Mantri Awas Yojna', though their names were mentioned in the Gram Panchayat list 2-3 times.(Lalita Sahu was one among many who had the same grievances)
2. Mr. Narad Singh Goswami faced problems regarding ration card as he lost his original one, he was facing problem making a new one.
3. No teachers available in Anganwadis.
4. No sufficient food is being provided to them as their ration cards are not being made.
5. Ayushman Cards are not being made due to which they are unable to take free healthcare services.

Webinar on topic "Stepping Up in Basics and Guidance for Forced Degradation Studies and Impurity Profiling" by Faculty of Pharmacy on 22/8/2022.

A webinar on **"Stepping Up in Basics and Guidance for Forced degradation Studies and Impurity Profiling"** was held on 22/8/2022 Monday through Microsoft team's link. The eminent Speaker was **Ms. Swati Pandey**, Associate Professor, SIRT- Pharmacy, SAGE University, Bhopal**.** The webinar was attended by students of M. Pharma, B. Pharmaand D. Pharma of our institution. The coordinator of the webinar was Ms. Rajni Yadav, Assistant Professor, Faculty of Pharmacy, Kalinga University. More than 100 students were present in this webinar.

Ms. Rajni Yadav explained that impurities in pharmaceuticals are unwanted chemicals that remain with the Active Pharmaceutical Ingredients (APIs) or develop during formulation or develop upon ageing of both APIs and formulated APIs to medicines. The presence of these unwanted chemicals even in small amounts may influence the efficacy and safety of the pharmaceutical products. Impurity profile is description of the identified and unidentified impurities present in a typical batch of API produced by a specific controlled production process. However monitoring impurities and controlling these impurities mean different things to different people or to the same people at different times, even those in the pharmaceutical sciences and industry.

Workshop on "Hand on learning with MATLAB Software" by Department of Mechanical Engineering on 22th August 2022

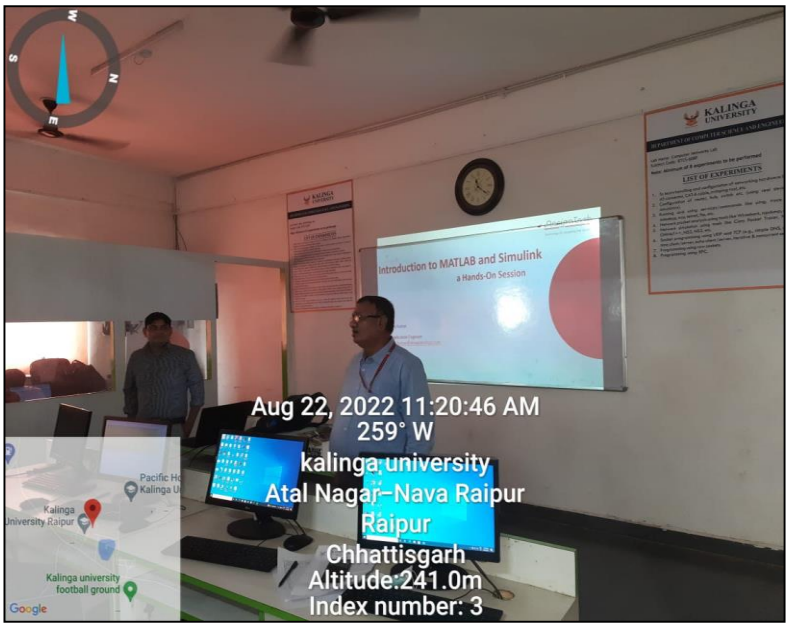

The Workshop on "Hand on learning with MATLAB Software" is organized by Department of Mechanical & Mining Engineering Department for students to improve problem solving skills with the help of Mat lab software. It also develops the computational codes easily. Mat lab software implements and test algorithms easily and symbolic computation can be easily done.

All students of Mechanical, Mining, Civil Engineering Department (B. Tech and Diploma Students), also BCA students and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended the workshop. Total no. of present students was 79.

Dr. V. C. Jha, HOD of Mechanical Engineering Department started the session and explained the importance of Mat lab software. Mat lab software is an effective tool in problem solving, Debug easily, Use a large database of built in algorithms. Its basic data element is the matrix. A simple integer is considered an matrix of one row and one column. Mat lab allows matrix manipulations; plotting of functions and data; implementation of algorithms; creation of user interfaces; interfacing with programs written in other languages, including C, C++, Java, and FORTRAN; analyze data; develop algorithms; and create models and applications.

Students actively participated and the workshop was conducted successfully.

Filmmaking in collaboration with NIIRA Educom to make the gap smaller on 28th August 2022

RAIPUR 28/08/2022// Kalinga University is accredited by NAAC with B+ grade and attained NIRF Ranking in the Top 101- 150 universities in the country. It is the Only University in Chhattisgarh to have achieved a NIRF ranking in the Top 101-150. It has been established as a multidisciplinary Research-Focused and Student-Centric University with the aim to support learning that will advance human knowledge to develop and educate the leaders of tomorrow and research that tackle the most pressing problems of the state, the country, and the global community.

Kalinga University has been serving the student community since over 8 years and is always committed to equipping the students with high-in-demand and industry relevant programs to shape successful careers for them. Staying true to this commitment, Kalinga University this academic session is bringing two brand new programs: B. A. in Film Making and B. Voc. in Hospital Administration. Both these programs are high in demand and have a bright career ahead.

Access to the film industry is still a pipe dream for the common people. More bridges are needed to be built to cover this gap. This year Kalinga University, Raipur is launching undergraduate courses in filmmaking in collaboration with NIIRA Educom to make the gap smaller.

NIIRA Educom Private Ltd is a knowledge partner of Kalinga University that provides specific objective to impart quality education in the field of film making. It is a platform of professional Film Makers in Raipur, Chhattisgarh that inspires aspiring film makers.

Through this program, the students will be given a chance to study how films are made. According to their talent and interest, they will be offered courses, which are designed, developed and delivered by a group of filmmakers and academicians. These courses are prepared keeping in sight the global filmmaking scenario.

The second in demand program that Kalinga University will be launching this academic session is B. Voc. in Hospital Administration in a tie-up with Virohan. Virohan is a pioneering edtech healthcare solution provider. It revolves around a university-industry partnership. This Gurgaon-based startup collaborates with colleges and universities to power new-age undergraduate and postgraduate programs through industry-aligned curricula and advanced technology enablement.

The program and content are designed by some of the country's leading doctors, including Doctors from AIIMS. The course will be provided through industry-led blended learning. Through mobile apps and my Classroom kit, students can access lectures online from where ever they are. Personalized mentorship support and all operations including attendance will be delivered through their app. But the student's performance will be tracked in real time (i.e., in class).

Students from around 10 cities have been a part of this paramedical course with an outcome of almost 90% placement rate, 100% internship and approx less than 7% dropouts. American Ontological Institute, Dr. Lal Path, and Fortis Escorts Heart Institute are some of the 650+ Placement Partners. After completion of this B. Voc. program, the students shall receive Resume Support, Mock Interviews, Soft Skills Training, Industry Expert Sessions, Disha Sathi, Profile Building, and Placement Opportunities.

National Webinar on "Growth of MSME in India" by Department of Economics under Faculty of Arts & Humanities, on 2nd September 2022

Department of Economics under the faculty of Arts and Humanities, Kalinga University organized a webinar on Growth of **Micro, Small & Medium Enterprises** (MSME) in India here on Friday, 2nd September. Dr Manish Sharma, Professor of Economics, Institute for Excellence in Higher Education (IEHE) Bhopal, Madhya Pradesh was the keynote speaker. Large number of students of Kalinga University joined the event through online mode.

The webinar was organized to provide information to the students on importance of MSME and its role in Indian Economy. He informed the students about different problems, challenges faced by the MSME. The session was supervised by the Dean of Arts & Humanities, Dr. Shilpi Bhattacharya. Ms Madhumita Ghosh, Assistant Professor, Department of Geography also Co-convener of the webinar gave welcome speech.

Through Power Point Presentation Dr. Manish Sharma delivered his lecture. He gave informative and thought-provoking information on the growth of MSME in India. He further informed that MSMEs are the backbone of the Indian economy. He stressed that MSME provides employment to over 12 crore Indians across the country providing the second-largest source of jobs after agriculture.

He further informed that MSMEs have propelled India to new heights due to their low investment requirements, flexibility in operations and ability to develop suitable native technology. He has also enlightened the students about benefits of MSME in India. Through MSME one can get different kind of bank loans, subsidy on patent registration, overdraft interest rate exemption, protection against payments, fewer electricity bills, etc. He further explained about the various types of loan facilities are available in Banks of MSME. The session concluded with the question answer session in which the students participated with enthusiasm.

Dr. Namrata Shrivastava, Assistant Professor of Economics and the Convener of the webinar proposed the vote of thanks. The webinar received very positive feedbacks and the students were also expressed their keen interest and wishes of attending similar informative webinars in the future.

Name of Site: G.K.C. Project limited, Raipur kodebad Road, N.H. 43**,** Near Mintu International School**,** Abhanpur. Bendri, New Raipur (C.G.)

Date of visit: 02 nd September 2022

Name of Site Head: Mr. Suman Kumar, Project Manager.

Faculty In charge: Mr. Manas Rathore, Asst. Professor, Civil Engineering Department.

Objective of visit: The purpose of this visit is to impart practical knowledge to the students about highway project construction & material quality testing as per the standards. Also, students will learn about the highway infrastructure design and its key elements.

Organized by: Department of Civil Engineering, Kalinga University, Raipur, Chhattisgarh

Brief profile of the company

Ever since its inception in 1996, GKC has achieved consistent quantum growth year after year along with enhanced customer confidence and satisfaction. GKC has been in the forefront of adopting new technologies & advancements and has honed, over the years, multidisciplinary competencies. GKC today holds a strong pool of highly skilled engineers and state-of-the-art equipment to deliver Infrastructure Projects to Public and Private Sector Clients, in the scheduled Timelines within the specified Quality parameters. GKC is an Infrastructure Associate of choice for several key clients. This preference stems from GKC's commitment to Ethics & Quality, Timely Delivery and Value Engineering.

Major highlights of the discussion with the contest person in Industry.

1. Visit to the camp where students will undergo practical exposure of testing of material as per standard for highway projects.
2. Students will get brief about all the testing equipment's & machinery used for highway development.
3. Visit to the adjacent highway site (NH-43) Raipur- Dhamtari highway (Ongoing) & get learn about constructional procedure.

Learning Outcomes from the Visit

1. Student got knowledge about material testing as per the standard in an ongoing project, NH-43.
2. Students learned about various machinery & testing equipment's used in highway project material testing.
3. Student got practical exposure of highway construction.
4. Students knew about Concrete batch mixing plant, Aggregate crushing plant.
5. Students knew about PQC in highway construction.

Value addition/Enhancement from the proposed visit

- Students add knowledge about testing of material used in the highway construction.
- Students gain knowledge about elements of highway design.
- Students learn about geometrical details of highway pavements.
- Students learn the superelevation design, camber design and drainage of runoff.
- Students know about advanced material used in pavement, i.e., Geosynthetic material.

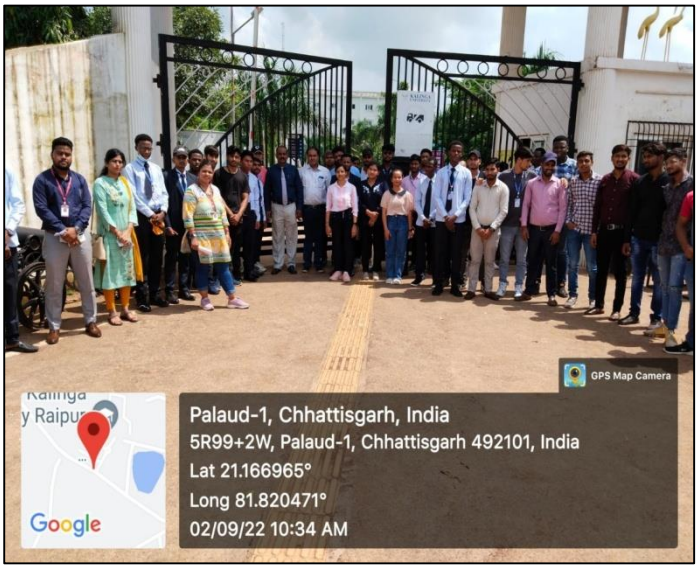

Outcome based proposed questions

1. What do you mean by Rigid Pavement?
2. What are the main design criteria for designing the rigid pavement?
3. What are the most important factors affecting the design of rigid pavement?
4. What are the factors controlling the design of rigid pavement?
5. Which method is used for rigid pavement design?
6. What is the minimum factor of safety for rigid pavement?
7. What is the minimum thickness of rigid pavement?
8. What is the maximum fatigue ratio of rigid pavement?
9. Which factors influence the thickness of pavement?
10. What are the types of joints in rigid pavement?
11. What is the function of expansion joint in rigid pavement?
12. How many layers are there in rigid pavement?
13. What are the major stresses in rigid pavement?
14. What is the critical load position in rigid pavement?
15. Which grade of concrete is used for rigid pavement?

16. What are the materials used for rigid pavement?
17. Why reinforcement is used in rigid pavement?
18. What is the maximum length for expansion joint?
19. What are the tests conducted on concrete?
20. List the various test should be conducted for materials in rigid pavement.

