Objective of Program:

- The primary objective of the campaign was to raise awareness about the detrimental effects of plastic pollution and promote sustainable alternatives, emphasizing the use of paper bags.

Details of Program:

The Paper Bag Distribution Campaign organized by the Dean of Students' Welfare (DSW) & team, in collaboration with NSS, NCC, YI, Sports Department and our enthusiastic students marked a significant initiative to commemorate National Pollution Control Day under IIC 6.0 Quarter 2, on 9th January 2024.

The event commenced at 11:00 am, witnessing the active participation of students and faculty members from various departments. The campaign was strategically organized in the village of Palaud, aiming to engage with the local community and contribute to a cleaner environment. A total of 380 paper bags were successfully distributed to local shopkeepers of village Palaud, who welcomed the initiative with enthusiasm. The campaign included an informative session, where participants highlighted the environmental benefits of switching to paper bags and the adverse effects of plastic on the ecosystem.

As we reflect on this successful initiative, it is our hope that such efforts continue to inspire similar actions and foster a collective sense of responsibility towards protecting our environment.

The campaign was successfully executed in the presence of Dr. Swati Agrawal, Dr. Sanjeev Kumar Yadav, Mr. Sheikh Abdul Kadir, Ms. Nikita Joshi and Ms. Anamika Shukla for ensuring a seamless and engaging experience for both participants and locals.

Program Outcome:

1. Increased awareness among participants and local shopkeepers about the benefits of using paper bags and the harmful effects of plastic on the ecosystem.
2. Positive responses from shopkeepers expressing interest in adopting paper bags.
3. Received appreciation from locals.

On

04-08-2023

Title- “Certification Training Program Jan Shikshan Sansthan (JSS)”

Date: 04-08-2023

Time of event: 11:00 AM Onwards

Event Type: Offline

Venue: MBGF-15, Kalinga University

Objective of Program:

- The program aimed to provide vocational training in Domestic Care Course to non-literates, neo-literates, and school drop-outs in rural regions.

Details of Program:

Kalinga University, in partnership with Jan Shikshan Sansthan (JSS), successfully completed a 60-day certification training program for 20 villagers from adopted villages of Naya Raipur. The program aimed to provide vocational training in Domestic Care Course to non-literates, neo-literates, and school drop-outs in rural regions.

The training, which commenced from July 15, 2023, was guided by the Registrar Dr. Sandeep Gandhi, coordinated by Dean Student Welfare Dr. Jasmine Joshi, Kalinga University, who played a pivotal role in ensuring the smooth execution of the program. Mr. Harsh Khare from the Admin department of Kalinga University led the training for the Domestic Care Course, imparting essential skills and knowledge to the participants.

Jan Shikshan Sansthan, represented by Mrs. Mitanjali, the Assistant Program Coordinator and Director Mr. Atul Singh of JSS, actively collaborated with Kalinga University throughout the training period, supporting the participants and fostering a conducive learning environment.

The culminating event took place on August 4, 2023, wherein the 20 villagers demonstrated their acquired skills in both practical and theory exams. This comprehensive evaluation aimed to assess the participants' proficiency in various aspects of domestic care.

The collaboration between Kalinga University and Jan Shikshan Sansthan reflects a shared commitment to uplift rural communities by identifying and nurturing skills that hold relevance in the local market. The certification training program empowers individuals with the means to secure sustainable livelihoods and make positive contributions to their communities.

This successful initiative marks a milestone in the efforts to promote skill development and socio-economic growth in rural regions. Kalinga University and Jan Shikshan Sansthan remain dedicated to continuing their mission of empowering individuals through vocational training.

Subject: Proposal letter regarding dates for organizing events under IIC 6.0 Quarter 1 & 2
Respected Sir,

As per the IOM – KU/2023/IOM/IQAC/048 received dated on 17.10.2023 regarding organizing events under IIC 6.0 for Quarter 1 & 2 (Calendar 2023-24).

We propose the following date of events under IIC 6.0 as follows:

Sr. No.	Date	Activity Title	Quarter	Department
1	21/11/2023	Poster Presentation	1	DSW
2	02/12/2023	National Pollution Control Day	2	DSW
3	25/01/2024	Poster Presentation	2	DSW

Joshi
Dr. Jasmine Joshi
Dean of Students' Welfare
Kalinga University, Naya Raipur C.G.

