Objective of Basic Mountaineering Course (BMC):

The Basic Mountaineering Course is the foundation course in which men and women are initiated into mountaineering.

The objectives of BMC are:

- To teach the basic techniques of movement on rock, snow and ice.
- Theoretical and practical aspects of mountaineering and its allied subjects, like Map reading, Navigation, Weather, Medicines, Mountain Hygiene etc.
- To inculcate the right attitude amongst the trainees enabling them to view mountaineering as an art and not just a physical or adventure activity.
- To motivate people from all walks of life to higher endeavor.
- To make available to the trainees, suitable and relevant literature and reading material on mountaineering.
- To teach them how to make themselves comfortable and manage their health in the mountain environment.
- To introduce them to conservation of Himalayan environment.
- To toughen their bodies by increasing their resistance to cold, hunger and fatigue.

Program Outcome: Our NCC Cadet Ms. Aditi Dubey selected for the BMC (Basic Mountaineering Course) from Chhattisgarh. This is indeed a remarkable achievement and a testament to her dedication and abilities. The BMC is an esteemed opportunity for cadets to undergo specialized training and gain valuable experience in mounted operations. It will provide her with unique skills and knowledge related to rock climbing, snow craft, ice climbing, navigation, and rescue operations. This course will equip her with the necessary skills to safely navigate mountainous terrain and handle adverse situations. This experience will undoubtedly broaden her horizons and provide her with a strong foundation in mountaineering. Participating in the BMC not only demonstrates Ms. Aditi Dubey's commitment to personal growth and adventure but also reflects positively on her discipline and determination as an NCC cadet

Ms. Aditi Dubey successfully completed the Basic Mountaineering Course (BMC). Marksheet and certificate are expected to be issued within a month. Once the marksheet and certificate are issued, these documents will be submitted to respective departments as tangible proof of her achievement in the BMC.

NSS Activity Swatch Bharat Abhiyaan to Ensure "Parthenium – Free Campus" at Kalinga University on 18th August 2021

NSS Activity "Swatch Bharat Abhiyaan" to make parthenium free campus organized by NSS unit of Kalinga University on 18/08/2021 under the guidance by Mrs. Smita Premanand NSS program officer along with NSS volunteers at Kalinga campus and sport's complex.

Students cleaned the parthenium and that area. The NSS volunteers were very much enthusiastic to participated in this activity of swachh Bharat Abhiyan.

On this occasion, Dean student welfare, Dr. Asha Ambhaikar, NSS program officer Smita Premanand, sport's teacher Rani Sahu along were present alongwith NSS volunteers, Minakshi chandra, kajol Bhanushali, Arnab Mondal, Rupkatha Mahapatra.

The NSS unit of Kalinga University also taught modern agricultural practices in many village areas. Some of those teachings includes the use of Senna tora, commonly known as "Chakoda" and marigold in replacing parthenium by spreading their seeds during February-April in the infested areas. Their seeds can also be collected during October-November making it an ideal method to manage the spread of parthenium infestation. This NSS activity was in accordance to make people aware and to send the message of "Swatch Bharat Abhiyaan" parthenium- free campus. The overall program was successful.

3rd Days Online Academic Festival Organized Faculty of Commerce & Management at Kalinga University on 18th August 2021

Raipur- Kalinga University is a leading University in central India. It is committed to developing the students with in-depth analytical and decision-making skills through extensive use of experiential learning methods. In this Context, Faculty of Commerce & Management organized a 3 Days Online Academic Festival. This Festival was organized in association with Professor Amartya Sen Chair (named in honour of the Indian Economist and Philosopher), which has been established by Kalinga University. Under this chair, Kalinga University is committed to work for the betterment of society through research, education and public engagement.

This 3 Days Online Academic Festival Comprised of Case Study Competition and Book Review Competition. Case study methodology is an important technique in promoting experiential learning. The university has adopted this technique to encourage holistic development of students. The main objective of case study competition was to develop analytical and critical ability among the students under different situations. The students were presented with different cases studies with questions based on them and were asked to present their view on the cases before the Audience and Judges.

Polythene Awareness program by NSS at adopted village Paloud on 13 September 2021

NSS UNIT of Kalinga University has organised a polythene awareness programme at adopted village Paloud on 13 September 2021 under the leadership of NSS program officer Mrs. Smita Premanand. The main Moto of the program was to eradicate the use of polythene. The NSS volunteers have taken an initiative to organize a program of polythene free village.

Volunteers visited to medical shops, Grocery shops, parlours and vegetable vendors and encouraged them to stop the use of polythene and make them aware of the harmful effects of polythene as it is non-biodegradable and it can't be disposed for millions of years. Polythene bags were eaten by cattle's and were unable to digest it and die.

NSS programme officer Mrs. Smita Premanand, Dr. Vijayanand and NSS volunteers Varsha Dhruv, Megha sahu, meenakshi Chandra, Kajol Bhanushali, Ajay Pandey, Rahul Mishra made the program successfully. The program was organized under covid protocol. The moto of the program is "Avoid Polythene Save Earth".