Slide Power – Green Technologies in Constriction by Department of Civil Engineering on 12th September 2022

Activity Name: Slide Power – Green Technologies in Constriction

Activity Date: 12th September 2022

Event Type: Offline Mode

Organizers:

Dr. N.K. Dhapekar

Ms. Swati Agrawal

Coordinators:

Mr. Honey Gaur

Mr. Akshit Lamba

Mrs. Kirti SahuTirpude

Mr. Manas Rathore

Ms. Ruchi Chandrakar

Mr. Piyush Das

Purpose:

In this Event It is well known and studies also show that the impact of pictures is more effective than text. It's easy for students to keep information in their minds if they learn things by using visual tools. A typical PowerPoint presentation contains pictures, graphs, diagrams, and bullet points. It increases the memory capacity of the mind. It also helps students remember information for a long time. A PowerPoint presentation can enhance the intellect of students. At the same time, it helps the teachers in their teaching methods. Different fonts, visual effects, and highlighting can help students learn new information quicker. It leads them to write better answers in their exams.

Details:

Two days workshop for the students of M. A. / M.Sc. 3rd Semester students was organized on dated 15th and 16th September 2022. The timing was 2:00 to 3:00 pm. The activity was started with the welcome words given by Mr. Satpal Panika, Assistant Professor, Mathematics. The main objective behind the activity was to develop an interest the mathematics with computer applications in the students.

In the first day of the workshop Dr. G. V. V. J. Rao presented the basics concepts of Python programming. In the workshop students learnt some terminologies of the python like characters, loops and many more. Apart from this they learnt the difference between high level and low-level languages.

In the second day i.e on 16th September 2022, Mrs Divya Awasthi came Infront of the students, she taught them programming part of the python. She started with very basic codes then most of the students followed her instructions to code the programme. She taught how the matrices can be formed? Algebraic solutions are also discussed in the workshop.

At the end of the session Mr. Nigama Prasan Sahoo, Assistant Professor, Mathematics has given vote of thanks. H.O.D. Dr. Subhashish Biswas appreciated the whole sessions. Students really got benefitted. They thanked both the experts for nice explanations.

"How to write a Research Paper" Royal Mechanical Club Activity by Department of Mechanical Engineering on 16th September 2022

Title- "How to write a Research Paper"

Date: 16 September 2022 Time 1.00 pm to 2.00 pm

Preamble:

The activity of How to write a Research Paper is organized by Royal Mechanical club for awareness of the students to improve written skills. The importance of research essay writing is that it can help you earn the decent grades you need to achieve higher standards. All theoretical, knowledge and technical courses are essential. You must submit a research paper, be it literature, history, law, physics, or economics. Research papers can be used to assess whether students are sufficiently focused or asleep and missed lectures in class. By writing research articles, students' research strategies can be tested.

Participant's Profile:

All students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended.

No. of students : ME - 15, Mining - 06

Description about the Program:

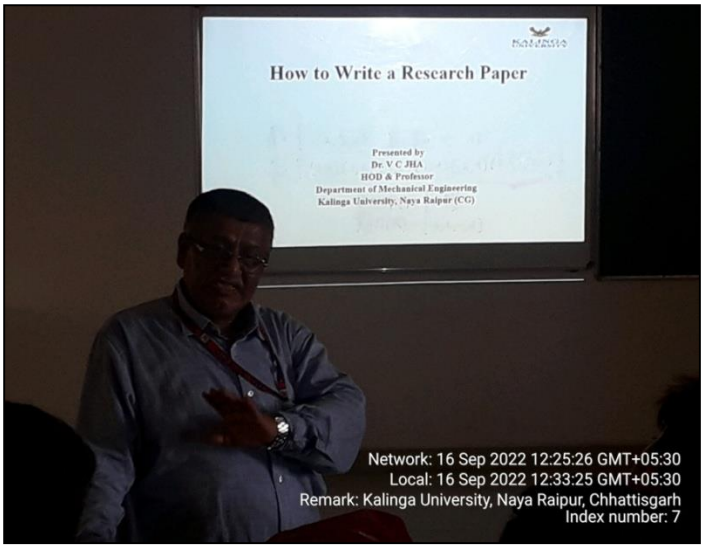

The session had started by head of the department Dr. V. C. Jha. He explained how to write a research paper. Research studies are important because these contribute to knowledge and progress on confusion, diseases, and disorders. The purpose of a research paper is to give your ideas and opinions about the topic or problem and to use other sources to support your position. Understanding that research is important might seem like a no-brainer, but many people avoid it like the plague. Yet, for those who like to learn, whether they are members of a research institution or not, conducting research is not just important it's imperative.

- The importance of research papers

  Writing a research paper is very important for students to demonstrate their ability to understand how to start future scholarly works, find an answer to a question scientifically, relate what has been learned, receive critical peer feedback, and learn more strategically and effectively.

- While writing a research paper, students improve:

  - Grammar;
  - Active vocabulary;
  - Knowledge;
  - The ability to connect various ideas;
  - The ability to explain complex terms in simple words.

Workshop on Career Guidance by Department of Law on 19th September 2022

An introductory session was conducted by Mrs. Saloni Tyagi Shrivastava, Assistant the Faculty of Law, Kalinga University, Naya Raipur to welcome the Hon'ble Guest CS Sharad Kankani Sir and CS Ashish Jain Sir. The programme was conducted from 10:00 am to 11:45am at Seminar Hall Second Floor to make the student aware about the professional courses or diploma courses that they can pursue together with LLB/BALLB/BBALLB/LLM.

In the presence of the Faculty of Law, the session commenced with an introductory speech by the Dean of the Department of Law, Dr. Tufail Ahmed Khan. Perceptive inputs were made by him making the beginning of the session more insightful.

The session was further convened by the guests and Ms. Nayan Lodha, Assistant Professor, faculty of law. They introduced the students to the different opportunities like Chartered Accountancy, Company Secretary, Cost and Management Accountancy, Diploma courses provided by National Institutes, Professional courses provided by International bodies such as CFA etc.

In the whole session, the importance of opting professional and diploma courses with graduation and post-graduation was highlighted immensely. The event was a bit inconvenient because of change in venue at the very last moment. The seminar hall was not spacious enough to accommodate all the students of Faculty of Law. Therefore, only selective students could attend.

The total number of students who participated in this session was 117.

The dedication of all law faculties contributed to the overall success of this programme.

Debate Competition by Department of Political Science, Faculty of Arts and Humanities on 19th September 2022

The Department of Political Science, Faculty of Arts and Humanities conducted a Debate competition on Theme "***Can Censorship ever be justified***" on 19th September, 2022 at MBFF15, from 11 AM to 1 PM for the students of BA, MA, BSW, MSW, BAJMC, MAJMC, BALLB and LLB. The event was organized by Dr. Anita Samal, Professor and Head, Department of Political Science and Mr. Chandan Rajput, Assistant Professor, Department of History. Around 80 students from different departments of the University participated in this competition, expressing their views in favor or opposition of the motion.

The purpose of organizing debate competition was to sharpen the public speaking skills of the students and train them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspectives that enhanced the knowledge and understanding about the necessity and significance of Censorship.

To begin with, each participant spoke their mind freely. Unsurprisingly, this led to a wide spectrum of contrasting views. While speaking strongly in favor of the motion some students argued that censorship is necessary to preserve the social and cultural values of any civilized society also it is an important tool to curb the objectional elements and ideas that comes on the way of maintaining peace and unity in the society. Countering this with a strong argument, those in opposition argued that freedom of speech and expression is enshrined in the Constitution of India as one of the Fundamental Rights. There is a tendency to suppress the truth through censorship and often the ruling parties do not hesitate to take unfair advantage of it. Relevant facts are also presented to substantiate the arguments.

Points presented were accepted by all the students and faculties with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was very interesting and thought provoking with the exchange of student's perspectives and ideas.

In this debate competition, 24 participants of the university put forward their views in favor and against the motion. The debate was moderated by Dr. Vineeta Diwan. The event was judged by Dr. Ajay Shukla, Head of the Department of Hindi and Mr. A. K. Kaul, Head of the Department of Social Work.

The winners as well as the participants were awarded certificates. Result is as follows.

AD MAD show by FD department on 20th September 2022

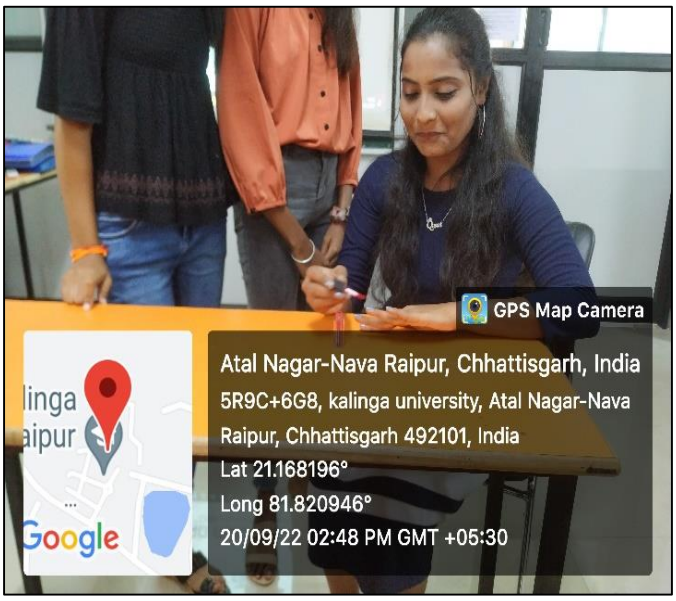

ABOUT THE ACTIVITY: An activity of AD MAD show was planned on 10th August 2022 for the students of BSCFD 3RD& 5TH Semesters, as a part of their departmental activity. But unfortunately on that day, very less attendance of students was marked, hence it was postponed to 12th September 2022 as per the mail sent to DAA dept. but as myself and Vibha are totally engrossed with Induction duties of various departments, that's why it was not possible to carry out the above activity on 12th September as well. But as today i.e on 20th September 2022, Dr. Smita Premanand was on leave and maximum strength of the students were present, so we carried out this activity in 2nd half from 2:30 pm onwards.

16 Students were present, and were divided in 5 groups, where they created advertisement for various products like clinic plus shampoo, nail paint, string drink, sting drink, Lakme powder. All the teams did quite well in just preparation of 2 hours. But the best act was chosen by all the students as Aleena Siddiqui, Samiksha Gyawali, Yukta Sahu, and B. Anjita, who did the ad for sting drink. It was a fun activity overall, where students really boosted their creative input and tried their best. As the activity was conducted as we got maximum strength, so

calling out Mr. Yunus Rizwi sir for Photography was not possible, and even the Fashion design department is going throught he white wash process, so whole department is quite a mess as of now.

Attached here few pics of the activity –

हरिभूमि न्यूज ▶▶ रायपुर

राजधानी में गरबा गीतों पर शनिवार देर रात तक लोग थिरकते रहे। शहर में कई छोटे-बड़े आयोजन हुए, लेकिन सर्वाधिक उत्साह हरिभूमि-आईएनएच न्यूज की भागीदारी वाले आयोजनों में दिखा। होटल ग्रैंड इम्पीरिया और हुकुम्स ललित महल के अलावा गुढ़ियारी में आयोजित गरबा उत्सव में हरिभूमि-आईएनएच न्यूज मीडिया पार्टनर रहा। यहां हुए आयोजनों की खास बात ये रही कि यहां पूर्णतः पारिवारिक माहौल में गरबा खेला गया। महिलाओं और बच्चों की सुरक्षा के लिए विशेष व्यवस्था यहां की गई थी। सैकड़ों की संख्या में लोग सपरिवार यहां पहुंचे। भक्ति गीतों के साथ ही छत्तीसगढ़ी गीतों की भी धूम रही। ललित महल के गरबा उत्सव में विशेष अतिथि के रूप में पहुंची डांसर सपना चौधरी ने गरबा को अलग रंग दिया।

प्रतिदिन बढ़ रही भीड़

श्रीनगर गुढ़ियारी में राजधानी रास गरबा उत्सव समिति द्वारा प्रथम दिवस से ही गरबा प्रारंभ कर दिया गया है। प्रतिदिन यहां आने वाले भक्तों की संख्या बढ़ रही है। रविवार को सर्वाधिक भीड़ रही। आयोजन समिति के सचिव विक्की वर्मा व सहसचिव हनी बग्गा ने बताया, रात्रि 8 से 12 बजे तक खेले जा रहे गरबा का समापन मंगलवार को होगा। प्रवेश निशुल्क होने के कारण यहां लगभग एक हजार लोग प्रतिदिन पहुंच रहे हैं। युवक-युवतियों के अलावा यहां बच्चे भी पारंपरिक परिधान में पहुंच रहे हैं। पारिवारिक एंट्री होने के कारण अन्य जगहों की तुलना में यहां भीड़ अधिक रही। उपाध्यक्ष कुलदीप सर्वा, रवि राव, मानिक देवी, मनोज शर्मा सहित अन्य समिति सदस्य भी इसमें शामिल हुए।

सपना चौधरी ने चुना विजेता

प्रदेश में पहली बार केवल छत्तीसगढ़ी गीतों पर गरबा का आयोजन ललित महल में गुंजन इवेंट द्वारा किया गया। छत्तीसगढ़ी गीतों के साथ ही अन्य भक्ति गीतों पर भी भक्त झूम उठे। सपना चौधरी की एक झलक के लिए लोग बेताब दिखे। गरबा ग्राउंड में पहुंचकर सपना ने सबसे पहले आरती की। उन्होंने कहा कि यह उनके लिए नए तरह का अनुभव है। सबसे अच्छा गरबा खेलने वाले विजेता का चुनाव भी उन्होंने ही किया। 4 अक्टूबर तक यहां गरबा खेला जाएगा। इवेंट ऑर्गेनाइजर गुंजन चौहान चंदेल ने बताया, पहली बार इस तरह का प्रयोग किया गया है।