Objective of Program:

1. To raise awareness and inspire action towards fostering a harmonious relationship between humans and the environment.
2. To promote sustainable practices, conservation efforts, and a collective responsibility to protect and nurture our natural world.

Details of Program:

In a vibrant showcase of artistic talent and environmental consciousness, Kalinga University hosted a Poster Making Competition on November 21, 2023. The event, organized by the Dean of Students' Welfare department, aimed to foster creativity and raise awareness about the crucial theme, "Harmony with Nature: Cultivating a Greener Tomorrow."

Students exhibited remarkable enthusiasm, contributing to the success of the competition. A total of 22 artists showcased their artistic prowess and creativity through visually compelling posters that conveyed messages of environmental sustainability and ecological harmony.

The distinguished panel of judges comprised Dr. Shraddha Verma, and Dr. Naimeesh Joshi, whose expertise added a valuable dimension to the evaluation process.

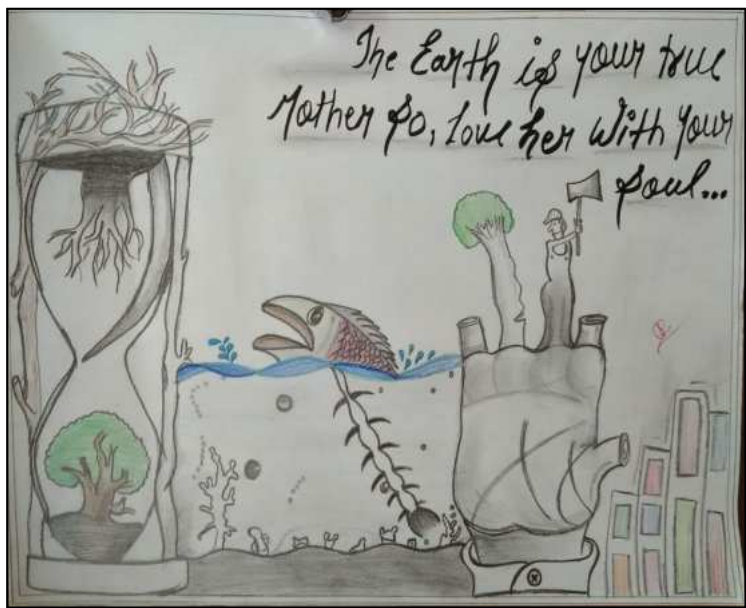

The competition was skillfully organized and executed by Mr. Abdul Sheikh Kadir, Ms. Nikita Joshi, and Mr. Toshani Tarak from the Dean of Students' Welfare Department, ensuring a seamless and engaging experience for both participants and attendees.

All participants were recognized for their efforts and received participation certificates, acknowledging their commitment to the cause and their contribution to the vibrant atmosphere of the event.

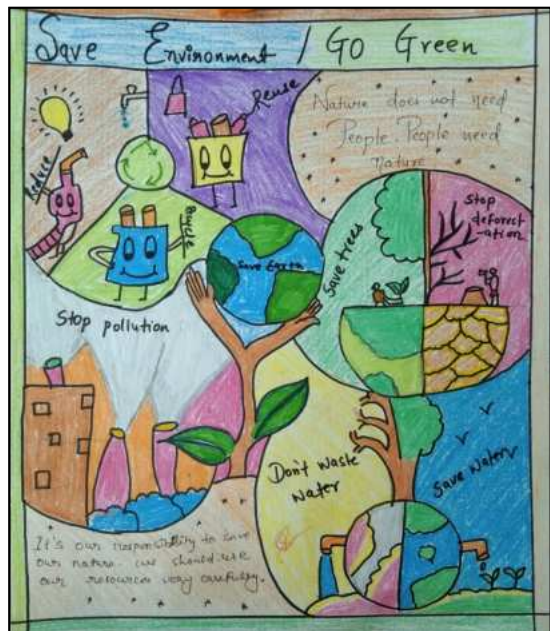

The Poster Making Competition at Kalinga University not only showcased the artistic talents of its students but also highlighted the university's commitment to promoting environmental awareness and sustainability.