गरबा नाइट कल तक शामिल हुए अफ्रीकन छात्र

होटल वौंड इम्पीरिया में 2 से 4 अक्टूबर तक गरबा नाइट्स आयोजित है। रविवार से इसकी शुरुआत हुई। इसके पहले रात्रि विशेष नवरात्रि का आयोजन गरबा की तैयारियों के लिए किया गया था। तैयारियों के बाद शुरू हुए गरबा में अलग ही तरह के रंग देखने को मिले। कार्यक्रम संयोजक अनिल जोतसिंघानी ने बताया, शहर में स्टडी टूर के लिए आए अफ्रीकन छात्र भी गरबा में शामिल हुए। उन्होंने बताया, वे पहली बार इस तरह के गरबा आयोजन का हिस्सा बने हैं। संस्कृति का यह रूप देखकर उन्हें आनंद आया। रायपुरवासी भी उनके साथ झूम उठे। गरबा के पारंपरिक गीतों के साथ बॉलीवुड गानों पर भी लोग देर रात थिरकते रहे।

मुख्यमंत्री निवास में रास गरबा

मुख्यमंत्री निवास स्थित जनदर्शन हाल में समस्त गुजराती समाज की ओर से गरबा रास का आयोजन किया गया। इस दौरान श्री बघेल ने मातारानी के समक्ष गरबा कलश प्रज्ज्वलित कर मां दुर्गा की पूजा-अर्चना की और गरबा रास का शुभारंभ किया। श्री बघेल ने देवी मां से प्रदेशवासियों की सुख-समृद्धि और खुशहाली की कामना की। श्री बघेल का परिवार भी कार्यक्रम में शामिल हुआ। मुख्यमंत्री ने संगीत की धुन पर डांडिया रास किया। कार्यक्रम में छत्तीसगढ़ गृह निर्माण मंडल के अध्यक्ष कुलदीप जुनेजा, संसदीय सचिव विकास उपाध्याय, महापौर एजाज ढेबर भी मौजूद रहे।

मुंबई से पहुंचे सेलिब्रिटी

अन्य जगहों में खेले जा रहे गरबा में भी रविवार को अधिक भीड़ रही। होटल ग्रैंड कैजल मैजेस्टो मॉल में 1 से 3 अक्टूबर तक गरबा आयोजित किया गया है। उद्घाटन शिक्षा मंत्री डॉ. प्रेमप्रकाश टेकाम ने किया। मुंबई की सेलिब्रिटी रिया मुद्गावर्त ने गरबा गीतों पर प्रस्तुति दी। बड़ी संख्या में लोगों ने आकर्षक पोशाकों में माता लेकर कार्यक्रम की शोभा बढ़ाई।

Student Clubs in Faculty of Commerce and Management on 11th October 2022

This is to notify the establishment of departmental student's clubs in the Faculty **of Commerce and Management.** The details of the departmental clubs are as follows:

Departmental Clubs:

1. Finance Club (Finacle) - Neha Mam
2. Marketing Club (Mercadeo) - Riya Mam
3. HR Club (Sapiens) - Mariyam Mam
4. Stock Market Club (Bulls) - Muskan Mam
5. Cultural Club (Euphoria) - Shilpa Mam
6. Literary Club (The Ink club) - Abhishek Tripathi
7. Nature Club (Blue Club) - Shinki Mam

FINACLE (The Finance Club)

The student-run initiative is fortunate to be guided by Prof. Neha Choitramani. It works towards boosting interest in Finance on the campus and also helps indulge that interest through competitions, workshops and professional opportunities. Instrumental in ensuring preparedness for placements, the club also endeavors to serve as a bridge between the industry and the student community.

Events & Performances:

1. Workshop on Cryptocurrency and Blockchain Technology
2. Financial Statement Analytics using Google Studio
3. Business Analytics using Power BI

MERCADEO (The Marketing Club)

We, the Mercadeo Club, are a group of ardent "market" minds striving to put all the marketing theories into practice. We aim to offer students an all-round experience of marketing through industry interactions and on-campus activities. These activities aim to offer the budding marketeers of Kalinga University with all-round development opportunities.

Events & Performances:

1. Ideathon - Nationa B-Plan Competition
2. Adverto - The Ad Mad Show
3. The Movie Funda

SAPIENS (The HR Club)

In order to provide greater exposure to the students, the club serves as an excellent platform for all HR enthusiasts to come forward and exchange their ideas relating to the latest trends of HR, to explore the vast ocean of HR knowledge and to sustain and preserve the ideals of Human resource management. The primary objective is to mold and foster highly intellectual future Human Resource professionals with a humanitarian approach, in pursuit of Excellence with Ethics.

Events & Performances:

1. HR Conclave
2. Barklays sponsored Life Skills Sessions

BULLS (The Stock Market Club)

Investing in the stock market can be intimidating - how to differentiate between the different types of securities, investing styles and trading strategies, analyzing market data, financials, and know when to act? And for beginners, this can be especially off-putting. Financial Planners and brokers are good sources of advice, but if you are interested in learning about the stock market and how to take control of your money, SMC serves as a great introduction to stock investing.

Events & Performances:

1. Workshop on Stock Trading
2. Student development Program on Technical and Fundamental Analysis

EUPHORIA (Cultural Club)

Culture influences our perspective and understanding of both individuals and communities. Euphoria aims at bringing people from different cultures and interests together at one platform and helping them develop long-lasting relationships and respect for every individual. Since its inception, the club has been adding vibrancy to the campus life with its highly entertaining and energetic cultural events every year. The club has taken initiatives to organize various events like Fresher's and Farewell parties, Talent Night, etc., and celebrates every festival with full enthusiasm. The club also provides a platform to the students to showcase their talents such as art, music, dance, drama, etc. which enhances their interpersonal skills, improves their confidence, and helps them become a good team player who can think creatively beyond boundaries, resulting in the making of leaders for tomorrow. The club aims to bring people of different cultures to participate, perform in unison, establish mutual respect, and live in harmony.

THE INK CLUB (The Literary Club)

The literary club is a paradise for thinkers, readers, and writers. It is the place where students are free to think, read and write on the topics of their interest and choice. The club is also a forum where students share their insights on politics, philosophy, spirituality, philanthropy etc.

Events & Performances:

1. Workshop on Research Paper Writing
2. Current Affairs sessions
3. Poetry Competition

MOTHER EARTH (The Nature Club)

The Nature Club successfully specializes in helping students to take the first step towards conservation of Nature .It can help reduce stress, improve concentration and increase time spent being physically active, encourage student to spend more time outside; and there are numerous opportunities to make that time spent in nature entertaining and educational.

Events & Performances:

1. Ozone Day Celebration
2. Tree Plantation Drive
3. Go Green Awareness Program

"Intra Extempore Competition" by Department of Law on 14th October 2022

Title- "Intra Extempore Competition"
Date: 14-10-2022
Time of event: 02:00 PM
Event Type: Offline
Venue: Moot Court Room
Event Poster

Objective of Program:

1. To enhance the communication skills as well as the immediate response and personality skills of the students.
2. With the recent joining of the Freshers to the law department, this competition will serve as a medium for early involvement of the students in the activities organized by the Faculties.

Details of Program:

Kalinga University, Naya Raipur (CG) always thrives to cater to the all-round development of their students. The main focus of the university has always been on improving the soft skills amongst the students. With this intention in mind an intra extempore competition was held for the students of Law from all the Semesters on

Saturday, 14 Oct, 2022 between 2.00 P.M. to 3.45 P.M. The objective of the competition was to make the students confident and better orators so that they can fearlessly express their views on any topic. Extempore is an excellent way to assist the students not only in spontaneous thinking but also in asserting their creative ideas with precision.

The judges for the competition were **Ms. Kritika Mishra** and **Ms. Shivangi Tripathi,** Asst. Professors of Law.

The topics for the competition were:

1. Uniform civil code and its applicability in India
2. Online Education
3. Covid-19 and its impact on the society
4. Media trials- pros & cons
5. Artificial intelligence
6. Pollution and its impact
7. Right to health
8. Women Rights
9. Social media and its impact on social media
10. Mental health and Law, and so on.

The participants delivered their speeches with great confidence and left no stone unturned to give in their best on the topics they got. They were asked to present their views in the time slot of 3 minutes. The judges found it very taxing to select the best three students from all the 19 passionate participants.

They were judged on the criteria of content, fluency, voice modulation and body language. The students showed great fervour and poise in their respective presentation. The competition concluded successfully with great words of encouragement and appreciation from both the respected judges.

Profile of Resource person (if applicable):

Resource Person:

Name: **Dr. Subhashish Biswas**

Designation: H. O.D. (Department of Mathematics)

Organization: Kalinga University, Nava Raipur.

Program Schedule: Program was scheduled on 14/10/2022

Details of Program:

Many students are confused in pure and applied mathematics. So, department of mathematics decided to organize a small session for the same. On 14th October 2022, students from M.Sc. and M.A. Mathematics 3rd semester, M.Sc. mathematics 1st semester and BSc. [PCM] 5th semester, joined together for the said activity.

Before the discussion, I (Satpal Panika) welcomed, our newly admitted students from MSc. 1st Sem and called upon the H.O.D. Mathematics Dr. Subhashish Biswas to grace the students with his knowledge. He had given so many practical examples of application of Mathematics. He also mentioned real life and technical applications of mathematics. Apart from this several students came on the dais and they expressed the differences between pure and applied mathematics.

At the end I expressed my gratitude towards the speaker and participants. Students filled up their feedbacks in the link given as below:

Feedback Link- https://forms.gle/W5bRCanSKHtThg4L7

Program Outcome:

3. Participants could get the applications part of mathematics in various disciplines.
4. Participants were able to differentiate between pure and applied mathematics.

Research Policy Orientation- by Department of Zoology on 14th October 2022

Department of Zoology conducted the departmental activity on Research Orientation Policy on 14th October 2022 in Kalinga University Campus. The program was held from 11:30 am to 12:30 PM where **Dr. Manoj Singh,** Head, Department of Zoology was the keynote speaker. The event convenor was **Dr. Sohini Bhattacharyya** and event coordinator was **Dr. Ajay Harit** who are both faculty members of the Department of Zoology.

Dr. Manoj Singh oriented the students of the Department of Zoology about the ethical and academic policies regarding research work. **This was particularly helpful for the students since publication policy of the university mandates student publication. Benefits and incentives provided by the university for publication was also discussed.**

Students of M.Sc. and ZBC both attended the event. The total number of students who participated in this departmental event was 47. All the faculty members of the Department of Zoology also attended the talk. The event was followed by an interactive session between the students and Dr. Manoj Singh.

OF

STUDENTS CIPET-RAIPUR VISIT

Organized by

"Mechanical Engineering Department"

On

14-10-2022

Title- VISIT OF STUDENTS AT CIPET-RAIPUR

Date: 14-10-2022

Time of visit:10.30 AM TO 02:30 PM

Event Type: Offline

Venue: Industrial visit at CIPET-Raipur

Objective of Program:

The purpose of this Industrial visit is to provide students an insight regarding internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work

Profile of Resource person:

Resource Person 1:

Name: Dr. Alok Sahu

Director & head CIPET Raipur

& Other technicians

Details of the report:

Central Institute of Plastics Engineering & Technology CIPET Raipur is established to cater the man power need of plastics and allied industries of C.G through its Long Term Training and Vocational courses sponsored by Govt. of C.G & Govt. of India. The center is equipped with state of the art infrastructural facilities in the field of Plastics Processing , Testing and Tool room and design.

Armed with an excellent infrastructure in terms of technology and highly qualified engineers, scientists, CIPET is competent to meet the requirements in providing qualitative technology support services. CIPET renders technical, consultancy and advisory services to polymer and allied industries in different fields of Polymer Science & Technology.

In processing section students learnt about the working of moulding machines like double colour Injection moulding machines, microprocessor control machines, all electric machines, multilayer blown film machines, stretch blow moulding machines (at selected centres) roto mouldig by using these machines Inspection, proving and evaluation of moulds and dies and moulding of components Testing of mould ability and optimization of processing conditions/parameters.

In testing section students learnt about the complete range of analysis of polymers plastics and composites and provide best services to the plastic and allied industries by undertaking assignments of plastic materials, products, composites testing as per various National and International standards.

In tool room students observed the various CNC machines that enable the centers to handle commercial job assignments for mould fabrication high precision machining and manufacturing of standard mould bases for plastics products of any profile shape or complexities.

In the Design section they knew about the different software that is used in CIPET. CAD / CAM /CAE . Departments of CIPET provide world class technology and engineering services, with an excellent combination of engineering Knowledge and software skills and industrial experience.

Our students observed the working of different tool room machines like

Jig boring machine

Co-ordinate drilling and boring machine.

Rigid die sinking machine centre lathe with hydro copying attachment

Rotary surface grinding cylindrical grinder

Optical profile grinding machine

Conclusion:

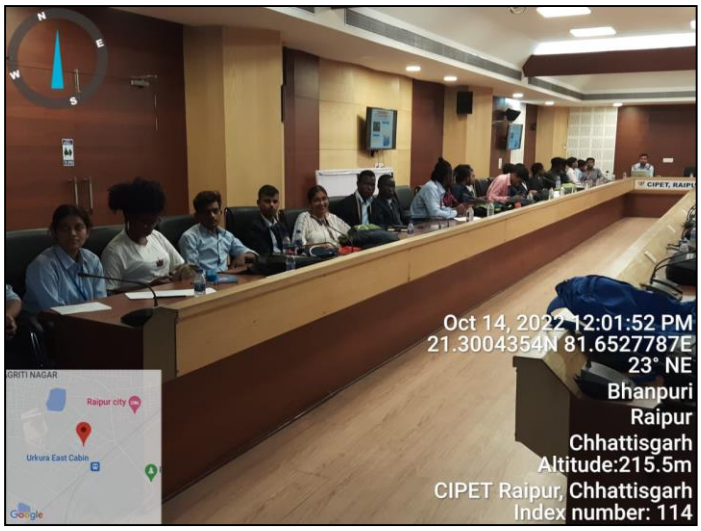

From this visit, on 14th Octuber students received the information about Plastics, Processing, Testing and Tool room and design. Faculty members Mr. Gaurav Tamrakar, Mr. Shailesh singh thakur,Mr.Swapnil Shukla and Mr. Kunal Dewangan were accompanied with students during industrial visit.

"National Legal Writing Competition" Organized by Faculty of Law on 15th October 2022

Title- "National Legal Writing Competition"

Event Type: Online

Objective and details of the event:

The objective of this legal writing competition was to bring out the creative writing talent of law students across the country about the interface of law and emerging technology. The event was mainly focused to bring together the students of law on a platform where they will come up with legal insights about the impact of technological developments in the field of law. Through this competition, we sought write-ups from the participants highlighting the evolving issues in law and technology.

Participants for legal writing competition made their respective submissions on the following below-listed sub-topics.

- Law and Artificial intelligence
- Regulation of Cryptocurrency
- IPR in Cyberspace
- Judiciary and Technology
- Cyber Terrorism and Warfare
- Jurisdictional Issues in Cyberspace
- Use of Technology by Investigative Agencies

Competition Schedule:

Thelast date of registration for the event was 30th September 2022. Submissions of full articles was accepted till 15th October 2022 and the results was declared on 20th October 2022.

Event Outcome:

Students, scholars and academicians from legal field all over the nation were invited to participate in the event. A total of 36 registrations were received of which the top three articles were selected by the faculty

coordinators as the best write ups and were subsequently awarded as the first, second and third position holders. The submissions were published on the website of our collaboratortealfeed.com under the profile of 'Kalinga University'.

Below mentioned are the names and respective cash prizes to be awarded to the top three position holders-

Results

1. Cash prize of Rs. 1500 to be awarded to Deepega M. fromSchools of Excellence in Law, TNDLAU

2. Cash prize of Rs. 1000 to be awarded to Alfonsa SajifromRamaiah College of Law, Bangalore

3. Cash prize of Rs. 500 to be awarded to Malavikaa GaneshfromSaveetha School of Law, SIMATS

"Educational Visit to Agri- Carnival 2022, Indira Gandhi Krishi Vishwavidyalaya, Raipur" by Department of Organized by Department of Botany and Microbiology, Kalinga University, Naya Raipur On 18-10-2022

Objective of the Program:

1. To familiarize students with different aspects of Crop Improvement, Modern Techniques of Hybridisation, Tissue Culture, Organic Farming and Biocontrol of Economically significant Plant Pathology.
2. To make students understand how global solutions can be found for local problems and how strategies are developed to address food and nutritional security.
3. To facilitate students' interaction with the agricultural fraternity, scientists, researchers, academicians and entrepreneurs showcasing advanced techniques and technologies.

Program Schedule:

Details of Program:

Students paid a visit to the various units set up at the Agri Carnival and observed the practical applications of the concepts they had previously learnt in the classrooms**.**

Biofertiliser Exhibition

The students and researchers of IGKV set up a unit exhibiting Cultures of beneficial microorganisms present in nature that increase nutrient availability to crops. Biofertilizers can increase crop yield by 10-50 percent and it is a cheap, non-polluting form of organic fertiliser. They also showed products they had developed for commercial use by farmers like *Rhizobium* – used in pulse crop and leguminous crops (provides nitrogen), *Azotobacter*- used in vegetables and flowers (fix nitrogen and fix plant growth hormones), *Azospirillum* – beneficial for non-leguminous plants , K.B.S- important for flowering (provide potassium), Zinc- used through seed, soil and by dipping of roots.

Bio control Exhibition

The students and researchers exhibited how diferent biological agents can be used to control pests and pathogens of important cultivated crops. Students observed how Light Traps and adhesive traps can be used to control pests like white fly, thrips, aphids etc. attacking vegetables, horticultural crops and other field crops.

Biofloc Fish Farming

It is an innovative technique in which probiotics are added to the fish tanks to form proteins from the toxic fish wastes and other organic matter present in the water. This technology maintains water quality and is very cost effective.

Akti Seeds, Richhariya Lab

The renowned Richhariya Lab is rice seed bank and it has 23250 varieties of stored rice germplasm .The rice bank had various medicinal rice varieties like Gatuwan, used for patients suffering from joint pains , Bhejari used for easy removal of placenta after delivery in cows and Buffaloes, Laycha given to pregnant women for healthy foetal development and Madhuraj 55 which has low glycemic index and is beneficial for diabetics.

Tissue Culture Lab

Students observed the bamboo being grown by Tissue Culture for the state's Bamboo forest revival Programme.

Mushroom Production

Mushroom cultivators demonstrated how Mushroom can be grown on farm leftovers organically in an economically sustain

able way.

Exhibition Stalls put up by NGOs, Women SHGs, Farmer Producer Organizations

Students visited the stalls which exhibited Bastar coffee production, processing of minor millets, linseed textile units , turmeric farming and it's varieties, preparation of herbal gulal , traditional and modern agricultural equipment etc .

The representative of a women SHG explaining the changes brought about by the usage of a simple power driven mill for the production of millet flour and how the usage of millets can address dual issues of rural employment generation as well as nutritional security.

Program Outcome:

1. Participants could correlate the classroom concepts with their real life applications.
2. Participants were able to learn about new and innovative agricultural tools and techniques.

Number of Students participated:18

Number of faculty participated: 02

Glimpses of the event:

Students learning about the working of Sprinklers and Drip Irrigation technique equipment

The Health benefits of *Moringa*based herbal tea

Students learning about different molecular markers and their use in Plant Hybridisation

Coffee growers explaining how Bastar Coffee is produced

Students observing Coir Handicrafts

Students observing different stages of growth of Bamboo grown by Tissue Culture

"Recent Trends in Manufacturing System" Organized by "Mechanical Engineering Department" on 19th October 2022

Title- "Recent Trends in Manufacturing System"
Date: 19-10-2022
Time of event: 02:00 PM
Event Type: Online
Venue: Google meet

Objective of Program:

The purpose of this guest lecture on Recent Trends in Manufacturing System is to give updated information about the Manufacturing system in mechanical Engineering.

Profile of Resource person:

Resource Person 1:
Name: Dr. B.R.Bundel
Designation: Professor & Dean Engineering
Organization: Pt. L.R. College of Technology, Faridabad

Details of Program:

Guest lecture started by Dr. V.C.Jha Head of the department of Mechanical and Mining Engineering Department. He welcomed the speaker and introduced about Faculty members of the Mechanical and Mining Engineering Department and all the students. The Resource person has given a speech about Recent Trends in Manufacturing System.

The Resource person explained about additive manufacturing. This system can eliminate more constraints imposed by traditional manufacturing. He made focus on 3D printing and all its processes. Additive Manufacturing system can provide higher performance than conventional components. It can be manufactured cost effectively in series production. It requires minimum post processing

Program Outcome:

Students learnt that Light weight additive manufacturing parts are cheaper. There is a freedom of design, light weight design, elimination of production steps and potential elimination of tooling.

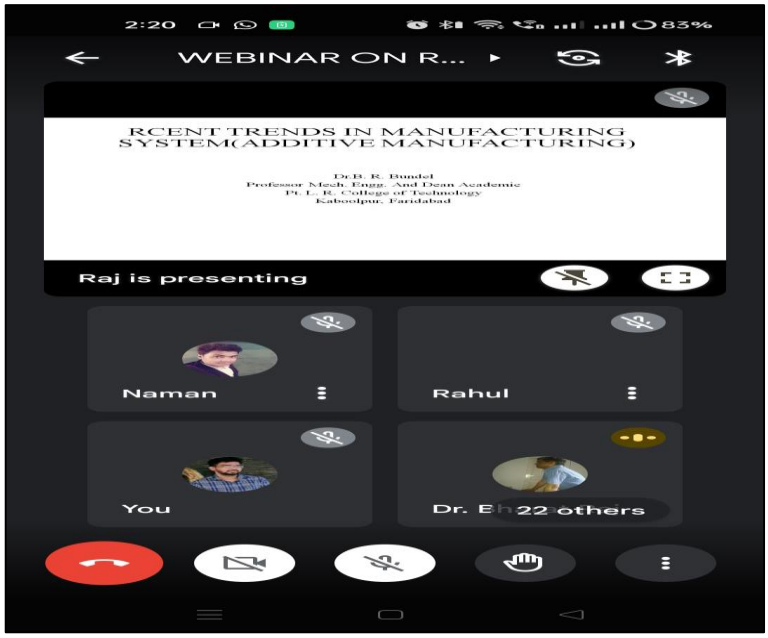

Resource person also made focus on the application of additive manufacturing in automotive, aerospace, biomedical, consumer goods and many more. He used examples throughout the presentation to understand the students. Lecture was very interactive.

Grand Diwali Carnival 2022 by Department of Science on 19th & 20th October 2022

ABOUT THE ACTIVITY -

- Grand Diwali Carnival 2022 exhibition cum sale was planned for students of fashion design

AIM FOR CONDUCTING THIS ACTIVITY:

- Students should enhance their creative skills and imagination.
- They should be well versed, motivated, and enthusiastic towards creative tasks.
- Diwali décor of the department.
- They should understand the marketing & selling tricks.

THE FOLLOWING FACULTIES WERE PRESENT DURING THE ACTIVITY:

- Mr. Kapil Kelkar – HOD Fashion Design Department.
- Lt. Vibha Chandrakar – Assistant Professor Fashion Design Department.
- Dr. Smita premanand - Assistant Professor Fashion Design Department.

ABOUT THE ACTIVITY: in the departmental activity calendar, a pre Diwali exhibition cum sale was already planned, so department of fashion design, organized a Pre Diwali Exhibition Cum sale named as GRAND DIWALI CARNIVAL 2022; of designer Diwali products, wherein students made hand made items like designer Diyas, Pooja thali, Lamps, decorative bottles, table top accessories, jewellery, hair accessories, scrunchies, sarees, dresses, skirts, paintings, dream catchers, wall hangings etc.

It was a 2 days event organized on 19th & 20th of October 2022 from 10 am till 3.30 pm. Huge crowd walked in to see the creative stuffs of the students and even purchasing was done by the visitors. Products of around amount worth 55000/- were sold out in those 2 days. We got lot of appreciation for the hard work we put in for the event.

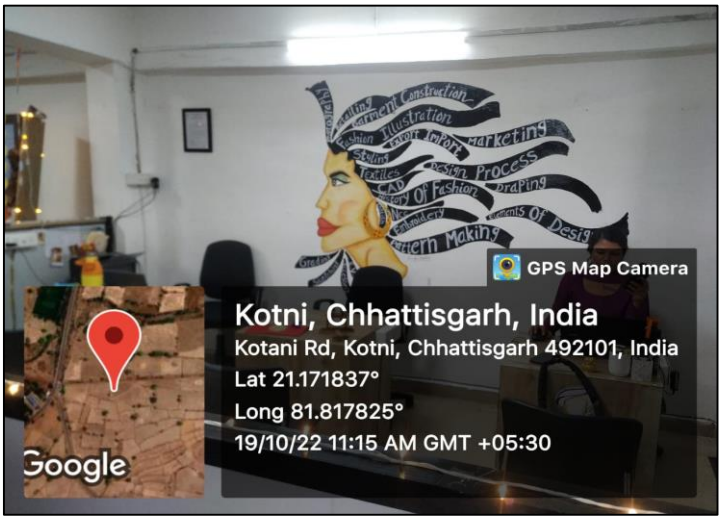

The whole department was decorated for the exhibition where wall paintings were done by Mr. Kapil kelkar Hod FD dept himself along with students help.

"Seminar on Artificial Intelligence, Law and Future" Organized by "Kalinga University" in collaboration with " Durg Bar Association" on 20th October 2022

Title- Seminar on Artificial Intelligence, Law and Future

Date: 20-10-2022

Time of event: 2pm to 3pm

Event Type: Offline

Venue: District Court, Durg

IOM/Circular

Objective of Program:

1. To inform the advocates about the usage of Artificial Intelligence in Law and how it can help them to lessen down their burden.
2. To make the advocates aware about the initiatives of Hon'ble Supreme Court to inculcate the usage of Artificial Intelligence in Court working and proceedings.

Details of Program:

The Programme was started with the speech of our Vice- Chancellor sir Dr. R. Shridhar. Sir, spoke about Artificial Intelligence and why it has been emerging so fast in the world. He explained about different fields where artificial Intelligence is helping to lessen the burden on professionals and providing more accuracy in their decision making and prediction.

Then Ms. Shreya Singh Ma'am highlighted the points related to the usage of Artificial Intelligence in order to speed up the process of Investigation with the help of Artificial Intelligence. The interaction primarily focused on the increase in use of the artificial intelligence in the courts within the territory of India. The use of artificial intelligence in recognising the blurred number plates of the car, determining from the audio of the firing of the bullet the kind of pistol and trajectory of the bullet etc.