Program Outcome:

1. The desired outcome of the competition is to encourage participants to creatively express the importance of living in harmony with nature through visually compelling and thought-provoking posters.
2. Encourage creativity and artistic expression to communicate the beauty and value of nature, making the message more emotionally resonant and memorable.
3. The results of the competition were as follows:
 - First Place: Ms. Mahima Agrahari, B.CS AIML (1st semester)
 - Second Place: Ms. Sujata Sahu, M.SC Botany (3rd semester)
 - Third Place: Ms. Aadya Anuska Pani, BAJMC (1st semester)

Respected Sir,

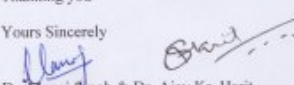

Green Club & Department of Zoology is planning to organize an event on World Ozone Day 2023 on the theme "Montreal Protocol: fixing the ozone layer and reducing climate change" on 15th Sep 2023. This event is financially supported by Chhattisgarh Environment Conservation Board (CECB) (copy of sanction letter attached).

The Chief Guest for the event is Dr Anita Savant, Senior Scientific Officer, CECB, CG. The timing of the event is from 10.00am- 1.00pm. The event will be open for both students of government and public schools of Naya Raipur, as the issue of ozone layer is significant for everyone.

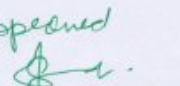

For smooth conduction of the event, the requested materials proposed in the attachment may be provided. The students of Faculty of Life Science may also be allowed to participate in this event if they're interested. The classes of M.Sc. Zoo & B.Sc. ZBC during the program will be engaged by Ms. Urvashi Sharma & Ms. Chaitramayee Pradhan.

Kindly provide the financial and administrative approval for organizing the event.

Thanking you

Yours Sincerely

Dr. Manoj Singh & Dr. Ajay Kr. Harit

Objective of Program:

1. To create awareness about the causes and consequences of ozone layer depletion.
2. To explore the possibilities for addressing climate related problems.
3. To enhance the creativity skills of students via painting their ideas.
4. To provide a platform for students to put forward their thoughts.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Mr. Amar Kumar Savant

Designation: Public relation officer

Organization: CECB

Program Schedule:

School students started their painting competition around 10:30 A.M. The painting were completed by 12:30 which was followed by judging session, valedictory session, and refreshment distribution.

Details of Program:

Department of Zoology, Kalinga University in collaboration with Chhattisgarh Environmental Conservation Board (CECB) organized a panting competition for school students to celebrate World Ozone Day at Kalinga University Campus, Naya Raipur, Chhattisgarh on 15th September 2023. This was a collaborative effort between Kalinga University and CECB, to address the overarching and challenging global issue of Ozone layer depletion and its consequences. The main focus was to allow the young minds to creatively think for ways to show the above-mentioned idea through paintings.

The program was graced by the presence of Dr. R. Shridhar (Vice Chancellor, Kalinga University) and Mr. A. P. Sawant (Public Relations Officer, CECB). Students from middle and high schools participated in the event where all the painting accessories were provided by the organizing group. The participating schools were: Christel House, Govt. Middle School at Kuhera, Mahatma Vidyapeeth at Palaud, Kendriya Vidyalaya at Naya Raipur, and Govt. Higher Secondary School at Rakhi. The main themes of the students for their paintings included causes and consequences of ozone layer depletion and what impacts that can have on humans. Christel House students won the first and third prize while second prize winner was from Govt. Higher Secondary School at Rakhi. Additionally, 5 more consolation prizes were also awarded. The students and accompanying faculty members were provided with refreshment at the end of the event.

The program was conducted and coordinated by Dr. Manoj Singh, Dr. Ajay Kumar Harit and Dr. Sohini Bhattacharya,

Program Outcome:

1. Participants could understand and present their views through paintings on ozone layer depletion and its consequences.
2. Participants were able to interact with the audience and share their creative solutions.

Number of Students participated: 140

Number of audience: 170

04:00 pm - 4:15 pm	धन्यवाद ज्ञापन
04:15 pm	कार्यक्रम का समापन

Details of Program:

World Wetland Day 2024 was celebrated on the 2nd of February 2024 by Kalinga University, Naya Raipur with the help of the Forest Division Office, Mahasamund, Chhattisgarh Government at the Van Chetna Kendra, Kodar, Mahasamund. The event witnessed participation of nearly 250 school students from 5 blocks of Mahasamund. It was graced by eminent scientists, academicians and civil servants. The Chief Guest for the Event was Shri S. Alok (IAS) CEO, Zila Panchayat, Mahasamund, other eminent guests were Prof. ML Naik, renowned Scientist and a senior member of Chhattisgarh Biodiversity Board, Shri Pankaj Rajput (IFS) DFO, Mahasamund, Dr. R. Shridhar, Vice Chancellor, Kalinga University, Naya Raipur.