Further Mrs. Saloni Tyagi Shrivastava Ma'am highlighted the use of AI in the Supreme Court of India. She discussed the systems named SUPACE and SUVAS which are presently being used by the Supreme Court to minimize the number of pending cases. She also mentioned KIRA, CASEMINE and ROSS AI which is used in various other jurisdictions to lessen the burden of the Courts. It also helps the advocates and judges to quickly get an update on the current matter listed before them.

She also explained about the integration of Artificial Intelligence with other Initiatives of Ministry of Law and Justice like LIMBS, SC-INTERACT and NYAYA BANDHU APP and how this integration will help the advocates and judges to speed up their working without much hustle and they could serve more number of people in less time. AI is not going to supplant the human but it can supplement the efforts of humans to boost the Judicial proceedings and clear the pending backlog of the cases in various courts of the Country,

Diwali Milan 2022 was organized for faculties and staffs of Kalinga University with flying colours on 20 October 2022

Diwali Milan 2022 was celebrated by the faculties of Kalinga University with enthusiasm on Thursday at University Auditorium. University campus was buzzing with happiness of Diwali festival with illumination of university building with colourful lights. The event was full of surprises for the participants. Auditorium was packed to capacity. Gifts were distributed to the faculties and staffs by the Human Resources department to mark the occasion. Beautiful Rangoli was decorated at the reception area by department of Interior Designing for the celebration of festival of light, Deepawali. People started greeting Happy Diwali to each others on the occasion of Diwali festival.

On the occasion of Diwali festival a colourful programme of Diwali Milan 2022 was organised by the department of Dean Students Welfare. Programme began with lighting of traditional lamps before the idol of Goddess Saraswati by Registrar Dr Sandeep Gandhi, Dean Students Welfare Dr Asha Ambhaikar, Dean Academic Affairs Mr Rahul Mishra and other degnitories present during the programme.

Welcome solo Odissy dance was performed by Ms Smriti Sarangi faculty of Computer Science Engineering department. Self composed poem was presented by Ms Neha Singh, Student Coordinator. Audience appreciated the dance and poem presentation. Diwali gifts were distributed to the Heads and Deans of different departments of Kalinga University. Ms Madhumita Ghosh faculty of Arts and Humanities deparment presented solo song in melodious voice. Santosh Dhruw, Electrician presented Chhattisgarhi solo song which is also our state song. Gym trainer Prabhat Yadav presented a solo dance. Miss Nikita faculty of Computer Science Department presented a solo dance. Ms Priya Paul, faculty of Biotechnology departmet presented an attractive solo dance. Dr Upasna Das faculty of Microbiology department presented Solo Song. Ms Abhismita faculty of Arts and Humanities department performed a solo dance. A thrilling group dance was performed by the staffs of Kalinga University's City office.

Melodious songs were presented by Dr Abhishek Tripathi, Dean of Commerce and Management Department. Flute was played by Dr Sandip Tiwari, Principal of Pharmacy Department. Details of Program:

Department of Botany conducted Plantation drive and inauguration ceremony of Cactus garden on 21st Oct. 2022 at Cactus garden, university campus. More than 20 types of different Cactus species (viz. *Gymnocalycium mihanovichii, Notocactus warasii, Stenocactus multicostatus, Ferocactus glaucescens,*

Mammillaria polythele , etc.) were brought from the different locations(viz. Lucknow, Allahabad, Raipur, Ayodhya, Shahdol) and planted in the cactus garden. The inauguration of cactus garden was done by honourable registrar of the University, Dr. Sandeep Gandhi. On this occasion saplings of different plant species Acacia, Amla, Bel, Ixora, Neem and Mango were planted in the garden. On this occasion Dr. C.K. Sharma Dean, Faculty of Science, Dr. Deepa Biswas, HOD Botany, Dr. Sushma Dubey HOD Biotech, were present and participated in the plantation drive. The whole activity was coordinated by Mr. Abhishek Kumar Pandey, Dr. Faiz Bux, Ms. Abhismita Roy. In this activity students of botany, microbiology and biotechnology actively participated in this event and made this event successful.

Seminar on Analysis & Meterial Characterization by Faculty of Science, Department of Chemistry on 4th November 2022

Objective of the Event:

- To explain about the various characterization techniques of the materials.
- To explain about the sample preparation and principals of the techniques.

Speakers:

1. **Dr. Barna Pal Majumdar**

Assistant Professor,
Department of Chemistry,
Bhilai Mahila Mahavidayalaya Bhilai

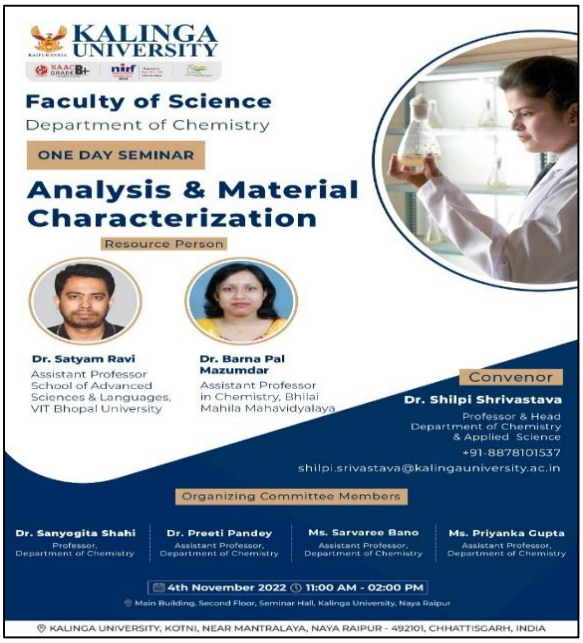

2. **Dr. Satyam Ravi**

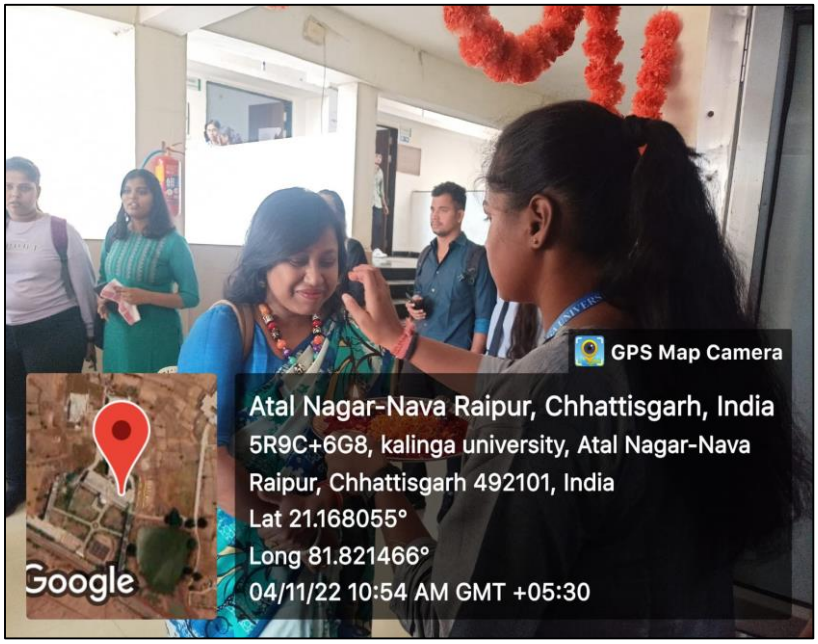

Assistant Professor,Grade I
School of Advanced Sciences
& Languages,VIT Bhopal University

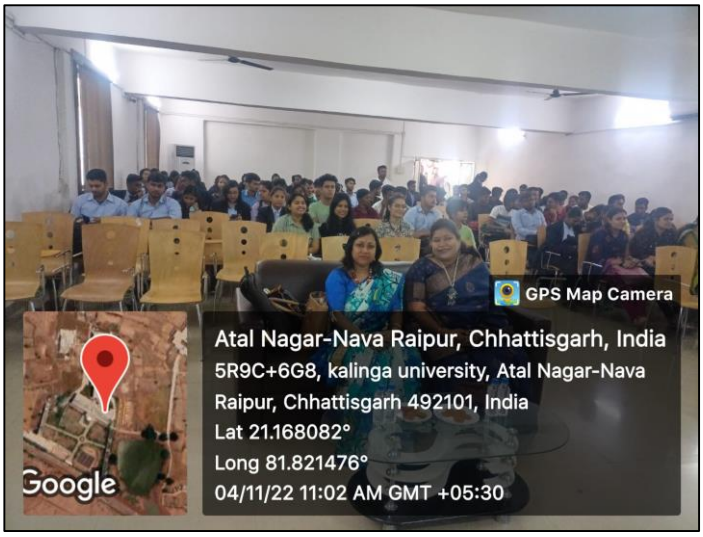

Outcome of the Event:

Total 227 students were registered in this activity. 180 students are present in this event; they are very much interested on the session help students to identifies the knowledge about the advance characterization of the materials. And now students got information about the analytic techniques. Students asked lots of questions to speakers regarding the topic.

VJ Hackathon 2022 (Victory & Joy in Smart Innovations) on Department of Computer Science & Engineering. VJ Hackathon 2022 was held on the 4th & 5th of November 2022

About VJ Hackathon

CSI VNR VJIET Hyderabad, conducted VJ Hackathon 2022 (Victory & Joy in Smart Innovations) in collaboration with the Department of Computer Science & Engineering. VJ Hackathon 2022 was held on the 4th & 5th of November 2022. It was a nationwide event with participants and jurors came from all over the country including IITs, NITs, IIITs, and other Universities.

The domains under the VJ Hackathon include:

- Agriculture
- Smart Education
- Healthcare

Details of Event

Problem statement

TITLE: GAMIFIED LEARNING

DOMAIN: Smart Education

DESCRIPTION:

Usually, children hate the learning process because they have to repeatedly learn the same thing for a long time. Making learning an interesting activity can be of great help here. They get bored with the routine study schedules and procedures.

The system is failing to create an interest in pedagogy. One of the important reasons why children may find studies boring is the wrong method or way of teaching. Games are loved by children as they give them the universal freedom to express themselves and enjoy themselves. It gives them a feeling of relaxation and happiness.

REQUIREMENTS:

You're required to build an easy-to-use platform to gamify the experience of learning for toddlers

and pre-teens. It should include rewards to encourage them to learn more. Each level in the game must ensure a learning outcome. Each topic's level should retain its proper hierarchy. Daily or weekly learning outcomes are great to keep the learners on their toes.

ADDITIONAL REQUIREMENTS:

1. Include the majority of topics covered in any elementary or middle school grade's curriculum.
2. Add a feature to allow the learners to convert the rewards into goodies.

Training session on "Protein Estimation and Biochemistry Analyser" concluded on 5th November 2022

New Raipur. Kalinga University is a prestigious higher education institution in central India. It has been accredited with B+ rank by the National Assessment and Accreditation Council (NAAC). It is the only private university in Chhattisgarh which is among the top 101-150 universities in NIRF Ranking-2022.

It may be noted that the well-equipped Central Instrumentation Facility (CIF) has been established in Kalinga University to develop new research and innovation focused on value-based quality education and research. University students and faculty as well as post graduate students from outside educational institutions by CIF for a prescribed fee, Special training programs have been organized by providing high-end research equipments for interested participants of research students, scientific officers and other institutions. So that a better research environment can be created. In this context, a series of training programs have been organized by the Department of CIF in Kalinga University. Under which a one-day training session on "Protein Estimation and Biochemistry Analyzer" was organized on 05 November 2022.

The said one-day training program organized at the Pharmacy building of Kalinga University was inaugurated by the Vice-Chancellor of the University, Dr. R. Sridhar, Director General, Dr. Baiju John, and Deans, Heads of Departments, participants and students of various faculties of the University, Goddess of knowledge and learning, Maa Saraswati. After lighting the lamp in front of the idol and worshiping Saraswati. Dr. R. Sridhar, Vice-Chancellor, Kalinga University, while addressing the participants said that "The main objective of this training program is to provide hands-on practical knowledge with the latest and most advanced analytical techniques for cutting edge research in various fields of science and technology . So that the users can understand the new research methods through the laboratory and experiment in their research work, as well as understand the importance of its industrial requirement, get trained and be successful in fulfilling their objective. After attending this training workshop, researchers will be able to use their accurate research findings in their field of work as well as become participants in global development by publishing them in prestigious research journals of India and abroad.

Dr. Baiju John, Director General, Kalinga University said, "The structure of this training program has been designed in such a way that the trainees can understand the laboratory research and industrial requirement and achieve their goals easily. After the training program, definitely the trainees will be benefited from the knowledge of training method and expert professors under this platform. And will understand the working and operation process of advanced instrumentation easily." The program started after the introduction and welcome of the guests in the training program. In the first technical session, Dr. Manoj Singh, Head of Department of Animal Science and Mr. Abhishek Pandey, Assistant Professor of Botany To give detailed information on various applications of Protein Estimation and Biochemistry Analyzer by After that highlighted the practical principles. While in the second training session both the expert professors gave

practical training by successfully demonstrating the test of "Protein Estimation and Biochemistry Analyser" by preparing samples.

This training program was successful in imparting basic knowledge on the capabilities and limitations of Protein Estimation and Biochemistry Analysers. Which is very useful for food industry, dairy industry, pharmaceutical industry, automobile industry, polymer and plastic industry, petroleum, chemical and agriculture industry. In this training programme, the participants were given detailed training on its various applications as well as lectures on theoretical aspects, demonstrations and knowledge of the new technology. Participants from various institutions took part in the said training programme.

At the end of the training program, Dr. Manoj Singh, Head of the Department of Zoology, gave a formal vote of thanks to the guests and participants present. With this the training program came to an end. Vice-Chancellor of the University Dr. R. Sridhar, Director General Dr. Baiju John, all the Deans and all the professors of the concerned department were present at the closing ceremony of the said one-day training workshop.

Science Center visit for Btech and diploma First semester students by Department of Applied Science On 11th November 2022

Objective of the Event:

- The objective of the National Science Centre is to engage, educate and entertain the visitor through thematic exhibitions, interactive educational activities and outreach programmers**.**

Outcome of the Event:

Total 120 students are present in this educational visit; they are very much interested on the activity. The visit is very beneficial for students in the following aspects-

- To design, develop and fabricate science museum exhibits, demonstration equipment and scientific teaching aids for science education and popularization of science.
- To portray the growth of science and technology and their application in industry, human welfare and environment, with a view to develop scientific attitude and temper and to create, inculcate and sustain a general awareness amongst the people. Students asked lots of questions to the scientists.

Department of Botany & Microbiology, Faculty of Science organized the "The Ultimate Life Science Quiz" an offline event, Kalinga University, Raipur (C.G.) in the presence of, faculty of science and students of microbiology, botany, bioinformatics and forensic science. The departmental quiz competition was successful and the students enjoyed the session thoroughly. The quiz was divided in three rounds; the first

round was visual-question round, second one was MCQ round and the final one was rapid fire round. The students were divided in three groups. Among those, two groups (Group 1 and 2) qualified the first buzzer round. In the 2nd round, the Group 1 won and qualified to the final round. In the final round, the players of Group 1 participated individually for the rapid-fire. Ms. Tanisha Mitra from B.Sc. Microbiology, Sem I, stood 1st, Ms. Smriti Rakesh from the M.Sc. Botany, Sem III, was the 1st runner up and Ms. Apoorva Dewangan from M.Sc. Forensic Science, Sem I, was the 2nd runner up.

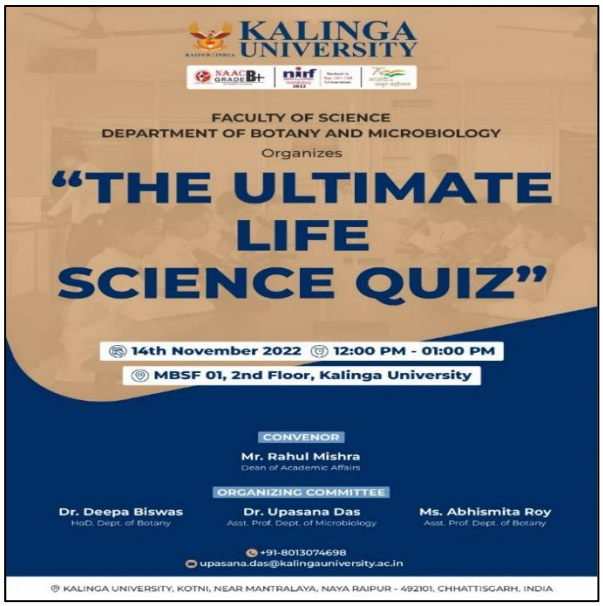

Program Outcome:

1. Participants learnt new information relevant to their fields.
2. Participants moved out of their comfort zone and performed for their teams.
3. Participants practiced critical thinking and prompt responding.

Introduction

Kalinga University, Raipur has emerged as a centre of excellence of higher education in Central India. Strategically located in the Smart City of New Raipur, this University has started carving a niche for itself in the education domain and is rising as a shining star on the horizon of quality education.

About Raipur – Raipur is the Capital of Chhattisgarh and New Raipur is the New Capital of Chhattisgarh in the making. New Raipur is the fourth planned city of India with wide roads and miles of greenery and is pollution free. It is the first Integrated and Smart City of the country. A cosmopolitan city which is also the hub of higher education hosts IIM, IIT, IIIT, National Law University, CIPET, NIT and AIIMS. In addition it also hosts most National and International brands of Food and Retail Outlets.

Establishment - Established in 2013, this university has been able to win the confidence of over 7000 students. Meritorious students from all over the country and various foreign countries namely Afghanistan, Bangladesh, Nepal, Nigeria, South Korea and Uganda have chosen this University for their education and career.

Schools of Excellence - A centre for Doctoral research programmes in various fields. Currently the University is serving the student community through various UG and PG programs namely Engineering, Law, Pharmacy, Arts & Humanities, Science, Commerce & Management, Biotechnology, Information Technology, Library Science, Fashion Design & Interior Design.

Academics and Faculty - All schools are headed by senior professors having excellent academic credentials and experience of teaching, publications and research. They are ably supported by the well qualified faculty members who come from top educational institutions and the Industry. Students also get an opportunity to learn from a distinguished panel of experts drawn from various industries, who regularly come for guest lectures.

Infrastructure – Kalinga boasts of World Class Infrastructure and student facilities with student centric approach. Highest attention is paid to hands on learning approach and students are encouraged to come up with innovative ideas for projects and practical's. The University has more than 75 laboratories and workshops, all well equipped with the latest, state of the art apparatus and tools. Special emphasis is given to the development of communication skills through the language lab. More than 1200 computers are available for the use of the students.

The Library has a collection of over 79,000+ books and also offers Digital content through membership of DELNET, National Digital Library and NPTEL. Various magazines and journals are available for the use of the faculty and students.

About the Conference

In today‟s globally competitive environment, intellectual property has placed itself on a pedestal in the context of economic growth and is becoming increasingly important. New innovation is the fuel that powers

the engine of prosperity, fostering invention and innovation. The increasing significance of intangible assets in the global economy is forcing business organizations to actively manage their IP as a key driver for building and sustaining their competitive advantage and achieving superior performance. Kalinga University Naya Raipur organised a Two Days National Conference on Recent Advancements in Engineering & Computiing Technologies-NCRAECT-2022". The focus of the conference was to promote the creation, protection, innovation & new technology has gained centre stage and has attained more focus, more attention and is a subject matter of discussion between government, institutions, industries under various regimes and protocol that are put in place to ensure that the world in which we live, where knowledge and innovation are the engines of development and growth. In that world, those who have the creative minds and ability should feel assured that not only their efforts have been duly recognized but it is secured in a specified manner. It is also important to promote intellectual property licensing practices, Innovation, new technology are particularly, with a view to foster creativity, innovation and the transfer and dissemination of technology to developing countries and least developed countries. India should share its IP for the betterment of other nations as done in the past. There has to be both free transfer of technology which will address the challenge of climate change and also transfer of recourses to poor countries. The effective use and management of Innovation and trends is the need of the hour for recent technology and to minimize the risk involved in the new venture. The objective of the conference is to provide a platform to academicians and researchers along with the industry people to discuss the changing role of technology, innovation, upcoming trends and engineering development.

Participants:

Total 288 Participants attended the conference, Students of Diploma, Btech, and M.tech. participated in the program. Faculty members, academicians and research scholars from different institutes also presented oral presentations in the conference. In this event there were invited speakers on various issues of new innovations and technology in engineering.

The welcome note was presented by. Mrs. Aabha Sahu from the Faculty of Engineering including the brief profiles and introduction of the guests with Hon.Chairman Dr. Rajeev Kumar sir,Hon.Chancellor Dr.Sandeep Arora sir,Vice Chancellor Dr. R.shridhar sir, Director General Dr. Byju John sir, Respected Registrar Dr. Sandeep Gandhi sir, and the Convenor Dr. N.K. Dhapekar & Mr.O.P.Dewangan . Students were very keen to listen to the guests as their presentation was interesting and they covered basic concepts of Engineering and Technology and also elaborated on the applications of innovations in the Field of Engineering.

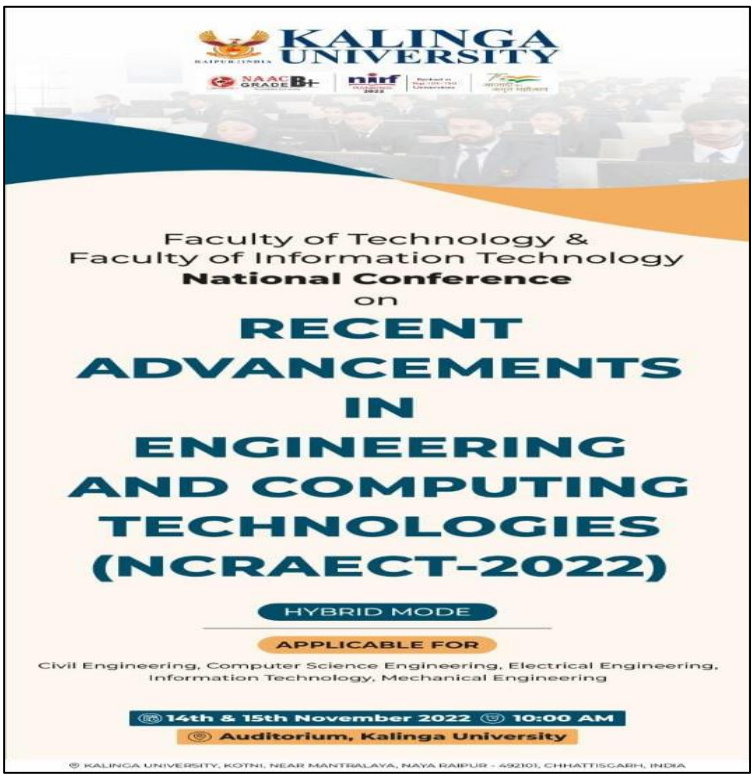

The topics were interdisciplinary so Heads, Faculty members and the students from various departments participated in the lectures and asked their queries to fulfill their curiosity and to know more about the recent innovations and research in the field of Engineering.

To sum up…..

In contemporary time it would not be exaggerated to say that the creativity and innovation is the key to successful business. It gives the maker sole responsibility for idea, also to owning physical property like a house. Proprietors can control the utilization of their licensed innovation to increase money related reward. Recent technology can be critical in helping new ventures transform their innovation potential and creativity into market value and competitiveness. New techniques allow innovative entrepreneurs to protect their inventions. They may also have multiple other functions, such as knowledge markets and networks, and preventing rivals from patenting related inventions. However, engineering systems can also create obstacles to the development of innovative ideas and hamper knowledge diffusion and innovation. Evidence at the firm level indicates a positive correlation between patenting and new ventures‟ growth, access to venture capital and survival. Data shows a huge upsurge in patent applications in the last decade, with a strong variation in the share of young patenting firms across countries. Effective engineering systems can facilitate access to finance and the development of markets for technology, both of which help innovative technology. Such systems also provide incentives to invest in R&D and innovation, and can encourage technology co-operation with firms, universities and PRIs. New trends systems need to fully take into account the new roles played in the economy by patents and other types of innovation, and in particular how they relate to innovation (e.g. the increasing use of patents). Recent trend systems also need to adapt and modify technology in order to better match it with the characteristics of today’s innovative world.

"Scientific Writing & Painting" by Department of Biotechnology

On 16th November 2022

Department of Biotechnology, Kalinga University has organized Activity on a theme: Scientific Writing & Painting on 16th Nov2022 at 02:00-04:00pm, venue- Biotechnology Lab.

The inauguration of the talk was marked by the eminent presence of Dr. Sushma Dubey (Head of the Department), Faculty members:Dr. Suchitra Ku Panigrahy, Dr. Shraddha Mishra, Dr. Varsha Jha and Students.

B.Sc.3rd, B.Sc. 5th and M.Sc. 3rd-semester students participated in group/individually presenting their scientific paintings. The scientific paintings are representation of a particular phenomenon happening in our daily lives and around the world. This activity will give all the students an opportunity to show their artistic as well as scientific understanding. This will also make them understand that how to express their emotion scientifically. This activity was very interesting and innovative. Total 9 students were participated in this activity.

Prizes:

1st Prize:Rahul Meher

2nd Prize: Vindhyasini Singh

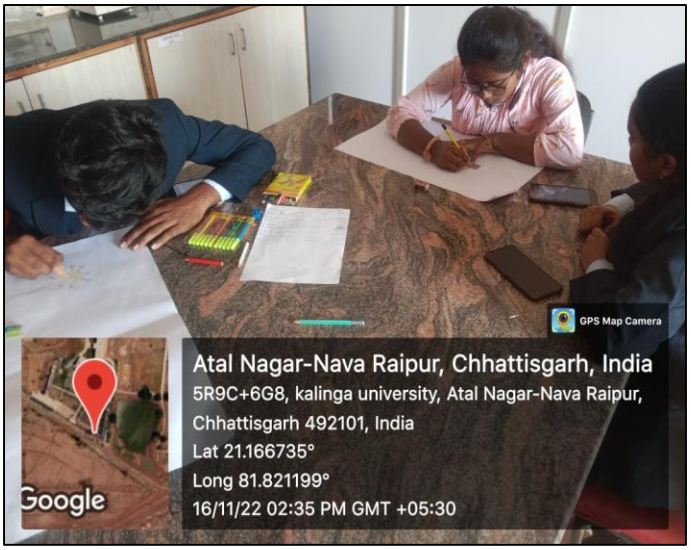

3rd Prize: Anamika Sahu; Aastha Kashyap

Dr. Sushma Dubey, Head of Biotechnology Department gave concluding remarks and appreciated the participants with their speech. Dr. Suchitra Panigrahy, Dr. Shraddha Mishra and Dr. Varsha Jha and Mr. Vaibhav Dubey helped in conducting the activity smoothly.