The young learners were introduced to Wetlands and their significance by Shri Pankaj Rajput (IFS), DFO, Mahasamund. He drew the attention of the participants towards the issue of depleting water reserves and how the impacts are worse for our rural counterparts. He also highlighted the need to look at Wetlands not just as a resource but as a life supporting entity.

The Chief Guest for the event Shri S. Alok highlighted the importance of water and the need to conserve this valuable resource. He also emphasised the significance of wetlands in our daily lives and the ecosystem services provided by them. Renowned scientist and Academician Prof. ML Naik highlighted the significance of efficient management and sustainable use of Water resources and informed them of the significant role played by Wetlands in mitigating the effects of Climate Change. Dr R. Shridhar, Vice Chancellor, Kalinga University encouraged the participants to look at water resources from a cultural aspect and strive towards their sustainable use.

Shri U.R Basant (State Forest Service) SDO Forest, Pithora, Shri A.W Khan (SFS) SDO, Mahasamund, Shri TR Sinha, Range Officer, Mahasamund were also present for the facilitation event.

The event also involved the conclusion of a series of competitions that were previously held at Block Level and saw the participation of more than 600 students from a number of schools of Mahasamund. The final District Level Declamation competition at two levels - high school and University was organised in which the bright young minds shared their passion for environmental conservation as well as restoration of degraded ecosystems. This was followed by a Slogan Competition which witnessed enthusiastic participation of the young minds. Paintings, judged the best from previously concluded competitions were put on display for the participants admiration.

Along with these a cleanliness drive was also carried out by the students of Kalinga University, Naya Raipur. It is noteworthy that the quantity of plastic waste collected by the students in the current drive, 50 kgs was significantly lower than the nearly 300kgs of waste collected in the previous year's cleanliness drive. This underscores efforts made by the Forest Division Office in ensuring cleanliness and proves their commitment towards addressing Environmental concerns.

Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh, INDIA – 492101

Mob: 93030 97043, Email – registrar@kalingauniversity.ac.in

The event concluded with the felicitation of the winners by the esteemed guests and a hope that the young bright minds would appreciate the beauty as well as significance of healthy ecosystems and make conscious efforts towards their conservation and restoration.

Program Outcome:

1. Participants could understand and present their views on conserving wetlands.
2. Participants were able learn about wetlands from different experts and actively participate in cleaning drive.

Number of Students participated: ~250 (schools+colleges+Kalinga University)

Faculty members and non-teaching staff: ~30

Gathering during valedictory session: ~ 250

Title- Smart Garbage Monitoring System in Government Schools

Date: 06/10/2023

Time of event: 11:30 am to 12:30 pm

Event Type: Offline

Event Poster:-

Objective of Program: - NSS Unit of Kalinga University, Raipur has adopted five villages in Raipur District, namely **Palaud, kotni, Tandul, Kuhera, KotaraBhatha**. Government schools often struggle with maintaining clean and hygienic environments. Improper garbage disposal can lead to unclean surroundings, attracting pests and causing health issues for students and staff. Implementing a smart garbage monitoring system in government schools can have several benefits and impacts, leading to improved hygiene, sustainability, and cost-efficiency. With real-time monitoring and alerts, the system can ensure that garbage bins are emptied promptly, reducing the risk of litter and unhygienic conditions.

Details of Program: - On 6th October 2023, Internal Quality Assurance Cell (IQAC) and National Service Scheme (NSS), Kalinga University visited to Mahatma Vidya Pith School, Palaud. Interacted with class 6 to class 8 students of the school and briefed about the working and use of smart dustbin. Live Demonstration was also given to the students regarding the use of the dustbin. Finally the dustbin was handed over to the principal of the school with all the accessories and also informed the precautions to be taken during the use of Smart dustbin.