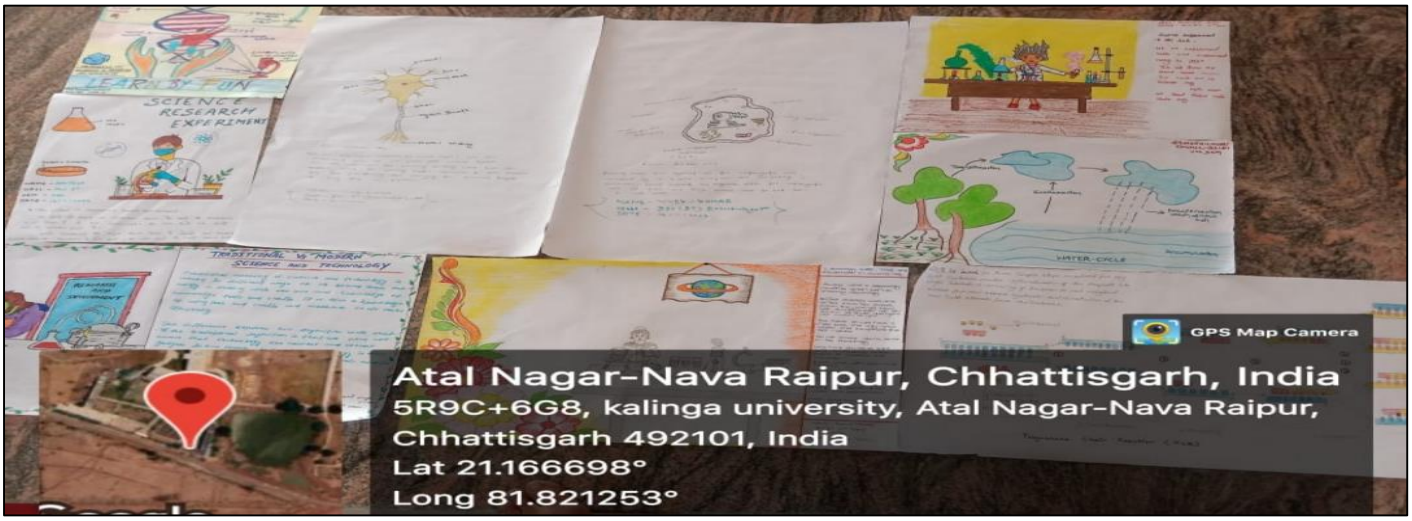

Acknowledgement:

The Department of Biotechnology under the aegis of Faculty of Science, Kalinga University, Naya Raipur wishes to express sincere gratitude to Respected Chairman Sir, Chancellor Sir, Vice Chancellor Sir, Registrar

Sir, DSW Madam, Dean , Dean Academic Affairs, Head HR Department, Head of the Department for providing such a great opportunity for Biotechnology students.

Subject: Seeking your permission for one day Industrial Visit to Pandit Ravishankar Sagar (Gangrel Dam), Dhamtari.

Dear Sir/Ma'am,

We have pleasure in introducing Kalinga University, Naya Raipur and to inform that Kalinga University is established by the Government of Chhattisgarh as a Private University and it is notified in the Chhattisgarh State Gazette on March 23, 2011. The University is approved by the UGC, New Delhi under Sections 2(f) and 12(B) of the UGC Act of 1956 and is listed in the list of private universities maintained by the UGC on its web site (www.ugc.ac.in). It is also approved by AICTE, BCI, PCI, NCTE and UGC – DEB. It is pertinent to mention that we are the only university in Central India having UGC 12(B) approval and the 9th private University in the whole country to have this prestigious approval which is given primarily for research and Development. We offer a diverse range of programs in **Engineering, Management, Commerce, Law, General Sciences, Humanities, Journalism, Interior and Fashion Designing, Pharmacy, Education** and other programs.

Kalinga University is accredited by NAAC and it also has the distinction to become the only Private University in Chhattisgarh that feature among 101-150 Top Universities in the Country in NIRF Ranking 2022. Kalinga University has been placed in the rank band of 101-150 in the NIRF ranking 2022.

As a part of the curriculum of student industrial/educational visit is mandatory, so as to provide with them the real insight of working procedure of an esteemed organization such as yours and fulfill the curriculum demand, we request you the industrial visit. Kindly accord permission to visit your esteemed organization for a team of 40 aprrox including students of UG & PG and faculties members as on *16November 2022*.

मुख्यमंत्री ने रानी लक्ष्मीबाई की जयंती पर उन्हें किया नमन

8

रायपुर (विसं)। मुख्यमंत्री श्री भूपेश बघेल ने प्रथम भारतीय स्वतंत्रता संग्राम की वीरांगना रानी लक्ष्मी बाई की 19 नवम्बर को जयंती के अवसर पर उन्हें नमन किया है। उन्होंने कहा कि रानी लक्ष्मी बाई ने अपनी मातृभूमि की रक्षा और सम्मान के लिए प्राण तक न्योछावर कर दिए। रानी लक्ष्मीबाई ने अंग्रेजों की दमनकारी नीतियों का साहसपूर्वक विरोध किया और जीवन के अंतिम क्षण तक हार नहीं मानी। श्री बघेल ने कहा कि रानी लक्ष्मी बाई का अदम्य साहस और वीरता आज भी लाखों महिलाओं के लिए प्रेरणा स्रोत है।

उद्देश्यों और लक्ष्यों के बिना, जीवन में सफलता नहीं मिलती : राज्यपाल सुश्री उइके

'कलिंगा विश्वविद्यालय' के चतुर्थ दीक्षांत समारोह में शामिल हुई राज्यपाल, कहा- व्यवहारिक ज्ञान, आचार विचार और संस्कार से ही, व्यक्तित्व का विकास सम्भव

रायपुर (विश्व परिवार)। राज्यपाल सुश्री अनुसुईया उइके कलिंगा विश्वविद्यालय के चतुर्थ दीक्षांत समारोह में शामिल हुई। राज्यपाल ने उपाधि एवं पदक प्राप्त करने वाले समस्त विद्यार्थियों को, उनकी उपलब्धि के लिए बधाई एवं शुभकामनाएं दीं। विद्यार्थियों को संबोधित करते हुए, राज्यपाल ने कहा कि उद्देश्यों और लक्ष्यों के बिना, जीवन में सफलता नहीं मिलती है। इसलिए उन्होंने जीवन में सफलता के लिए सभी विद्यार्थियों को सलाह देते हुए कहा कि उन्हें एक सार्थक उद्देश्य के साथ आगे बढ़ने को कहा।

राज्यपाल सुश्री उइके आज नया रायपुर स्थित कलिंगा विश्वविद्यालय के चतुर्थ दीक्षांत समारोह में सम्मिलित होकर, वर्ष 2020, 2021 एवं 2022 के विद्यार्थियों को उपाधि एवं पदक वितरित किए। इस अवसर पर 189 विद्यार्थियों को स्वर्ण पदक, 218 को पी.एच.डी उपाधि, 1745 विद्यार्थियों को स्नातकोत्तर उपाधि एवं 4562 विद्यार्थियों को स्नातक की उपाधि सहित कुल 6,525 छात्रों को उपाधि प्रदान की गई।

राज्यपाल ने नई राष्ट्रीय शिक्षा नीति 2020 के लिए प्रधानमंत्री नरेन्द्र मोदी का आभार व्यक्त करते हुए कहा कि राष्ट्रीय शिक्षा नीति के बेहतर कार्यान्वयन से अगली पीढ़ी के वैश्विक जीवन में सकारात्मक बदलाव आएगा। नई शिक्षा नीति के संबंध में उन्होंने कहा कि यह नीति समानता, गुणवत्ता, और जवाबदेही के मूलभूत सिद्धांतों पर बनाई गई है। इसका उद्देश्य स्कूल और कॉलेज शिक्षा दोनों को ही अधिक समग्र, लचीला, बहु-विषयक और 21 वीं सदी की आवश्यकताओं के अनुकूल क्षमताओं को सामने लाना है। नई शिक्षा नीति के माध्यम से भारत को एक जीवंत ज्ञान समाज और वैश्विक ज्ञान महाशक्ति में बदलना है। स्थानीय भाषा में शिक्षा देना भी नई शिक्षा नीति की एक महत्वपूर्ण विशेषता है। उन्होंने कहा कि जब आप संस्था से बाहर निकलेंगे तो जीवन आपको सीखने का भरपूर अवसर देगा। उन्होंने समस्त विद्यार्थियों एवं उनके अभिभावकों एवं शिक्षकों के लिए गौरव का क्षण है। उनके भविष्य के लिए शुभकामनाएं देते हुए उन्होंने कहा कि हम सभी 'वसुधैव कुटुम्बकम' की भावना के माध्यम से वैश्विक संस्कृति का हिस्सा बन चुके हैं। ऐसे वैश्विक परिवेश में युवाओं को अनेक आकर्षक अवसर तो प्राप्त हो रहे हैं किन्तु साथ ही वैश्विक चुनौतियाँ भी मिल रही हैं। इन चुनौतियों का सामना और उनका समाधान करके ही, विद्यार्थी अपने उज्ज्वल भविष्य का निर्माण कर सकते हैं। उन्होंने कहा कि विद्यार्थी ज्ञान प्राप्त करें, विनम्र रहें, उदार बनें तथा निरंतर सीखते रहें। निश्चित रूप से जीवन में सफलता मिलेगी।

राज्यपाल ने शिक्षकों से आग्रह करते हुए कहा कि बदलती परिस्थितियों के मुताबिक, स्वयं को अपडेट करें और विद्यार्थियों को इसी के अनुरूप शिक्षा दें ताकि वे राष्ट्र और समाज के विकास में अपनी भागीदारी निभा सकें। राज्यपाल ने ज्ञान के विस्तार में अनुसंधान की भूमिका को अहम बताया। उन्होंने अनुसंधान की सुविधाओं को अंतर्राष्ट्रीय मानकों के अनुरूप बेहतर बनाने एवं विद्यार्थियों में अनुसंधान में रुचि के विकास की आवश्यकता बताई। अनुसंधान विकास के नए रास्ते खोलती है। इसलिए युवा प्रतिभाओं को नयी खोज के लिए प्रेरित करना होगा। राज्यपाल ने शिक्षा को सर्वांगीण विकास पर कहा कि हमारे गौरवशाली मूल्यों को आकार देने में शिक्षा महत्वपूर्ण भूमिका निभाती है। डाटा और सूचना तकनीक में समन्वय से हम शैक्षिक विकास को राह को गति प्रदान कर सकते हैं।

श्रीमती इंदिरा गांधी की दृढ़ इच्छाशक्ति ने भारत को भारत की मजबूती का आधार स्तंभ थी इंदिरा गांधी,

रायपुर (दसंदी)

राज्यपाल अनुसुईया उइके कलिंगा विश्वविद्यालय के चतुर्थ दीक्षांत समारोह में सम्मिलित होकर, वर्ष 2020, 2021 एवं 2022 के विद्यार्थियों को उपाधि एवं पदक वितरित किए। इस अवसर पर 189 विद्यार्थियों को स्वर्ण पदक, 218 को पी.एच.डी उपाधि, 1745 विद्यार्थियों को स्नातकोत्तर उपाधि एवं 4562 विद्यार्थियों को स्नातक की उपाधि सहित कुल 6,525 छात्रों को उपाधि प्रदान की गई।

राज्यपाल ने नई राष्ट्रीय शिक्षा नीति 2020 के लिए प्रधानमंत्री नरेन्द्र मोदी का आभार व्यक्त करते हुए कहा कि राष्ट्रीय शिक्षा नीति के बेहतर कार्यान्वयन से अगली पीढ़ी के वैश्विक जीवन में सकारात्मक बदलाव आएगा। नई शिक्षा नीति के संबंध में उन्होंने कहा कि यह नीति समानता, गुणवत्ता, और जवाबदेही के मूलभूत सिद्धांतों पर बनाई गई है। इसका उद्देश्य स्कूल और कॉलेज शिक्षा दोनों को ही अधिक समग्र, लचीला, बहु-विषयक और 21 वीं सदी की आवश्यकताओं के अनुकूल क्षमताओं को सामने लाना है। नई शिक्षा नीति के माध्यम से भारत को एक जीवंत ज्ञान समाज और वैश्विक ज्ञान महाशक्ति में बदलना है। स्थानीय भाषा में शिक्षा देना भी नई शिक्षा नीति की एक महत्वपूर्ण विशेषता है। उन्होंने केंद्र सरकार द्वारा मेडिकल एवं अभियांत्रिकी की पढ़ाई हिंदी में कराए जाने को स्वागत योग्य बताया। उन्होंने कहा कि सभी विश्वविद्यालयों, शिक्षकों, प्रशासनिक अधिकारियों का दायित्व है कि इस शिक्षा नीति को धरातल पर उतारें तभी इसका लाभ हमारे छात्रों को मिल सकेगा। उन्होंने दीक्षांत समारोह का दिन जीवन का एक महत्वपूर्ण चरण होता है। दीक्षांत समारोह को जीवन और सुनहरे भविष्य की एक शानदार सीढ़ी बताते हुए कहा कि जब आप संस्था से बाहर निकलेंगे तो जीवन आपको सीखने का भरपूर अवसर देगा। उन्होंने समस्त विद्यार्थियों एवं उनके अभिभावकों एवं शिक्षकों के लिए गौरव का क्षण है। उनके भविष्य के लिए शुभकामनाएं देते हुए उन्होंने कहा कि हम सभी 'वसुधैव कुटुम्बकम' की भावना के माध्यम से वैश्विक संस्कृति का हिस्सा बन चुके हैं। ऐसे वैश्विक परिवेश में युवाओं को अनेक आकर्षक अवसर तो प्राप्त हो रहे हैं किन्तु साथ ही वैश्विक चुनौतियाँ भी मिल रही हैं। इन चुनौतियों का सामना और उनका समाधान करके ही, विद्यार्थी अपने उज्ज्वल भविष्य का निर्माण कर सकते हैं। उन्होंने कहा कि विद्यार्थी ज्ञान प्राप्त करें, विनम्र रहें, उदार बनें तथा निरंतर सीखते रहें। निश्चित रूप से जीवन में सफलता मिलेगी।

राज्यपाल ने शिक्षकों से आग्रह करते हुए कहा कि बदलती परिस्थितियों के मुताबिक, स्वयं को अपडेट करें और विद्यार्थियों को इसी के अनुरूप शिक्षा दें ताकि वे राष्ट्र और समाज के विकास में अपनी भागीदारी निभा सकें। राज्यपाल ने ज्ञान के विस्तार में अनुसंधान की भूमिका को अहम बताया। उन्होंने अनुसंधान की सुविधाओं को अंतर्राष्ट्रीय मानकों के अनुरूप बेहतर बनाने एवं विद्यार्थियों में अनुसंधान में रुचि के विकास की आवश्यकता बताई। अनुसंधान विकास के नए रास्ते खोलती है। इसलिए युवा प्रतिभाओं को नयी खोज के लिए प्रेरित करना होगा। राज्यपाल ने शिक्षा को सर्वांगीण विकास पर कहा कि हमारे गौरवशाली मूल्यों को आकार देने में शिक्षा महत्वपूर्ण भूमिका निभाती है। डाटा और सूचना तकनीक में समन्वय से हम शैक्षिक विकास को राह को गति प्रदान कर सकते हैं।

The Guests were escorted into the auditorium by Mr. Siddharth Shekhar and Ms. Shivangi Tripathi.