Invitation to the resource person: (NA)

Objective of Program:

1. To create awareness about wildlife and biodiversity.
2. To explore nature and in-situ identification of birds and termites.
3. To inculcate the habit of cleanliness by taking part in a forest trail cleaning activity.
4. To emphasize the importance of afforestation by taking part (by students and faculty) in a plantation drive,
5. To provide a platform for students to interact with forest officials.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Mrs. Salma Farooqui, IFS

Designation: Divisional Forest Officer, Rajnandgaon

Organization: Indian Forest Services

Resource Person 2:

Name: Shri Dilraj Prabhakar, IFS

Designation: Chief Conservator of Forest, Durg Circle & Forest and Climate Change Department, Chhattisgarh

Organization: Indian Forest Services

Program Schedule:

Details of all the activities are provided below.

Details of Program:

Department of Zoology, Kalinga University in collaboration with Rajnandgaon Forest Division organized a Nature Camp and Workshop on Termites and Birds Identification for celebrating the Wildlife Week. The event was conducted in Dongargarh, Chhattisgarh and was for 2 days, from 2nd October to 3rd October 2023. The event was fully funded (Rs. 50,000/-) by the Forest Department.

The participants started from Kalinga University campus at 9:00 AM on 2nd October 2023 and reached the location by 1:00 PM. All the participants stayed overnight at Sangwari Eco Development Training Centre located within the premises of the Dongargarh forest where both, food and lodging were provided. After lunch, the students were taken out for trekking along a trail in the forest area under the

supervision of Mrs. Poornima Rajput, SDO, Dongargarh. During the trail walk students were introduced to basic concepts of bird watching and acoustics. Thereafter, students and faculty members trekked up to the Bambleshwari Mata Mandir on the hill. During the evening students and faculty gathered for a campfire where exchange of thoughts among students of different semesters was encouraged. Since two international students (Mr. Koklo Davis and Mr. Allan Tiba) had also accompanied us so there were informal discussions about their specific cultures, music, and dance. During the session, everyone was provided with light snacks and were continuously supervised by the faculty members. The male students were monitored by Dr. Manoj Singh, Dr. Ajay Harit, and Mr. Hemant Sen while the female students were supervised by Dr. Sohini Bhattacharyya, Ms. Chaitramayee Pradhan, and Ms. Urvashi sharma, After dinner female students were allotted rooms in the first floor and male students were accommodated in the rooms in ground floor for night.

Early next morning by 6:00 AM all the participants got ready and headed for another trail walking session and cleaning drive simultaneously. Mrs. Poornima Rajput, SDO, Dongargarh, Mr. Pushpesh Goswami, forest range officer North Bortalao, and Mr. Bhupendra Kumar Uike, forest range officer, Dongargarh accompanied our participants throughout the trail explaining the initiatives taken by the forest department for the benefit of the locals and the environment. The cleaning drive involved picking up of plastic trash throughout the entire trail (~4kms) and almost 150 kg of trash was collected by the end. During the trail walking Dr. Manoj Singh was explaining bird diversity, Dr. Ajay Harit was demonstrating termite collection from mounds and Dr. Sohini Bhattacharyya was involved with terrestrial invertebrate identification. Different morphospecies of spiders, ants, dragonflies, frogs were identified. Black kites, Warblers, etc. were the most commonly identified bird species. Guava, gooseberry, sandalwood, parijaat, etc. were among the various species of plants identified along the trail. After the cleaning drive there was a plantation event where 50 saplings were planted in the forest to promote afforestation. Then the students headed back to the resort for lunch.

Post lunch a valedictory session was organized. The chief guest of the session was Mrs. Salma Farooqui, IFS (DFO Rajnandgaon) while the guest of Honor was Sri Dilraj Prabhakar, IFS (Chief Conservator of forest Durg circle, Forest and Climate change department, Chhattisgarh). The effort of the students and faculty members were appreciated by Salma Farooqui madam while Shri Dilraj Prabhakar sir spoke about the responsibilities of IFS and the work done by the forest officials in the Dongargarh region to increase biodiversity, benefit general population and attract tourism. Verbal feedback was also taken from students about the event in front of the dignitaries. The event was concluded with certificate distribution to the participants by the dignitaries and group photos. The students and faculty members returned by the evening of 3rd October.

The program coordinators were Dr. Manoj Singh, Dr. Ajay Kumar Harit and Dr. Sohini Bhattacharyya. The faculty members were assisted by Ms. Chaitramayee Pradhan, Ms. Urvashi Sharma, Mr. Hemant Sen and Mr. Arkadeb Dutta.