The lightning of lamp ritual took place followed by the chanting of Saraswati Vandana. Thereafter, an introductory address was given to the students by the guest Mr. Rajesh Tiwari on the fact that disabled people are the most ignored category of people in India and the government is reluctant to provide benefits in spite of having sufficient laws and Hon'ble Supreme Court judgements.

Various burning issues and ignored topics such as the following were discussed :

i. 'Exploration of the right to home and family of differently abled persons' - in this the presenter expressed the need for providing shelter to the underprivileged disabled persons as they find it difficult to accommodate themselves properly and are forced to live under open spaces. There is a pressing need to provide basic accommodation by the state as a welfare measure.

ii. 'Differently empowering differently abled women' - in this paper, the presenter explained that differently abled women are the most marginalised section out the differently abled persons who are already an ignored section of the society and hence there is a pressing need for enforcing welfare schemes and legislations for their benfit.

'Re reading the RTE Act in light of the right of persons with disability act complementary or competitive' - in this paper, the presenter pressed the importance of implementing measures to ensure special education at free of cost by the government.

Program Outcome:

1. Participants were able to understand the basic problems of the specially abled persons.
2. Participants were able to understand their social responsibility towards specially abled persons.

   Organisation: Seedling School of Law and Governance of Jaipur National University

4. Name : Dr Teena.

   Designation : Faculty of Law

   Organisation : K.R. Mangalam University

Many issues and important topics were discussed such as the following :

i. 'Constitutional dimension of rights of woman and reproductive health and their policy perspective in India' - in this paper, the presenter explained that under the constitution, the disabled women has the right to get benefits for maintaining their reproductive health. However, there are not many government initiatives to provide maternity benefits to the disabled women and it was suggested to provide for maternity benefits by implementing a separate maternity law for the disabled women.

ii. 'Right to education of the disabled person with learning disabilities in India' - in this paper, the presenter presented that under the current education laws, there are not many provisions which aid

the differently abled persons with learning disability. Legislations and policies are needed for protecting the interest of persons with learning disabilities.

iii. 'Right to employment of disabled persons in India' - in this paper, the presenter pointed out that under the present reservation laws, there is not enough scope for mandating employing of disabled persons and there is a huge gap on the number of disabled persons who are eligible to work and the percentage of reservation given in favour of them. Policy reforms are a must for bringing change in the society.

The session concluded with the feedback of the participants and the dignitaries followed by the vote of thanks given by Mrs. Saloni Tyagi, Head of Department in charge of the Faculty of Law, Kalinga University. The conference was a success as it had fulfilled its objective to educate the mass about the issues of the differently abled persons.

Objective of Program:

- *To publicize the glorious and rich composite culture and diversity of our nation*.
- To explain the purpose behind celebrating Constitution Day.
- To recognize the impact of national leaders in creating and influencing Constitution Day.
- To create awareness among the citizens about the Constitution and its values.
- To create awareness of Fundamental Duties as enshrined in the Indian Constitution

Details of Program:

Constitution is not a mere lawyer's document, it is a vehicle of Life, and its spirit is always the spirit of Age."

— B.R. Ambedkar

The existence and successful survival of democracy in such diverse conditions is the most celebrated fact about our country and constitution is its backbone. To reinforce the significance and importance of constitution the Government of India declared 26th of November as Constitution Day on 19thNovember 2015 by a gazette notification in remembrance of the Father of Indian Constitution, Dr. BR Ambedkar.

Under the aegis of Pro Bono Club, Kalinga University, celebrated the Constitution Day on 26thNovember 2022 to commemorate the adoption of the Indian Constitution from 03:00 PM at the Auditorium hall. Ms. NayanLodha and Ms. Shreya Singh, Assistant Professor, Faculty of law and other keynote speakers on the occasion, addressed the participants about importance of Constitution Day.

The Chief Guest of the event Dr. SushilTrivedi, IAS Retired, took the audience on a journey of the framing of the Indian constitution from its history to its present -day form; and its vital role in bringing together 'an idea called India'.

To reiterate the values enshrined in the Constitution, the fraternity joined Mrs. SaloniTyagiShrivastav, HOD in-charge, Department of Law in the reading and taking oath of the Preamble to the Constitution. The Faculties of the various other departments of Kalinga University reaffirmed its commitment to the Indian Constitution by taking the pledge.

Further on this event, Pro Bono Club of Kalinga University released its monthly newsletter "VIDHI-LEKH". It is one of the first such initiatives undertaken by the faculty members and the students of Kalinga University in an effort to discuss and bring forward various contemporary legal discourses and issues related to it.

Further,Dr. Ajay Shukla, Faculty of Arts and Humanities, explained the importance of Indian culture inconsonance with the Constitution. The Faculty of Law spoke about the importance of being a Sovereign, Socialist, Secular, Democratic and Republic country and the Preamble, the Five year Plan and the Directive Principles. Towards the end of the session, a small online Quiz was conducted to assess the learning of the participants about the day. Participants attempted and participated in the quiz very enthusiastically and promptly.

Lastly, a vote of Thanks was given by Dr. Sandeep Gandhi, Registar,Kalinga University.

Program Outcome:

- Recognize and remembered the impact of national leaders in creating and influencing Constitution Day.
- Reiterated and reoriented the faculties towards the values and principles expressed in the Indian Constitution.
- Encouraged all faculties to play their rightful role in strengthening the Indian Democracy.

Details of Program:

Kalinga University organized a two day International Conference on the theme "Global Crisis in the Present Scenario" in Collaboration with Govt. J. Yoganandam Chhattisgarh College on 2nd 3rd December. This International Conference has five sponsors LIC India, Jindal Power and Steel, Sagar ISI, Sultan Chand (P) Limited and Health Partner NH MMI Narayana Multispeciality Hospital along with more than 250 registrations. More than 100 participants sent their abstracts and full length paper for review. The Conference commenced with lightning lamp and greetings by Ms. Shreya Dwivedi Shukla. Our sponsors Mr. Ravi Bhagat, DGM Marketing Head of NHMMI, Mr. Ashok Thakur, Senior DM of LIC India and Mr. Sanjay Kumar Kanjode were present as our Chief Guest and Guest of Honour for the 1st day and Mr. Rahul Singh, Retired Deputy Director Department of Culture Govt. Of Chhattisgarh along with Mr. Naval Shukla Chairman of Adiwasi & Lokkala Academy Govt. Chhattisgarh were our eminent Guests for the 2nd day of the conference. Opening remarks were presented by Dr. Sandeep Gandhi Registrar of the University and highlighted some issues on Global Crisis related to hunger and poverty. He presented the horrific pictures of the global conflicts from child abuse to covid and climate change. Dr. R Shreedhar Vice Chancellor of the university threw light on BMJ (British Medical Journal) reports where he addressed major health issues related to cardiac arrest issues, skin cancer, human trafficking and terrorism.

Furthermore Dr Byju John, Director General, Kalinga University mentioned the outcome of every crisis which comes with an opportunity. Convenor of the conference from Govt.

J. Yoganandam Dr. Kirti Tiwari welcomed all the dignitaries and guests with her welcome speech and gave an insight to the conference. Later Chief Guests Mr. Bhagat

quoted Sadhguru's teachings in his speech to motivate people to take action on self care

and to save the environment. Guest of Honour Mr. Ashok Kumar shared his experience of the

struggle during covid times for saving lives. Inaugural ceremony concluded with Dean Dr. Shilpi Bhattacharya‟s vote of thanks.

The Technical session commenced with Prof. Amit Agrawal from IIIT Naya Raipur where he highlighted Unicorns in India, MSME and VUCA (Volatile Uncertain Complex Ambiguous) on the topic "Entrepreneurship in Crisis". He wrapped his presentation with his ideology "Humans at the end are stories and stories are worth only when there is a crisis".

The 2nd Technical Session was taken by Dr. Sayan Dey from York University, Canada presented online on the topic "Racial Crisis, Ecological Crisis and Artworks" where he discussed how European colonization affected diversity and dictated the way of living. He also mentioned how art work plays a vital role in shaping people‟s point of views. He summed up the presentation with the thought "Visual Projection can be very powerful".

Mr. Terry Holley from USA presented the 3rd Technical Session on the "Covid-19 and the Impact in America". He shared his experiences of pandemic times where he observed that Covid vaccine was the fastest distributing vaccine in the history of America and alerted the people to take care of each other as there is a lot to lose. He shared the downfall of the global economy and appreciated frontline workers during the global crisis. His fiance Molly Holley also shared her lockdown experiences with the participants. They advised people to choose their decisions wisely.

Dr. C.M. Mukharjee, Retired English Professor took the 4th and last technical session of the conference where he suggested some perspectives and solutions to all the crises and problems of this world. He shared his wisdom with all participants by his vast experience of more than 53 years and enlightened everyone.

After the end of the technical session, a parallel paper presentation was held on three different venues in hybrid mode i.e. online and offline where participants presented their abstracts, concepts and conclusion. Prof. Piyush Kumar, Dr. ACP Tripathi, Dr. Anita Juneja, Dr. Sangeeta Singh, Dr. Shraddha Pandey, Dr. Archana Yadav and Dr. Giriraj Shankar Gautam was present as our esteemed Chairpersons for all parallel paper presentations. REPORT ON WORKSHOP ON CASE TEACHING AT IIM ROHTAK

The Case Teaching Workshop is one of the flagship events of IIM Rohtak, which was organized on 20th and 21st of December 2022 this year. I, Dr. Abhishek Tripathi, got an opportunity to participate in the workshop to represent our University. The venue for the event was United Services Institute, Vasant Vihar, New Delhi.

Objective:

To emphasize the value of the case method in the learning of students. It is intended for all those with an interest in using case studies as a teaching tool, as well as those who are interested in the development of such teaching cases.

Facilitators:

- Prof. Dheeraj Sharma, Director IIM Rohtak
- Prof. Anju Seth, Former Director IIM Calcutta, and Professor of Management at Virginia Tech University, USA
- Prof. Amit Jain, Associate Professor of Management, National University of Singapore

Learning Outcome:

- The methodology to be adopted for teaching cases in the classroom.
- The descriptive cases and the problem solving cases, the types of cases.
- Cases, as a very powerful tool for integrated learning of concepts in management education.
- The flow of drafting a case for the management pedagogy.
- The art of storytelling and putting the story into reality to learn management concepts.

Experience:

It was an excellent experience to learn from the stalwarts of management education. The teaching tips given by Prof. Dheeraj Sharma, Director, IIM Rohtak, transformed the way to look at management classes.

Finally, I would like to express my gratitude towards the Kalinga University, for giving me this opportunity to participate in such an enlightening workshop. I am sure we will improve our classroom delivery using the methods learnt during the workshop.

Dr. Abhishek Tripathi
Dean (Faculty of Commerce and Management)

Dear Sir/Madam,

Annual Session of Young Indians (Raipur Chapter)

1930 Hrs, Friday, 23 December 2022, Gaurav Gardens, Raipur

I am happy to inform that CII-Young Indians Raipur Chapter is organising its Annual Session on 23 December 2022 at Raipur.
Yi Raipur Chapter was founded in 2009 & currently has over 157 members & engaged with over 2000 Yuva students from leading institutions.
Over the last 13 years, Yi Raipur has touched the lives of 5 Lakh individuals with over 1,500 activities divided into 3 broad dimensions - "Nation
Building", "Youth Leadership" & "Thought Leadership". Yi Raipur conducts between 100-120 activities during a calendar year aiming at spreading
awareness on nation building projects like Climate Change, Gift an Organ, Road Safety, Accessibility, Masoom - Keeping Children Safe, promoting
youth leadership through initiatives like Youth Entrepreneurship Summit & Learning Sessions with renowned speakers.
With this backdrop, I am writing to cordially invite you to grace the occasion with your
presence. Session to be held from 1930 Hrs, Friday, 23 December at Raipur.
We look forward to your positive response and hope to receive your august presence.
In case of invitation sent physically, the soft copy of invitation card has to be pasted.
